REPORTS OF CITY OFFICERS AND BOARDS

December 16, 1976

Honorable Mayor Gerald W. Graves,

Mayor Pro-Tem Terry J. McKane, and

City Council Members

Lansing City Hall

Lansing, Michigan 48933

Dear Mayor Graves, Mayor Pro-Tem and Council Members:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

I hereby certify that the amendment of the contract between the Greater Lansing Urban League and the Housing and Redevelopment Department of $49,155.00 is in conformance with Section 2A-11 of the Community Development Ordinance.

This contract meets the requirements set forth for certification pursuant to the above sighted Section.

Respectfully submitted,

ORRIN E. SHARP,
Executive Assistant to the Mayor for Community Development.

Referred to Committee on Community Development.

December 29, 1976

Dear Fellow Council Members:

On November 29, 1976 you appointed by resolution a Special Committee on Taxation and named me as chairman with Lester Hopkins, Internal Auditor, and James Dowsett, Finance Director, as the other two members. You further required that this committee provide a report prior to January 1, 1977. After several meetings by this committee and following intensive staff work by the Finance Department, Internal Audit staff, and the Law Department, I present the attached report and recommendations for your consideration. I recommend that a Committee of the Whole meeting be scheduled in the near future to consider this report and to formulate any City Council policy statements deemed desirable at this late date.

I have renumbered each item on the resolution to which the committee is responding and have dealt with these items in that sequence. You will find attached a copy of the resolution with the revised numbers, analysis of each item, a list of final recommendations. line graphs, City Attorney's opinion, and three tables.

I hope that this report will provide the information necessary for the Council to begin making policy decisions regarding future budgets, a role which I consider important to the total budget-making process.

Thank you for your consideration of this report.

Sincerely,

TERRY J. McKANE,
Chairman,
Special Committee on Taxation,
Mayor Pro Tem.

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing through the Housing and Redevelopment Department has entered into Contract with the Greater Lansing Urban League (PN-295) on October 4, 1976, effective October 1, 1976 through September 30, 1977, in the amount of Forty-nine thousand, One Hundred Fifty-five and 00/100 ($49,155.00) dollars.

Whereas, the Finance Department has determined that it is necessary to amend said Contract in order to prevent a deficit operation in certain budget items under this Contract, and

Whereas, the City of Lansing through the Housing and Redevelopment Department and the Greater Lansing Urban League do mutually agree to amend said Contract from January 1, 1977 through September 30, 1977, by reducing the percentage of time undertaking and (Column 2, Personnel Sheet) weeks to be employed (Column 3, Personnel Sheet).

Now, Therefore Be It Resolved, that the Mayor and City Clerk be and are hereby authorized and directed to execute said amendment of the Contract on behalf of the City of Lansing, after approval as to form by the City Attorney and certification as to availability of funds in Account No. 258-842-641-847 and 258-842-642-847.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the bid for the sale of property commonly known as the American Dry Cleaners Building located at 1217 Center Street and 1225 Center Street, further described as:

Assessor's Plat No. 21 of Block 6, Original Plat S135 ft of N234 ft Lot 2 and S30 ft of E79.86 ft Lot 2,

was opened at 3:00 p.m. EST on Tuesday, December 14, 1976; and,

Whereas the City Council, on December 27, 1976 referred the proposal submitted by Dard Inc. to the Committee on Buildings and Properties; and

Whereas the proposal to purchase submitted by Dard, Inc., contained terms and conditions consistent with the Proposal to Sell prepared by the City,

Now, Therefore Be It Resolved that the Mayor and City Clerk be authorized to execute a contract including those terms and conditions stipulated in the Proposal to Sell, to be performed by the purchaser within the time periods specified.

Be It Further Resoled, that the Mayor and City Clerk execute a quit Claim Deed prepared by the City Attorney's office in favor of the purchaser upon completion of all the conditions of the contract.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing Planning Department has a need for aditional personnel on a part-time basis, and Lansing Community College can provide such personnel through the auspices of the College Work-Study Program, and

Whereas, 80% of the wages for such personnel will be paid from Lansing Community College Federal Work-Study account and 20% of such wages will be paid from existing Planning Department funds account number 101-801-000-707, and

Whereas, the City Finance Director has certified that existing employee benefit accounts covering the City's liabilities in the areas of Social Security and Workers Compensation obligations are sufficient to cover such mandated expenses,

Now Therefore Be It Resolved, that the Mayor and City Clerk are authorized and directed to sign the Work-Study Agreement with Lansing Community College on behalf of the City of Lansing, subject to approval by the City Attorney as to form and certification of availability of funds by the Finance Director.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That the appointment of Mrs. Jane Tibbetts to the Human Relations Committee for a term expiring June, 1980, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Burnetta A. Terrill Reilly deeded to the City of Lansing by warranty deed the west 20 feet of the east 141.5 feet of the north 160⅛ feet of Lot 1, Block 1, Plat of Oak Crest Subdivision (3000 block So. Cedar St.) which deed was recorded February 8, 1956 at Liber 715, page 559 with the Register of Deeds of Ingham County; and

Whereas, the City of Lansing intended to use the property for alley purposes; and

Whereas, the property was not a dedicated alley; and

Whereas, the deed recorded February 8, 1956 does not contain a reverter clause; and

Whereas, the City of Lansing no longer wishes to retain ownership of the property; now, therefore, be it

Resolved, that the west 20 feet of the east 141.5 feet of the north 160⅛ feet of Lot 1, Block 1, Plat of Oak Crest Subdivision (3000 block So. Cedar St.) be sold by quit claim deed to the highest bidder.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the Mayor has submitted his proposed Community Development projects and budgets for the Third Program Year application to the City Council for their review and consideration; and

Whereas, the City Council is required by the Fiscal Year 1978 Community Development Management and Decision Making Process Schedule, dated September 9, 1976, to submit its proposed projects and budgets to the City Clerk no later than January 6, 1977, and to conduct a public hearing to consider public comments concerning the Third Program Year on January 17, 1977; and

Whereas, the City Council must adopt the proposed Community Development application for the Third Program Year for submission to the A-95 Clearing Houses on February 15, 1977 for their review and to the U.S. Department of Housing and Urban Development for approval by April 1, 1977;

Now, Therefore Be It Resolved, that the City Council concurs that the proposed Community Development Third Program Year projects and budgets proposal (attached for public consideration and comment during the public hearing be scheduled for Monday, January 17, 1977 on the tenth floor of the Lansing City Hall at 7:00 p.m.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas the City of Lansing provides services to the community that entail the use of a large fleet of trucks, and

Whereas these vehicles represent both a substantial expenditure of City funds and an integral link in the efficient accomplishment of City service, and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas it has come to the attention of this committee that the City does not have an accepted truck replacement schedule, and

Whereas the City Council is desirous of providing policy direction to the Mayor on this matter, therefore

Be It Resolved that the Mayor provide a proposed truck replacement schedule to the Council as part of his proposed budget for fiscal 1977-78, and

Be It Further Resolved that the Internal Auditor be instructed to prepare a truck utilization study for City Council in order that the number and deployment of trucks required for City services may be integrated into the development of City policy on truck utilization and replacement.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council, by resolution, resolved on November 29, 1976, that free parking would be provided in the South Washington Mall for the balance of 1976; and,

Whereas, this free parking was enthusiastically received by the merchants in downtown Lansing, and was directly related to an increase in downtown shoppers during this past Christmas season;

Now, Therefore, Be It Resolved that free parking in the South Washington Mall be continued on Saturdays through the month of January, 1977; and,

Be It Further Resolved that the Traffic Department is directed to continue the rescheduling of its parking employee's working hours to create the maximum dollar savings to offset any potential revenue losses during this test period; and

Be It Finally Resolved that the Traffic Department is directed to undertake a detailed analysis during this test period to determine the feasibility of providing free parking in the South Washington Mall on Saturdays and that the foregoing analysis be submitted to City Council no later than Wednesday, January 26, 1977.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair, Gunther, Hull, McKane—6.

Nays: Councilmen Adado, Brenke—2.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $7,161,650.58.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Councilmen Baker-Hull—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That Councilman Brenke be elected Mayor Pro Tem for 1977.

Adopted by the following vote:

Unanimously.

Councilman Brenke thanked the council for electing him Mayor Pro-Tem for the coming year and will do his best to fulfill his responsibility.

Councilman Belen spoke for the council and thanked Councilman McKane for his leadership as Mayor Pro-Tem during the past year.

January 3, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

Although Council has not requeted that any official statement be made by myself concerning any client that has a compatible or adverse interest to the City of Lansing that I represent in my private practice,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

there were inquiries at my interview on December 30, 1976, concerning the possibility that I represent clients in my private practice that would or could have an adverse interest to the City of Lansing.

I have, therefore, reviewed all of my active files, and based upon the information obtained, I make the following affidavit.

STATE OF MICHIGAN)
) ss.
COUNTY OF INGHAM)

I, Frederick L. Stackable, being duly sworn, state as follows:

1. That I have reviewed all of the open and active files in my private practice of law.

2. That there are no files in which I represent any person, club, or corporation or group of any kind or sort that have any adverse or compatible interest in or with the City of Lansing.

FREDERICK L. STACKABLE.

Subscribed and sworn to before me this 3rd day of January, 1977.

BARBARA T. OBERLIN,
Notary Public, Ingham County, Mich. My Commission Expires: 11-1-80.

Received and placed on file.

INTRODUCTION OF ORDINANCE(S)

The following ordinance(s) of the City of Lansing, Michigan, providing that the Code of Ordinances be amended by:

Adding a new subsection (b) to Section 4-10 of said Code (Consumption in public or unlicensed places prohibited), was introduced by Councilman Hull, read a first and second time by its title(s) and referred to the Committee on Ordinance and Contracts and City Affairs.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:20 p.m.

THEO FULTON,
City Clerk.

Monday, January 10, 1977

Honorable Mayor Pro-Tem and Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members.

In the State of the City Message to you of two years ago, I advised of the establishment of an official Bicentennial Commission for the City of Lansing, that I had appointed an Executive Committee, with Dr. Philip Gannon, President, Lansing Community College, to serve as Chairman, and, at the time, I named 21 Operating Committees. I can now report with the passing of the Bicentennial Year of 1976, that the City of Lansing very

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

properly and enthusiastically celebrated the 200th Birthday of our United States. Some of the programs held are as follows:

—**Elementary Schools,** in early 1976, highlighted the history of our Nation, through student research for the completion of written papers and paintings;

—**"America, I Hear You Singing,"** featuring the Max Davey's Singers, was held at the Civic Center on January 25, 1976, and despite inclement weather, nearly a "full house" was present;

—**The Aviation Open House** of May 22 and 23, held at the Capital City Airport, drew an estimated 100,000 persons to witness the performances of the USAF Thunderbirds, the USA Golden Knights Parachute Team, Air Show America and to visit the various displays, including the "historic to modern" line of aircraft.

—In the month of May, the **Lansing School District Music Festival** was held, with participation of all bands, orchestras, and choirs, and a Lansing Community Band Concert was held.

—On July 2, 3 and 4, the **"Spirit of '76 Weekend"** was held, and included a concert by the Lansing Symphony Orchestra, an Ox-Roast, Venetian Regatta, fireworks, one of the City's largest parades ever with more than 3,000 direct participants, an Ethnic Festival, displays by Boy Scouts of America, church and fraternal groups, participation by the Lansing Police Band, early-morning, interdenominational religious services, including area clergy and choirs, followed by the "reading of the Declaration of Independence," the singing of the National Anthem, the raising of the Colony, the State and National flags, Air National Guard fly-over, a military artillery gun salute, the Riverfront Park dedication, and the opening of the Lansing Metropolitan Sports Hall of Fame, at the Lansing Community College, events in total, which attracted more than 150,000 persons;

—The month of August saw 166 Japanese from the Shiga Prefecture welcomed to Lansing as part of the Sister-City program, the presentation of the musical, "1776" at the Capitol Building, and the Great River Race at Moore's Park;

—**The Labor Day '76 Celebration,** sponsored by local unions, was held at the Riverfront Park, and was the first such in-City event in many years, most others being held in the past at Lake Lansing, or area county fairgrounds;

—Early September was, also, the start for **Senior Citizen activities** which continued into October, and featured arts and crafts displays, dancing, games and musicals;

—**Oktoberfest,** sponsored by the Jaycees. in the Downtown, drew approximately 15,000 persons to the goodwill affair;

—**United Nations' Day** was held on October 22, and proclamations were read, the official flag raised, ending with a band concert.

Other events, at various times, in the Year 1976, ranged from the U. S. Marine Corps Bicentennnial "Plant-a-Tree" Program, to visits to our City by youth bands from foreign countries, to individual church and group activities, to the unique "Welcome to Lansing" display, with free literature, as sponsored by area Service Clubs, for more than 6 months at Capitol City Airport. Throughout this Great Year, newspapers, magazines, television and radio, each played an important roll, from the local to the national level, by bringing to all Americans the strengths of the Nation, as well as the weaknesses, for all to consider.

To all who participated in the activities of the Bicentennial Year, whether such be large, or small. I am most grateful. People proved that they cared. **The spirit has led me to the decision that the Ethnic Festival, where people of all walks of life come to better understand each other, should be re-done in 1977. Therefore, it is my intention to call together, soon, those concerned, the purpose being to put into motion efforts to bring about another successful event. Your cooperation will be most appreciated.**

Directly, or indirectly, the City participated in the activities of: The American Red Cross—Downtown Blood Donor Days to assure that the "gift of life" would be availabe as needed; the Central Michigan Old Timers' Baseball Association to assist youngsters in sports; the Old Newsboys' Association to assure that needy children had warm boots and shoes; The State Journal's Christmas program to warm the hearts of people of all faiths; the Greater Lansing Safety Council in an effort to improve safety conditions for school aged youngsters, cyclists, school bus drivers and truck drivers; the Lansing Metropolitan Development Authority, in its drive to locate new businesses in the area, and encourage businesses already here to expand; the now being constructed St. Lawrence Hospital, which, when completed, will better the health care for Lansing residents, in addition to many persons living throughout the area, and in a radius of 20 to 30 miles; to name a few.

In turn, numerous persons are contributing time, effort and expertise to the City by serving on various boards, authorities and study committees. These contributions are invaluable and they lend to the strength of the City of Lansing.

Two of the City's newest boards are the Lansing Economic Development Corporation and the Lansing Downtown Development Authority. Though most difficult to bring into being, both are progressing in an excellent manner. For example, my original communication, with written support from local organizations, requesting the establishment of the Economic Development Corporation was forwarded June 23, 1975—others followed—but, it was not until January 19, 1976, that the Articles of Incorporation for the Economic Development Corporation, and the Lansing ordinance establishing the Lansing Downtown

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Development Authority could be filed with the State of Michigan. Finally, on March 10, 1976, I was privileged to "chair" the organizational meeting (joint) of the members of the two new boards. The established goals immediately set were: **(1) create more jobs within the City; (2) retain existing business within the City; (3) support existing business and industrial expansion within the City; and, (4) persuade new business and industries to locate within the City.**

Since that date the members of these boards, and myself, have met at regular intervals and several significant accomplishments have been achieved in line with the established organizational goals and objectives.

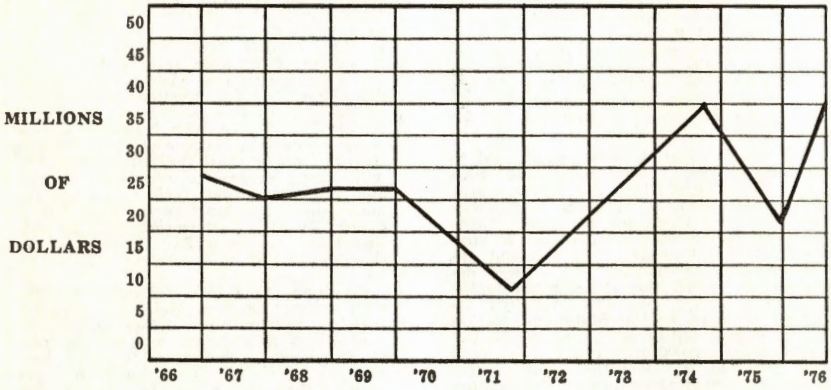
On Monday, October 4, 1976, the Economic Development Corporation finally, by Resolution of the City Council, accepted title to the 50 year old, 450,000 square feet, F.M.C. (John Bean) building with the provision that the Corporation would assume responsibility for re-payment of over $80,000 in "holding costs," taxes and insurance advanced by the City of Lansing. This imaginative, bold and dramatic investment gamble by the Economic Development Corporation to alleviate conditions of unemployment and to assist local industries and commercial enterprises in their attempts to strengthen and revitalize the City's economy, has paid handsome dividends. By having ample manufacturing space available, Economic Development Corporation representatives were able to persuade Diamond Reo Parts Manufacturing, Inc., to remain in Lansing and transfer operations to the John Bean Buiding. This assured financial stability of the project, but more importantly, saved approximately 60 jobs and an important industry for the City.

The ripple affect of this activity led to subsequent leases being negotiated with Service Fabrication, Inc., for 20,000 square feet, relocating their operations to Lansing from Traverse City and Mulliken, Michigan, and Allied Data Corporation moving from Atlanta, Georgia, having leased approximately 5,000 square feet. These developments raised the employment factor to over 150 new jobs and prompted inquiries from across the State and Nation as to the availability of the Economic Development Corporation's industrial assistance program and facilities. The success of the Economic Development Corporation John Bean project experiment, convinced officials of Diamond Reo Parts Manufacturing, Inc., that the future prosperity of their organization was solely dependent upon Lansing's economic climate. As evidence of this relatively new company's confidence in the City, my office received an offer from Diamond Reo Parts Manufacturing, Inc., to purchase the John Bean Building from the City for $300,000. Following an affirmative vote by the electorate in the Primary and Special Election held August 3, 1976, the property was sold to Diamond Reo Parts Manufacturing, Inc., real estate subsidiary, Truck Properties, Incorporated, on November 5, 1976. It is worthy of note that the dedicated, volunteer members of the Economic Development Corporation, with excellent decision making abilities, accepted a tremendous challenge and then met that challenge head-on. **They helped to improve employment, on one hand, and they provided the assurance that people do care, on the other hand.**

Throughout this whole process, my Executive Assistant has spent hundreds of hours coordinating activities, preparing reports, meeting with prospective tenants, and so forth. It is now imperative that he be relieved of this added responsibility, and since there exists a variety of projects for both the Economic Development Corporation and the Downtown Development Authority, **I am recommending that these organizations employ a full time Director to coordinate the responsibilities of the organizations, and further, that the City of Lansing continue to participate in all efforts of economic improvement.**

Since my original communication to you of well over two years ago, pertaining to **Plant Rehabilitation Listricts and Industrial Facilities Tax Exemptions,** you have now taken major, constructive steps with your recent approvals of requests for assistance from Lindell Drop Forge, Industrial Welding and Capital Bedding Company—during 1976, the State Tax Commission has certified all three firms, with a total amount of $1,025,000 classified as "new development," from which all governmental taxing units will receive taxes based upon one-half of the regular tax rates, the Real Property not being subject to exemption. The importnat factor here is that Lindell Drop Forge, which had relocation offers from several other states, and a foreign nation, when we first started discussing Tax Certifications with Lindell representatives two years ago, is going to remain in Lansing, with increased employment potentials, improved and competitive facilities; that the other two firms will, also, increase employment positions and with modernized facilities. I am confident that your most recent approval for Cutler Plastics Corporation will be sanctioned by the State Tax Commission and the Department of Commerce.

On June 11 of 1976, following meetings with General Motors officials, I announced that a multi-million dollar expansion—modernization program would take place at Fisher Body and at Oldsmobile, hopefully to be completed over a 3 to 5 year period; that the plans for Fisher Body called for more than 500,000 square feet of new, or modernized facilities, and the demolishing of almost 250,000 square feet of buildings, some more than 50 years old; that the Fisher Body plans included a new paint shop, body shop, upholstery trim area, seat cushion facility, and improved employee accommodations; that the proposed facilities would equate to one-third the size of the whole Diamond Reo Plant, and substantially larger than the John Bean Building; and with a projected employment increase of 600-800 positions.



Planned improvements announced for Oldsmobile included the complete installation of assembly conveyors and equipment in a previously erected building at the

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Main Plant Final Assembly Complex, plus an improved materials handling system, enlarged plant yard space to accommodate materials storage, new marshalling area for finished vehicles, improved truck and rail receiving facilities, and the demolishing of several older buildings, to be followed by the construction of new ones.

On June 21, 1976, a request that a Plant Rehabilitation District be established for both projects was officially before you, based on the State Act and Guide I forwarded to City Council in a communication of September 6, 1974. To date, you have not approved either request, even though a $9,000,000 Building Permit has been requested by Fisher Body from the City's Building Department. Directly before you are a real significant number of jobs—some of these will be permanent, when the projects are completed, and some on a 3 to 5 year temporary basis during the period of demolition, and then reconstruction and construction—the first to be employed, will be construction workers, who are presently 30 to 40 percent unemployed. Directly before you is a giant commitment of new and expanded facilities, which is an assurance of improvement and permanence of our overall employment positions, and a substantial gain in the income tax base. I recommend your immediate attention to the long delay in your decision making process and urge your approval of the requests long before you.

In the area of construction and reconstruction, there is great momentum within the corporate limits of the City of Lansing. It behooves us to encourage it, and add impetus, in the interest of positions of employment, both temporary and permanent, in the interest of an improved City, facility-wise, and in the interest of meeting competition head-on in the categories of business and industry. FOR EXAMPLE, past participation, and pledges of interest, have assisted Lansing in 1976 to lead all cities in Michigan, other than monstrous Detroit, in construction activity—and, by a substantial margin—according to recent National reports. As of mid-1976, Lansing's construction activity ranked 86th among the Nation's 200 largest cities. Building Permit Value in our community, for all of 1976, was $52.9 million, the second highest annual total in Lansing's long history; a 72% increase over the 1975 figure of $30.6 million. Of the total $52.9 million Building Permit Value, $12.0 million was for residential construction, while the balance of $40.9 million was for commercial-industrial-public facilities construction. The line-graph below indicates the dollar value of commercial-industrial-public facilities construction for the past 10 years:

The encouraging aspect of this escalation is the diversification of new construction in the City, such as: First Phase of St. Lawrence Hospital at $10,000,000; Fisher Body Paint Shop at $9,000,000; Oldsmobile Engine Distribution at $310,000; Water Treatment Plant at $5,500,000; Eastern High School Field House (renovation) at $1,750,000; East Side Fire Station at $490,620; South Washington Park Ice Rink at $448,600; Parts Warehouse at $550,000; Casa Nova Restaurant at $450,000; Red Roof Inn (81 rooms) at $391,000; Michigan Bell Telephone at $470,000; Provincial House, Inc., at $1,000,000; and, Telephone Communications, Inc., at $500,000, to name a few.

The Year 1976 saw the completion of the Continental Cablevision Office Building in the north part of the Central Business District, the start of the Telephone Communications Office Building, directly to the east of that facility, and the beginning of extensive remodeling project of the Hollister Building in the middle of the Central Business District. At the south end of the Central Business District is the now extensively renovated Plaza One, the workstation for approximately 500 persons

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

—and, adjacent to that, and soon to be completed, is the modern Headquarters Building of the Michigan State AFL-CIO. Complementing these is the recently constructed First State Savings Association of East Lansing Building, and the remodeling of several others. The aforementioned visibly shows faith in the Central Business District, and just as others are already planning to do in the Year 1977. This combined action will provide a sound foundation for economic strength for, what is commonly called, "our Downtown."

Amid this activity stood the long, vacant Number One Block, waiting and waiting for someone to come along and develop it—in mid-1976, I decided that hoping and waiting just was the wrong approach. This is why I quietly named the Ad-Hoc Committee and charged the Committee with developing a "concept," which would meet the City's objectives for this site—the Ad-Hoc Committee did just that in an excellent, detailed manner, as you are now aware. The Conceptual Plan, titled Washington Square Center, detailed: The City's responsibility and that of a developer; the location and cost of a 329 room hotel, with financing methods and projected incomes; the location and cost of on-site parking; a retail area and expected rental costs; the location of a convention center, including anticipated use, cost and expected income; and more, and all based on market studies, and those of architectural and construction firms. You have now basically approved the concept, as has the Lansing Economic Development Corporation. The approach is the reverse of that ordinarily taken, but hopefully, it will be successful. Since the report was made public just several weeks ago, great local and national interest has been shown—finance groups have requested presentations and these have been made; meetings have resulted; and, I am optimistic that a facility will be constructed on this important piece of land. Should our hopes culminate into reality, the Central Business District will have a catalyst for future progress and development. I will keep you advised.

For a much longer period, I have been deeply active in the attempts to "save the Olds Plaza Hotel," see it re-financed, and upgraded. Decisions within a matter of days can determine the final disposition of this matter. The facility is important to our growing convention business, would retain jobs, and would, I am certain, complement the Washington Square Center. I will keep you advised.

In another area of business expansion and employment, I announced, in mid-June of 1976, that Jackson National Life Insurance Company would move to the City of Lansing. Officially, Jackson National Life Insurance Company, which is rated in the top twenty-five percent of insurance companies in the world, made Lansing its international headquarters during the last Labor Day Weekend, when all records, computers, office equipment and personnel moved into a new location at Andrew Jackson Drive and Executive Drive. The Lansing Metropolitan Development Authority coordinated all efforts between A. J. Pasant, Board Chairman and President of Jackson National Life, and my office. The Lansing Metropolitan Development Authority worked diligently with the City of Lansing by directly, or indirectly, assisting in locating several other new firms within our corporate limits, including Auto Specialties Company in Midway Center with an employment of 170.

One year previously, LMDA played an important role in helping several firms establish new operations here, including a new Michigan distribution center, a warehouse, a new service center and a new office facility.

The Lansing Metropolitan Development Authority exists for the benefit of our City, and other area governmental units. In an effort to provide financial stability to LMDA, I proposed several years ago that all governmental units in the Greater Lansing Area budget funds on a per capita basis—the City of Lansing not only met its proportionate financial share of $13,000 plus, but, also, provided office space and services in the effort to improve the area economy. Most other governmental units paid on a per capita basis—displaying a true sense of responsibility—until 1976, when one major contributor "dropped along the wayside." Simultaneously, expenses of LMDA have increased, putting that organization in a bad financial position. I am recommending that the City of Lansing once again step into the breach and take up the slack—I urge that you appropriate, and as soon as possible, $7,500 from the Emergency Account, above the City's regular payment, so that the Lansing Metropolitan Development Authority can continue to provide economic improvements for the City proper, and the Greater Lansing Area, as a whole.

As we enter the Year 1977, our economy is a happier one from two years ago. For example, on January 6, 1975, the U. S. Labor Department announced a 7.1 percent National rate of unemployment; the next day, the Michigan Employment Security Commission announced an 11.2 percent unemployment rate for Michigan. The Metropoliton Detroit Area was listed as having an unemployment rate of 12.4 percent, and Business Week (December 14, 1974) listed the inner City as having a rate of 23 percent, with Pontiac close behind at 20.9 percent. The Lansing Area was estimated to be just over 7 percent.

The most recent report of the Michigan Employment Security Commission points out that unemployment is 2.1 percent below the Michigan average of 8.8 percent, or 6.7 percent of the total work-force of 210,600, and 1.2 percent lower than the National average of 7.9 percent. Meanwhile, employment is at an all time high of 195,500, for a gain of 10,000 jobs.

Lansing's per capita income of $5,238 and its median household income level of $15,289 are, according to the latest report of sales and Marketing Management, above those for the State of Michigan at $3,279 and $11,126 respectively, and well above the $3,078 per capita and $10,048 per household income levels for the Nation.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

We are healthy economically, and getting healthier. This doesn't mean we stop trying, or that we "rest on the oars." There is much to be done.

Business and industry provide positions of employment and improve the tax base. To "tie together" the efforts of the Lansing Metropolitan Development Authority, the Lansing Economic Development Corporation, the Lansing Downtown Development Authority and the Greater Lansing Chamber of Commerce, I am herein naming a group of volunteers to a team to be known as "Ambassadors of Goodwill." Any of the aforementioned will be at liberty to call upon the "Ambassadors of Goodwill" to welcome into Lansing any representatives of prospective businesses or industries, and request they visit prospective businesses or industries at out-of-Lansing locations. Each will be armed with background information pertaining to the City's advantages. The basic goal is to outwardly show that Lansing is interested in its own future, and in that of others. Original, unpaid volunteers include: Ralph Kauffman, Abrams Aerial Survey Corp.; William Walworth, Michigan National Bank; Richard Bushy, Bank of Lansing; Fred Abood, Attorney at Law; Nan Martin, Martin and Associates; John Petroff, Petroff Realty; John Crouse, architect; Richard Kositchek, Kositchek Clothing; Fritz Bennetts, Oldsmobile; Dr. Philip Gannon, Lansing Community College; Bert Lee, Michigan State Building and Construction Trades Council; Roland Rhead, Attorney at Law; William Lett, Lett's Fashions; Dr. Edward Harden, Story, Inc.; A. J. Pasant, Jackson National Life Insurance Company; Gordon Long, developer; Earl Brush, Lansing Board of Water and Light; James Bury, Michigan Bell Telephone Company; and C. Jon Holmes, insurance executive.

In the field of public employment, a Manpower Administration budget of $2,820,000 for calendar year 1976 made it possible for the City of Lansing to hire, or cause to be hired, 306 people for public service jobs. The funds were provided to Lansing by the Department of Labor under Title II and VI of the Comprehensive Educational and Training Act (CETA) of 1973, and Title V of the Public Works and economic Development Act of 1967. A total of 235 jobs were divided among 29 divisions and departments of our City government, and 71 jobs were distributed among 12 nonprofit government related agencies. Among these agencies were the Lansing School District, the Board of Water and Light, CATA, Lansing Community College, the Urban League, Safety Council and the Center for the Arts. Three hundred forty-six formerly unemployed people in Lansing held full-time CETA jobs during 1976. Of those people terminating, better than 59% found permanent, unsubsidized employment.

The Title X grant provided manpower for a Parks and Residential Site Improvement project. Under this grant, Benjamin Davis Park was developed, 2,100 tree stumps were removed, and 7,745 new trees were planted along Lansing's residential streets.

Congress voted to renew Title VI funding, but to date, funds have not been appropriated, so we do not know whether Lansing will have the same number, or a lesser number, of Public Service Employment jobs for 1977. We will continue to aggressively seek federal funds which allow the City to provide employment opportunities for our unemployed. Regarding this, I expect to see CETA, Title I funds, in the amount of $80,000, available from February 14, 1977, through September 30, 1977.

This Title I allocation will be used primarily to refurbish City Hall (painting, waxing, washing walls, etc.). City Hall is dirty; grates, walls, ceilings, doors, rails, pipes, baseboard floor trim, etc., are filthy. Much has been said about the former condition of the Civic Center, but actually City Hall is worse. This is the result of 20 years of neglect, and no preventative maintenance. There is much to be done, and supervision will be extremely important. There will be a total of 24 slots—24 people enrolled at one time. However, there is a goal of 60 people to be employed. It is anticipated each participant will be employed for 16½ weeks duration. This project will be in cooperation with the Public Service Department, and under the administrative control of the Manpower Office.

In the field of public improvements, the City of Lansing recently submitted 10 grant applications totaling $12,431,367 for Federal Funds authorized by the Public Works Act of 1976. This Act provides for monies for construction projects which could get underway within 90 days and would be job, or employment, oriented. The 10 Public Works grant applications submitted by the City of Lansing were designed to: get underway within days; remodel the Civic Center to improve the City's convention business; improve the economic vitality and provide recreational facilities for North Lansing; promote public access to, use of, and extend our Riverfront Park; aimed to rejuvenate the Central Business District; improve the quality of life for all by improving other basic parks; do Aurelius Road construction, replace an inadequate and unsafe structure in the process, and construct necessary storm and sanitary sewers in the area not served; reconstruct Moores River Drive, and surface 21 miles of unpaved City streets; increase pedestrian safety, improve aesthetics through tree plantings along Michigan Avenue, east, in addition to repairing sidewalks, curbs, gutters, etc.; and, expand and improve the Central Business District through the hotel-retail mall concept.

We met the requirements, and for the months of April, May and June—the period for which unemployment statistics were to be considered—Lansing's unemployment exceeded 8 percent. When the "dust of th Federal bureacracy and the Congress of the United States had settled," in excess

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

of 158 million dollars was announced for distribution in Michigan—Lansing and Ingham County received "not penny one." I am of the opinion that some of the projects for which dollar awards were provided will not be under construction within 90 days—that the Federal Legislation was originally so designed that cities like our own, which worked long and hard to adopt responsible annual budgets, to search out new businesses, to encourage industrial expansion and job markets, had "strike three" called against them even before they came to the plate to bat. I for one am not appreciative of having City of Lansing taxpayers, individually and collectively, pay our own share to the U. S. Government, and then pay additions for the New York's, the Detroit's, the Buffalo's, and the other free spending, debt ridden communities of the Nation.

We said to the Federal Government, "Please give us back some of our tax dollars, and we will improve our City, meet needs, provide positions of employment and start doing so within the 90 days you stipulated." The Federal Government, in turn, penalized us, because our people act too responsible—the Federal Government took our tax dollars for someone else, and then slammed the door in our faces.

I, therefore, recommend that you formally adopt a resolution of objection to be forwarded to our members of the U. S. Senate and the House of Representatives, the Economic Development Administration, and the Office of the President; that you instruct the Federal Program Coordinator to request from the Federal Government a list of those projects sanctioned, which are not actually underway in 90 days; and that you seriously consider seeking an appointment with the proper Federal officials to discuss the matter.

One of the grant applications forwarded was for the updating of the Civic Center, including air-conditioning. The lack of air-conditioning renders the Civic Center almost useless during the late Spring and Summer months of each year—but, the high costs to maintain the facility continue. The couple of users, during this annual period, are subjected to extreme heat, and, as you are aware, Lansing has lost users as a result. The Convention Business in Lansing has been a large, beneficial operation—new monies annually coming into the City have been estimated to be $18,000,000 to $21,000,000—air-conditioning of the Civic Center can substantially increase the new flow of dollars, to the benefit of many enterprises, such as hotels/motels, Downtown merchants, restaurants, caterers, etc. In my 1974-75 Recommended Budget, I provided Council with a line item of $500,000 to air-condition the Civic Center—Council approved the recommendation, but delayed the project. THEN, on August 23, 1976, you transferred $150,000 of the amount for a modernization study. This advance work was used as a basis for the aforementioned Public Works Grant Application, which was not approved by the Federal Government.

Simultaneously, with the Budget Recommendation for the Civic Center, I recommended that $380,000 be budgeted from the Fifth Entitlement Period from Revenue Sharing for a Swimming Complex for the Southeast part of Lansing—Council approved the recommendation. However, since that time, you have expressed opposition to the facility, resulting in no action being taken. The funds cannot just lie idle—this is contrary to the intent of the Act. Therefore, I am recommending that $380,000 be transferred to match the $350,000 remaining in the Civic Center Air-Conditioning Account, and further, that you proceed with this portion of improvement of the Civic Center at as early a date as possible. This will assure a 12 month operation for this facility, and turn it from being a partial "white elephant" into a totally useful building.

In the area of Community Development, Lansing has moved ahead cautiously, as a result of some of the fiasco of the old Model Cities Program. Under Title One of the Community Development Block Grant Program, we have, and will continue to receive funds from the U. S. Department of Housing and Urban Development for a variety of housing stock improvements, other physical developments and related programs.

To expend what is promised to be a $29 million neighborhood program, the City of Lansing has developed a citizen participation process supporting the Community Development Program which is noteworthy. Citizens are considered a potentially valuable asset to community development planning and local decision making. It is a continuous process of citizen interaction with government officials to help develop, execute, and evaluate plans and programs for the City's Community Development Program. While ultimate authortiy and responsibility for decision making rests with elected public officials, there are substantial benefits to be derived from effective citizen participation including the assurances that the Community Development Program will be responsive to local needs and encourage a broader base of community support and involvement. The City is endeavoring to develop a viable urban community as its primary objective, by providing decent housing, a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income.

Implementation of the Community Development Program has been criticized by some individuals in that it is moving too slowly. Execution of the program is a complicated process, particulary if the City is going to alow maximum citizen participation. It is not our objective to rapidly implement a Community Development Program merely for the purpose of expending Federal tax dollars; it is intended, however, to implement a program: that is well thought out and planned; that will produce significant, recognizabe results that will last throughout the years to come. The City will achieve a much more meaningful Community Development Program through its adopted concept of selecting specific target areas to direct the program under a containment strategy. I

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

am pleased to report that "all systems are go," in that, in the months ahead the City of Lansing will benefit from an accelerated implementation of the Community Development Program which will accomplish established goals and objectives in a more efficient and effective manner.

In case you are not aware, Federal Grand Juries, and Courts, have now indicted 10 persons formerly associated with Model Cities Federally funded programs, and found them "guilty" of fraud, falsifying records, etc. One is a former Director of Program Management of Model Cities, another left to work for the Michigan State Supreme Court, before being indicted, while another is a former staff member of the Citizen's Congress. The Federal Grand Jury will probably consider other informations early this year, which may lead to additional indictments.

During my past charges of some programs of Model Cities, one former Council member advised that I should take my complaints to the Federal Bureau of Investigation, or Internal Revenue, or a Grand Jury—I did. The aforementioned mark some of the results, results we do not need in the Community Development Program.

The key in this new program is neighborhood improvement—we will attain that goal. After many long months of negotiations, the City of Lansing, and representatives of 4 local banks, signed an agreement, whereby the banks will provide up to $600,000 in low-interest, home-improvement loans, for the Neighborhood Development Area, Number One, located on the near Westside. Under the new program, qualified applicants may receive up to $5,000 for each housing rehabilitation at a 3% interest rate of their adjusted gross income if over $12,000, and no interest if their income is under $12,000. Senior Citizens, and some others who cannot obtain a loan, because of extremely low income, will be able to obtain an outright grant to accomplish the needed home improvements.

The program calls for all rehabilitation work to be specified and inspected by the Building Department of the City—homeowners and the City jointly select the contractors for bidding on this work, from a list of approved contractors. To be eligible, contractors must be State licensed, bondable, provide proof of insurance, and be able to demonstrate ability to do the work.

The goal of the Community Development Department is to rehabilitate approximately 1,000 older homes in Neighborhood Development Area One, Two, Three and Four, through this program, or conventional means. This massive cooperative effort to concentrate rehabilitation work in selected deteriorating areas of the City of Lansing will not only result in correcting structural, mechanical and electrical deficiencies, but will provide separation of storm and sanitary sewers, upgrade residential lighting, street resurfacing, curb, gutter and sidewalk replacement, as well.

The Building Department continues to be activey involved in the Community Development Program of the City. Very successful housing surveys were completed within designated Neighborhood Development Areas No. 1 and No. 2, where more than 95% of the homes were inspected through a joint effort of the Fire, Planning, and Building Departments.

In addition, assistance has been provided to both Citizen District Council's in the development of their respective plans, which has contributed substantially to a better citizen understanding of the Building Department's role in City government, and its responsibilities as participants in the Community Development Program. The successful implementation and completion of the Community Development Program is dependent on the continued cooperation of the majority of citizens within the respective NDA's. To this end, a procedure for preparing contracts, making inspections, and authorizing payments has been systematically developed which will maintain credibiity with homeowners, contractors, and CDC's.

The greatest FEAR OF RESIDENTIAL PROPERTY OWNERS in the areas concerned has been the same as any other property owner who remodels, or rehabilitates a home—the first person they see after completion is a representative of the Office of the City Assessor, who arrives to start the process of INCREASED ASSESSMENTS FOR TAX PURPOSES. WELL, NOT ANY MORE . . . In 1973, I forwarded to you a TAX MORATORIUM PLAN to benefit homeowners and businesses, and asked for your support—I do not remember it forthcoming. The plan was the result of the efforts of my office and that of our Office of City Assessor, and other Assessors in Michigan—the plan received support from representatives of Bay City, Flint, Pontiac, Grand Rapids, Muskegon, Jackson and a number of other communities. The Plan received support from the Office of Governor William Milliken, and from the Department of Commerce of the State of Michigan. In 1974, the Plant Rehabilitation Act, aready mentioned, was made into law. In 1976, the Michigan Home Improvement Act, was approved—it took effect on Tax Day, December 31.

While my original Plan called for a partial and full tax moratorium over a 5 year period, the new Michigan Home Improvement Act of 1976, as recently signed by the Governor, calls for a full tax moratorium, on the part of local governments, in an amount of remodeling not to exceed $4,000 each year, for 3 consecutive years.

Henceforth, the following remodeling will be considered as normal repairs and maintenance in determining the true cash value of property for assessment purposes by local assessors:

Outside painting; repairing or replacing siding, roof, porches and steps, or sidewalks and drives; repainting, repairing or replacing existing masonry; replacement of awning; add or replace gutters and downspouts; replace storm windows or

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

doors; insulation or weatherstripping; complete rewiring; replacing plumbing and light fixtures; new furnace replacing one of the same type or replacing oil or gas burner; plaster repairs, inside painting, or other redecorating; new ceiling, wall, or floor surfacing; removing partitions to enlarge rooms; replace automatic hot water heater; and, replacing dated interior woodwork. The new legislation also has other provisions which will be beneficial to home buyers. These include: Amounts paid for obtaining financing of the purchase price of the property or the last conveyance of the property; amounts attributable to personal property which were included in the purchase price of the property in the last conveyance of the property; and, amounts paid for surveying the property pursuant to the last conveyance of the property.

I am directing the Community Development Director to advise all Neighborhood Development Area property owners of the new Act—the City Assessor has already been advised. In short, our property owners, City-wide, can remodel their homes within the confines of this new legislation, and WITHOUT PROPERTY TAX PENALTIES.

To streamline and accelerate Community Development activities, I am recommending, as requested, that the present Community Development Ordinance, Article III, Sec. 2A-6 be amended to establish a reorganized Department of Community Development with a Director to be appointed by the Mayor, and confirmed by the City Council. I am recommending that Sections 2A-7, 2A-8 and 2A-9 of the Ordinance be amended as follows:

Sec. 2A-7. **Department of Community Development—Director; General Duties.**

The Department Director shall have such authority as is necessary to effectively manage and administer the resources of Community Development. He shall be responsible to the Mayor for the conduct of the administration of Community Development and for effectuating established policies of the City Council that relate to Community Development. The Department Director shall ensure compliance to the Community Development Act of 1974, and as it may be amended from time to time.

Sec. 2A-8. **Structure.**

There shall be, within the Community Development Department, a Management and Administration Group, and six divisions as follows: (a) Social Services; (b) Physical Development; (c) Project Planning; (d) Citizen Participation; (e) Evaluation; and, (f) Fiscal. The Department Director shall approve the organizational structure within the divisions, shall specify the duties, authorities, and responsibilities of the division heads, insofar as the same does not interfere with the performance of any duty or act which is required of a division head by law.

Sec. 2A-9. **Coordinating Function.**

The Department Director shall be responsible for coordinating the efforts of the Community Development funded implementing departments to efficiently accomplish the Community Development program. The Department Director shall:

(a) Request and receive information pertaining to Community Development funded operations from those departments, offices, or agencies so funded, when necessary.

(b) Together with the administrative heads of the various implementing departments and divisions, develop and prepare a general Community Development Management Plan and specific Project Work Plans and Schedules.

(c) Devise and implement a **Monthly Progress Report** on all Community Development activities for review by the Mayor and City Council. This report will highlight significant achievements or deficiencies which exist, budgetarily or programmatically.

It may be necessary to recruit additional implementing personnel. However, this can be minimized if the City Council will adopt the proposed Community Development Ordinance amendment I have recommended. This will empower the Community Development Director with the necessary authority and flexibility to utilize existing Community Development personnel now assigned to other independent Community Development related departments.

Solutions to solve the existing problems that are impeding progress have been identified and corrective measures instituted. **I am recommending that these procedures be refined and streamlined to minimize individual homeowner skepticism of the program. Further, that a procedure be established which will permit "batch" bidding by contractors to reduce construction costs and time to the benefit of the homeowner.**

Future actions of the Community Development Department in designated Neighborhood Areas, and those actions expected from homeowners, should significantly alter the appearance of the City of Lansing within the next several years. **To complement the expected remodeling of homes, painting, etc., I will soon appoint a Committee to advise homeowners when and how to edge lawns, plant flowering bushes and shrubs, plant and remove flowering bulbs, and how to make other yard appearance improvements, the goal being a nicer City in which to live and enjoy.**

Since 1973, we have seen efforts made and legislation adopted, to aid homeowners and industry through tax incentives. This year, Senator Harry DeMaso, will introduce legislation to grant tax incentives to commercial operators, who remodel their business establishement. Such legislation can positively improve the appearance of our business establishments—I recommend your support of such legislation.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Much has been said over the years about the so-called River Island, that area of the City contained to the west by the Grand River—or, the area from the South Waverly Bridge, to the Central Business District, to North Lansing, to the North Waverly Bridge. To plan for the future—determine needs—I have named a River Island Advisory Committee, which will align with the Planning Department in search of direction and improvements. The membership is attached.

I, also, have named three other Committees, very significant ones, consisting of expertise mainly from outside City Hall. These are the Mayor's Ball Diamond Advisory Committee, the Mayor's Railroad Study Committee and the Police, Emergency Operations, and Court Facility Study Committee.

—**The Mayor's Ball Diamond Advisory Committee** has been requested to put together a comprehensive plan which would contain the necessary physical improvements, estimated costs, and a timetable for implementing required actions. The number of people participating in organized baseball/softball leagues is very large. Last season there were 8 men's and 94 boy's baseball teams totaling 1,700 participants; 246 men's, 52 women's, 19 girl's and 4 coed softball teams totaling 5,630 participants; an overall total of 7,330 people. Yet, the facilities have numerous flaws and shortcomings. The individuals serving on this Committee have the knowledge about the sports, facilities and needs.

—**The Mayor's Railroad Study Committee** consists of persons involved in transportation, planning and research. The charge to this Committee, basically, is to determine if a solution is available to eliminate the many problems created by railroads running through the near Central Business Area, North and West sides, without jeopardizing those businesses being served. It is a most difficult job.

—**The Police, Emergency Operations, and Court Facility Study Committee** is charged with facilitating the acquisition of necessary data for a basis from which a decision can be made by an architect for future architectural and engineering studies, including preliminary drawings.

Reports will be forwarded to you regarding the results of these efforts from time to time.

In another field of improvement, Michigan Bell Telephone Company employees and my office reached an agreement, whereby local employees will, without charge, modernize the Tecumseh River Park this Spring. The details are now being worked out between Bell employees and the City's Department of Parks and Recreation. This additional sign of "people constructively participating" is heartwarming.

In the past, the Mayor's Budget Review Committee has sought and received valid, equipment replacement schedules from Central Garage—on a logical financial basis, we have replaced more equipment for the Fire and Police departments than in any other given period in history—no such analysis was available for other departments, such as the Department of Parks and Recreation and the Public Service Department. Several months ago, I assigned this task to the Finance Department—on Monday, January 3, 1977, you adopted a Resolution directing this same type of analysis to be done, but in a slightly different manner. My office will coordinate these efforts, so that the best information will be available for Budget Review purposes.

In the recent past, City Council turned over the function of allocating space for City offices to the Mayor's Office when they reached an impasse.

A Space Allocation Committee was appointed and charged with studying the space requirements of the various departments and offices of the City. Additionally, the Committee was to make recommendations to the Mayor pertaining to space allocatiaons in City Hall and the Washington Square Annex. **The Poxson Building Annex was not considered as it is to be razed, hopefully. I recommend this.**

After much deliberation, the Committee made its recommendations which are believed to be fair and equitable. A space allocation plan was drawn up and work has commenced to provide office partitions for some areas. Some of the major changes are: The City Attorney's office and District Court Administrative functions will move to the fifth floor; Personnel, Purchasing, Income Tax and Safety will move to the first floor of the Washington Square Annex. Manpower to the ninth floor of City Hall. Office of Aging to the Civic Center. Voting Machines, Printing, Office supplies, Mail Room and Microfilm will be in the south portion of the Washington Square Annex. It is believed that when all of the moves are completed there will be less congestion, better space utilization and a functional re-alignment that will result in more efficient operations.

In the recent past, after much deliberation, and disagreement, over a Senior Citizen's Center, you turned the matter over to my office for recommendations. I appointed a Committee to assist me in my efforts—you have now accepted the recommendations.

Back in December of 1971, I proposed a Committee to study the possibility of building an artificial ice rink in the City of Lansing to be utilized by the hundreds of persons interested in general skating, figure skating and ice hockey. On January 24, 1972, I appointed that Committee of 13 people from the Metropolitan Area, along with the Chairman of the Council Committee on Parks and Recreation, the Urban Redevelopment Director, the Planning Director, the Parks Director and the Model Cities Director, to look into the possibility of building such a facility at Washington Park. Based on the efforts of the Mayor's Artificial Ice Rink Study Committee, I

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

recommended in my Budget Message of March 25, 1974, to the City Council that an artificial ice/tennis complex be constructed on this site, and I included the necessary local funds to be needed with those of the Federal Government and State Government.

After years of work by numerous individuals, the Washington Park Artificial Ice Rink/Tennis Complex, so badly needed in this City, was officially dedicated on December 11, 1976. The total cost of the building was $448,600—$190,000 being Federal funds, $111,500 State funds and $137,100 City funds. Construction of the facility began in December of 1975, and not only houses an 85 foot by 200 foot ice rink, but 6 tennis courts, an equipment room, storage room and a 110 car, paved parking lot. With the growing interest in ice skating, I am sure the citizens of this community will have a fine facility to enjoy for many years to come.

OVERALL, THE CITY DEPARTMENTS ARE FUNCTIONING WELL, AS ARE THOSE INDIRECT UNITS OF GOVERNMENT UNDER CITY SUPPORTED MONIES. For example, the Capital Area Transportation Authority (CATA) ridership increased to 2,341,080 in Fiscal Year 1976, an increase of 28% over 1975, and 85% over 1974. Expectations are that over 3,000,000 individuals will board CATA vehicles during 1977. It is interesting to note that approximately one-half of all people riding the bus, originate or terminate their trips in the City of Lansing. The continued rise in passengers can be attributed to CATA's expanded and improved range of services and to an increased awareness on the part of the general public to the transit opportunities available. CATA now has a fleet of 45 buses including 30 new diesels, all equipped with two-way radios running on 22 routes throughout the Greater Lansing Area.

One of the most important functions of a bus company is to provide safe service to its passengers. In this regard, 42 CATA drivers were recently presented safe driving awards by the Safety Council of Greater Lansing. One driver, Ed Estep, has driven for 44 years without a charged accident. Another outstanding driver, Harry Froehlich, brought CATA National recognition by winning the American Public Transit Association's National Bus Driver Rodeo held in San Francisco.

The City of Lansing is the Area's largest financial contributor to CATA—that support must be maintained.

The past year has seen the air passenger and freight services at the Capital City Airport continue to meet the high standards established by the Capital Region Airport Authority. A 4% increase in passenger traffic for 1976 over 1975 has been achieved, and freight movements are high.

The year 1976, is the second year in a row for the operating expenses to be slightly lower than revenues. The Authority should be commended for this accomplishment. I recommend this.

The recent completing of a Master Plan for the Capital City Airport and its approval by various local units of government is a significant accomplishment. It will provide direction and guidance for future airport operations. The Authority has begun its land purchase program which will allow the airport to expand its facilities to keep abreast of projected growth for both passenger and freight needs and private plane use.

Three new daily flights have been announced for 1977. United Airlines will have an additional in-bound flight from Cleveland and North Central Airlines will have daily service to and from Boston, Massachusetts.

The City of Lansing financially adds great money support to the Capital City Airport, through Ingham County. The venture is a necessity. It adds to our needs of people and industry.

Throughout the calendar year 1976, the Tri-County Office of Aging (TCOA) has maintained its high level of existing services to Senior Citizens as well as expanding into new service areas. It should be noted that while TCOA serves Seniors throughout Ingham, Clinton and Eaton counties, this report focuses on the accomplishments of this office in the Lansing area.

Beginning January 1, 1976, TCOA assumed the administration and service delivery of the Title VII Nutrition Program. Since that time, the program has increased from 11 sites to 23 sites serving meals to Seniors in the Tri-County Area. Currently, TCOA is responsible for 7 sites in the City of Lansing (5 funded by Title VII and 2 funded by Community Development). These Lansing sites have served over 49,000 meals from January through October, 1976, with a projected total of nearly 63,000 for the year. Of these meals, over 5,000 will be home delivered to elderly who are homebound.

TCOA developed and funded a home winterization project in 1976, which insulated the attics of 28 homes of Seniors in Lansing; this project has aimed at reducing the costly utility bills for low income Seniors. TCOA has also developed and structured a home repair project for Lansing elderly living in specified Community Development tracts. This project will employ retired skilled tradesmen who will do minor repairs on homes which have been inspected by the Building Department.

TCOA was given a lead role in the planning of the Senior Citizens Center in Lansing, by my office. The Mayor's Senior Citizen's Task Force, aided in developing the criteria for the Center, identified and assessed potential sites, and made recommendations to my office for the report you later approved. TCOA continues to work with the Building Committee to implement

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

the construction and modification on the Civic Center which has been chosen as the site for the Center.

The Spanish Speaking Senior Citizen's Program, funded by TCOA, has provided information and referral services to over 120 Spanish Speaking Seniors during 1976. Over 800 case problems have been attended to, through September, with an estimated total of 1,000 in 1976. This program has also provided over 500 rides for Spanish Speaking Seniors with a total of 800 expected for the year.

MAJOR CRIME IN LANSING AGAIN DECREASED for Year 1976—robberies decreased 34%; murder 25%; breaking and entering 14%; auto thefts 9%; and, rape had no change. Assaults increased by 7% and larcenies by 11%; the latter being largely due to thefts of 10-speed bicycles and CB radios.

Unfortunately, purchasers of the last two named items have, in many instances, failed to take even basic precautions to protect their property. In fact, in many instances owners of such items have encouraged theft by (a) leaving CB radios in unlocked vehicles and in open sight, and (b) by leaving bicycles out in the open and unchained or unlocked, in garages with doors wide open even during the night, etc. It is my recommendation that owners of CB radios take the greatest of care to insure that their actions do not encourage theft, but in fact take such actions, including the removal of such an item from the vehicle whenever possible when the vehicle is not occupied.

To combat the thefts of CB radios, I am, also, recommending to the Crime Prevention Unit, of the Police Department, that an educational program for owners of CB radios be started, the goal being to help such persons realize the need for better control over CB radios. To combat the thefts of bicycles, I will be encouraging area concrete block manufacturers to sponsor ads encouraging parents, whose children have bicycles, to "Buy-A-Block—A Concrete Block," to be placed in the family garage, or carport, and to which bicycles should be chained when not in use.

Compared year by year to the Base Year of 1970, crime in Lansing decreased for 1971 by 2%, for 1972, by 11%, for 1973, by 23%, for 1974 by 17%, for 1975 by 20%, and for 1976 by 19%. This is the reverse of what is transpiring in many suburbs, including some of our own, and in many other cities in the Nation. I recommend your support to the overall programs of the Police Department instead of some of some of the opposition so vividly expressed in the last City Council Hearings on my Recommended Budget.

The Lansing Fire Department has stepped up its training and service, especially in the field of Paramedics and Emergency Medical Technicians. Lansing's Fire Prevention Bureau distinguished itself in 1976, on a competitive basis, by being rated first in the State of Michigan and sixteenth in the Nation by the National Fire Protection Association for innovating and institutionalizing programs resulting in the greatest decrease in per capita losses. Lansing's per capita loss was reduced to $8.37, from last year's figure of $10.85, and as compared to the National average of $20.40 and the State of Michigan with a $14.56 per capita loss.

Today, the City strongly retains a coveted "3" category, Fire Insurance Rate, one of the Nation's lowest for property insurance coverage, and which results in direct savings to owners of structures—no such beneficial rate exists in the Greater Lansing Area, where property owners are forced to pay the penalty.

The Department of Parks and Recreation has a wide range of programs to benefit the young and the old. The appropriation level approximates 10 percent of the General Fund Budget, compared to other Michigan cities which vary from one-half of one percent to six percent.

The City still retains a Tripple A Credit Rating, one of 38 cities in the Nation so excellently rated—the Board of Water and Light, the City's owned utility, was, also, once again so rated by Moody's Investor Service and by Standard and Poor's, for a $12,000,000 revenue bond issue in late 1976, the only municipally operated utility in the Nation so honored.

Financially, the City of Lansing is sound. It must be our goal to keep it that way.

A 1975 National Urban Survey disclosed that Lansing, and the surrounding area, ranked seventh among medium-sized regions in the quality of life for its residents, easily outstripping all others in Michigan, and all but six in the United States.

This STATE OF THE CITY MESSAGE is forwarded to you with hopes that the Year 1977 will see a major improvement in that position.

Sincerely,

GERALD W. GRAVES,
Mayor.

Re: Reduction of Financial Security
Re: Glen Eden Subdivision

Gentlemen:

As required by Section 37-35 (1) of Chapter 37 of the Code of Ordinances of the City of Lansing, I request permission to release financial security in the amount of $3,800.00 payable to BILD Corporation and the City of Lansing posted as security for improvements at Glen Eden Estates Subdivision.

A copy of the recommendation by the Public Service Department for the release is attached for your review.

We are holding an American Bank and Trust Time Certificate in the amount of $16,250.00; of which $5,000.00 has received prior approval for release. The time certificate will be released to B.I.L.D. Corporation upon receipt of other financial security to cover the following improvements remaining to be completed.

Monuments	$2,050.00
Sidewalks	5,400.00
	$7,450.00

Very truly yours,

EDWARD C. PERRY,
Deputy Controller.

Referred to Committee on Finance.

REPORT OF COMMITTEE

The Committee on FINANCE, to whom was referred the request of the Deputy Controller for reduction of financial security for Glen Eden Subdivision in the amount of $3,800.00 posted as security for improvements, reports as follows:

That said request be approved.
Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

By Councilman McKane—

That the report of the Committee be adopted.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Blair—1.

January 6, 1977

Honorable Mayor Gerald W. Graves and

Members of Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

As a result of a notice from the Building in Lansing's Development Corporation, we are hereby declaring certain items purchased for that agency with Model Cities funds as surplus. (See Attachment)

Sincerely,

MRS. JACQUELINE WARR,
Director,
Human Resources Department.

Referred to Committee on Community Development.

REPORT OF COMMITTEE

The Committee on COMMUNITY DEVELOPMENT, to whom was referred the matter of declaring the attached list of eight items as surplus property from Building in Lansing Development Corporation (BILD), reports as follows:

That the Committee concurs with the recommendation of the Human Resources Department that the attached list of eight (8) items previously purchased with City Demonstration Agency funds (Model Cities) be declared surplus from BILD and transferred to Surplus Equipment, under the control of the City Purchasing Agent.

Signed:

LUCILE BELEN,
R. J. BAKER,
TERRY J. McKANE,
Committee on Community Development.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

December 21, 1976

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a Letter of Intent submitted by Long Development, Inc., to construct on-site storm and sanitary sewers in Oak Park Village No. 2.

I recommend the approval of this Letter of Intent.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways,

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Letter of Intent submitted by Long Development, Inc., to construct on-site storm and saniary sewers in Oak Park Village No. 2, reports as follows:

That the Letter of Intent be approved subject to the required bonds and insurance certificates and that all work to be as directed by the Department of Public Service.

Signed:

WILLIAM A. BRENKE,

January 5, 1977

Honorable Mayor and

Members of City Council

Re: Incident involving drinking in a city park

Gentlemen:

At the January 3, 1977 City Council meeting there was general discussion of an incident involving a park patron pouring alcohol on a Security Officer. Unfortunately there was no opportunity to explain details of the incident, and because of the implication that the matter was unresolved I have prepared the following statement.

At approximately 8:00 p.m. on September 5, 1976 a Park Security Officer encountered a group of twenty people drinking beer in Poxson Park. Ages ranged from 16 to 30.

The officer approached the group and advised them of the ordinance prohibiting consumption of alcohol in city parks. There was considerable cursing and threats directed at the officer. One member of the group, an 18 year old youth started to leave the park, and then allegedly turned and poured beer on the Officer's uniform.

The Park Officer called Lansing Police for a back up unit, with two LPD cars responding. The accused was stopped in the 800 block of Dexter and was arrested by Security Officer Miller.

On September 9th the accused pleaded guilty to a Disorderly charge and was

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

fined. He has pleaded not guilty on Malicious Destruction with jury trial set for January 17, 1977.

I hope this will answer any questions that you may have had following the last City Council meeting.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Received and placed on file.

January 6, 1977

Honorable Mayor and

Members of City Council

City of Lansing

Re: Professional Service Agreement—
Hiking/Biking Link

Gentlemen:

On November 1, 1976 the City Council accepted bids and approved the contracts for the development of the Hiking/Biking Link project. By this action the project cost was set at $211,000.00, with special provisions for the study, design, and construction for the stairway connected to the Michigan Avenue bridge, and contingencies. Because of the increase in scope of the project the professional service agreement with Robert O'Boyle, Associates, must be increased by $3,660.50 to a total of $22,580. This is a reduction in the architects percentage of construction costs from 10.7% to 10.5%. The increase amount ($3,660.50) is available in the project contingency account. I will proceed making the change in this agreement following your authorization.

Respectfully submitted,

DOUGLAS FINLEY,
Director,
Parks and Recreation
Department.

Referred to Committee on Parks and Recreation.

REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the matter of amending the Professional Service agreement with O'Boyle Associates for design services of the Hiking/Biking Link in order to conform with changes in the project authorized by the City Council on November 1, 1976, reports as follows:

The Committee concurs in the recommendation. Funds are available in the additional amount of $3,660.50 in Project Account No. 101-936-761-974.

Signed:

JAMES D. BLAIR,
ROBERT J. HULL,
TERRY J. McKANE,
Committee on Parks and
Recreation.

By Councilman Blair—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

January 6, 1977

Honorable Mayor and

Members of City Council

City of Lansing

Gentlemen:

Brown Brothers is currently under contract with the city for construction of the river walk in various sections between Riverfront Park and Kalamazoo Street. A good portion of this project involves the driving of piles in the river or along the bank. The contractor has found that many of those once driven will not support their designed weight carrying capacity. In order to complete the project as designed, pilings of greater length must be used.

The architect has recommended the city issue a change order to the contract allowing for $12.00 per foot for additional piles required to meet weight bearing capacity requirements. Their original bid for basic pilings was at $15.00 per foot. Based on the additional cost per foot, and the total number of piles that have not been installed, it is estimated that the cost of this change will not exceed $6.000.

I have discussed this matter with the architect and recommend approval of this change in the Brown Brothers contract. Currently there is $23,550 in the Bike Link contingencies account to cover this type of expense.

Thank you.

Respectfully submitted,

DOUGLAS FINLEY,
Director,
Parks and Recreation
Department.

Referred to Committee on Parks and Recreation.

REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation of the Director of Parks and Recreation and the project architect

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

to authorize a Change Order in the contract with Brown Brothers for construction of the Hiking/Biking Link, reports as follows:

The Committee concurs in the recommendation to authorize reimbursement of an amount not to exceed $6,000 for required changes in the length of pilings being driven in the river so they will meet the necessary weight bearing capacity. Funds are available in the projects contingency account No. 101-936-761-974.

Signed:

JAMES D. BLAIR,
ROBERT J. HULL,
TERRY J. McKANE,
Committee on Parks and Recreation.

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

By Councilman Blair—

January 6, 1977

Honorable Mayor and

Members of City Council

City of Lansing

Re: Kingsley Site Development

Gentlemen:

The second planned phase of the Kingsley site development encompasses improvements plans for the Washtenaw Street right-of-way between Huron and Riddle. In accordance with the project master plan this improvement will be a cooperative effort between the City and the Lansing School District. Currently each agency has budgeted $40,000 for their share of construction.

The architectural firm of Grables, Mills, and Young, of Lansing have provided landscape design services to both the City and the School District on previous phases of site development. I have met with school officials and jointly recommend that this firm be retained for the design responsibility of this joint project.

Grables, Mills and Young will prepare the necessary plans and specifications for bidding documents which will include demolition, grading, drainage, walks, lawns, and other items deemed necessary within the $80,000 budgeted limitation. Grable, Mills and Young fee is based on 9% ($7,200) which is part of the overall $80,000 budget.

Following approval by City Council a contract will be prepared for review by the legal staff. The City will act as the coordinator in this project with School District funds being provided to the City once bids are accepted. It is anticipated that construction would start in mid June 1977 and be completed prior to the September school opening.

Thank you.

Respectfully submitted,

DOUGLAS FINLEY,
Director,
Parks and Recreation Department.

Referred to Committee on Parks and Recreation.

REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation of the Director of Parks and Recreation to contract with Grables, Mills and Young for architecture design services for Phase II—Washtenaw Corridor of the Kingsley Project, reports as follows:

The Committee concurs in the recommendation. Development of this phase will be a joint effort of the City and the School District. A combined project budget of $80,000.00 has been established with city funds in the amount of $40,000.00 available in Project Account No. 253-936-644-974. The Parks and Recreation Department will act as coordinator of the project with the School District providing funds for 50% of the total cost (including design services) upon acceptance of bids.

Signed:

JAMES D. BLAIR,
ROBERT J. HULL,
TERRY J. McKANE,
Committee on Parks and Recreation.

By Councilman Blair—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

Re: Change Order on the Davis Park Restrooms and Storm Sewer

Gentlemen:

Charles Featherly Company is currently under contract with the city for the construction of a restroom building in Davis Park. The original contract amount totaled $25,710.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

It was determined, after the contract was approved, that it is more economically practical to provide utilities by an underground service rather than over head as was bid. The savings will be $283.

I would like to proceed with a change order on the Featherly contract. The new contract amount will be $25,427.

Furthermore, Barnhart and Son Construction Company is currently under contract for the installation of storm sewer facilities in Benjamin Davis Park. Because of a transfer of funds made on November 24, 1976 monies are now available in the Title X expenditure account to complete the installation of required storm sewers.

I am requesting a change order for the contract with Barnhart & Son Construction for an increase of $6,805 (based on the original bid) to a revised total of $34,696.65. Funds are available in account No. 270-936-649-973.

Thank you.

Respectfully submitted,

DOUGLAS FINLEY,
Director,
Parks and Recreation
Department.

Referred to Committee on Parks and Recreation.

REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation for Change Orders on the Davis Park Restroom Building and the Davis Park Storm Sewer contracts, reports as follows:

The Committee concurs in the Change Order reducing the contract with Featherly Company on the restroom building by $283.00; and also concurs in the recommendation for installation of additional storm sewers at an increased cost of $6,805 to the Barnhart and Son contract. Funds are currently available and provided for purpose of storm sewers in the Title X expenditure account No. 270-936-649-973.

Signed:

JAMES D. BLAIR,
TERRY J. McKANE,
ROBERT J. HULL,

January 6, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the request from Mr. and Mrs. DeWayne Gregg to reduce the easement on property at 4625 Palmer St. from 75 feet to 25 feet, and also a request from Edward Ikenburg to reduce the easement on property at 4712 Palmer St. from 75 feet to 25 feet, recommends that the requests be denied as submitted, but further recommends that the City Attorney be requested to draft a permit to occupy easement with suitable restrictions.

Respectfully submitted,

BARBARA GARLOCK,
Secretary.

Referred to Committee on Pubic Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the requests from Mr. and Mrs. DeWayne Gregg to reduce the easement on property at 4625 Palmer St. from 75 feet to 25 feet, and also a request from Edward Ikenburg to reduce the easement on property at 4712 Palmer St. from 75 feet to 25 feet, reports as follows:

We concur with the recommendation of the Board of Public Service.

Signed:

Subject: Recommendation for Appropriation to the Emergency Fund

Gentlemen:

The Emergency Fund was established at a level of $272,385 for fiscal year 1976-77. Transfers approved thru December 31 total $241,650, leaving a net unencumbered balance of $30,735. Total transfers can be summarized as follows:

Additions to Departmental Operating Budgets	$ 75,350
Red Cedar Bikepath Project	22,350
Tennis-Ice Complex	13,750
John Bean Startup Costs	29,000
Charter Commission	9,000
Dietrick Park (Earmarked)	49,700
Claims Approved	11,500
Indirect Cost Allocation Plan	31,000
Total	$241,650

We have followed the practice this year of making all transfers through the Emergency Fund in order to provide a clear picture of changes to the original budget.

We have placed on the agenda for January 10, 1977, an appropriation of $227,615 to the Emergency Fund from the General Fund **Fund Balance** account. This would bring the effective level of the Emergency Fund for 1976-77 to $500,000, the same level as recommended for future years by the special tax committee.

Respectfully submitted,

TERRY J. McKANE,
Chairman, Committee on Finance,
JAMES D. BLAIR,
WILLIAM BRENKE.

Referred to Committee of the Whole.

January 5, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

John J. Lynch, a member of the Police Board of Commissioners, has this date advised my office that he is no longer eligible to serve as a member of said Board. Therefore, I am submitting to you, for your consideration and confirmation, the name of John W. McManus to fill the vacancy on this most important Board, which term expires in June of 1979.

John W. McManus has been a resident of Lansing for the past 50 years, graduating from St. Mary's High School, and attended Michigan State University. He is a veteran of the U. S. Army, having served for three years in the European Theatre during World War II. Mr. McManus has been employed by General Motors for the past 25 years; for 23 years he was Supervisor of the Accessory Distribution Division at Oldsmobile and then was transfered to General Motors Parts in Flint as Senior Writer of Policy and Procedures in the Sales Department. He commutes daily.

Mr. McManus is a member of the Richard Council No. 788 of the Knights of Columbus, State Secretary of the Michigan State Council of the Knights of Columbus Bowling Association, Church of the Resurrection, and a Loaned Executive of the 1977 Flint United Way.

Mr. McManus and his wife, Agnes, have 8 children and reside in the First Ward at 2511 Tulane.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Public Safety.

RESOLUTIONS

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed Cost Agreement between the Michigan State Highway Commission and the City of Lansing for the removal of the traffic signal at BL-96 (Cedar Street) and Pacific Avenue, and installation of a new traffic signal at BL-96 (Cedar Street) and Riley Street, permit No. 33032-01-035, be approved with the stipulation that pedestrian walk-don't walk signals be provided for pedestrians crossing Cedar Street on the north side of Riley Street.

This project will be funded 50% by the State of Michigan and 50% ($4,091.50) by the City of Lansing. Funds for the City portion will be drawn from account number 203-477-000-818, and

That the Mayor and City Clerk be authorized to sign this Cost Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney, and

Be It Further Resolved that left turns from BL-96 (Cedar Street(to Riley Street be prohibited after the new signal is installed.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, a vacancy on the Police and Fire Retirement Board was created by the resignation of Board member Leslie Butler, and

Whereas, the term of Leslie Butler runs through December 31, 1977, and

Whereas, the Mayor has submitted the name of Stephen VanNote as a candidate to fill the remainder of that term, and

Whereas, the Finance Committee has met with Mr. VanNote and concurs with the Mayor that Mr. VanNote is an exceptionally qualified candidate for the position and recommends his confirmation, therefore

Be It Resolved, that Stephen VanNote is confirmed to fill a term on the Police and Fire Retirement Board expiring December 31, 1977.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, it is necessary to hold a Public Hearing on the proposed establishment of a Lansing Plant Rehabilitation District No. 4—Oldsmobile Division of General Motors Corporation and also a Lansing Plant Rehabilitation District No. 5—Fisher Body Division of General Motors Corporation:

Therefore, Be It Resolved, that the City Clerk give at least 7 days notice of a public hearing when all persons interested may attend and make any objections they may have to such proposed districts.

Resolved Further, that such hearing shall be held at the Council Chambers in the City Hall on the 17th day of January, 1977 at 7:00 P.M. and that notice of such hearing be published in the official publication of said City.

By Councilman Baker (Hull)—

That the resolution be amended as follows:

That in paragraph 2—line 2—change 7 days to 14 days and in paragraph 3—line 2—change 17th day to 24th day, and in paragraph 3—lines 3 and 4—strike the words "the official publication of said city" and insert "a newspaper of general circulation in Lansing."

By Councilman McKane—

That Councilman Brenke be excused from voting:

Lost by the following vote:

Yeas: Councilmen Baker, Blair, Hull, McKane—4.

Nays: Councilmen Adado, Belen, Gunther—3.

That the amendment be adopted.

Adopted by the following vote:

Unanimously.

That the resolution as amended be adopted.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public health and necessity to construct storm sewer and curb and gutter on Newark Avenue from the East line of Lot 7, Webster Farms No. 2 Subdivision to Pheasant Street, and that the construction of this improvement is hereby ordered.

And Further, that the cost of this construction is to be assessed to the benefited property owners and that the City's portion of the curb and gutter construction is to be financed from Curb and Gutter Account 203.456.615.974.

The Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for this project and it is further directed to estimate in detail the cost of said project and to furnish said information to the City Council.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

RESOLUTION AUTHORIZING EXECUTION OF ANNUAL CONTRIBUTIONS CONTRACT FOR SECTION 8 LEASED

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

HOUSING

Whereas, the City of Lansing, Michigan (herein called the "Local Governing Body") acting by and through the Lansing Housing Commission (herein called the "Local Authority") proposes to enter into an Annual Contributions Contract for Section 8 Leased Housing (herein called the "Contract") with the United States of America (herein called the "Government"), which contract provides for annual contributions to be made by the Government to assist the Local Authority in providing decent, safe, and sanitary housing for families of low income, pursuant to Section 8 of the United States Housing Act of 1937, as amended.

Now, Therefore, Be It Resolved, as follows:

Section 1. The Contract, HUD Form 52520 A, B and C, is hereby approved and accepted both as to form and substance and the President of the Housing Commission is hereby authorized and directed to execute said Contract in triplicate on behalf of the Local Authority, and the Clerk of the Local Governing Body is hereby authorized and directed to impress and attest the official seal of the Local Governing Body on each such counterpart and to forward said executed counterparts, or any of them, to the Government together with such other documents evidencing the approval and authorizing the execution thereof as may be required by the Government.

Discussion was held in regard to homes in floodplain area.

A gentleman in the audience spoke up.

By Councilman Adado—

That we recess for a period of 5-minutes to hear complaint of the gentleman.

Council recessed at 9:20 p.m.

Council reconvened at 9:25 p.m.

By Councilman Baker (Hull)—

That the resolution be amended by adding the following paragraph:

"The City Council further directs that said contract not be used to subsidize rents for housing within the 50-year flood plain."

Adopted by the following vote:

Unanimously.

The resolution as amended was adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, Continental Cablevision of Lansing, Inc., advertises its basic monthly service charge at $6.95; and

Whereas, it is the practice of Continental Cablevision of Lansing, Inc., to carry only deluxe selectors on its installation trucks making initial installations; and

Whereas, although the customer may use the deluxe selector for a thirty day trial period free of charge, after the thirty day trial period the charge for the deluxe selector is an additional $1.00 per month, for a total charge of $7.95 per month, unless the customer thereafter requests a standard selector; and

Whereas, at the initial installation, the practice of carrying only deluxe selectors denies the customer a choice between the standard selector and the deluxe selector with the result that the customer is required to take the time to arrange for a new appointment for the installation of a standard selector if such selector is desired; and

Whereas, many citizens have complained that opting for the standard selector creates an inconvenience and has required time to be taken off from work; now, therefore, be it

Resolved, that the City Council of the City of Lansing, in order to alleviate the aforementioned problems and inconveniences and to afford the customer a choice, recommends and requests that Continental Cablevision of Lansing, Inc., carry both the standard selector and the deluxe selector on trucks making initial installations and that customers be permitted the opportunity of making a choice between the deluxe and standard selectors before installation is accomplished.

By Councilman Hull—

That the resolution be considered read.

Adopted by the following vote:

Yeas: Councilmen Baker, Blair, Hull, McKane, Mayor—5.

Nays: Councilmen Adado, Belen, Brenke, Gunther—4.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-2-76

Final Plat of

Provincial House

Whereas, the final plat of Provincial House has been submitted for approval; and

Whereas, the Planning Board, pursuant to Act 285, P.A. 1931, as amended, has approved and recommended that the City Council approve the final plat subject to:

1) That the Deed or Abstract of Title, accompanied by an attorney's opinion, as to the marketability of the land, or a Certificate of Title Insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the Municipal Seal.

2) That final security be posted in the amount specified by the Public Service Department and the Parks and Recreation Department.

3) That final clearance from the Board of Water and light for the development be obtained.

4) That the requirements of the Soil Erosion and Sedimentation Control Act be followed.

5) All lots be graded so that surface water drains therefrom, as required by the Public Service Department (accompanied by the necessary easements).

6) That there be recorded on the face of the final plat a restriction prohibiting vehicular access to Aurelius Road from Lot 1.

7) That the developer adhere to the conditions set forth by the City Council at the time of tentative preliminary approval; and

Whereas, the Planning Committee of City Council and the Public Service and Highways Committee of City Council has reviewed the report of the Planning Board and concurs therein, with the exception of Item No. 6, as listed above; and

Whereas, the Committee has recommended that Item No. 6, as recommended by the Planning Board, be modified to read as follows:

That there be recorded with the Register of Deeds of Ingham County, a Deed Restriction that states that, "no vehicular access to Aurelius Road from Lot 1 shall be permitted until review and approval is given by the City Traffic Engineer and the City Planning Department of the City of Lansing"; and

Further, that the property owner provide the City Council, in a written agreement form, addressing the following:

1) A permanent easement running west from Aurelius Road for storm sewer,

2) Their commitment to fill any open storm drain that may be developed on the subject property running east to the existing borrow pits, and

3) Their agreement to connect to any and all public sewers at the time of their installation;

Now, Therefore, Be It Resolved that the final plat of Provincial House Subdivision is hereby approved subject to the conditions outlined above and all conditions of previous approvals; and

Be It Further Resolved that the City Clerk is directed to transcribe the Certificate of Approval on the Final Plat of Provincial House Subdivision.

By Councilman Belen (Adado)—

That the resolution be amended as follows:

That on page 2—strike item "1) A permanent easement running west from Aurelius Road for storm sewer" and item 2 be renumbered to item 1 and item 3 be renumbered to item 2.

Carried.

The resolution as amended was adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, McKane—6.

Nays: Councilmen Baker, Hull—2.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

ROW-13-76

S.W. Corner of Main and Logan Streets

More particularly described as:

A 10 foot alley and 7 foot of street right-of-way adjacent to Lots 1, 2 and 3 of Sparrow Subdivision, City of Lansing, Ingham County, Michigan (southwest corner of Logan and Main Street).

Whereas, this request was referred to the Planning Board and Public Service Board who reviewed and approved the vacation of these parcels, and

Whereas, the request was also referred to other public utility companies who have indicated that they have no objections to the vacating of these parcels, and

Whereas, the Planning Committee of Council and the Public Services and Highway Committee of Council reviewed the reports of all public agencies and concurs with the vacating of these parcels of land,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Now, Therefore, Be It Resolved that the property described as: the west 10 feet of Lots 1, 2 and 3 and the east 7 feet of Lots 1 and 2 of Sparrow Subdivision, City of Lansing, Ingham County, Michigan, be completely and fully discontinued and vacated, and

Be It Further Resolved that the City Clerk of the City of Lansing within 30 days hereinafter shall forward a certified copy of this resolution to the State Treasurer of the State of Michigan and a certified copy of this resolution to the Register of Deeds of Ingham County, Michigan, for recording.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the appointment of Kenneth B. Williams as the City Attorney, be confirmed.

By Councilman Adado (Brenke)—

That this resolution be tabled for one week for the receipt of the Attorney General's opinion on the residency requirement.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, McKane, Mayor—5.

Nays: Councilmen Baker, Blair, Gunther, Hull—4.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

$227,615 from Fund Balance
A/C 101-000-000-390

$227,615 to Reserve for Emergencies
A/C 101-941-000-963

$ 35,947 from Reserve for Contingency
A/C 255-941-100-969

$ 17,377 to Cristo Rey Community Center
A/C 254-611-180-969

18,570 to National Council on Alcoholism
A/C 254-611-175-969

I hereby certify that funds are available.

JAMES W. DOWSETT,
Director of Finance.

Approved:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Blair—1.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-54-76—404 S. Pennsylvania Ave.

be rezoned from "E-2" Drive-In Shop District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved Further, that such hearing shall be held at the Council Chamber in the City Hall on the 31st day of January, 1977, at 7:30 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 22nd day of November, 1976, this Council was petitioned to change the following described property from "DM" Multiple Dwelling District to "J" Parking District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 3rd day of January, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-55-76—114 Bingham Street,

more particularly described as:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The north ½ of Lot 7, Block 3, Green Oak Addition, City of Lansing, Ingham County, Michigan,

from "D-M" Multiple Dwelling District to "J" Parking District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to a site plan being submitted to and approved by the Planning Department and Traffic Engineer and Public Service Department prior to development of the site for off-street parking. Said site plan for 116 and 114 Bingham Street shall address itself to the following:

1) Ingress and Egress of the site,

2) Parking lot layout, indicating the number of spaces,

3) Drainage plan, and

4) Necessary screening, fencing, landscaping and lighting; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therein;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "D-M" Multiple Dwelling District to "J" Parking District be approved subject to the following site plan being submitted for approval prior to development indicating;

1) Ingress to and egress from the site,

2) Parking lot layout, indicating the numbzer of spaces,

3) Drainage plan, and

4) Necessary screening, fencing, landscaping, and lighting.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 22nd day of November, 1976, this Council was petitioned to change the following described property from "J" Parking District to "F" Commercial District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 3rd day of January, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-56-76—930 West Holmes Road,

more particularly described as:

Lot 17, Southland Plaza, City of Lansing, Ingham County, Michigan,

from "J" Parking District to "F" Commrecial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to the following:

That a site plan be submitted to and approved by the Traffic Engineer and the Planning Department prior to the issuance of any building permits for the proposed film exchange booth, or any other type of development that may occur to this site. And it is further understood that relief from Section 36-5.1 (5) must be obtained from the Board of Zoning Appeals which would allow any second structure to be placed on the parcel in question; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "J" Parking District to "F" Commercial District be approved subject to a site plan being submitted to and approved by the Traffic Engineer and Planning Department prior to the issuance of any building permits for the proposed film exchange booth or any other second structure that may be proposed for this site.

It Is Further Understood that relief from Section 36-5.1 (5) must be obtained from the Board of Zoning Appeals which would allow a second structure to be placed on the parcel in question. And further, that off-street parking shall be maintained for Lot 17 in accord with Section 36-54.1 of the Zoning Code.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 25th day of October, 1976, this Council was petitioned to change the following described property from "A" One Family Residence District to "F" Commercial District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 3rd day of January, 1977, all parties interested therein were heard and given due consideration, and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the property involved is described as:

Z-51-76—407-411 Fenton Street,

more particularly described as:

Lot 82 and the south 8 feet of Lot 105 and the west 60 feet of Lots 24 and 25 and the west 60 feet of the south ½ of Lot 23, all in Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan,

from "A" One Family Residential District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny the request as filed, and further recommend that the west sixty (60) feet of Lots 24 and 25 and the west sixty feet (60′) of the south one-half of Lot 23 of Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan, be rezoned from "A" One Family Residential District to "F" Commercial District, and the balance of the property to the west; more particularly described as:

Lot 82 and the south eight feet (8′) of Lot 105, Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan,

remain in its present zoning classification;

The Planning Board recommendation was subject to several conditions:

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, did not concur therein, but further recommended that the west sixty feet (60′) of Lots 24 and 25 and the west sixty feet (60′) of the south one-half of Lot 23 of Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan, be rezoned from "A" One Family Residential District to "J" Parking District subject to conditions:

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition be denied, and be it further resolved that the west sixty feet (60′) of Lots 24 and 25 and the west sixty feet (60′) of the south one-half of Lot 23 of Jessop's Home Gardens Subdivision, City of Lansing, Ingham County, Michigan, be rezoned from "A" One Family Residential District to "J" Parking District subject to the following:

1) That access be limited to two (2) curb cuts on South Cedar Street (no access to Fenton Street),

2) That screening be provided for the protection of the residential uses to the west, and

3) That a site plan be submitted by the petitioner for approval by the Planning Department, Public Service Department and the Traffic Engineer prior to the issuance of building permits.

Said site plan shall include the following:

a) location of buildings,

b) parking lot layout for the subject property,

c) traffic circulation patterns,

d) number of parking spaces,

e) lighting for the off-street parking areas,

f) screening, fencing and landscaping, and

g) location of proposed curb cuts as shall be shown on the plan.

And further that curb cuts on the east side of Cedar Street shall be shown on the site plan for the building permits so that the Traffic Engineer may relate the proposed cuts into this property to the cuts directly across the street on the east side of Cedar Street.

Further that at the time development occurs on this property for off-street parking the curb will be replaced along Fenton so that no access will be available into the subject property from Fenton Street. And that a six feet high chain link fence be incorporated along the west property line of this development so as to provide adequate protection to the adjacent residential district.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $8,427,243.47.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Request from Gilberto Gonzales, President of Chicano Association of Student Organizers, for permission to serve alcoholic beverages on January 14, 1977, at South Washington Armory.

Referred to Committee on Ordinance and Contracts and City Affairs.

REPORT OF COMMITTEE

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of Gilberto Gonzales, President of Chicano Association of Student Organizers, for permission to serve alcoholic beverages on January 14, 1977, at the South Washington Armory, reports as follows:

The Committee recommends permission be granted provided the special 24-hour liquor permit will be obtained from Michigan Liquor Control Commission.

Signed:

LUCILE BELEN,
R. J. BAKER,
JACK D. GUNTHER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

By Councilman Blair—

Resolved by the City Council of the City of Lansing:

That the following re-appointments be confirmed to the Capital Area Rail Council Board of Directors:

Roland T. Rhead, 512 W. Saginaw St.

Eva Evans, 434 S. Verlinden Ave.

Eugene W. Barnes, 3106 Alden Drive

Bruce E. McComb, 920 S. Washington Ave.

Carried.

By Councilman Baker—

That we reconsider the resolution in regard to setting the public hearing date for Lansing Plant Rehabilitation District No. 4—Oldsmobile Division of General Motors Corporation and also a Lansing Plant Rehabilitation District No. 5—Fisher Body Division of General Motors Corporation by changing the 14 days notice of public hearing to 7-days notice of public hearing.

Carried.

By Councilman Baker—

That this meeting stand adjourned.

Carried.

Council adjourned at 10:45 p.m.

THEO FULTON,
City Clerk.

OFFICIAL PROCEEDINGS OF
THE CITY COUNCIL
OF THE CITY OF LANSING

Proceedings, January 17, 1977

CITY COUNCIL ROOMS
Lansing, Michigan
January 17, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Jack Gunther.

Pledge of Allegiance was given by Lynne Garcia of J. W. Sexton High School.

PUBLIC HEARING

January 17, 1977, at 7:00 o'clock being the time set as the time for holding a public hearing on the proposed Community Development Block Grant Application for the Third Program Year.

The Mayor announced that if there was anyone present who had any suggestions or objections to make to the proposed Community Development Projects and Budgets for the Third Program Year, he had the privilege of speaking at this time.

PUBLIC HEARING ON THE COMMUNITY DEVELOPMENT BLOCK GRANT APPLICATION FOR THE THIRD PROGRAM YEAR

Mayor's Proposed Remarks

Under Title One of the Community Development Block Grant Program, a participating local government receives United States Department of Housing and Urban Development funds for a variety of physical development and related programs through an application process that is simple compared to those of the past. Unlike categorical programs, which were administered by local special purpose agencies such as Urban Renewal Agencies, Title One funds come under the direct control and responsibility of local officials.

However, to secure application approval and to develop effective programs with these monies, local governments must

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

satisfy certain requirements. They must certify that they plan to support national objectives by meeting federal requirements for civil rights, relocation, low and moderate income housing dispersal, environmental impact studies, and citizen participation.

While the formal certification is relatively simple, the legal responsibilities and program implications a local government assumes are substantially more complex. Therefore, the City of Lansing has developed a citizen participation process which is regarded, not just as a legal requirement, but as a potentially valuable asset to Community Development planning and local decision making.

Citizen participation in Community Development should be a continuous process of citizen interaction with government officials to help develop, execute and evaluate plans and programs for our local Community Development Program. While ultimate authority and responsibility for decision making rests with elected public officials, there are substantial benefits to be derived from effective citizen participation, including the assurances that the Community Development Program will be responsive to local needs and encourage a broader base of Community support and involvement.

In accord with this endeavor the purpose of this public hearing this evening is to receive your comments relative ot the community needs as you perceive them, and the third program year application, which includes the Housing Assistance Plan.

The handout materials that you have received indicates the proposed projects and budget for the third program year. This material has been on file in the City Clerk's office and at various locations throughout the City since January 7, 1977.

If anyone wishes to express additional needs or comment on the proposed projects and budget for the third program year, please step to the microphone and state your name and address.

Beverly Anderson, 1133 Palmer Lane, East Lansing, read a letter from the Greater Lansing Association of retarded citizens.

Hilda Patricia Curran, 1505 Osborn Rd., spoke on Capitol Commons.

Roxanne O'Conner, 1268 Ivan Rd., East Lansing, spoke on housing for Senior Citizens.

Terry Volaire, 163 Rampart Way, East Lansing, spoke on Community Mental Health Housing.

Referred to Committee on Community Development.

THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON NON-AGENDA ITEMS. YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ONE ITEM.

William Ensley, 15677 Grove Rd., spoke on assessment of utility bills to property owners.

Antony Shano, 2520 Wilson Ave., spoke on Board of Water and Light Billings.

Tom Turk, 507 S. Grand Ave., President of the Metropolitan Fine Art Council, spoke in regard to the Day With the Arts being held on January 29 and 30, 1977.

Barbara Sutton, 838 Osband Rd., East Lansing, spoke on the Fine Arts Train that will be visiting Lansing from February 14 through March 7, 1977.

REPORTS OF COMMITTEES

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, approves the following applications and bonds for licenses:

CABARET—Jack's of Lansing, Inc., Ramon's Restaurant and Lounge.

PUBLIC DRIVER—Wendell P. Temple.

Signed:

LUCILE BELEN,
JACK D. GUNTHER,
R. J. BAKER,
Committee on Ordinance and Contracts and City Affairs.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on ORDINANCE AND CONTRACTS, AND CITY AFFAIRS, to whom was referred the request of Maxco, Inc., for permission to serve alcoholic beverages at their Anniversary Ball at the Michigan National Guard Armory on South Washington Avenue on February 18, 1977, reports as follows:

The Committee recommends permission be granted provides the special 24-hour liquor permit will be obtained from Michigan Liquor Control Commission.

Signed:

LUCILE BELEN,
JACK D. GUNTHER,
R. J. BAKER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of WITL for permission to park a radio remote broadcast trailer in front of Jury-Rowe's downtown store at 112 West Michigan Avenue on January 18, 1977, reports as follows:

The Committee recommends permission be granted to park the trailer in the second and third space east of the City Hall basement entrance on Michigan Avenue and that arrangements be made with the Parking Supervisor for meter capping and payment to the City for revenue lost from the capped meters.

Signed:

LUCILE BELEN,
JACK D. GUNTHER,
R. J. BAKER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously,

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of Alpha Phi Heart Equipment Fund, Incorporated, for permission to collect money and sell lollipops in doctors' offices, banks, stores, and on the streets of Lansing, February 7-14, 1977, for the purchase of equipment for the Tri-County Emergency Medical Support Councils and contribute a scholarship for work in the cardiac area, reports as follows:

The Committee recommends permission be granted subject to obtaining a Charitable Solicitation License from the City Clerk's office.

Signed:

LUCILE BELEN,
JACK D. GUNTHER,
R. J. BAKER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on FINANCE, to whom was referred the request of the Lansing Metropolitan Development Authority for additional funds, reports as follows:

The Committee has met with the Director of LMDA and reviewed its current financial status and work program and finds that, due to the City of East Lansing withdrawing its financial support, and due to an expansion in scope of operations, the LMDA may need an additional $6,629 to fund its current year operations. The Committee recommends that funds be appropriated by two installments of $3,750 to allow total supplemental funding of $7,500.

If, however, LMDA does obtain funding from other sources or if the projected need does not arise, the Finance Committee shall be authroized to withhold the second installment. This determination will be based on review by Finance Committee and consultation with LMDA in March, 1977.

This additional funding shall not be contrued to establish a new level of City support, but shall, instead, be considered a one time emergency action. Level of support shall be set within the regular budget development process for Fiscal Year 77-78.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

By Councilman McKane—

That the report of the Committee be adopted.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman McKane (Hull)—

That the Committee report be amended by deleting paragraph No. 2.

Carried.

The Committee Report as amended was adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, Hull, McKane—6.

Nays: Councilmen Baker, Blair—2.

REPORTS OF CITY OFFICERS AND BORADS

January 4, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Mrs. Eva Slater in the amount of $92.50

Dear Mayor and Council:

On November 22, 1976, Mrs. Eva Slater filed a claim for damage done to her car on November 19, 1976, by the parking gate at the Civic Center.

After checking with the Manager of the Civic Center, I found that the gates were in fact malfunctioning on the above date.

Therefore, I recommend approval of the payment of Mrs. Slater's claim in the amount of $92.50.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney,

By JAMES T. HEOS,
Assistant City Attorney.

By Councilman Adado—

That we concur in the recommendation of the Asst. City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $92.50 payable to Mrs. Eva Slater.

Carried.

January 13, 1977

Lansing City Council

10th Floor City Hall

Re: Financial Security, Sunset Hills No. 9 Subdivision

Gentlemen:

As required by Section 37-25 (1) of Chapter 37 of the Code of Ordinances of the City of Lansing, Michigan, I request permission to release $6,085.00 in financial security held by the City for the completion of public improvements at the above referenced subdivision. Attached please find the letter from the Public Service Department recommending this action.

The City Treasurer currently holds certificates of deposit issued by the Bank of Lansing in the amount of $6,700.00. These will be released to the developer upon receipt of other financial security in the amount of $615.00 to cover the following improvements not yet completed:

Sidewalk	$210.00
Curb and Gutter	100.00
Monument Deposit	305.00
	$615.00

Respectfully submitted,

EDWARD C. PERRY,
Deputy Controller.

Referred to Committee on Finance.

January 13, 1977

Honorable Mayor and City Council

Ciyt Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 3 submitted by P.H.I. Construction Co. on the East Side Fire Station, P.S. 27031, increasing the amount of the contract by $121.00, due to the changes listed below:

Unit Ventilators: Re-size the unit ventilator condensing units in line with factory recommendations according to credit letter of November 2, 1976.	—$156.00
Exterior Key Switch: Work required for Bulletin E-3. Addition of exterior switch for west overhead door.	+$277.00
	+$121.00

I would recommend approval of this Change Order.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred Change Order No. 3 submitted by P.H.I.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Construction Co. on the East Side Fire Station, P.S. 27031, increasing the amount of the contract by $121.00 due to as-built conditions, reports as follows:

We concur in the recommendation of the Director of Public Service.

Signed:

ROBERT J. HULL,
JAMES D. BLAIR,
LOUIS F. ADADO,

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

January 13, 1977

Honorable Mayor and

Members of City Council

City of Lansing

Re: Final Change Order—Kingsley Center

Gentlemen:

During the final inspection of the Kingsley Community Center the City Building Department determined that a certain garbage disposal unit must be installed prior to our obtaining an occupancy permit.

Since the building has not been turned over to the City we have been advised by the Building Department that this installation should be by the licensed sub-contractor of Haussman Construction Company.

I am, therefore, requesting authorization for a final Change Order in our contract with Haussman in the amount of $100.00 so this particular type of disposal unit may be installed.

Funds are avaialble for this work in the Kingsley Development account.

Respectfully submitted,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation.

REPORT OF COMMITTEE

Th Committee on PARKS AND RECREATION, to whom was referred the recommendation of the Director of Parks and Recreation for a final Change Order in the Haussman Construction Contract for installation of a disposal unit at a cost of $100.00, reports as follows:

The Committee concurs in the recommendation. Funds are available in Kingsley Development Account No. 253-936-644-974.

Signed:

TERRY J. McKANE,
ROBERT J. HULL,
Committee on Parks and Recreation.

By Councilman McKane—

That the report of the Committee be adopted.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Baker—1.

January 18, 1977

Honorable Mayor and

Members of City Council

City of Lansing

Re: Security at Potter Park Zoo

Gentlemen:

On Tuesday, January 4, 1977, vandals entered Potter Park Zoo and committed several acts of vandalism including the abuse of a number of animals. As you may be aware from the news media one animal died, three were badly beaten, and four birds taken.

Unfortunately this act of malicious vandalism is not an isolated incident. Department records indicate that it is part of an increasing trend of problems being experienced at the Zoo. Since the summer of 1970 there have been 12 reported cases of general abuse of park animals. In that same period we have had 29 cases of the Malicious Destruction and Breaking and Entering variety.

The current operation of the Potter Park Zoo includes general supervision by Zoo keepers and other full time personnel from 7:30 a.m. until 4:00 p.m. Between 3:00 p.m. and 9:00 p.m., a contract watchman provides a very basic level of security in the most easterly portion of the park. Park Security officers and the Lansing Police Department patrol the area periodically until midnight, but only on a very limited basis between then and when department crews arrive again at 7:30 a.m. There is Sonitrol Alarm service in three zoo buildings. This has provided some assistance in reducing the number of Breaking and Entering incidents. Because of this schedule the zoo is relatively unguarded from 9:00 p.m. until 7:30 a.m.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

We are currently making plans to shift the schedules of certain full time personnel, so they will be in the park from 6:00 a.m. to 8:30 p.m. Security services would then be required the remaining nine and one-half hours per day, seven days a week. This shift will not only benefit the protection of animals and the facility, but also park users who were unable to see certain animals in the evening hours because of our requirement to have full time personnel available during hours of display.

The Park Board, at a Budget Study meeting on Wednesday, January 5, 1977, reviewed our staff recommendation for the establishment of a full time watchman's position at the Potter Zoo. This recommendation was prepared as a result of problems experienced during this past summer, and drafted prior to the incident of January 4th. The Board responded favorably to our request and authorized it to be included in our 1977-78 budget recommendation. The twelve month salary of this individual is $9,313.00. In addition, we recommend contract wages be authorized for a part-time watchman to cover additional hours which would allow us to assure seven day week, 24 hour operation of the Potter Zoo facility.

Because of the incident of January 4, and my interest in not having a reoccurrence, I am respectfully requesting that the matter of our recommendation of this full time position be given your earliest consideration. If it is in the Council's intent to approve this position, I would recommend that it be done as soon as possible, therefore, assuring our earliest implementation.

Sincerely,

DOUGLAS FINLEY,
Director,
Park and Recreation.

Referred to Committee on Parks and Recreation and Committee on Personnel.

January 13, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-76-663 Pumping Engine

Gentlemen:

Eight bids were received on a Pumping Engine for the Fire Department. The lowest bid that best met our specifications for a seven man cab was submitted by Howe Fire Apparatus Company in the amount of $77,200.00. Their bid also states that if we were to pay for the chassis at the time of its delivery to Howe, which would be approximately July of 1977, they would deduct $2,000.00 from the bid making their bid $75,200.00 or the lowest bid submitted. We therefore recommend that the City accept the bid by Howe Fire Apparatus Company and pay for the chassis upon its delivery, which would be about $34,000.00 and the balance in December when the completed unit would be delivered.

Respectfully submitted,

VAUGHAN L. McKINCH, C.P.M.,
Purchasing Director,

CARL W. BARRATT,
Fire Chief.

Referred to Committee on Public Safety.

January 13, 1977

Honorable Mayor Gerald W. Graves

and Members of City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

Enclosed is the 1976 Municipal Employment Survey for the City of Lansing. This annual survey is compiled from the statistics received from each department of our City government. This year we have developed a more comprehensive comparative report reflecting the employment scene from December 1972-1976. This period is used in order to evaluate the effects of The Affirmative Action Plan adopted by the City Council, November 13, 1972.

This year in addition to the recording of the separate Federally funded departments and personnel, we have included the various classifications and salary ranges of the employees, handicap, and the reporting of the new hires (turnovers included) as identified in the department reports. A new dimension is found in the Exhibit XI, page 54, here we have documented the departmental promotions, December 1, 1975-December, 1976.

The following is a brief summary of the changes in the City's employment picture from 1975 to 1976.

Salaried employment increased from 918 in 1975 to 920 in 1976. (Federal Employees excluded). This is an increase of 2 salaried employees, of which both are minority. Furthermore, due to turnover 1 additional minority is employed. The total increase in salaried minorities employed is 3. Salaried women increased from 186 in 1975 to 196 in 1976. This is an increase of 10 salaried women, of which none are minority. Through turnover, the total number of salaried minority women decreased by 1.

Hourly employment decreased from 346 in 1975 to 335 in 1976. (Federal Employees excluded). This is a decrease of 11 hourly employees, of which 7 were minority.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Hourly women remained the same at 19. Through turnover 2 additional hourly minority women are employed.

Contract employment increased from 174 in 1975 to 214 in 1976 (Federal Employment excluded). This is an increase of 40 contract employees, of which 7 are minoritoy. Contract women increased from 50 in 1975 to 76 in 1976. This is an increase of 26 contract women, of which 4 are minority.

Total employment less federally funded employees increased from 1,438 in 1975 to 1,469 in 1976. This is an increase of 31 employees, of which 3 are minorities. Women employment increased from 255 in 1975 to 291 in 1976. This is an increase of 36 women of which 5 are minorities.

The Comparative Federal Report, page 4, shows an increase since 1972 of 134 employees, with a decrease in total minority employment of 2, for a reduction of 25.45%. Women employment for the same period has increased 31 employees. Taking into account total federal employment increased 134 positions, the percentage of federal women employed does not keep pace with the 47.32% in 1972. There is a reduction in women employment of 12.23%.

Exhibit III, page 42, Classification V and Above reflects the limited number of minorities and women in these positions, but also the fact that some progress has been made. The Comparative Report shows a decrease of 14 positions from 1975 to 1976. However, the positions held by minorities increased by 1 and the positions held by women increased by 4.

Exhibits VII, Total Number of New Hires by Departments, page 46-48 shows that 20 departments reported new hiring opportunities, the majority included turnovers. Of these 150 positions, 24 were filled with minority and 41 were filled with women. Of the 41 women, 4 were minority. Inclusive with the turnover we find there is an increase of 3 minority employees, 222 in 1975 ot 225 in 1976, in total City and Federal employment, for a reduction of .09%; while women employment increased by 33, 351 in 1975 to 384 in 1976, for an increase of 1.49%.

Exhibit X, Number and Classification of Employment Increases in Departments Reporting **No Minorities** in 1975 reflects of the 14 departments 8 had hiring opportunities totalling 13 positions. However, only 1 department, Finance, employed a minority through a transfer from another department.

The 1976 Survey should serve notice, that the voluntary implementation of The Affirmative Action Plan adopted in 1972, visibly is still stagnated and the implementation of any plan will depend on the full commitment of all city employees.

We sincerely hope that the specific guidelines of The Affirmative Action Plan, adopted October 25, 1976, will meet with more success.

Sincerely,

BILLIE GLADSTONE,
Chairperson,

HAROLD K. CUTLER,
Chairperson,
Employment Sub-committee.

Received and placed on file.

January 11, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

This office was recently advised by Douglas C. Jones that he is no longer eligible to serve as a member of the Board of Electrical Examiners due to the fact that he has moved outside of the City. Therefore, I am submitting to you for your consideration and confirmation, the name of Daniel Balasses, to serve as the representative from the Board of Water and Light, with the term ending June 30, 1979.

Mr. Balasses is a 1940 graduate of Lansing Central High School and has taken extension courses at Michigan State University and the University of Illinois. A Master Journeyman Electrician for 18 years, and a 25 year veteran of the Board of Water and Light, he presently serves as their Residential Energy Adviser. Mr. Balasses is a member, and Past President, of Local No. 353, International Brotherhood of Electrical Workers.

Mr. Balasses resides at 5314 Tulip Avenue in the City of Lansing and is a registered voter.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Buildings and Properties.

January 13, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

This office has been advised by George D. Reed, Jr., that he is no longer eligible to serve as a member of the Human Resources Advisory Board, as he is moving outside the City. Therefore, I am submitting to you for your consideration and confirmation, the name of Wesley Hoes, to fill the vacancy on said Board, which term expires in June of 1980.

Wesley Hoes was graduated from Michigan State University with a Bachelor of Science Degree in Criminal Justice, and is presently completing his Master of Arts Degree in Adult Education and Management. He is a veteran, having served two years in the U.S. Army. Mr. Hoes was an Officer in the Lansing Police Department for ten years before joining the Department of State Police—Michigan Law Enforcement Training Council where he has been employed for the past eight years. He presently is the Training Executive which is a civilian management position.

Mr. Hoes is a member of the Michigan Association of Chiefs of Police, American Society for Training and Development, manages a City team in Little League Baseball, member and Past Elder of the Westminster Presbyterian Church, Past Cub Master with the Boy Scouts of America, past member of the Board of Directors of the Lansing Jaycees, past Board Member of the Greater Lansing Council on Alcoholism, and original Board Member of the Halfway House for Alcoholics.

Mr. Hoes and his wife, Barbara, have three children and reside at 3211 Greenoak in the City of Lansing.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Community Development.

(Contract No. 892.239)

hereinafter referred to as subcontracts, have entered into an Agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title II, Public Service Employment Program; and

Whereas, all Public Service Employment positions under said subcontracts have been budgeted through January 6, 1977; and

Whereas, the subcontract duration period is October 1, 1976 to January 31, 1977; and

Whereas, there are sufficient residual funds to extend all currently filled positions to January 31, 1977; and

Whereas, the above stated subcontracts have been amended to extend all currently filled positions through January 31, 1977;

Now, Therefore, Be It Resolved that the Mayor and City Clerk be authorized to sign the amendments to the above stated contracts between the City of Lansing and its subcontractors after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July 1977 tax rolls (U-12), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1976, in the amount of $622.36, as reported this date by the Building Commissioner, and as per attached list.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

That the appointment of Rex Sessions to the Civic Center Board for a term expiring June 30, 1979, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the Consumers Power Company is engaged in the business of distributing and selling gas as a public utility in the City of Lansing and has installed, owns, maintains and operates certain facilities in the streets, alleys and other public places in the city for the purpose of exercising its franchise and engaging in the public utility business in the city; and

Whereas, the city is undertaking or proposes to undertake a Community Development project within its municipal boundaries commonly known as the Kingsley Place Project, and in connection therewith the city has requested the Consumers Power Company to remove and/or abandon in place a considerable portion of its facilities in the streets, alleys and other places of the Kingsley Place Project area and the Consumers Power Company desires to remove and/or abandon in place said facilities and/or equipment and to abandon said right of way in order to facilitate the Kingsley Place Project; and

Whereas, the Consumers Power Company has heretofore removed and/or abandoned in place said facilities in the Kingsley Place Project area and does now seek reimbursement from the city; and

Whereas, because of the unique circumstances attendant to the Kingsley Project development procedures, the City Council of the City of Lansing believes it is in the best interests of the City to equally share these relocation costs with the Consumers Power Company on a 50-50 basis; and

Whereas, the City and Consumers Power Company agree that the value of the right of way so abandoned and cost of relocating equipment and/or facilities is $35,500 and the City's share of this total relocation cost is $17,500; now, therefore, be it

Resolved, that the Mayor and City Clerk are hereby authorized and directed to execute the attached contract after approval as to form by the City Attorney and certificaion as to the availability of funds by the Finance Director.

Adopted by the following vote:

Unanimously.

By Councilmen Hull and Baker—

Resolved by the City Council of the City of Lansing:

Whereas, the deplorable practice of red lining arbitrarily denies mortgages, home improvement loans and home owners insurance based upon geographic location rather than the credit worthiness of the applicant and the condition of the dwelling; and

Whereas, red lining and the process of urban disinvestment has a devastating and debilitating effect upon people and their neighbors leading to the unnecessary and undesirable decay of urban centers and cities; and

Whereas, our cities are an important part of our state's life and economy; and

Whereas, the Lansing City Council recognizes the need to take positive and constructive steps to eliminate the practices of red lining and urban disinvestment and to provide a healthy environment in which urban centers such as Lansing can grow and prosper; and

Whereas, the Lansing City Council has been invited to participate in the State Wide Coalition Against Red Lining chaired by Councilwomen Erma Henderson of Detroit;

Now, Therefore, Be It Resolved that the Lansing City Council become an active participant in the Statewide Coalition Against Red Lining and attend its meetings ot be held in Lansing on January 25 and March 12, 1977; and

Be It Further Resolved that copies of this resolution be sent to the Lansing Legislative Caucus, the leadership of the Michigan Senate and House of Representatives and Councilwoman Erma Henderson as evidence of the concern and commitment of the Lansing City Council.

Much discussion was held on the resolution.

By Councilman Adado (Brenke)—

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective January 17, 1977, the City Personnel Director is authorized and directed to establish one Systems Programmer VI position within the Community Development Staff Support Services section of the Classification and Compensation Plan. All costs to be borne by existing Community Development budgetary appropriations.

Much discussion was held.

By Councilman Belen (Adado)—

That this be tabled for one week.

Carried.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective January 17, 1977, the City Personnel Director is authorized and directed to effect the following changes within the Public Service section of the Classification and Compensation Plan:

I—Delete one General Street Supt. VI position.

Delete one Yard and Equipment Supt. VI position.

Delete one Construction Foreman V position.

Delete one Asst. Street Supt. V position.

II—Establish one General Street Supt. VIA position.

Establish three Asst. Street Supt. VA positions.

These organizational changes will create a total current fiscal year savings of $1,713.00 of which $1,542.00 will be reflected within Act 51 accounts and $171.00 in City general fund accounts.

Adopted by the following vote:

Unanimously.

By Councilman Brenke—

That the resolution tabled on January 10, 1977, be taken from the table.

Carried.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

SUP-18-76—1300 High Street,

to be used as an Adult Foster Care Home.

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Special Use Permit.

Resolved Further, that such hearing shall be held at the Council Chamber in the City Hall on the 7th day of February, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $4,003,021.99.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

sioner for a term ending June 30, 1979, be confirmed.

Adopted by the following vote:

Unanimously.

January 17, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

On December 13, 1976, I forwarded to you for the position of City Attorney the name of Kenneth B. Williams, the then Senior Assistant Prosecuting Attorney, and Attorney-Director, Consumer and Business Affairs Division, for the County of Ingham. **On the aforementioned date, but at 5:00 p.m.,** Councilman Robert Hull provided me with a copy of a City Attorney's Opinion, **dated 3 days previously,** which advised that:

". . . the Mayor is prohibited from appointing and the Council is prohibited from confirming the temporary or permanent appointment of any person to the position of City Attorney who has not maintained a bona fide residence within the corporate limits of the City of Lansing for one year immediately preceding the appointment and who has not been a registered elector within the City of Lansing during that period."

The resulting controversy prompted me to request an Opinion from the Attorney General of the State of Michigan, through State Representative Thomas Holcomb. A copy of the reply is attached. Unlike the Opinion of the former City Attorney, and that of some Councilmen, the Attorney General advises that the language in question creates an "ambiguity," and further, stated that:

". . . it is still unclear whether a person need only be a registered elector to hold city office or whether, alternatively, he must be a registered elector for at least one year immediately preceding his election or appointment."

The Attorney General, also, stated:

". . . because of its inherent relevancy, I must also consider another issue; that is, whether a city charter may constitutionally prohibit a person from being elected to or receiving an appointment to a city office who fails to meet the durational residency requirement."

In regard to the latter point, he advices of several Michigan cases where the Federal Courts in Michigan **struck down durational residency requirements for several cities.**

Therefore, I am asking that you immediately request the Acting City Attorney to:

—Proceed to the Circuit Court of the County of Ingham with a request for a Declaratory Judgment regarding the language contained in Section 4.2, Chapter 4 of the City Charter; and

—Proceed to the same Court requesting an Opinion as to whether or not the City Charter of the City of Lansing may constitutionally prohibit a person from being elected to or receiving an appointment to a City office who fails to meet the one-year durational residency requirement.

The Opinion of the Attorney General of the State of Michigan has raised two key questions. I feel it is imperative that these matters be resolved as soon as possible.

Sincerely,

GERALD W. GRAVES,
Mayor.

By Councilman Blair (Baker)—

That the Mayor's letter be received and placed on file.

Lost by the following vote:

Yeas: Councilmen Baker, Blair, Gunther, Hull—4.

Nays: Councilmen Adado, Belen, Brenke, McKane, Mayor—5.

By Councilman Adado—

That we reconsider the resolution of last week in regard to the moving of the traffic light from Pacific Street (Cedar Street) to Riley Street at (Cedar Street).

Adopted by the following vote:

Unanimously.

By Committee on Public Service
and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed Cost Agreement between the Michigan State Highway Commission and the City of Lansing for the removal of the traffic signal at BL-96 (Cedar Street) and Pacific Avenue, and in-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

stallation of a new traffic signal at BL-96 (Cedar Street) and Riley Street, permit No. 33032-01-035, be approved with the stipulation that pedestrian walk-don't walk signals be provided for pedestrians crossing Cedar Street on the north side of Riley Street.

This project will be funded 50% by the State of Michigan and 50% ($4,091.50) by the City of Lansing. Funds for the City portion will be drawn from account No. 203-477-000-818, and

That the Mayor and City Clerk be authorized to sign this Cost Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney, and

Be It Further Resolved that left turns from BL-96 (Cedar Street) to Riley Street be prohibited after the new signal is installed.

Adopted by the following vote:

Unanimously.

Mayor Graves read a resolution presented by the District Court Judges in regard to the storeroom on 5th floor and the removing of records.

Motion by Councilman Blair (Baker) for a 5-minute recess.

Council recessed at 9:50 p.m.

Council reconvened at 10:00 p.m.

Ling Brewer, Ingham County Clerk, spoke on red lining and spoke about scheduling of school elections.

Beth Shepiro, 2601 Forest Avenue, spoke in regard to red lining.

By Councilman Gunther—

I move that this Council be adjourned.

Carried.

Council adjourned at 10:20 p.m.

THEO FULTON,
City Clerk.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously,

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director and the Fire Chief regarding the purchase of a Pumping Engine for the Fire Department as follows:

Eight bids were received on a Pumping Engine for the Fire Department. The lowest bid that best met our specifications for a seven man cab was submitted by Howe Fire Apparatus Company in the amount of $77,200.00. Their bid also states that if we were to pay for the chassis at the time of its delivery to Howe, which would be approximately July of 1977, they would deduct $2,000.00 from the bid, making their bid $75,200.00 or the lowest bid submitted. We therefore recommend that the City accept the bid by Howe Fire Apparatus Company and pay for the chassis upon its delivery, which would be about $34,00.00 and the balance in December when the completed unit would be delivered

The Committee recommends the acceptance of the bid submitted by Howe Fire Apparatus Company in the amount of $77,200.00 less $2,000.00 if payment is made on the chassis at the time of delivery, making net bid $75,200.00. Funds are available in Account No. 101-936-709-977.

Signed:

LOUIS F. ADADO,
TERRY J. McKANE,
RICHARD J. BAKER,
Committee on Public Safety.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

Councilman Blair was excused from the rest of the Council meeting.

REPORTS OF CITY OFFICERS AND BOARDS

January 17, 1977

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan 48933

Re: Claim of Harold E. Hawkins

Dear Mayor and Council:

Mr. Harold E. Hawkins recently filed a claim in the amount of thirty-five dollars ($35.00) for damages incurred when the Public Service Department was unplugging a sewer on Terminal Road on November 12, 1976. A combination of the operating action of the jet sewer cleaner and the

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

shallow depth of the sewer line to Mr. Hawkin's building at 724 Terminal Road caused sewage to be forced into the sewer line and into his building.

The City is immune from liability pursuant to MCLA 691.1401 et seq; MSA 3.996(101) et seq because the City was in the process of performing a governmental function at the time of the incident.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney.

Adopted by the following vote:

Unanimously.

January 17, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Paul G. Foltz Jr. to Riverside Hospital on November 23, 1976.

Pursuant to court order, the City is responsible for the transportation of an indigent.

Therefore, the claim for the amount of $93.00 for the transportation of Paul G. Foltz Jr. to Riverside Hospital on November 23, 1976 is hereby authorized.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney

By JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

January 17, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Paula J. Wise to Riverside Hospital on November 10, 1976.

Pursuant to Court order, the City is responsible for the transportation of an indigent.

Therefore, the claim for the amount of $88.00 for the transportation of Paula J. Wise to Riverside Hospital on November 10, 1976 is hereby authorized.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney

By JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

January 17, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Mike Mason to Riverside Hospital on August 15, 1976.

Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, the claim for the amount of $88.00 for the transportation of Mike Mason to Riverside Hospital on August 15, 1976 is hereby authorized.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney

By JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

January 20, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 6 on the Kingsley Place Project, P.S. 35025, submitted by the Rumsey Construction Co., requesting that the retainage be reduced from 10% to 2% as per attached letter.

I would recommend approval of this Change Order.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service,

ORRIN SHARP,
Community Development
Director.

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred Change Order No. 6, submitted by the Rumsey Construction Co. on the Kingsley Place Project, P.S. 35025, requesting that the retainage be reduced from 10% to 2%, reports as follows:

We concur with the recommendation of the Director of Public Service and the Director of Community Development.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service
and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

January 19, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-670 Carpet

Gentlemen:

Nine bids were received from five companies for the purchase of approximately 740 square yards of carpeting for the first floor of the Washington Square Annex. These bids were opened at 3:00 P.M., E.S.T. on Tuesday, January 11, 1977. After a review of the samples submitted with the bids and consulting with the Interior Design Department at Michigan State University, it was determined that the alernate bid submitted by Alexanian's, which was the third low bid, came the closest to meeting our requirements and color selection. Our past experience with Sears on carpet has not been the best, delivery has been late and installation has been poor. We therefore recommend that the alternate bid by Alexanian's in the amount of $5,994.00 be approved. The Space Committee also concurs in this recommendation.

Respectfully submitted,

VAUGHAN L. McKINCH, C.P.M.,
Purchasing Director,

JAMES W. DOWSETT,
Director of Finance.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred the recommendation of the Purchasing Director and the Director of Finance that the bid submitted by Alexanian's for the purchase of approximately 740 square yards of car-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

peting for the first floor of the Washington Square Annex be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Director of Finance. Funds are available in Account No. 101-936-760-976.

Signed:

ROBERT J. HULL,
LOUIS F. ADADO,
Committee on Building and Properties.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

January 13, 1977

Z-47-74(a)

1100 Block of West Miller

Road (north side)

Honorable Mayor and Members

of City Council:

The Planning Board will hold a public hearing for the expansion of the Community Unit Plan development, known as the Village Townhouses Cooperative. The change will consist of rezoning two lots adjacent and east of the townhouse development from "A-1" Single Family Residential district to Community Unit Plan District. The proposal is to construct a storage building to be used in conjunction with the Village Townhouses.

This public hearing will be held on Tuesday, February 1, 1977 at 7:30 p.m. in City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan.

This notification is made in accord with Section 36-7 of the Zoning Ordinance. Plans are on file in the Planning Department for review and will be available at the public hearing. You are cordially invited to attend this public hearing.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Received and placed on file.

January 20, 1977

ACT-11-76

Beck Park

Honorable Mayor and Members

of City Council:

The Planning Board, at their regular meeting of January 18, 1977, considered the Parks Board proposal to acquire ten acres of land on West Northrup Street, known as Beck Park. A review under Act 285, P.A. 1931 considered only the locational aspects of land acquisition.

Purchase of the park land was approved by the Board by a vote of 6 yeas, 0 nays, and is recommended that the City proceed to acquire this parcel. It should be pointed out that this Act 285 approval is only for the acquisition based on its location with respect to current neighborhood park needs in the area and land development potential. It is necessary for the Planning Board to review a site plan prior to any development or equipment installation.

If you desire further information on this recommendation, please contact Mr. Acheson or myself.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Buildings and Properties and Committee on Parks and Recreation.

January 20, 1977

ACT-14-76

2001 East Michigan Avenue

Honorable Mayor and Members

of City Council:

The Planning Board, at their regular meeting of January 18, 1977, considered an offer to the City of Lansing the Walter Neller Company for purchase of property at 2001 East Michigan Avenue for the purpose of providing additional parking space in the commercial area.

In reviewing the acquisition and development potential in comparison to return revenues that could be received from developing this property into parking, it was believed to be unequitable to the City of Lansing. In addition to this, the proposal to remove retail floor space from this commercial center is believed contrary to the Community Development Program proposed for commercial area rehabilitation along East Michigan Avenue. Therefore, it was recommended by the Planning Board that City Council not purchase this property and that a study be made as to alternate ways of providing the needed parking space in the vicinity of the 2000 block of East Michigan Avenue.

If you desire any additional information regarding this request, please contact me.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

January 29, 1977

SUP-18-76

1300 North High Street

Honorable Mayor and Members

of City Council:

The Planning Board, at their January 18, 1977 meeting, recommended that the Special Use Permit request by Joyce and George Lord for the purpose of housing six to twelve (6-12) adult foster care residents be approved subject to the site being improved to meet all the minimum standards of the local building, fire and zoning codes.

The Board found that this site was located in an area which is now identified as Neighborhood Development Area No. 3, which will in the very near future be scheduled for extensive residential rehabilitation programs.

The Board further found that the site is zoned "D" Apartment District, which would allow the existing property to be converted for more intense commercial uses which could promote overdevelopment of the site.

Based on the allowable uses in the existing "D" Apartment zoning district, the Board believes that approval of this Special Use Permit will provide reasonable use of the land and at the same time provide assurances that the site will not become overdeveloped or overcrowded with both residents and off-street parking. It is further felt that the requirements attached with the Special Use Permit approval will assure continued building maintenance and program supervision for the residents which will be housed at the location.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

January 20, 1977

Z-50-75

Logan/Loa/Dunlap

Casa Nova Screening

Honorable Mayor and Members

of City Council:

The Planning Board, at their meeting of January 18, 1977, recommended that the screening along the east side of the property between the new Casa Nova restaurant, located at 3015 South Logan Street, and the residents to the east be amended to allow for a five foot (5') high chain link fence with a tall hedge planted within a four foot wide strip between the parking area and the fence, as shown on the site plan dated June 15, 1976 and received by the Planning office on January 17, 1977.

This type of fencing was recommended in lieu of the six foot (6') high decorative masonry wall as previously required by the Planning Board and City Council (see Council action dated December 1, 1975).

The Board believes that this type of screening will provide for adequate protection between the commercial establishments and the residents to the east.

This recommendation received a 5 yeas, 1 nay vote of the Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

January 20, 1977

Z-58-76

Logan/Haag

Honorable Mayor and Members

of City Council:

The Planning Board, at their meeting of January 18, 1977, recommended that the petition by A. J. Spagnuolo to rezone property at the intersection of Haag Road and South Logan Street from "A-1" Family Residential District to "D-1" Professional Office District be approved subject to the following:

1) That a detailed site plan be submitted for approval by the Planning Department and Traffic Engineer including:

a) ingress and egress

b) parking lot layout

c) number of spaces

d) location of buildings, and

e) the location of buildings to allow for either the relocation of the intersection of Haag Road and Logan Street or the possible closing of Haag Road.

2) That a landscaping and screening plan be submitted for approval by the Planning Department.

3) That all landscaping and screening be installed on the site within one year of building occupancy.

4) That site access be limited to Haag Road and no curb cuts issued for South Logan Street,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The Board found that the site plan submitted shows the building and parking for the proposed office development in a location that will allow for the reorientation or the cul-de-saccing of Haag Road at some future date. These plans are being studied by the Planning Department at this time.

The Board does not believe that the site will be developed for single family use because of its relationship to Logan Street, a major arterial, and the irregular shape of the parcel which limits the number of single family lots that could be created out of the parcel, which contains 28,750 square feet.

The Board further believes that the change of zoning will promote reasonable use of this site without seriously affecting adjacent residential homes.

This recommendation received unanimous Board support.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

January 20, 1977

Z-59-76

839 North Pennsylvania Avenue

Honorable Mayor and Members

of City Council:

The Planning Board, at their January 18, 1977 meeting, recommended that the change of zoning for the property at 839 North Pennsylvania Avenue from "C-2" Family Residential District to "D-1" Professional Office District be approved.

This rezoning request was initiated by the Lansing City Council for the purpose of allowing reasonable use of the fire station that exists on this site following its abandonment. The recommendation of the Planning Board for approval is subject to the following:

1) That the petition be denied as filed and approved for "D-1" Professional Office District.

2) That the parking areas be screened and fenced for the protection of adjacent residences to the south and west.

3) That a site development plan be submitted for approval by the Traffic Engineer and Planning Department including:

a) building locations and use

b) parking areas, layout and number of spaces

c) screening, fencing and landscaping

d) permanent wheel stops at the perimeter of all parking areas.

The Board believes that the change of zoning will promote development of the site for professional office use and will not seriously affect adjacent properties.

The Board further believes that professional office zoning will encourage uses that may be of a neighborhood service type; such as, doctor, dentist office, etc.

The Board gave unanimous support to this vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

January 20, 1977

Z-61-76

5034-5036 Ora Street

Honorable Mayor and Members

of City Council:

The Planning Board, at their meeting of January 18, 1977, recommended that the request by Albert Bekmanis to rezone property at 5034-36 Ora Street from "C-2" Family Residential District to "D-1" Professional Office District be denied.

The Board believes that the change of zoning would introduce uses into a low density residential area which would adversely affect living conditions in terms of increased traffic and activity.

The Board further believes that the conversion of this property for non-residential purposes would promote redevelopment of the site which would change its residential character; i.e., the non-residential uses would require that the on site open spaces be converted for the development of off-street parking, which would call for the removal of the existing vegetation.

This recommendation is made by unanimous decision of the Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

January 18, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Protem and
Council Members:

In the past, the Frandor Shopping Center has experienced flooding of parking areas and of shopping center floors below

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

ground surface. The Montgomery Drain, which serves the Frandor Area, is a County drain for areas within the City of Lansing, Lansing Township and the City of East Lansing, and a preliminary report centering upon this drain, and its relation to the problems of flooding in the Frandor Shopping Center, was forwarded to you some time ago. The preliminary report advises of the problems resulting from that drain, additions within Frandor, itself, expansions to the north, etc.

Alternatives, directed at correcting the flooding problem, were suggested but there is an obvious need for additional storm sewer studies in the Frandor Area, to determine sources of storm water inflow and infiltration into the sanitary sewer system, the need for smoke and dye tests, final design of construction necessary and cost estimates.

The aforementioned was discussed at a meeting, attended by myself, Robert Corbit, City Engineer, Councilmen Blair, Hull and Baker, Ingham County Drain Commissioner Richard Sode, and representatives of the Frandor Merchants Association, Lansing Township and Wolverine Engineering Company, the consultants employed on the project. In addition to what has been mentioned, the following items were discussed:

—The Drain Area involved, which consists of approximately 80% City of Lansing and 20% Lansing Township;

—The estimated "ball park" cost of $500,000 to help resolve the flood problem in the Frandor Area;

—The assessment approach, which included shares by the City of Lansing, Lansing Township, the Michigan Department of State Highways, the County of Ingham, and possibly the Frandor shop owners themselves; and

—The requirement of two governmental units (City of Lansing and Lansing Township) petitioning the Ingham County Drain Commissioner to initiate a comprehensive drain engineering study.

In regard to the final item, Drain Commissioner Sode advised that he had the necessary funds on hand to proceed with the comprehensive engineering study, if the City of Lansing and Lansing Township formally petitioned. He advised that the assessment of the City of Lansing could be spread over a five year period, or even up to ten years; the Recommended Capital Improvements Program for Fiscal Year 1977-78 already includes $50,000 for the assessment.

It is obvious to me that the flooding situation at the Frandor Shopping Center is in need of an affirmative approach—unlike other areas being floded, preliminary engineering studies indicate that there are solutions to the Frandor problem. I recommend, therefore, that the City of Lansing proceed with petitioning the Ingham County Drain Commissioner, with hopes that Lansing Township will do likewise, to proceed with a comprehensive engineering study for submission to both the City of Lansing and Lansing Township at a future date.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Public Service and Highways.

January 20, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and
Council Members:

On January 17, 1977, you had before you my communication pertaining to the controversy created by a recent Opinion of the former City Attorney, which in essence, advised that a person is not eligible to hold a City office if he has not been a registered elector of the City for at least one year, except as otherwise provided in the City Charter. The Attorney General of the State of Michigan, however, advised that the language in question created an "ambiguity." He also indicated that the City should seek a Court determination of the constitutionality of the section of the Charter, which prohibits a person from being elected to or receiving an appointment to a City office who fails to meet the duration residency requirement—in regard to this point, the Attorney General advised of several Michigan cases where the Federal Courts struck down durational residency requirements of several cities.

In my communication of January 17, 1977, I asked you to immediately request the Acting City Attorney to:

—Proceed to the Circuit Court of the County of Ingham with a request for a Declaratory Judgment regarding the language contained in Section 4.2, Chapter 4 of the City Charter; and

—Proceed to the same Court requesting an Opinion as to whether or not the City Charter of the City of Lansing may constitutionally prohibit a person from being elected to or receiving an appointment to a City office who fails to meet the one-year durational residency requirement.

The wisdom of Councilman Richard Baker prompted him to advise everyone that the question was "moot," and that the matter should be "received and placed on file," a polite term for burying an issue. Fortunately, in your own wisdom you had my request sent to the Committee of the Whole.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Well, the matter is not "moot." The Policemen's and Firemen's Retirement System has a Charter created board, while the Employees Retirement System has an Ordinance created board. At the Board of Trustees meeting (Policemen's and Firemen's Retirement System) on Wednesday, January 19, one of the members questioned the legality of two board members, one a fireman and one a policeman, being members of the board, since both reside outside of the corporate limits of the City of Lansing. Both were duly elected by their respective membership. At the Board of Trustees meeting (Employees Retirement System) the same question arose, since two members, also, reside outside of the corporate limits of the City of Lansing. Both were duly elected by general City employees, and one serves as a general member and the other female as Chairperson.

On November 16, 1976, the former City Attorney advised George S. Lokken, Federal Program Coordinator, that the Lansing City Charter reads in pertinent part:

". . . each member of a board shall be an officer of the city and shall possess the qualifications required by this charter for holding office."

"Except as otherwise provided in this charter, a person is eligible to hold a city office if he has been a registered elector of the city . . ."

Did the former City Attorney say to the general City Employees, the firemen and the policemen, that their representatives who are to serve on the Board of Trustees of the retirement system, must be persons who have resided in the City for at least one year and registered electors during that period? If he did not say this, then where are the exceptions for these "officers of the City" in relation to others?

Both of the retirement systems deal in serious matters, including the investing of millions of dollars of City funds. Decisions are being made continuously. I, for one, do not want to jeopardize the position of our general employees, firemen and policemen and their legal right to retirements earned. The issues, in question, **must be resolved.** Contrary to the "opinion" of Councilman Baker, the questions at hand are not "moot." **Therefore, I am once again asking your immediate attention to the matter and a fulfillment by you of my original request of January 17, 1977.**

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS

By Committees on Public Service and Highways and Community Development—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public health and necessity to construct the following improvements designated as the NEIGHBORHOOD DEVELOPMENT AREA NO. 1 STORM AND SANITARY SEWER SEPARATION CONTRACT, PS 35027, and that the construction of these improvements is hereby ordered:

SANITARY SEWER:

Michigan Avenue from Butler Street to Jenison Avenue

Kalamazoo Street from Jenison Avenue to Huron Street

Jenison Avenue from Kalamazoo Street to Hillsdale Street

Hillsdale Street from Jenison Avenue to Rulison Street

Huron Street from Kalamazoo Street to Lenawee Street

STORM SEWER:

Jenison Avenue from Michigan Avenue to Washtenaw Street

Kalamazoo Street from Logan Street to the west line of Lots 49 and 104 of Assessors Plat No. 9.

Lenawee Street from Jenison Avenue east to east line of Lot 9 of Michler's Subd. and Lot 111 of Assessors Plat No. 9.

And Further, that the estimated cost of this project, $330,000.00, is to be financed by assessments to the benefited property owners and from City funds through Account No. 258-445-641-973 and Account No. 258-527-641-973.

Be It Further Resolved, that the Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for this project, and it is further directed to estimate in detail, the cost of said project and to furnish said information to the City Council.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, Federal funds are available under the Comprehensive Employment and Training Act of 1973, as amended, under Title VI, "Emergency Jobs Act"; and

Whereas, the City of Lansing is eligible to receive said funds; and

Whereas, Title VI has been legislated through September 30, 1977; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, as amended, Title VI, "Emergency Jobs Act," Contract No. 894.12; and

Whereas, the City of Lansing and the

Lansing Housing Commission
Contract No. 894.15

Lansing School District
Contract No. 894.14

Lansing Community College
Contract No. 894.13

Board of Water & Light
Contract No. 894.162

CATA

Department of Natural Resources
Contract No. 894.164

hereinafter referred to as subcontractors, have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act, as amended, Title VI, "Emergency Jobs Act";

Now, Therefore, Be It Resolved that the City Council approve said contract between the City of Lansing and the Lansing Tri-County Regional Manpower Consortium and between the City of Lansing and the above stated subcontractors and authorize the Mayor and City Clerk to sign said contracts.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title II, Public Service Employment Program, Contract No. 892.19; and

Whereas, the City of Lansing and the Community Design Center, Contract No. 892.235; Lansing Community Art Gallery, Contract No. 892.237; Greater Lansing Urban League, Contract No. 892.233; Safety Council of Greater Lansing, Contract No. 892.234; Center for the Arts, Inc., Contract No. 892.239 hereinafter referred to as subcontractors, have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title II, Public Service Employment Program; and

Whereas, Title II has been legislated to extend through September 30, 1977; and

Whereas, the Department of Labor has authorized additional monies to grant this extension; and

Whereas, Contract No. 892.19, Contract No. 892.235, Contract No. 892.237, Contract No. 892.233, Contract No. 892.234 and Contract No. 892.239 have been modified to reflect the new termination date of September 30, 1977;

Now, Therefore, Be It Resolved that the City Council approve said modified contracts and authorize the Mayor and City Clerk to sign said modified contracts.

Adopted by the following vote:

Unanimously.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That Councilman Jack D. Gunther and Councilman William Brenke be appointed to serve on the 1977 Board of Review, convening March 21, 1977. Councilmen Brenke and Gunther are to receive $60.00 per diem. Appointed members of the Board are to receive $75.00 per diem.

And Be It Further Resolved that the 1977 Board of Review shall hold its meetings in Room 322 of Lansing City Hall as approved by Buildings and Properties Committee beginning March 21, 1977.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan Municipal League has formally requested that the City of Lansing designate an official Legislative Coordinator for the 1977 Legislative Session;

Now, Therefore, Be It Resolved that Helen A. Moore is hereby designated as the official Legislative Coordinator for the City of Lansing to the Michigan Municipal League for 1977. A copy of this resolution shall be transmitted to the Michigan Municipal League Headquarters.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, on January 20, 1977, after five years of service with the City of Lansing, Mr. Ralph Cascarilla will resign his position as Legal Intern, Office of City Attorney to assume a Legal Advisor position with the Cleveland, Ohio, Office of Community Development; and,

Whereas, Mr. Cascarilla's service with the City of Lansing began in January, 1972, when he was selected by the Mayor of Lansing to become his Administrative Assistant after having matriculated from the University of Notre Dame where he was awarded a Bachelor of Arts Degree in Government; and,

Whereas, while accomplishing the duties and functions of Administrative Assistant to the Mayor in a most exemplary manner, Mr. Cascarilla pursued simultaneously a course of study at Cooley Law School and was awarded a Juris Doctor in January, 1975; and,

Whereas, Mr. Cascarilla, having proved his ability as an effective administrator capable of managing and directing staff activities, was subsequently appointed by the Mayor as Acting Director for Community Development; and,

Whereas, while serving in the capacity of Acting Director for Community Development, Mr. Cascarilla was able, as a result of his acute sense of diplomacy and tact to develop a positive rapport with City Council, City Department Heads and with various other agencies and individuals throughout the City;

Now, Therefore, Be It Resolved that on behalf of the employees and administrators of the City of Lansing, we hereby wish the very best for Ralph and his family and hereby extend our most sincere thanks on behalf of the City of Lansing for the exceptional performance of his responsibilities and duties.

Adopted by the following vote:

Unanimously.

By Councilmen Brenke, Belen, Adado, Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, the Council from time to time appoints Councilmen to serve as the official council representative to Boards, Commissions, Committees, etc., and

Whereas, when acting in this capacity the members so appointed are to reflect whenever possible the policy position of the council,

Now, Therefore, Be It Resolved, that Councilpersons so appointed when voting on matters which affect the City of Lansing or restrict the City in major ways, shall vote the policy as outlined by the majority of the city council. In cases where a policy has not been determined and when the matter to be voted on affects the city financially or restricts the city in any major way, a determination of policy by the council should be secured before a decision is made.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Hull—2.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective February 1, 1977 the City Personnel Director is authorized and directed to effect the following Table of Organization for Kingsley Community Center within the Parks Department section of the Classification and Compensation Plan:

I—Delete one Community Center Supervisor V position.

II—Establish one Community Center Supervisor VI position.

II Establish one Assistant Community Center Supervisor V position.

II Establish one Program Leader IIIA position.

II Establish one Clerk IB position.

Adopted by the following vote:

Unanimously.

By Committee on Personnel and Parks—

Resolved by the City Council of the City of Lansing:

That effective February 1, 1977 the City Personnel Director is authorized and directed to establish one Park Security Officer I position within the Parks Department section of the Classification and Compensation Plan. The existing starting salary for this position is $11,081.00 per annum, with a possible, retroactive to July 1, 1976, salary adjustment being in the Compulsory Arbitration process at the present time.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective January 24, 1977 the City Personnel Director is authorized and directed to establish one Planner VII position within the Planning Department section of the Classification and Compensation Plan. All costs attendant to this position to be charged against the U. S. Department of Commerce Economic Development Grant Number 06-09-01379 as ap-

OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

Proceedings, January 31, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

January 31, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Belen.

Pledge of Allegiance was given by Jill Marfio from Eastern High School.

By Councilman McKane—

That the Council Proceedings of January 10 and January 17, 1977, be approved.

Carried.

HEARING ON PROPOSED CHANGE IN ZONING CLASSIFICATION

January 31, 1977, at 7:00 o'clock being the time set as the time for holding a hearing on the proposed changes in the Classifications as provided for in the Zoning Code, which was passed by the City Council on November 13, 1958, said proposed amendment being as follows:

That the property described as:

Z-54-76 — 404 South Pennsylvania Avenue,

be rezoned from "E-2" Drive In Shop District to "F" Commercial District.

The Mayor anounced that if there was anyone present who had any suggestions or objections to make to the proposed amendment(s) to the Classifications provided for in the Zoning Code he had the privilege of speaking at this time.

No objections were made to the proposed amendment(s).

Stanley Martin, 1400 S. Washington Ave., petitioner, spoke.

Referred to Committee on Planning.

REPORTS OF CITY OFFICERS AND BOARDS

City Treasurer submits report on condition of funds in the treasury as of December 31, 1976.

Received and placed on file.

January 20, 1977

Honorable Mayor and Members

of the Lansing City Council

10th Floor, City Hall

Lansing, Michigan 48933

Re: Claim of Trent C. Bushnell

Dear Mayor and Council:

On November 4, 1976, Trent C. Bushnell filed a claim with the City of Lansing regarding damages incurred to his home located at 2606 Hazelwood Drive, Lansing, Michigan, when a City Forestry crew dropped a tree it was removing which caused panels of aluminum siding to be pulled from the house. Mr. Bushnell alleges that the original siding cannot be replaced. When he first filed his claim, Mr. Bushnell failed to submit the amount of damages he was requesting. Since then he has requested a settlement in the amount of $922.50.

The City itself is immune from liability because it was performing a governmental function not excluded from governmental immunity. MCLA 691.1401 et seq; MSA 3.996(101) et seq.

Since the City is not legally compelled to reimburse Mr. Bushnell for his damages, it follows that the legal conclusion must be that his claim be denied.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By Councilman Adado—

That this be tabled for one week so that background information can be obtained.

Carried.

January 24, 1977

of the Lansing City Council

Lansing, Michigan

Re: University Club of Michigan State University v City of Lansing—Michigan Tax Tribunal Docket 14039

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Dear Mayor and Council:

On April 30, 1976, the petitioner in the above captioned matter brought an action before the Michigan Tax Tribunal alleging that the assessed valuation on its real property for the 1976 tax year was excessive, being in excess of 50% of true cash value.

The land and building in question consists of the MSU Faculty Club and facilities located on Mt. Hope Avenue. The true cash value ascribed to the property by the City was $1,414,000. This value was based upon the best information available to the Assessor's Office at the time the valuation was made.

During the pendency of this matter, several meetings were held between representatives of the petitioners, this office, and the Assessor's Office. Information and data concerning the value of the property was exchanged by both sides. At the conclusion of the meetings, it was determined by the Assessor that the true cash value of the property should be $1,168,000. This revised assessment was based upon information heretofore unavailable to the Assessor; namely, deferred maintenance costs, functional obsolescence of the building, reduced membership, and a restricted liquor license; all of which operated to reduce the true cash value of the property.

The Assessor is satisfied that the revised true cash value of $1,168,000 accurately reflects the value of the building and property in question. Therefore, to avoid an unnecessary, protracted, and expensive suit together with interest charges and costs, it is the recommendation of this office that the above captioned matter be settled by reducing the true cash value to $1,168,000 and by dismissing the matter with prejudice and without costs to either party.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney.

Carried.

January 19, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Richard W. Bryant in the amount of $25.00

Dear Mayor and Council:

After investigating the above claim it is my recommendation that Mr. Bryant be reimbursed $25.00 for the cost of damages to his mailbox by a city snowplow.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By JAMES T. HEOS,
Assistant City Attorney.

By Councilman Adado—

That we concur in the recommendation of the Asst. City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer payable to Richard W. Bryant in the amount of $25.00.

Re: Claim of Willie B. Rogers in the amount of $37.10

Dear Mayor and Council:

After investigating the claim of Willie B. Rogers for the cost of clothing destroyed by the Lansing Police Department, it is my recommendation that the amount of $37.10 be paid to Mr. Rogers to cover his damaged goods.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By JAMES T. HOES
Assistant City Attorney.

By Councilman Adado—

That we concur in the recommendation of the Asst. City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer payable to Willie B. Rodgers in the amount of $37.10.

Carried.

January [illegible], 1977

Honorable Mayor and

Members of the City Council

Lansing, Michigan

Gentlemen:

The Building Department has received a written request to demolish a single family dwelling located at 328 S. Butler, from the legal owner; Mr. Ernest Aldridge, and Kassouff Realty and American Bank and Trust Company; interested parties. The property is further described as:

S ½ of Lot 21, block 10, Bush, Butler, and Sparrow Addition

Work performed shall include demolition and removal of the structure, filling and grading of the site, and shall be accomplished by the City of Lansing with all cost applied to the property tax roll.

Therefore, it is requested that the City Council authorize the Building Commis-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

sioner to proceed with the demolition of this structure, and the Purchasing Agent be authorized to obtain quotations for this work.

Respectfully submitted,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing.

Referred to Committee on Buildings and Properties.

January 20, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 1, submitted by the Charles J. Rogers Construction Co. on the Renovation and Relocation of Pedestrian Overpass, PS 35030, requesting an extension of time until May 1, 1977 due to field conditions.

I would recommend approval of this Change Order.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Change Order No. 1, submitted by the Charles J. Rogers Construction Co. on the Renovation and Relocation of Pedestrian Overpass, PS 35030, requesting an extension of time until May 1, 1977 due to field conditions, reports as follows:

We concur with the recommendation of the Director of Public Service.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

January 20, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-669 Pickup Trucks

Gentlemen:

Three bids were received for the purchase of six (6) pickup trucks for the Public Service Department and were opened at 3:00 P.M., E.S.T. on Tuesday, January 11, 1977.

The bids submitted by the Ford Dealers were for 302 cu. in. engines and the bid submitted by University Olds was for a 350 cu. in. engine. We learned after opening the bids that the 302 engine is not available presently and Ford Motor Co. does not expect to make it available on this size truck until late February or early March, which makes delivery very uncertain. Another area of discrepancy we learned of after bid opening was with the tires, Ford quoted an 8 ply rated tire and University Olds quoted a 4 ply rated tire, both of which were passenger type tires. Our specifications reuested an 8 ply tire thinking we were specing a truck tire. Therefore, after reviewing the bids we recommend that the bid submitted by University Olds in the amount of $25,058.34 be accepted.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

January 27, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: S-77-664 Sale of Surplus Fire Apparatus

Gentlemen:

On November 23, 1976, we sent out 40 requests to individuals and municipalities to bid on three (3) pieces of fire fighting equipment that the Lansing Fire Department had declared surplus. We also advertised in several publications. When the bids were opened at 3:00 P.M. on January 25, 1977, we had received only one bid from an individual, William Schafer, who bid $510.00 on the Squad Truck and $1,225.00 on the Pumper. These amounts are less than scrap value, therefore, we recommend that the offer be rejected and the Fire Department use these units for parts or try to sell again at a later date.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

CARL W. BARRATT,
Fire Chief.

Referred to Committee on Public Safety.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director and the Fire Chief that the one bid received from William Schaefer to purchase surplus fire apparatus be rejected and the Fire Department use these units for parts or attempt to sell at a later date, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Fire Chief.

Signed:

LOUIS F. ADADO,
TERRY J. McKANE,
R. J. BAKER,
Committee on Public Safety.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

January 25, 1977

Honorable Mayor and Members

of the City Council

City Hall

Lansing, Michigan

Gentlemen:

At a regular meeting of the Board of Water and Light of the City of Lansing, Michigan, held January 24, 1977, of which meeting proper notice was given, and at which meeting a quorum of members was present, the following action was adopted:

Resolved, That in accordance with provisions of the Auditing Committee Report adopted by the Board of Water and Light on February 26, 1973, the Board recommends to the City Council that the firm of Main Lafrentz & Co. be retained to audit the books of the Board of Water and Light for the fiscal year ending June 30, 1977.

Resolved Further, That the Secretary be directed to so notify the City Council.

A copy of the Main Lafrentz & Co. proposal dated January 11, 1977 is attached.

Respectfully submitted,

BOARD OF WATER AND LIGHT,
Donna Smieska, Secretary.

Referred to Committee on Finance.

January 27, 1977

Honorable Mayor Pro Tem and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro Tem & Council Members:

The recently ended recession and the effects of the energy crisis have resulted in a lack of adequate revenue from the City's share of the Gas & Weight Tax to maintain Lansing's local street system. Our efforts to maintain our local streets with the reduced funds available have caused a backlog in the regular program of street resurfacing and maintenance that has resulted in inconvenience to our citizens. The availability of funds being received under the Anti-Recession Fiscal Aid Program now makes it possible for the City of Lansing to undertake a major street resurfacing and maintenance program.

The Public Service Department has, at my request, reviewed the resurfacing needs throughout the City and has made its recommendation for the scope of the program. I, therefore, propose a major repair and maintenance program in the amount of $516,045. This program, when coupled with funds from the Act 51 Local Street Fund, will include resurfacing of 13.68 miles of local streets throughout the entire City. The resurfacing portion of the work program will cost an estimated $350,000 and will involve approximately equal efforts in each of the City's four wards. This work program will take place during the summer of 1977.

The Finance Department has worked with the Public Service Department to review current Act 51 funds available and to determine the most viable plan for funding this overall project. Based on his review the Finance Director recommends that the following accounts be established to control the expenditure of the Anti-Recession funds in the amount of $516,045.

Account	Amount
245-452-611-936 Local Streets—Road Surface Maintenance	$184,000.00
245-464-000-706 Surface Maint.—Wages-Hourly	100,000.00
245-464-000-715 Surface Maint.-Fringe Benefits	30,000.00
245-466-000-706 Street Cleaning—Wages	60,000.00
245-466-000-715 Street Cleaning—Fringe Benefits	18,000.00
245-468-000-706 Unpaved Streets—Wages	60,000.00
245-468-000-715 Unpaved Streets—Fringe Benefits	18,000.00

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

245-457-616-706 Recondition After Curb & Gutter—Wages	$4,500.00
245-457-616-715 Recondition After C & G—Fringes	11,545.00
Total	$516,045.00

NOTE: The funding sources to be utilized for the resurfacing portion of the work program can be identified as follows:

$ 76,000—No. 203-452-611-974 — Resurface Local Streets (Available in FY 76-77 budget — not used due to lack of local match funds)

90,000—Fiscal 77-78 — Resurface Local Streets (Recommended appropriation)

184,000—Anti-Recession — Title IX Funds (This is eligible use of anti-recession funds and also qualifies as match against the use of local street funds)

$350,000

It is anticipated that an additional and final payment of Anti-Recession funds of $120,000 - $150,000 may be received in July, 1977. This would bring the total funds received to approximately $650,000. I will recommend to you a work program for the additional funds when final amounts become known.

The above described program is designed to fully meet the regulations governing the expenditure of Anti-Recession funds as stated in the Public Works Employment Act of 1976—Anti-Recession—Title II. I request that you approve the actions necessary to undertake this project. It is imperative that we begin preparation for this major project as soon as posible.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committees on Finance, Public Service and Highways, and Committee on Planning.

RESOLUTIONS

By Committee on Public Service and Highways—

Resolved, that the Purchasing Director be and he is hereby directed to advertise, as provided by law, for sealed proposals for the construction of the Neighborhood Development Area No. 1 Storm and Sanitary Sewer Separation, PS 35027 in accordance with the plans and specifications on file in the office of the City Engineer. Proposals to be received up to 3:00 P.M., Local Time, Tuesday, March 1st, 1977.

Each proposal to be accompanied with a certified check or bidders bond in the sum of 5% of the proposal.

Right is hereby reserved to accept any proposal, to reject any or all proposals and to waive defects in proposals.

No bids may be withdrawn after the above date and time for receiving bids for a period of Forty-Five (45) days.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That the appointment of Wesley Hoes to serve on the Human Resources Advisory Board for a term expiring June, 1980, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the appointment of Daniel Balasses to serve as the representative from the Board of Water and Light to the Board of Elecrical Examiners for a term ending June 30, 1979, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Mr. Ernest Aldridge; legal owner, and Kassouff Realty and American Bank and Trust Company, interested parties, of 328 S. Butler St., further described as:

S ½ of Lot 21, Block 10, Bush, Butler and Sparrow Addition

did submit a written request to the Building Commissioner to demolish and remove a condemned residence located at the above address, and that all costs be applied to the property tax roll,

Now, Therefore, Be It Resolved, that the Building Commissioner is authorized to proceed with the demolition and removal of the structure, grading and filling the site, and that the Purchasing Agent is authorized to proceed with obtaining quotations for this work.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, Irene Sackett started many years of dedicated service to City of Lansing on November 10, 1943; and

Whereas, her first position was secretary to both Mayor Ralph Crego and City Attorney, Charles Van Note; and

Whereas, she performed those joint duties until July 1, 1961 at which time she transferred to the Law Department; and

Whereas, Irene Sackett continued as secretary to the City Attorney until her retirement which is to be February 8, 1977;

Now, Therefore, Be It Resolved that the City of Lansing does at this time honor Irene Sackett for her many years of dedicated service to the City with the presentation of this resolution from the Mayor and Ciy Council.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council did by resolution on January 3, 1977 extend free parking in the South Washington Mall through the month of January, 1977;

Now, Therefore, Be It Resolved that free parking in the South Washington Mall be extended through February, 1977, to enable the Traffic Department to complete an analysis of the free parking on South Washington Mall during this test period.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, on December 30, 1976, the appointment of Frederick L. Stackable as Acting City Attorney was confirmed to serve until February 1, 1977;

Now, Therefore, Be It Resolved that it is the belief of the City Council that the Mayor will make an appointment of a City Attorney in the near future, the term of office of Frederick L. Stackable as Acting City Attorney be extended to February 28, 1977.

By Councilman Belen—

That the resolution be amended as follows: that after the word "Future" in the fourth (4) line the word "Therefore" be added.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, pursuant to Ordinance 441 the Director of the Department of Public Safety of Lansing Community College has requested that the following persons be designated to enforce Section 31-77.4 of the Code of Ordinances which section delineates parking provisions on Lansing Community College property:

Ronald E. Roush, Director of Public Safety

Saide Abdo, Public Safety Supervisor

George Godby, Parking Supervisor

Gerald Duffy, Public Safety Officer

Mark Achtenberg, Public Safety Officer

Paul Pirrotta, Public Safety Officer

Brian McManus

Lowell McKenzie

Jack Snoor

Lee Norris

Joan Lonier

David Nealey

Rich Hawkings

Bryan McKenzie

Vicky Bogle

Randy Carpenter

Debra Eiseler

Dennis Aven

Jeff Maltby

Nate Thompson

Tim Fox

Phillip Grow

Bryan King

and

Whereas, these people will be responsible for affixing violation notices on motor vehicles, trailers, or watercraft parked or placed in violation of said ordinance; and

Whereas, City Council has found such personnel are of suitable capacity; now, therefore, be it

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Resolved, that the aforementioned people be authorized to affix violation notices on motor vehicles, trailers, or watercraft found placed or parked in violation of Ordinance 441 of the City of Lansing.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Baker—1.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, modernization of the Civic Center is necessary to provide a more adequate community service center for the citizens of Lansing and to improve the economic viability and competitive posture of this center for convention purposes, and

Whereas, the modernization of the Civic Center is closely related to the construction of the Senior Citizens wing and the combined project will provide the most economical return to the City, and

Whereas, significant additional delays will add to the cost proopsals currently estimated by the architect,

Now, Therefore, Be It Resolved that the City Council approves Civic Center construction modernization project including the Senior Citizens Center Addition as proposed in the Warren Holmes & Kenneth Black Company, Inc. memorandum dated January 13, 1977 attached and hereby transfers the necessary funds in the amount of $2,265,550 from account No. 101-000-000-390 General Fund Balance to No. 101-936-759-976 Civic Center Renovation.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Nays: None.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, during the implementation of the Residential Rehabilitation Loan Program, the Building Department and the Housing and Redevelopment Department have encountered situations in which work required to rehabilitate structures to the level required by the Physical Development Plan can only be accomplished by exceeding the financial limits of $4,000 for grants and $6,000 for loans, and

Whereas, the Physical Development Plans for Neighborhood Development Areas No. 1 and 2 both provide for an unstated degree of flexibility on the part of the administrators in interpreting the amount by which said financial limitations my be exceeded, and

Whereas, the Finance Department will now support a loosening of the financial limitations in an effort to thoroughly rehabilitate structures to the Rehabilitation Standards level,

Now, Therefore Be I Resolved by the Lansing City Council that the Executive Assistant to the Mayor for Community Development, the Community Development Fiscal Officer, and the Housing and Redevelopment Director are hereby authorized to approve loans and/or grants for rehabilitation work to the level of cost required to accomplish Rehabilitation Standards work items.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas the City Council, at their meeting of December 1, 1975 rezoned the property located at 3005 South Logan, 3007 South Logan, 1000 Loa, 1004 Loa, 1010 Loa, 1011 Dunlap, 1001 Dunlap, and 925 Dunlap—file No. Z-50-75; and

Whereas the zoning change was based upon:

A landscape, screening and fencing plan be submitted to and approved by the Planning Department prior to the issuance of Building Permits. The plan shall reflect a decorative masonry wall along the east property line and egress and ingress to the site shall be subject to review and approval by the Traffic Engineer; and

Whereas the property owners have requested a modification to the fencing requirements along the east line. Said modification would consist of constructing a five foot (5') high chain link fence with dense evergreen plantings in place of a decorative masonry wall; and

Whereas the Planning Board, at their meeting of January 18, 1977, recommended approval of the requested change; and

Whereas the Planning Committee of Council has reviewed the request and the recommendation of the Planning Board and concurs with the requested change;

Now, Therefore, Be It Resolved that the amendment to the fencing requirements along the east line of the property located at 3015 South Logan Street be approved in accord with the plan on file in the Planning Department.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That we concur with the recommendation of the Job Moratorium Appeals Committee made at their meeting held on January 21, 1977, as follows:

Fire Dept.: Approve the filling of three Fireman I vacancies effective 2-1-'77.

Law Dept.: Approve the filling of one Attorney X vacancy and one Legal Intern V vacancy.

City Clerk: Approve the filling of one Clerk IIIA vacancy.

Finance Dept.: Approve the filling of one Accountant VII vacancy.

Civic Center: Approve the filling of one Custodian II vacancy.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-58-76 — N.E. corner of Haag Rd. and So. Logan St.,

be re-zoned from "A" One Family Residence District to "D" Professional Office District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 21st day of February, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-59-76 — 839 No. Pennsylvania Avenue,

be re-zoned from "C" Two Family Residence District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 21st day of February, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

INTRODUCTION OF ORDINANCE(S)

The following ordinance(s) of the City of Lansing, Michigan providing that the Code of Ordinances be amended by:

Adding a New Section 31-77.5 to Code (The City of Lansing Traffic Department will supply the appropriate parking tickets and all fines will be paid into the Parking Revenue Account).

was introduced by Councilman Belen, read a first and second time by its title(s) and referred to the Committee on Ordinance and Contracts and City Affairs.

By Councilman Blair—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Councilman Blair and Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the severity of the winter weather has created an energy crisis in this region of the country; and,

Whereas, increasing attention must be paid to improve energy efficiency in structures; and,

Whereas, the City of Lansing and the State of Michigan need to plan now to circumvent any future energy crisis, such as the State of Ohio is experiencing; and,

Whereas, energy conservation devices are currently being tested by Michigan Consolidated Gas; and,

Whereas, these test devices have proved to effect a considerable savings in gas such as:

Reduced Orifice	9.99% savings
Blastgate	20.94% savings
Auto Damper	23.64% savings
Electronic Ignition	3.54% savings
Two State Valve	10.61% savings

and;

Whereas, the building codes of the City of Lansing and of the State of Michigan may be in need of some minor changes to permit the installation of fuel saving devices or new fuel conservation construction techniques;

Now, Therefore, Be It Resolved that the Mayor and Members of the Council request Mr. Kzeski, Building Commissioner, to review that portion of the Lansing Building Code that pertains and recommend any changes that are necessary to allow the installation of energy saving devices and techniques providing that such changes are in accordance with approved State and Federal legislation; and,

Be It Further Resolved that the Mayor and Members of the City Council strongly urge area Legislators to begin planning for changes in the State of Michigan Building Code to allow for the installation of fuel saving devices and the application of energy conserving construction techniques in structures; and,

Be It Further Resolved that the Planning, Redevelopment, Public Service, Human Resources and Community Development Directors or their representativse be established as an Ad Hoc Committee to develop a plan for energy conservation in structures, said plan to be presented to the Mayor and City Council no later than March 1, 1977; and,

Be It Finally Resolved that the Building Commissioner be Chairman of the Energy Conservation Planning Committee.

Councilman Adado left the session.

By Councilman Baker (Belen)—

That paragraph nine (9) be changed to read as follows:

"Be It Further Resolved, that the Public Service Director and the Building Commissioner, or their representatives, be established as an Ad Hoc Committee to develop a program for energy conservation in all city owned structures, said program to be presented to the Mayor and City Council no later than March 1, 1977, and

That the last paragraph be deleted.

The amendment was adopted by the following vote:

Unanimously.

The resolution as amended was adopted by the following vote:

Unanimously.

Councilman Adado returned to the session.

W. H. Smith, 1301 W. Hillsdale St., spoke relative Public Improvements II as to Hillsdale St.

Wm. Thomas, 321 N. Jenison Ave., spoke.

By Councilman Gunther—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:58 P.M.

Re: Claim of Trent C. Bushnell

Dear Mayor and Council:

On November 4, 1976, Trent C. Bushnell filed a claim with the City of Lansing regarding damages incurred to his home located at 2606 Hazelwood Drive, Lansing, Michigan, when a City Forestry crew dropped a tree it was removing which caused panels of aluminum siding to be pulled from the house. Mr. Bushnell alleges that the original siding cannot be replaced. When he first filed his claim, Mr. Bushnell failed to submit the amount of damages he was requesting. Since then he has requested a settlement in the amount of $922.50.

The City itself is immune from liability because it was performing a governmental function not excluded from governmental immunity. MCLA 691.1401 et seq; MSA 3.996(101) et seq.

Since the City is not legally compelled to reimburse Mr. Bushnell for his damages, it follows that the legal conclusion must be that his claim be denied.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By Councilman McKane—

That this be referred back to the City Attorney for negotiation with the property owner and report back to Council at a later date.

Adopted by the following vote:

Unanimously.

February 1, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one JoAnn Stewart to Riverside Hospital on August 24, 1976.

Honorable Mayor and

Members of City Council

Re: Planning for Development of Crego Park:

Gentlemen:

The Federal Government through the Department of Interior annually appropriates money for "Land and Water" park improvement projects. Funds earmarked for Michigan are administered through the DNR, and have been used for the purchase of Sheffield, and the improvements to Riverfront Park. Other Federal Public Service Employment projects, and grant programs have provided for improvements to Davis Park and Kingsley, and the acquisition of Riverfront and Crego.

In order to best plan for the utilization of federal funds we must develop Master Plan designs, and study the maintenance and operation aspects of projects which may be eligible for funding. With these detailed studies completed we will be able to apply for assistance, based on the city's ability to budget matching funds. Once approved, implementation will not be delayed by a lengthy period of preliminary planning.

The project meeting most federal criteria for funding is the development of Crego Park, including Fidelity Lake as a swimming beach. The park will relate to the development of Fenner Arboretum and with direct linkage to Potter Park. Major pic-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

nic facilities, trails, areas for field sports, fishing, and canoe and food concessions are feasible.

In order for the city to take best advantage of federal projects, and to assure orderly development within our financial limitations, we are recommending that such a study be conducted on Crego Park. This will include a Master Plan, cost estimates, and construction phasing plans, along with hydrological studies on the river and the lake. Consideration will also be given to the Board of Water and Light lime-pits and their relationship to the park.

Once this study is completed we will be better prepared to direct the YCC Summer work project, C.E.T.A. labor grants, and Federal Capitol Improvement money for an orderly development.

It is further recommended that $12,000 be appropriated for this study. The cost has been determined by computing a standard fee per acre of developable land, and one for natural areas; with separate costs delienated for the lake, and the linkage to Potter. An Architect/Engineer firm will be selected based on their experience in the design and implementation of a project of this scope.

Sincerely,

DOUGLAS FINLEY,
Director,
Park and Recreation.

GEORGE LOKKEN,
Program Coordinator.

Referred to Committee on Parks and Recreation.

January 28, 1977

Honorable Mayor Graves and

Members of City Council

Re: Free Saturday Parking in the Washington Mall

Gentlemen:

The City of Lansing Parking Revenue Bond Ordinance, dated May 31, 1966, Section 20 (k) states, "The City of Lansing shall not furnish any free service of the System to any person, firm or corporation, public or private, or to any public agency or instrumentality." The system is defined in the Ordinance as, "all existing street parking spaces . . . , all existing off-street parking facilities . . . , and all off-street parking facilities hereafter acquired or constructed or hereafter improved, enlarged and extended, and street parking spaces where fees or charges are collected . . . which might hereafter be acquired . . . , known as the City of Lansing Automobile Parking System . . ."

Therefore free parking cannot be provided in the Washington Malls or any other of the Parking System facilities where fees are currently being charged or have been charged since passage of the Revenue Bond Ordinance. The only exception to this is if a facility is "determined by the City to be unserviceable, inadequate, obsolete, worn out, unfit to be used or no longer required for use in the operation of the System." The Parking System is required to charge a fee for services provided, whether the fee is paid by the parker or by a private property owner or property owners wishing to provide their customers with a free service.

The Traffic Board is unanimously opposed to any action which would require the Parking System to be subsidized by the City of Lansing General Fund. In view of the projected deficit budget submitted for FY 77-78, the Traffic Board recommended that, "City Council review its policy of allowing free parking at city owned facilities, and review the parking rates, . . . with the purpose of reducing and hopefully eliminating the projected operating deficit."

Allowing free parking in the Washington Malls on Saturdays would, in addition to violating the Revenue Bond Ordinance, result in a financial loss to the Parking System. Average Saturday income for the three Mall lots during 1976 was $385 per Saturday, or $20,000 annually. Annual expenses to operate the three Malls on Saturday is $12,210. This includes five attendants, costs for the tickets and night envelopes, and depreciation of the tickets dispensers. We have revised the work schedules so that overtime is no longer paid to the mall attendants. Free Saturday parking would result in a net loss to the Parking System of $7,790 annually, and would necessitate a reduction in staff of one mall attendant.

A secondary impact of allowing free parking will be, I believe, an increase in the number of long term parkers in the mall lots. This will reduce the number of spaces available for the short term parker, who is the shopper.

Sincerely,

RAYMOND O. SEVERY,
Traffic Engineer.

Referred to Committee on Buildings and Properties and Committee on Public Safety.

Planning Department submits the Capital Improvements Program for 1978-1983.

Referred to Committee of the Whole.

January 31, 1977

Honorable Mayor Gerald W. Graves

Lansing City Council Members

10th Floor, City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

On November 22, 1976, a Community Centers Study Ad Hoc Committee was established by Council resolution to "complie

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

all available information and to make specific short-range and long-range recommendations to the Council pertaining to a balanced recreational program throughout the city, including but not limited to the possible planning, locating, building and financing of community and recreation centers." Members of the committee include the Program Coordinator (Chairman), the Parks and Recreation Director, the Planning Director and the Finance Director.

The first committee meeting was held on January 20, 1977 to discuss the direction of the committee's activities and relevant issues impacting the proposed study of community centers, recreational facilities and alternatives to community centers. After much discussion the following determinations were made:

1. That the request for a study of this nature was premature, based upon the lack of background data delineating the potentiality of existing community center uses, i.e., Kingsley Place and Gier Park Community Centers.
2. That a study be made of alternative recreational sources within the geographic areas, including utilization of the Lansing School District facilities. The school district has prepared a school district utilization study that could serve as supportive data to any study that may be conducted by the City of Lansing.

The committee agreed that to undertake a study of this magnitude and to compile and make recommendations on existing and future community center uses and recreational facilities was above and beyond the capabilities of the Office of the Program Coordinator.

The Community Centers Study Ad Hoc Committee recommends: (a) that the study pertaining to the analysis of and requirement for existing and future Community Centers be the specific responsibility of the Parks and Recreation Department with research and data collection to be provided by the Planning Department as appropriate and in coordination with the Parks and Recreation Department; and (b) that the City Council accept this preceding recommendation and adopt a new resolution specifically designating the Parks and Recreation Department to conduct the above identified studies and submit to the Mayor and City Council no later than November 1, 1977 the results of these studies, said studies to be incorporated in one comprehensive document to be prepared by the Parks and Recreation Department. The proposed resolution is attached.

Respectfully submitted,

Community Centers Study
Ad Hoc Committee

GEORGE S. LOKKEN,
Chairman,

JAMES W. DOWSETT,
DOUGLAS P. FINLEY,
ALAN E. TUBBS.

Referred to Committee of the Whole.

February 3, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the Final Preliminary Plat of Concord Village No. 4, recommends that said plat be approved as storm and sanitary sewers are available to serve this site.

Respectfully submitted,

BARBARA GARLOCK,
Secretary.

Referred to Committee on Public Service and Highways.

February 3, 1977

ACT-1-77

City Parking Lot No. 10

Honorable Mayor and

Members of City Council:

Re: Offer To Purchase City Parking Lot No. 10

The Planning Board, at their regular meeting of February 1, 1977, voted to advise the City Council to turn down an offer to purchase Parking Lot No. 10 made by G. L. Johnson and Associates on behalf of Harvey T. Chadwell. The vote was unanimous. The reasons given for this action were:

1) The Public Service Department has proposed a storm water retention basin for the area. The retention basin area may include parking lot No. 10.
2) The Parks and Recreation Department asked that the parking lot be retained for Bouchard Park parking.
3) Plans designed for the Community Development Program have incorporated this lot as public parking for the commercial businesses in the area.
4) All of the above plans can be coordinated.

If you should have any questions, please feel free to contact Mr. Acheson of my staff or myself.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

February 3, 1977

LS-1-77

1626 Glenrose

Honorable Mayor and

Members of City Council:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The Planning Board, at their meeting of February 1, 1977, recommended that the request of L. R. Baas to divide the north 79 feet of the west 170-2/3 feet of Lot No. 5 of Assessor's Plat No. 12, City of Lansing, Ingham County, Michigan, into two (2) parcels be approved.

The two parcels created would be below the minimum requirements of the Subdivision Ordinance by having a lot depth of only 85 feet; minimum Code requirements are 100 feet. This lot division would create two parcels described as follows:

Parcel A—The north 79 feet of the west 170-2/3 feet of Lot No. 5 except the west ½ thereof.

Barcel B—The north 79 feet of the west 170-2/3 feet of Lot No. 5, except the east ½ thereof.

The Planning Board found that the proposed split is not out of line with development in the area and that the total lot area meets he minimum requirmens of the Zoning Code.

This recommendation is made with unanimous support of the Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

February 3, 1977

Z-60-76

5724 Kaynorth Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of February 1, 1977, did not recommend a change in zoning from "A-1" Family Residential District to "F" Commercial District for the property located at 5724 Kaynorth Road. The Zoning and Ordinance Committee of the Planning Board recommended that the property be rezoned from "A-1" Family Residential District to "F" Commercial District subject to the following:

1) That the east 20 feet of Lot 9 remain undeveloped and be maintained as a landscaped buffer strip.
2) That vehicular access to the site be limited to South Cedar Street and no curb cuts permitted on Kaynorth Road.
3) That no structures be constructed in the Weigman Drain Easement.
4) That site development plans be submitted for approval by the Planning Department, Public Service Department and the Traffic Engineer, including;
   a) location and use of buildings,
   b) location and layout of parking areas,
   c) number of parking spaces,
   d) landscaping, screening and fencing, and
   e) final grade
5) That landscaping and screening be subject to review and approval by the Planning Department and be completed prior to the issuance of Occupancy Permit.

This recommendation received a 4 yeas, 3 nays vote of the Board members. The members of the Board who voted in favor of this request felt that the request for commercial zoning was reasonable since it fit into the existing strip commercial pattern along South Cedar Street. They also felt that the conditions outlined in the committee Report provide adequate protection to the adjacent residential area.

Those members voting in opposition to the request felt that there should be more specific plans submitted for development of the site prior to a favorable recommendation on the zoning. They also found that sidewalks did not exist along either side of Kaynorth Road, which is directly to the east of this property, and felt that sidewalks should be installed if more intense use was made of this land.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

February 7, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

On January 17, 1977, I forwarded to you a copy of the attached communication. To date, you have unfortunately chosen to not resolve the key legal questions pertaining to the Office of the City Attorney. Instead, you have together, and individually, advised:

—That "the past practice of elevating an individual from within the City Attorney's Office to the position of City Attorney must continue," to retain what has been called "continuity";

—That no individual would be acceptable to the City Council for the position of City Attorney, except the present Chief Assistant City Attorney;

—That no more extensions would be granted by the City Council for the purpose of selecting a City Attorney.

This approach is not totally accurate in that former Mayor's appointments for City Attorney have been from outside City Hall, and when I appointed Oskar Hornbach to serve as City Attorney, he, too, came from outside City Hall. The notification to me as of Monday, January 31, that a temporary attorney would not be extended, eliminates

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

my opportunity to interview a minority, a handicapped individual, an individual with substantial trial experience, an individual with more than 20 years of experience with the Attorney General of the State of Michigan, and several others who have applied for the position. It is interesting to note, too, that contrary to the opinion of the past City Attorney, that an individual appointed to the post of City Attorney must have been a voter and resident of the City of Lansing for at least one year, Michael F. Cavanaugh, who now serves as a Michigan Court of Appeals Judge, was originally employed by the City in May of 1967 — he registered to vote on July 13, 1967 — and, was appointed City Attorney on October 2, 1967, and then served for approximately 18 months in that capacity.

Because of your stance, and because the Office of the City Attorney cannot continue without a permanent City Attorney, I am submiting o you for confirmation the name of Timothy W. Sanderson for the position of City Attorney. Mr. Sanderson presently serves as the Chief Assistant City Attorney. He is a very dedicated young man, with a unique ability to research and to analyze. However, his courtroom experience is very limited, even though he has represented the City in Workmen's Compensation cases, has appeared before the Tax Tribunal, submitted Appeals to the Michigan Court of Appeals, and several other matters. In my discussions with Mr. Sanderson, I was pleased to know of his awareness of the need for an assistant with trial experience. Also, I have recommended to him the need of having an attorney on the staff of minority background.

Attached is a copy of the resume of Timothy W. Sanderson.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public health and necessity to construct a storm sewer to be known as the Aurelius Road Storm Sewer Outlet, whose route is described as follows, and that the construction of this improvement is hereby ordered.

Route Description:

Beginning at a point on Aurelius Road approximataely 500 feet north of Irvington Avenue, then on a 35 ft. easement across private property 660 ft. west and 462 ft. north to E. Holmes Road; then west on Holmes Road approximately 100 ft., then north on existing sewer easement across Ruth Street Extended and west into Scott Woods Lake.

And Further, that the estimated cost of this project is $100,000.00. $85,000.00 will be financed from City Storm Sewer Account 101-936-617-973 and the remaining $15,000 will be paid by Provincial House, Inc.,

Be It Further Resolved, that the Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for this project, and it is further directed to estimate in detail, the cost of said project and to furnish said information to the City Council.

Adopted by the following vote:

Unanimously.

Adopted by the following vote:

Unanimously.

By Public Service and Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Human Resources Department entered into a Contract (Cooperative Agreement) on the 29th day of September, 1975, effective from October 1, 1975, through June 30, 1976, with the Board of Public Service of the City of Lansing to provide for a Program of Solid Waste and Garbage Pick-up service, and;

Whereas, the City of Lansing through the Human Resources Department desires to amend said Contract by appropriating residual funds to increase the maximum compensation from $100,000.00 to $129,000.00 which are available from the Model Cities Grant, and;

Whereas, the United States Department of Housing and Urban Development has approved such action;

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby directed to sign said proposed amended Contract (Cooperative Agreement), after approval as to form by the City Attorney and certification as to the availability of funds by the Director of Finance of the City of Lansing.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, Hull, McKane—6.

Nays: Councilman Baker, Blair—2.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an Agreement to provide for the planning and delivery of Manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title I, Work Experience Project, Contract No. 889.32; and

Whereas, the City of Lansing has received funds in the amount of $81,055.00 to serve a total of fifty-eight (58) participants; and

Whereas, the effective dates of this Agreement are February 9, 1977 through September 30, 1977;

Now Therefore Be It Resolved that the City Council approve the above stated contract and authorize the Mayor and City Clerk to sign said contract.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an Agreement to provide for the planning and delivery of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title I, Lansing Parks Beautification Project, Contract No. 889.33; and

Whereas, the City of Lansing has received funds in the amount of $267,882.00 to serve a total of 172 participants; and

Whereas, the effective dates of this Agreement are February 9, 1977 through September 30, 1977;

Now Therefore Be It Resolved that the City Council approve the above stated contract and authorize the Mayor and City Clerk to sign said contract.

By Councilman Gunther—

That in paragraph 2—line 2 the amount be changed to read $248,860.00.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on May 29, 1975, that the building located at 6345 Grovenberg Rd., Lansing, Michigan, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to Brothers Land Developers owner, as appears from the last local tax assessment records, requesting him to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held January 13, 1977, at which hearing Brothers Land Developers, did appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore be it

Resolved, that a hearing be scheduled for February 28, 1977, at 7:00 p.m. o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now therefore be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on March 6, 1975, that the building located at 1424 Reo Ave., Lansing, Michigan, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to James Ward, owner, as appears from the last local tax assessment records, requesting him to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held January 13, 1977, at which hearing Mr. Ward's representative did appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore be it

Resolved, that a hearing be scheduled for February 28, 1977 at 7:00 p.m. o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now therefore be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, re-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

turn receipt requested, to the said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on September 24, 1976, that the building located at 1926 W. Holmes Rd. (3 buildings), Lansing, Michigan, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to Virginia Badgley, owner, as appears from the last local tax assessment records, requesting him to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held January 13, 1977, at which hearing Mr. Cassius E. Street (attorney), did appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore be it

Resolved, that a hearing be scheduled for February 28, 1977 at 7:00 p.m. o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now therefore be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

3000 block So. Cedar St.

Whereas, Burnetta A. Terrill Reilly deeded to the City of Lansing by warranty deed the west 20 feet of the east 141.5 feet of the north 160⅛ feet of Lot 1, Block 1, Plat of Oak Crest Subdivision which deed was recorded February 8, 1956 at Liber 715, Page 559, with the Register of Deeds of Ingham County; and

Whereas, the City of Lansing intended to use the property for alley purposes; and

Whereas, the property was not a dedicated alley; and

Whereas, the deed recorded February 8, 1956 does not contain a reverter clause; and

Whereas, the City of Lansing no longer wishes to retain ownership of the property; and

Whereas, on January 3, 1977, the City Council unanimously agreed to sell by quit claim deed to the highest bidder the west 20 feet of the east 141.5 feet of the north 160⅛ feet of Lot 1, Block 1, Plat of Oak Crest Subdivision; and

Whereas, said description was incorrect and should read "the west 20 feet of the east 141.5 feet of the north 150.125 feet of Lot 1, Block 1, Plat of Oak Crest Subdivision"; now, therefore, be it

Resolved, that the description of the January 3, 1977 resolution be and is hereby corrected as set forth in the preceding paragraph; and, be it

Further Resolved, that the west 20 feet of the East 141.5 feet of the north 150.125 feet of Lot 1, Block 1, Plat of Oak Crest Subdivision be sold by quit claim deed to the highest bidder.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the Petition to the Ingham County Drain Commissioner for cleaning out, relocating, widening, deepening, straightening, extending, tiling, interconnecting, adding branches thereto, connecting branches thereto, and otherwise improving the existing Montgomery Drain Extension, be approved, and

That the Mayor and City Clerk be directed to sign said Petition and forward to the Ingham County Drain Commissioner for his consideration.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Danford Cleaners has requested to purchase the east 40 feet of the property described as:

Commencing 291 feet west and 33 feet south of the northeast corner, Section 32, thence south 200 feet; thence west 164 feet; thence north 200 feet; thence east 164 feet to the point of beginning, Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan;

and

Whereas, this request was referred to the Planning Board for review and report in accord with Act 285, Public Acts of 1931; and

Whereas, the Planning Board, in conjunction with the other public agencies, reviewed this matter and recommended that the request be denied as filed, and further recommended that the east 40 feet of the north 113.25 feet of the above described property be approved for sale to the owners of Danford Cleaners for the purpose of allowing them to expand their existing commercial business; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith; and

Whereas, the property involved is not being used nor does it have any prospect of being used for public purposes; and

Whereas, the assessed valuation of the property involved is less than Five Thousand Dollars ($5,000) or is so appraised by the Assessor, thereby making it unnecessary to seek the approval of the electors under Lansing Charter, chapter 14, §14.3(d); now, therefore, be it

Resolved that the Council of the City of Lansing authorizes the sale of the east 40 feet of the north 113.25 feet of the above described property to the owners of Danford Cleaners for the purpose of expanding their existing commercial use; and be it further

Resolved by the City Council of the City of Lansing, that pursuant to Lansing Charter, chapter 14, §14.3(d) the resolution attached hereto be placed and remain on file in the Clerk's office for public inspection for thirty (30) days beginning February 8, 1977 and that the Clerk place the attached resolution on the agenda for the Council meeting of March 14, 1977; and be it

Finally Resolved that upon passage of this resolution the City Council shall initiate a zoning application for this property which will rezone it from its present "A-1" residential district classification to "F" commercial district.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, three public hearings have been conducted to receive citizen comments, recommendations and the review of proposed projects and budgets for the Third Program Year Community Development Block Grant Application on August 23, 1976, November 3, 1976, and January 17, 1977; and

Whereas, the Planning Board on October 25, 1976, the Mayor on December 20, 1976, and the City Council on November 15, 1976, selected program priorities; and

Whereas, the program, projects and budget for the Third Program Year have been on file in the City Clerk's Office since February 3, 1977; and

Whereas, the contents of this document will be incorporated into a Community Development Block Grant (CDBG) Application format required by the U.S. Department of Housing and Urban Development (HUD) for submission to the Detroit Area Office of HUD no later than April 1, 1977;

Now, Therefore Be It Resolved, that the City Council adopts the program, projects and budget on file in the City Clerk's office to be prepared in the HUD format required and directs the Mayor and City Clerk after satisfactory review, to sign the appropriate documents concerning the Community Development Block Grant Application for the City of Lansing.

By Councilman Belen—

That this be referred to the Committee of the Whole.

Carried.

By Councilman Baker—

That this plan as presented be sent to the Tri-County Regional Planning Commission and the A-95 review.

Carried.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through a series of contracts with Building In Lansing's Development (BILD), a non-profit corporation, has participated in the project commonly known as Capitol Commons, and

Whereas, the most recent contract with BILD is scheduled to expire on March 31, 1977, and

Whereas, the U. S. Department of Housing and Urban Development has issued Notice CPD 77-1 which prohibits the use of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Community Development Block Grant funds to acquire real property by non-profit organizations or any other private parties, and

Whereas, the City of Lansing has, on several previous occasions, indicated its support of the Capitol Commons project, and recognizes that a massive investment of public funds has already been made in this project,

Now, Therefore Be It Resolved by the Lansing City Council that the Executive Assistant for Community Development, the Community Development Fiscal Officer, the City Attorney (or his authorized representative), and the Housing and Redevelopment Director are hereby authorized and directed to work with BILD staff to transition BILD assets to the City of Lansing as required by the terms and conditions of the now expiring contract and the HUD regulations pertaining to Community Development, and

Be It Further Resolved that the Planning Board is hereby charged with the responsibility of formulating options for the future of Capitol Commons for review and approval by the Lansing City Council no later than March 14, 1977. In preparing their recommendations, the Planning Board shall consult with the above named city administrators and BILD staff.

Adopted by the following vote:

Unanimously.

By Councilmen James D. Blair, Richard Baker and Robert Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has provided approximately four thousand metered parking spaces for the general community and one parking space specifically for the handicapped in the downtown central business district; and,

Whereas, Lansing Community College has provided approximately thirteen hundred parking spaces for its student population, including 9 reserved parking spaces for the handicapped; and,

Whereas, many other local governing units and colleges throughout the state recognize the problem of mobility and accessibility to public and private facilities by the handicapped, and have attempted to respond to the needs of the handicapped by providing parking spaces in close proximity to facilities; and,

Whereas, the City of Lansing encourages all people to shop and conduct business in our central city;

Now, Therefore, Be It Resolved that the City Council of the City of Lansing hereby establishes three additional parking spaces for the handicapped; one space to be located in each of the three South Washington Avenue Mall lots, and at regular parking rates; and,

Be It Finally Resolved that the Traffic Engineer and the Parking Supervisor are directed to take appropriate action to provide signs and markings for establishing one parking space per lot in the South Washington Mall Avenue lots for the handicapped.

By Councilman Adado—

That in paragraph 5—line 2 the word "Additional" be deleted and the word "Designated" be inserted.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing's grant applications for Public Works monies were denied by the Economic Development Administration; and,

Whereas, these grant applications were for public improvements as follows:

Lansing Civic Center Construction/Modernization	$2,598,000
North Lansing Historic & Recreational Development	966,306
Riverfront Development	1,701,050
Basic Parks Construction	263,705
Aurelius Road Construction	1,062,100
Aurelius Road Bridge	279,500
Moores River Drive Reconstruction	279,000
Lansing Street Paving	940,240
East Michigan Avenue Development	454,870
Convention Hall and Parking Ramp Construction	3,886,597

and,

Whereas, EDA's denial for funding of these projects was based primarily upon evaluation criteria that Lansing's unemployment rate and the number of unemployed were not sufficient, when compared with other applications, to permit EDA to approve Lansing's grant applications; and,

Whereas, the rules and regulations pertaining to Public Works grant applications provided that 30% of the total monies ap-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

propriated by Congress would be granted to those governmental entities below the national unemployment average which was 7.3% for the April, May and June evaluation period; and,

Whereas, the City of Lansing's unemployment rate for the months of April, May and June averaged 8.6% which was appreciably higher than the national unemployment average of 7.3%; and,

Whereas, it was the intent of the legislation that resulted in the passage of the Public Works Act of 1976 to provide monies for Public Works construtcion projects to cities above the national unemployment average of 7.3%; and,

Whereas, the State of Michigan's allocation for these Public Works monies totaled $158,090,415; and,

Whereas, $47,429,124 of these funds were awarded to governmental entities in Michigan with unemployment rates less than the City of Lansing; and,

Whereas, it appears the awarding of these grants was uneven and irrational;

Now, Therefore, Be It Resolved that the Mayor and Council of the City of Lansing strongly protest the inequities that apparently existed in the policy criteria as established by Congress and executed by EDA to establish the basis for the awarding of Public Works grants under the Public Works Act of 1976; and,

Be It Further Resolved that the Mayor and Council of the City of Lansing respectfully request that the President and Congress take what action is necessary to insure that the Public Works Act of 1976 be so amended to preclude the inequities that arose out of the criteria established for the initial funding of Public Works projects under the Act; and,

Be It Finally Resolved that a copy of this resolution be sent to the Office of the President, Senators Griffin and Riegle, Representative Carr, the Economic Development Corporation and to the Public Works Committee of the U. S. House of Representatives.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council on November 1, 1976 directed the Department of Parks and Recreation, and the Property Manager to proceed with obtaining an option and appraisals for land on Northrup Street to be used for park purposes, and

Whereas, funds for this purchase were provided in the Samuel and Rebecca Beck Trust fund, with the balance to be left in the trust and the income to be used for future development, and

Whereas, the appraisals have been completed and values reported by the appraisers justify the purchase price, and

Whereas, the Planning Board has received the proposed acquisition and has recommended the property be purchased for park use,

Now Therefore Be It Resolved, the funds appropriated in the account 712-936-806-971 in the amount of $22,703 be authorized for the title search, appraisal, and acquisition of property fronting Northrup Street to be called Beck Park.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council of Lansing established a Special Committee on Taxation to review and make recommendations regarding policies and procedures involved in the development of City of Lansing programs and tax rate, and

Whereas, the Special Committee on Taxation presented its report and recommendations to the City Council on January 3, 1977, and Whereas, the Committee of the Whole has reviewed the report and recommendations and concurs with the need for action, and

Whereas, the Council desires to provide policy guidelines for the development of the Fiscal 1978 budget, and

Whereas, it is essential that the City Council first establish a timetable and procedure for policy development, and

Whereas, it is essential that the City Council establish a timetable and procedure for policy development in financial and planning matters in order to insure the timely articulation of policy to direct the Mayor in formulation of the budget.

Therefore, Be It Resolved, that the City Council adopt the timetable specified in Item 10 of the report of the Special Committee on Taxation, and

Be It Further Resolved, that reports from the Finance Department, Internal Audit Staff and Planning Department, be provided to the Council in accordance with this timetable.

Be It Further Resolved, that the Unappropriated Fund Balance henceforth be identified as Stabilization Fund and that the Stabilization Fund be utilized in accordance with the guidelines specified in Item 9 of the Report of the Special Committee on Taxation.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Be It Also Resolved, that the City Council establish a general Building Fund of $1,000,000 as a basis for future projects, a $500,000 fund for the institution of a City-wide preventive maintenance program for buildings & properties, a maximum $1,000,000 Capital Improvements Program for FY 77-78 in addition to any expenditure for renovation of the Civic Center, and establish $500,000 level Reserve for Emergencies within the operating budget.

Be It Finally Resolved, that the City Council makes no recommendation regarding the property tax levy for FY 77-78 until the Council has the opportunity to review the Mayor's recommended budget and develop the Council's recommended budget.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

JAMES W. DOWSETT,
Director of Finance.

Approved:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

By Councilman Baker—

That a division be made on the vote of the transfers.

Carried.

The following vote was taken on the transfers except the $50,000.00 item.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

That the $50,000.00 transfer relative the Miller Rd. Widening be tabled for one week.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-18-76

1300 North High Street

More particularly described as:

Lot 6, Block 1, Handy Home Addition, City of Lansing, Ingham County, Michigan.

Whereas, pursuant to Section 36.42(12) of the Zoning Ordinance, a request was made by Joyce and George Lord for approval of an adult foster care facility at

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

1300 North High Street to house six to twelve (6-12) persons; and

Whereas the Planning Board, at their meeting of January 4, 1977, held a public hearing and at their next meeting, January 18, 1977, recommended approval of the request subject to the site being improved to meet all minimum standards of the local Building, Fire, and Zoning Codes; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing officially expresses its intent to approve this Special Use Permit (SUP-18-76) as recommended by the Planning Committee for a maximum of twelve (12) adults following certification by the Building, Planning and Fire Departments that the necessary code compliance alterations have been completed on the above described property (1300 North High Street).

Adopted by the following ovte:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 15th day of November, 1976, this council was petitioned to change the following described property from "E-2" Drive In Shop District to "F" Commercial District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition and

Whereas, at such hearing held on the 31st day of January, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-54-76 — 404 South Pennsylvania Avenue,

more particularly described as:

Lots 1, 2, 3, and 4, Block 3, Lansing Improvements Company's Addition, City of Lansing, Ingham County, Michigan,

from "E-2" Drive In Shop District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to certain conditions; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "E-2" Drive In Shop District to "F" Commercial District be approved; and

Be It Further Resolved that said site plan for the development of this property shall be submitted to and approved by the Planning Department and Traffic Engineer prior to the issuance of Building Permits. Said site plan shall reflect the following:

1) The location of existing buildings,

2) Identification of ingress and egress of the site,

3) The off-street parking, and

4) A landscape, screening and fencing plan. Said screening and fencing plan shall address itself to the adjacent residential area and the trash receptacles to be placed on the site. Implementation of said landscape, screening and fencing plan shall occur concurrently with new development of the site, with completion to occur at the time building development is completed. Allowances will be given for inclement weather conditions.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $12,136,671.52.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,

Request from WJIM to park a mobile tape unit at the W. Lenawee entrance to Partington Bldg. on February 9, 1977 from 1 to 2:30 p.m.

Referred to Committee on Ordinance and Contracts and City Affairs.

REPORT OF COMMITTEE

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of Gross Telecasting, Inc. (WJIM) for permission to park a mobile tape unit at the W. Lenawee entrance to the Partington Bldg., (north side of street) from 1 to 2:30 p.m., on Wed., Feb. 9, 1977 (No Parking Zone), reports as follows:

The Committee recommends permission be granted. The Parking Division foresees no problem during the time requested. By copy of this Committee Report, the Lansing Police Department and the Parking Division be so informed.

Signed:

LUCILE BELEN,
JACK D. GUNTHER,
R. J. BAKER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the Mayor and City Council on December 6, 1976, approved the submission of Requests for Proposals to the Lansing Tri-County Regional Manpower Consortium to fund under Title I of the Comprehensive Empolyment and Training Act of 1973, as amended, two work experience projects for the purpose of developing several park sites and of cleaning and refurbishing City Hall; and

Whereas, these proposals were accepted for funding by the Lansing Tri-County Regional Manpower Consortium on January 19, 1977; and

Wheras, these proposals included one Project Coordinator VI to be employed in the Manpower office and to be funded under the Administrative Line Item of Title VI of the Comprehensive Employment and Training Act of 1973, as amended, and the following thirteen (13) additional staff personnel under Title I of the Comprehensive Employment and Training Act of 1973, as amended:

No.	Position
1	Administrative Aide **Classification**—IV **Department**—Manpower **CETA Funding**—Title I
1	Employment Counselor **Classification**—V **Department**—Manpower **CETA Funding**—Title I
1	Supervisor **Classification**—IVB **Department**—Parks **CETA Funding**—Title I
2	Draftsmen **Classification**—III **Department**—Parks **CETA Funding**—Title I
6	Group Leaders **Classification**—IIIA **Department**—Parks **CETA Funding**—Title I
2	Group Leaders **Classification**—IIIA **Department**—Manpower **CETA Funding**—Title I

and,

Whereas, the funding of all wages and fringe benefits for the above listed positions is provided for by Title I or Title VI (as indicated) of CETA with no cost to the City; and

Whereas, all positions listed herein are scheduled to terminate September 30, 1977;

Now Therefore Be It Resolved that the City Council approve the above stated positions.

Adopted by the following vote:

Unanimously.

February 7, 1977

Honorable Mayor and Members

of the Lansing City Council

10th Floor, City Hall

Lansing, Michigan 48933

Re: Performance of Law Department During January 1977

Dear Mayor and Council:

I wish to inform you of my appreciation to the personnel that workd in the City Attorney's Office during the month of January 1977.

As you know, this office has been understaffed due to vacancies created prior to my arrival. In spite of the lack of personnel, the heavy workload, and the additional problems brought on by moving the entire operation of this office from the 9th floor

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

to the 5th floor of City Hall, the work attitude and performance of all employees has been excellent. I believe this is reflected when one notes that during the past month this office has put out 24 written legal opinions. This number is the largest number ever recorded for this office in any single month.

I know that you, as members of the City Council, will join me in recognizing the extra effort put forth by all employees of this office and in saying thanks in behalf of the City for a job well done.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

Received and placed on file.

The Council recessed at 10:05 p.m. and reconvened at 10:10 p.m. for change of tape.

Councilman Blair spoke relative resolution adopted Dec. 16, 1974 relative the Logan Corridor—joint development study, and also on the memo of understanding that was presented with this, and asked that this be referred to the Committee on Planning for clarificaion as to some of the questions that were asked in the study that was made.

William Smith, 1301 W. Hillsdale St., asked about the status of the Loans and Grants of the CDC and the acquisition list.

Eric A. Gentile, 4394 Okemos Rd. a member of the Easter Seal Board and also the handicapped program thanked the Council for their action relative parking spaces and that he would work with Mr. Severy, Traffic Engineer relative signs.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 10:35 P.M.

OFFICIAL PROCEEDINGS OF
THE CITY COUNCIL
OF THE CITY OF LANSING

Proceedings, February 14, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

February 14, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Gunther.

Pledge of Allegiance was given by Julie Hough of Eastern High School.

By Councilman Gunther—

That the Council proceedings of January 31, 1977 be approved.

Carried.

Councilman Brenke asked that the rules be suspended for the purpose of presenting the following resolution in honor of Councilman Belen.

By Mayor Pro-Tem William Brenke—

Resolved by the City Council of the City of Lansing:

Whereas: In Laingsburg, Michigan, a daughter, Lucile was born to Mr. and Mrs. Christopher Belen, being one of three children, which included a brother Fred and a sister Virginia; and

Whereas: At a very early age, Lucile moved with her family to Lansing, Michigan's Capital City, where she was destined to be a person with a keen sense of responsibility, a contributor to betterment and a leader; and

Whereas: Lucile Belen was first elected as Councilman of the City of Lansing on November 8, 1955, her abilities being so recognized that her colleagues have seen fit to elect her to the important position of Mayor Pro-Tem on three different occasions, 1959, 1961 and 1974; and

Whereas: Councilman Lucile Belen has been energetic in lending her expertise to

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

numerous organizations in the fields of education, art and recreation, vigorous in her support of the interest of fellow human beings, mentally and physically, in addition to their economic well-being.

Now, Therefore, Be It Resolved, that Councilman Lucile Belen be honored on this day, Monday, February 14, 1977, for her many services to the City of Lansing, for being a lady of achievement, being the first woman member and Chairman of the Ingham Count Board of Supervisors; the first woman Chairman of the Ingham County Board of Health; the first woman Chairman of the Ingham Medical Center Board, the first recipient of the Annual Award of the Metropolitan Fine Arts Committee and the first woman recipient of the Community Service Award of the Greater Lansing Chamber of Commerce, to name a few.

Be It Further Resolved, that Mayor Gerald W. Graves, City Clerk Theo Fulton, Mayor Pro-Tem William Brenke, Councilmen Louis Adado, Jack Gunther, Robert Hull, James Blair, Terry McKane and Richard Baker, join together in paying tribute to COUNCILMAN LUCILE BELEN for her success in life and her efforts in behalf of Michigan's Capital City.

Mrs. Barbara Sutton, Coordinator, Joyce Frank, Teacher and Mrs. William Milliken, introduced the students from the 2nd grade of Haslett School who made a presentation relative Artrain which arrived at the Lansing Grand Trunk Station—South Washington Avenue on February 14, 1977. They presented the Mayor and Council each with a free ticket to the Artrain display.

One of the students presented Mayor Graves a key to "Caringtown, P.S." and making him an honorary citizen of same.

THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON NON-AGENDA ITEMS, YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ONE ITEM.

The following persons spoke:

David Harrington, 319 E. St. Joseph Street from Cherryhill Association, spoke and showed slides on telephone poles, wires, etc. that are unsightly in the neighborhood.

By Councilman Hull—

This be referred to the Committee on Public Service and Highways to coordinate with the Board of Water and Light and Michigan Bell Telephone Co. as to what can be done.

Carried.

Robert Black, General Manager of the Hospitaliity Motor Inn reported on the trip made by the Mayor and several businessmen in cooperation with the Greater Lansing Convention Bureau to Washington, D.C. on February 2-4, 1977 relative to bringing conventions to the City of Lansing.

Mr. Carroll from the Greater Lansing Convention Bureau was also present.

REPORTS OF CITY OFFICERS AND BOARDS

February 4, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find an application for an Industrial Facilities Exemption Certificate pursuant to Public Act 198, of 1974 from Duane Eller, Vice President of Truck Properties, Inc.

Sincerely,

FREDERICK L. STACKABLE,
Acting City Attorney.

Referred to City Assessor, City Attorney and Committee on Planning.

February 10, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Mark Shattuck in the amount of $114.00 for loss of ice skates at Comstock Park

Dear Mayor and Council:

On the night of January 10, 1977 Mr. Shattuck checked his ice skates at Comstock Park for approximately fifteen minutes. He received a claim ticket for the skates. Upon returning to the rink the skates had been misplaced by the park attendant.

At first blush, it may seem that the doctrine of governmental immunity would apply. Such doctrine is set forth in MCLA 691.1407; MSA 3.996.(100):

> "Except as in this act otherwise provided, all governmental agencies shall be immune from tort liability in all cases wherein said government agency is engaged in the exercise and discharge of a governmental function. Except as otherwise provided here, this act shall not be construed as modifying or restricting the immunity of the state from tort liability as it existed heretofore, which immunity is hereby affirmed."

However, I have been advised that the City charged 10 cents for the storage of the skates; thus forming a bailment contract. It is my opinion that the bailee, City of Lansing, breached such contract by failing to return the ice skates.

Therefore, it is the opinion of this office that the City is liable for the loss of Mr. Shattuck's skates.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By Councilman Gunther—

That we concur in the recommendation of of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $114.00 payable to Mark Shattuck.

Carried.

February 8, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Robert Shoemaker to Riverside Hospital on January 5, 1977.

The claimant ambulance service does not have insurance to cover the contracted for service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, the claim for the amount of $93.00 for the transportation of Robert Shoemaker to Riverside Hospital on January 5, 1977 is hereby authorized.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

February 10, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Daryl Rasche to Riverside Hospital on November 12, 1976.

The claimant ambulance service does not have insurance to cover the contracted for service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $88.00 for the transportation of Daryl Rasche to Riverside Hospital on November 12, 1976 be authorized.

Respectfully submitted,

JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

February 10, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Michael T. Prince to Jarvis Acres on February 2, 1977.

The claimant ambulance service does not have insurance to cover the contracted for service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $60.00 for the transportation of Michael T. Prince to Jarvis Acres on February 2, 1977 be authorized.

Respectfully submitted,

JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

February 10, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one James Cunningham to Riverside Hospital on November 29, 1976.

The claimant ambulance service does not have insurance to cover the contracted for service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $93.00 for the transportation of James Cunningham to Riverside Hospital on November 29, 1976 be authorized.

Respectfully submitted,

JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

February 10, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Marie Lois Phillips to Riverside Hospital on November 17, 1976.

The claimant ambulance service does not have insurance to cover the contracted for service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $93.00 for the transportation of Marie Lois Phillips to Riverside Hospital on November 17, 1976 be authorized.

Respectfully submitted,

JAMES T. HEOS,
Assistant City Attorney.

Referred to Committee on Finance.

February 7, 1977

To the Honorable Mayor and

Members of the City Council

Lansing, Michigan

Gentlemen:

I herewith report that I have given to the City Assessor an itemized list of private properties which had trash and debris removed by the City of Lansing, in the amount of $808.92, to be assessed on the July, 1977 tax rolls.

Respectfully submitted,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing.

Received and placed on file.

February 7, 1977

Honorable Mayor Graves and

Members of City Council

Re: Claim for Damages Tabled January 31, 1977

Gentlemen:

On October 21, 1976 the Forestry Division removed a dead tree located on the west side of 2606 Hazelwood. During the removal a Department employee failed to follow procedure which resulted in the tree tipping into the wire service and pulling three pieces of aluminum siding off the house. Disciplinary action including time off without pay was issued to the employee involved.

The three pieces of siding cover a small triangular area and total not more than eight feet in length. It is the property owner's claim that the siding cannot be matched for replacement, therefore complete new siding should be installed.

According to the City Attorney's office the owner is willing to accept a cash settlement of $922.50 as compared to his quote of $1,230.00 for new siding.

If it is the decision of City Council to make compensation for these damages the cash amount provided by the City should cover the cost of actual repairs (which does appear to be feasible), or be negotiated between the Attorney and the property owner.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to City Attorney.

February 10, 1977

Honorable Mayor and Members of

the City Council

10th Floor—City Hall

Lansing, Michigan 48933

Gentlemen:

This is in reply to Councilman Baker's resolution of December 6, 1976 (p. 1140) regarding polling places being made accessible for the physically handicapped.

Mr. Wayne Smith, Election Supervisor made a survey of each polling place. I am attaching copies of his findings. You will note that most of these places are in school buildings, over which the City Clerk has no jurisdiction. The election law reads: "Sec. 662—school houses, police stations and other publicly owned or controlled buildings shall, whenever possible and convenient, be used as polling places." Mr. Smith has been in touch with Mr. John D. Marrs, Information Services of Lansing School District relative to this and he is looking into the possibility of the use of ramps at the schools.

I am fully aware that some of these locations cause some inconvenience to some of the voters, but I want to say it is not easy finding available locations for polling places. It must also be noted that in the election law there is a section 758 relative to absentee voting which provides for and mentions physical disability.

I also wish to say that our voting devices are 40 inches in height when erected.

Mr. Smith has had a couple of meetings with Councilman Baker and I wanted you to know we will do anything that is at all possible to correct any of the situations that now exist if we can.

Sincerely,

THEO FULTON,
City Clerk.

Received and placed on file.

February 10, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: Emergency Purchase Order for Partitions for the Fifth Floor Court Rooms—P.O. No. X15516

Gentlemen:

One bid was received on February 9, 1977 for the purchase and installation of partitions for the new court rooms to be located on the Fifth Floor of City Hall.

We have been advised that the manufacturer of this partitioning has been forced to close down production because of the energy crisis, but that he has sufficient material on hand to fill our requirements and will hold it for four days. See attached letter for additional information.

Reichenbach Company was low bidder on the partitions for the Attorney's Offices and are quoting for the Court Rooms a price of $6,465.00, when priced by the lineal foot is $.51 a foot less than the price quoted for the Attorney's Offices.

We recommend acceptance of the bid submitted by the Reichenbach Company in the amount of $6,465.00. The carpeting is scheduled for installation on February 24, 1977 and if this purchase of the partitions meets with your approval would not cause a delay in the renovation of the Fifth Floor.

This report is filed in accordance with Section 2-37 (1) (a) of the Code of the City of Lansing, Michigan.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director.

Referred to Committee on Buildings and Properties.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

February 11, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Lansing Traffic Board unanimously recommended for Council consideration the erection of Yield signs on McCullough Street at Gray Street.

This recommendation is in response to a request from the chairman of the NDA No. 2 Citizens' District Council. The safe approach speed at the intersection is 13 mph and there is a steep downgrade westbound on Gray approaching the intersection. Especially during winter months the steep approach adds to the accident potential at the intersection. Yield signs on McCullough will allow traffic on Gray to proceed through the intersection without having to stop at the bottom of the hill.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary.

Referred to Committee on Public Safety.

February 11, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request for STOP signs on Kilberry at Lawdor, on Glenbrook at Churchill, and on Norwich at Brisbane. Presently there are YIELD signs on Glenbrook at Churchill and on Norwich at Brisbane.

The sight distance at all three intersections is such that no control is needed at any of the intersections. The safe approach speed is 23 mph to 25 mph at each intersection. During the past five years there have been only 3 accidents at the intersections of Kilberry at Lawdor and Brisbane at Norwich, and 4 accidents at Churchill and Glenbrook.

Because of the adequate sight distance and the good accident records the Traffic Board recommended at its January 12, 1977 meeting that there should be no change in control at these three intersections.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary.

Referred to Committee on Public Safety.

February 4, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and

Council Members:

This is to advise that Edgerton W. Bailey has been replaced by Edward V. Goodman as a member of the Mayor's Railroad Transportation Study Committee.

Mr. Goodman graduated from Renovo High School in Renovo, Pennsylvania, completed a Four Year Shop Engineering Course through the Pennsylvania State College Extension School, and a Railroad Car Repair, Inspection and Air Brakes Course through the International Correspondence School. He is presently the Administrator of Rail Freight and Port Facilities Division of the Department of Highways and Transportation for the State of Michigan.

Mr. Goodman served as Director, Eastern Region, American Short Line Railroad Association from 1966 to 1975; served on the Association of American Railroads Committee for Car Service in 1975; is a member of F. & A.M. Lodge 495, Renovo, Pennsylvania; a member of A.A.S.R. Consistory, Williamsport, Pennsylvania, and a member of Elf Khurafeh Temple Shrine, Saginaw, Michigan.

Mr. Goodman served two years with the U. S. Navy during World War II, is the father of four children, and he and his wife reside at 900 Long Blvd., No. 483, Lansing, Michigan.

Sincerely,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

February 10, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

This office has recently been advised that Mr. George E. Sawyer, a member of the Human Relations Commission, is no longer a resident of the City of Lansing. Therefore, I am submitting to you for your consideration and confirmation the name of Vito Cicinelli to fill said vacancy, which term expires in June of 1980.

Vito Cicinelli graduated from Mt. Clemens High School, attended Chicago Tech and graduated from the Lawrence School of Technology with a Bachelor of Arts Degree in Business Administration. Mr. Cicinelli is 38 years old and has been employed at Kositcheck's for the past five years as Buyer-Manager. He is a member of the Michigan Apparel Association, the New York Apparel Club, member of three local P.T.A.'s, and Secretary of the Italian-American Club.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Mr. Cicinelli and his wife, Rose, have three children and reside at 1927 Cooper in the City of Lansing.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Personnel.

February 10, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

The City of Lansing recently increased its support to the Lansing Metropolitan Development Authority, which qualifies it for another representative on the Board of Directors of said organization. Therefore, I am submitting to you for your consideration and confirmation, the name of John Charles Bennett for this position, with the term expiring in June of 1978.

John Charles Bennett attended both Lansing Community College and Lansing Business University in the field of business and bookkeeping. For the past five years he has been employed in the Manpower Division of the AFL-CIO and has been a member of the local AFL-CIO for the past 15 years. Mr. Bennett is President of the local Chapter of the A. Phillip Randolph Institute and Second Vice-Chairman of the State Chapter; he is Chairman of the Committee on Veteran's Affairs for Ingham County, having been appointed by the Ingham County Commissioners; a member of the State Board of the National Council on Alcoholism; a member of the Blue House Masonic Lodge and Shriners, and he is a Korean veteran, having served in the U. S. Army Medical Corps.

Mr. Bennett and his wife, Georgina, reside at 2014 W. Lenawee in the City of Lansing.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Personnel.

February 10, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

Please be advised that I have submitted to Governor William G. Milliken, for inclusion in a request for a Presidential Declaration of emergency for the State of Michigan, cost estimates of snow removal, emergency equipment repair, de-thawing operations of water mains, and many other costs, directly attributed to our recent blizzard.

I have directed James Holcomb, Executive Director of Emergency Operations, to coordinate the emergency claims request operation. I am advised, by Mr. Holcomb, that the costs, above normal operational costs, incurred by the Board of Water and Light, to keep water and electrical services functioning are approximately $130,000. Further, the extra cost for snow removal, repair of damaged equipment, etc., is approximately $100,000 for a total of approximately $230,000.

I will keep you advised.

Sincerely,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

RESOLUTIONS

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1977 tax rolls, the cost of correcting the hazardous and unsanitary conditions of properties in the year 1977, as reported this date by the Building Commissioner, and as per attached list.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Department of Parks and Recreation has completed the 1977-82 Five Year Plan as required be on file with the Department of Natural Resources for review during evaluation of grant applications, and

Whereas, this plan was submitted for review to the City and the Tri-County Planning Departments in October, 1976, with no changes recommended to date by either agency, and

Whereas, this plan provides a basic direction for the implementation of programs and improvements as authorized by the City Council during the five year period of the plan, Now

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Therefore, Be It Resolved, that the Department of Parks and Recreation is hereby authorized to submit the Five Year Plan to the Department of Natural Resources.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Brenke, McKane, Mayor—5.

Nays: Councilmen Belen, Blair, Gunther, Hull—4.

Councilman Blair wanted it noted that the Mayor and All Councilmen had received a copy of the five year plan on November 11, 1976.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Community Centers Study Ad Hoc Committee was established by Council resolution on November 22, 1976, for the purpose of compiling all available information and to make specific short-range and long-range recommendations to the Council pertaining to a balanced recreational program throughout the city, including but not limited to the possible planning, locating, building and financing of community and recreation centers; and,

Whereas, on January 20, 1977 the committee met and made the following recommendations:

A. That the study pertaining to the analysis of and requirement for existing and future Community Centers be the specific responsibility of the Parks and Recreation Department with research and data collection to be provided by the planning Department as appropriate and in coordination with the Parks and Recreation Department; and

B. That the City Council accept this preceding recommendation and adopt a new resolution specifically designating the Parks and Recreation Department to conduct the above identified studies and submit to the Mayor and City Council no later than November 1, 1977, the results of these studies, said studies to be incorporated in one comprehensive document to be prepared by the Parks and Recreation Department;

Now, Therefore, Be It Resolved that the City Council accepts the recommendations of the Community Centers Study Ad Hoc Committee, and;

Be It Further Resolved that the Parks and Recreation Department and Planning Department are directed to carry out the specific charges as recommended at A and B above; and

Be It Finally Resolved that the resolution of November 22, 1976 establishing the Community Centers Study Ad Hoc Committee is hereby rescinded.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the appointment of Timothy W. Sanderson as City Attorney, be confirmed.

Adopted by the following vote:

Unanimously.

Acting City Attorney, Frederick Stackable spoke and congratulated Tim Sanderson on the confirmation of his appointment as City Attorney and invited him to come and take the chair as the City Attorney.

By Councilman McKane—

That the transfer of funds that were tabled on February 7, 1977, be taken from the table.

Carried.

JAMES D. BLAIR,
Committee on Finance.

By Councilman Baker—

That a division be made on the voting of the above transfers:

Carried.

Councilman Baker asked questions on the $70,000.00 transfer in regard to snow removal.

The following vote was taken on the $70,000.00 transfer.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, Mckane—8.

Nays: None.

The following vote was taken on the balance of the transfers.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Nays: None.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

LS-1-77

1626 Glenrose

Whereas a request has been made to divide the property located at 1626 Glenrose, more particularly described as:

The north 79 feet of the west 170-2/3 feet of Lot No. 5, Assessor's Plat No. 12, City of Lansing, Ingham County, Michigan; and

Whereas the proposed division will create two lots, which will have less than the minimum depth as required by the Subdivision Control Ordinance, Chapter 37 of the Code of Ordinances; and

Whereas the Planning Board has reviewed this request and advised the City Council to approve the lot division; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that in accord with Section 37-27 of the Subdivision Control Ordinance approval is given to divide the property as follows:

Parcel A—The north 79 feet of the west 170-2/3 feet of Lot No. 5, Assessor's Plat No. 12, except the west ½ thereof, City of Lansing, Ingham County, Michigan.

Parcel B—The north 79 feet of the west 170-2/3 feet of Lot No. 5, Assessor's Plat No. 12, except the east ½ thereof, City of Lansing, Ingham County, Michigan.

The above land descriptions are subject to any utility easements, as may be required by the Board of Water and Light and the Public Service Department. The applicant, however, stipulates and understands that if the lot split is granted by the City of Lansing, it does not necessarily mean that the applicant may proceed with the division of property. The applicant further understands that there may be some private

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

restrictions contained in his deed or plat restrictions, which may or may not be recorded with the Registrar of Deeds, which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-60-76 — 5724 Kaynorth St.,

be re-zoned from "A" One Family Residence District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 7th day of March, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman McKnae—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $2,877,118.36.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5(g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Councilman McKane presented petitions for the erection of a "STOP" sign at Kilberry at Lawdor Streets.

Referred to Committee on Public Safety.

Councilman Baker inquired relative the program of the Parks and Recreation Department as to laying off of park personnel and asked if the Director of Parks and Recreation and the Personnel Department had come to any decision relative to same.

Councilman McKane responded as to a meeting of the Committee on Parks and Recreation and Committee on Finance relative to this.

Councilman Gunther congratulated Mr. William Smith—1301 W. Hillsdale St. on his retirement from the State of Michigan after 40-years of service.

Councilman Blair announced that the official opening of the Kingsley Center would be March 5, 1977, and more would be forth coming relative to this.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:45 P.M.

THEO FULTON,
City Clerk.

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Colonel Gorden F. Goyt returned to Lansing after a brilliant career of 27 years in the military service, spanning the years of 1940 to 1967; and,

Whereas, since his return from Military Service Gordon F. Goyt has served the City of Lansing and the Tri-County area as Manpower Director; and,

Whereas, as Manpower Director for the City and the Region, he has provided exemplary administrative direction and leadership; and,

Whereas, Colonel Goyt has been responsible for the development, implementation and evaluation of Comprehensive Regional Manpower plans; and,

Whereas, in the execution of his duties, he supervised the development of innovative standardized forms and procedures which reduced the preparation time of applicants; and,

Whereas, he maintained efficient and effective operating controls that reduced administrative costs by approximately 20%; and,

Whereas, the Manpower Programs of Tri-County have consistently been placed the the highest program evaluation category by Region V, Department of Labor,

Now, Therefore, Be It Resolved that the Mayor and Lansing City Council members commend Colonel Gordon F. Goyt for this outstanding contribution to the City and the Tri-County area and wish him success and continued happiness in his future endeavors.

Adopted by the following vote:

Honorable Mayor and

Members of City Council

Re: Recreation Contract Employees/Unemployment Benefits

Gentlemen:

Outlined herein is a basic five point plan to minimize the impact of State Unemployment regulations on Park and Recreation Department programs. The plan includes certain procedures we can use to limit the potential of being obligated for unemployment benefits. This includes the limiting of the term of service of some employees to 15 weeks by changing the length of time certain programs are offered. Other employees, those providing leadership and services requiring continuity beyond the 15 weeks period will create a potential financial obligation for the city. The extent of this obligation can be minimized by fully utilizing these contract employees. A potential third group of employees has been identified who also will create some financial risk, but because of a limitation on weekly earnings will have a limited financial impact if determined qualified for benefits by MESC.

1. Sports schedules will be adjusted to assure continuous employment opportunities for those officials who are qualified to referee the variety of different sport programs offered by the city. A basic cadre of approximately thirty-five officials will be organized and employed for this purpose. This group will be supplemented by two separate groups of officials necessary for covering peak programming periods. The first group would be comprised of individuals qualified to officiate only one sport, and who would be eligible to have weekly earnings of over $25.00. Members of this team would be employed for a period of not to exceed 15 calendar weeks. The second group would officiate league programs with maximum earnings not to exceed $25.00 per week. Employment would be for the duration of the program.

2. Programs and services which are not part of a sequence of similar activities, nor, by nature run on a season longer than 15 weeks will be limited to that period of duration.

3. Employees working in a program running less than 15 weeks, and earning less than $25.00 per week may be reemployed for subsequent activities with the maximum earning rate of $25.00 weekly. Termination would be for normal reasons, unrelated to unemployment regulations.

4. Employees working in a program running less than 15 weeks, and earning more than $25.00 per week, may be reemployed prior to being off the payroll for 31 weeks, or employed beyond the 15 week time limitation only upon approval of the Director of Parks and Recreation. Approval will follow review of efforts to identify and employ qualified individuals currently outside of city employment or those creating a minimum potential for unemployment obligation.

5. Employees working in programs or services which by nature extend beyond 15 weeks, including the supervision of Senior Citizen, Drop-In, and Community Center programs; the Golf Course Starters, Zoo Contact Area attendants, and Park Watchmen employed on a 12 month basis, will be exempt from the limitations on term of employment, or earnings. Also, Supervisors of Programs for the Handicapped, because of the special skill and experience required to perform such work, will be exempt from such limitations.

The $25.00 figure used in these recommendations relates to its apparent importance in the 1974 State Law. The original interpretation of that Act was that weekly earnings of less than $25.00 would not count toward benefits. The actual use of that dollar value in determining unemployment liability is now quite vague because of conflicting interpretations by M.E.S.C. administrators and Hearing Referees. I have retained use of that dollar amount based on the potential of M.E.S.C. rulings being made in our favor; and its use as a limit to earnings as related to minimal financial liability.

The actual financial impact of this plan is difficult for my department to assess. The Finance Office may be able to make a reasonably accurate projection, but an actual history will have to be established for the purpose of accurate budget planning.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Personnel.

February 16, 1977

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

Subject: Lease Proposal from Harold B. Davenport

Attached hereto you will find a copy of a lease proposal received by this office from Harold B. Davenport. As you will recall Mr. Davenport operated "Hal's Chuck Wagon" on a parcel of urban renewal land located at Ottawa Street and the Washington Square Mall during the summer of 1976.

The attached is transmitted for referral to the appropriate City Council committee for study and discussion.

Respectfully submitted,

RONALD G. STONEHOUSE,
Housing and Redevelopment
Director.

Referred to Committee on Community Development.

February 17, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-678 Car Wash

Gentlemen:

Two bids were received for the washing of City Vehicles. Both bidders quoted identical prices for individual car washes, but the Frandor Auto Wash restricted the time for the washing of City Vehicles to Monday through Thursday. Frandor Auto Wash maintained our vehicles this past year and much dissatisfaction was expressed with their services, especially by some of the departments with larger fleets.

We, therefore, recommend that the bid submitted by Kwik Kar Wash, Inc., be accepted. The average number of vehicles washed per month is 320-350, which would cost the City of Lansing approximately $9,450.00 a year at the present average.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director.

Referred to Committee on Buildings and Properties.

February 17, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-679 Hopper-Feeder-Conveyor System

Gentlemen:

Two bids for the purchase of a Hopper-Feeder-Conveyor System for the Asphalt Plant were opened at 3:00 P.M., E.S.T. on Tuesday, February 15, 1977.

The bid submitted by the Miller Equipment Company failed to include a bid bond with their bid and was declared a non-responsive bid as determined by a past opinion from the City Attorney. We, therefore, recommend that the bid submitted by Hartman-Fabco Company be accepted in the amount of $23,179.00.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

ROBERT R. BACKUS,
Public Service Director.

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the recommendation of the Purchasing Director and the Director of Public Service that the bid submitted by Hartman-Fabco Company for the purchase of a Hopper-Feeder-Conveyor System in the amount of $23,179.00, be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Director of Public Service. Funds are available in Acct. No. 627-910-000-977.000.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

February 17, 1977

Z-1-77

2600 block of Hazelwood

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of February 15, 1977, recommended that the request by George Abraham to rezone property at the southwest corner of Dunckel Road and Hazelwood from "A-1" Single Family Residential District to "F" Commercial District be denied.

The Board believes that the residential character of this area should be retained; and it was further found that there is adequate land in this vicinity zoned and available for any necessary commercial services. This request is not in accord with the Forest View Master Plan, which discourages spot or strip commercial development and does encourage integrated commercial centers at locations where they will serve the entire community in the most convenient manner.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

February 17, 1977

Z-2-77

5312 South Cedar Street

Honorable Mayor and

Members of City Council:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The Planning Board, at their meeting of February 15, 1977, recommended that the request by Delto, Incorporated to rezone property at 5312 South Cedar Street from "J" Parking District to "F" Commercial District be approved.

The proposed change would allow the expansion of the existing car wash at this location. The recommendation of approval was subject to a site plan being submitted to and approved by the Planning Department prior to the issuance of Building Permits. Said site plan shall include the location of the existing structure, location of any proposed addition, and location of layout and number of parking spaces.

The Board found that this site is located within the existing commercial development in this area of South Cedar Street and that the "J" Parking District, applied to this site, was no longer necessary since the Ordinance has been amended to provide for off-street parking for all uses.

The Board did not believe that the building addition toward Cedar Street will seriously affect any of the adjacent properties and will be in keeping with the general intent of the zoning district.

This recommendation was by unanimous vote.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

February 17, 1977

Z-47-74(a)

1100 block of West Miller Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of February 15, 1977, recommended that the request by John Brocavich, representing the Village Townhouse Cooperative, to rezone property in the 1100 block of West Miller Road (north side) from "A-1" Single Family Residential District to a "CUP" Community Unit Plan District be approved. The proposed change would allow the development of a 40 foot by 64 foot storage building to be used in conjunction with the Village Townhouses for storage purposes.

The Board's recommendation of approval is subject to a landscape, screening plan being submitted to and approved by the Planning Department, and a Time Schedule for installation of the landscape and screening be included.

The Board believes that the proposed change is in keeping with the general intent of the Zoning Code. The Board believes that the location and access to the proposed building is far enough removed from the existing residential homes on the north side of Miller Road so as not to produce any adverse affects. As stated in the application, the building is to be used as an accessory use to the existing townhouse units and is, therefore, in keeping with Section 36-7(3).

This recommendation is supported unanimously by the Board.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

February 14, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem

and Council Members:

On Wednesday, February 9, a Public Hearing was held at the City Hall in the City of East Lansing, by that community's Planning Board, relative to rezoning of certain lands for a proposed Dayton-Hudson Shopping Mall. Attached are copies of the presentation made by the Executive Branch of the City of Lansing at the scheduled Public Hearing.

I am requesting that you give attention to the aforementioned materials. I would appreciate your recommendations.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Planning.

February 21, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

This is to advise that the copy of the Final Report of the "Mayor's Ball Diamond Advisory Committee," which contains the comments and recommendations regarding ball field renovations, is on file in the Office of the City Clerk.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Members of the "Mayor's Ball Diamond Advisory Committee," included: Joe Kleinhans, Department of Parks and Recreation, Chairman; and members Phil Booth, Baseball Coach, Lansing Catholic Central High School; Steve Dougan, Planning Department; Bob Gross, Sportswriter, Lansing State Journal; Ted Haskell, Department of Parks and Recreation, Michigan State University; Clayton Kowalk, Physical Education Department, Lansing School District; Jim LaRoue, Office of the Secretary of State, State of Michigan; Danny Litwhiler, Baseball Coach, Michigan State University; Ron Reed, former Michigan State University baseball player; Bob Shumway, Superintendent of Electrical Engineering, Board of Water & Light; Carl Wagner, Youth Baseball Representative; Bob Trojanowicz, Slow Pitch Softball Representative, David Cecil, Fast Pitch Softball Representative; and, Kay Purvis, Chairman of Softball Advisory Board.

I am extremely grateful for the expertise provided by these people.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Parks and Recreation.

February 17, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members

This is to advise that Gerald Brown recently advised this office that he can no longer fulfill his obligation to serve as a member of the Eastside Citizen's District Council for Community Development (NDA No. 2). Therefore, I am submitting to you for your consideration and confirmation, the name of Olga "Sue" Jackson to fill said vacancy, which term expires in April of 1979.

Mrs. Jackson has been a resident of Lansing for 19 years, graduating from South Bend Central High School, South Bend, Indiana. She is currently employed at Mean's Services; is a former Foster Parent and a member of the Foster Parents Association; she is the mother of five children who attend Walter French Junior High School and Eastern High School.

Mrs. Jackson, her husband, Jack, and their family reside at 1202 Parkview.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Community Development.

RESOLUTIONS

By Committee on Public Service and Highways—

Resolved, that the Purchasing Director be and he is hereby directed to advertise, as provided by law, for sealed proposals for the construction of the Aurelius Road Storm Sewer Outlet, PS 67036 in accordance with the plans and specifications on file in the office of the City Engineer. Proposals to be received up to 3:00 P.M., Local Time, Tuesday, March 15th, 1977.

Each proopsal to be accompanied with a certified check or bidders bond in the sum of 5% of the proposal.

Right is hereby reserved to accept any proposal, to reject any or all proposals and to waive defects in proposals.

No bids may be withdrawn after the above date and time for receiving bids for a period of Forty-Five (45) days.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved, that the Purchasing Director be and he is hereby directed to advertise, as provided by law, for sealed proposals for the construction of the Bristol, Reo, Hughes and Other Storm and Sanitary Sewers, PS 65084 in accordance with the plans and specifications on file in the office of the City Engineer. Proposals to be received up to 3:00 P.M., Local Time, Tuesday, March 22, 1977.

Right is hereby reserved to accept any proposal, to reject any or all proposals and to waive defects in proposals.

No bids may be withdrawn after the above date and time for receiving bids for a period of Forty-Five (45) days.

Adopted by the following vote:

Unanimously.

Discussion was held on the revised proposed Cost Agreement between the Michigan State Highway Commission and the City of Lansing for the modification of existing Highway M-99 (Logan St.).

By Councilman Baker—

That this be held until the balance of the agenda is completed.

Carried.

By Committee on Public Service and Highways and Community Development—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public health and necessity to construct the following improvements designated as the Neighborhood Development Area No. 2 (East Side) Storm Sewer Separation Contract, PS 47032, and that the construction of these improvement is hereby ordered:

S. Holmes St. from G.T.R.R. to Main Street and Outlet from G.T.R.R. across Potter Park to Red Cedar River.

Bensch St. from Main St. to 165 ft. S. of Gray St.

Dakin St. from Main St. to 165 ft. S. of Gray St.

McCullough St. from Main St. to 165 ft. S. of Gray St. and from the G.T.R.R. north 250 ft.

Lathrop St. from the G.T.R.R. to 140 ft. N. of Walsh St.

Gray St. from Holmes St. to McCullough St.

Walsh St. from Holmes St. to McCullough St.

Perkins St. from Holmes St. to McCullough St.

Along street R.O.W. abutting N. line of G.T.R.R. from Holmes St. to Dakin St.

And Further, that the estimated cost of this project, $274,000.00, is to be financed by assessments to the benefited property owners and from City funds through Account No. 258-445-642-974.

Be It Further Resolved, that the Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for this project, and it is further directed to estimate in detail, the cost of said project and to furnish said information to the City Council.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That the appointment of John Charles Bennett to the Lansing Metropolitan Development Authority for a term expiring June of 1978, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That the appointment of Vito Cicinelli to the Human Relations Commission for a term expiring June, 1980, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, the name of Mr. Robert L. Hutchins has been referred to the Committee on Personnel for evaluation for proposed appointment as 54-A District Court Magistrate, and

Whereas, the Committee on Personnel, at its meeting held on February 16, 1977, did examine Mr. Hutchins' qualifications and did conduct an individual interview with him and find him eminently well qualified,

Now, Therefore Be It Resolved, that Mr. Robert L. Hutchins be confirmed as Magistrate for the 54-A District Court.

Adopted by the following vote:

Unanimously.

By Councilmen McKane and Blair—

Resolved by the City Council of the City of Lansing:

Whereas, the severity of the winter weather has created an energy crisis in this region of the country; and,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the costs of heating service has skyrocketed, creating an undue burden on low-income families and senior citizens; and,

Whereas, Representative Charles Varnum has introduced House Bill No. 4046 which proposes to establish a utility services stamp program for a senior citizen who (a) is 65 years or older and is a resident of the State of Michigan; (b) is living alone or sharing a dwelling unit with not more than 1 person under the age of 65, excluding roomers, boarders and unrelated live-in attendants; (c) has an annual income of not more than $8,000; (d) does not reside in an institution; and,

Whereas, the amount of charge for coupons shall not exceed 5% of the senior citizens annual income and coupons may be issued without charge to a senior citizen who has an annual income of less than $2,500;

Now, Therefore, Be It Resolved that the City of Lansing supports the concept of House Bill No. 4046 and urges the State Legislature to adopt this legislation; and,

Be It Finally Resolved that the Legislative Coordinator is directed to transmit copies of this resolution to the sponsors of House Bill No. 4046, the House Public Utilities Committee and the Lansing Legislative Caucus.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, three public hearings have been conducted to receive citizen comments, recommendations and the review of proposed projects and budgets for the Third Program Year Community Development Block Grant Application on August 23, 1976, November 3, 1976 and January 17, 1977 respectively; and

Whereas, the program, projects, and budgets for the Third Program Year have been on file in the City Clerk's Office since February 3, 1977; and

Whereas, the Planning Board on October 19, 1976 recommended to the Mayor and City Council program recommendations to meet stated needs; and the Mayor on December 20, 1976, and the City Council on November 16, 1976, selected program priorities; and

Whereas, on February 7, 1977, the Community Development Committee for City Council recommended that funds provided for planning the Westside Fire Station be eliminated, that Capitol Commons be included in the application as a "zero" funding level, that the housing rehabilitation units in the Housing Assistance Plan be increased from 187 to 200 units for the Third Program Year, and that the number of proposed census tracts eligible for rehabilitation loans/grants and human services be increased by two census tracts (20 and 24);

Now, Therefore Be It Resolved, that the City Council adopts the program, projects, budgets and Housing Assistance Plan contained in the Third Program Year Application which includes the above changes. The City Council directs the Mayor to sign the appropriate documents after satisfactory review for submission of the application to the Detroit Area Office of the U.S. Department of Housing and Urban Development.

By Councilman Baker (Adado)—

That the resolution be amended as follows:

That $100,000.00 be transferred from line item contingency fund account to line item commercial area improvement for west side.

Adopted by the following vote:

Unanimously.

The resolution as amended was adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKnae—7.

Nay: Councilman Blair—1.

By Committees on Planning, and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-6-76

Concord Village No. 4

Preliminary Plat

Whereas application has been made for final approval of the preliminary plat of Concord Village No. 4; and

Whereas the Planning Department, in accordance with Section 37-38 of the Subdivision Control Ordinance, has reviewed this application and recommended approval thereof; and

Whereas the Planning Committee of City Council and Public Service and Highways Committee of the City Council have reviewed this application and the report of the Planning Department and concur therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Concord Village No. 4 Subdivision be approved subject, however, to all conditions as set forth by the City Council at the time of tentative preliminary approval.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That in order to provide for the most efficient functioning of the duties and responsibilities of the City Clerk's Office and in view of the retirement of personnel, the following reorganization of the City Clerk's table of organization shall become effective February 21, 1977, and the City Personnel Director is authorized and directed to initiate the following changes within the City Clerk section of the Classification and Compensation Plan:

I—Delete one Clerk IIIA position

II—Delete one Clerk II position

III—Establish two Clerk III positions

The above actions will require an additional amount of $564.00 per full fiscal year to the salary account.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

$12,000.00 from Reserve for Emergencies
A/C 101-941-000-963

$12,000.00 to Park Development—

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-47-74—1100 block West Miller Rd. (north side),

be re-zoned from "A" One Family Residence District to "CUP" (Community Unit Plan(District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Pubic Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 14th day of March, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-2-77—5312 So. Cedar St.,

be re-zoned from "J" Parking District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 14th day of March, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amout of $22,952,424.02.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved bythe City Council of the City of Lansing:

That the revised proposed Cost Agreement between the Michigan State Highway Commission and the City of Lansing for the modification of existing Highway M-99 (Logan Street) as a northbound roadway and the construction of a southbound roadway for Highway M-99 so as to provide a one-way pair from Moores River Drive north to Kalamazoo Street, and for the construction, in two sections, of a joint storm sewer, extending along Highway M-99 from Victor St. north to an outlet in the Grand River, which will provide for a portion of the Highway M-99 storm water and for City storm water, under Job Number 00433 and Job Number 00434, be approved.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

This project will be funded from the 1969 Bond Issue Account No. 401-452-010-974.680 and,

That the Mayor and City Clerk be authorized to sign this Cost Agreement upon certification of the City Controller as to he availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Councilmen Blair, McKane and Gunther—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

The following roll call was taken relative the following three (3) items.

Adopted by the following vote:

Yeas: Councilmen Baker, Blair, Brenke, Gunther, Hull, McKane—6.

Nays: Councilmen Adado, Belen—2.

By Parks and Recreation Committee—

Resolved by the City Council of the City of Lansing:

Whereas, Verlane F. Luken, a long time and dedicated employee of the City of Lansing for eleven years unexpectedly passed away; and,

Whereas, those who knew Verlane can truly say, here was a woman who was especially well liked and beloved by her friends, colleagues and all who came in contact with her; and,

Whereas, Verlane served as Secretary to the Park Board and Cemetery Clerk since January, 1974; and,

Whereas, even when stricken with Lupus disease in 1975, she continued to maintain the same high standard in her work, her expertise in handling clientele, and her high regard for her fellow employees; and,

Whereas, because of Verlane's sincere desire to make the Parks and Recreation Department a warm and frindly place to work through her many kind deeds of unselfishness, she will be sadly missed by all who know her;

Now, Therefore, Be It Resolved that the Council of the City of Lansing spread upon its official minutes its due recognition of the life and work of Verlane F. Luken, expressing its deep loss at her passing and its sincere regrets to her family, and that a copy of this resolution suitably inscribed by the Mayor and Council and attested by the City Clerk, be forwarded to the family of Mrs. Luken.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, fifteen years ago on February 20, 1962, Marine Lt. Col. John H. Glenn, Jr., became the first American to orbit the earth in space. To John Glenn, now a United States Senator, and to the entire country, this flight was an event of great historic importance and one of the truly profound scientific achievements of the twentieth century; and

Whereas, the flight of Friendship 7 determined if and how well man could operate in space, and it did so in an overwhelmingly successful manner. Friendship 7, a part of the Mercury Program, was a major research breakthrough which became the forrunner of many more remarkable flights; and

Whereas, to millions of Americans and, indeed, the world, the flight of Friendship 7 was an adventure and an awe-inspiring journey into the perilous reaches of space. It was an event which excited the imagination and was certainly a happening to be remembered for a lifetime; and

Whereas, John Glenn and the countless individuals associated with the flight of Friendship 7 established themselves alongside the likes of Perry, Byrd, Lewis and Clark, and other courageous Americans who blazed those trails which others now follow. For this we owe our most sincere gratitude;

Now, Therefore, Be It Resolved by the Lansing City Council that we hereby commemorate the Fifteenth anniversary of the flight of John Glenn on Friendship 7. It was an event which all Americans can still cherish as one of our truly noteworthy accomplishments; and

Be It Further Resolved that a copy of this resolution be transmitted to John Glenn, United States Senator, and to the National Aeronautics and Space Administration.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective February 21, 1977, the City Personnel Director is authorized and directed to establish one Clerk-Stenographer IIB position within the City Council sec-

tion of the Classification and Compensation Plan. Committee on Finance to transfer $3,369.00 to the appropriate Salary Account to finance costs for the balance of the current fiscal year.

Adopted by the following vote:

Unanimously.

Much discussion was held relative waiving of the rules to consider the application submitted to the Economic Development Administration of the United States Commerce Deparment, by the Index, Inc., for the refinancing of the Olds Plaza Hotel.

By Councilman Baker—

That Council recess for a period of 5-minutes.

Carried.

Council recessed at 9:20 p.m. and reconvened at 9:30 p.m.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Committee of the Whole—

Whereas: The City of Lansing, the Downtown Development Authority and the Economic Development Corporation jointly, and severally, recognize the desirability of maintaining the vitality of the Central Business District of Lansing; and

Whereas: There exists in the City of Lansing a continuing need to implement projects designed to alleviate, and prevent conditions of, unemployment and to assist local industries and commercial enterprises in their attempt to strengthen and revitalize the City's economy; and

Whereas: The renovation and continued operation of the Olds Plaza Hotel is contingent upon securing refinancing;

Now, Therefore, Be It Resolved, that the application submitted to the Economic Development Administration of the United States Commerce Department, by the Index, Inc., for refinancing the Olds Plaza Hotel is supported by the City of Lansing, The Downtown Development Authority and the Economic Development Corporation so that the hotel may continue to operate; provide jobs and not be a blight on the Central Business District; and be it

Further Resolved, that the management, staff and employees of the Olds Plaza Hotel will have our continued cooperation, assistance and good will; and be it

Finally Resolved, that we recommend that the membership of the Downtown Lansing Business Improvement and Development Corporation support the application submitted by Index, Inc., to the Economic Development Administration by taking the necessary action to comply with the United States Department of Commerce regulations and to provide the five per cent Community organization participation required by the Economic Development Administration.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

Councilman Blair wanted it noted that the reason for his voting no was that there was no indication as to who the corporation was and who was filing the application.

Donald Casterline—6335 Haag Rd., spoke relative taxes, recreation, schools and a booklet of information for citizens.

By Councilman Adado—

That this meeting stand adjourned.

Carried.

Council adjourned at 10:00 P.M.

City Treasurer submits the condition of funds in the treasury as of January 31, 1977.

Received and placed on file.

February 22, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Trent C. Bushnell

Dear Mayor and Council:

On November 4, 1976 Trent C. Bushnell filed a claim with the City of Lansing regarding damages incurred to his home located at 2606 Hazelwood Drive, Lansing, Michigan when a city forestry crew dropped a tree it was removing causing panels of aluminum siding to be pulled from the house. It has been verified that the original siding cannot be matched.

Initially Mr. Bushnell filed a claim for $922.50. This figure was derived by Mr. Bushnell taking the Roary Corporation's appraisal for $1,230.00 and deducting 25% for the wear on the original siding. Mr. Bushnell's good faith request was made with respect to what he thought was fair.

Subsequently, in a letter to Council dated January 20, 1977 I informed Council that governmental immunity would exculpate the City of Lansing from liability. However, it was the feeling of the City Council that regardless of governmental immunity, the City might still pay for the damage and directed the Department of Law to enter into negotiations wih Mr. Bushnell on an adjusted claim.

This office asked Mr. Bushnell to get two more appraisals. He complied with this request. Interstate Insulation will re-side the house for $1,485 and Raven Enterprises of Lansing, Inc. would charge $968.00 for similar work. Mr. Bushnell informed this office that the Roary Corporation and the Interstate appraisals were for insulated siding and that the Raven Enterprises of Lansing, Inc. appraisal was for un-insulated siding. He further acknowledged that the existing siding on his home was not insulated.

As a result of conversation with Mr. Bushnell and this office, I am now recommending that Mr. Bushnell be awarded $726.00.

This figure was derived by taking 75% of the lowest bid of $968.00. Mr. Bushnell originally adjusted his claim by asking 75% of the first appraisal. His good faith adjustment resulted in this formula.

Respectfully submitted,

FREDERICK L. STACKABLE,
Acting City Attorney.

By Councilman Baker (Brenke)—

That Mr. Bushnell be offered a settlement of $200.00.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

February 24, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

In accordance with your Resolution of January 31, 1977 regarding energy conservation measures for city owned structures, we would make the following suggestions. It should be clearly noted, that for these measures to be effective, it will be necessary to have complete cooperation and monitoring by the individual department heads or their designee.

1) Set thermostats in all buildings at a maximum of 68°. (Department heads should review special locations where lower settings can be used—exmaple, Fire Chief has issued orders for 65° setting in dormitories and 60° in apparatus areas).

2) Department heads should check individual heat controls in City Hall in wall units on a routine basis to assure compliance with item No. 1 above.

3) All incandescent spot lights on North and South outside walls of City Hall to be turned off.

4) Each department should designate a person to be responsible for turning off lights at 5:00 P.M. and in areas not being used.

5) Reduce all hall lighting by 10%.

6) Reduce all outside lighting by 25%, providing security is not impaired. This applies to parking areas, storage yards, and in particular, the Waste Water Treatment Plant.

7) All janitorial and maintenance personnel to keep all lights off except in their immediate work areas.

8) Discontinue use of all personal radios.

9) Discontinue use of all individual fans, electric heaters, acquariums, refrigerators, etc.

10) Curtail use of coffee makers. Maximum of one per floor.

11) Use stairs in lieu of elevators if travel is only up or down one floor.

12) Set all domestic type water heaters at 110°.

13) Where possible, eliminate heat in stairwells.

14) Eliminate idling of vehicles to maximum, exceptions are those that require idling to maintain in operating condition.

15) Turn off all office machines except when in actual use.

Compliance with the above should result in a considerable savings and will not entail any additional expenditures by the city.

Additional energy savings can be had if certain structural alterations can be cost effective, such as installation of storm windows, storm doors, insulation, etc. Also, the Parks Department should investigate the cost of individual switches to reduce lighting in Parks when only routine maintenance is being performed, such as Sycamore Park during flooding operations for skating rinks.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

JAMES W. KZESKI,
Building Commissioner.

Referred to Committee on Buildings and Properties.

February 2, 1977

Mayor Gerald W. Graves

and Members of City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

Subject: Act 2-77, River Street Cul-de-Sac

The Lansing Planning Board at its last regular meeting on Tuesday, February 15, 1977 completed its review under Public Act 285 of the proposed project to cul-de-sac River Street at Kalamazoo. The project received unanimous approval subject to the following provisions:

1. That the cul-de-sac project be included as a portion of the Kalamazoo Street Bridge contract to assure funding.

2. That the cul-de-sac be designed to stay within the existing right-of-way.

3. That a pedestrian/bicycle access to the planned riverfront hiking/biking path and to the interior to the neighborhood be retained.

4. That the closing of River Street for the cul-de-sac be phased to occur at the same time Cherry becomes a two-way street and the Kalamazoo Sstreet Bridge is closed. This will discourage detour traffic from cutting through the neighborhood.

5. That the vacated street (River) be dedicated for a park addition which will maintain the necessary utility easements and sidewalks.

6. That the existing trees will be protected or replaced if necessary, and that additional trees and landscaping will be provided in large park areas with input from the Cherry Hill Neighborhood Association.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

7. That a left turn be permitted at the intersection of Main and Washington Streets to allow neighborhood residents access to the east while Kalamazoo Street Bridge is closed.

8. That the barriers at the end of the cul-de-sac be designed aesthetically and preferably non-metallic. The selection of such barriers should include input from the Cherry Hill Neighborhood Association.

9. That Mr. Gomery from the Acme Bedding Company be allowed to maintain access to the east end of his building by way of a curb cut into the cul-de-sac, so that he does not have to drive around the block to reach his loading dock.

These represent the major concerns of the Planning Board and interested citizens who have attended not only the public hearing held by the Urban Development Committee but also who were in attendance at the Planning Board's meeting on February 15, 1977. All appropriate city departments and the Cherry Hill Neighborhood Association are in support of the cul-de-sac.

Therefore, the Lansing Planning Board recommends approval of this project for inclusion into the Kalamazoo Street Bridge contract providing the above conditions are met.

Sincerely,

ALAN E. TUBBS,
Planning Director.

Referred to Committee on Planning, Committee on Public Service and Highways, and Committee on Parks and Recreation.

February 24, 1977

Honorable Mayor and

Members of City Council

City of Lansing

Gentlemen:

Attached are the Park Board's 1977 recommendations for the Fees and Charges. Those proposed for change are in Script Type. I feel several require additional explanation to that provided in the schedule.

1. The Fees for the Arts Instructional Programs are based on a formula in which adults will pay for special materials and the total cost of instruction. Youths and Senior Citizens will also pay for materials, but for only one-half the cost of the teacher. The actual charge will be determined by the number of students, cost of instruction, and the number of times the class meets. Youth and Senior rates apply to special Art programs, and not to the playground or afterschool, nor the Senior Center Programs.

2. All changes in the fees for athletic Leagues are based on the formula as noted at the bottom of page 3.

3. Being proposed in the 1977-78 operating budget is the concession operation of the Washington Park Tennis facility. This will include the reservation of tennis courts during evening and weekend hours, as well as food services for the Junior Baseball, tennis, and general park patrons. The fee recommended on page 9 will cover the cost (minus concession supplies which generate some profit) if three of the six courts are rented per hour.

4. Also requested in the budget is the purchase of picnic tables specifically for Riverfront Park. The fee proposed on page 9 is for the transporting of tables from Potter and Frances for major events not sponsored by the city. Rates are based on actual labor charges as documented during 1976.

5. New this year is a recommended fee at Potter Park. This has been proposed by the Friends of the Zoo Society based on the theory that revenue will be used for continued growth, added maintenance, and new programming of the Park and Zoo facility.

The Fees and Charges were approved by the Park Board at their meeting of February 16, 1977. I would appreciate your prompt review and action on these as many involve our spring programs. If you have any questions I will be available to review the schedule with you.

Respectfully submitted,

DOUGLAS FINLEY,
Director,
Parks & Recreation.

Referred to Committee on Parks and Recreation.

February 24, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

The Professional Service agreement with Grables, Mills and Young for design of the Kingsley site improvements includes provision for payment of fees for preformance of work beyond the basic project scope. Such work has been preformed in connection with design, and coordination of installation of off site utilities.

I have reviewed this matter with the Assistant City Attorney and am recommending a Change Order to the GMY contract in the amount of $420.00. Funds are available in the project contingency account No. 253-936-644-974.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

REPORT OF COMMITTEE

The Committee on PARKS AND RECREATION, to whom was referred the recommendation to amend the Professional Service Contract with Grables, Mills and Young (Kingsley site improvement) for performance of additional design services, reports as follows:

The committee concurs in the recommendation to amend the contract for an increase of $420, with funds available in account No. 253-936-644-974.

Signed:

JAMES D. BLAIR,
TERRY J. McKANE,
ROBERT J. HULL,
Committee on Parks and Recretation.

By Councilman Blair—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

February 24, 1977

Honorable Mayor and

Members of City Council

Re: Request for Use of Riverfront Park

Gentlemen:

I have received a request by the T-W-O CB Club to conduct a charitable fund raising event at Riverfront Park in mid-May. Plans tentatively include a carnival, pig roast, and concerts. The Club has proposed the event be operated 48 hours straight, starting late Friday evening, May 13, 1977.

It is within my authority to approve use of the park providing there is (1) no approval of the waiving of existing fees, (2) no committment made involving other city departments, or (3) no variance of ordinances of the City of Lansing involved. Within these limits I will authorize use of the gravel parking area on the Southeast corner of Saginaw and Grand. General permission will also be made for conducting events during hours of general park usage (7:00 a.m. to 11:00 p.m.), and I will require $100.00 be deposited for park cleanup. The cost for additional services (provided by any city department) will be estimated, and will be collected in advance. Overnight camping was originally requested, but will not be permitted.

Should the group wish to conduct events in addition to those I have authorized, they will be advised it will require approval of the City Council or the appropriate administrative agency of city government.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation and Mayor's Office.

February 22, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

The Lansing Traffic Board at their February 9, 1977 meeting reviewed a proposal to cul-de-sac River Street north of Lenawee, and change Cherry Street from one-way to two-way. The Board voted unanimously to support the proposed street and traffic revisions.

The purpose of the revisions is twofold. The present five-legged intersection is large and confusing to motorists which contributes to the accident potential at this intersection. Eliminaion of the River Street connection to the south will make this a more normal four-legged intersection. In addition, provision of a left turn lane for westbound to southbound traffic will then be possible west of the bridge structure. The elimination of this connection of River Street to Kalamazoo should also reduce the amount of thru traffic traveling on River Street.

The Cherry Hill Neighborhood Association has endorsed the concept of cul-de-sacing River Street and changing Cherry Street to two-way traffic. Inclusion of the reconstruction of this intersection in the Kalamazoo Street Bridge project will result in a cost savings over constructing the two projects separately.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary.

Referred to Committee on Public Safety, Committee on Planning and Committee on Public Service and Highways.

February 22, 1977

P-1-77 and P-2-77

Bemark No. 1 and No. 2

Preliminary Plat

Honorable Mayor and

Members of City Council:

The Lansing Planning Board will hold a public hearing on March 15, 1977 at 7:30 p.m. in the City Council Chambers, Tenth Floor City Hall on proposed subdivisions Bemark No. 1 and Bemark No. 2. This is not a matter of rezoning.

The properties are located on the west side of Wexford Road, south of Jolly Road and east of Waverly Road. Both subdivisions are proposed by Roy Markey to be used for residential homes. Present zoning is "A-1" Single Family Residential District. Access to both sites will be from Wexford Road. Bemark No. 1 has a total area of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

12,000 square feet and is to be divided into two (2) lots. Bemark No. 2 has a total area of 15,352 square feet and is to consist of two (2) lots.

This notification is in accord with Section 37-8 of the Lansing Subdivision Regulations. Plans are on file in the Planning Department office for your review.

You are cordially invited to attend this hearing.

Sincerely,

ALAN E. TUBBS,
Director,
Lansing Planning Department.

Received and placed on file.

February 24, 1977

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

Subject: Lease Proposal from Harold B. Davenport

This is to advise you that the Housing and Redevelopment Advisory Board, at its meeting held on February 22, 1977, unanimously recommended that the Lansing City Council solicit proposals from established restaurant operators in the downtown area for a seasonal fast food operation on or adjacent to the Washington Square Mall, prior to further consideration of the lease proposal from Harold B. Davenport dated February 14, 1977. In making this recommendation, the Board expressed its concern that established downtown business concerns, which have made extensive investments in the downtown area, and which pay full real and personal property taxes, should be given the opportunity to fairly compete with temporary operators.

In the event no better proposals are received, or in the event the City Council elects to immediately consider the approval of Mr. Davenport's proposal, it is the Board's opinion that his requests to:

a. Park his pick-up truck on the leased area, and

b. Install concrete ribbons and pads to stabilize the trailer

be denied, as these requests could create parking control problems on the balance of the site and be inconsistnet with the temporary nature of this proopsed operation.

Respectfully submitted,

Ronald G. Stonehouse,
Secretary.

Referred to Committee on Community Development.

February 18, 1977

Mayor Graves and Members of

Lansing City Council

Gentlemen:

Several of you have expressed an interest in the Lansing Coalition on Redlining and Reinvestment. I would like to take this opportunity to extend an invitation to all of you to attend any and all of the meetings of the Lansing Coalition on Redlining and Reinvestment. We meet on the second Tuesday of each month at 7:30 p.m., on the 10th Floor of City Hall in the City Council Committee Room. Since this task force is a citizens task force organized by citizens, of course, it is open to the public and your participation and comments and ideas are more than welcome.

Respectfully yours,

RICHARD J. BAKER,
and
MARGE MAAS,
Co-chairpersons,
Lansing Coalition on Redlining
and Reinvestment.

Received and placed on file.

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem

and Council Members:

In accordance with Ordinance No. 389 (Community Development Ordinance), please find attached my recommendations to serve on the Citizens' District Council for the Northside Area. Please note that two of the appointments are from the development area and three are from the peripheral area, with all terms being three years duration.

Trusting same meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Community Development.

February 25, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem

and Council Members:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

This office has been recently advised by Rev. David P. McClean, that he finds it necessary to resign as a member of the Human Relations Commission because of ill health. Therefore, I am submitting the name of Father Wilfred Logsdon to you for your consideration and confirmation to fill said vacancy, which term expires in June of 1978.

Fr. Wilfred attended Our Lady of Carey College in Carey, Ohio, and was ordained into the priesthood after completing six years of study at Assumption Seminary in Chaska, Minnesota. He has served as a parish priest, a hospital chaplain (St. Lawrence Hospital in Lansing), a prison chaplain at Fox Lake Correctional Institution in Wisconsin, and presently is the Associate Pastor at Holy Cross Church on Lansing's westside.

Fr. Wilfred resides at the Franciscan Friary at 1610 W. Oakland in the City of Lansing.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Personnel.

RESOLUTIONS

By Committees on Public Service and Highways, and Community Development—

Resolved, that the Purchasing Director be and he is hereby directed to advertise, as provided by law, for sealed proposals for the construction of the Neighborhood Development Area No. 2 (East Side) Storm and Sanitary Sewer Separation Contract, PS 47032 in accordance with the plans and specifications on file in the office of the City Engineer. Proposals to be received up to 3:00 P.M., Local Time, Tuesday, April 5th, 1977.

Each proposal to be accompanied with a certified check or bidders bond in the sum of 5% of the proposal.

Right is hereby reserved to accept any proposal, to reject any or all proposals and to waive defects in proposals.

No bids may be withdrawn after the above date and time for receiving bids for a period of forty-five (45) days.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan Chapter of NAHRO will hold its next meeting in Battle Creek, Michigan on February 24 and 25, 1977; and

Whereas, the City of Lansing has been requested to provide a citizen to speak on Citizen Participation in housing and community development; and

Whereas, Mr. William Smith of Citizen's District Council No. 2 has been selected to represent the City of Lansing in this regard; and

Whereas, the Community Development for City Council concurs with the recommendation of the Executive Assistant for Community Development that the account known as Citizen's District Council expense (Acct. No. 251-930-000-830) falls within the intent of that account line item to send a citizen to take part in this activity;

Now, Therefore Be It Resolved, that Mr. William Smith has been approved to attend subject conference at Battle Creek, Michigan to appear as a guest speaker, further, that the Executive Assistant to the Mayor is directed to develop guidelines for the future use of this account in respect to citizen participation travel and lodging for similar activities.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the City of East Lansing requested the City of Lansing to present its position regarding the proposed rezoning of land to enable the construction of the Dayton-Hudson Mall, and

Whereas, the Executive Branch of Lansing City Government developed a position regarding this rezoning, and

Whereas, the Lansing Planning Board has reviewed and endorsed this position paper, and

Whereas, the Council Committee on Planning has reviewed the paper and concurs with the recommendations therein,

Now, Therefore, Be It Resolved that the City Council of Lansing endorses the statement prepared by the Executive Branch regarding the rezoning of the Dayton-Hudson property and furthermore endorses the statement of Mayor Gerald W. Graves, which indicates our willingness to work cooperatively with the City of East Lansing and other governmental units in determining the need for such a facility and methods whereby we may share in the public costs and tax benefits to be received.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, certain monies are available to the City of Lansing under the Office of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Highway Safety Planning to provide funding for schooling in various fields of safety; and,

Whereas, the Assistant City Traffic Engineer's attendance to a Traffic Signal Workshop at Georgia Institute of Technology would be most beneficial to the City;

Now Therefore, Be It Resolved that the Lansing City Council approves the submission of a grant application in the amount of $660.00, the City's share to be taken from Act 51 Funds, to the Office of Highway Safety Planning; and,

Be It Further Resolved that the Mayor and City Clerk be directed to sign the application for this grant and the subsequent contract upon approval by the City Attorney; and,

Be It Finally Resolved that the Program Coordinator is authorized to submit a grant to Office of Highway Safety Planning, Department of State Police.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Blen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Committee on Buildings and Properties and Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Capitol Improvement Plan for the city has included since 1969 the acquisition of a neighborhood park in the Holly Way area near Boston Blvd., Pleasant Grove, and Holmes Road, and

Whereas, funds became available and were appropriated for this purchase in the first year budget of the Community Development program,

Whereas, a five acre property ideally located for neighborhood park usage has been identified, and has been reviewed by the Park Board and the Planning Board, and

Whereas, a neighborhood meeting was held on January 26, 1977 at which residents of the affected area offered significant support for the purchase and development of the site as a park, now

Therefore Be It Resolved, the funds appropriataed in the account No. 253-936-643-974 in the amount of $57,000 be authorized for title search, appraisal, acquisition and other related costs in conformance with Department of Housing and Urban Development guidelines.

By Councilman McKane—

That this be tabled for one week.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

Whereas, since November 29, 1976 the City Council, by resolution, has permitted free parking on Saturdays in the downtown South Washington Mall; and,

Whereas, the free parking concept was so well received by merchants and citizens who conduct business and shop in the central business district, that the Traffic Department was directed to undertake a detailed analysis to determine the feasibility of providing on-going free parking in the South Washington Mall; and,

Whereas, the Traffic Department has submitted its analysis to the Buildings and Properties Committee;

Now, Therefore, Be It Resolved that free parking on Saturdays in the South Washington Mall be extended through March, 1977 to enable the Buildings and Properties Committee to complete its evaluation on the study conducted by the Traffic Department.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Councilman McKane—

That the following transfer of funds that was tabled on February 21, 1977 be taken from the table.

Carried.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

$516,045.00 from Anti-Recession—
Estimated Revenues
A/C 245-000-000-160

$180,000.00 to Local Streets—Road Surface Maint.

ZONING

By Councilman Baker—

Whereas, by petition duly filed on the 6th day of December, 1976, this council was petitioned to change the following described property from "C" Two Family Residence District to "F" Commercial District all as set forth in the Zoning Code of this City, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 21st day of February, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-59-76 — 839 North Pennsylvania Avenue,

more particularly described as:

Parcel No. 3301-10-351-181

Lot 4 of Wiley's Subdivision, City of Lansing, Ingham County, Michigan,

from "C-2" Family Residential District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny the petition as filed, and further recommended approval for rezoning to "D-1" Professional Office District subject to certain conditions; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "C-2" Family Residential District to "F" Commercial District be denied and be it further resolved that the above described property be rezoned from "C-2" Family Residential District to "D-1" Professional Office District, and

Further that the parking areas shall be screened and fenced for the protection of adjacent residences to the south and west; and a site plan for the development of this property shall be submitted to and approved by the Planning Department and Traffic Engineer prior to the issuance of Building Permits. Said site plan shall include the following:

1) Building locations and use,
2) Parking areas, layout and number of spaces,
3) Screening, fencing and landscaping,
4) Permanent wheel stops at the perimeter of all parking areas.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchres as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $11,984,760.02.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Unanimously.

INTRODUCTION OF ORDINANCE(S)

The following ordinance(s) of the City of Lansing, Michigan, providing that the Code of Ordinances be amended by:

a. Repealing of Chapter 12, Article II — Wards, Section 12-7, Precinct — Third Ward, and declaring same to be null and void and of no effect. — (Election).
b. Revising Chapter 12, Article II—Wards, Section 12-7, Precinct, Third Ward, Pursuant to Public Act 182 of 1966, to provide for the boundary lines of Wards and Precincts of the City of Lansing. (Elections).
c. Revising Chapter 27, Section 35 of said Code — (Sewers — amounts — billings)
d. Repealing of Chapter 27, Section 35 (2) — (Rates for Landel Customers).
e. Adding a New Section to Chapter 27 of said Code of Ordinances to be numbered Section 27-35A — (Deposit for Sewer Charges).

was introduced by Councilman Belen, read a first and second time by their title(s) and referred to the Committee on Ordinance and Contracts and City Affairs.

By Councilman Gunther-McKane-Adado—

Resolved by the City Council of the City of Lansing:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and Spira Mart of Lansing entered into an agreement dated November 29, 1976 and approved and accepted December 2, 1976 for the development of a hotel and convention facility in the 100 Block, Parcel 15 in Urban Renewal Project No. 1; and

Whereas, pursuant to the terms of said agreement, Spira Mart of Lansing was to submit certain information and documents in connection with said development within ninety (90) days after approval of the conceptual plan by the Lansing City Council; and

Whereas, the Lansing City Council approved the conceptual plan for the development on November 29, 1976; and

Whereas, said ninety (90) day period expires on or about February 28, 1977; and

Whereas, Spira Mart of Lansing has requested a one (1) week extension of said agreement for the purpose of permitting the City of Lansing to confirm the progress of its financial commitments; now, therefore, be it

Resolved, that the attached agreement extending the original agreement for a period of one (1) week be approved and the Mayor and City Clerk be and are hereby directed to sign the attached agreement after approval as to form by the City Attorney; and be it

Further Resolved, that Ralph Cascarilla be retained as a special Assistant City Attorney at the standard rate of forty dollars ($40.00) per hour plus reasonable out-of-pocket expenses to confirm the progress of Spira Mart's financial commitments and to undertake, perform and coordinate any future negotiations and legal matters between the City of Lansing and Spira Mart relative to the development of the 100 Block of Urban Renewal Project No. 1 and that a member of the financial community be retained accompanying Ralph Cascarilla to confirm the progress of the financial commitments.

By Councilman Belen (Hull)—

That the resolution be amended as follows:

"That in the third line above, strike out 'financial community be retained accompanying' and insert 'That the executive committee of the EDC select a representative either from their board or from the financial community knowledgeable of financial matters'."

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

$1,000.00 from Reserve for Emergencies
A/C 101-941-000-963

$1,000.00 to Contractual Legal Services
A/C 101-210-000-820

I hereby certify that funds are available.

JAMES W. DOWSETT,
Finance Director.

Approved:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Unanimously.

REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director that the bid submitted by Kwik Kar, Wash, Inc., for the washing of city vehicles at approximately $9,450.00 a year at the present average of 320-350 vehicles per month, be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director.

Signed:

LOUIS F. ADADO,
R. J. BAKER,
Committee on Public Safety.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

Bruce Brown, 725 Westmoreland spoke relative Lansing Plant Rehabilitation District No. 4 for Oldsmobile Division and Lansing Plant Rehabilitation District No. 5 for Fisher Body and read and presented a letter he had received from Allison Green, State Treasurer.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:20 P.M.

THEO FULTON,
City Clerk.

Adopted by the following vote:

Unanimously.

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of Dr. Machtel of Lansing Community College Department of Performing and Creative Arts, for permission to hang two banners—across Grand Avenue near Shiawassee and Capitol Avenue near Shiawassee, to announce audition tryout dates in April and May for the production of "Showboat" in August, reports as follows:

The request is in violation of City Policy No. 2, as adopted on April 11, 1960, (Council Proceedings, p. 5) which states: "Resolved, that this Council hereafter, regardless of subject or nature, will grant no requests for the placing of advertising banners or signs over city street." There, it is the recommendation of the Committee that this request be denied.

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a Letter of Intent submitted by Geert D. Mulder and Sons, Developers, to construct storm and sanitary sewers, curb and gutter, grade and gravel and sidewalks in Lancen Village No. 2 and No. 3 Subdivisions.

I recommend the approval of this Letter of Intent.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Letter of Intent submitted by Geert D. Mulder and Sons, Developers, to construct storm and sanitary sewers, curb and gutter, grade and gravel and sidewalks in Lancen Village No. 2 and No. 3 Subdivisions, reports as follows:

That the Letter of Intent be approved subject to the required bonds and insurance certificates and that all work to be as directed by the Department of Public Service. It is also understood that any costs due to changes in the final plat shall be the responsibility of the Developer.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

February 28, 1977

The Honorable Mayor and

Members of the City Council

City Hall

City of Lansing, Michigan

Reference is made to Page 1032 of the 1974 Official Proceedings of the Lansing City Council and more specifically to the unanimous adoption of Unemployment Administrative Regulations as specified in the Committee on Personnel resolution contained therein. Effective January 1, 1975, public employers within the State of Michigan, were mandated the responsibility of providing unemployment compensation benefits under several optional provisions of Act Number 104 of the Public Acts of 1974. The City of Lansing elected the option, "Reimbursing Employer" and has functioned under that option of the Act to this date.

The Administrative Regulations referred to have acted as controls in the areas of number of total weeks of part-time employment as well as minimum number of elapsing weeks after termination of such employment and prior to re-employment. These controls served their primary purpose which has been to limit the City's financial liabilities in the area of unemployment compensation. For the period January 1, 1975 through December 30, 1976, the City of Lansing has expended $113,051.00 of paid unemployment compensation claims, which amount is within the forecasted and actual budgetary appropriations for such purpose. The FY 1976-'77 budgetary appropriation totals $150,000.00.

Recently, certain council members, and others have questioned the desirability of adherence to the existing controls pointing to certain programs and scheduling problems caused by the controls enforcement which has been a responsibility of the City Personnel Department. The City's Parks and Recreation Director has furnished the Council Committee on Parks and Recreation with several suggestions for alleviating the referred to program and scheduling problems, as far as recreational Contract Payroll personnel are affected, under date of February 17, 1977. The Personnel Department has analyzed such suggestions in the light of frequently changing Michigan Employment Security Commission guidelines and Rules of Procedure for the litigation of disputed claims and with consideration for the possible financial impact surrounding unemployment compensation future liabilities covering non-contract payroll, full-time, seasonal personnel employed generally from May 1 through October 1 each year.

At its meeting held on February 28, 1977, the Council Committee on Personnel discussed and evaluated two alternative proposals presented to it by the City Personnel Director, with the consensus being to place the enclosed Committee Resolution on the Council Agenda for March 7, 1977. This Resolution provides as follows:

I — The existing resolution which was effective November 25, 1974, and published on Page 1032 of the 1974 Council Proceedings shall be amended by rescinding Unemployment Administrative Regulations I, II, and III.

II — New Unemployment Administrative Regulations I, II, III, IV, and V shall be taken verbatim from the recommendations of the Parks and Recreation Director as found in his letter dated February 17, 1977,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

excepting that the words, "and the City Personnel Director," shall be added to the first sentence of Regulation number four.

III — The Director of Finance shall be notified, upon passage of the resolution, that the existing fiscal year appropriation of $150,000.00 for unemployment compensation shall be increased to $250,000.00 for fiscal year 1977-'78 in order to meet the estimated cost of the proposed relaxation of Administrative Regulations as outlined above.

I have recommended all of the above to the Council Committee on Personnel as methods whereby greater continuity may be achieved within certain recreational programs which appear to be hampered by the existing limitations to duration of part-time employment. In recognition of the fact that the financial impact upon the City budget can be increased by actions of the Legislature and Governor of the State, or indeed by Administrative decisions of the Michigan Employment Security Commission, I feel that, barring future amendments of substance to the primary Act, the City would be wise to increase its budgetary appropriations as outlined in order to liberalize the existing regulations.

Respectfully submitted,

D. J. BODWIN,
Personnel Director.

Referred to Committee on Personnel.

March 3, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-686 Asphalt Cement

Gentlemen:

Attached is the tabulation of three bids for the purchase of approximately 2,000 tons of asphalt cement, which were opened at 3:00 P.M., E.S.T. on Tuesday, March 1, 1977.

We received two identical bids at $74.60 per ton, and both are subject to escalation due to the nature of the product. We recommend that the bid submitted by the Amoco Oil Company at $74.60 per ton be accepted. Amoco supplied our asphalt cement last year and did an excellent job. Marathon states their shipments would be subject to available allocation.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

ROBERT R. BACKUS,
Public Service Director.

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the recommendation of the Purchasing Director and the Director of Public Service that the bid submitted by Amoco Oil Company for the purchase of approximately 2,000 tons of asphalt cement, be accepted, reports as follows:

Gentlemen:

The Board of Public Service to whom was referred the Preliminary Plat of Bemark Subdivision No. 1 and No. 2 recommends

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

that because storm and sanitary sewers are available that the Preliminary Plat of Bemark Subdivision No. 1 and No. 2 be approved.

Respectfully submitted,

BARBARA GARLOCK,
Secretary.

Referred to Committee on Public Service and Highways.

March 3, 1977

Honorable Mayor, City Council Members

and Citizens of Lansing:

We would like to take this opportunity to invite you to attend the Statewide Conference on Redlinging, Disinvesment and Reinvestment. The conference is being held on Saturday, March 12, beginning at 9:30 a.m., here in Lansing at the Civic Center, Prudden Auditorium. A brochure is attached for your information.

This conference will have as its keynote speaker, Ms. Gale Cincotta who is the President of the National People's Action, Chicago, Illinois. She and her organization are generally credited with being the driving force in the passage of the first anti-redlining national law in 1976.

This conference will kick off a massive statewide citizen's effort to enact strong anti-redlining state legislation and promote reinvestment in our state's urban centers.

This conference is a significant and unique event which we feel you will find it well worth your time. This is the first time that such a people's statewide conference has been held on Redlining.

We hope you can attend.

Respectfully yours,

RICHARD J. BAKER,
ROBERT J. HULL,

Received and lpaced on file.

February 24, 1977

Mayor Graves and

Fellow Council Members

City Hall

Lansing, Michigan

Gentlemen:

The attached letter from the Allied Industrial Workers of America, Local No. 182 is self-explanatory. They are requesting that the present meters in the 1600 Block of North Larch Street be changed from 30-minute meters to two-hour meters. This will facilitate workers who are coming to the building to go to medical and insurance benefit offices to utilize them without getting overtime parking.

I would appreciate the Traffic Department expediting this request and getting these meters changed as rapidly as possible.

I will be happy to assist or answer any further questions that may arise.

Respectfully yours,

RICHARD J. BAKER,
Councilman-at-Large.

Referred to Traffic Board.

March 3, 1977

Honorable Mayor Graves and

Members of City Council

Dear Colleagues:

I wish to commend you for your consideration of the attached proposal by Mr. Gary Andrews and the Popular Arts Workshop.

During our nation's Bicentennial, this City and its residents engaged in a whole host of activities that were as varied and imaginative as are the residents of this City. Perhaps the one event and activity that most represented the Bicentennial thought was the Ethnic Festival held over the 4th of July. Thousands, even tens of thousands of Lansing's residents participated in and enjoyed this unique cultural and historical event. And it was good! We need to continue to have such events this year and in the future as a means of celebrating our heritage. However, we also need to commemorate and celebrate that first Ethnic Festival held during our Bicentennial.

The Popular Arts Workshop proposes to render an outdoor mural for the citizens of Lansing. The mural, as proposed, not only depicts 200 years of freedom and progress, but also depicts the multi-ethnic heritage of our country, the variety of people who have come to this country and worked together to create its greatness today!

As you read the proposal, you will note several key concepts:

1. The mural will be rendered on the abutment of the Shiawassee Street Bridge within Riverfront Park at the very center of the 1976 Ethnic Festival.
2. The final mural design will be rendered by the artists only after extensive meetings and consultations with all ethnic groups in the City.
3. The mural will be a permanent commemoration and celebration of Lansing's heritage.
4. The mural in this protected location can be expected to last for at least a decade, probably many more years after that.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

On behalf of the Popular Arts Workshop, I would appreciate your review and subsequent approval of this proposal to provide a commemorative mural to the citizens of Lansing. The Popular Arts Workshop stands ready to answer any questions you may have in this regard.

Respectfully yours,

RICHARD J. BAKER,
Councilman-at-Large.

Referred to Committee on Buildings and Properties, Committee on Finance and Committee on Parks and Recreation.

March 3, 1977

Honorable Mayor and

Members of City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

The Elected Officers Compensation Commission has scheduled meetings for March 8, 15, 22, and 29, 1977. Hopefully, this will complete our business.

The Commission hereby requests that funds be made available to hire a secretary for approximately two hours each meeting night and four hours for the transcription and preparation of the minutes, a total of 24 hours as it stands now. Also, we understand that a typewriter will be available and a recording machine as well. No expense is anticipated for either one.

We appreciate your cooperation.

Sincerely,

ANTONIO BENAVIDES,
Chairman,
Elected Officers Compensation Commission.

By Councilman Blair—

That this be referred to Committee on Finance with power to act.

Carried.

March 1, 1977

Honorable Mayor Pro-Tem and

Members of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

This is to advise that I am requesting the confirmation of the re-appointment of Councilman Jack Gunther to serve as a member of the Economic Development Board of Directors which term expires in February of 1983.

Trusting this re-appointment meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

By Councilman Baker—

That we concur in the recommendation of the Mayor.

Carried.

March 1, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

This is to advise that I am submitting to you for your consideration and confirmation, the name of Fredric S. Abood, to fill a vacancy on the Downtown Development Authority formerly held by Peter Houk, which term expires in February of 1981.

Mr. Abood graduated from St. Mary's High School, attended Michigan State University and received a B.A. in Education from Nebraska State Teacher's College and an LLB from Creighton University in 1954. Mr. Abood has taught at Walter French Junior High School in Lansing; served as an Assistant Attorney General for the State of Michigan; and, entered private practice in 1960, specializing in criminal law and is presently the Senior Partner in the law firm of Abood, Abood & Abood, located at 117 E. Allegan, and is a part-time instructor at Cooley Law School teaching Criminal Practice and Criminal Procedure.

Mr. Abood is a member of the American Bar Association, State Bar of Michigan, Ingham County Bar Association (Past President of the Young Lawyer's Section), Criminal Defense Bar Association and Past President of the National Association of Criminal Defense Lawyers.

Mr. Abood and his wife, Pat, are the parents of 10 children and reside at 1510 Moores River Drive in the City of Lansing.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Planning.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

March 1, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

On Monday, February 28, Councilman James Blair advised of the outdated approach being used to clean the basement parking area of City Hall. Questions then arose as to why the Manpower Office was supervising the project in question; why the Public Service Department was not doing same; and, upon whose authority was such work being done? I was asked to provide you with a reply.

Following the Regular Session of Council which ended at approximately 9:00 p.m., I took time to visit the works in action. I noted that the employees were busy and that they were using proper long-handed brushes, cleaning solutions and hot water. Pillars, not cleaned in 20 years, were at long last free of grease, grime and dust—in short, a job was being done.

Concerning the questions at hand, the following is my report:

December 6, 1976, Council approved the preparation of proposals for CETA, Title I work Experience Projects. Phase I was to fund work experience for hard-core unemployed, the primary objective being the clean-up and refurbishing of City Hall. The resolution states that the Manpower Office would work in cooperation with Public Service for Phase I and in cooperation with Parks and Recreation for Phase II. (See December 6, 1976, Resolution attached).

In the proposal package, it was specified that the Manpower Office would have administrative and operational control over the cleanup of City Hall. The Mayor's Office and Councilmen McKane, Baker and Hull received copies of the proposal for their review. Attached is the page from the proposal which specifies administrative and operational control under the Manpower Office.

Following is a breakdown of administration and participants involved in Phase I, City Hall Clean-up:

Project Coordinator VI

Administrative Aide IV

Employment Counselor V

Group Leader IIIA (2)

Participants to be Served (58)

The total budget for Phase I is $80,551.

On February 7, 1977, Council approved CETA, Title I Contract No. 889.32. Attached is a copy of the Resolution.

As of this date, twenty participant positions have been filled—ten enrolled the week of February 21, 1977, with an additional ten added February 28, 1977.

In short, you as the City Council, and contrary to your belief, directed the establishment of the operation as it is now ongoing.

Sincerely,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

March 1, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

On Monday, February 28, a request by the T-W-O-CB Club to conduct a charitable fund raising event at Riverfront Park, in mid-May, was referred to me for reply by the Council's Committee on Parks and Recreation, and with your approval. The following is my reply.

The T-W-O-CB Club, in a very loosely knit proposal to the Parks Department and the Council's Committee on Parks and Recreation, proposed that the event in question be operated 48 straight hours, starting late Friday evening, May 13, the funds from which would be turned over to Muscular Dystrophy. Overnight camping was requested. The loosely knit plans include a carnival, pig roast and "concerts."

Douglas Finley, Director, Parks and Recreation Department, advised you as follows:

"It is within my authority to approve use of the park providing there is (1) no approval of the waiving of existing fees, (2) no commitment made involving other City departments, or (3) no variance of ordinances of the City of Lansing involved. Within these limits I will authorize use of the gravel parking area on the Southeast corner of Saginaw and Grand. General permission will also be made for conducting events during hours of general park usage (7:00 a.m. to 11:00 p.m.), and I will require $100.00 be deposited for park clean-up. The cost for additional services (provided by any City department) will be estimated, and will be collected in advance. Overnight camping was originally requested, but will not be permitted."

I am in accord with his recommendations. The basic hours recommended by Mr. Finley should impose no hardship on anyone, and are very similar to those used during the Ethnic Festival and the Oktoberfest,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

both which were incident free and very, very successful.

I am also recommending that Mr. Finley designate the areas for exclusion especially those areas which will have just been planted previously with new grass seed.

I am recommending that the T-W-O-CB Club officially name its representatives to meet with the following committee, so that the matter can be fully coordinated and so that it can proceed in a proper fashion: Councilman James Blair, Chairman; Douglas Finley, Director of Parks and Recreation; Gordon Adsit, Lansing Fire Department, Fire Marshal; Richard Gleason, Chief, Lansing Police Department, or his designee; James Holcomb, Emergency Operations Director; Robert Backus, Director, Public Service Department, or his designee; and, William Courtright, Regional Director of the Muscular Dystrophy Association.

Trusting this meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

By Councilman Blair—

That this be referred back to the Mayor's Office to the attention of Mr. Black.

Carried.

RESOLUTIONS

By Committee on Public Service and Highways and Community Development—

Resolved by the City Council of the City of Lansing:

That the low bid of McNamara Construction Co., Inc., for the Neighborhood Development Area No. 1 Storm and Sanitary Sewer Separation Contract, PS 35027, in the amount of $274,706.00, and an additional 15% in the amount of $41,205.90, is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this contract, $315,911.90, be accepted. (City's portion for this contract to be financed from Accounts No. 258-445-641-973 and 258-527-641-973.) This acceptance is subject to the approval of the Detroit Area Office of the Department of Housing and Urban Development (HUD), however, failure by HUD to respond to the request for approval within fifteen (15) days shall be considered as approval.

After the award, the successful bidder shall be required to execute the contract as specified within ten (10) days after the prescribed forms are presented to him for signature as stipulated in the Instruction to Bidders section of the contract.

Be It Further Resolved That the Mayor and City Clerk be directed to execute a contract with the said McNamara Construction Co., Inc., on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract as to form, and of the bonds and insurance certificates by the City Attorney, and upon certication of the City Controller as to the availabiliy of funds.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That Councilman James D. Blair be designated as the City of Lansing member to serve on the Governor's Special Study Committee on Municipal Growth Problems.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, stalls at the City Market are rented on a yearly, summer seasonal, winter seasonal, monthly, or daily basis; and

Whereas, the existing Market Rules and Regulations require the market vendors to obtain insurance; and

Whereas, the insurance requirement has been both impractical and unworkable;

Now, Therefore, Be It Resolved that the revised City Market Rules and Regulations are hereby approved, effective May 1, 1977; and

Be It Further Resolved that the market stalls shall be rented on a yearly, seasonal, monthly, or daily basis with the summer season from May 1st through December 31st and with the winter season from January 1st through April 30th, and the following rates shall be charged each vendor:

Yearly Rental	$700.00
Seasonal 8 months Summer	525.00
Seasonal 4 months Winter	260.00
Monthly	75.00
Daily	12.00

and,

Be It Further Resolved that the revised Market Rules and Regulations shall not require the vendors to obtain insurance; and

Be It Finally Resolved that the City Market Rules and Regulations, as approved, shall be posted at the City Market and shall be available to all vendors.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Baker (Belen)—

That on page 2 of the City Market Rules and Regulations under item 11. Alteration of Stalls—in line 6—strike out "Committee on City Affairs" and insert "Council Committee on Buildings and Properties."

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Councilman Baker—

Move for 5 minute recess.

Carried.

Recessed at 9:00 p.m.; reconvened at 9:05 p.m.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Everett High School Chorale were the guest of students of the Adolf Fredrik School in Stockholm, Sweden, in 1976; and

Whereas, the 50-voice choir and instrumental ensemble from the Adolf Fredrik School in Stockholm are visiting Lansing and members of the Everett Chorale in a return visit March 4-13, 1977; and

Whereas, the Adolf Fredrik School was founded in 1939, has developed many fine musical traditions, and has earned a distinguished reputation for its emphasis in music; and

Whereas, this visit to Lansing is the first American concert tour by the Adolf Fredrik School; and

Whereas, the students of Adolf Fredrik School have presented varied musical programs clearly demonstrating their devotion to high standards of musical excellence and displayed an equally commendable zeal for international friendship and goodwill;

Now, Therefore, Be It Resolved that the Mayor and City Council welcome the students and staff of the Adolf Fredrik School to Lansing and commend them for their praiseworthy efforts; and

Be It Further Resolved, that Friday, March 11, 1977 be designated as Adolf Fredrik School Day in Lansing in appreciation and recognition of their contributions to music and international understanding; and

Be It Finally Resolved that a copy of this resolution be presented to the ADOLF FREDRIK SCHOOL CHOIR as evidence of the high regard in which they are held by the people of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 1926 W. Holmes Rd. (3 buildings) described as: The West 82¼ feet of the East 327.5 feet of that part of the Southwest ¼ of Section 29, T4N, R2W, Lansing Township, now City of Lansing, lying South and East of the Lake Shore and Michigan Southern Rd., subject to restrictions and easements of records, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on January 13, 1977, at which the Hearing Officers determined that said building was an unsafe or dangerous building and ordered the building demolished or otherwise made safe; and,

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Housing Code and the housing law of Michigan; and,

Whereas, the City Council scheduled a hearing on February 28, 1977, to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said building should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demolition or making safe of said building; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing Officers to demolish or otherwise make safe the said building within twenty (20) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located, and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thrity (30) days after mailing by the City Assessor of the notice of the amount thereof, the

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes in the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 6345 Grovenburg Rd., described as: Lots 11 and 12 and the South 32 feet of Outlot B of the Plat of Kraus Acres, being a part of the west ½ of the Northwest ¼ of Section 8, T3N, R2W, City of Lansing, Ingham County, Michigan, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on January 13, 1977, at which the Hearing Officers determined that said building was an unsafe or dangerous building and ordered the building demolished or otherwise made safe; and,

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Housing Code and the housing law of Michigan; and,

Whereas, the City Council scheduled a hearing on February 28, 1977, to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said building should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demolition or making safe of said building; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing Officers to demolish or otherwise make safe the said building within twenty 20) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located, and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes in the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 1424 Reo Avenue, described as: North 55 ft., Lot 13, Johnson's Addition, and North 51 ft., Lot 8, Reo Avenue Addition, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on January 13, 1977, at which the Hearing Officers determined that said building was an unsafe or dangerous building and ordered the building demolished or otherwise made safe; and,

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriatae action under the Housing Code and the housing law of Michigan; and,

Adopted by the following vote:

Unanimously.

Councilman Baker left the session.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Human Resources Department, and the County of Ingham entered into a contract effective from July 1, 1976 through June 30, 1977 for Two Hundred Thousand and 00/100 ($200,000.00) Dollars to provide a Health Services Program (PN-217); and

Whereas, the County of Ingham had previously received Pediatrician coverage as a donation prior to the opening of the Michigan State University Medical Clinic; and

Whereas, Pediatric services are a necessary component of the Community Health Services contract entered into by the County of Ingham and the City of Lansing, the County of Ingham now finds it necessary to pay the salary of a Pediatrician; and

Whereas, the Count of Ingham is losing the Funding Coordinator and wishes to have an uninterrupted transition of a new person to fill said position, the County of Ingham desires to hire a Funding Coordinator trainee for two weeks to be trained by the departing Funding Coordinator prior to his/her filling the position; and

Whereas, the amount of the funds to be transferred, Nine Thousand, One Hundred Twelve and 00/100 ($9,112.00) Dollars from Account Number 9003, Part Time Personnel, is made available due to attrition and will not increase the Contract Budget; and

Whereas, the County of Ingham agrees to amend the contract according to the following revision:

	From	To
Full Time Personnel	$106,781	$107,015
Part Time Personnel	43,219	34,107
Contractual Services	21,000	29,878
Operating Expenses	29,000	29,000
TOTAL	$200,000	$200,000;

now, therefore be it

Resolved, that the Mayor and City Clerk are hereby directed to sign said proposed Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to availability of funds by the Finance Director of the City of Lansing and the Community Development Fiscal Officer.

Adopted by the following vote:

Unanimously.

Councilman Baker returned to the session.

By Finance Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing entered into a grant agreement with the United States of America—Department of Housing and Urban Development (Contract No. NFP-MI-05-28-1031) to carry out the development of a West Side Neighborhood Facility, to be known as Kingsley Place Community Center; and

Whereas, the contract requires an audit to be performed by an independent audit firm; and

Whereas, the City used as match for this grant funds received from the City Demonstration Agency (CDA) Grant; and

Whereas, it is required under the C.D.A. Grant that an audit of these funds be performed; and

Whereas, the Firm of Layton & Richardson, P.C., C.P.A.'s have been retained in the past to audit Model Cities (CDA) subgrantees, it is the recommendation of the City Finance Director to engage Layton & Richardson, P.C., C.P.A.'s to perform the combined audit of the Neighborhood Facility and the Cooperative Agreement PN-57 between the City Demonstration Agency and the City for a cost of $1,540.00 ($22.00/hour not to exceed 70 hours); and

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby directed to sign the attached agreement with Layton & Richardson, P.C., C.P.A.'s upon approval by the City Attorney as to form and certification by the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

By Finance Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the U.S. Department of Housing and Urban Development, have entered into an Agree-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

ment providing the City of Lansing with a grant to plan and implement a Community Development Program; and

Whereas, a substantial portion of the program deals with Housing, and another substantial portion deals with Human Services; and

Whereas, Accounting for both the Housing activity and Human Resources subgrantees entails extensive use of the City's computer center; and

Whereas, the evaluation and management of the housing requires extensive data; and

Whereas, the Community Development Departments, along with the Data Processing Center, have developed a program which requires for the most efficient operation of the Centralized Accounting and Residential Rehabilitation Program a Cathode Ray Tube (CRT) with editing (Hazeltine Model—Modular 1) and a printer (Printronix 300 Basic Unit Printer); and

Whereas, it has been determined to be in the City's best interest to use these pieces of equipment under a lease purchase arrangement;

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby directed to sign a Lease-Purchase Agreement with AAM Corp Financial Services Corporation for:

1 Printronix 300 Printer

1 Pedestal

1 RS 232 Interface

In the amount of $183.00/month for 33 months with an initial set up fee of $549.27 for a total of $6,589.09 upon approval of the City Attorney as to form and certification by the City Controller as to the availabiliy of funds; and

Be It Further Resolved that the Mayor and City Clerk are directed to sign a Lease-Purchase Agreement with Hazeltine Leasing Company for 1 Modular One Video Display Unit for a period of 3 years at a monthly rate of $90.10 for a total of $2,703.00, upon approval of the City Attorney as to form and certification by the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

Councilman Blair asked that the Committee on Finance and Committee on Parks and Recreation be added to the following report.

Carried.

By Committee on Buildings and Properties, Committee on Finance, and Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Directors of Planning and Parks and Recreation have recommended consideration of removal of two deteriorated buildings on the CATA property to benefit construction of the Red Cedar Link Project, and

Whereas, this removal was reviewed by the Capital Improvements Technical Planning Committee, and by a sepcial Ad Hoc committee established for that purpose and the recommendation for removal was concurred in, and

Whereas, the Director of CATA has reviewed this plan and has also recommended removal of these structures as they are proposed for future removal separate from the Link project, and

Whereas, Brown Brothers, General Contractor for the Link Project, has estimated demolition costs including contingency at $7000, and

Whereas, said contractor has an estimated savings of $2,500 in the Link Project by eliminating the necessity to construct walk over the river in that section along the CATA property, and

Whereas, funds in the amount of $4500 are available in account 101-269-011-931,

Now, Therefore Be It Resolved that a change order with Brown Brothers be authorized for demolition of the structures and re-routing of the Link.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, Continental Cable TV Company initiated a proposal to interconnect both "A" and "B" cable with the "A" and "B" cable of National Cable TV Company of East Lansing; and

Whereas, the City of Lansing and City of East Lansing have increasingly been seeking ways in which they can work out cooperative means of solving joint problems and working on new opportunities; and

Whereas, such interconnection would provide Lansing and East Lansing residents with a unique opportunity to view each others access channels; and

Whereas, the East Lansing Cable Commission and East Lansing City Council are presently considering whether or not to permit such a connection and the conditions thereof; and

Whereas, Lansing's Cable TV ordinance permits a Lansing franchise to interconnect with adjacent cable franchises; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, East Lansing's Cable TV ordinance mandates that they will interconnect with any available adjacent cable company;

Now, Therefore, Be It Resolved that the City of Lansing urges National Cable TV, subject to approval by the East Lansing City Council, to interconnect their "A" and "B" cables from central distribution point to central distribution point to Continental's in a two-year demonstrations; and

Be It Further Resolved that specifically, Continental is encouraged to transmit its public, educational and governmental access channels and LCC channel to East Lansing on National Cable TV and receive from National Cable TV and transmit to all of its (Continental's) subscribers, National Cable TV's public, educational and governmental access channel, in pursuant to the agreement of the MSU Board of Trustees, to transmit two (2) MSU TV channels; all of these channels to be discrete and separate and National is encouraged to do the same.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

Whereas, by resolutions adopted on October 28, 1974 and on November 25, 1974, the City of Lansing, Michigan, a municipal corporation, elected to become a "Reimbursing Employer" as provided by Act Number 104 of the Public Acts of 1974, and,

Whereas, the Administrative Responsibility and Authority for compliance and enforcement of all of the provisions of said Act has been assigned to the City Personnel Department, and,

Whereas, certain existing Unemployment Administrative Regulations, have and are serving a legitimate cost control function, their enforcement has also contributed to program and employee scheduling problems primarily within the City's supervised recreational activities, and,

Whereas, it appears to be extremely difficult, if not impossible, to structure and schedule a variety of recreational activities within the existing parameters of such Unemployment Administrative Regulations, now,

Therefore Be It Resolved:

I—The existing Committee on Personnel Resolution with the effective date of November 25, 1974, and as published on Page 1032 of the 1974 Council Proceedings shall be amended by rescinding Unemployment Administrative Regulations I, II, and III.

II — New Unemployment Administrative Regulations shall read as follows:

I—Sports schedules will be adjusted to assure continuous employment opportunities for those officials who are qualified to referee the variety of different sports programs offered by the City. A basic cadre of approximately thirty-five officials will be organized and employed for this purpose. This group will be supplemented by two separate groups of officials necessary for covering peak programming periods. The first group will be comprised of individuals qualified to officiate only one sport, and who would be eligible to have weekly earnings of over $25.00. Members of this team will be employed for a period of not to exceed 15 calendar weeks. The second group will officiate league programs with maximum earnings not to exceed $25.00 per week. Employment will be for the duration of the program.

II—Programs and services which are not part of a sequence of similiar activities, nor, by their nature run on a season longer than 15 weeks will be limited to 15 weeks of employment.

III—Employees working in a program running less than 15 weeks, and earning less than $25.00 per week may be reemployed for subsequent activities with the maximum earning rate of $25.00 per week. Termination will be for normal reasons, unrelated to unemployment regulations.

IV—Employees working in a program running less than 15 weeks, and earning more than $25.00 per week, may be reemployed prior to being off the payroll for 31 weeks, or employed beyond the 15 week limitation only upon approval of the Director of Parks and Recreation and the City Personnel Director. Approval shall not be construed as mandatory and may be granted after a review of efforts taken to identify and employ qualified individuals currently outside of City employment or those creating a minimum potential for unemployment obligations.

V—Employees working in programs or services which by their nature extend beyond 15 weeks, including the supervision of Senior Citizen, Drop-In, and Community Center programs; the Golf Course Starters, Zoo Contract Area Attendants, and Park Watchmen employed on a 12 month basis, will be exempt from the limitations on term of employment, or earnings. Also Supervisors of Programs for the Handicapped, because of the special skill and experience required to perform such work, will be exempt from such limitations, and be it

Further Resolved: Upon the effective date of final adoption of this resolution, the Director of Finance shall be notified that the existing fiscal year appropriation of $150,000.00 for unemployment compensation benefits shall be increased to an amount of $250,000.00 for FY 1977-'78 in order to fund the estimated cost of the foregoing relaxation of Unemployment Administrative Regulations.

EDWARD C. PERRY,
City Controller.

Adopted by the following vote:

Unanimously.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-1-77 — (Property on Hazelwood Drive)

be re-zoned from "A" One Family Residence District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 28th day of March, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 6th day of December, 1976, this council was petitioned to change the following described property from "A" One Family Residence District to "D-1" Professional Office District all as set forth in the Zoning Code of this City, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 21st day of February, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-58-76 — Logan Street and Haag Road,

More particularly described as:

Commencing at the center Section 5; thence north 1° 30′ west on the north and south ¼ line 341.22 feet to the intersection with the centerline, M-99 Highways, south 43°10′ west 326.7 feet, south 41°40′ east along fence 354.42 feet to the north and south ¼ line, north 01°30′ west 163.02 feet to beginning, Section 5, T3N, R2W, City of Lansing, Ingham County, Michigan,

from an "A-1" Single Family Residential District to a "D-1" Professional Office District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred therewith;

Now, Therefore, Be It Resolved that the petition to change the zoning of the above described property from "A-1" Single Family Residential District to a "D-1" Professional Office District be approved; and

Be It Further Resolved that:

1) A detailed site plan be submitted by the petitioner to the Planning Department and the Traffic Engineer for approval, including;

a) ingress and egress

b) parking lot layout

c) number of spaces

d) location of buildings, and

e) location of buildings to allow for either the relocation of the intersection of Haag Road and Logan Street or the possible closing of Haag Road,

2) A landscaping and screening plan be submitted for approval by the Planning Department.

3) All approved landscaping and screening be installed on the site within one year of building occupancy.

4) Site access be limited to Haag Road and no curb cuts be issued for South Logan Street.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $5,631,039.70.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

That we reconsider the resolution on the rezoning of Z-58-76 — Logan Street and Haag Road.

Carried.

By Councilman Baker—

That in the last line Item-4 it be amended to read as follows:

4) Site access be limited to Haag Road and no curb cuts be issued for South Logan Street unless Haag Road is closed at some future point in time.

Adopted by the following vote:

Unanimously.

INTRODUCTION OF ORDINANCE(S)

The following ordinance(s) of the City of Lansing, Michigan, providing that the Code of Ordinances be amended by:

Revising Section 9B-4, Section 9B-5, and Section 9E-7 of said Code (Building Code—Mechanical and Electrical portions—Examination and license required—liability policy and insurance required), was introduced by Councilman Belen, read a first and second time by its title(s) and referred to the Committee on Ordinance and Contracts and City Affairs.

ORDINANCES

By Councilman Belen—

The Committee reported that it had considered the following ordinances providing, that the Code of Ordinances, City of Lansing, Michigan, be amended by:

a. Repealing of Chapter 12, Article II — Wards, Section 12-7, Precinct — Third Ward, and declaring same to be null and void and of no effect—(Elections).

b. Revising Chapter 12, Article II—Wards, Section 12-7 Precinct — Third Ward, Pursuant to Public Act 182 of 1966, to provide for the boundary lines of Wards and Precincts of the City of Lansing—(Elections).

and recommended that the ordinances be passed.

Carried.

ORDINANCE NO. 443
(Elections)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of Chapter 12, Article II—Wards, Section 12-7, Precinct—Third Ward and declaring same to be null and void and of no effect, be placed on order of immediate passage.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of Chapter 12, Article II—Wards, Section 12-7, Precinct—Third Ward and declaring same to be null and void and of no effect, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 443

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING FOR THE REPEAL OF CHAPTER 12, ARTICLE II—WARDS, SECTION 12-7, PRECINCT—THIRD WARD, AND DECLARING SAME TO BE NULL AND VOID AND OF NO EFFECT.

The City of Lansing Ordains:

Section 1. That Chapter 12, of the Code of Ordinances, Article II, Wards, Section 12-7, Precinct—Third Ward is hereby repealed and declared null and void and of no effect.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Carried.

ORDINANCE NO. 444
(Elections)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Chapter 12, Article II—Wards, Section 12-7, Precinct—Third Ward, Pursuant to Public Act 182 of 1966, to provide for the boundary lines of Wards and Precincts of the City of Lansing, be placed on order of immediate passage.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Chapter 12, Article II—Wards, Section 12-7, Precinct—Third Ward, Pursuant to Public Act 182 of 1966, to provide for the boundary lines of Wards and Precincts of the City of Lansing, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 444

AN ORDINANCE IF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHGAN, BE AMENDED BY REVSING CHAPTER 12, ARTICLE II — WARDS, SECTION 12-7, PRECINCT—THIRD WARD, PURSUANT TO PUBLIC ACT 182 OF 1966, TO PROVIDE FOR THE BOUNDARY LINES OF WARDS AND PRECINCTS OF THE CITY OF LANSING.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, be amended by revising Chapter 12, Article II—Wards, Section 12-7, Precinct Third Ward to read as follows:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

ARTICLE II — PRECINCTS

Section 12-7. Precincts—Third Ward

The Third Ward of the city shall be divided into twenty-one (21) election precincts to be known as election precincts, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th Eaton, 20th Eaton and 21st Eaton, described as follows:

1st Precinct of the Third Ward shall consist of all that portion of said ward, described as follows: Commencing at the intersection of South Washington Avenue and Dunlap Street, thence west along the center line of Dunlap Street to the center line of South Logan Street, thence south along the center line of South Logan Street to the center line of West Holmes Road, thence east along the center line of West Holmes Road to the center line of South Washington Avenue, thence northeasterly along the center line of South Washington Avenue to the point of beginning.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Carried.

By Councilman Blair—

That the reolution tabled on February 28, 1977 be taken from the table.

Carried.

By Committee on Buildings and Properties and Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, The Capitol Improvement Plan for the city has included since 1969 the acquisition of a neighborhood park in the Holly Way area near Boston Blvd., Pleasant Grove, and Holmes Road, and

Whereas, funds became available and were appropriated for this purchase in the first year budget of the Community Development Program.

Whereas, a five acre property ideally located for neighborhood park usage has been identified, and has been reviewed by the Park Board and the Planning Board, and

Whereas, a neighborhood meeting was held on January 26, 1977, at which residents of the affected area offered significant support for the purchase and development of the site as a park, now

Therefore Be It Resolved, the funds appropriated in the account No. 253-936-643-974 in the amount of $57,000.00 be authorized for title search, appraisal, acquisition and other related costs in conformance with Department of Housing and Urban Development guidelines.

Adopted by the following vote:

Unanimously.

By Councilman Belen-Gunther-Hull—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Request of Ingham County Democratic Party for 24-hour liquor permit for March 12, 1977, at the Democratic Headquarters—5024 So. Cedar St.

Referred to Committee on Ordinance and Contracts and City Affairs.

Request from Tri-County Emergency Medical Services Council for permission to sponsor a "Survival Tag Day" on March 18 and 19, 1977.

Referred to Committee on Ordinance and Contracts and City Affairs.

Letter from the Businessmen in the downtown area in regard to lease proposal from Harold Davenport of "Hal's Chuck Wagon."

Referred to Committee on Community Development.

REPORTS OF COMMITTEES

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of Ingham County Democratic Party for permission to serve alcoholic beverages at the party headquarters 5024 S. Cedar, at a fund raiser on March 12, 1977, reports as follows:

The Committee recommends permission be granted provided the special 24-hour liquor permit will be obtained from Michigan Liquor Control Commission.

Signed:

LUCILE BELEN,
R. J. BAKER,
JACK D. GUNTHER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on ORDINANCES AND CONTRACTS AND CITY AFFAIRS, to whom was referred the request of Tri-County Emergency Medical Services Council for permission to sponsor a "Survival Tag Day" in the City of Lansing, March 18 and 19, 1977, reports as follows:

The Committee recommends permission be granted subject to obtaining the Charitable Solicitation Permit from the City Clerk's office.

Signed:

LUCILE BELEN,
R. J. BAKER,
JACK D. GUNTHER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and Spira Mart of Lansing entered into an agreement dated November 29, 1976 and approved and accepted Decmeber 2, 1976 for the development of a hotel and convention facility in the 100 block, Parcel 15 in Urban Renewal Project No. 1; and

Whereas, pursuant to the terms of said agreement, Spira Mart of Lansing was to submit certain information and documents in connection with said development within ninety (90) days after approval of the conceptual plan by the Lansing City Council; and

Whereas, the Lansing City Council approved the conceptual plan for the devlopment on November 29, 1976; and

Whereas, said ninety (90) day period expires on or about February 28, 1977; and

Whereas, Spira Mart of Lansing had requested a one (1) week extension of said agreement for the purpose of permitting the City of Lansing to confirm the progress of its financial commitments; and

Whereas, said agreement was extended by City Council action through March 7, 1977; and

Whereas, completion of all financing appears to be imminent;

Now, Therefore, Be It Resolved that the agreement extending the original agreement for an additional period of one (1) week through March 14, 1977 be approved and the Mayor and City Clerk be and are

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

hereby directed to sign the agreement after approval as to form by the City Attorney; and

Be It Further Resolved that Ralph Cascarilla be continued to be retained as a special Assistant City Attorney at the standard rate of forty dollars ($40.00) per hour plus reasonable out-of-pocket expenses to confirm the progress of Spira Mart's financial commitments and to undertake, perform and coordinate any future negotiations and legal matters between the City of Lansing and Spira Mart relative to the development of the 100 Block of Urban Renewal Project No. 1 and that a member of the financial community be retained accompanying Ralph Cascarilla to confirm the progress of the financial commitments.

By Councilman Baker—

That in paragraph—8—this be amended as follows: change one (1) week through March 14, 1977 to read "two (2) weeks through March 21, 1977."

Lost by the following vote:

Yeas: Councilmen Baker, Gunther, Hull—3.

Nays: Councilmen Adado, Belen, Blair, Brenke, McKane—5.

By Councilman Gunther—

In the last paragraph after the words "Financial Community" strike out the word "retained" and insert be appointed by the EDC Board a person knowledgeable of financial matters accompanying Ralph Cascarilla to confirm the progress of the financial commitments.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

Council recessed at 10:05 to change tape and reconvened at 10:08.

Elodia Jones, 421 McPherson St. representing the West Side Neighborhood Association spoke relative taxes and assessment.

Luther Planter, 431 So. Verlinden St., spoke relative taxes.

Wayne Amacher, 718 Cawood St., spoke.

Harold Emmons, 520 McPherson St., spoke.

Debbie Blackburn, 1528 Illinois spoke on handicapped.

By Councilman Gunther—

That the meeting be adjourned.

Carried.

Council adjourned at 10:30 p.m.

THEO FULTON,
City Clerk.

REPORTS OF CITY OFFICERS AND BOARDS

March 10, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Mr. & Mrs. Carrigan in the amount of $26.50

Dear Mayor and Council:

This letter is in response to a letter from Mr. and Mrs. Don Carrigan regarding injuries suffered by their son Scott, age 7, totaling $26.50.

On two consecutive days in October Scott Carrigan ran into a street sign that was hanging over the sidewalk on Mt. Hope between Cedar and Ray Streets. On both occasions Scott was on his way to school.

After the first accident Mrs. Carrigan reported the dangerous condition to the Lansing Police Department hoping the sign would be removed. After the second accident Mrs. Carrigan contacted the Traffic Department. An investigation revelaed a downed sign and post lying on the ground which was subsequently removed. The second accident accounts for the damages requested.

MCLA 691.1403; MSA 3.996(103) states:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

"No governmental agency is liable for injuries or damages caused by defective highways unless the governmental agency knew, or in the exercise of reasonable diligence should have known, of the existence of the defect and had a reasonable time to repair the defect before injury took place. Knowledge of the defect and time to repair the same shall be conclusively presumed when the defect existed so as to be readily apparent to an ordinarily observant person for a period of 30 days or longer before the injury took place." (emphasis added)

It is the opinion of this office that the placement and condition of street signs is an integral operation of the maintenance of any highway or roadway.

Mrs. Carrigan's initial phone call to the Police Department must be considered as notice of a potentially dangerous condition. The fact that such condition was not rectified after notification lends itself to the fact that the ciy was negligent.

At the time, the report probably was not considered an urgent or dangerous situation. Only an unusual set of facts, such as those that happened, could such an accident occur.

In any event, it appears that the city was maintaining a defective sign, with knowledge, on a roadway which resulted in Scott's injury. In light of the facts set forth above, coupled with the applicable statutory law, this office is of the opinion that the city is liable for the medical bill incurred by Scott Carrigan in the amount of $26.50.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney and City Clerk is hereby directed to draw a warrant on the City Treasurer in the amount of $26.50 payable to Mr. and Mrs. Don Carrigan.

Carried.

March 8, 1977

To the Honorable Mayor

and Members of the Council

Gentlemen:

In accordance with your order of January 31, 1977, I am submitting herewith a special assessment Roll No. 258, based on estimated cost, for the purpose of constructing storm and sanitary sewer as follows:

On Kalamazoo St. from Jenison Ave. to Huron St., On Jenison Ave. from Kalamazoo St. to Hillsdale St., On W. Kalamazoo St. from Logan St. West to West line of Lots 49 and 104 of Assessors Plat No. 9, and on Lenawee St. from Jenison Ave. East to East line of Lot 9 of Michler's Subd., and Lot 111 of Assessor's Plat No. 9.

To Be Assessed	$ 36,719.28
City Share	292,927.92
	$329,647.20

Respectfully submitted,

PAUL S. CREEVY,
City Assessor.

Received and placed on file.

March 1, 1977

Honorable Mayor and

Members of City Council

City of Lansing

Honorable Sirs:

I herewith report that I have given to the City Controller the cost for the removal of a female boxelder located on private property. The costs are to be placed on a time payment program.

The location of the tree and the owner of the property is as follows:

Tree Location—815 Banghart

Owner—Robert L. Dixon

Address of Owner—815 Banghart

Cost—$100.00

A total of $100.00, is to be distributed on roll 38 T.

Respectfully submitted,

DAVID L. PHILLIPS,
Superintendent of Forestry.

Approved:

DOUGLAS P. FINLEY,
Director, Department of
Parks and Recreation.

Received and placed on file.

February 23, 1977

Honorable Mayor and

Members of City Council

City of Lansing, Michigan

Honorable Sirs:

In accordance with the terms of the "Boxelder Ordinance," Lansing Code 23-23

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

I have given written notice to several property owners to remove female boxelders from their property.

In accordance with Section 23-23.3 of the ordinance, I am reporting that the following tree was not removed at the time of our follow-up inspection.

Petition No.—24

No. of Trees—1

Tree Location—1002 Farrand

Owner and Address—Lilan Mann
1308 Edward, Lansing, Michigan 48910

With your authorization to proceed, we will remove the tree by contract bidding. The cost of the cutting and removal are to be assessed against the property as provided in the ordinance.

Respectfully submitted,

DAVID L. PHILLIPS,
City Forester

Approved:
DOUGLAS P. FINLEY,
Director, Parks and Recreation

Referred to Committee on Parks and Recreation.

March 11, 1977

Miss Theo Fulton, City Clerk

9th Floor, Lansing City Hall

Lansing, MI

Dear Miss Fulton:

In January of 1977, joint inspections by representatives of the City of Lansing Building, Police, and Fire Departments commenced. Theses inspections were conducted in accordance with Section 17 of the Liquor Control Act, M.S.A. 18.988.

The inspections included the following:

Hotels and Motels	8
Restaurants and Bars	79
Private Clubs	8
In Escrow	2
Letters sent	16
Directives issued and complied with	56
Verbal directives complied with	97

The following establishment has not been approved. We recommend that the Class "C" license be withheld:

Lion's Den
213 S. Grand Ave.
(Electrical Code violations)

Sincerely,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing

GORDON ADSIT,
Fire Marshal,
City of Lansing

RICHARD GLEASON,
Chief of Police,
City of Lansing

Referred to Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the last paragraph be sent to the Liquor Control Commission.

Carried.

March 8, 1977

ACT-6-77

Miller Road Widening

Honorable Mayor and

Members of City Council:

The Planning Board at their meeting of February 15, 1977 reviewed, under Act 285, the preliminary final plans for the widening and reconstruction of Miller Road and Marywood Avenue to Logan Street. It was pointed out that Miller Road has undergone extensive study and consideration between the Traffic, Planning and Public Service Departments. The plans submitted by the Public Service Department are consistent with the preliminary sketches reviewed by the Planning Department for this road segment and with the section of Miller Road east of Marywood, widened during 1976.

The Planning Board approved the preliminary final plans as submitted by the Public Service Department as to character and extent. It was further recommended that the Public Service Department notify the residents along Miller Road through a public meeting or by mail of the pending Miller Road widening; and that the Public Service Department obtain the necessary funding to plant new trees along Miller Road right-of-way as part of the reconstruction project.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board

Referred to Committee on Planning and Committee on Public Service and Highways.

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and

Council Members:

On February 7, 1977, the Lansing City Council passed a resolution directing the Planning Board to recommend options for the future of Capitol Commons.

In formulating recommendations for your consideration, the Planning Board decided to examine Capitol Commons within a broader context of housing redevelopment efforts in the Central City. The Board considered:

1. Past policy statements regarding Central City Housing Redevelopment

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

2. Characteristics of the Lansing Housing Market

3. Recommendations made by consultants and other public agencies regarding Central City Lansing

4. Current status of potential redevelopment areas

5. Activities necessary to complete housing redevelopment projects

6. Development tools available to provide incentives to accomplish this goal.

The Planning Board then considered several levels of commitment necessary to achieve completion of the two housing redevelopment projects already under way; e.g., Cedar-Shiawassee and Capitol Commons. This analysis titled "Options and Recommendations for the Establishment of a Central City Housing Development Process with Specific Implementation Strategies for the Cedar/Shiawassee and Capitol Commons Redevelopment Projects" is attached to this letter.

Based on the above report, the Planning Board makes the following recommendations to the City Council.

1. The City of Lansing should pursue a comprehensive policy of residential redevelopment for the Central Area. Such a comprehensive policy would stress a coordinated approach to the redevelopment process, rather than a series of unrelated land use decisions.

2. That a Municipal Development Team be created with high level representatives from the Housing and Redevelopment Department, Planning Department, Mayor's Office, City Council and the Attorney's Office to aggressively package and market all redevelopment parcels. This Development Team would have the responsibility to formulate and publicize a development package for a specific parcel, respond to proposals in a timely manner, negotiate with the developer for the provision of various incentive mechanisms, and represent such positions and action before the Mayor and City Council. It is recognized that individual parcels with special problems may require additional team members from other City departments or EDA, DDA, FHA, MSHDA and the State of Michigan.

3. That the development team be supported by competent personnel familiar with the Housing Development process. This staff should be responsible to a single department.

4. There are numerous levels of commitment that the City of Lansing could pursue in order to promote central area housing redevelopment. Considering the substantial expenditures of public funds in the Cedar/Shiawassee and Capitol Commons projects, and considering the limited market absorpton rate for new housing construction in this area, it is pragmatic for the City to concentrate such activity on these two proposals in a prioritized manner. In order to promote efficient and effective implementation activities, the Planning Board recommends:

a. The adoption of a Level III commitment for the Cedar/Shiawassee property. This approach would encourage the aggressive marketing of the 8.5 acre Cedar/Shiawassee parcel to a developer or developers to construct a medium to high density housing project with a unified site plan and homogeneous building design theme. This marketing approach shall utilize a range of development incentives in order to assist the private sector in making the project more economically viable.

b. The adoption of a Level IV commitment for the Capitol Commons project area. This approach would initiate development of Phase I of Capitol Commons which is tied to agreements between the City of Lansing, FHA, MSHDA, financial institutions and residential developers to complete development of the remaining project area. This approach should also eliminate or aleviate some of the negative environmental factors in the adjacent residential areas. This level of commitment should minimally require:

1) that the City commit $600,000 in the coming fiscal year to either: acquire a buffer to Phase I, acquire another development parcel adjacent to Phase I, or install the public improvements necessary to market Phase I;

2) that the City commit a fixed percentage of the next three-year Community Development Program toward the completion of Capitol Commons;

3) that the City formalize an agreement to complete acquisition of the balance of the project and to rehabilitate the adjacent residential area. This agreement would only be contingent upon obtaining participation in the project from FHA.

The Planning staff will be happy to meet with you to discuss these recommendations in more detail.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board

Referred to Committee of the Whole.

By Councilman Baker—

That this be referred to the Committee on Planning.

Adopted by the following vote:

Yeas: Councilmen Baker, Brenke, Gunther, Hull, McKane—5.

Nays: Councilman Adado, Belen—2.

Nays: Councilmen Baker, Hull—2.

March 10, 1977

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

Subject: Recommendations regarding BILD Corporation

Pursuant to the directives contained within a resolution on this subject which was adopted by the Lansing City Council on February 7, 1977, and in consideration of the Planning Board recommendations on the options for the future of Capitol Commons, which recommendations are being forwarded to you as a separate agenda item for your meeting scheduled for March 14, 1977, the undersigned hereby forward our recommendations regarding BILD Corporation. Said recommendations are set forth in the attachments hereto.

In summary, the Planning Board has recommended that all central city housing redevelopment efforts be implemented in a coordinated manner, based on previous policy positions of the City of Lansing. As concerns Capitol Commons, a specific level (Level IV in the Planning Board report) of implementation is recommended. If the City Council accepts the Planning Board recommendations, it is felt that the following specific steps should be authorized by the Lansing City Council.

1. Pursuant to Section 2A-23 of the Code of Ordinances of the City of Lansing, the Housing and Redevelopment Department shall be made responsible for all liquid assets to be reverted to the City from BILD. Said assets shall be devoted to discharging current BILD liabilities and the implementation of Capitol Commons.

2. A contract extension should be executed which would continue title to Capitol Commons land in the name of BILD Corporation. This could facilitate development opportunities, and is necessary while procedures to declare Capitol Commons, or a portion thereof, a blighted area pursuant to Public Act 344 of 1945 are instituted by the City of Lansing. The City Attorney has expressed reservations on this recommendation, as has OCD.

3. Two additional positions should be authorized within the Housing and Redevelopment Department to implement the Planning Board recommendations. The position of Assistant Director for Development X (at the third year salary level) should be filled by the direct transfer of the current Executive Director of BILD. The position of Project Development Officer VIIA should be filled through routine procedures.

4. All BILD equipment shall be physically transferred to the City Warehouse on or about April 1, 1977. By July 1, 1977, the Housing and Redevelopment Director and the Purchasing Director shall forward their recommendations as to the extent of surplus property available for redistribution.

5. It is the recommendation of the Finance Department, and concurred in by the balance of the undersigned, that the funds recommended in the Planning Board document, for the period of April 1, 1977, through June 30, 1978, be allocated from the following sources:

1st Year CD Funds:

Funds residual of first year contracts terminated subsequent to June 30, 1976 — includes expiring BILD contract and unused relocation funds.	$160,000
Funds remaining from audit budget	40,000

2nd Year CD Funds:

Contingency	$ 50,000
Residuals from administration and human resource contracts	150,000

3rd Year CD Funds:

Contingency	$100,000
Model Cities—BILD Revolving Fund	$100,000
Total	$600,000

Funding beyond July 1, 1978 would be contingent upon the level and availability of Federal grants.

This report, and its attachments, is intended to summarize a rather extensive study of the BILD Corporation situation. It is intentionally brief, as it was felt a massive document would produce no additional benefits. We are prepared to discuss, in detail, these recommendations and the thought processes by which they were generated, with the appropriate City Council committee. Inasmuch as the BILD contract expires on March 31, 1977, your prompt consideration will be appreciated.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Respectfully submitted,

ORRIN E. SHARP,
Executive Assistant for
Community Development

JAMES R. OLSON,
CD Fiscal Officer

RONALD G. STONEHOUSE,
Director of Housing and
Redevelopment

WILLIAM LLOYD,
Chairman,
BILD Board of Directors

TIMOTHY W. SANDERSON,
City Attorney

Referred to Committee of the Whole.

March 10, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed the request of Frandorson Properties for the establishment of four spaces directly in front of their building at 300 East Michigan for exclusive use by the handicapped. There is presently no parking allowed at this location, and review of the area shows that parking is not allowed because the area is used by thru traffic as it merges from three lanes on the bridge to two lanes east of the bridge.

There is only enough distance between the east end of the bridge and the fire hydrant east of the bridge to accommodate three parking spaces. If parking were allowed in these three parking spaces a safety hazard would be created because the curb lane for eastbound traffic would abruptly end at the east end of the bridge.

The Traffic Board unanimously recommended that the request of Frandorson Properties for parking in this area be denied.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Roymond O. Severy,
Secretary

Referred to Committee on Public Safety.

March 10, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed the request of the Casa Nova Restaurant located between Dunlap and Loa Streets east of Logan to remove parking adjacent to their new restaurant. Both Loa and Dunlap Streets are thirty feet wide and parking is presently allowed on both sides of the streets. The Traffic generated by the restaurant will increase accident potential if parking continues to be allowed on both sides of these streets.

The Board unanimously recommended for City Council consideration that parking be prohibited on the south side of Dunlap Street from Logan Street to 390 feet east of Logan Street and be prohibited on the north side of Loa Street from Logan Street to 390 feet east of Logan Street.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

March 10, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request for Yield signs at the intersection of Creston and Howe Streets. No accidents have been recorded at this intersection for the last five years. However, the safe approach speed at this intersection is only 17 mph. Sight distance is severely restricted by a house on the southwest corner.

The Traffic Board unanimously recommended the installation of Yield signs on Howe Street at Creston.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

March 10, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The construction of Kingsley Place has changed traffic patterns on the streets in this area. Prior to the construction, Washtenaw Street carried thru traffic west of Logan, and is classified as a thru street from Grand Avenue to McPherson Street except at Jenison. Washtenaw is now closed from Vivian Riddle Court to Huron Street and therefore no longer carries thru traffic west of Logan.

The Traffic Board unanimously recommended that Washtenaw be a thru street

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

from Grand Avenue to Logan Street and that Stop signs be authorized on Washtenaw at McPherson. Stop signs already exist at this location but must be included in the ordinance.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

March 10, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board unanimously recommended for City Council consideration that No Parking At Any Time be allowed on the north side of Fenton Street, from Cedar Street to 135 feet west of Cedar Street. The transmission repair shop currently uses this area to park customers' cars. Fenton Street is only 26 feet wide at this location and having cars parked up to the intersection increases the accident hazards. With cars parked on one side of a 26 foot wide street, only 18 feet remains for traffic movement.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

March 10, 1977

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board considered a request from Oldsmobile to allow parking on the west side of Pine Street from William Street to Olds Avenue. Pine Street is forty feet wide in this block and the traffic is relatively light.

The Traffic Board unanimously recommended for City Council consideration that parking be allowed on the west side of Pine Street from William Street to Olds Avenue.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

RESOLUTIONS

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, pursuant to Sec. 14.3(d) of the Lansing Charter, the City of Lansing had requested the electorate of the City of Lansing to sell fire station No. 8 located at 2300 E. Michigan Avenue, which is legally described as: Lots 477 and 478, Leslie Park Subdivision; and

Whereas, the request appeared in the primary election on August 3, 1976 for approval or disapproval by the electorate; and

Whereas, there were 255 total votes cast regarding the sale of this property, of which 177 voted to authorize the City Council to sell this parcel; and

Whereas, the purchase price of this parcel will not be less than the current market value of $50,000.00; and

Whereas, the Director of the Purchasing Department for the City of Lansing has the authority to request and receive bids for the purchase of this property; and

Whereas, the City Council hereby authorizes the Director of Purchasing to proceed with the necessary steps for the sale of the property (i.e., requesting and receiving bids for its purchase); and

Whereas, the City Council has the power to reject all bids; and

Whereas, upon acceptance of any bid, a down payment of 10% of the bid must be paid to the City of Lansing; and

Whereas, if the sale of the property is contingent upon the execution of a land contract, the term of the contract shall be for no longer than five (5) years from the date of execution thereof at which time the principal balance shall be come due and payable in full; however, sixty (60) days prior to the expiration of said five (5) year term, purchaser may request, in writing, City Council approval of an extension of this contract for one further five (5) year term upon the same terms and conditions; and

Whereas, the property is located in a F-1 zoning district; now, therefore, be it

Resolved, that the Director of Purchasing is hereby directed to advertise for bids incorporating the terms of this resolution and other standard bid terms for the purchase of fire station No. 8, located at 2300 East Michigan Avenue.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Resolved by the City Council of the City of Lansing:

Whereas, pursuant to Sec. 14.3(d) of the Lansing Charter, the City of Lansing had requested the electorate of the City of Lansing to sell fire station No. 6 located at 839 N. Pennsylvania Avenue, which is legally described as: Lot 4, Wiley's Subdivision; and

Whereas, the request appeared in the primary election on August 3, 1976 for approval or disapproval by the electorate; and

Whereas, there were 225 total votes cast regarding the sale of this property, of which 179 voted to authorize the City Council to sell this parcel; and

Whereas, the purchase price of this parcel will not be less than the current market value of $31,000.00; and

Whereas, the Director of the Purchasing Department of the City of Lansing has the authority to request and receive bids for the purchase of this property; and

Whereas, the City Council hereby authorizes the Director of Purchasing to proceed with the necessary steps for the sale of the property, (i.e., requesting and receiving bids for its purchase); and

Whereas, the City Council has the power to reject all bids; and

Whereas, upon acceptance of any bid, a down payment of 10% of the bid must be paid to the City of Lansing; and

Whereas, if the sale of the property is contingent upon the execution of a land contract, the term of the contract shall be for no longer than five (5) years from the date of execution thereof, at which time the principal balance shall become due and payable in full; however, sixty (60) days prior to the expiration of said five (5) year term, purchaser may request, in writing, City Council approval of an extension of this contract for one further five (5) year term upon the same terms and conditions; and

Whereas, the property is located in a "P-1" Professional Office District subject to the following conditions: that the parking areas shall be screened and fenced for the protection of adjacent residences to the south and west; and a site plan for the development of this property shall be submitted to and approved by the Planning Department and Traffic Engineer prior to the issuance of building permits; said site plan shall include the following: (1) building locations and use; (2) parking areas, layout and number of spaces; (3) screening, fencing, and landscaping; and (4) permanent wheel stops at the perimeter of all parking areas; now therefore, be it

Resolved, that the Director of Purchasing is hereby directed to advertise for bids incorporating the terms of this resolution, and other standard bid terms for the purchase of fire Station No. 6, located at 839 North Pennsylvania Avenue.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Danford Cleaners has requested to purchase the east 40 feet of the property described as:

> Commencing 291 feet west and 33 feet south of the northeast corner, Section 32, thence south 200 feet; thence west 164 feet, thence north 200 feet; thence east 164 feet to he point of beginning; Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan;

and

Whereas, this request was referred to the Planning Board for review and report in accord with Act 285, Public Acts of 1931; and

Whereas, the Planning Board in conjunction with other public agencies, reviewed this matter and recommended that the request be denied as filed, and further recommended that the east 40 feet of the north 113.25 feet of the above described property be approved for sale to the owners of Danford Cleaners for the purpose of allowing them to expand their existing commercial business; and

Whereas, the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith; and

Whereas, this request was referred to the Committee on Buildings and Properties for review and report; and

Whereas, the Committee on Buildings and Properties has recommended to the Lansing City Council that the City of Lansing execute a quit claim deed transferring all of their interest in this property to Danford Cleaners, upon receipt of the purchase price, $6,800.00; and

Whereas, the property involved is not being used nor does it have any prospect of being used for public purposes; and

Whereas, the assessed valuation of the property involved is less than Five Thousand Dollars ($5,000) or is so appraised by the Assessor, thereby making it unnecessary to seek the approval of the electors under Lansing Charter, chapter 14, §14.3 (d); and

Whereas, this resolution has remained on file in the City Clerk's office for public inspection for 30 days pursuant to Lansing Charter, chapter 14, §14.3 (d); now, therefore, be it

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Resolved, that the Council of the City of Lansing authorizes the sale of the east 40 feet of the north 113.25 feet of the above described property to the owners of Danford Cleaners for the purpose of expanding their existing commercial use; and be it further

Resolved, by the Council of the City of Lansing that the Mayor and City Clerk are hereby directed to execute a quit claim deed conveying the property to Danford Cleaners upon receipt of $6,800.00 after approval as to form by the City Attorney; and be it

FINALLY RESOLVED that upon passage of this resolution the City Council shall initiate a zoning application for this property which will rezone it from its present "A-1" residential district classification to "F" commercial district.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has requested proposals for audits of its subgrantees funded under Community Development and Model Cities for the fiscal years ended June 30, 1975, and 1976, and

Whereas, for both years, the proposal submitted by Layton and Richardson, P.C., Certified Public Accountants, was selected on the basis of lowest price, and

Whereas, the performance of Layton and Richardson, P.C., Certified Public Accountants has been exemplary, with all critical deadlines having been met, and

Whereas, Layton and Richardson have submitted a proposal to perform the subgrantee audits for the fiscal year ended June 30, 1977, at the same rate as last year,

Now Therefore Be It Resolved, that the audit of the Community Development subgrantees for the year ended June 30, 1977, is awarded to Layton and Richardson, P.C., Certified Public Accountants.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Counci lof the City of Lansing:

That the audit of the financial statements of the Board of Water and Light for the fiscal year ending June 30, 1977, be awarded to Main Lafrentz and Company, Certified Public Accountants. The audit is to be performed in accordance with specifications approved by City Council on December 23, 1963, and the letter from Main Lafrentz and Company, Certified Public Accountants, dated January 11, 1977. A copy of the letter is attached.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing City Council on December 23, 1963, established specifications for the annual audit of the financial statements of the City as required by Section 8.13 of the City Charter, and

Whereas, the firm of Maner, Costerisan, and Ellis, Certified Public Accountants, formerly Seidman and Seidman, have submitted a proposal to perform the audit for the fiscal year ending June 30, 1977, and

Whereas, the accounting division intends to prepare statements for the General Fixed Assets Balanced Group of Accounts, in conformance with the past recommendations of the auditors, and this has required developing cost records which will extend the amount of audit time for any auditor lacking familiarity with the City's operational system, and

Whereas, the accounting division has requested that the scope of the audit be expanded to cover the State Owned Leased Housing Fund and Federal Grant Fund, since the State and Federal Government auditors who formerly performed an audit of these funds are not now performing their audits on a timely basis, and

Whereas, the proposal submitted by Maner, Costerisan, and Ellis, is in the same amount as last year's proposal, $39,000.00, is in accordance with the Council's specifications, and covers an expanded scope,

Now Therefore Be It Resolved, that the audit of the financial statements of the City of Lansing for the fiscal year ended June 30, 1977, be awarded to Maner, Costerisan, and Ellis, and

Be It Further Resolved, that the Director of Finance is directed to review the audit specifications of 1963 to determine if any changes are desirable, and to seek additional proposals for the audit of the fiscal year ended June 30, 1978.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, in 1967 a sanitary manhole and stub-in were constructed on the property at 6048 S. Waverly Road, but were never placed on the assessment records, and

Whereas, Mrs. Barbara Emery purchased the property at 6048 S. Waverly Road, and at that time there was no outstanding assessments on the property, and

Whereas, in 1975 the sanitary sewer was extended across the south 65 ft. of the property, and at that time it was discovered that this propery was not assessed for the previous construcion, and

Whereas, this discovery resulted in the property being assessed as follows:

two benefits at	$ 551.90 per benefit
one stub at	176.85
Total	$1,280.65

at the 1975 contract prices, and

Whereas, the City Council of the City of Lansing believes that this assessment is inequitable and violative of the rights of Mrs. Emery; now, therefore, be it

Resolved, that the prior benefit and stub be removed from the assessment rolls, and that Mrs. Emery be charged $717.47 for the sewer extension over the south 65 feet of her property only as reflective of the 1975 improvements.

Adopted by the following ovte:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas it is necessary to hold a Public Hearing on the proposed establishment of a Lansing Plant Rehabilitation District No. 6—Lansing Printing Co.

Therefore, be it resolved that the City Clerk give at least 15 days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed districts.

Resolved further that such hearing shall be held at the Council Chambers in the City Hall on the 4th day of April, 1977 at 7:00 P.M. and that notice of such hearing be published in the official publication of said City.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas it is necessary to hold a Public Hearing on the proposed establishment of a Lansing Industrial Development District No. 4—Hammond Manufacturing Corp.

Therefore, be it resolved that the City Clerk give at least 15 days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed district.

Resolved further that such hearing shall be held at the Council Chambers in the City Hall on the 4th day of April, 1977 at 7:00 P.M. and that notice of such hearing be published in the official publication of said City.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing expects that its truck fleet be operated in a safe as well as efficient manner; and

Whereas, safety inspections, preventive maintenance, timely repair and timely replacement are major contributors to safe and efficient truck operation; and

Whereas, general policy guidelines are necessary and useful in the development of a program concerned with the periodic review of vehicle condition for the purposes of replacement and utilization;

Now, Therefore, Be It Resolved that the attached proposal "General Truck Replacement Policy" with "Truck Replacement Division Sheet" be accepted and utilized by City departments to insure a safe truck driving environment for City operations as well as provide a basic approach for the analysis and review of truck physical condition for both budget and replacement purposes, and

Be It Further Resolved that a nominal sum of $150.00 be allocated from the City Special Expenses Account No. 101-930-000-962 to provide for possible expenses involved with the operation of the safety inspections in cooperation with the Lansing Police Department.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council recognizes that there are many residents traveling to the City; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the City Council realizes that many residents have to park in metered areas; and

Whereas, the City Council recognizes that hourly meters are an inconvenience to many commuters who are either going to school or working; and

Whereas, the City Council desires to alleviate this condition; now, therefore, be it

Resolved, that half-day permits be issued by the Office of the City Traffic Engineer, located in the North Grand Avenue Ramp, for the sum of Twenty-five Dollars ($25.00); and be it

Further Resolved, that the permits issued shall entitle the purchaser to park at any meter within the area bordered by Saginaw Street to the north, both sides of Pine Street to the west, both sides of Shiawassee Street to the south and the Grand River to the east; and be it

Further Resolved, that this plan shall be implemented by March 31, 1977 and that the half-day permits will be valid for ten (10) weeks from March 31 through June 9, 1977.

By Councilman Belen (Baker)—

That in paragraph 6—line 3—the words "both sides" be deleted on Pine St.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Daimler-Benz organization, the world's largest builder of heavy-duty and Diesel-powered trucks, is considering the establishment of a truck manufacturing facility in the United States; and

Whereas, Daimler-Benz is presently engaged in a wide-ranging study to determine the economic feasibility of such an undertaking; and

Whereas, the City of Lansing offers considerable advantages to a truck manufacturer including a growing, healthy community, excellent schools, diverse recreational opportunities, various industries familiar with the vehicle manufacturing process, an outstanding source of technical experitise located at Michigan State University and Lansing Community College, a labor force experienced in truck and automobile manufacturing, excellent transportation facilities, and a strong desire by the Lansing Community to vigorously welcome new industry to the City;

Now, Therefore, Be It Resolved that the Lansing City Council requests the Economic Development Corporation and the Lansing Metropolitan Development Authority to work together in making contact with Daimler-Benz to urge that organization to consider Lansing as the site for their proposed truck manufacturing facility in the United States.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Wheeras, Mr. James Cook has been carying out various responsibilities in the Office of Community Deevlopment in a position formerly funded by USDOL CETA Title X and HUD Title X; and

Whereas, these funds have been exhausted and there are no funds available under these grants to continue Mr. Cook's position; and

Whereas, the services provided by Mr. Cook, as a C.D. Technician VI, are necessary to continue execution of currently assigned responsibilities; and

Whereas, funds must be obtained from resources other than these grants if Mr. Cook is to continue in his position with the Office of Community Development. Currently, $5,479 is being paid toward Mr. Cook's salary with Community Development funds. An additional $6,030 is needed to support his position through Fiscal Year 1977, ending June 30, 1977;

Now, Therefore Be It Resolved that the City Council authorizes the following transfer of funds:

$6,030.00 from Reserve for Contingencies
A/C 255-941-000-969.00

$5,100.00 to Salaries and Longevity
A/C 251-172-000-702.00

930.00 to Fringe Benefits
A/C 251-930-000-715.00

By Councilman Hull—

That this be referred to the Committee on Personnel and the Committee on Finance.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Brenke, Gunther, Hull, McKane—6.

Nay: Councilman Adado—1.

By Committee of the Whole—

Reolved by the City Council of the City of Lansing:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, in June, 1976, Representatives Thomas Brown and Thomas Holcomb introduced House Bill No. 6432, the Anti-Annexation Bill; and,

Whereas, the Mayor and Lansing City Council forwarded numerous communications, including an official resolution, to the Governor and Legislators urging the defeat of said bill; and,

Whereas, Representatives Brown and Holcomb have reintroduced anti-annexation legislation in House Bill No. 4030 which would unreasonably preclude annexation without regard to specific facts and circumstances in a given proposal; and,

Whereas, the City of Lansing continues to oppose any legislation that would force growing cities to yield to the "all or nothing at all" dictates of a small number of governmental units, without consideration of comprehensive and reasonable planning;

Now, Therefore, Be It Resolved that the Lansing City Council holds firm its position to oppose Representatives Brown and Holcomb's legislation and urges that the Governor and Legislators resist passage of House Hill No. 4030, and;

Be It Finally Resolved that a copy of this resolution and an appropriate letter be transmitted to Governor Milliken, the Lansing Legislative Caucus and the Legislative Leadership.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan State Legislature enacted, and the Governor signed into law, Public Act 293 of 1976 allowing homeowners to improve their homes with up to $4,000 in cost without an increase in their tax assessments, and;

Whereas, the City of Lansing created a Residential Rehabilitation Loan and Grant Program and a Senior Repair Program which is compatible with the state law; and,

Whereas, the City of Lansing and the Michigan State Legislature have acknowledged the concerns of citizens and taxpayers to maintain the lowest property taxes allowable and have actively encouraged property owners to repair and maintain their homes; and,

Whereas, the Michigan State Tax Commission has determined that Public Act 293 of 1976 is unconstitutional and has alerted all assessing officers to disregard the law in making property assessments;

Now, Therefore, Be It Resolved that the Lansing City Council hereby supports the action taken by the Ingham County Board of Commissioners, directing and authorizing their Corporation Counsel to contact municipalities within the County of Ingham to act in cooperation for the commencement of legal action, to seek a declaratory ruling from the courts of this state to determine the legality of the State Tax Commission ruling; and,

Be It Finally Resolved that a copy of this resolution be transmitted to the Governor, the Lansing Legislative Caucus, the Legislative Leadership of the State and the Chairman of the Board of the Ingham County Commissioners.

Adopted by the following vote:

Unanimously.

By Councilman Adado—

That a copy of this resolution be sent to the Michigan Municipal League.

Carried.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That effective March 14, 1977, the City Personnel Director is authorized and directed to request proposals for the services of a reputable consulting firm for the purpose of analyzing all City of Lansing non-bargaining unit positions at the I - VIII levels of the Classification and Compensation Plan.

Be It Further Resolved that the following firms:

Executive Management Service, Arlington, Virginia

Hay Associates, Chicago, Illinois

Yarger and Associates, Falls, Church, Virginia

Public Administration Service, Chicago, Illinois

are to be contacted for the purpose of submitting to the City Personnel Director cost estimates for this sudy.

By Councilman Hull—

That the resolution be amended by in the 4th line of the first paragraph after the word "positions" by striking the remainder of the paragraph and inserting "at all Classification and Compensation Plan levels and the issuance of city owned vehicles based upon the criteria of need as related to job functions."

Lost by the following vote:

Yeas: Councilmen Baker, Hull, McKane—3.

Nays: Councilmen Adado, Belen, Brenke, Gunther—4.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Gunther—

That the resolution be amended as follows:

That in line 4—after the word "positions" delete the rest of the line and the balance of the resolution. By inserting after the word "positions" "Two Phases"—Phase I-I-VIII Levels of the Classification and Compensation Plan and Phase II-IX-XII Levels of the Classification and Compensation Plan and Further "Phase III the evaluation by position for need of city owned vehicles."

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, Hull, McaKne—6.

Nay: Councilman Baker—1.

The resolution as amended was adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, Hull, McKane—6.

Nay: Councilman Baker—1.

Approved:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance

Adopted by the following vote:

Unanimously.

The mid-year transfers be made of the NON-GENERAL FUND.

Councilman Baker asked that the ACT 51—MAJOR STREETS be voted on separately.

Much discussion was held on the streets that were resurfaced and the striping of same.

Councilman Hull asked that in this year's budget that a listing of the streets be made available. Mr. Backus was asked if this had been done in this year's budget.

By Councilman Hull—

That we recess for 5 minutes so that the listing could be made available.

Carried.

Council recessed at 9:30 p.m. and reconvened at 9:38 p.m.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That mid-year transfers be made as follows:

NON-GENERAL FUND

ACT 51—Major Streets

$125,400.00 to be intra-departmental transfers and

200,000.00 from Estimated Revenues A/C 202-000-000-160

ACT 51—Local Streets

$ 15,000.00 to be intra-departmental transfers and

7,100.00 from Estimated Revenues A/C 203-000-000-160

Parks-Cemetery

$ 16,219.00 from Estimated Revenues A/C 516-000-000-160

Sewage Disposal

$ 16,650.00 to be intra-departmental transfers and

101,000.00 from Estimated Revenues A/C 590-000-000-160

Garbage & Rubbish

$191,100.00 from Estimated Revenues A/C 596-000-000-160

Asphalt Plant

$ 38,000.00 from Estimated Revenues A/C 627-000-000-160

Service Garage

$ 14,000.00 to be intra-departmental transfers

Municipal Parking System

$ 11,041.00 to be intra-departmental transfers and

4,830.00 from Estimated Revenues A/C 585-000-000-160

Stated Owned Leased Housing

$ 1,290.00 to be intra-departmental transfers

I hereby certify that funds are available.

By Councilman Baker—

The the following unanimous roll be taken on the $325,400.00 ACT 51—MAJOR STREETS.

Adopted by the following vote:

Unanimously.

The following vote was taken on the balance of the Mid-year transfers of the NON-GENERAL FUND.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-14-76

718 Banghart

More particularly described as:

Lots 32, 33 and the east ½ of Lot 34, Northlawn Subdivision, City of Lansing, Ingham County, Michigan.

Whereas, pursuant to Section 36-42(12) of the Zoning Ordinance, a request was made by Ruth M. Martinez to expand her existing adult foster care facility from two (2) to three (3) ambulatory, elderly residents on the above described premises; and

Whereas the Planning Board on September 14, 1976 held a public hearing, and following the public hearing recommended approval of the request; and

Whereas the Planning Committee of Council, to whom the report of the Planning Board was referred, concurred therewith; and

Whereas the Council of the City of Lansing officially expressed its intent (10/25/76) to approve the Special Use Permit following certification by the Building, Planning, and Fire Departments that the necessary code compliance alterations have been completed; and upon receipt of written confirmation from the State Licensing Division that the square footage of the room in which these adults would be housed meets their requirements or that the amount provided is adequate; and

Whereas, the Building, Planning and Fire Departments have certified that all necessary Code compliance alterations have been completed and the premises have been approved by the State Licensing Division;

Now, Therefore, Be It Resolved that the request for a Special Use Permit for an adult foster care facility to house a maximum of three (3) foster adults on the above described prperty be approved.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 20th day of December, 1976, this council was petitioned to change the following described property from "C" Two Family Residence District to "D-1" Professional Office District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 21st day of February, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-61-76 — 5034-5036 Ora Street,

More particularly described as:

The south ½ of Lots 101 and 102, Creyts Acres Subdivision No. 2, City of Lansing, Ingham County, Michigan,

from "C-2" Family Residential District to "D-1" Professional Office District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny this request; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "C-2" Family Residential District to "D-1" Professional Office District be denied.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $6,381,237.04.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance

ORDINANCES

By Councilman Belen—

The Committee reported that it had considered an ordinance providing, that the Code of Ordinances, City of Lansing, Michigan be amended by revising Section 9B-4, Section 9B-5 and Section 9E-7 of Building Code—(Examination and license required, Liability policy, Insurance Required), and recommended that the ordinance be passed.

Carried.

ORDINANCE NO. 445

(Examination and license required, Liability policy and Insurance Required)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Section 9B-4, Section 9B-5 and Section 9E-7 of the Building Code be placed on order of immediate passage.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by revising Section 9B-4, Section 9B-5 and Section 9E-7 of Building Code be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 445

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHGAN, BE AMENDED BY REVISING SECTION 9B-4, SECTION 9B-5, AND SECTION 9E-7 OF SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by revising Section 9B-4, Section 9B-5, and Section 9E-7, to read as follows:

Sec. 9B-4. **Examination and license required.**

(1) No person, firm or corporation shall engage in the business of, or perform the work of, installing, erecting or altering any mechanical equipment unless the person or individual of a firm or of a corporation has first obtained a license therefor from the city, by filing with the city clerk an application, and an insurance policy as herein required. Should a vacancy occur in the position of the sole licensed individual of a firm or corporation, the firm or corporation may select a qualified individual from that firm or corporation to take the license examination at the next regular mechanical board meeting. Upon approval of the mechanical board of the applicant as to his professional qualifications and upon approval of all required documents by the city attorney and upon the filing of the proper license fee, the city clerk shall issue the proper license to the applicant.

(2) Annual renewal of licenses shall be filed with the city clerk no later than April fifteenth of each year. Such renewal shall be accompanied by a certificate of insurance, and the renewal fee. If the renewal application is made one year after the expiration date of the last valid license, reapplication shall be treated in all respects as a new application and require a reexamination.

(3) Owner's constitutional privilege. Nothing herein contained shall prohibit any bona fide owner from personally doing any work regulated by this code in his own home or on his own premises at which he presently resides or is about to reside, provided that said owner shall:

(a) Furnish signed affidavit.

(b) Apply for and secure a permit.

(c) Pay the required fees.

(d) Do the work in accordance with this code.

(e) Do the work himself or herself.

(f) Apply for inspections.

(g) Receive the approval of the inspector.

Homeowner's privileges shall extend to single-family residences only and shall not apply to any residence or structure from which monetary gain is being received or which is being used for commercial purposes. Only one homeowner's permit shall be issued for any one purpose in a twelve-month period.

Sec. 9B-5. **Liability policy.**

(1) Every person, firm or corporation engaged in the business of mechanical construction shall file with the city clerk a public liability policy, or certificate thereof, insuring such person, firm or corporation and the City of Lansing against any liability imposed upon such person, firm or corporation and the City of Lansing arising out of the performance of the work carried on by such person, firm or corporation. Such policy so filed shall provide for the payment to any person injured, or by reason of the death of any one person, to the extent of one hundred thousand dollars ($100,000.00), and for the payment of three hundred thousand dollars ($300,000.00) for injuries to or death of more than one person, and for property damage in the amount of one hundred thousand dollars ($100,000.-00). Such policy shall bear an endorsement that the insurance company shall notify the

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

city clerk at least ten (10) days prior to the expiration of such policy whether by cancellation or limitation of term.

Sec. 9E-7. **Insurance Required.**

Every person, firm or corporation engaged in the business of or performing the work of electrical contracting or performing the work of a master electrician shall file with the City Clerk proof of a public liability policy insuring said person, firm or corporation against any liability imposed upon such person, firm or corporation arising out of the performance of said work. Such policy shall provide for the payment up to one hundred thousand dollars ($100,000.00) in the event of injury to or death of any one (1) person and for the payment of up to three hundred thousand dollars ($300,000.00) in the event of injury to or death of more than one (1) person and for payment up to one hundred thousand dollars ($100,000.00) for property damage. Such policy shall bear an endorsement to the effect that the insurance company shall notify the City Clerk a minimum of ten (10) days prior to the cancellation or expiration of such policy.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Carried.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That Councilman Blair be excused from the session.

Carried.

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5(g) of the Charter relative to considering business not on the agneda, be waived.

Carried.

Letter from Ralph E. Cascarilla, Special Asst. City Attorney, in regard to update to March 7, 1977 report on the status of Washington Square Center by Spira Mart of Lansing.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing entered into a contractual agreement on November 29, 1976 (hereinafter referred to as the "Agreement") with Mr. Dallas MacDonald, acting on behalf of Spira Mart of Lansing, a Michigan Limited partnership, (hereinfater referred to as "Spira Mart") to provide Spira Mart with the sole and exclusive right to redevelop the 100 Block site in Urban Renewal Project No. 1, contingent upon the fulfillment of the requirements specified in Paragraph 1 of the Agreement; and,

Whereas, a ninety (90) day time period was established by the Agreement within which Spira Mart was to proffer evidence satisfactory to the City of Lansing of the following: evidence of sufficient equity funding to enable the project to proceed, evidence of a contractual commitment for a national hotel franchise or management contract, submission of the names and background of the proposed hotel management team if needed, the removal of all liens and encumbrances from the site, and a contractual commitment for the end mortgage; and,

Whereas, on February 28 and again on March 7, 1977, Spira Mart was granted two seven (7) day extensions from the City of Lansing to provide it with fourteen (14) additional days within which the requirements of Paragraph 1 could be met; and,

Whereas, Special Assistant City Attorney Ralph Cascarilla has submitted two (2) separate reports, dated March 7, and 12, 1977, which stated, in pertinent part, that Spira Mart, or agents acting on its behalf, have not produced any satisfactory evidence of a commitment for the equity and/or mortgage funding of the project, or the other requirements specified in Paragraph 1 of the Agreement; nor does it appear that Spira Mart has the present ability to meet these requirements within the time period specified for performance by the amended Agreement; and,

Whreas, the City Council has not received any other information or evidence which would establish that Spira Mart has complied with or has the present ability to fulfill the aforementioned requirements in Paragraph 1 of the Agreement; and,

Whereas, the time period for performance of the requirements specified in Paragraph 1 of the Agreement and its subsequent amendments has expired;

Now, Therefore, Be It Resolved as follows:

(A) The City Council does hereby find that the Agreement entered into by the City of Lansing with Spira Mart has been breached through Spira Mart's failure of performance in fulfilling the requirements set forth in Paragraph 1 of the Agreement; and,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

(B) Because of Spira Mart's failure of performance in fulfilling the requirements of Paragraph 1 of the Agreement, the City Council does hereby terminate the Agreement with Spira Mart; and,

(C) The City Council does hereby direct the City Attorney, or his designated representative, to forward a communication to Mr. MacDonald, as the general partner of Spira Mart, informing him of the above-stated action and such other matters as the City Attorney believes are necessary to adequately protect the legal interests of the City of Lansing; and,

Be It Further Resolved that an Ad Hoc Committee composed of Messrs. Lokken, Tubbs, Sanderson, Dowsett, Stonehouse and chaired by Mr. Fred Perry are authorized to work with potential developers of the 100 Block site in accordance with the statement of policy as outlined in the Plan for Development of said block as submitted and approved by City Council on November 29, 1976; and,

Be It Further Resolved that Council authorized the transfer of funds not to exceed $1,600 to the Contractual Services Legal Account 101-210-000-820.000 for legal services incidental to the clearance of title and other allied legal matters pertinent to future contractual arrangements with potential developers; and,

Be It Finally Resolved that Mr. Fred Perry is designated as the contact person for all inquiries relating to the 100 Block development.

Adopted by the following vote:

Unanimously.

Win Watkins, 600 Brookland Blvd., spoke in regard to taxes, apartments building in his area and the Cinema X Theatres.

By Councilman Gunther—

That this meeting stand adjourned.

Carried.

Council adjourned at 10:32 P.M.

Ted DeLeon, Jr.—527 Edgewood Blvd. read a letter relative to the follow up to Human Relations Committee and Police Department Report of the incident that occurred at the Michigan National Guard Armory on S. Washington Avenue on January 15, 1977.

By Councilman Gunther—

That this letter be made a part of the record and it be referred to the Police Board, Committee on Public Safety and the Mayor.

Carried.

March 22, 1977

TO: Lansing City Council

FROM: Concerned Citizens Group

SUBJECT: Follow up to Human Relations Committee and Police Department Report

As responsible members of the Chicano/Latino Community, it is our strong belief that the most effective and lasting method to affect change is to proceed through the points that a sysem has established as means to address concerns.

Pursuant to that philosophy, we stand before you to propose the following position statement.

We respect Chief Gleason's feelings related to his Department's version of the January 15, 1977 incident and his report related to his staff's involvement in it, but it is our feeling that the Human Relations Committee more accurately present the facts of the situation. But we are not here to belabor the events of the past, we are here to present our ideas and reinforce the Human Relations recommendations proposed to alleviate some of the obvious tension between the Chicano/Latino community and the Lansing Police Department.

We wish to especially stress the Human Relations Committee Recommendations, items 1 and 3 of their report: The Lansing Police Department states that they have had 23,000 hours of training, but our concern is the areas of training, i.e., (fire arms training, baton training and roll call training), but no where is human relations training mentioned. This group wishes to offer its assistance in identifying potential resources in addressing these culture training needs, through outside resources or individual members of this group.

Also, we wish to emphasize the re-establishment of the police community relations team under the direction of the Human Relations Committee and the Lansing Police Department, with on-going participation by the community.

In addition, this group wishes to propose an additional consideration. We have learned from experience that representation on boards and commissions is the key to meaningful and real input. Pursuant to that thought, it is our most hearty recommendation that a Chicano/Latino be appointed to the Police Board of Commissioners. Attached is a list of potential candidates for the next available slot. Consideration should also be given to these individuals for other Boards and Commissions.

In parting, we wish to thank both the Lansing Police Department and the Human Relations Committee and Office for their cooperation in this matter.

Committee on Parks and Recreation.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

REPORTS OF CITY OFFICERS AND BOARDS

March 17, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Richard Baker v. City of Lansing

Dear Mayor and Council:

Please find attached a copy of a letter from Dan E. Hankins, counsel retained by

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

the City of Lansing in the above captioned matter.

Sincerely,

TIMOTHY W. SANDERSON,
City Attorney.

Referred to Committee of the Whole.

March 17, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council Members:

In accordance with provisions of State Law, the office of the Treasurer has closed and balanced the 1976 Property Tax Rolls. Data Processing is preparing the permanent December Tax Roll and Delinquent Return Roll, for delivery and settlement by this office, with County Treasurers of Ingham, Eaton and Clinton Counties, hopefully by April 1st.

A summary of Real and Personal Property Taxes levied, collected, delinquent at closing and percentages is as follows:

REAL PROPERTY

Total Levy	$39,703,361.46
Taxes Collected Thru 3-9-77	37,600,809.14
Delinquency at Closing	2,102,552.32
% of Total Collected	94.7%

PERSONAL PROPERTY

Total Levy	$ 7,145,656.08
Taxes Collected Thru 3-9-77	7,113,994.46
Delinquency at Closing	31,661.62
% of Total Collected	99.5%

TOTALS

Total Levy	$46,849,017.54
Taxes Collected Thru 3-9-77	44,714,803.60
Delinquency	2,134,213.94
% of Total Collected	95.4%

The Real Property delinquency illustrated above represents a decrease of $240,830 (10.2%) from the $2,343,382 Real Property delinquency of a year ago and is, in my opinion quite remarkable in view of the fact that the 1976 Tax Levy was 2.9% greater than the 1975 Levy of $45,493.196, and the 1976 total tax rate of $65.68 per thousand dollars of assessed value was 13.5% greater than the 1975 total tax rate of $57.85 per thousand dollars of assessed value. The increase of the interest rate on delinquent taxes may have been partly responsible for this improved performance, however, my observation of paying habits of taxpayers over the years reveals that many taxpayers pay their July taxes during the months of November, December and January and their December taxes at a later date, to the County Treasurer. Last July the tax bills, for the first time, included one-half of the annual School Tax, therefore, those taxpayers paying their July taxes at the end of the year did pay half of the School Tax, which in prior years they would not have paid until the following spring, thereby directly benefitting School District coffers.

The Personal Property delinquency referred to above represents a decrease of $73,869 (69.9%) from the $105,530 delinquency of a year ago, and was owing from 127 businesses as of March 9, 1977. Last year at the closing of the Personal Tax Rolls, 177 businesses were delinquent.

Vigorous collection activity by the Personal Tax Collector, during the past week, has further reduced the Personal Property delinquency to $18,869 owing by 99 businesses, through March 16, 1977.

Attached is a listing of businesses delinquent in the payment of 1976 Personal Property Taxes, as well as updated listings of delinquent 1975 and 1974 Personal Property Taxes. This listing is being submitted to all Department Heads to accommodate City Charter provisions which prevent the City from making a contract with anyone delinquent in the payment of taxes.

Personal Property Taxes paid in the period since March 11th to date have been crossed from the listing.

Feel free to contact me should you desire further clarification of the above.

Respectfully submitted,

HUGO J. HUFNAGEL,
City Treasurer,
Lansing, Michigan

Received and placed on file.

March 16, 1977

Honorable Mayor and

Members of the City Council

Lansing, Michigan

Gentlemen:

I herewith report that I have given to the City Assessor an itemized list of private properties which had trash and debris removed by the City of Lansing, in the amount of $344.39, to be assessed on the July, 1977 tax rolls.

Gentlemen:

Attached is an application for a parade permit for Impression 5, scheduled for 12:30 P.M. on April 24, 1977.

This application has been signed by all necessary department heads. Our Traffic Bureau estimates this parade will cost the City a total of $29.62, which represents two officers and two motorcycles for one hour.

This is being sent to you for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

Referred to Committee on Ordinance and Contracts and City Affairs.

REPORT OF COMMITTEE

The Committee on ORDINANCE and CONTRACTS AND CITY AFFAIRS, to

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

whom was referred the request of Impression 5 for permission to parade on City streets on April 24, 1977, reports as follows:

The Committee recommends permission be granted inasmuch as the application has received the approval of the necessary department heads, and the Committee further recommends that the parade be under supervision of the Lansing Police Department.

Signed:

LUCILE BELEN,
R. J. BAKER,
JACK D. GUNTHER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

March 14, 1977

Chairman, Public Safety Committee

Lansing City Council

Dear Mr. Chairman:

The State of Michigan recently passed the new Emergency Preparedness Act, Act 390, P.A. 1976.

The 911—Centralized Dispatch Center will be called "911—Emergency Operations Center."

In accordance with the new act and also, so as not to cause confusion with the 911—Emergency Operations Center, a new ordinance is suggested changing the name of our organization to "Office of Emergency Services."

It is requested the enclosed suggested ordinance be referred to the City Attorney and Ordinance Committee for adoption by the Council.

Thank you for your time and assistance in this matter.

Very respectively,

JAMES A. HOLCOMB,
Executive Director,
Department of Emergency Operations.

Referred to Committee on Ordinance and Contracts and City Affairs and City Attorney.

March 16, 1977

Honorable Gerald W. Graves, Mayor

and Members of City Council

Lansing City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

In a continuing effort to reduce administrative costs, I am proposing that the number of printed audit reports covering the operation of C.D. funded projects be reduced. At the present time, copies of all audit reports, and subsequent correspondence when necessary, are being distributed to the Mayor and Council members which should not be necessary unless there are serious audit findings. Audit reports, and the resolution of findings are of a purely management and administrative nature, and have no impact on policies established by Council or other executive order, and should not require your review.

It is suggested that, in the future, copies of audit report be distributed to: 1) the involved agency, 2) the contracting department, 3) the Finance department, 4) the Internal Auditor, 5) the Official C.D. Audit File.

In the event the Internal Auditor should determine that the auditor has discovered and reported significant exceptions in an agency's operations, it would be his prerogative and at his discretion that such exception(s) would be drawn to the Mayor's and Council's attention.

The suggested procedure will greatly reduce printing and other reproduction and distribution costs as well as relieving our elected officials from the burden of reviewing a number of non-essential documents.

Any comments you may have in this regard will be appreciated.

Your concurrence in executing this revised procedure is solicited.

Sincerely,

ORRIN E. SHARP,
Executive Assistant to the Mayor for Community Development.

Referred to Committee on Community Development.

March 17, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

In December 1976 I was approached on accepting responsibility for the continuation of the Bicentennial Office staff, and community events scheduled in 1977. I

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

agreed to accept these responsibilities with the understanding that the costs for providing these services would be from revenue generated by the events, or from appropriations supplemental to our operating budget. The transfer of the Bicentennial Office to our department was completed in January in accordance to these guidelines.

Ms. Barbara Isreal, Community Events Coordinator, has been concentrating on programs planned for July 4th, 1977 weekend. Included are a series of activities which we will be able to provide without the need of special budget appropriations. These include:

1. Outdoor Theatre performance.
2. Various scheduled concerts.
3. Interdenominational religious service.
4. Children's events (small carnival, magic show, clowns, puppet show, etc.).
5. Activities sponsored by merchants on the Washington Mall.

Also proposed is a continuation of the Ethnic Festival which was so successful in 1976. Currently all of the groups which participated last year are involved in the planning process for this year's event. Because of the need for unbudgeted support services the department staff has prepared a tentative schedule of fees which includes rates for small displays, and those which would distribute food and beverage. Department expenses are estimated to be $1,000 with approximately $575 being returned in revenue from these fees.

Also proposed for the July 4th weekend would be continuation of the parade, and a fireworks display. We would not anticipate receiving any revenue in return from either of these two programs. The recommended budget for the parade and fireworks is $3,500 (which is $1,075 less than that expended in 1976). The savings is reflected in the city expense for the parade; while the fireworks display will be an improvement over that offered in 1976.

Also involved in this project is the request from the Ethnic Festival Committee concerning the permission to sell ethnic beers, wines, and liquors. Requests have been received thus far from the German, Latin American, Puerto Rican, and Greek Orthodox Associations. At least two other groups are waiting to see if alcohol is approved before making a commitment to participate in the 1977 ethnic event. As you will remember I have recommended in earlier report that the City establish for events such as this an area for the sale and consumption of alcoholic beverages on a permit basis.

I would appreciate your approval to proceed with the plans for these special activities accompanied by the appropriating of funds as outlined, and by taking such action necessary to authorize the distribution of ethnic liquors as part of the festival now being scheduled.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation and Committee on Ordinance and Contracts and City Affairs.

March 17, 1977

Honorable Mayor Gerald W. Graves

and Members of Lansing City Council

City Hall

Lansing, Michigan 48933

Subject: Investigation Results of Incident at South Washington Armory January 16, 1977.

Gentlemen:

Attached to this memorandum is The Human Relations Committee's report which was released to community people and press on March 15, 1977. This report tends to address the allegations presented at the two public hearings January 21st and January 26th, 1977.

The Human Relations Committee is directed by ordinance, Chapter 17B; Sec. 17B-4,

> "to examine complaints, conduct hearings, make studies" and further "it shall formulate and carry-out programs of community education and information with the object of discouraging and eliminating any such tensions, prejudice or discrimination."

Our staff, in conjunction with the Lansing Police Department, has worked endless hours to investigate and examine the problems arising from this incident at the armory.

At the Community hearing, Tuesday, March 15, 1977, held in the City Council Chambers, The Human Relations Committee attempted to reassure the promotion of equal rights and treatment for both the police and community.

Also enclosed are some abbreviated recommendations submitted by our Human Relations Committee to be implemented, with the full support of the Mayor and City Council.

Respectfully,

BILLIE GLADSTONE,
Chairperson,
Human Relations Committee,

STUART J. DUNNINGS, JR.,
Chairperson,
Police Community Relations
Sub-Committee.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Referred to Committee of the Whole, Police Board, City Attorney and Committee on Public Safety.

March 17, 1977

Honorable Mayor Gerald Graves

and Members of City Council

Gentlemen:

The Park Board at their March 17, 1977 meeting received and reviewed a request for use of the Grand River Park sliding hill during the summer months for the establishment of a bicycle cross-country course. Following discussion of the proposal submitted by Mr. Mark Otto, 310 W. Northrup, it was the decision of the Board to approve the concept of such usage.

Bicycle cross-country (Motocross, more specifically) involves the competitive racing on small, specially equipped pedal bicycles over a prepared terrain. There are age categories of competition starting at pre-scholars, and running through junior high school age. Specialized safety equipment is required for all competitors.

Mr. Otto's proposal includes the lease of the land from the City, the complete organization and administration of events, and the procurement of insurance as required by the national association sanctioning Bicycle Motocross events.

Mr. Otto is prepared to make a presentation of his plans to City Council to assist review of this matter.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation.

March 17, 1977

Honorable Mayor Gerald Graves

and Members of City Council

Gentlemen:

The Park Board at their March 16, 1977 meeting reviewed the final plan submitted by the City of East Lansing for an easement to construct and maintain a sewage retention facility on park property. This request has been approved by the Board, and referred to City Council for action.

The proposed easement would encompass an area 200 feet by 600 feet at the very eastern edge of Red Cedar Golf Course. The City of East Lansing would construct an underground retention tank, and would return the site to its natural appearance (with the exception of a slight change in elevation). Included would be the construction of two structures required for housing certain mechanical equipment, access to the tank, and odor filtration devices. These structures have been located so they will not interfere with golf operations. Access for maintenance will be from the east thereby not crossing City property.

The Park and Recreation Department will work with City Attorney's office in the drafting of an easement to assure that construction of the facility will in no way interfere with our golf services, or increase our maintenance responsibilities.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation and Committee on Public Service and Highways.

March 17, 1977

Z-12-77

Stoneridge Meadows—Devised C.U.P. Plan

600 Block Kaynorth Street

Honorable Mayor and Members of
City Council:

The Lansing Planning Board will hold a public hearing on April 5, 1977, at 7:30 p.m. in City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan, to consider the proposed revision of the Community Unit Plan known as Stoneridge Meadows.

The proposed development is located east of South Cedar Street, between Armstrong Road and Northrup Street. Access to the site is from Kaynorth Road.

The revised portion of the plan includes approximately four (4) acres of land. The proposal consists of sixty (60) garden apartment units located within three separate buildings; and an activity area including a community recreational building with two (2) managerial staff apartments, and an adjoining pool. There are parking spaces for 122 vehicles. Density of the proposed development is 15.14 dwelling units per gross acre.

Plans of the project are in file in the Planning Office for your review. You are cordially invited to attend this meeting.

This notification is made in accord with Section 36-7 of the Zoning Code.

Sincerely,

ALAN E. TUBBS,
Planning Director.
By V. Fountain.

Received and placed on file.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

March 15, 1977

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

10th Floor, City Hall

Lansing, Michigan

Dear Mayor Graves and Members of the City Council:

On October 19, 1976, the Lansing Planning Board forwarded to you a development strategy to make Lansing the outstate regional convention center for the State of Michigan by 1980. Subsequent to that date, the Board also endorsed the plan for development of the 100 Block, known as Washington Square Center.

The Planning Board wishes to reaffirm its support for the startegy outlined in the paper submitted to you on October 19, 1976, and to the concepts embodied in the plan for development of the 100 Block, known as Washington Square Center.

Sincerely,

GORDON CORNWELL,
Chairman,
Lansing Planning Board.

Referred to Committee on Planning.

March 17, 1977

LS-3-77

624 Louisa Street

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board at their meeting of March 15, 1977, recommended that the request by Mr. Ken Grant of 624 Louisa Street, to reduce the width of Lot 20 by 5.5 feet and attach the 5.5 feet to the west side of Lot 19, Supervisor's Plat No. 3 be approved.

The Subdivision Ordinance requires a minimum lot width of 60 feet. This division will reduce Lot 20 to a width of 56.5 feet or 3.5 feet below the minimum.

Approval of this request allows Lot 20 to become a buildable lot for single family development.

The Board believes that adequate width and depth will remain to allow single family development compatible with the single family homes in the area.

This recommendation received unanimous support of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Planning Director.

Referred to Committee on Planning.

March 17, 1977

LS-4-77

828 Northrup

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board, at their March 15, 1977 meeting, recommended that the request by Richard L. Peterson of 828 Northrup, to divide a parcel of land which has a frontage of 121 feet on Northrup Street and a depth of 147 feet, into two parcels, one of which will have a width of 57 feet or 3 feet below the minimum lot width requirements, be approved.

The Board believes that this lot division will allow single family development compatible with development in the vicinity.

This recommendation received a unanimous vote of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Planning Director.

Referred to Committee on Planning.

March 17, 1977

LS-7-77

Webster Street/Pheasant Avenue

Honorable Mayor and

Members of the City Council

Gentlemen:

The Planning Board, at their March 15, 1977 meeting, recommended that the request by Roy Markey to divide two lots on the northwest corner of Pheasant Avenue and Webster Street, into three (3) buildable lots, one of which will be 50 feet by 120 feet, be approved.

The 50 foot lot created will be 10 feet below the minimum width requirement of the Subdivision Ordinance.

The Board found that other lots in this vicinity have been divided and developed in a similar manner. The Board further found that the applicant intends to design the house for the lot, which when located on the property provides for adequate front, rear and side yards.

This received unanimous support of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbh,
Planning Director.

Referred to Committee on Planning.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

March 17, 1977

Z-3-77

3224 North East Street

Honorable Mayor and Members
of City Council:

The Planning Board, at their March 15, 1977 meeting, recommended that the request by Fred Barbario to rezone property at 3224 North East Street from "A-1" Family Residential District to "F" Commercial District be approved subject to the following:

1) That vehicular access be prohibited from Orchard Glen.

2) That the parking lot be improved in accord with Section 36-54.3.

3) That parking area be screened for the protection of the residences to the east.

4) That a site plan be submitted by the petitioner to the Planning Department for approval indicating:

   a) location of existing structures

   b) proposed use of structures

   c) parking lot design, layout and number of spaces, and

   d) screening, fencing and landscaping

5) That building and occupancy permits not be granted until the site plan and a schedule for installation of improvements has been approved by the Planning Department.

The Board found that this site is located within the commercial strip along North East Street and is, therefore, no longer desirable for single family development. The Board further believes that approval of this request with the above stated conditions will permit reasonable use of the site and general improvements without seriously affecting the adjacent residential properties to the east.

A letter was received from Mrs. Angela Salazar of 722 Orchard Glen who has no objection to the change provided that fencing is installed between this commercial site and the adjacent residential properties to the east.

This recommendation is made with unanimous support of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

March 17, 1977

Z-4-77

1400 South Washington Avenue

Honorable Mayor and Members of
City Council:

The Planning Board, at their March 15, 1977 meeting, recommended that the request by Stanley Martin, President of Quality Dairy Company, to rezone propert located at 1400 South Washington Avenue from "F" Commercial District to "H" Light Industrial District be approved. The purpose of this request is to bring the existing Dairy Plant into conformance with the Zoning Code and to allow for future expansion.

Approval of this request was subject to a detailed site plan being submitted to and approved by the Planning Department aid Traffic Engineer prior to the issuance of any building permits. The site plan shall include plans and an implementation program for the necessary screening between the existing Dairy Plant and the adjacent residential to the west.

It was further requested that the rear of the property be cleared of junk and other sorts of debris.

The Planning Board believes that this change of zoning will allow reasonable use of the property and at the same time promote improvements such as screening and buffering between the Dairy Plant and the residential to the west. It was found that the site is located within the strip commercial development along South Washington Avenue and directly across from a heavy industrial zoning, formerly the Diamond Reo Plant.

The Board further found that the master plan indicates that this area is both industrial and commercial and encourages adequate screening and buffering between these areas and the adjacent residential development.

This recommendation received unanimous endorsement by the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

March 17, 1977

Z-14-74

4700 South Cedar Street

Honorable Mayor and Members
of City Council:

The Planning Board, at their March 15, 1977 meeting, received a request from Norm Farhat to withdraw the zoning re-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

quest known as Z-14-74, at 4700 South Cedar Street. This zoning request was made in 1974 for the purpose of rezoning the land from "A" Residential District to "F" Commercial District to allow a Taco Bell Restaurant to be developed on the site.

The Board voted unanimously to accept the withdrawal of this application, and forward their recommendation to the City Council for consideration.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

March 17, 1977

Z-5-77

1110 Lathrop Street

Honorable Mayor and Members
of City Council:

The Planning Board, at their meeting of March 15, 1977, recommended that the petition by the Lansing City Council to rezone the property at 1110 Lathrop Street from "F" Commercial District to "B-1" Family Residential District be approved. The intent of this recommendation is to bring the zoning and land use into conformance with the Neighborhood Development Plan, known as NDA No. 2, for this portion of the City.

The Board found that the site was not used for commercial purposes, nor was the tax assessment based on a commercial use or zoning. The Board believes that it is necessary to re-establish a residential zone to assure stability for the residential area and discourage the encroachment of commercial uses, which could be detrimental to the overall residential development.

The Board makes this recommendation with a 6 yeas, one abstention vote.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

March 17, 1977

Z-7-77

1036 and 1038 Lathrop Street

Honorable Mayor and Members
of City Council:

The Planning Board, at their meeting of March 15, 1977, recommended that the petition by the Lansing City Council to rezone the property at 1036 and 1038 Lathrop Street from "F" Commercial District to "B-1" Family Residential District be approved. The intent of this recommendation is to bring the zoning and land use into conformance with the Neighborhood Development Plan, known as NDA No. 2, for this portion of the City.

The Board found that the site was not used for commercial purposes, nor was the tax assessment based on a commercial use or zoning. The Board believes that it is necessary to re-establish a residential zone to assure stability for the residential area and discourage the encroachment of commercial uses, which could be detrimental to the overall residential development.

The Board makes this recommendation with a 6 yeas, one abstention vote.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

March 17, 1977

Z-8-77

1101 and 1111 Lathrop Street

Honorable Mayor and Members

The Planning Board, at their March 15, of the City Council:

1977 meeting, recommended that the petition by the Lansing City Council to rezone the properties at 1101 and 1111 Lathrop Street from "F" Commercial District to "B-1" Family Residential District be approved. The intent of this recommendation is to bring the zoning and land use into conformance with the Neighborhood Development Plan, known as NDA No. 2, for this portion of the City.

The Board found that the site was not used for commercial purposes, nor was the tax assessment based on a commercial use or zoning. The Board believes that it is necessary to re-establish a residential zone to assure stability for the residential area and discourage the encroachment of commercial uses, which could be detrimental to the overall residential development.

The Board makes this recommendation with a 6 yeas, one abstention vote.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

March 17, 1977

Z-10-77

222 North Seymour Avenue

Honorable Mayor and Members
of City Council:

The Planning Board, at their meeting of March 15, 1977, recommended that the petition by John E. Crouse to rezone property at 222 North Seymour from "E" Apartment-Shop District to "G" Business District be approved. The purpose of this request is to allow the renovation of the Roosevelt Hotel to State offices with the parking lot area to be developed on the north side.

The Board believes hat office development at this location is in keeping with the overall intent of the Central City Plan. The Board further believes that this change of zoning will encourage development of this property, which may otherwise remain vacant or be converted to some less desirable future use.

A letter was received from the ministers of four churches within this two block area which indicated their endorsement of the change. Further, they expressed a desire to extend agreements with the new owner of the proposed office site for a continued use of this parking lot during evening hours and on weekends for those people attending church services. The Board encouraged the owner of this site to work closely with the four churches located in the two block area to work out a mutual agreement on the use of the parking area during church services.

This recommendation was by unanimous vote of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

March 16, 1977

Honorable Mayor Gerald W. Graves

Mayor Pro-Tem William A. Brenke

and Members of the Lansing City Council

10th Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Graves, Mayor Pro-Tem
Brenke, and City Council Members:

We, the members of the Citizens' District Council for Neighborhood Development Area No. 1, are in accord with the intent of the resolution of the financial limitations to the Loan and Grant Program. As you are aware, we have been concerned that the previous maximum loan and grant limits were insufficient to accomplish the extensive rehabilitation effort needed by many of the homes in our neighborhood. We feel that this action will generate a new interest in the program and hope that other ideas of an innovative flexible nature can also be instituted to expedite the rejuvenation of the area.

Mayor Pro-Tem William A. Brenke

Members of the Lansing City Council

Tenth Floor, City Hall

Lansing, Michigan 48933

Dear Mayor Graves, Mayor Pro-Tem
Brenke, and Council Members:

The members of the Citizens' District Council (CDC) for Neighborhood Development Area No. 2 (NDA No. 2) request that the members of the City Council amend a portion of Chapter 36, Article XI, section 36-104 of the City Ordinances. The portion referred to currently reads as follows:

> The Citizens' District Council shall consist of fifteen members with the combination of elected and appointed members as follows: 6 members elected from the Development Area; 2 members appointed from the Development Area; 4 members elected from the balance of the District Area, excluding the Development Area; and 3 members appointed from the District Area, excluding the Development Area.

It has been our experience that the residents and property owners who live in the District Area, excluding the Development Area, have displayed substantially less interest in the planning and implementing of projects than their counterparts in the Development Area. A probable cause for this lower level of interest is that these Community Development projects focus their attention on the Development Area. Consequently, it has been very difficult for the CDC to find people willing to fill vacancies in District Area positions. Conversely, citizens from the Development Area who are anxious to serve on the CDC must be turned away.

Therefore, the CDC would like the City Council to reapportion the representatives

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

to permit greater representation from the Development Area on the CDC for NDA No. 2. Your prompt attention to this matter will be greatly appreciated.

Sincerely,

G. RICHARD LUCAS,
Chairman,
Citizens' District Council No. 2

Referred to Committee on Ordinance and Contracts and City Affairs, and Committee on Community Development.

March 16, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The attached letter was received by myself and Mr. Blair to bring to City Council's attention that they do not have any park space in their neighborhood. Although, several parks are not far away, they and their children especially, are effectively prevented from using them because they are isolated by Cedar, Pennsylvania, and Miller Road.

There appear to be several vacant parcels in the area that would be suitable for acquisition by the City, either through purchase or possibly donation.

I would request that this be referred to the Park Board and the Committee on Parks and Recreation for purposes of determining a method by which such a needed park can be developed.

Thank you for your consideration.

Respectfully submitted,

RICHARD J. BAKER,
Councilman-at-Large.

Referred to Park Board and Committee on Parks and Recreation.

March 16, 1977

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

We know that the Mayor, City Council and the Economic Development Corporation have an identical interest in the economic health of Lansing.

Of immediate concern is the matter of granting tax incentives under PA 198 of 1974 for certain General Motors properties within the City. Following your studied review of the facts, we urge your affirmative action on the General Motors request for the Oldsmobile and Fisher Mody expansion and modernization programs.

Very truly yours,

ROBERT M. THRUN,
For the EDC Board.

Referred to Committee on Planning.

RESOLUTIONS

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has been informed that a check for $15,250.50 has been found missing from the office of the Housing and Redevelopment Director; and

Whereas, the City Council desires to reimburse the makers of the check, Co-op Optical Services, Inc., for segregated funds in a certified account as a condition precedent to the issuance of the check; and

Whereas, Manufacturers Bank of Detroit will replace the missing check and release the segregated funds pursuant to an indemnification agreement by the City; now, therefore, be it

Resolved, that the Mayor and the City Clerk be authorized and directed to sign the attached indemnification agreement after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the President of the United States by Executive Bulletin of March, 1973, has declared as national policy the establishment of a 911 emergency telephone number; and

Whereas, the establishment of a 911 emergency telephone number will benefit the public by establishing a uniform number to dial for emergency aid; and

Whereas, the Michigan Constitution, 1963 Article 7, Section 28, directs the Michigan Legislature to authorize two or more counties, townships, cities, villages or districts or any combination thereof to enter into contractual undertaking or agreements with one another for joint administration of any of the functions each would have the power to perform separately, to share costs and responsibilities

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

thereof, to transfer founctions to one another and to cooperate with one another; and

Whereas, the Legislature of Michigan has enacted such legislation in 1951 PA 35, as amended, being MCLA 124.1 et seq; MSA 5.4081 et seq; and

Whereas, the City of Williamston, the City of East Lansing, the County of Ingham and Michigan State University have signed contracts and amendments to enter into a 911 communication system with the City of Lansing; now, therefore, be it

Resolved, that the Mayor and City Clerk be authorized and directed to sign said contract with the City of Williamston, City of East Lansing, County of Ingham, and the amendment to the Michigan State University contract binding the City of Lansing by the terms of the contracts attached hereto.

By Councilman Adado—

That this be referred back to the Committee on Public Safety.

Carried.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1978 tax rolls, the cost of correcting the hazardous and unsanitary conditions of properties in the year 1977, as reported this date by the Building Commissioner, and as per the attached list.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That the appointment of Father Wilfred Logsdon to the Human Relations Commission for a term expiring June of 1978, be confirmed.

Adopted by the following vote:

Unanimously.

Councilman Gunther left the session.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, on March 14, 1977, the City Council established an ad hoc committee to work with potential developers of the 100 Block site; and

Whereas, the name of William Lewis was inadvertently omitted from such committee; and

Whereas, on November 29, 1976, City Council adopted a conceptual plan for the development of the 100 Block; and

Whereas, in the first resolving paragraph, following the paragraph numbered 5 of said resolution of November 29, 1976, reference was made to Page VIII-2; and

Whereas, said reference should have been made to Page VIII-1; now, therefore, be it

Resolved, that William Lewis be and is hereby appointed to serve on the ad hoc committee for the development of the 100 Block; and be it

Further Resolved, that the reference to Page VIII-2 in the first resolving paragraph after the paragraph numbered 5 in the November 29, 1976, resolution be and is hereby amended to read Page VIII-1.

Adopted by the following vote:

Unanimously.

Councilman Gunther returned to the session.

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

Whereas, Act 223, P.A. 1090 as last amended by Act 196, P.A. 1970, provides for the conveyance of State-owned tax-reverted lands to municipal units for public purposes, and

Whereas, the following described properties is under the jurisdiction of the State of Michigan, Department of Natural Resources and is available for acquisition under the provisions of the above mentioned Acts,

SEE ATTACHED LIST.

and

Whereas, City of Lansing desires to acquire said land for purposes of public use and street right-of-ways,

Now, Therefore, Be It Resolved that the City of Lansing is authorized to make application to the State of Michigan, Department of Natural Resources, Land Division, for conveyance of said land to the City of Lansing for a nominal fee, plus the State's maintenance cost, and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Further, Be It Resolved that the City of Lansing shall set up necessary procedures and controls to provide for the proper distribution of funds arising from the subsequent sale of the acquired property in conformity with the above mentioned Acts.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the property owner having been notified by written notice to remove a certain female boxelder tree located as follows:

Petition No. 24

Number of Trees—1

Tree location—1002 Farrand

Owner and Address—
Lilan Mann
1308 Edward
Lansing, Michigan 48910

Now, Therefore, Be It Resolved, that the Department of Parks and Recreation is hereby authorized to have the tree removed by contract bidding and the costs of cutting and removal be assessed against the property owner in accordance with Section 23-23.3 of the Code of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas: The Michigan State AFL-CIO was formed in February, 1958, as a result of the merger of the Michigan CIO Council and Michigan Federation of Labor; and

Whereas: Following the state merger, the Michigan State AFL-CIO continued to maintain offices in Detroit and in Lansing; and

Whereas: Since the 1958 merger there have been two presidents of the combined organizations, August "Gus" Scholle, 1958-1971, and William C. Marshall, 1971 to present; and

Whereas: The Michigan State AFL-CIO has made three major moves of its headquarters and operations, from North Capitol to North Washington and to 419 South Washington in Lansing; and

Whereas: To date, the Michigan State AFL-CIO has invested approximately $900,000 in the purchase and remodeling of the South Washington location to centralize the State AFL-CIO operations, providing employment for more than 100 persons, this number to increase as the remaining available space becomes occupied; and

Whereas: Under the leadership of William C. Marshall, President, the Michigan State AFL-CIO has greatly contributed to the tax base and economic climate of the Lansing community;

Now, Therefore, Be It Resolved that the Mayor, City Council and City Clerk of the City of Lansing expresses appreciation to the Michigan State AFL-CIO for choosing and maintaining Lansing as the location for its State headquarters; and extends a special tribute and thanks to the Michigan State AFL-CIO on the occasion of the dedication of its new headquarters on March 25, 1977.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas: On March 25, 1977, Lane Kirkland, Secretary-Treasurer of the National AFL-CIO, will be in Lansing on occasion of the dedication of the new headquarters for the Michigan State AFL-CIO; and

Whereas: Lane Kirkland has served in the capacity of Secretary-Treasurer of the National AFL-CIO since July 1, 1969, preceded by a list of highly responsible positions which include Executive Assistant to the President of the National AFL-CIO, Assistant Director of the Department of Social Security for AFL and AFL-CIO, Research Staff for the American Federation of Labor, Nautical Scientist for the Department of Navy, licensed Master Mariner and deck officer aboard various merchant ships; and

Whereas: Throughout his career and involvement with the community, Lane Kirkland has participated in a number of national and international organizations and has served on the Board of Directors of organizations including:

American Arbitration Association

American Associates of Ben Gurion University

African-American Labor Center

Center for Mediation and Conflict Resolution

National Corporation for Housing Partnerships (1970-72)

National Urban League

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

(Trustee and Member of Executive Committee)

The Rockefeller Foundation

(Trustee)

American Institute for Free Labor Development

Council on Foreign Relations, Incorporated;

Now, Therefore, Be It Resolved that the Mayor, City Council and City Clerk of the City of Lansing hereby extends a special tribute to Lane Kirkland for his achievements in the field of labor relations and negotiations and for his demonstrated interest in the betterment of humanity; and

Be It Finally Resolved that the city of Lansing is honored to welcome Mr. Kirkland to this community on the occasion of the dedication of the new headquarters for the Michigan State AFL-CIO.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Open Meetings Act of 1976, being 1976 PA 267, provides that subject to certain exceptions all meetings of a public body shall be open to the public and shall be held in a place available to the general public; and

Whereas, by a written opinion dated January 5, 1977, the City Attorney advised that the Open Meetings Act applied to meetings of the City Council, Committee of the Whole, standing and special committees of the City Council, and all boards; and

Whereas, the Attorney General of the State of Michigan in Opinion No. 5183 issued March 8, 1977 concluded that the Open Meetings Act did not apply to committees and subcommittees of public bodies which are merely advisory or capable of making only recommendations concerning the exercise of governmental authority; and

Whereas, the City Council remains committed to the principle of open City government and citizen participation in City government; now, therefore, be it

Resolved, that it shall be the policy of the City of Lansing that meetings of the City Council, the Committee of the Whole, standing and special committees of Council and the meetings of all City boards and commissions and all committees of the boards and commissions capable of making decisions not subject to the review of the full board or commission whether merely advisory or not shall be held in conformity with the provisions of the Open Meetings Act of 1976.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That we concur with the recommendations of the Job Moratorium Appeals Committee made at their meeting held on March 17, 1977, as follows:

Police Department:

Approve the filling of one Clerk IB vacancy.

Approve the filling of two Police Technician IIIA vacancies.

Approve the filling of two Police Officer I vacancies.

Parks Department:

Approve the filling of two Tree Trimmer IIIA vacancies.

Approve the filling of one Group Leader IIIB vacancy.

Approve the filling of one Project Coordinator IVB vacancy.

Planning Department:

Approve the filling of one Clerk-Steno IIB vacancy.

Assessor Division:

Approve the filling of one Clerk IB vacancy.

District Court:

Approve the filling of one Court Officer IV vacancy.

Approve the filling of one Clerk IV vacancy.

Public Service:

Approve the filling of one Clerk-Typist II vacancy.

Housing and Redevelopment:

Approve the filling of one Clerk-Typist II vacancy.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Fire Department:

Approve the filling of one Fireman I vacancy.

Civic Center:

Approve the filling of one Custodian II vacancy.

Approve the filling of one Custodian IIB vacancy.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, Hull, McKane—1.

Nays: Councilman Baker—1.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

$4,173.00 from Reserve for Contingency
A/C 255-941-100-969

$3,905.00 to Temporary Help
A/C 251-930-000-707

268.00 to Fringe Benefits
A/C 251-930-000-715

I hereby certify that funds are available.

JAMES W. DOWSETT,
Director of Finance.

Approved:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

Lost by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Hull—2.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $2,033,532.84.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

Adopted by the following vote:

Unanimously.

ORDINANCES

By Councilman Belen—

The Committee reported that it had considered the following ordinances providing that the Code of Ordinances, City of Lansing, Michigan, be amended by:

a. Adding a New Section to Chapter 2 of said code to be numbered section 27-35A. (Deposit for Sewer Charges.)

b. Repealing of Section 27-35, subsection (2), subsections (a) through (h) inclusive, of Chapter 27 of said code and declaring same to be null and void and of no effect, to be effective July 1, 1977. (Rates for Landel Customers.)

c. Revising Chapter 27, Section 35 of said code of ordinances. (Sewers—amounts—billings.)

and recommended that the ordinances be passed.

Carried.

ORDINANCE NO. 446
(Deposit for Sewer Charges)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding a New Section to Chapter 27 of said code to be numbered Section 27-35A, be placed on order of immediate passage as amended.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, Michigan, be amended by that the Code of Ordinances, City of Lansing, Michigan, be amended by adding a New Section to Chapter 27 of said code to be numbered Section 27-35A, be now passed, as amended.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 446

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHGAN, BE AMENDED BY ADDNG A NEW SECTION TO CHAPTER 27 OF SAID CODE OF ORDINANCES TO BE NUMBERED SECTION 27-35A.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of Lansing, Michigan, be amended by

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

adding a new section to Chapter 27 to be numbered 27-35A which section shall read as follows:

Sec. 27-35A. In the event a tenant is responsible for the payment of sewerage charges and the Board of Water and Light is so notified in writing, the charges imposed by this chapter shall not become a lien against the premises from and after the date of the notification. Where such notice is filed no further sewerage service shall be rendered to the affected premises until a cash deposit in accordance with the following schedule shall have been made as security for the payment of sewage disposal services.

The schedule of cash deposits for the purpose of this section shall be as follows:

(a) A deposit of $15.00 shall be required of customers with less than one year's payment history and customers who have paid all except one quarterly bill on or before the due date during the previous twelve months.

(b) A deposit of $30.00 shall be required of customers who paid more than one bill after the due date during the previous twelve months but who did not require additional collection action.

(c) A deposit of $45.00 shall be required of customers who have required shut off action during the previous twelve months.

(d) In cases where actual metered water usage is substantially greater or less than 2400 cubic feet per quarter, the Board of Water and Light may authorize a security deposit based on actual usage but not less than 1/3 of the amounts stated in (a), (b) or (c) above.

The payment for such sewerage cash deposits shall be enforced by termination of sewage disposal services by discontinuing the water service to the affected premises, notwithstanding that the water service charges or water deposit to the premises may not be delinquent. The discontinuance of water service for the collection of a sewerage deposit shall be in addition to any other lawful enforcement remedy.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby declared null and void.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Carried.

ORDINANCE NO. 447
(Rates for Landel Customers)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of Section 27-35, subsection (2) subsections (a) through (h), inclusive, of Chapter 27 of said code and declaring same to be null and void and of no effect, to be effective July 1, 1977, be placed on order of immediate passage.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of Sections 27-35, subsection (2), subsections (a) through (h), inclusive, of Chapter 27 of said code and declaring same to be null and void and of no effect, to be effective July 1, 1977, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 447

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES OF LANSING, MICHIGAN, BE REVSED BY REPEALING SECTION 27-35, SUBSECTION (2), SUBSECTIONS (a) THROUGH (h), INCLUSIVE, of CHAPTER 27 OF SAID CODE AND DECLARING THE SAME TO BE NULL AND VOID AND OF NO EFFECT, TO BE EFFECTIVE JULY 1, 1977.

The City of Lansing Ordains:

Section 1. That effective July 1, 1977, subsection (2), subsections (a) through (h), inclusive, of Section 27-35 of the Code of Ordinances is hereby repealed and declared null and void and of no effect.

ORDINANCE NO. 448
(Sewers—Amounts—Billings)

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Chapter 27, Section 35 of said Code of Ordinances, be placed on order of immediate passage.

Carried.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by revising Chapter 27, Section 35 of said Code of Ordinances, be now passed.

By Councilman Baker—

That this be referred back to the Committee.

Motion failed.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Hull—2.

ORDINANCE NO. 448

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY REVISING CHAPTER 27, SECTION 35 OF SAID CODE OF ORDINANCES.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of Lansing, Michigan, be amended by revising Chapter 27, Section 35 of said Code of Ordinances which revised section shall read as follows:

Sec. 27-35. Amounts; billings.

The rates and charges for services furnished by such system shall be levied upon each lot or parcel of land, building or premises, having any sewer connection with such system, on the basis of the quantity of water used thereon or therein as the same is measured by meters therein used, or in the absence thereof, by such equitable method as shall be determined by the director of public service with the approval of the city council, and shall be collected at the same time, and in the same manner as provided for the payment of charges for water used, except in cases where the character of the sewage from a manufacturing or industrial plant, building or premises is such that unreasonable additional burden is placed upon the system, greater than that imposed by the average sewage delivered to the system plant, the additional cost of treatment created thereby shall be an additional charge over the regular rates hereinafter set forth; or the city may, if it deems it advisable compel such manufacturing or industrial plant, building or premises, to treat such sewage in such manner as shall be specified by the city before discharging such sewage into the sewage disposal system. Rates for all users obtaining all or part of their water supply from sources other than the city's water system may be determined by gauging or metering the actual sewage entering the system or by metering the water used by them, in a manner acceptable to the city council. The commodity charge for resident users shall be computed on the basis of nine hundred (900) cubic feet per month per customer where gauging or metering is not practical.

The city council may classify the users of the system according to the quantity of water used and charge such rates to users in each class as it may deem reasonable.

(1) The rate to be billed for use of the system shall be as follows for all users within the sanitary sewer service area of the city except as otherwise provided herein:

Schedule of Sewerage Rates per Month:

(a) Service charge. $0.80 per month per customer for billing and collecting services.

(b) Commodity charge.

$0.40 per 100 cubic feet for the first 2,000 cubic feet.

$0.81 per 100 cubic feet for all over 2,000 cubic feet.

(c) Minimum charge per month or part thereof.

Meter Size in Inches	Minimum Billing
5/8	$ 1.90
3/4	3.50
1	6.70
1 1/4	9.54
1 1/2	14.50
2	33.10
3	57.90
4	113.70
6	212.90
8	374.10
10	622.10

(d) Industrial cost recovery charge. $0.042 per 100 cubic feet of industrial process waste water.

(e) Extra strength waste surcharge (BOD). $0.085 per pound in excess of 300 parts per million (PPM).

(f) Extra strength waste surcharge (suspended solid). $0.048 per pound in excess of 350 parts per million (PPM).

(g) Lawn sprinkling. Upon all bills to resident users during the months of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

September, October and November, the sewerage charge shall be subject to a discount of ten per cent (10%) unless water used for lawn sprinkling is metered separately, and further provided that said discount shall not apply to any minimum billing.

(h) Delayed payment charge. A delayed payment charge of ten per cent (10%) of the total monthly bill shall be added to any bill which is not paid on or before the due date shown thereon.

(2) The rate to be billed for use of the system shall be as follows for all Landel customers:

Schedule for Sewage Rates per Month:

(a) Service charge. $0.30 per month per customer for billing and collection services.

(b) Commodity charge.
$0.70 per 100 cubic feet for the first 2,000 cubic feet.

$0.54 per 100 cubic feet for all over 2,000 cubic feet.

(c) Minimum charge per month or part thereof.

Meter Size in Inches	Minimum Billing
5/8	$ 3.10
3/4	5.90
1	11.50
1¼	16.47
1½	25.15
2	57.70
3	101.10
4	198.75
6	372.35
8	654.45
10	1,088.45

(d) Industrial cost recovery charge. $0.042 per 100 cubic feet of industrial process waste water.

(e) Extra strength waste surcharge (BOD). $0.085 per pound in excess of 300 parts per million (PPM).

(f) Extra strength waste surcharge (suspended solids). $0.048 per pound in excess of 350 parts per million (PPM).

(g) Lawn sprinkling. Upon all bills to resident users during the months of September, October and November, the sewerage charge shall be subject to a discount of ten per cent (10%) unless water used for lawn sprinkling is metered separately, and further provided that said discount shall not apply to any minimum billing.

(h) Delayed payment charge. A delayed payment charge of ten per cent (10%) of the total monthly bill shall be added to any bill which is not paid on or before the due date shown thereon.

Of the foregoing commodity charge, approximately $0.20/CCF is a user charge to pay for operation, maintenance and replacement and the balance to pay local financing expenses and other local costs.

Industrial Cost Recovery

All process waste water from industrial facilities are subject to an industrial cost recovery charge. Process waste water includes all liquid wastes discharged into the sanitary sewers of the city from an industrial facility, less those waste waters that originate from employees' use of sanitary appliances. The industrial cost recovery charge becomes effective on or about January 1, 1977, and is to be added in the foregoing schedule of sewerage charges and is to be computed as follows:

The annual industrial cost recovery charge is to be equal to the product of the ratio of the average annual amount of industrial process waste water discharge to the sewer per day to a plant design capacity of forty million gallons per day, said ratio to be multiplied by one-thirtieth (1/30) of the amount of federal grant received under federal Public Law 92-500 for construction of the waste water treatment facility. Based on an expected federal grant of $24,693,750, the annual industrial cost recovery charge shall be $0.042 per one hundred (100) cubic feet of industrial process waste water.

The industrial cost recovery charge shall be collected with sewer service billings, one-half (1/2) of which shall be remitted to the United States Treasury, in accordance with federal law, and two-fifths (2/5) of which is to be used by the city for reconstruction of waste water facilities and one-tenth (1/10) of which shall be used for other waste water treatment purposes.

Surcharges for BOD and Suspended Solids

For BOD greater than three hundred (300) parts per million, there shall be a charge of 8.5 cents per pound and for suspended solids greater than three hundred fifty (350) parts per million, there shall be a charge of 4.8 cents per pound.

There shall be an additional charge for laboratory testing of waste water samples. The laboratory charge shall be for the cost thereof and will be determined for each user.

The surcharges for BOD and suspended solids becomes effective on or about January 1, 1977, and shall be adjusted annually to meet actual system expenses and initially shall be as follows:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

	BOD	Suspended Solids
Operation and maintenance expenses	3.8¢/lb.	2.2¢/lb.
Local debt	2.4¢/lb.	1.4¢/lb.
Industrial cost recovery	2.3¢/lb.	1.2¢/lb.
	8.5¢/lb.	4.8¢/lb.

The rates stated herein shall be effective on January 1, 1976, except as otherwise provided. A billing covering use of the system before and after the effective date of this rate change shall have such bill prorated, based upon the average use per day and the number of days within such billing period, at the rate then in effect.

The board of water and light is hereby designated as the billing and collecting agent for the city for the purposes of this chapter and is reimbursed from the funds collected for the expense of such billing and collecting. The charges shall constitute a lien on the property served by any connection with the system, and if unpaid for a period of three (3) months or more shall in accordance with the charter provisions applicable be assessed and spread upon the city tax roll and collected in the same manner as general city taxes. Where sewerage disposal charges after the effective date of this section are not paid within eighty (80) days from the date of billing for bills rendered on a quarterly basis or are not paid within fifty (50) days from the date of billing for bills rendered on a monthly basis, the payment for such sewerage disposal services shall be enforced by termination of sewage disposal services by discontinuing the water service to the affected premises notwithstanding that the water service charges to the premises may not be delinquent. The discontinuance of water service for the collection of sewerage charges shall be in addition to any other lawful enforcement remedy.

Suburban user or users of sewer or sewer services located outside of the corporate limits of the city who have connection with the sewerage system of the city shall pay for such service such additional rate to that charged to users within the corporate limits as the city council may determine to cover additional costs to the city of transportation of waste water and depreciation of investments by the city in sewerage facilities.

Section 2. All ordinances or parts of ordinances inconsistent with this section are hereby declared null and void.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That Councilman Blair be excused from the session.

Carried.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Councilman Baker presented a letter from persons in the Fisher Body area relative their concern as to the expansion of the Fisher Body and their concern relative odor and emission problem that will come before the Michigan Air Pollution Control Commission meeting of March 22, 1977.

Referred to Committee on Planning.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

LS-3-77

624 Louisa Street

More particularly described as:

Lots 19 and 20, Supervisor's Plat No. 3, City of Lansing, Ingham County, Michigan.

Whereas, Kenneth Grant of 624 Louisa Street has requested to divide Lot 20 by allowing 5.5 feet to be attached with Lot 19, Supervisor's Plat No. 3, which would reduce the width of Lot 20 from 62 to 56.5 feet, or 3.5 feet below the minimum requirements. The purpose of this request is to maintain the required side yards for the detached garage that exists on Lot 19 and allow for the balance of Lot 20 to become a buildable lot for a single family home; and

Whereas, the Planning Board has reviewed this request and recommended that the lot division be approved; and

Whereas, the Planning Committee of Council, to whom was referred the recommendation of the Planning Board concurs therewith,

Now, Therefore, Be It Resolved that in accordance with Section 37-27 of the Subdivision Control Ordinance, the above described property be divided as follows:

Parcel A—is Lot 20, except the east 5.5 feet thereof, Supervisor's Plat No. 3,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

City of Lansing, Ingham County, Michigan.

Parcel B—is Lot 19 and the east 5.5 feet of Lot 20, Supervisor's Plat No. 3, City of Lansing, Ingham County, Michigan.

The applicant stipulates and understands that the lot split that he is given by the City of Lansing does not necessarily mean that the applicant may proceed with the division of the property. The applicant further understands that there may be some private restrictions contained in a Deed or Plat restrictions which may or may not be recorded with the Registrar of Deeds which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

By Councilman Baker—

That the 3rd paragraph be deleted.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Councilman Gunther—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:30 p.m.

THEO FULTON,
City Clerk.

OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

Proceedings, March 28, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

March 28, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Belen.

Pledge of Allegiance was given.

By Councilman Brenke—

That the Council Proceedings of March 14, 1977, be approved.

Carried.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Councilman Brenke presented the following resolution to the Lansing Everett High School (Vikings) Basketball Team.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, Everett High School basketball team has, through great team effort, athletic skill and good coaching brought wide recognition and notoriety to Everett High School and the City of Lansing; and,

Whereas, Everett High School basketball team, in the face of fierce competition, bat-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

tled its way through district play, through the regionals, through the quarter-finals, through the semi-finals and became the victorious State Champions in Class A high school basketball of the State of Michigan on March 26, 1977; and,

Whereas, the parents, the students, the booster club, the school staff and the community, as well as the coaches, participated in this tremendous victory; and,

Whereas, the Mayor and Lansing City Council are exceptionally proud of this outstanding achievement;

Now, Therefore, Be It Resolved that this resolution of commendation be presented to Coach George Fox and the Members of the Everett High School Championship Basketball Team.

Adopted by the following vote:

Unanimously.

Mayor Graves presented a proclamation declaring "Lansing Everett High School Vikings Basketball Team Prayer Day" for Sunday, April 3, 1977.

This was accepted by Assistant Coach Pat Holland in the absence of Coach George William Fox.

Asst. Coach Pat Holland introduced the Everett High School Basketball Team.

Asst. Coach Holland introduced Sharon Pettit, Coach of the Cheerleaders who in turn introduced the cheerleaders.

Mayor Graves presented the proclamation proclaiming Saturday, April 2, 1977, as "George William Fox Day."

This proclamation was accepted by Lt. Richard Fox, brother of Coach Fox, in his absence.

HEARING ON PROPOSED CHANGE IN ZONING CLASSIFICATION

March 28, 1977, at 7:00 o'clock being the time set as the time for holding a hearing on the proposed changes in the Classifications as provided for in the Zoning Code, which was passed by the City Council on November 13, 1958, said proposed amendment being as follows:

That the property described as:

Z-1-77—Property on Hazelwood Dr.,

be rezoned from "A" One Family Residence District to "F" Commercial District.

The Mayor announced that if there was anyone present who had any suggestions or objections to make to the proposed amendment(s) to the Classifications provided for in the Zoning Code he had the privilege of speaking at this time.

President of Forest View Assoc. spoke opposing rezoning.

Councilman Baker said he had received a phone call from Tobin Emirck stating his opposition to the rezoning.

Referred to Committee on Planning.

THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON NON-AGENDA ITEMS, YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ONE ITEM.

No persons spoke.

REPORTS OF CITY OFFICERS AND BOARDS

City Treasurer submits report of the condition of funds in the treasury as of February, 1977.

Received and placed on file.

March 22, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Rose Ann Cole on June 9, 1976 and on September 17, 1976 to Riverside Hospital.

The indigent in need of the ambulance service does not have insurance to cover the service. Pursuant to Court Order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $48.00 for transportation on June 9, 1976 and the amount of $74.00 for transportation on September 17, 1976 for a total amount of $122.00 be authorized.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney

March 22, 1977

Honroable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for transportation of one Cecil Salter to Jarvis Acres on January 26, 1977.

The indigent in need of the ambulance service does not have insurance to cover the service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $65.00 for the transportation of Cecil Salter to Jarvis Acres on January 26, 1977 be authorized.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney

March 22, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Evelyn B. Billett to Riverside Hospital on December 9, 1976.

The indigent in need of the ambulance service does not have insurance to cover the service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $93.00 for the transportation of Evelyn B. Billett to Riverside Hospital on December 9, 1976 be authorized.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

March 22, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Raina Cudahy to Riverside Hospital on December 7, 1976.

The indigent in need of the ambulance service does not have insurance to cover the service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $88.00 for the transportation of Raina Cudahy to Riverside Hospital on December 7, 1976 be authorized.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney

By Councilman McKane—

That we concur in the recommendations of the City Attorney that said claims for Mercy Ambulance (4) be paid and the City Clerk be and she is hereby directed to draw warrant on the City Treasurer payable to Mercy Ambulance Service in the amount of $368.00.

Carried.

March 18, 1977

President, Woodcreek School P.T.A.

% Principal, Woodcreek School

4000 Woodcreek Lane

Lansing, Michigan 48910

Dear President:

Please be advised that after nearly one year of manufacturing, placement and installation problems, a warning siren was installed in Sheffield Park to the west of the 4000 block of Seaway Drive.

The siren, having a range of 5,000 feet, is tested the first Saturday of each month at 1 P.M., along with 19 other sirens that cover the City of Lansing.

The emergency alert signal, which is a steady tone, signifies a city emergency such as a tornado, etc.

The attack warning signal, which is a up and down—warble signal, signifies a nuclear attack.

In all cases, other than testing times, persons should listen to local radio stations for emergency information, when hearing a warning from the sirens.

I am, as always, at your service.

Sincerely,

JAMES A. HOLCOMB,
Executive Director,
Department of Emergency Operations

Received and placed on file.

March 23, 1977

Mayor Gerald W. Graves and

Members of the Lansing City Council

Dear Mayor and Council Members:

Attached for your information are copies of letters from Senator Donald W. Riegle and Representative Bob Carr in response to my recent communication to them on behalf of the City of Lansing reference our concern as to the federal funding programs which will be incorporated in the Public Works Bill.

Sincerely,

GEORGE S. LOKKEN,
Program Coordinator

Referred to Committee of the Whole and Mayor.

March 24, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 14, submitted by The Christman Company on the Wastewater Treatment Plant Additions, Contract 72-S-4, increasing the amount of the contract by $6,330.40, due to the necessary additional labor, material and equipment as noted in the Charge Order.

I would recommend approval of this Change Order No. 14.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Change Order No. 14, submitted by

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The Christman Co. on the Wastewater Treatment Plant Additions, Contract 72-S-4, increasing the amount of the contract by $6,330.40, due to the necessary additional labor, material and equipment as noted in the Change Order, reports as follows:

We concur with the recommendation of the Director of Public Service.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

March 24, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a proposed construction agreement between the Michigan State Highway Commission and the City of Lansing for the Widening of Miller Rd. from Pleasant Grove Road to Marywood Avenue, under Control Section MU 33403-12306, M 2003(010)(77-0321), Job Number 12306.

This project will be funded 72% Federal Highway Administration Urban Systems funds and 28% City of Lansing. Funds for the City's share will be drawn from the following accounts:

202-453-807-974 (Major Street—Act 51)

101-936-617-973 (City's share storm sewers)

590-536-608-974.000 (City's share Sanitary sewers)

801-936-000-974-262 (Curb & Gutter & Storm Sewer Assessments)

I would recommend that this proposed construction agreement be approved, and that the Mayor and City Clerk be authorized to sign said agreement.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service

Referred to Committee on Public Service and Highways.

March 23, 1977

Honorable Mayor and Members of

the Lansing City Council

City of Lansing

City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

The contract with the Lansing Model Cities Federal Credit Union contained a requirement that detailed business forecast goals toward financial independence be drawn and that a mid-year report of progress be made.

Accordingly, we are forwarding a copy of the goals and the subsequent mid-year progress report. The agency has met its goals and appear to be in a position to be financially independent on July 1, 1977.

There appears to be a direct relationship between the personnel reorganization which occurred at the end of the last contract year and the increased business activity underway at the Credit Union. Additionally, the implementation of a computerized accounting system on July 1, 1976 has reduced staff time spent on hand posting of account transactions and leaves more time for activities which increase business. The computer system also provides management reports vital to determining future direction.

The membership and income of the Credit Union reflects a consistent growth projection from moderate earned income at the beginning of the contract year when a totally new staff took over the operation of the Credit Union.

During the first half of this contract year, the new staff became acclimated to their new jobs and made substantial changes in the direction of the Credit Union. After comparing the monthly income trends of their Credit Union to other Credit Unions, they were able to quite closely project the trends and level of activity necessary to work toward self-sufficiency.

Their projected and actual income followed typical trends of climbing upward in the Fall and dropping downward during the Christmas shopping and year end tax period. Although January and February data is not normally included in a mid-year report, we have information which shows that the upward income trend for these two months is higher than projected. Earned income for these two months was:

	Projected	Actual
January	$1,300	$1,707
February	$1,500	$1,566

This indicates that the growth activities pursued in the prior six months provided increased income during that time period.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

but also is providing a continued income base to build upon.

The Credit Union is also ahead of schedule in meeting the scopes of its contract. With 50% of the contract time expired, the agency has succeeded in attaining 85% of its scopes of service as follows:

Annual Contract Requirements

1. Shall provide 169 C.D. residents with services.
2. Shall make 200 loans.
3. Shall expand membership by a net increase of 60 individuals.
4. Shall conduct 4 membership drives.
5. Shall conduct 2 share deposit drives.
6. Shall provide financial counseling and consumer affairs education to 25 members.

Status As Of 12-31-76

1. Agency has provided service to 293 C.D. residents.
2. Agency has made 132 loans.
3. Agency has increased membership by a net increase of 68 individuals.
4. Agency has conducted 2 membership drives.
5. Agency has conducted 1 share deposit drive.
6. Agency has provided counseling/education to 386 members.

Status As Of 2-28-77

1. Agency has provided service to 350 C.D. residents.
2. Agency has made 172 loans.
3. Agency has increase membership by a net increase of 91 individuals.
4. Agency has conducted 2 membership drives.
5. Agency has conducted 1 share deposit drive.
6. Agency has provided counseling/education to 426 members.

In summary, by December 31, 1976, the Lansing Model Cities Federal Credit Union met its mid-year business forecast goals and also either met or exceeded its contractual scopes of service. It has projected earnings from July through December of approximately $9,000.00 and in fact earned $9,053.70.

During the first six months of the contract, $113,304.00 was loaned out to members. This has made a net increase in total outstanding loans of $24,778.00 for the same time period. During the current year, 53.3% of the new members are Community Development residents and 82.8% have low incomes. The agency will now begin to re-evaluate the overhead expense projected for next year to determine how and if cutbacks should be made. The Credit Union is well on its way to being in a position of self-sufficiency on July 1, 1977.

Respectfully submitted,

JACQUELINE WARR

Referred to Committee on Community Development.

Gentlemen:

Attached is the tabulation of three bids for the purchase of pavement marking paint, which were opened at 3:00 P.M., E.S.T. on Tuesday, March 15, 1977.

Armstrong Smith Paints	$4,923.80
Baltimore Paint & Chemical	$5,104.80
Bell Equipment Company	$5,712.00

We recommend acceptance of the low bid submitted by Armstrong Smith Paints for a total delivered price in the amount of $4,923.80. Terms are "Net 30 Days."

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director

RAYMOND O. SEVERY,
Traffic Engineer

Referred to Committee on Public Safety.

March 25, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-710 Traffic Signal Cable

Gentlemen:

Three bids for the purchase of approximately 20,000 lineal feet of 7 conductor No. 14 stranded traffic signal cable and approximately 5,000 lineal feet of 4 conductor No. 14 stranded traffic signal cable for the Traffic Department were opened at 3:00 P.M., E.S.T. on Tuesday, March 8, 1977.

Clifford of Vermont, Inc.	$4,430.00
White Plains Electrical Supply	$4,950.00*
Graybar Electric Co., Inc.	$5,398.60

We recommend acceptance of the second low bid submitted by White Plains Electrical Supply with a total delivered price in the amount of $4,950.00. The low bid did not meet specifications. Terms: ½%—20 Days.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director

RAYMOND O. SEVERY,
Traffic Engineer

Referred to Committee on Public Safety.

REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director and the Traffic Engineer that the second low bid submitted by White Plains Electrical Supply Co., Inc. for the purchase of 25,000 feet of traffic signal cable for the total delivered price of $4,950.00 be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Traffic Engineer.

Signed:

LOUIS F. ADADO,
R. J. BAKER,
TERRY J. McKANE,
Committee on Public Safety

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

March 24, 1977

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

Subject: Redevelopment Proposal
Received from F/S Development Company
Parcel 7, Project No. 2, Mich. A-6

The Housing and Redevelopment Advisory Board, at its meeting held on March 22, 1977, unanimously agreed to advise the Lansing City Council that the proposal to purchase and redevelop the residential redevelopment site located at Cedar and Shiawassee Streets is a concept that satisfies the objectives of the Development Plan for Urban Renewal Project No. 2, Michigan A-6. The Board wishes to inform the Lansing City Council that it strongly desires the opportunity to again review this proposal, if and when the developer obtains the necessary financing commitments and finalizes working drawings and specifications.

In reviewing this proposal, the Board:

a. Did not address the tax abatement or Section 8 subsidy requirements made by F/S Development Company. The tax abatement issue is a decision that must be made by the Lansing City Council, after it receives the advice of the City Attorney. The Section 8 subsidy situation is a decision that must be jointly made by the City Council and HUD-FHA.

b. Encourages the City Council to give thought and consideration to funding, through Federal Revenue Sharing monies or other sources, the extension of the Board of Water and Light steam system to serve all three (3) available urban renewal sites east of the Grand River, at a cost roughly estimated at $175,000. This specific recommendation is based, on the fact, that given today's utility situation, it makes a good deal of sense to utilize our nation's most available fuel source, coal, to offset dwindling gas and oil supplies. Steam, which is generated by coal, is a logical development incentive, which can and should be provided by the City.

c. Understands that a pre-application for a DNR grant has already been filed to obtain $60,000 for the renovation of the ConRail railroad bridge to create a pedestrian walkway. Local matching share would be generated from the proceeds of the sale of this property. This is consistent with City policy, per City Council resolution dated January 19, 1976, (page 42 of the 1976 Council Proceedings).

d. Understands that curb, gutter, and sidewalk improvements within the public rights of way adjacent to this property will be routinely provided by urban renewal program.

It should again be emphasized that the Housing and Redevelopment Advisory Board expressly desires the opportunity to again considered this proposal, after the numerous details are finalized. Depending upon the rate of progress at which these details are finalized by the developer, the City, and HUD-FHA, the Board will consider and forward to City Council its recommendations on any other redevelopment proposals for this property that may be received in a timely manner.

Sincerely,

CITY OF LANSING,
MICHIGAN
Housing and Redevelopment
Advisory Board,
RONALD G. STONEHOUSE,
Secretary

Referred to Committee on Community Development.

By Councilman Adado—

That this letter be referred to the Committee of the Whole.

Carried.

March 21, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

This office has been advised by Ms. Helen J. Cornett that she is no longer eligible to serve as a mmeber of the Public Service Board as she has moved out of the State. Therefore, I am submitting to you for your consideration and confirmation, the name of Sharon K. Daughenbaugh to fill said vacancy, which term expires in June of 1978.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Ms. Daughenbaugh is a life-long resident of Lansing and was graduated from Everett High School. She has been employed by the Oldsmobile Division of General Motors as a Press Operator for the past five years. Ms. Daughenbaugh is a member of UAW Local No. 652, Committee Service Chairman of that Union local, and is a UAW Local No. 652 delegate to the CAP Council. She is also on the Mystic Lake Board of Directors for the YMCA, a member of the Forest View PTA, and a volunteer for Muscular Dystrophy and Easter Seals.

Mrs. Daughenbaugh and her husband, Samuel, have two children and reside at 1719 East Jolly Road in the City of Lansing.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor

Referred to Committee on Public Service and Highways.

March 22, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem

and Council Members:

This is to advise that George Noak has submitted his resignation from the River Island Advisory Committee, effective immediately. Therefore, I have appointed Luther J. Flanagan, a representative of the Westside Neighborhood Association to fill said vacancy.

Luther J. Flanagan was graduated from Albion College with a Bachelor of Arts Degree in Sociology and Psychology. He also took graduate courses from Wayne State University and Michigan State University. He has been an employee of the State of Michigan for the past nine years and presently serves as President and Acting Director of the Bureau of Community Services with the Department of Labor. Mr. Flanagan is a veteran, having served with the U. S. Army; he is a member of the District-Wide Advisory Council for the Lansing School District; he is also a member of the Westside Neighborhood Association and the Sexton P.T.A.

Mr. Flanagan and his wife, Rita, have four children and reside at 431 S. Verlinden in the City of Lansing.

The above is forwarded to you for informational purposes only.

Sincerely,

GERALD W. GRAVES,
Mayor

Received and placed on file.

March 24, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

This is to advise that a position for a representative of the Council of Churches has been established for the River Island Advisory Committee. To fill the position, I have appointed Rev. Rosa Lee Porter.

Rev. Porter was raised in Carrollton, Georgia, and attended Atlanta Spelma Seminary where she passed her studies and became a minister of the African Methodist Episcopal Church. She has been a minister for the past 22 years and presently is Pastor of St. Matthew A.M.E. Church at 522 W. Maple Street. Rev. Porter is on the Board of Directors of the Lansing Area Council of Churches, a member of the Women's Missionary Society, was a leader and speaker at the Bicentennial Church Service at Riverfront Park, and is a member of the Inter-Racial Fellowship.

Rev. Porter, who is 70 years of age, and her husband, Bill, reside at 200 Friendship Circle, Apt. 424.

The above is forwarded to you for informational purposes only.

Sincerely,

GERALD W. GRAVES,
Mayor

Received and placed on file.

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

Referred to Committee of the Whole.

1119 S. Holmes Street
Lansing, MI 48912
March 24, 1977

Gerald W. Graves, Mayor and

Members of City Council

Lansing City Hall

Lansing, MI 48933

Dear Mayor Graves and Council Members:

I am compelled by my own beliefs and those of several of my constituents, to once again reflect my views concerning the Community Development Program. I have consistently tried to encourage members of the Lansing City Council, specifically Councilmen Hull and Baker, and various City staff members to cooperate in a collective effort to pull together for the betterment of the City's Community Development program. Obviously I have not been successful in this endeavor.

I read with dismay the article printed in the Lansing State Journal on March 22, 1977 prepared by Mary Flood. The title of the article was "Job Squeeze by Council's 'guns or butter stand'." If my wish could be granted at this moment, I would wish that the sensible members of the Lansing City Council censor any conversation relative to Community Development by Councilmen Baker, and Hull. When will we start trying to pull this community together? Councilmen Hull and Baker do not reflect my sentiments, nor those of many of the people in my neighborhood that I know, therefore, I would have to ask whose interests do they represent if not us as members of the public who elected them?

The members of Citizens' District Council No. 2, with me as their chairman during the past year have been working with Mr. Sharp and his staff, as well as other department staff members in City Hall for almost one year. I have listened to comments made by members of Citizens' District Council No. 1 and No. 2 reflecting upon the type of staff support they are getting. If Mr. Baker knew what he was talking about he would not have stated, "If he were getting results from the current staff there would be good public relations." That is exactly what is being done and in an outstanding manner. We, as the public, do have a good relationship with City staff members who reprsent the Community Development program.

During the Community Development Committee meeting last Tuesday, Mr. Sharp requested that Councilmen Baker and Hull provide to him in writing their concerns about the Community Development Management, with constructive suggestions. I reiterated that request later during the meeting. I asked if Councilman Baker understood what Mr. Sharp was requesting, and if he was going to comply with that request. The response that I received was "no," or "perhaps." I am really not certain of his response since it was so indecisive. It would seem to me entirely appropriate for Councilman Baker and Hull to air their problems with the Community Development Program, give management an opportunity to straighten out these problems if they are valid complaints, and then go about their business of supporting the program one-hundred per cent.

It is realized that this is a political year, but I most strongly request that the Lansing City Council not permit the Community Development Program to suffer because of the personal interests of certain politicians in attempting to downgrade the program for political purposes.

The Community Development Promotion program is now in the hands of City Council. I, for one, will be interested in following the outcome of the proposed program.

I request that the Mayor direct the City Clerk to read my letter so that it might become part of the official record of your City Council proceedings. If at all possible, I fully intend to be present during your City Council meeting this coming Monday, and I plan to have other citizens present who have the same concerns that I have. We will answer any questions you might have if you so desire.

Sincerely,

RICHARD LUCAS,
Member of Citizens' District
Council No. 2

March 25, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members

Following months of expectation on my part, and detailed on the part of Michigan Bell Telephone Company, the Company has begun activating for public use the first of its Lansing pay telephones equipped to handle coin-free emergency calls. The new service, called "Dial Tone First," allows callers to dial an operator from pay telephones without depositing coins — when the operator answers an individual advises of the emergency, and can be immediately

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

put in contact with the Police Department, etc.

Lansing is the first major city in Michigan Bell's southern area to be converted to "Dial Tone First."

In a meeting Thursday, March 24, I was advised by Mr. A. E. Lewis, General Manager for Michigan Bell's southern area, that the Company has begun converting 165 pay telephones within the Company's "321" Exchange, which serves the northwest part of Lansing. He advises, further, that a massive conversion program will extend the "Dial Tone First" emergency service to all Lansing's 1,100 pay telephones.

To reach the point we are now at, extensive central office modifications and the addition of new equipment has been necessitated. An overall conversion program, for Michigan Bell's 51,000 pay stations in Michigan, will follow the project now underway in our own City and at a cost of $15 million.

As each telephone in our City is converted to the emergency no coin necessary system, and those that are to follow in Michigan, a special sticker will be placed on each phone as an aid in identifying those that have been converted. Too, an instruction card will be placed on each pay phone ready to handle the new service informing the customer that all he or she has to do to get the dial tone is to lift the receiver, dial the operator and advise of the emergency.

In taking this opportunity to advise you of this innovative system, I express my very sincere "thanks" and appreciation to Michigan Bell Telephone Company and her many employees.

Sincerely,

GERALD W. GRAVES,
Mayor

Referred to Committee of the Whole.

March 28, 1977

Hon. Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

In accordance with the provisions of Section 8.2 of the City Charter, I am herewith submitting my Eighth Annual Recommended Budget, which is for Fiscal Year 1977-78, commencing July 1. My Recommended Budget is the result of almost four months of effort on the part of my Budget Committee, and myself, not including the hundreds of hours necessitated on the part of departmental staffs. It represents what I think is a sound document, based upon an excellent foundation of cooperation, research and analysis, and a free exchange of thought by my Budget Committee and departmental representatives, during the presentations on the various appropriation requests.

For the City of Lansing, the general economy appears to be on the upswing. Also, as pointed out in my State of the City Message, building permits issued, for 1976, in Lansing rose to the second highest level in our history — And, the State and Local Fiscal Assistance Act (Federal Revenue Sharing) has finally been re-adopted.

As a result of the aforementioned, and with cautious optimism, my Eighth Annual Recommended Budget for Fiscal Year 1977-78, commencing on July 1, provides for a property tax rate of $11.49, including debt retirement. This represents a DECREASE of 13.15% from the present, or $1.74 LESS, per one thousand dollars of assessed valuation; this proposed tax rate is lower than the average tax rate of $12.09 for the period of 1969-1977. Of the total reduced rate of $11.49, I am recommending that $1.27 be used for Debt Retirement, and $10.22 for General City Operations.

The proposed reduction of $1.74 in the tax rate will mean that the average property owner will annually pay, with Income Tax, approximately $196.00 for regular City services, such as Ambulance, Fire, Police, Parks and Recreation, general Public Service, Purchasing, Finance, Accounting, Debt, etc.

The proposed reduction of $1.74 per one thousand dollars of assessed valuation, will mean that the propety owners, combined, will pay approximaately $1,271,500 LESS IN PROPERTY TAXES FOR CITY PURPOSES, even with new assessments, than is presently being paid. The proposed reduction will mean approximately $100,000 LESS IN PROPERTY TAXES than was collected for City purposes back in 1971-72, despite skyrocketing inflation and increased operational and personnel costs since that time.

The proposed tax rate of $11.49 will keep the City of Lansing in a good position compared to other Michigan cities. For example, the latest figures, available to me from the Office of the City Assessor and the State Tax Commission, show that the City of Detroit, a municipality with substantial problems, has a tax rate of $33.18, up from the 1975 level by $5.21; Wayne is up to $19.05; Ypsilanti up to $23.30; River Rouge up to $23.10; Oak Park up to $23.89; Muskegon up to $18.35; Kalamazoo up to $18.99; Birmingham up to $19.50; Ann Arbor up to $19.00; Ecorse up to $22.15; Ferndale up to $22.27; Harper Woods up to $20.90; and Hazel Park up to $21.40; while Sault Ste. Marie is down to $24.55; Hamtramck down to $27.15; Highland Park down to $26.02; Inkster down to $19.00; and, Grosse Pointe down to $19.35; while Bay City is at $22.00; Benton Harbor at $23.13; Iron River at $23.87; Ironwood at $25.31; Ishpeming at $21.50; Taylor at $22.07; and Munising is at $27.94.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

I recommend to you a budget for all General City Operations of $30,046,472, including $29,093,314 from the General Fund, and $953,158 from the Federal Revenue Sharing Fund.

I am, also, recommending a Capital Improvements and Preventative Maintenance Program totaling $2,091,842, including $445,000 from the General Fund and $1,646,842 from Federal Revenue Sharing—Of this total, $1,658,720 is for Capital Improvements, which is substantially higher than the $394,000 approved by you for Fiscal Year 1976-77.

In addition, I am recommending an Emergency Fund of $300,000, which, when considered in the light of my total recommendations, should be adequate to cover contingencies of Fiscal Year 1977-78.

In summary, my total budget recommendation of $32,438,314 from the General Fund and Federal Revenue Sharing Fund can be divided into: (a) $30,791,472 in ongoing program costs, representing a 6.4% increase resulting from increases in wages and salaries, fringe benefits, utilities, materials and supplies, plus (b) $1,646,842 in Capital Improvements and Preventative Maintenance, recommended especially in areas of special need, those that would reduce repair and maintenance costs, those that would improve departmental service levels, and those which would correct safety deficiences required under the new safety legislation at the Federal and State levels (OSHA).

The General Fund Budget reflects a decrease of more than $3.7 million from departmental requests. Some of the requests were rejected outright, while others were modified, or transferred to the Federal Revenue Sharing Fund. The judges of the 54th District requested, for example, that the City raise its salary contribution to the level of $12,500 in addition to the $24,930 salary contribution (an increase) received from the State of Michigan — currently, the City contributes $11,056 making the salaries of District Judges $35,906 per year. General City Employees are receiving approximately 5.5% in pay increases; the request of the District Judges for a 13% increase in the level of City contribution, in addition to the recent State increase, was rejected.

Recommended Capital Improvements vary substantially. Some are as follows:

—Ever increasing is the participation by men, women and youth in softball (both fast and slow pitch), and in baseball. In Year 1976, more than 7,400 individuals participated on our fields. To upgrade our facilities, I have included $95,000 to light the three fields, and install proper fencing, at Gier Park; $75,000 to light two fields, and for fencing, at Davis Park; and $30,000 for lights, and other improvements, at Westside Field. In addition, I support an expenditure of $73,000 from the Ranney Park Trust Fund to upgrade that facility by installing a new Scorer-Press Box, public address system, First Aid Station, drinking fountain, restrooms, outfield sod, analysis of soil, benches and dugouts, overhead backstop at the American Softball Association recommended minimum distance behind home plate, the lighting system to standard, and maintenance free covers for wooden bleachers.

—To complete the final phase of improvements at Potter Park, I have included $77,620 for paving, and $30,000 for matching of dollars of Friends of the Zoo Society, and for roof replacement of the Bear Pit, Lion House improvements, pheasant display, entrance development, duck pond, etc.

—To develop the Forest Road Park, $15,000 is included, and another $12,000 is made available for the repair of the roof at the Oak Park Field Office, and $20,000 for the Mill Street Garage.

—As a part of the total project of improving Aurelius Road (Mt. Hope to Jolly), $125,000 is provided for sewer outlets. (An additional $275,000 is provided under Act 51 Funds for a new Aurelius Road Bridge.)

—To help alleviate flooding problems in the area from Miller Road and Aurelius, east of Pennsylvania, and those problems at Frandor, the City will be contributing to two Ingham County drain projects to clean, widen and enlarge the Pawlowski and Montgomery drains. I am including $100,000 for this purpose as a first year payment, of what will spread over 10 years.

—In respect of your decision to install sidewalks and sewers from Miller Road to Willoughby, along the west side of South Cedar Street, I have included $25,000 for Storm Sewers and $21,800 for Sidewalks.

—An ongoing cost is that of the City's share of petitioned storm sewers — I am including $50,000 for this annual cost.

—The Lansing Fire Department has stepped up its training and service, especially in the field of Paramedics and Emergency Medical Technicians for Ambulance Service. The City's ambulances made 5,443 runs in 1976. The fast response and the training of the personnel have enabled us to have a save rate of nearly 100% of victims of heart attacks. In keeping with this service, $28,000 has been provided for a new ambulance. (An additional $5,000 is provided in the Budget Recommendations for improving the electrical wiring and components for fire and ambulance vehicles.) Another $5,500 is provided for another Hurst Power Tool to more easily and quickly free persons trapped in vehicles involved in accidents.

—For the Building Department, I have provided $6,200 for a Microfilm Reader/Printer, and $22,000 for Radio Separation Equipment, to bring about a more efficient operation.

—To start a vehicle-equipment replacement program, I have provided (a) $597,800 to the Public Service Department, for 2

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

new street sweepers, 1 cab and chassis tandem-flusher tank, 4 solid waste packers (trucks), 14 dump trucks, 1 grader, 4 tailgate spreaders, 12 snow plows and a frame, etc., and (b) $128,900 to the Department of Parks and Recreation for 16 trucks.

—For safety purposes, I am providing the Traffic Department with $50,000 for a Traffic Line Paint Machine, and $14,000 for a Thermoplastic Applicator — Also, provided is $5,000 for a Sign Fabrication Machine.

—Compared year by year to the Base Year of 1970, major crime in Lansing has decreased for 1971 by 2%, for 1972 by 11%, for 1973 by 23%, for 1974 by 17%, for 1975 by 20%, and for 1976 by 19%. For the first two months of 1977, major crime is down by 26% over the 1976 pace. One of the weapons used in our battle against crime is the Helicopter Unit, which has enabled the Police Depatment to "Light the Night" for improved safety and enforcement. Because of the value and for the safety of the pilots, I have provided $100,000 to replace one helicopter. An additional $6,600 is provided for another Helicopter Search Light. Also, I recommend an expenditure of $6,000 for a Mobile Field Maintenance Unit.

—In the past, I provided one million dollars towards the purchase of a new Police Department Building — unfortunately, the funds were used for other purposes, including the down payment for the purchase of the W. T. Grant Building for general City offices. As unfortunate, also, is the fact that the City Council agreed to pay 8% on land contract payments annually, through the Fiscal Year 1979-80. In keeping with the contract, I have provided $117,000 for the upcoming payment.

—In the more recent past, you have expressed the need for a Police Department Building, the purpose being to relocate the offices from the W. T. Grant Building (City Hall Annex) to the present Police Building, thereby returning the former W. T. Grant Building to the private market and back on the tax rolls. In keeping with this expression, I have provided $50,000 for a Criminal Justice Facility Study. I have, also, provided $5,000 for a Helicopter Hangar/Pistol Range Study, and $95,000 for General Services Studies.

Other improvements are meaningful, necessary and substantial. For example, some are as follows:

—Preliminary plans for the replacement of the Kalamazoo Street Bridge are currently being reviewed, and a "target date" for construction is early in 1978. Existing funds, plus $500,000 in Federal Urban Systems, will be supplemented by $1,200.000 in this budget recommendation for this replacement, currently estimated to cost approximately $1.8 to $2.0 million. The structure will, in addition to providing for the Kalamazoo Street traffic, be designed for bicycle paths and for the proposed extension of Mill Street.

—Through the Community Development Block Grant, the City has been able to schedule the replacement of 14,630 lineal feet of sidewalk on the Eastside and 10,000 lineal feet on the Westside. In addition to this, I am recommending that $36,000 from the General Fund, and $40,000 from Revenue Sharing be used for sidewalk replacement, and to be prioritized by the Public Service Department. Also, $2,000 is provided for sidewalk repairs due to tree damage.

—For curb and gutter repair, and curb cuts for the handicapped, $99,000 is provided for Major Streets out of Act 51 Funds, and another $43,000 is provided for Local Streets. Resurfacing and blacktop construction, etc., of Local Streets is provided at a level of $229,000. This compliments the $516,000 in Anti-Recessionary Funds I recommended you expend on Local Streets, and which you recently approved. An additional $120,000 to $150,000 is expected to be received by the City in the not too distant future and these too can be allocated to this purpose.

—An additional $20,125 is provided for road surfacing, and maintenance, at Washington Park, West Side Park, Frances Park, Miller Road Community Hall Parking lot, North Side Drop In Center and Quentin and Bancroft.

Some of the additional budget recommendations include:

—Expending $25,466 for the Central Garage for carbon monoxide exhaust systems, south side door, gas pump and booth, vehicle front end alignment rack, wheel balancer, etc.

—Expending $41,631 for the Police Department for a 4-wheel drive Emergency Vehicle, walkie-talkies, closed circuit television monitors for the prisoner cell area, and a Viber X Balance and Tracking Kit to balance the Police Helicopter blades.

—Meeting now OSHA Standards, by providing for the Fire Department, $8,000 worth of parts for Scott Masks, $10,000 for night firefighting trousers (NOMEX TYPE), and $20,600 for firefighting coats, helmets and boots.

—To compliment the several million dollar improvements to the Civic Center and Senior Citizens' extension, I have provided $32,600 for resurfacing of the parking lot, for gate equipment and for 300 folding, soft-seat chairs.

—New equipment for the general City offices, and for the Department of Parks and Recreation, Fire Department and Police Department, plus funds for building maintenance, including some reroofing of buildings.

In 1974, I recommended that $380,000 in Revenue Sharing Funds be approved by City Council to build a swimming facility in the City's Southeast area. City Council agreed. This project has never been implemented. The funds are not doing anybody any good this way, in fact, are vio-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

lating the intent of the State and Local Fiscal Assistance Act. I am, therefore, recommending that these funds be reprogrammed into recreational uses, unless you proceed with the original project.

Too, the railroad crossings at Grand River and Logan, East Michigan Avenue, East Shiawassee Street and others, are scheduled for reconstruction to install "rubber mats", as are now in use on S. Washington Avenue, and which permit easy flow over railroad tracks by vehicles. The City's share of $68,000 for the Olds Avenue railroad crossing, plus curb, gutter, etc., is provided, as is $26,000 for the crossing at West Michigan Avenue.

In addition to the aforementioned, please be advised that the City has filed Pre-Applications:

—With the Michigan Department of Natural Resources for $75,000 for site work, 8 tennis courts, landscaping, etc., for the Riverfront Park.

—With the Michigan Department of Natural Resources for $60,000 for a Walkway to connect the east and west banks of the Riverfront Park, adjacent to the railroad bridge, now crossing the Grand River.

—With the Michigan Department of Natural Resources for $445,000 for (a) tennis court construction at Biggie Munn Park, Beck Park, River Street Park, Wilson Park and Woodcreek Park; (b) $190,000 for ball field improvements at Westside Park, Davis Park and Gier Park; (c) drainage at Gier Park; and, (d) parking facilities at Davis Park.

Such would compliment what I have already included in this Budget Message. You will be kept apprised of the progress of these Pre-Applications.

In addition, I will soon be appointing a City Beautification Committee to devote attention to public awareness and efforts towards beautifying our City. Hopefully, the private sector, in all areas of the City, will participate in small and large ways, but especially by taking pride in their own properties. The City must be an attractive place to live, work and do business, but it takes more than the City government, and some of the private sector, to fully achieve this — it takes everyone. Proposals will, therefore, be forthcoming to you.

The Ethnic Festival of July 4, 1976, was an overwhelming success. It will happen again this Fourth of July weekend. I am, therefore, including $3,000 for fireworks, this being larger than last year's expenditure, and with the thought that some private contributions will be sought. Too, I am once again appointing Dr. Philip Gannon, President of Lansing Community College, to head the organizational committee for the activities in question, and for those to follow during other weekends.

For the operation of the Capital Area Transportation Authority, during the present Fiscal Year, the City of Lansing contributed $370,000 of the total $528,039 contributed by all local units of government. However, the CATA Executive Director has advised that revenues are not up to projections and that costs have substantially increased, i.e., employee wages and fringe benefits; that it subsidizes costs of $800.00 per year, per handicapped person who uses the system; that it costs $49,000 — net — to run the loop into Frandor, where only one passenger uses the system every 5 runs, etc. On the basis that problems would be analyzed, and that cost-savings recommendations are to be made to you later regarding same, I am providing $400,000 for CATA, an increase of approximately 8%, and above that provided regular City departments for operations.

In the recent past, the City Council approved an Affirmative Action Program. In the process, though, you did not appropriate the funds necessary to staff the implementation of that plan. I have, therefore, included a Personnel Technician VII and a Statistical Records Clerk IIB in the Personnel Department, and an Affirmative Action Specialist V in Human Relations to allow the implementation of the plan you adopted. The cost of these positions is $38,748 for the start up year, plus fringes and equipment.

The question of how to most economically maintain the properties of the City must be addressed. These properties are held in trust for the citizens of Lansing and we have a responsibility to insure their preservation. I am, therefore, advising that I will soon be appointing a committee to review the current status of routine and preventative maintenance and make a recommendation on the most economical manner to upgrade and maintain City properties. This report will be requested by December 1, 1977, and will be considered in development of next year's budget. Policy considerations arising from this report will, of course, be referred to Council for review and action. It is, however, necessary to address this problem because the loss of efficiency and deterioration of City properties results in increased costs to the taxpayers.

Also, be advised that I have ordered the Finance Department to conduct an in-depth utilization review of City owned trucks and special equipment to determine if we have the correct types and numbers needed to most efficiently and economically accomplish the City operations. I have requested a report by December 1, 1977, so that I may recommend a total vehicle and truck replacement plan to be implemented, starting in Fiscal Year 1978-79.

Much has been said in Michigan, and in our own City, about property taxes. Therefore, I wish to advise that the City is REQUIRED by State law to collect taxes for the county, the school districts and Community College, and to pay the costs of such collections without financial reimbursement. The City's share of such collections is only 20% — while the Lansing public school system receives 57%; Ingham, Clinton and Eaton counties and the Ingham Intermediate School District receive 18%;

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

and, the Community College gets 5%. Despite the continuing inflationary pressures and increasing costs of basic City services such as Police, Fire and virtually all others, my Budget Committee, and I, have made every attempt to keep the tax rate to its lowest possible level, while sill providing quality City services and sound fiscal management. I request other local governmental units to do likewise.

The aforementioned are some of the highlights of my Recommended City Budget for Fiscal Year 1977-78. The actual Recommended Budget, and supporting information — 14 inches in thickness — are on file in the Office of the City Clerk. Basic copies will be provided to each of you. I direct your immediate attention to it.

Sincerely,

GERALD W. GRAVES,
Mayor

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the President of the United States by Executive Bulletin of March, 1973, has declared as national policy the establishment of a 911 emergency telephone number; and

Whereas, the establishment of a 911 emergency telephone number will benefit the public by establishing a uniform number to dial for emergency aid; and

Whereas, the Michigan Constitution, 1963 Article 7, Section 28 directs the Michigan Legislature to authorize two or more counties, townships, cities, villages or districts or any combination thereof to enter into contractual undertakings or agreements with one another for joint administration of any of the functions each would have the power to perform separately, to share costs and responsibilities thereof, to transfer functions to one another and to cooperate with one another; and

Whereas, the Legislature of Michigan has enacted such legislation in 1951 PA 35, as amended, being MCLA 124.1 et seq; MSA 5.4081 et seq; and

Whereas, the City of Williamston, the City of East Lansing, the County of Ingham and Michigan State University have signed contracts and ammendments to enter into a 911 communication system with the City of Lansing; now, therefore, be it

Resolved, that the Mayor and City Clerk be authorized and directed to sign said contracts with the City of Williamston, City of East Lansing, County of Ingham, and the amendment to the Michigan State University contract binding the City of Lansing by the terms of the contracts attached hereto.

By Councilman Baker—

That the resolution be amended to read as follows:

Resolved, that the Mayor and City Clerk be authorized and directed to sign said contracts with the City of Williamston, and County of Ingham, and the amendment to the City of East Lansing contract binding the City of Lansing by the terms of the contracts attached hereto.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Public Service and Highways Committee—

Resolved by the City Council of the City of Lansing:

Whereas, a one story frame house and carport was constructed at 4625 Palmer Street more than 13 years ago; and

Whereas, such house and carport is situataed on the drain easement of the City of Lansing known as the Holmes drain basin recorded in Liber 67 Page 404-432, Register of Deeds, Ingham County, Michigan; and

Whereas, clear title to the premises at 4625 Palmer Street cannot be obtained until the house and carport is removed or until an easement to occupy therefore is obtained; and

Whereas, no substantial harm will result to the City of an easement is given to the titleholder provided that the City reserves the right to enter these premises to repair, alter or reconstruct the drain and any damage to the premises resulting therefrom will be borne by the titleholder; and

Whereas, the City Council unanimously adopted the report of the Public Service and Highways Committee on January 10, 1977 concerning reducing this drain easement from 75 feet to 25 feet on this parcel; and

Whereas, the Public Service and Highways Committee has requested the City Attorney's office to draft an easement to occupy this drain easement rather than reducing the drain easement, contrary to their initial report, now therefore, be it

Resolved, that an easement be granted to the titleholder for the sum of one (1) dollar to occupy the drain easement of the City of Lansing at the following described premises;

Lot 45, Kirkwood Hills Addition, Number 1, a subdivision of a part of the SW ¼ of Sec. 33, T4N, R2W, City of Lansing, Ingham County, Michigan

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

said easement shall terminate upon removal or destruction of the one (1) story frame house and carport presently thereon; and be it further

Resolved that the Mayor and City Clerk be and are hereby directed to sign said easement grant on behalf of the City after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways;—

Resolved by the City Council of the City of Lansing:

That the low bid of Lennie Barker, Inc., for the Bristol-Reo-Hughes and Others Storm and Sanitary Sewer Contract, P.S. 65084, in the amount of $204,660.73 be accepted.

An additional 15% in the amount of $30,699.11 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this contract $235,359.84.

This contract will be funded under Account Numbers 401-787-000-974.623; 101-936-617-973.000 and 590-536-608-974.000.

After the award, the successful bidder shall be required to execute the contract as specified within ten days after the prescribed forms are presented to him for signature as stipulated in Instruction to Bidders of the contract.

Be It Further Resolved that the Mayor and City Clerk be directed to execute a contract with the said Lennie Barker, Inc., on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Atorney, and upon certification of the City Controller as to the availabilty of funds.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the low bid of the Pline Bulldozing and Grading, Inc., for the 1977 Curb and Gutter Contract, P.S. 74046, in the amount of $106,328.32 be accepted.

An additional 15% in the amount of $15,949.25 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this contract, $122,277.57.

$4,491.31 will be funded under Account No. 203-456-415-974.000, and $55,000.00 will be funded under Account No. 203-457-616-974.000.

After the award, the successful bidder shall be required to execute the contract as specified within ten days after the prescribed forms are presented to him for signature as stipulated in Instruction to Bidders of the contract.

Be It Further Resolved that the Mayor and City Clerk be directed to execute a contract with he said Pline Bulldozing and Grading, Inc., on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney, and upon certification of the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a Grant to plan and implement a Community Development program; and

Whereas, the City of Lansing, through the Human Resources Department, did engage the Community Mental Health Board Clinton-Eaton-Ingham, to perform various services and activities, and to accomplish certain objectives in connection with said Community Development Program; and

Whereas, a Contract was developed effective July 1, 1976 through June 30, 1977 by and between the City of Lansing, through the Human Resources Department and the Community Mental Health Board to provide for the Comprehensive Substance Abuse Treatment Program (PN-118); and

Whereas, said Contract was amended October 1, 1976 as a result of State of Michigan, Office of Substance Abuse Services funding cutbacks, and consequently the Community Action Work Center was terminated and the Drug Free Treatment Center established; and

Whereas, in accordance with the new contract with the State of Michigan, Office of Substance Abuse Services, the Drug Free Treatment Center and the Westside Crisis Center will be merged to form the Westside Crisis and Counseling Center; and

Whereas, said Contract with the State of Michigan, also necessitates changes within the budget as follows:

	From	To
Office Supplies & Postage	$13,472.00	$11,300.00
Rent	35,248.00	28,378.00

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Maintenance Supplies	1,280.00	1,630.00
Consultants (Laboratory Services)	—0—	8,692.00
TOTAL	$50,000.00	$50,000.00

now, therefore, be it

Resolved, that the Mayor and the City Clerk are hereby directed to sign said Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the Director of Finance.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the low bid of Lennie Barker, Inc., for the Aurelius Road Storm Sewer Outlet, PS 67036, in the amount of $63,946.89, be accepted.

And that, an additional 15% in the amount of $9,592.03 is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this contract, $73,538.92, and that funds are available for this project, with $58,538.92 from Storm Sewer Account No. 101-936-617-973 and $15,000.00 from the Provincial House, Inc., Agreement Fund.

And Further, that the City Clerk be directed to publish a notice in a local newspaper in accordance with Section 28-17 of Capter 28 of the Code of Ordinances, announcing a public hearing to be held in the Council Chambers on Monday, April 11th, 1977, at 7:00 P.M., Local Time, for the purpose of reviewing the costs of this project.

After the award, the successful bidder shall be required to execute the contract as specified, wtihin ten days after the prescribed forms are presented to him for signature as stipulated in the "Instruction to Bidders" section of the contract.

Be It Further Resolved that the Mayor and City Clerk be directed to execute a contract with the said Lennie Barker, Inc., on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the City Attorney of the contract from and the bonds and insurance certificates, and upon the certification of the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed construction agreement between the Michigan State Highway Commission and the City of Lansing for the Widening of Miller Rd. from Pleasant Grove Road to Marywood Avenue, under Control Section MU 33403-12306, M 2003 (010)(77-0321), Job Number 12306, be approved.

This project will be funded 72% Federal Highway Administration Urban Systems funds and 28% City of Lansing. Funds for the City's share will be drawn from the following accounts:

202-453-807-974 (Major Street—Act 51)

101-936-617-973 (City's share storm sewers)

590-536-608-974.000 (City's share Sanitary sewers)

801-936-000-974-262 (Curb & Gutter & Storm Sewer Assessments)

and,

That the Mayor and City Clerk be authorized to sign this agreement upon certication of the City Controller as to the availability of funds, and after the approval as to form by the City Attorney.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Baker—1.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the Mayor of the City of Lansing has submitted recommendations of persons to serve on the Community Development Citizens District Council for the Northside Area for three year terms each, and;

Whereas, confirmation of these recommendation must be by vote of the Lansing City Council,

Now, Therefore, Be It Resolved that Patsy Villegas, Gilbert Salazar, and Phillip Sidoti are confirmed by the Lansing City Council to serve a three year term each, on the Community Development Citizens District Council for the Northside Area.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Terry J. McKane—

Resolved by the City Council of the City of Lansing:

Whereas, Special Olympics, created and sponsored by the Joseph P. Kennedy, Jr., Foundation, is an international sports and receration program for the mentally retarded, with year round programs of sports training and athletic competition in a wide range of activities, including wheelchair events and games specially adapted for the blind and retarded; and,

Whereas, Sepcial Olympics events are sponsored throughout every state of the union and in many countries of the world; and,

Whereas, for the past two years the State of Michigan has sponsored a Run for Special Olympics, designed to publicize the program and raise funds for summer olympics — the 1977 fund raising goal being set at $100,000; and,

Whereas, the 1977 Run For Special Olympics Committee members include House Speaker Bobby Crim, Chairman, State Senator Tony Derezinski, Capital Secretary Peggy Bokovoy, Chapter Director Allen Gates, and Area Directors Art Thomas, Gary Gaffner, Larry Spencer; and,

Whereas, the Kick-off for local runs across the State of Michigan began March 23rd but the highlight of this year's activities will be the publicity run on March 30th, staged in the near downtown Lansing area between the hours of 12-2 p.m., with participation expected from national celebrities, State Senators and Representatives and local officials;

Now, Therefore, Be It Resolved that the City of Lansing supports the 1977 Run For Special Olympics and is honored to be the focal point for culminating events; and,

Be It Further Resolved that in support of Special Olympics the City of Lansing proclaims Tuesday, March 29 as Campaign For Special Olympics Day; and,

Be It Finally Resolved that a copy of this resolution be presented to the Honorable Bobby Crim, Chairman of the 1977 Run For Special Olympics Committee, in salute to the athletes and participants involved in the planned activities and the fund raising events necessary to support these activities.

Adopted by the following vote:

Unanimously.

By Councilmen Baker and Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Frank E. Gannett Newspaper Foundation has continually taken an active interest in the communities it serves, and

Whereas, the Frank E. Gannett Newspaper Foundation has generously supported civic and cultural grant projects with periodic donations, and

Whereas, the Gannett Foundation through its subsidiary, The State Journal has again sought to support a citizen cultural effort in the Lansing community by donating a $3,500 sum as a base for launching the project "Windlord" for Riverfront Park,

Be It Therefore Resolved, that the Mayor and City Council of Lansing do express their profound thanks and publicly indicate their sincere appreciation to Mr. Gregory L. Deliyanne, Publisher of the State Journal, as the local representative of the Gannett Newspaper Foundation for its generous gift.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, in order to secure planning services for the South Washington Mall project area, has contracted with the Downtown Development Authority of the City of Lansing for these services; and

Whereas, said contract for a total compensation not to exceed thirty-five thousand and 00/100 dollars ($35,000.00) is effective from August 1, 1976 through March 31, 1977; and

Whereas, during a substantial portion of the contractual period the Downtown Development Authority operated without professional staff to administer said contract; and

Whereas, the Downtown Development Authority has hired professional staff and has requested that the contract be extended to enable the Authority to fulfill said contract's scope of services; Now Therefore, Be It

Resolved, that said contract between the City of Lansing and the Downtown Development Authority is hereby extended from March 31, 1977 to September 30, 1977, with all terms and conditions of said contract remaining the same.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

That this substitute resolution be presented.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, by letter dated February 14, 1977, Harold B. Davenport did request a lease agreement for a portion of Parcel 12A and 13 of Urban Renewal Project No. 1, Mich. R-87, for the purpose of operating thereon, on a temporary basis a fast food concession stand commonly known as "Hal's Chuck Wagon," and

Whereas, "Hal's Chuck Wagon," during the summer of 1976, did provide an adequate and desirable service to users of the Washington Square Mall, and

Whereas, after the solicitation of twenty-five (25) existing restaurant operators in the downtown area, it has been determined that there is no interest by them in providing a similar operation on or adjacent to the Washington Square Mall, and

Whereas, it is a desirable goal to encourage additional activity in the downtown area by promoting additional use of the Washington Square Mall,

Therefore Be It Resolved by the Lansing City Council that said lease proposal is approved, but that Mr. Davenport's additional requests to park a vehicle and install concrete ribbons and pads to stabilize the concession stand are denied, and

Be It Further Resolved that the Mayor and City Clerk are hereby authorized and directed to sign a lease agreement on behalf of the City of Lansing, after approval as to form by the City Attorney, said lease agreement providing for the lease of 600 square feet of the subject property at a rental rate of $120.00 per month on a month to month basis with ten (10) day termination rights for both parties.

Resolution failed for lack of votes.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, by letter dated February 14, 1977, Harold B. Davenport did request a lease agreement for a portion of Parcel 12A and 13 of Urban Renewal Project No. 1, Mich. R-87, for the purpose of operating thereon, on a temporary basis, a fast food concession stand commonly known as "Hal's Chuck Wagon," and

Whereas, existing restaurant operators in the downtown area, who pay full real and personal property taxes on substantial investments they have made in order to provide year round service to the citizens of Lansing, have, by letter dated March 2, 1977, expressed their opposition to such an operation, and

Whereas, the operation of "Hal's Chuck Wagon" or other similar temporary fast food operations could jeopardize

a. the continued provision of food services to employees and customers of the entire downtown area as well as the central business district

b. the level of costs to food customers because of a reduction in the annual business of existing restaurant operators.

c. the continuation of a viable tax base

d. year round employment at existing restaurant operations, and

e. the continuation of the uncluttered attractiveness of the Washington Square Mall in a manner conductive to enticing additional customers and a greater variety of new businesses to the downtown area.

Now, Therefore Be It Resolved by the Lansing City Council that the request of Harold B. Davenport to lease 600 square feet of the subject property be denied.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the Development Plan for Urban Renewal Project No. 2 Michigan A-6, did not contemplate the necessity to purchase certain railroad owned property located between Disposition Parcels 5 and 7, in order to maintain rail service in an easterly direction, and

Whereas, in 1975, grade crossings at both Cedar Street and Larch Street were removed during street resurfacing operations, thus eliminating the possibility of rail service in an easterly direction and

Whereas, the sale of Parcel 5 has been hampered due to the fact that said Parcel 5 lacks adequate frontage on Cedar Street to provide access thereto at a safe distance south of the intersection of Cedar and Saginaw Streets,

Whereas, the Housing and Redevelopment Department has now negotiated a purchase price of $18,687 for the acquisition of the railroad propety from Penn Central Properties, based on an updating of appraisals of other purchases of railroad property,

Now, Therefore, Be It Resolved that the Housing and Redevelopment Director is hereby authorized and directed to consummate the purchase of 12,458 square feet of land located in Block 246, City of Lansing, Ingham County, Michigan, as legally described in the attached survey dated March 14, 1977, with all costs being charged to Account No. 191-002-112.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, it is necessary for the Lansing City Council to establish policy in order for programs to be implemented under the City's Community Development Block Grant Program, and

Whereas, the Community Development Block Grant Program as approved by both the City of Lansing and the U. S. Department of Housing and Urban Development for the first two program years provides for a commercial development program for the city's north, east, and west commercial areas, and

Whereas, after consultation with the North Lansing Community Association and property owners located in the North Lansing area, both program priorities and a policy statement have been developed for the northside commercial area,

Now, Therefore, Be It Resolved that the Lansing City Council does hereby adopt the attached policy statement and program priorities for utilization in implementing the revitalization of the norhside commercial area.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, on February 7, 1977, the Lansing City Council passed a resolution directing the Planning Board to recommend options for the future of Capitol Commons; and

Whereas, by that same resolution, the Lansing City Council also directed a group of administrators to prepare recommendations on the transition of BILD assets and liabilities due to the anticipated expiration of the current contract beween the City and BILD on March 31, 1977; and

Whereas, the Planning Board decided to examine Capitol Commons within a broader context of housing redevelopment efforts in the Central City; and

Whereas, the Planning Board considered several levels of commitment necessary to achieve completion of the two housing redevelopment projects already underway (Cedar/Shiawassee and Capitol Commons); and

Whereas, the Planning Board approved an extensive analysis of the various levels of required commitment under the title of Options and Recommendations for the Establishment of a Central City Housing Development Process with Specific Implementation Strategies for the Cedar/Shiawassee and Capitol Commons Redevelopment Projects; and

Whereas, since 1970, the City of Lansing has contracted with BILD to perform housing services on behalf of the City and to that end has expended public funds well in excess of one million dollars for the rehabilitation and rejuvenation of housing within the City of Lansing; and

Whereas, in recent years the efforts of BILD and the public funds of the City of Lansing have been primarily directed toward development of Capitol Commons through acquisition, site clearance, and formulation of a development plan; and

Whereas, the City of Lansing, in light of the Planning Board recommendations referenced above, determines it to be in its best interests to continue the marketing and development of all lands presently titled in BILD and to that end the City determines it to be in the best interests of the City to have BILD retain title to such properties and to continue its marketing and development efforts;

Now, Therefore, Be It Resolved by the Lansing City Council that the City of Lansing should aggressively pursue a comprehensive policy of residential development for the Central City which stresses a coordinated approach to redevelopment rather than a series of unrelated land use decisions, and

Be It Further Resolved that a "Municipal Development Team" shall be created, by appointment, by the Mayor, of high level representatives from the Planning Department, the Housing and Redevelopment Department, the Mayor's Office, and the Law Department, and by appointment, by the Lansing City Council, of a representative of the City Council, for the purpose of packaging and marketing all residential redevelopment parcels, and

Be It Further Resolved that the "Municipal Development Team" be supported by competent personnel familiar with the housing development process, it being the intent of the City of Lansing to consider for employment members of the BILD staff, and the Council Committee on Personnel is hereby requested to promptly report its recommendations on positions and salary classifications.

Be It Further Resolved that the City of Lansing adopt the recommended Level III commitment for the Cedar/Shiawassee property so as to utilize a range of development incentives in order to assist the private sector in making the project more economically viable, and

Be It Further Resolved that the "Municipal Development Team" be assigned responsibility of finalizing all development proposals for the Cedar/Shiawassee property, and

Be It Further Resolved that the City of Lansing does hereby adopt the recommended Level IV commitment for the Capitol Commons property which is tied to fu-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

ture necessary agreements between the City, Federal Housing Administration (FHA), financial institutions and residential developers so as to complete development of the remaining project area, and

Be It Further Resolved that it is the present intent of the City of Lansing to commit, from non-General Fund sources, approximaely $600,000 as such funds become available, after proper review by the Council Committee on Finance and concurrence therewith by the City Council for the development of Capitol Commons, and

Be It Further Resolved that the City shall commit a fixed percentage of the next three-year Community Development Program toward the completion of Capitol Commons, and that the "Municipal Development Team" research and formalize the activities necessary to complete the acquisition of the balance of the project and to rehabilitate the adjacent residential area, and

Be It Further Resolved by the Lansing City Council that the Mayor and City Clerk be and are hereby authorized and directed to execute, on behalf of the City of Lansing, a contract, in substantially the form attached hereto, with BILD, after approval as to form by the City Attorney and certification as to the availabiliy of funds in Account No. 255-839-001-969 (First Year CD) by the Finance Director, and

Be It Further Resolved that, prsuant to Section 2A-24 of the Code of Ordinances of the City of Lansing, the Housing and Redevelopment Department is hereby designated to assume responsibility for all assets and liabilities which shall immediately revert to the City from BILD, and

Be It Further Resolved that all furniture and equipment turned over to the City by BILD in conformance with the contract expiring March 31, 1977, be moved to the City warehouse on or about April 1, 1977, and the Purchasing Director and Housing and Redevelopment Director shall provide a report to the City Council on the availability of this material as surplus property no later than July 1, 1977.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Councilman James Blair—

Resolved by the City Council of the City of Lansing:

Whereas, on December 6, 1976, City Council authorized removal of three on-street parking meters to provide valet parking for Bonnie & Clyde at 316 E. Michigan Avenue; and,

Whereas, there were approximately 20 parking spaces lost with the construction of the new Michigan Avenue Bridge; and,

Whereas, the businessmen on East Michigan Avenue have expressed concern over the loss of three additional parking spaces during their business hours;

Now, Therefore, Be It Resolved that the above action of December 6, 1976, is hereby rescinded; and,

Be It Finally Resolved that the City Council authorizes that the subject three meters be capped for No Parking at 4:00 p.m. daily and that it shall be the responsibility of Bonnie & Clyde's to cap the three meters no earlier than 4:00 p.m. each day, and to uncap the meters prior to 8:00 a.m. the following day. Three meter caps and locks will be supplied by the Traffic Department.

By Councilman Adado (Gunther)—

That this be referred to the Committee on Public Safety.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Blair, Hull—3.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, since November 29, 1976, the City Council, by resolution, has permitted free parking on Saturdays in the downtown South Washington Mall; and

Whereas, the Traffic Department was directed to undertake a detailed analysis to determine the feasibility of providing ongoing free parking in the South Washington Mall; and

Whereas, the Traffic Department has submitted its analysis to the Buildings and Properties Committee;

Now, Therefore, Be It Resolved that free parking on Saturdays in the South Washington Mall be extended through April 1977 to enable the Buildings and Properties Committee to complete its evaluation on the study conducted by the Traffic Department.

Adoped by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the attached Council Rule No. 47 be and is hereby adopted and shall supersede and replace the current Council Rule No. 47.

EDWARD PERRY,
City Controller

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

LS-4-77

828 Northrup

Whereas, a request has been made to divide property located at 828 Northrup Street, more particularly described as:

Commencing at a point 271 feet west of the east ¼ post, Section 5, T3N, R2W; thence north 180 feet; thence west 121 feet; thence south 180 feet; thence east 121 feet to beginning, City of Lansing, Ingham County, Michigan.

Whereas the proposed division will create one lot with a frontage of 57 feet, or 3 feet below the minimum requirements of the Subdivision Ordinance; and

Whereas the Planning Board, following their review of this request, recommended that the lot division be approved; and

Whereas the Planning Committee of City Council, to whom was referred the report of the Planning Board, concur therewith;

Now, Therefore, Be It resolved that in accordance with Section 37-27 of the Subdivision Control Ordinance, that the above described property be divided as follows:

Parcel A—The west 57 feet of the property described as: commencing at a point 271 feet west of the east ¼ post, Section 5, T3N, R2W; thence north 180 feet; thence west 121 feet; thence south 180 feet; thence east 121 feet to the point of beginning, City of Lansing, Ingham County, Michigan.

Parcel B—Commencing at a point 271 feet west of the east ¼ post, Section 5, T3N, R2W; thence north 180 feet; thence west 121 feet; thence south 180 feet; thence east 121 feet to the point of beginning, except the west 57 feet thereof, City of Lansing, Ingham County, Michigan.

The above land descriptions are subject to utility easements, as may be required by the Board of Water and Light and the Public Service Department. The applicant, however, stipulates and understands that if the lot split is granted by the City of Lansing, it does not necessarily mean that the applicant may proceed with the division of the property. The applicant further understands that there may be some private restrictions contained in his Deed or plat restrictions, which may or may not be recorded with the Registrar of Deeds, which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

LS-7-77

NW corner Webster/Pheasant

Whereas a request has been made to divide property on the northwest corner of Webster Street and Pheasant Avenue, more particularly described as:

Lot 57 and 58 of Supervisor's Plat of Webster Farms Subdivision No. 2, City of Lansing, Ingham County, Michigan;

and

Whereas the proposed division will create three (3) parcels, one of which will be 50 feet in width, or ten feet (10') below the minimum requirements of the Subdivision Ordinance; and

Whereas the Planning Board, following their review of this request, recommended that the lot division be approved; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that in accordance with Section 37-27 of the Subdivision Control Ordinance, Lot 57 and 58 of Supervisor's Plat of Webster Farms Subdivision No. 2 be divided as follows:

Parcel A—Lots 57 and 58, except the east 100 feet thereof, Supervisor's Plat, Webster Farms Subdivision No. 2, City of Lansing, Ingham County, Michigan.

Parcel B—The east 100 feet of Lot 58, Supervisor's Plat, Webster Farms Subdivision No. 2, City of Lansing, Ingham County, Michigan.

Parcel C—The east 100 feet of Lot 57, Supervisor's Plat, Webster Farms Subdivision No. 2, City of Lansing, Ingham County, Michigan.

The above land descriptions are subject to any utility easements that may be required by the Board of Water and Light and the Public Service Department. The applicant, however, stipulates and understands that if the Lot Split is granted by the City of Lansing, it does not necessarily mean that the applicant may proceed with the division of the property. The applicant further understands that there may be some private restrictions contained in his Deed or plat restrictions, which may or may not be recorded with the Registrar of Deeds, which run with the land. The applicant further understands that the City does not have any power or authority over these restrictions.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 18th day of March, 1974, this council was petitioned to change the following described property from "A" One Family Residence District to "F" Commercial District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such heraing held on the 13th day of May, 1974, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-Z14-74 — 4700 South Cedar Street,

Whereas a request was made to change the zoning at 4700 South Cedar Street in March of 1974; and

Whereas this request has remained tabled by the Planning Board since that time because of undetermined land use policies for this area of South Cedar Street; and

Whereas by letter, dated March 7, 1977, the applicant has requested that the application for rezoning be withdrawn, and

Whereas the Planning Board, at their meeting of March 15, 1977, reviewed the request for withdrawal and recommended acceptance; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing accepts withdrawal of this zoning application, file number Z-14-74, located at 4700 South Cedar Street.

Adopted by the following vote:

Unanimously.

ZONINGS

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-3-77 — 3224 No. East Street,

be re-zoned from "A" One Family Residence District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 18th day of April, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

By Councilman Baker—

Whereas, by petition duly filed on the 17th day of January, 1977, this council was petitioned to change the following described property from "J" Parking District to "F" Commercial District all as set forth in the Zoning Code fo this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 14th day of March, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-2-77 — 5312 South Cedar Street,

more particularly described as:

That part of the northwest ¼ of northeast ¼ of Section 4, T3N, R2W, City of Lansing, described as; beginning on the west line of Cedar Street 963 feet south of the north line of Section 4, T3N, R2W; thence south 76.25 feet on the west line of South Cedar Street; thence west 308.4 feet; thence north 76.25 feet; thence east 308.4 feet to the point of beginning, City of Lansing, Ingham County, Michigan,

from "J" Parking District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to a site plan being submitted to and approved by the Planning Department prior to the issuance of Building Permits. Said site plan shall include (1) the location of existing structures, (2) the location of any proposed addition, and (3) the location and layout of number of off-street parking spaces; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concur therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "J" Parking District to "F" Commercial District be approved. Further, that a site plan be submitted to and approved by the Planning Department prior to any issuance of Building Permits. And said site plan shall include (1) the location of existing buildings, (2) the location of the proposed addition, and (3) the location and layout of number of off-street parking spaces.

By Councilman Baker—

That the resolution be amended to read as follows:

In the last paragraph — last line shall read as follows: and (3) the location, layout, and number of off-street parking spaces.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 9th day of Septmber, 1974, this council was petitioned to change the following described property from "A" One Family Reisdence District to "CUP" Community Unit Plan District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 14th day of March, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-47-74a — 1100 West Miller Road,

more particularly described as:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Parcel A — Beginning on the south line of said Section 5, at a point 1586.95 feet, S89°26'40" W of the SE corner of Section 5, T3N, R2W; thence S89°26'40"W, 66.00 feet on said south line; thence N00°05'30"E, 660.00 feet; thence N89°26'40"E, 66.00 feet; thence S00°05'30"W, 660.00 feet to the point of beginning. Containing 0.9999 acres. Subject to the south 33 feet thereof for use as Miller Road.

Parcel B — Beginning on the south line of said Section 5, at a point 1520.95 feet, S89°26'40"W of the SE corner of Section 5, T3N, R2W; thence S89°26'40"W, 66.00 feet; thence N00° 05'30"E, 660.00 feet; thence N89°26' 40"E, 66.00 feet, thence S00°05'30"W, 660.00 feet to the point of beginning. Containing 0.9999 acres. Subject to the south 33 feet thereof for use as Miller Road,

from "A-1" Family Residential District to "CUP" Community Unit Plan.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request subject to a landscape and screening plan being submitted to and approved by the Planning Department; and, a time schedule for installation of the landscape and screening plan be included; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Family Residential District to Community Unit Plan is approved; and further, that a landscape, screening and fencing plan be submitted to and approved by the Planning Department and a time schedule for installation of the landscape and screening plan be included.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant, in the amount of $871,836.13.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance

Adopted by the following vote:

Unanimously.

By Councilmen Blair-Hull-Adado—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Councilman James D. Blair—

Resolved by the City Council of the City of Lansing:

Whereas, the Retired Senior Volunteer Program located in and sponsored by the Greater Lansing YWCA, serving the City of Lansing and Tri-County area for four years; and,

Whereas, as the contribution to the community by the participants of RSVP have been of great variety serving many needs of citizens in the community at one hundred different sites; and,

Whereas, as the RSVP program draws on a very valuable resource; the vast expertise, skill and knowledge of Senior Citizens; and,

Whereas, approximately 340 Senior Citizens are serving the Lansing and Tri-County area in such areas as teachers aids, assisting in nursing homes, day care centers and any other area that fits the particular talents of the individual;

Now, Therefore, Be It Resolved that the RSVP program be commended for its outstanding contribution to the community, and a very sincere "thank you" be extended to the staff and all of the volunteers from the Citizens of Lansing and the Members of the Lansing City Council.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That, the low bid of Hanel-Vance Construction Company for the Civic Center Modernization in the amount of $2,042,800 be accepted.

And that, $2,042,800 is hereby authorized to be encumbered by the Controller under this contract, and that funds are available for this project from Community Development Account No. 253-936-124-974 and 253-936-693-975 and General Account No. 101-936-759-976.

After the award the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in the "Instruction to Bidders" section of the contract.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Be It Resolved that, the Mayor and City Clerk be directed to execute a contract with the said Hanel-Vance Construction Company, on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the City Attorney of the contract form and the bonds and insurance certificates. The City Controller hereby certifies the availability of these funds. Also this is subject to the approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD).

Adopted by the following vote:

Unanimously.

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

That, the low bid of Canton China and Equipment Company for the Civic Center Kitchen Equipment in the amount of $47,686.00 be accepted.

And that, $47,686.00 is hereby authorized to be encumbered by the Controller under this contract, and that funds are available for this project from Community Development Account No. 253-936-124-974 and 253-936-693-975 and General Account No. 101-936-759-976.

After the award, the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in the "Instruction to Bidders" section of the contract.

Be It Resolved that, the Mayor and City Clerk be directed to execute a contract with the said Canton China and Equipment Company, on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the City Attorney of the contract form and the bonds and insurance certificates. The City Controller hereby certifies the availability of these funds. Also this is subject to the approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD).

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the low bid of Architectural Building Products for the Civic Center Carpeting in the amount of $8,585.85 be accepted.

And that, $8,585.85 is hereby authorized to be encumbered by the Controller under this contract, and that funds are available for this project from Community Development Account No. 253-936-124-974 and 253-936-693-975 and General Account No. 101-936-759-976.

After the award the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in the "Instruction to Bidders" section of the contract.

Be It Resolved that, the Mayor and City Clerk be directed to execute a contract with the said Architectural Building Products, on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the City Attorney of the contract form and the bonds and insurance certificates. The City Controller hereby certifies the availability of these funds. Adopted by the following vote:

Unanimously.

REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director and the Traffic Engineer that the low bid submitted by Armstrong Smith Paints for the purchase of 1620 gallons of pavement marking paint for the total delivered price of $4,923.80 be accepted, reports as follows:

The Committee concurs with the recommendation of the Purchasing Director and the Traffic Engineer.

Signed:

LOUIS F. ADADO,
R. J. BAKER,
TERRY J. McKANE,
Committee on Public Safety

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

That we reconsider the action taken on the Committee Report by the Ordinance and Contracts and City Affairs Committee denying the public drivers application for Glen Russell Warren and that this be referred back to the Committee on Ordinance and Contracts and City Affairs.

Carried.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Councilman Blair reported on a meeting he had with the Tri-County Planning at which CATA reported relative building of a new Office Space and Garage on the Tranter Site. They are asking for a Federal Grant relative to this.

This was referred to Mr. Lokken to look into this and report back to Council.

Richard Moore, 2116 Clifton St. spoke relative receiving letter from Planning Board that he was in the flood plain area and letter he had received on Flood Insurance. He felt this should have been sent before his assessment letter.

Anthony Shano, 2520 Wilson St., spoke relative recreation facilities at Wilson Park.

By Councilman Belen—

That this meeting sand adjourned.

Carried.

Council adjourned at 10:25 P.M.

REPORTS OF CITY OFFICERS AND BOARDS

March 31, 1977

Honorable Mayor and Members
of the Lansing City Council
10th Floor, City Hall
Lansing, Michigan 48933

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Re: Claim of Rick Koutsoubos for $133.75

Dear Mayor and Council:

The above captioned matter was referred to this office for investigation and recommendation. Based upon the claimant's letter and the police report, it appears that the claimant was taken into custody for outstanding traffic warrants and was placed in a common detention cell pending processing. Subsequently, a prisoner who had been sleeping in the cell engaged in an altercation with the claimant and assaulted the claimant about the head. Police officers monitoring the cell by closed circuit television, as soon as the assault took place, proceeded to remove the prisoner committing the alleged assault from the cell.

The maintenance and operation of a jail is within the scope of governmental functions. Therefore, it is the opinion of this office that the City is immune from liability pursuant to MCLA 691.1407; MSA 3.99(107).

Even assuming the City is not immune from liability, there is no evidence of negligence on the part of the Lansing Police Department. There is no indication that the police knew or should have known of the violent tendencies of the prisoner committing the alleged assault. Further, the officers who were monitoring the occupants of the cell by closed circuit television, upon the inception of the altercation, responded promptly to quell the disturbance.

Therefore, it is the recommendation of this office that the claim in this matter be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

March 31, 1977

Honorable Mayor and Members

of the Lansing City Council

10th Floor, City Hall

Lansing, Michigan 48933

Re: Claim of Frank Brewer for $100.00

Dear Mayor and Council:

The above captioned matter was referred to this office for investigation and recommendation. The claimant in this matter alleges that on January 22, 1977 officers of the Lansing Police Department broke into his house and in the process damaged a door and the lock.

The police report indicates that the officers entered the premises and made a search pursuant to a search warrant issued by the Honorable James J. Wood. There is no indication in the report that a forced entry was required. Further, the claimant has been unable to produce any witnesses to verify that the police did any damage.

Putting aside the question of governmental immunity, no evidence has been produced to support the claim and there has been no showing of any negligence or undue force in the police officers' execution of the search warrant.

Therefore, it is the recommendation of this office that the claim be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

DATE: 3-29-77

TO: Lansing City Council

FROM: James W. Dowsett, Secretary to the Board of Trustees, Employee's Retirement System

SUBJECT: Recommendation from Board of Trustees—Employee's Retirement System Re: Change in Retirement Benefits

At the regularly scheduled meeting of the Board of Trustees of the Employee's Retirement System held on February 17, 1977, the following resolution was adopted, "It was moved by Trustee Bodwin, supported by Trustee Hufnagel that a recommendation be made to the City Council amending the ordinance of the City of Lansing governing the Employee's Retirement System by reducing the age requirement for regular retirement with 10 or more years of service from age 60 to age 58, the estimated cost provided by the actuary is 0.25% of the valuation payroll or approximately $28,000.00 annually.

Yeas: Bodwin, English, Gunther, Hufnagel, Roe, Swagler and Whitford—7.

Nays: None.

As indicated in the resolution, the cost of providing this benefit has been actuarially determined to require an additional $28,000.00 annually or an increase of 3.7% to the City's current contribution level of $750,000.00.

I would recommend that you refer this matter to the Council's Finance Committee for further study with regard to the funding considerations. Favorable consideration beyond that point would require an amendment to Sec. 26-21 of the Code of Ordinances as follows:

Current language—"(a) Any member who either (1) has attained or attains age sixty years and has ten or more years of credited service,"

Proposed—"(a) Any member who either (1) has attained or attains age **fifty-eight** years and has ten or more years of credited service,"

JAMES W. DOWSETT,
Secretary to the Board of Trustees, Employee's Retirement System.

Referred to Committee on Finance.

March 31, 1977

Honorable Mayor Graves

and Members of City Council

Gentlemen:

At the March meeting, the Traffic Board

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

voted unanimously to reschedule the April meeting from April 13, to April 6, 1977.

Respectfully submitted,

RAYMOND O. SEVERY,
Secretary.

Received and placed on file.

March 29, 1977

P-4-77

Circle West Subdivision

5000 block North Grand River

Honorable Mayor and Members
of City Council:

The Lansing Planning Board will hold a public hearing on April 19, 1977 at 7:30 p.m. in the City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan, to consider the proposed subdivision plat known as Circle West. This is not a matter of rezoning.

The proposed plat is located south of North Grand River Avenue in the 5000 block. It consists of approximately 4.9 acres of land to be subdivided into seven (7) lots. Lot No. 1 is approximately 26,900 square feet and is zoned "F" Commercial District; with the particular commercial use undetermined at this time. Proposed Lots 2 through 7 are zoned "CUP" Community Unit Plan District and range in area from 10,437 square feet to 43,900 square feet. This "CUP" portion of the subdivision will include two garden apartment buildings containing a total of 28 units, two fourplex dwellings, and two duplex dwellings. This development has a net density of 12.8 dwelling units per acre. Access to the site is from North Grand River Avenue. Plans of the proposal are on file in the Planning Department for your review.

This notification is in accord with Section 37-8 (2) of the Lansing Subdivision Regulations. You are cordially invited to attend this hearing.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Director,
Lansing Planning Department.

Received and placed on file.

March 29, 1977

P-3-77

Libbie Subdivision No. 2

Honorable Mayor and Members
of City Council:

The Lansing Planning Board will hold a public hearing on April 19, 1977 at 7:30 p.m. in the City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan, to consider the proposed subdivision plat known as Libbie Subdivision No. 2. This is not a matter of rezoning.

The proposed plat is located west of Cooper Road and south of Fisher Drive and includes the extension of Meese Drive. The land area is approximately one acre and is to be divided into four (4) lots. The property is zoned "A-1" Family Residential and is to be used for the development of four single family homes.

The proposed lots will contain approximately 8,500 square feet each. The net density of this development will be approximately five (5) dwelling units per acre. Access to these lots will be from Meese Drive. The developer shows two proposals for the extension of Meese Drive. One plan shows how Meese Drive will be terminated with a cul-de-sac. The other would allow for the extension through to Fisher Drive. Plans for this proposed development are on file in the Planning Department for your review.

This notice is in accord with Section 37-8 (2) of the Subdivision Ordinance. You are cordially invited to attend this hearing.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Director,
Lansing Planning Department.

Received and placed on file.

ELECTED OFFICIALS COMPENSATION COMMISSION

March 31, 1977

Mayor Gerald W. Graves

124 W. Michigan

9th Floor City Hall

Lansing, Michigan 48933

Honorable Mayor Gerald W. Graves
and Distinguished Council:

The intent of this communication is to inform you of the activities of the Elected Officials Compensation Commission and of the final recommendations for the salaries of the Mayor, City Clerk and Councilmen. Members of the Commission gained information from a variety of sources before presenting the recommendations to you. All meetings were for the purpose of gaining information for the goal of determining elected officials salaries.

During the past 35 days six meetings were held. Elected Officials had an opportunity to present opinions concerning salaries and benefits. One of the meetings was a public hearing advertised through The State Journal. In addition to this, two (2) visits were made to the Charter

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Commission in an effort to acquaint ourselves with Charter changes affecting responsibilities of elected officials. Specific information was requested from the Internal Auditor and Assistant Personnel Director relative to salaries currently paid Chief Executives, Clerks and Council Members in selected Michigan Cities.

At the last meeting of Tuesday, March 29, 1977, with a full board present, the following recommendations were unanimously approved by the Compensation Commission for your consideration:

Position	Beginning Date	Recommended Salary
Mayor	July 1, 1977	$33,500
	July 1, 1978	$35,000
City Clerk	July 1, 1977	$26,500
	July 1, 1978	$27,500
Councilmen	July 1, 1977	$ 6,800
	July 1, 1978	$ 7,100

The Commission wishes to take this opportunity to thank the elected officials and city department heads for their cooperation and willingness to meet and provide any information requested of them.

Respectfully,

ANTONIO BENAVIDES,
Chairperson.

Commission:

ANTONIO BENAVIDES
LASKA BINGHAM
HILDRETH B. HATTON
WILLIAM M. DIETRICH
BERNADINE MONTGOMERY
DELMAR NAGEL

Referred to Committee of the Whole.

RESOLUTIONS

By Buildings and Properties Committee—

Resolved by the City Council of the City of Lansing:

That the low bid submitted by Superior School Equipment Company, Inc., in the amount of $145,087.00 based on their providing Irwin Seating Company Chairs and accepting their existing acoustical absorption test at a credit of $1,000.00 from their base price of $146,087.00.

After the award the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in the "Instruction to Bidders" section of the contract.

Be It Resolved, that the Mayor and City Clerk be directed to execute a contract with the said Superior School Equipment Company, Inc., on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the City Attorney of the contract form and the bonds and insurance certificates. The City Controller hereby certifies the availability of these funds. Also, this is subject to the approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD).

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, The Junior Singers of Oyten of Oyten, Germany, are presently touring the United States and will visit Lansing, Michigan, April 6-9, 1977; and

Whereas, The Junior Singers Oyten perform a wide variety of musical compositions in an enthusiastic and musically superior manner; and

Whereas, The Junior Singers Oyten have very graciously shared the desire for international friendship and their manifold musical talents with the citizens of Lansing;

Now, Therefore, Be It Resolved that the Junior Singers Oyten are commended and congratulated for their contributions to international good will and friendship and their musical excellence; and

Be It Further Resolved, that Thursday, April 7, 1977, be named Junior Singers Oyten Day in recognition of their outstanding achievements; and

Be It Further Resolved, that a copy of this resolution be presented to the Junior Singers Oyten as evidence of the high regard in which they are held by the citizens of Lansing, Michigan.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Property Management Division of the City of Lansing was requested to obtain proposals from appraisers which are incidental to the acquisition of the east five (5) acres of the following described property:

Beginning at the Northeast corner of the Southwest ¼ of the South-west

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

¼ of Section 29, T4N, R2W, Lansing Township, now City of Lansing, Ingham County, Michigan, thence South 0°0'16" East 637.82 feet, thence South 53°26'34" West 376.86 feet, thence North 89°43'30" West 623.55 feet, thence North 0°1'00" East 189.00 feet, thence North 89°43'30" West 400.00 feet, thence North 0°1'00" East 60.00 feet, thence South 89°43'30" East 220.00 feet, thence North 0°1'00" East 279.00 feet, thence North 89°43'30" West 220.00 feet, thence North 0°1'00" East 60.00 feet, thence South 89°43'30" East 220.00 feet, thence North 0°1'00" East 273.44 feet, thence South 89°50'00" East 1,105.43 feet to the point of beginning (Pleasant Grove Rd. and Holmes Rd.),

and

Whereas, the Property Management Division is now in receipt of these specific proposals; and

Whereas, the Buildings and Properties Committee has determined to accept in all instances the low bid submissions,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized and directed to sign the following contracts after approval by the City Attorney as to form:

Joseph E. Moyer—Appraisal—Total—$1,000.00.

Charles W. Larson—Appraisal—Total—$1,000.00.

Be It Further Resolved, that the Finance Director is to make funds available from Account No. 253-936-643-974.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan Liquor Control Commission has advised the City of Lansing that the City Council is not obligated to review or approve applications for 24 hour liquor licenses except for those 24 hour liquor licenses for use in National Guard Armories which such approval requirement by the City Council has been established in lease agreements between the Armories and the lesses; and

Whereas, approval of applications for 24 hour liquor permits has in the past been a routine matter; now, therefore, be it

Resolved, that applicants for 24 hour liquor licenses for use in locations other than the National Guard Armories shall not be required to seek the approval of the Lansing City Council prior to approval thereof by the appropriate city agencies, but need only follow the rules and regulations set forth by the Michigan Liquor Control Commission in obtaining such licenses; and, be it

Further Resolved, that upon receipt of requests for approval of 24 hour liquor licenses for use in the National Guard Armories that the City Clerk be and she is hereby authorized to place said request on the Council agenda for approval provided that the applicant subsequently obtains a special 24 hour liquor permit from the Michigan Liquor Control Commission, and complies with Ingham County Health Department requirements.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, on March 10, 19, a proposal to purchase and redevelop Parcel 7, Urban Renewal Project No. 2, Mich. A-6, was receiped from F/S Depelopment Company; and

Whereas, by letter dated March 24 1977, the Housing and Redevelopment Advisory Board did advise the Lansing City Council that the subject proposal was conceptually in accordance with the objectives of the Development Plan for Urban Renewal Project No. 2, Mich. A-6;

Now, Therefore, Be It Resolved by the Lansing City Council that said proposal from F/S Development Company, be accepted, subject to:

1. Review and approval of the final working drawings and specifications for this facility by the Housing and Redevelopment Advisory Board and the Lansing City Council; and

2. Further consideration of this developer's request for tax abatement, Section 8 subsidy requirements for the units to be occupied by the elderly, and the allocation of funds necessary to extend steam service; and

3. Approval, after a public hearing, of a Contract for Sale of Land for Private Redevelopment with F/S Development Company for Parcel 7, Urban Renewal Project No. 2, Mich. A-6.

Be It Further Resolved that the Municipal Development Team is hereby authorized and directed to study the need for full or partial tax abatement on projects proposed to be constructed on residential redevelopment property located in the Central City which has been acquired by governmental action and to report its recommendations to the Lansing City Council no later than May 31, 1977; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Be It Further Resolved, that the Municipal Development Team is hereby authorized and directed to pursue the Section 8 subsidy issue for the units to be occupied by the elderly with HUD-FHA and to report its findings and recommendations to the Lansing City Council no later than May 31, 1977; and

Be It Further Resolved, that the Municipal Development Team is hereby authorized and directed to explore the steam service extension with the Board of Water and Light and to report its findings and recommendations to the Lansing City Council no later than May 31, 1977; and

Be It Finally Resolved, that the Municipal Development Team is hereby authorized and directed to negotiate the terms and conditions of a Contract for Sale of Land for Private Redevelopment with F/S Development Company and to return this document to the Lansing City Council for its review no later than May 31, 1977.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, on February 21, 1977, Lansing City Council considered and approved the Third Program Year Community Development Block Grant Application, and

Whereas, the Community Development Block Grant Application includes the Housing Assistance Plan which identifies the housing needs of lower income households, and

Whereas, the Housing Assistance Plan establishes one and three year housing assistance goals for these lower income households, and

Whereas, the proposed third year Housing Assistance Plan for Lansing recommends a three year goal of 100 units of Section 8 New Construction for the elderly or handicapped, and

Whereas, there is strong demand for elderly or handicapped housing in Lansing, and

Whereas, it is desirable to increase the Section 8 New Construction allocation for elderly or handicapped to encourage housing redevelopment in the central city;

Now, Therefore, Be It Resolved, that the Lansing Housing Assistance Plan be revised to include an additional 200 units of Section 8 New Construction for the elderly or handicapped for 1977-1978, and

Be It Further Resolved, that these Section 8 New Construction housing subsidies for the elderly or handicapped be restricted to the Cedar/Shiawassee and Capitol Commons residential redevelopment areas.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $9,183,256.40.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Councilmen Hull, Gunther, McKane—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Councilman Gunther—

That the Council Proceedings of March 21, 1977, be approved.

Carried.

Councilman McKane presented a letter from Barbara F. Emery protesting action taken by the Council on Monday, March 14, 1977, in regard to special assessment on her property.

Referred to Committee on Public Service and Highways.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on December 2, 1976, that the building located at 1544 Ballard St., Lansing, Michigan, was an unsafe

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to Thomas Hernandez, Jr., owner, as appears from the last local tax assessment records, requesting him to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held March 10, 1977, at which hearing Thomas Hernandez, Jr., DID NOT appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore, be it

Resolved, that a hearing be scheduled for April 18, 1977, at 7:00 o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now, therefore, be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined on June 1, 1976, that the building located at 513 S. Logan St., Lansing, Michigan, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, the Building Commissioner issued a notice to Mossie E. Collins, owner, as appears from the last local tax assessment records, requesting him to appear at a hearing to show cause why the building should not be demolished or otherwise made safe; and

Whereas, a hearing before the Hearing Board was held March 10, 1977, at which hearing Mossie E. Collins DID NOT appear, and the Hearing Officers determined that the building did not meet minimum housing code standards and ordered the building demolished or otherwise made safe; and

Whereas, said Hearing Officers have filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, to require that said building be demolished or otherwise made safe; now, therefore, be it

Resolved, that a hearing be scheduled for April 18, 1977, at 7:00 o'clock, at the chambers of the Lansing City Council, to review the findings and order of the Hearing Officers, and to approve, disapprove, or modify said order, and that the owner shall have the opportunity to appear at the hearing and show cause why the aforesaid building should not be demolished or otherwise made safe; now, therefore, be it further

Resolved, that written notice of the time and place of said hearing shall be personally served or mailed by certified mail, return receipt requested, to said owner in whose name the property appears according to the last local tax assessment records; and that said notice shall be served or mailed at least ten (10) days prior to said hearing.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Charter Township of Lansing acted to rezone property located on or near Lake Lansing Road to permit the construction of a substantial apartment complex community referred to as the Eyde Brothers Development; and

Whereas, this rezoning action was contrary to the recommendations of the local planning board and of a highly controversial nature; and

Whereas, many Lansing Township and City of Lansing residents have expressed considerable concern on the subject of how the Eyde Brothers development could have a possibly undesirable influence on their neighborhoods; and

Whereas, the legislative body of the Charter Township of Lansing, meeting in

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

session on March 29, 1977, did vote to reconsider the vote by which that body approved the zoning of the property proposed as site of the Eyde Brothers development at its April 13, 1977 meeting; and

Whereas, it appears reasonable to expect that the realization of the Eyde Brothers development would have significant impact upon bath Lansing Township and City of Lansing citizens, their neighborhoods and the planning processes undertaken by the Charter Township of Lansing and the City of Lansing; and

Whereas, the City of Lansing wishes to express its concern that any development—regardless of jurisdictional location—be compatible with long-range planning goals and objectives and receive the support of citizens;

Now, Therefore, Be It Resolved, that the City of Lansing, in the spirit of cooperation, proposes to the Board of Trustees of the Charter Township of Lansing that prior to the taking of action on the subject motion to reconsider by the Charter Township of Lansing Board of Trustees that a committee consisting of:

—4 members representing the Charter Township of Lansing

—4 members representing the City of Lansing

—2 citizens of the Charter Township of Lansing

—2 citizens of the City of Lansing

be constituted for the purpose of reviewing the subject rezoning and that it fully report to the units of government concerned its recommendations for the rezoning of the proposed so-called Eyde Brothers development; and

Be It Further Resolved, that the Lansing City Council appoints the Planning Director, Chairman of the Planning Board, the Chairman of the Council's Planning Committee, the First Ward Councilman and two Lansing residents to be named by the Mayor Pro-Tem to the proposed joint committee; and

Be It Finally Resolved, that a copy of this resolution be transmitted to the Board of Trustees of the Township of Lansing with the request that said board act upon the proposal to form a joint committee as conceptualized herein and as evidence of the City of Lansing's desire to cooperate with the Charter Township of Lansing in providing the best services possible to area residents.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:16 p.m.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

That the request for a special use permit for an adult foster care facility to house a maximum of six (6) foster adults on the above property be approved.

Signed:

DICK BAKER,
JACK D. GUNTHER,
LUCILE BELEN,
Committee on Planning.

By Councilman Baker—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

REPORTS OF CITY OFFICERS AND BOARDS

April 5, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim filed by Mr. Neil Dukes

Dear Mayor and Council:

Enclosed please find a claim filed by Mr. Neil Dukes for damages allegedly done to his vehicle by the exit gate at the Civic Center. Also enclosed is a report on the matter from the Civic Center staff received by this office. This claim was filed directly with this office and is therefore being referred to you for placement on the Council agenda and subsequent referral so that a recommendation may be made on the matter.

Sincerely,

TIMOTHY W. SANDERSON,
Citly Attorney

Referred to Civic Center Manager.

April 5, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Trent C. Bushnell

Dear Mayor and Council:

Pursuant to your directive on March 7, 1977, this office has offered Mr. Trent Bushnell of 2606 Hazelwood Drive the amount of $200.00 in settlement of his claim.

Mr. Bushnell's home was damaged by a falling tree on November 4, 1976 causing panels of aluminum siding to be pulled from the house.

Mr. Bushnell has accepted the City's offer of $200.00 for his claim. Therefore, it is now recommended that Mr. Bushnell's claim be settled and a check issued to him in the amount of $200.00.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney

By Councilman Gunther—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $200.00 payable to Trent Bushnell.

Carried.

April 6, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 15, submitted by The Christman Company on the Wastewater Treatment Plant Additions, Contract 72-S-4, EPA No. C262041, decreasing the amount of the contract by $2,508.60, due to deleting the work in existing digesters 5 and 6, and also requesting a sixty (60) day extension to the contract to July 5, 1977, due to needed equipment repairs.

I would recommend approval of this Change Order.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Change Order No. 15, submitted by The Christman Company on the Wastewater Treatment Plant Additions, Contract 72-S-4, EPA No. C262041, decreasing the amount of the contract by $2,508.60, due to deleting the work in existing digesters 5 and 6, and also requesting a sixty (60) day extension to the contract to July 5, 1977, due to needed equipment repairs, reports as follows:

We concur with the recommendation of the Director of Public Service.

Signed:

WILLIAM A. BRENKE,
ROBERT J. HULL,
Committee on Public Service and Highways

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

April 6, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached for your consideration is a letter received from the Lansing School District requesting the City of Lansing to program and install sidewalks along Delta River Drive between Sunnylane and Cranbrook for the safety of school children in the Northwestern Elementary School area.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

April 8, 1977

Honorable Mayor and

Members of City Council

Re: Wilson Park

Gentlemen:

At the April 4, 1977 City Council meeting, Mr. Louis Adado requested a report on the development of Plans for Wilson Park, when we received a citizen's proposal for development, and the time spent to prepare plans for inclusion in the 1977-78 budget.

At their December 15, 1976 meeting the Lansing Park Board received a plan prepared by the Community Design Center for the development of Wilson Park. This plan was placed on file for future consideration, and the staff was directed to consider improvements in Wilson Park for future Capital Improvement Programs. Furthermore, additional methods for making more immediate improvements to the area were to be considered by the staff. The latter part of this direction included the installation of picnic tables and stoves, the planting of small trees, etc.

Because of the timing of the request the improvement as proposed by the citizens were not submitted as part of the 1977-78 Capital Improvement, or the operating budget requests.

The department plans for most neighborhood parks of over 4 acres include the installation of tennis courts. The proposal prepared by the Community Design Center did include 4 such courts, but it has been the department's practice to install 2 in park areas the size of Wilson.

Mr. George Lokken, working from my recommendation and with direction from the Committee on Parks and Recreation, submitted to the Department of Natural Resources a preliminary application for the construction of tennis courts at six park locations. This application is prepared for the purpose of review to determine if the project is eligible for funding under the Bureau of Outdoor Recreation funding act. If these projects meet the B.O.R. criteria, we would prepare a final application which must be acted upon by City Council.

Parks included in this project are River Street, Forest View, Biggie Munn, Beck, Wilson and Woodcreek. These six sites were selected based on our analysis of proximity of residents to both city, and school district tennis facilities.

Current master plans were on file for Munn, Woodcreek and Wilson. Staff time was spent on completing the Beck and Forest View designs, and updating the River Street plan. Total time involved was approximately 40 staff hours.

If Mr. Lokken receives notice from the D.N.R. that tennis courts in neighborhood locations are fundable projects, the City Council could direct the final application be prepared for alternate locations. Those sites defined in the preliminary grant application are those which were given a technical recommendation as ideal locations.

Thank you,

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation

Referred to Committee on Parks and Recreation.

April 7, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: S-77-721 Sale of Fire Station No. 6 (839 North Pennsylvania Avenue)

Gentlemen:

Two bids for the sale of Fire Station No. 6 located at 839 North Pennsylvania Avenue were opened at 3:00 P.M., E.S.T. on Tuesday, April 5, 1977.

Neither bidder met the minimum acceptable bid of $31,000.00. We, therefore, recommend that all bids be rejected.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

CARL W. BARRATT,
Chief of Fire Department

Referred to Committee on Buildings and Properties.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred the recommendation of the Purchasing Director and the Fire Chief that both bids received for the sale of Fire Station No. 6 (839 North Pennsylvania Avenue) be rejected, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Fire Chief.

Signed:

ROBERT J. HULL,
J. D. BLAIR,
Committee on Buildings and Properties

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

April 7, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-726 U-Posts

Gentlemen:

Attached is the tabulation of six bids for the purchase of approximately 850 U-Posts, which were opened at 3:00 P.M., E.S.T. on Tuesday, April 5, 1977.

We recommend acceptance of the low bid submitted by the Armco Steel Corporation for a total delivered price in the amount of $4,835.70. Terms are "Net 30 Days."

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

RAYMOND O. SEVERY,
Traffic Engineer

Referred to Committee on Public Safety.

REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director and the Traffic Engineer that the low bid submitted by Armco Steel Corporation for the purchase of approximately 850 U-Posts for a total delivered price of $4,835.70, be accepted, reports as follows:

The committee concurs with the recommendation of the Purchasing Director and the Traffic Engineer.

Signed:

DICK BAKER,
TERRY J. McKANE,
Committee on Public Safety

By Councilman McKane—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

April 7, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-719 Neighborhood Development Area No. 2, Storm and Sanitary Sewer Separation Contract, PS 47032 (East Side)

Gentlemen:

Attached is the tabulation of eight bids for the Neighborhood Development Area No. 2, Storm and Sanitary Sewer Separation Contract, PS 47032, (East Side), which were opened at 3:00 P.M., E.S.T., on Tuesday, April 5, 1977.

We recommend acceptance of the low bid submitted by the Barnhart and Son Construction Company in the amount of $229,738.20 and an additional 15% for contingencies in the amount of $34,460.73, making the total amount authorized $264,198.93.

Subject to approval of said bidder by the Detroit Area Office of the Department of Housing and Urban Development (HUD): provided that failure of HUD to respond to the request for approval within fifteen (15) working days shall be considered approval.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

ROBERT R. BACKUS,
Public Service Director,

ORRIN E. SHARP,
Executive Assistant to the Mayor, Office of Community Development

Referred to Committee on Public Service and Highways.

March 31, 1977

Honorable Mayor Gerald W. Graves and

Member of Lansing City Council

A meeting was held between Human Relations personnel and Police Department Administration staff personnel on March 8,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

1977. This meeting was held for the express purpose of reviewing the complaints received by Human Relations regarding police misconduct in the handling of the incident at the Armory on South Washington on the morning of January 16, 1977 and if in fact the Human Relations Staff had established a basis for charges of police misconduct.

The facts sheet, attached hereto and prepared by Human Relations Staff, was presented to the Human Relations Committee meeting on the following Thursday, March 10, 1977. This meeting was attended by the Chief of Police and the Assistant Chief of Police along with several members of the Police Administrative Staff. During this meeting the fact sheet was not challenged by the attending members of the Human Relations Committee, however, one member did request another meeting of the Human Relations Committee in which he could be briefed on the findings of the investigation as he had little knowledge of what had been learned through the joint investigation.

Believing the matter to be resolved the Chief of Police held a News Conference on Friday morning, March 11, 1977.

The following Monday evening, March 14, 1977 the Human Relations Committee met again. The next day, Tuesday, March 15, 1977 the Human Relations Committee made a press release charging the Police Department with "using extremely poor judgment," "failure to exercise proper restraints," and that it appeared "that excessive force" in instances had been used."

That same Tuesday, March 15, 1977, the regular Police Board meeting was held, immediately following a meeting was held for the purpose of discussing the news release made by the Human Relations Committee. Members of the Police Board had been briefed from time to time on the progress of the investigation, however, in view of recent developments, a sub-committee was assigned the task of reviewing the investigation in detail. This committee of the Police Board met the following day. At the conclusion of this meeting the committee members requested a meeting with a sub-committee of Human Relations Committee members.

The meeting between the two sub-committees was held on March 22, 1977. After several hours of discussion during which the Human Relations Committee presented no new factual information bearing on the issues, the meeting was concluded. A Police Board meeting was held Thursday, March 24, 1977 to review the committee report on its findings. After considerable discussion it was the decision of the board to present the following statements to Mayor Gerald Graves and the City Council.

After review of all available information the Lansing Police Board fully supports the actions taken on the part of the Police Officers regarding the incident at the South Washington Armory the morning of January 16, 1977.

The Police Board and the Police Department recognizes that the relationship between the Police Department and the Human Relations Staff has been very useful in the solving of many problems between community groups and the Police Department which, if left unresolved, may have accelerated into serious confrontations. The Human Relations Staff has responded, with successful results, to many neighborhood problems encountered by police officers which were not of the nature that responds to a police action. Human Relations Staff personnel have been utilized in recruiting and training police personnel with considerable success. In addition, the working relationship between Human Relations Staff personnel and officers assigned to the school athletic programs has enabled these programs to continue where as in many cities they have been discontinued because of rowdy conduct.

The Police Commissioners, along with the Administrative Staff of the Lansing Police Department see no useful purpose being served in the further airing of a disagreement with the Human Relations Commission in this matter.

We would concur with the Human Relations Committee in the recommendation to Mayor Gerald W. Graves that he re-establish the Police/Community Relations Team under his direction.

We would also concur in addition training of police personnel in the area of community awareness and will seek meaningful methods in which such training might be implemented. In conjunction with this, training methods will be sought to educate the community on the role of Law Enforcement in policing a community such as the City of Lansing.

RUSSEL A. LAWLER,
Chairman,
Lansing Board of Police
Commissioners

Referred to Mayor's Office and Committee on Public Safety.

April 7, 1977

Honorable Mayor and City Council

City Hall

April 7, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the preliminary plat of Circle West Subdivision, recommends approval of this preliminary plat subject to the abandonment of the Haze Drain Easement.

Respectfully submitted,

BARBARA GARLOCK,
Secretary

Referred to Committee on Public Service and Highways.

April 7, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the request that a portion of the storm drain easement, known as the West Town Drain, between Pollard St. and Pheasant Street be vacated, recommends that the request be approved subject to the approval of the Ingham Couny Drain Commissioner.

Respectfully submitted,

BARBARA GARLOCK,
Secretary

Referred to Committee on Public Service and Highways.

April 7, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the offer of Mr. Roy Markey to deed to the City of Lansing a portion of the right of way at the intersection of Selfridge and Pollard Streets, recommends approval of this offer subject to the approval of the City Attorney.

Respectfully submitted,

BARBARA GARLOCK,
Secetary

Referred to Committee on Public Service and Highways.

April 7, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the closing of River Street and the construction of a cul-de-sac north of Lenawee St. recommends that the cul-de-sac be approved and incorporated in the construction of the Kalamazoo Street Bridge.

Respectfully submitted,

BARBARA GARLOCK,
Secretary

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE ANDN HIGHWAYS, to whom was referred the proposed Cul-de-sac on River Street north of Lenawee Street, reports as follows:

We recommend approval of the Cul-de-sac and that it be incorported in the construction of the Kalamazoo Street Bridge.

Signed:

WILLIAM A. BRENKE,
ROBERT J. HULL,
Committee on Public Service and Highways

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

April 7, 1977

Letter (a)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

It was recently brought to our attention that Ingham County has erected a Yield sign for westbound traffic on Prespect Street at Mifflin. The centerline of Mifflin Street is the city limit line. Currently there is no yield sign for eastbound traffic at this intersection. A traffic survey reveals that the safe approach speed is about 16 mph. There has been only one accident at the intersection during the past five years.

The Traffic Board recommended unanimously that a Yield sign be authorized on Prospect Street for eastbound traffic at

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Mifflin. This will provide uniform control for traffic on Prospect Street at this intersection.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

April 7, 1977

Letter (b)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

Residents living on Eureka Street adjacent to the Thomas Brothers garage have expressed concern over trucks being parked on Rosamond north of Eureka. This section of Rosamond Street serves as an entrance to the Thomas Brothers garage and has a steep incline up to the garage. On at least one occurrence a truck parked on the incline has rolled down across Eureka Street into the yard of a private home.

The Traffic Board unanimously recommended that in order to prevent a similar occurrence in the future, No Stopping, Standing, or Parking be allowed on Rosamond Street from Eureka Street to 119 feet north of Eureka Street. Thomas Brothers garage does have limited on-site parking available for these trucks.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

April 7, 1977

Letter (c)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request from residents in the area west of Logan Street between I-496 and the river to prohibit truck traffic from using the residential streets. Adequate truck routes presently exist on Main Street, St. Joseph St., Olds Avenue and Logan Street for thru trucks.

The Traffic Board recommended that trucks be prohibited from using William St. from Birch Street to Buffalo Street, and be prohibited from using Max Street, Middle Street, Riverview Street, West Street, Nipp Street, and Everett Street between Olds Avenue and Main Street.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

April 7, 1977

Letter (d)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

During the time that Diamond Reo was operating in the City of Lansing, military and trailer truck parking was allowed on the north side of Baker Street from Herbert Street to 150 feet east of Washington. Now that Diamond Reo is no longer in operation the demand for truck parking does not exist.

The Traffic Board recommended for City Council's consideration that the parking restrictions on the north side of Baker Street be changed to No Parking At Any Time from Pennsylvania Avenue to Washington Avenue. This change affects only the area adjacent to the Diamond Reo Plant.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

April 7, 1977

Letter (e)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request from Alex Vanis of Alex's Restaurant to allow parking after 6 P.M. on Mill Street north of the restaurant. Mill Street is 36 feet wide except at the south end where it narrows to 30 feet at the alley. Allowing parking on one side of Mill Street after 6 P.M. would not restrict emergency vehicle access or cause traffic congestion.

The Traffic Board recommended that no parking be allowed from 6 A.M. to 6 P.M. on the west side of Mill Street from 100 feet north of the alley in the 100 block to 600 feet north of the alley in the 100 block north. This would allow parking after 6 P.M. on the west side of Mill Street from just north of the alley to just south of the entrance to the City Market. It would not however, allow parking between the hours of 2 A.M. and 5 A.M. The No Parking At Any Time restrictions on the remaining portions of Mill Street will remain in effect.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

April 7, 1977

Letter (f)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request from the Allied Industrial Workers of America Local No. 182 to change the present parking meters in the 1600 block of N. Larch Street from 30 minute meters to 2 hour meters. These meters are located on the east side of the street in front of the Motor Wheel Corporation. The union's concern is that the 30 minute meter does not provide enough time for employees to complete their business in the employment office. This employment office includes the medical facilities and the insurance benefit office.

We received a letter from Mr. D. E. Dohnal, Secretary and Counsel of Motor Wheel Corporation, stating that the corporation believes the thirty minute time limitation is generally adequate. Mr. Dohnal stated they believe that permitting parking for longer periods would reduce the availability of the spaces for individuals entering the plant to discuss matters relating to company sickness and accident programs and other employee's benefits. A copy of Mr. Dohnal's letter is attached.

Discussions with our parking checker supervisor and with Mr. Miller of Motor Wheel Corporation reveal that some of the meters are currently being utilized by workers in the plant for all day parking. Extension of the 30 minute limit to a two hour limit could aggravate this problem.

The Traffic Board unanimously recommended for City Council's consideration that the request to change the time limit from 30 minutes to two hours be denied.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

April 7, 1977

Letter (g)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The No Parking Zones at the ends of the Washington Mall and many of the short no parking zones in the downtown areas have never been approved by City Council. Because of this, tickets written in these areas have to be released if they are contested. The Traffic Department is presently compiling a list of all of these areas for submission to City Council for approval.

An initial list of no parking locations, including those at the ends of the Washington Mall, was reviewed by the Traffic Board at their April meeting. The Traffic Board unanimously recommended that No Parking At Any Time be allowed at the following locations:

No Parking At Any Time

Allegan Street—South side from 70 ft. E of Washington Mall to 85 ft. W of Washington Mall.

Allegan Street—North side from 85 ft. E of Washington Mall to 80 ft. W of Washington

Ionia Street—both sides from 80 ft. E. of Washington Mall to 80 ft. W of Washington Mall.

Michigan Avenue—both side from 75 ft. E of Washington to 70 ft. W of Washington.

Ottawa Street—South side from 75 ft. E of Washington to 80 ft. W of Washington.

Ottawa Street—North side from 75 ft. E of Washington to 115 ft. W. of Washington.

Shiawassee Street—South side from 65 ft. E of Washington to 80 ft. W of Washington.

Shiawassee Street—North side from 65 ft. E of Washington to 100 ft. W of Washington.

Washtenaw Street—South side from 90 ft. E of Washington to 105 ft. W of Washington.

Washtenaw Street—North side from 75 ft. E of Washington to 120 ft. W of Washington.

Michigan Avenue—South side from Capitol to 155 ft. E of Capitol.

Michigan Avenue—North side from Grand to 155 ft. W of Grand.

Allegan Street—South side from Capitol to 125 ft. E of Capitol.

Kalamazoo Street—South side from Pine to 150 ft. W of Pine.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary

Referred to Committee on Public Safety.

April 7, 1977

P-1-77

Bemark Subdivision No. 1

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of April 5, 1977, recommended that the tentative preliminary plat of Bemark Subdivision No. 1, located in 5100 block of Wexford Road (west side), be approved.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The subdivision is a replat of Lot 43, plat of Maple Grove Farms No. 1. The new subdivision consists of two (2) lots, each measuring sixty feet (60') by one hundred feet (100') and will be used for single family homes. The Board found that the lot size and proposed development is in accord with development in the vicinity and can be served by the necessary public utilities and facilities. This recommendation of approval received unanimous vote of the Board and was subject to the following:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That all lots shall be graded so surface water will drain thereform so as not to adversely affect adjacent properties.

3) That the necessary easements be shown on the plat in accord with the requirements of the Board of Water and Light and other public utilities.

4) That street trees be planted on all public streets and a permit therefor be obtained from the Department of Parks and Recreation prior to the planting.

5) That the requirements of all other reporting agencies be complied with.

6) That this is tentative approval and shall expire after a period of twelve months.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board

Referred to Committee on Planning.

April 7, 1977

P-2-77

Bemark Subdivision No. 2

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of April 5, 1977, recommended that the tentative preliminary plat of Bemark Subdivision No. 2, located in the 5100 block of Wexford Road (west side), be approved.

The subdivision is a replat of Lot 43, plat of Maple Grove Farms No. 1. The new subdivision consists of two (2) lots, one of which is 90 feet by 101 feet, and the other 60 feet by 102 feet and will be used for single family development. The Board found that the lot size and proposed development is in accord with development in the vicinity and can be served by the necessary public utilities and facilities. This recommendation of approval received unanimous vote of the Board and was subject to the following:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That the necessary easements be shown on the plat in accord with the requirements of the Board of Water and Light and other public utilities.

4) That street trees be planted on all public streets and a permit therefor be obtained from the Department of Parks and Recreation prior to the planting.

5) That the requirements of all other reporting agencies be complied with.

6) That this is tentative approval and shall expire after a period of twelve months.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board

Referred to Committee on Planning.

April 7, 1977

P-5-77

Delaware Park No. 3

Honorable Mayor and

Members of City Council:

The Lansing Planning Board will hold a public hearing on Tuesday, May 3, 1977 at 7:30 p.m. in City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan, to consider the proposed subdivision plat known as Delaware Park No. 3. This is not a matter of rezoning.

The proposed plat is located north of East Miller Road between Rolfe and Annapolis streets. The proposed plat contains 6.54 acres, which will be subdivided into thirty (30) single family lots. Primary access will be gained via the proposed Ellendale Drive from Miller Road. Raritan Road and Warrington Street will be extended from Delaware Park No. 2. The property is zoned "A-1" Single Family Residential District.

Twelve of the proposed lots will contain approximately 9,000 square feet; the remainder, approximately 6,600 square feet. The proposed net density will be approximately six and one-half (6.5) dwelling units per acre. Plans for this proposed development are on file in the Planning Department for your review.

This notice is in accord with Section 37-8(2) of the Subdivision Ordinance. You are cordially invited to attend this hearing.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Received and placed on file.

April 7, 1977

Z-12-77

Tammany Hills No. 3 and No. 4

Honorable Mayor and

Members of City Council:

The Lansing Planning Board will hold a public hearing on Tuesday, May 3, 1977 at 7:30 p.m. in City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan, to consider a revision of a 34 acre Community Unit Plan known as Tammany Hills No. 3 and No. 4.

The proposed Tammany Hills No. 3 would include thirteen (13) fourplex sites and fourteen (14) duplex sites. The proposed Tammany Hills No. 4 would include five (5) fourplex, one duplex and thirteen (13) twelve-unit garden apartment sites. This is an increase of fifteen (15) dwelling units over all.

In addition, tennis courts, a pool, and a community building would be provided. A gross density of 7.5 dwelling units per acre is proposed; net density would be 8.8 dwelling units per acre. Plans of this proposed development are on file in the Planning Department for your review.

This notification is in accord with Section 36-7 of the Lansing Zoning Ordinance. You are cordially invited to attend this hearing.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Received and placed on file.

April 7, 1977

Z-13-77

1321 West Holmes Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of April 5, 1977, recommended that the petition by Oxford Development Corporation to rezone property at 1321 West Holmes Road from "A-1" Family Residential District to "D-M" Multiple Dwelling District and "D-1" Professional Office District be denied as filed. The Board further recommended that that portion of the property described as:

Beginning on the section line at a point 695.7 feet west of the north ⅛ post of northeast ¼ of Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan, being 2021.7 feet west of the northeast corner of said Section 32 running thence west 390 feet on the section line; thence south 660 feet to the north line of Mount Clair Subdivision; thence easterly 390 feet on the north line of said subdivision; thence north 660 feet to beginning, subject to the right-of-way of Holmes Road, except the south 240 feet of the west 290 feet thereof,

be rezoned from "A-1" Family Residential District to "D-M" Multiple Dwelling District; and further, that that portion of the property excepted from the above described property and requested to be rezoned from "A-1" to "D-1" Professional Office District be deferred for further study and report.

The recommendation of approval was subject to the following:

1) That a landscaping and screening plan, with identified plant materials and schedule for installation be submitted to the Planning Department for approval prior to the issuance of building permits for the proposed residential use and the proposed office use.

2) That a pedestrian crossing safety light be installed by the City of Lansing to permit access to the north side of West Holmes Road.

3) That access to Marion Avenue at the south boundary of the site be limited to emergency vehicles only.

4) That upon development of the "D-1" Professional Office parcel, a connecting pedestrian circulation system be provided to the elderly facility.

5) That a site plan be submitted indicating:

a) location of proposed structure

b) location of vehicular and pedestrian circulation system

c) location, layout and number, and potential future expansion of parking areas

d) number of dwelling units (100 maximum—for residential use only)

e) number of employees

f) location of exterior recreational opportunities.

Please find attached a copy of the report prepared by the Lansing Planning Department which contains the basis for approval of this request.

This recommendation was by a 6 yeas, 0 nays vote of the Board.

Sincerely,

DAVID L. PURVIS.
for Alan E. Tubbs, Secretary,
Lansing Planning Board

Referred to Committee on Planning.

April 7, 1977

Honorable Mayor and

Members of City Council:

At the April 5, 1977 meeting of the Lansing Planning Board the attached procedure

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

for local review of licensing of foster care facilities for six (6) or less clients, under Public Acts 396 and 397 of 1976, was approved by the Board.

The process is hereby forwarded with a recommendation for adoption by the City Council.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board

Referred to Committee on Planning and Committee on Ordinance and Contracts and City Affairs.

April 11, 1977

Honorable Mayor Graves

Mayor Pro-Tem and City Council Members

10th Floor—City Hall

Lansing, Michigan 48933

Dear Mayor and Council Members:

In the near fuutre, we as elected officials, will be making a most important decision. That decision will have a great impact on the community for many years to come; and because of the magnitude of the decision and its impact on property owners, schools, industry and industrial development, our decision should not be a hasty one but should be approached with caution and with input from all persons who are interested and concerned.

In the past few weeks, I have received numerous telephone calls from citizens expressing their concern over the proposed tax abatement for Oldsmobile and Fisher Body. One of the suggestions that emerged in the course of many of these phone conversations is one that I would like to put forth at this time for the perusal of my City Council colleagues. That particular suggestion is, that the matter of tax abatement for General Motors Oldsmobile and Fisher Body plants be put on the ballot for an "advisory vote" of the people. However, it was also suggested that it be put on the ballot of an already scheduled election this year so there will be no additional cost to the taxpayers of Lansing, but at the same time allow citizens to express their views on this matter.

This year there are three elections scheduled that could be considered for this purpose—the June Lansing Community College election, the August Primary or the General Election in November.

It would be very much appreciated if the Special Ad Hoc Committee that has been established by the Council Planning Committee would take this suggestion under advisement and refer it to the Committee of the Whole.

Sincerely,

JAMES D. BLAIR,
Councilman A Large

Referred to Committee of the Whole.

April 1, 1977

Honorable Mayor Pro-Tem and

Members of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

This is to advise that I have appointed for your consideration and confirmation, Ardis Denise to serve as a member of the Downtown Development Association, replacing Lucile Belen, which term expires February of 1981.

Ms. Denise was born in Boyne Falls, Michigan, and graduated from Boyne Falls High School and Lansing Secretarial School (presently Lansing Business University). She has been employed by Union Savings & Loan Association, located at 121 W. Allegan, since 1948, starting as a bookkeeper and working in all departments of the Association. In January of 1970, she was elected to the Office of Assistant Secretary/Treasurer; in August of 1970, she became the first female Branch Manager of the Association's first branch office; in January of 1975, she was elected Assistant Vice President, a post she currently holds along with her duties as Personnel Manager and Savings Development.

Ms. Denise is a member of the Zonta Club, having held directorships and committee chairmanships in the past; is a long-standing member of the YWCA; a member of the First Presbyterian Church; has served on the United Way Committee and is on the Board of Directors of the Mid-Michigan Chapter No. 274 of the Institute of Financial Education.

Ms. Denise resides at 1229 Chester Road.

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor

Referred to Committee on Planning.

April 1, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

This is to advise that I have appointed Mary Jane McGuire as a representative of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

the Lansing School District and a Resident Citizen, to serve as a member of the River Island Advisory Committee.

Mary Jane was graduated from Michigan State University with a Bachelor of Arts Degree and a Master of Arts Degree in Education, and is continuing her studies at that institution in administration and education. She has been employed as a teacher with the Lansing School District for the past 22 years and is presently the Principal at Wexford Elementary School. Mrs. McGuire has participated in many community organizations in the past, but, at the moment is a life member of the National Education Association and the Michigan Education Association; a member of the Elementary School Principals Association, a member of the International, Michigan and Ingham County Reading Associations; a member of the Lansing Association of School Administrators, Alpha Kappa Alpha Sorority, NAACP, and the Westside Neighborhood Association.

Mrs. McGuire and her husband, Cyril, have three children and reside at 401 S. Verlinden.

This communication is forwarded to you for informational purposes only.

Sincerely,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

April 6, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members

This office has been advised by Helen J. Parker that she no longer desires to be a member of the Air Pollution Board. Therefore, I am submitting the name of Ruth Trowbridge to fill the vacancy on said Board, for your consideration and confirmation, which term expires June 30, 1977.

Ruth Trowbridge was graduated from Owosso High School and has attended many labor relations courses at Michigan State University. She has been employed by Michigan Bell Telephone Company for the past 23 years and presently is a Senior Operator and Instructor. She is a member and Vice President of Local No. 4040 of the Communications Workers of America and the Legislative COPE Chairman of that Local, also a delegate member to the Lansing Labor Council and a member of the Moose Lodge.

Mrs. Trowbridge and her husband, Gordon, have four children and reside at 1301 Ohio.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor

Referred to Committee on Public Service and Highways.

April 5, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

Attached, please find a copy of a communication from Ms. Kathy Wines, Human Services Specialist, Mt. Vernon Park, 3338 N. Waverly, Lansing, regarding Wilson Park. It is forwarded to you for whatever attention you deem necessary.

Sincerely,

GERALD W. GRAVES,
Mayor

Referred to Committee on Parks and Recreation.

March 31, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

The Office of Community Development has attempted in vain to get a decision from the City Council in regard to a Street Lighting Policy.

This policy is required for the completion of the Physical Development Plans for each neighborhood development area.

The attached communications are self-explanatory. Your assistance in expediting the establishment of a Street Lighting Policy will be appreciated.

Sincerely,

GERALD W. GRAVES,
Mayor

Referred to Committee on Community Development.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

RESOLUTIONS

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the low bid of Barnhart & Son Construction Company, for the Neighborhood Development Area No. 2 Storm and Sanitary Sewer Separation Contract, PS 47032, in the amount of $229,738.20, and an additional 15% in the amount of $34,460.73, is hereby authorized to be encumbered by the Controller for contingencies, making the total encumbered amount under this contract $264,198.93, be accepted (City's portion for this contract to be financed from Account No. 258-445-642-974). This acceptance is subject to the approval of the Detroit Area Office of the Department of Housing and Urban Development (HUD), however, failure by HUD to respond to the request for approval within fifteen (15) days shall be considered as approval.

After the award, the successful bidder shall be required to execute the contract as specified within ten (10) days after the prescribed forms are presented to him for signature as stipulated in the Instruction to Bidders section of the contract.

Be It Further Resolved hat the Mayor and City Clerk be directed to execute a contract with the said Barnhart & Son Construction Company on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the contract as to form, and of the bonds and insurance certificates by the City Attorney, and upon certification of the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and

Resolved by the City Council of the City of Lansing:

That, the low bid of Hanel-Vance Construction Company for the Civic Center Modernization in the amount of $2,245,-215.98, as detailed below, be accepted.

Base proposal Sum		$2,075,000.00
Alternative No. 1	+	11,300.00
Alternative No. 2 B	—	45,000.00
Alternative No. 4	+	1,500.00

Accept Assignments as follows:

Architectural Building Products, Inc. (carpeting)	8,585.85
Canton China & Equipment (Food Service Equip.)	47,686.00
Superior School Equipment (Auditorium Seating)	145,087.00
Total Assigned	$ 201,358.85
Bonding Costs @ $5.25 per M	$ 1,057.13
Contract Cost	$2,245,215.98

And That the following sub-contractors be approved as stipulated in the "Instruction to Bidders" section of the contract.

Architectural Building Products, Inc., Carpeting	$ 8,585.85
Canton China & Equipment— Food Service Equip.	$ 47,686.00
Superior School Equip.— Auditorium Seating	$145,087.00

And That $2,245,215.98 is hereby authorized to be encumbered by the Controller under this contract, and that funds are available for this project from Community Development Account No. 253-936-124-974 and 253-936-693-975 and General Account No. 101-936-759-976.

After the award the successful bidder shall be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in the "Instruction to Bidders" section of the contract.

Be It Resolved that, the Mayor and City Clerk be directed to execute a contract with the said Hanel-Vance Construction Company, on behalf of the City of Lansing according to the said bid presented and the specifications on file, upon approval of the City Attorney of the contract form and the bonds and insurance certificates. The City Controller hereby certifies the availability of these funds. Also this is subject to the approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD).

Be It Further Resolved That the Resolutions approved by the City Council of the City of Lansing in reference to the Contracts with Hanel-Vance, Architectural Building Products, Inc., Canton China & Equipment on March 28, 1977, and with Superior School Equipment on April 4, 1977 be rescinded.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public health and necessity to construct curb and gutter and any necessary drainage on Risdale Street from the east

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

lot line of 2701 Risdale St. west to the existing curb and gutter at 3101 Risdale Street, and that the construction of this improvement is hereby ordered.

And Further, that the cost of this construction is to be assessed to the benefited property owners and that the City's portion of the curb and guter construction is to be financed from Curb and Gutter Account 203.456.615.974.

The Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for this project and it is further directed to estimate in detail the cost of said project and to furnish said information to the City Council.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing does hold title to the property described as:

Lot 4, Wiley's Subdivision, City of Lansing. More commonly known as 839 N. Pennsylvania Ave. (Fire Station No. 6).

and

Whereas, the above described property is presently being held for public purposes; and

Whereas, it has been determined that continued ownership of subject property by the City of Lansing would serve no valid purpose; and

Whereas, the proposition to sell said property was submitted to the electors of the City of Lansing for approval as required by Section 14.3 (d) of the Charter of the City of Lansing and as required by the laws of the State of Michigan at a regular City primary election; and

Whereas, the electors of the City of Lansing did approve the sale of subject property; and

Whereas, the Buildings and Properties Committee has an established policy for rotating the selection of Real Estate Brokers,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized and directed to execute a ninety (90) day listing agreement with the Walter Neller Co. at a sale price of not less than Thirty One Thousand and no/100 Dollars ($31,000.00).

By Councilman Blair—

That the last paragraph be amended to read as follows:

Now, Therefore, Be It Resolved that the Mayor and City Clerk and hereby authorized and directed to execute a ninety (90) day listing agreement with the Walter Neller Co. at a sale price of Thirty Nine Thousand nine hundred and no/100 Dollars ($39,900.00).

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Mr. William Warner, a property owner in the City of Lnasing, is in possession of partially defective title of land bordering City property; and

Whereas, said defect involves a boundary area dispute of 2.53 feet x 419.78 feet, said defect being reflected only in conflicting legal descriptions of record and not involving any actual taking or occupancy of City property; and

Whereas, said defect has been acknowledged by said taxpayer by and through his insurer, Burton Title Insurance Company; and

Whereas, said insurance company has made a negotiated offer of settlement of five hundred and 00/100 dollars ($500.00) to correct the public record regarding said inconsistency in Mr. Warner's deed; now, therefore, be it

Resolved, that said offer of settlement be accepted; and be it

Further Resolved, that after approval as to form by the City Attorney, the Mayor and City Clerk are authorized and directed to execute a quit claim deed to Mr. William Warner conveying the parcel of land 2.53 feet wide and 419.78 feet long along the length of the border of Mr. Warner's property and that of the City. (5332 So. Pennsylvania Ave.)

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective April 11, 1977, the City Personnel Director is authorized and directed to establish the following positions within the Housing and Redevelopment Department Section of the Classification and Compensation Plan:

I—Development Administrator IX

II—Redevelopment Assistant VII

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

This action being taken in conformance with the Committee of the Whole Resolution relative to Capitol Commons as adopted on March 28, 1977.

By Councilman Baker—

That there be a division as to voting on the question.

Carried.

The Development Administrator IX was adopted by the following vote:

Unanimously.

By Councilman Belen—

That the Redevelopment Assistant VII position be referred back to the Committee on Personnel.

Carried.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective April 11, 1977, the City Personnel Director is authorized and directed to effect the following changes within the Parks Department section of the Classification and Compensation Plan:

I—Delete one vacant Clerk IIIA and one vacant Clerk IB position.

II—Establish one Secretary III and one Clerk II position.

This action will result in a net salary account reduction of $1461.00 per full fiscal year.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective July 1, 1977, the City Personnel Director is authorized and directed to increase, by a factor of 5.5%, existing V through XII salary levels of the Classification and Compensation Plan covering non-bargaining unit personnel of the City. The unclassified Executive Assistant position and the City's share of District Court Judge's salaries shall likewise be increased by the 5.5% factor.

The total fiscal year cost increase of $130,086.00 for positions within the City's General Fund Budget, has been provided for within the Mayor's proposed FY 1977-'78 budget.

Adopted by the following vote:

Unanimously.

The Council recessed for five (5) minutes.

By Commitee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

$ 3,000.00 from Reserve for Emergencies
A/C 101-941-000-963

$ 3,000.00 to Impression Five
A/C 101-934-064-969

$20,000.00 from So. Wash. Ave. Grade Crossing
A/C 202-453-703-974

$20,000.00 to W. Mich. Ave. Grade Crossing
A/C 202-453-720-974

$ 2,460.00 from Kingsley Development
A/C 253-936-644-974

$ 2,300.00 to Temporary Help
C.D. Management
A/C 251-930-000-707

160.00 to Fringe Benefits
A/C 251-930-000-715

I hereby certify that funds are available

JAMES W. DOWSETT,
Director of Finance.

Approved:

TERRY J. McKANE,
WILLIAM A. BRENKE

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Brenke, Gunther, Hull, McKane—6.

Nay: Councilman Blair—1.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-6-76

1726-1728 Teel Avenue

More particularly described as:

Lots 151 and 152, Reo Park Addition, City of Lansing, Ingham County, Michigan.

Whereas, pursuant to Section 36-42(12) of the Zoning Ordinance, a request was made by Harold Lemon for approval of a Special Use Permit for an adult foster care home on the above described premises; and

Whereas the Planning Board, on July 6, 1976, held a public hearing, and following that public hearing, recommended denial of the Special Use Permit request; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas the Planning Committee of Council, to whom the report of the Planning Board was referred, did not concur therewith; and

Whereas the Council of the City of Lansing officially expressed its intent (on September 20, 1976) to approve the Special Use Permit following Certification by the Building, Planning and Fire Departments that the necessary Code compliance alterations have been completed; and

Whereas the Building, Planning, and Fire Departments have certified that all necessary code compliance alterations have been completed;

Now, Therefore, Be It Resolved that the request for a Special Use Permit for an adult foster care facility to house a maximem of six (6) foster adults on the above described property be approved; and

Be It Further Resolved that parking shall be provided in accord with Sections 36-54.1, 36-54.2 and 36-54.3 of the City of Lansing Zoning Ordinance.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

LS-15-76

3130 North East Street

Whereas David M. Lick requested that the property located at 3130 North East Street be divided into two parcels; and

Whereas the Planning Board, at their meeting of October 19, 1976, recommended that the request be approved; and

Whereas Mr. Lick has now requested that no further action be taken and that the property be retained as one parcel;

Now, Therefore, Be It Resolved that the Council of the City of Lansing acknowledges the request by David Lick and terminates any further consideration on this lot division.

Adopted by the following vote:

Unanimously.

ZONING

By Councilman Baker—

Whereas, by petition duly filed on the 10th day of January, 1977, this council was petitioned to change the following described property from "A" One Family Residence District to "F" Commercial District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 28th day of March, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-1-77 — 2600 Block of Hazelwood,

more particularly described as:

Lots 27 and 28, Green Acres Subdivision, City of Lansing, Ingham County, Michigan,

from "A-1" Family Residential District to "F" Commercial District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny this request; and

Whereas the Planning Committee of Council, to whom was referred the report of the Planning Board, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above described property from "A-1" Family Residential to "F" Commercial District be denied.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Proposed Fence Ordinance

Whereas the Planning Board, at their meeting of August 3, 1976, recommended an Ordinance to control fences, walls, hedges and similar structures to the City Council; and

Whereas the Ordinance was referred to the Planning Committee of Council for their review and recommendation; and

Whereas the Planning Committee of City Council, following receipt of the recommendation of the Planning Board, requested that the City Attorney review the Ordinance as to content; and

Whereas the City Attorney has suggested revisions that he believes must be reconsidered by the Planning Board following a public hearing;

Now, Therefore, Be It Resolved that the Council of the City of Lansing officially refers the Fence Ordinance back to the Planning Board for public hearing and report.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

PUBLIC IMPROVEMENT I

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a public necessity to construct Curb and Gutter and any necessary drainage on Risdale Street from the East lot line of 2701 Risdale west to the existing curb and gutter at 3101 Risdale St.; as ordered (See Petition No. CG-2-77 on file with the City Clerk). See Council Resolution 4-11-77.

That the Department of Public Service be and hereby is directed to cause to be prepared so far as necessary, diagrams and plats of the whole of said district, and/or plans and specifications for such project, and is further directed to estimate in detail the cost of said project, and furnish said information to the Council.

Adopted by the following vote:

Unanimously.

PUBLIC IMPROVEMENT II

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the Department of Public Service in pursuance of the resolution of this council:

Resolution date 8/23/76

P.S. No. 76080 C & G Widening

Property Benefited: All lands fronting on W. Miller Rd. from approx. 400 ft. W. of Logan St. to Marywood Ave. excepting all public streets and alleys and other lands deemed not benefited.

Adopted by the following vote:

Unanimously.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That Councilman Adado be excused from the session.

Carried.

By Councilmen Brenke-McKane—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Letter from CROP requesting permission to have a hunger walk on May 22, 1977.

Referred to Committee on Ordinance and Contracts and City Affairs.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the recommendation of the Purchasing Director and the Director of Public Service that the low bid submitted by Boichot Concrete Products and Cheney Concrete Company as an alternate source for back-up for the purchase of ready-mix concrete for the 1977 Construction Season be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Agent and the Director of Public Service.

Signed:

WILLIAM A. BRENKE,
ROBERT J. HULL,
Committee on Public Service and Highways

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the recommendation of the Purchasing Agent and the Director of Public Service that bids for purchase of sand and gravel for the 1977 Construction Season be accepted as follows:

The low bids submitted by the Crandell Trucking Company for 20A Aggregate at $2.04 per ton, and Class II Fill Sand at $1.43 per yard; Carl Schlegel, Inc., for 22B Aggregate at $2.39 per ton; Eagle River Gravel Company for 3CS Sand at $1.49 per ton, and 2NS Sand at $1.49 per ton; and Ray's Aggregate for 2MS Sand at $1.58 per ton if their product passes state tests. Otherwise the next low bidder, Wickers, Inc., will supply the same for $2.45 per ton. This product is motar sand and our requirement is only about 300 tons a year. Crandell Trucking Company's terms are Net 10th of each month, Carl Schlegel's terms are Net 10th of each month, Eagle River Gravel Company's terms are Net 30 days, and Ray's Aggregate terms are 10th end of month, reports as follows:

The Committee concurs in the recommendation of the Purchasing Agent and the Director of Public Service.

By Councilman Terry J. McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the Greater Lansing Urban League, directed by Charles H. Mitchner, is a non-profit organization which provides invaluable services to the Lansing community in the areas of job counseling and placement, vocational exploration, on-the-job training and other related services; and,

Whereas, The Greater Lansing Urban League is sponsoring its 12th Annual Dinner Meeting on Teusday, April 12 at 6:30 p.m. in the Kellogg Center of Michigan State University; and,

Whereas, the guest speaker, on this occasion, will be the Honorable Andrew J. Young, United States Ambassador to the United Nations; and,

Whereas, Ambassador Young, a disciple of the late Nobel Peace Prize winner, Dr. Martin Luther King, Jr., is held in high esteem by the President of the United States and the people of this country for his dynamic role in race and human relations, and for the invaluable contributions that he has rendered in service to the people of this country;

Now, Therefore, Be It Resolved that the Mayor and City Council extend a special tribute to the Greater Lansing Urban League on the occasion of its 12th Annual Dinner Meeting; and,

Be It Further Resolved that the citizens of the Greater Lansing area are proud to welcome the Honorable Ambassador Andrew J. Young to our City; and,

Be It Finally Resolved that a copy of this resolution be presented to Charles M. Mitchner, Director of the Greater Lansing Urban League and to the Honorable Ambassador Andrew J. Young.

Adopted by the following vote:

Unnaimously.

Councilman Brenke spoke in regard to the beginning of leaf pickup on regular pickup days through May 27th, 1977.

Councilman Baker made note that the City Council Meeting was being taped by the Lansing Cable TV Committee and it was to be aired on April 12, 1977 at 7:30 p.m. this was in conjunction with Continental Cablevision.

Richard Knowledge Lapien, 329½ So. Washington Ave. spoke in regard to direct credits and a letter he had sent to Atty. General Frank Kelley.

James Nelson—403 So. Holmes St. spoke in regard to Hunter Park and suggested that a curfew be established in park area.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:40 P.M.

REPORTS OF CITY OFFICERS AND BOARDS

Fire Chief submits Lansing Fire Department Annual Report for 1976.

Received and placed on file.

April 13, 1977

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Claim of Robert Graham in the amount of $26.43

Dear Mayor and Council:

The above captioned matter was referred to this office for investigation and recommendation.

The claimant's letter and the subsequent report by the Building Department disclose that on January 27, 1977, Mr. Robert Graham, an inspector for the Community Development Rehabilitation Program and an employe of the Building Department, entered a house at 1236 Lathrop Street on a work-related housing inspection.

During the inspection, an open container of fuel oil dislodged and spilled on Mr. Graham's clothing. Attempts to clean the clothing have been unsuccessful.

Based upon the facts presented, there does not appear to be any negligence or legal responsibility on the part of the City. The claimant was not performing any unusual duties, but rather was engaged in a standard housing inspection. It should not be unexpected that employees acting in such a capacity might soil or damage their clothing.

Therefore, from a legal standpoint, it is the recommendation of this office that the claim be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Blair (Gunther)—

That we concur in the recommendation of the City Attorney and said claim be denied.

By Councilman Belen (Baker)—

That we do not concur in the City Attorney recommendation and the Council approve the payment of the claim of $26.43.

By Councilman Adado—

That this be tabled for one week for a report from the Building Commissioner relative Mr. Graham's claim.

Adopted by the following vote:

Unanimously.

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, McKane—6.

Nays: Councilmen Baker, Hull—2.

April 13, 1977

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Suits for collection of sums due the City

Dear Mayor and Council:

This office receives a number of requests from various City departments for collection of sums due the City as a result of damages to City owned property such as traffic signs, park property and the like. Generally, these amounts are under $1,000.

Ordinarily, our collection efforts are successful prior to the institution of court action. Lansing Charter ch 7, §7.7(3) requires the City Council to approve the institution of civil actions by this office.

Prompt recourse to court is oftentimes a valuable tool in collection matters. There-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

fore, to facilitate the institution of civil suits in District Court to collect sums due the City without the necessity of placing a letter on the agenda in each individual case, I hereby request that the City Council authorize this office to institute civil actions in District Court where necessary to collect sums due the City as a result of damage to City owned property.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

Referred to Committee of the Whole.

April 6, 1977

To the Honorable Mayor

and Members of the Council

Gentlemen:

In accordance with your order of April 11, 1977, I am submitting herewith a special assessment Roll No. 262, based on estimated cost, for the purpose of constructing sewers as follows:

Storm sewer, Sanitary sewer and Leads, Curb and Gutter and Sidewalks in those areas where these improvements do not already exist, on W. Miller Road from Logan Street east to Marywood Avenue.

To Be Assessed	$ 61,926.89
City Share	357,504.33
TOTAL	$419,431.22

Respectfully submitted,

PAUL S. CREEVY,
City Assessor.

Received and placed on file.

DATE: 4-14-77

TO: Lansing City Council

FROM: James W. Dowsett, Director of Finance

SUBJECT: Delinquent Sewer Service Charges

In accordance with Section 15.4 of the Lansing City Charter I hereby certify that the attached, to the best of my knowledge, is a true copy of sewer service charges which on the 31st day of March have been delinquent 3 months or more including the tax number of the premises within the City of Lansing to which said services have been rendered, and the amount of the delinquent charges against such premises which are to be placed on the next tax roll for collection.

These delinquencies totaling $18,861.34 represent unpaid charges for the period of service of December 30, 1975 through July 31, 1976. Those charges paid by May 31st will not be placed on the tax roll.

Also, on this agenda is a resolution from Committee on Finance ordering the City Clerk to publish the appropriate notice in The State Journal.

JAMES W. DOWSETT,
Director of Finance.

Received and placed on file.

April 14, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a Change Order submitted for the Superior Electric of Lansing, Inc., on the Washington Square Annex, increasing the amount of the contract by $1,317.66, due to additional work not covered by the contract and requested by the City.

We would recommend approval of this Change Order.

Respectfully submitted,

SAM CLAY,
Property Manager,

RAY DWYER,
Electrical Inspector,
Building Department.

Referred to Committee on Buildings and Properties.

April 14, 1977

Honorable Mayor Gerald W. Graves and

Members of the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

Subject: BILD property located at 1213 Hyland

Attached hereto you will find a copy of an excuted Offer to Purchase received through LaNoble Realty Company for property owned by BILD located at 1213 Hyland. Please note that the offer is for the full price requested and is subject to the prospective purchaser obtaining an FHA insured mortgage. The prospective purchaser has filed a mortgage application and preliminary indications on financing appear to be favorable.

Pursuant to Section 4 of the contract between BILD and the City of Lansing,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

approved by resolution of the City Council on March 28, 1977, it is necessary for the Lansing City Council to approve this proposed sale of property. The proceeds of any approved sale shall be held by BILD and used only for activities related to Capitol Commons, and such use must again have the prior approval of the City Council. Any proceeds not used by the end of the subject contract shall become the property of the City of Lansing.

Because of the above, and because it is, in my opinion, in the best interests of both BILD and the City of Lansing to dispose of this property, I recommend that the Lansing City Council approve this proposed sale. I would be pleased to provide whatever additional details that might be desired to the appropriate Council Committee.

Respectfully submitted,

RONALD G. STONEHOUSE,
Housing and Redevelopment
Director.

Referred to Committee on Buildings and Properties and Committe on Community Development.

April 14, 1977

Honorable Mayor and Members

of City Council:

Mr. Douglas Finley, Director of Lansing's Parks and Recreation Department, recently took a stand on Children's sports that has become somewhat controversial. I happen to agree totally with Mr. Finley's actions.

I have been connected with children's sports in Lansing and Detroit for the past twelve years. I have been a coach, an umpire/referee and an interested spectator. I have seen children ridiculed, booed, and humiliated by adults who should have better sense. I have seen adults actually get into a fight over a happening in one of these children's games. I have seen coaches ridicule or not play children who had not yet mastered the fine points of whatever game they were playing.

Some children take longer to learn the basic skills of any sport than others do. This does not, however, mean that they will not become proficient, given the opportunity and someone willing to help them. The emphasis of children's sports should be placed on teaching the children how to play the game and the importance of teamwork. The only way a child can learn to play a sport is by plaing it. Sitting on the bench or playing a token inning or minute will not help.

It is important that we take the emphasis off winning at this stage and place it on the children. The best way for people to learn what teamwork means is to allow all members of that team an equal opportunity to contribute. The more advanced players will probably learn more from Mr. Finley's approach than they will under the present approach, also, with less pressure.

I totally support Mr. Finley in this matter and trust, with your combined wisdom, that you will, too.

Thank you.

Sincerely,

JOHN SALMONS.

Referred to Committee on Parks and Recreation.

April 12, 1977

P-6-77

Webster Farms No. 4

Honorable Mayor and Members

of City Council:

The Lansing Planning Board will hold a public hearing on Tuesday, May 3, 1977, at 7:30 p.m. in City Council Chambers, 10th Floor, City Hall, Lansing, Michigan, to consider the proposed subdivision plat known as Webster Farms No. 4. This is not a matter of rezoning.

The proposed plat is located south of Pollard Road and southwest of Selfridge Boulevard. Access will be gained via the proposed extension of Piper Avenue and Pollard Road.

The proposed plat contains a total of 4.6 acres to be subdivided into twenty-two (22) single family lots. The property is zoned "A-1" Single Family Residential District. The proposed lots will contain areas varying from approximately 6,000 square feet to approximately 10,800 square feet each. The proposed net density is approximately 5 dwelling units per acre. Plans for this proposed development are on file in the Planning Department for your review.

This notice is in accord with Section 87-8(2) of the Subdivision Ordinance. You are cordially invited to attend this hearing.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Received and placed on file.

April 21, 1977

Members of Lansing City Council

Gentlemen:

Attached is a request from WJIM—Gross Telecasting, Inc., for permission to park

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

a radio remote trailer in front of Added Touch Kitchen & Bath (1136 N. Washington) on Wednesday, Thursday, and Friday, April 20-22, 1977.

I recommend permission be granted subject to making arrangements with the Parking Supervisor for capping the meters and reimbursement to the City for revenue lost therefrom.

Respectfully yours,

RICHARD J. BAKER,
Councilman-at-Large.

By Councilman Belen—

That we concur in the request under past practices and that arrangement be made with the Parking Supervisor for capping of meters and reimbursement for revenue lost therefrom.

Carried.

April 21, 1977

Members of Lansing City Council

Gentlemen:

Attached is a request from WITL for permission to park a remote broadcast trailer in front of Jury-Rowe's Downtown Store at 112 West Michigan on Tuesday, April 19, 1977.

I recommend permission be granted subject to arrangements being made with the Parking Supervisor to cap the second and third parking meters on the north side of West Michigan Avenue, east of the City Hall basement entrance, and reimbursement to the City for revenue lost from the capped meters.

Respectfully yours,

RICHARD J. BAKER,
Councilman-at-Large.

By Councilman Belen—

That we concur in the request under past practices and that arrangement be made with the Parking Supervisor for capping of meters and reimbursement for revenue lost therefrom.

Carried.

April 13, 1977

Miss Theo Fulton, City Clerk

City of Lansing

City Hall—9th Floor

Lansing, Michigan 48933

Re: Proposed City Charter

Dear Miss Fulton:

On behalf of the Lansing Charter Commission, I hand you herewith the proposed new City Charter to be submitted to the voters on the June 13th election.

As you know the Charter Commission has made a number of modifications in the draft that was presented to the voters last fall. Accordingly the document being submitted is in two parts, first a copy of the last Novembers printed charter with changed sections crossed out plus a typed copy of the language being substituted. The two together complete the proposed new Charter for the June 13th submission.

I would like to take this opportunity on behalf of each of the members of the Lansing Charter Commission to express our thanks to you for your many courtesies and assistances during the Commission's existence.

Sincerely yours,

THOMAS C. WALSH,
Chairperson.

Referred to Committee of the Whole and City Clerk.

RESOLUTIONS

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan Department of Natural Resources advised the Board of Water and Light in January 1976 that the Aurelius Road Lime retention basins may be in violation of the Floodway Encroachment Act, and

Whereas, the Aurelius operation is a critical part of the Board's water treatment facilities and it is imperative that a permit be obtained from the DNR so as to continue operation, and

Whereas, in order to be issued this permit the Board of Water and Light must obtain easements or agreements to insure the maintenance or sufficient floodway on the opposite side of Red Cedar River from the lime retention basins, and

Whereas, property involved includes Crego Park for which there are no plans to "construct or place permanent structures" in the floodway as prohibited by the DNR, and

Whereas, this agreement will remain valid until the Aurelius Road lime retention basins are phased out as now being planned by the Board of Water and Light,

Now, Therefore, Be It Resolved, following approval as to form by the City Attorney, the Mayor and Clerk are authorized to sign the agreement with the Department of Natural Resources limiting development in the floodway of Crego Park.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the proposed Lease between the City of Lansing Civic Center and Convention Bureau of Greater Lansing for premises described as:

1709 sq. ft. office space, 3rd floor, Civic Center Office Building, west side of corridor,

be accepted subject to the City Attorney's approval as to form, and

That the Mayor and City Clerk be authorized to sign said Lease.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That Councilman Terry J. McKane be and he is hereby appointed as the City Council's representative to the Municipal Development Team.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, Senior Citizens in the Greater Lansing Area have acknowledged the contributions of Sue W. Price as an advocate for the causes of the elderly; and

Whereas, such tribute was paid at a Special Birthday Breakfast; and

Whereas, the civic contributions of Ms. Price have far exceeded her job responsibilities as a Project Manager in Model Cities and currently in the Human Resources Department; and

Whereas, her services have ranged from organizing bridge clubs and bowling teams for Senior Citizens, at her own personal expense, to having an active role in the Voluntary Action Center; and

Whereas, she has participated as a member of the County Senior Power Task Force, organizer of the Senior Citizen's Advocacy Board, member of the Board of Directors of the Greater Lansing Visiting Nurses Association, member of the Ingham County Equal Opportunity Committee, Volunteer to Lansing Boy Scouts, and the Ingham County Jail, as well as President of the Laymen's Guild of St. Matthew A.M.E. Church; and

Whereas, such outstanding service to the community and mankind has been lauded by a Special Tribute Citation from the State of Michigan, sponsored by Senator Earl E. Nelson and Representative David C. Hollister; and

Whereas, the City of Lansing wishes to recognize and commend its employes involved in such dedicated community services;

Now, Therefore, Be It Resolved, that the City of Lansing hereby offers this commendation and our sincere appreciation to Sue W. Price for her dedicated service to the people of Lansing, and our congratulations to her for receiving a Special Tribute Citation from the State of Michigan.

Adopted by the following vote:

Unanimously.

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, Mrs. Hattie Houston, better known to most people as "Mother Houston," has been a major force in initiating program and services for Senior Citizens in the Greater Lansing area; and

Whereas, Mother Houston's efforts first as a member of Model Cities Social Task Force, later chairing a special task force to develop programs for Senior Citizens, which evolved into Lansing Senior Citizens, Inc.; and

Whereas, this led the elected officials of the City of Lansing to create an Office in Aging, which is now the Tri-County Office of Aging with Mother Houston a member of its advisory board; and

Whereas, as a member of the Michigan Senior Citizens Task Force and a senior advocate, she has had direct and personal conferences with the Governor, Legislative Officials as well as the elected city officials of Lansing;

Now, Therefore, Be It Resolved, that we, the Mayor and Lansing City Council, do commend Mother Houston for her unselfish contributions to and for our Senior Citizens; and

Be It Further Resolved, that we proclaim Sunday, April 24, 1977, as "Mother Houston Day" in Lansing in her honor and as a thank you for a job well done.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, The Community Hunger Appeal of Church World Service—CROP—is an organization with a mission for humanity, and has been in existence for the past 30 years helping to alleviate problems of the poor and hungry in this country and throughout the world, raising over $5 million toward this cause; and

Whereas, The Greater Lansing CROP Hunger Task Force, an area chapter of the National organization, is an interdenominational gathering of people who have joined forces to provide assistance and raise donations to help fight hunger; and

Whereas, The Greater Lansing CROP Hunger Task Force is planning a 10 mile walk on May 22 to demonstrate its commitment to helping hunger stricken people of our community and country; the walk is scheduled to start and end at Christ United Methodist Church located at 417 W. Jolly Road; and

Whereas, during the 10 mile journey people will be walking with the traffic on sidewalks, carrying signs or banners designating the walk as a CROP walk for hunger. There will be no form of solicitation during the walk; all walkers accept financial contributions prior to the event:

Now, Therefore, Be It Resolved, that the Lansing City Council supports the purpose of the 10 mile walk for hunger and urges the citizens of Lansing to make advance donations toward this virtuous cause; and

Be It Finally Resolved, that the Mayor and City Council of the City of Lansing commend the Community Hunger Appeal of Church World Service for its meritorious goals and present a copy of this resolution to the Greater Lansing CROP Hunger Task Force.

By Councilman Adado (Blair)—

That the resolution be amended as follows:

In the 5th paragraph, 2nd line, place a comma after the word "and" and delete the balance of the sentence.

Carried.

The resoution as amended was adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, Greater Lansing Youth for Christ, an organization funded exclusively by charitable contributions, is designed to offer guidance and counseling to young people of Christian and non-Christian orientation; and

Whereas, The Campus Life Division of Greater Lansing Youth for Christ is sponsoring a WE CARE DAY work-a-thon on Saturday, April 23, 1977; and

Whereas, the purpose of the work-a-thon is to have young people perform specific assignments for residents in the community for a fund donation, with a percentage of all monies collected to be credited to the youth for their participation in various trips and events that have been planned through the organization;

Now, Therefore, Be It Resolved, that the Lansing City Council gives due praise to the youth and community participants of the WE CARE DAY work-a-thon and concurs with the Mayor in saluting the Greater Lansing Youth for Christ organization during the period of April 23 through May 1; and

Be It Finally Resolved, that a copy of this resolution be presented to Richard E. Epps, Executive Director for Greater Lansing Youth for Christ.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the action of the Charter Commission in setting the election on the adoption of the proposed charter for June 13, 1977, is hereby confirmed; and

Be It Further Resolved, that such election is hereby ordered to be held on said date and the question submitted at such election in the manner stated in sections 9-401 and 9-402 of the proposed charter.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Adado—1.

By Councilman McKane—

That the following resolution be offered as a substitute for the one that was placed on the agenda.

Carried.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

That in accordance with Section 15.4(c) of the Lansing City Charter the City Clerk is hereby authorized and directed to publish a notice that sewerage service charges which on the 31st day of March, 1977, have remained unpaid for a period of three months or more as reported by the City Controller, shall if not paid by April 30, 1977, be assessed upon the City's tax roll against the premises to which such utility services were supplied or furnished and collected in the same manner as city taxes.

Adopted by the following vote:

Unanimously.

Recessed at 8:05; reconvened at 8:10.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the Legislature has passed and the Governor has signed into law Acts 394, 395, 396, 397, and 398 of the Public Acts of 1976, regulating the licensure of foster care facilities for six or less individuals, and

Whereas, Acts 396, 397, and 398 treat such foster care facilities as residential dwellings and provide guidelines for local governments to protest the licensing of such facilities, and

Whereas, the Lansing Planning Board at its meeting of April 5, 1977, recommended that the attached local review process be adopted by City Council, and

Whereas, the Planning Committee of City Council concurs with the recommendation of the Planning Board.

Now, Therefore, Be It Resolved, that the attached review process is adopted and will be utilized in all cases involving granting, suspension, or revocation of licenses under the authority of Acts 396, 397, and 398 of the Public Acts of 1976.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties and Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has continued to contract for Design Services from the Community Design Center since November, 1970; and

Whereas, the City of Lansing has continued to contract for financial counseling and consumer counseling through Housing Assistance Foundation since November, 1970; and

Whereas, housing for these two service agencies and other service agencies who contract with the City has been both expensive and difficult to find; and

Whereas, it would be in the City's best interest and to the advantage of the City to have a facility specifically designed as a Community Service Center to house subgrantees of the City.

Now, Therefore, Be It Resolved, that an ad hoc committee consisting of the Federal Program Co-ordinator, the Housing and Redevelopment Director, the Human Resources Director, the Executive Assistant to the Mayor for C.D. and the C.D. Fiscal Officer, be created to study the feasibility of creating a Community Services Center:

And Be It Further Resolved, that this committee should report back to City Council by May 23, 1977, with a report consisting of location alternatives, funding alternatives, and a projection of benefits to be derived from each alternative.

By Councilman Baker (Hull)—

That the resolution be amended as follows: that in paragraph 5—line 4, after the word "Officer" the words "or their designees" be inserted.

Carried.

The resolution as amended was adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Blair—1.

By Councilmen Gunther, Brenke, Belen—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Metropolitan area needs runway extension at the Capital City Airport for increased safety both for the traveling public and for the aircraft now used in the scheduled operations for the area; and

Whereas, it is necessary that the Capital City Airport have the ability to accept the larger more powerful aircraft now under necessity using neighboring facilities; and

Whereas, saving of energy is so critical to all peoples, this will eliminate the need for the public to travel by car to the metropolitan areas for schedules not available locally; and

Whereas, presently Capital City Airport is serving 365,000 individuals annually with an approximate annual passenger wise growth of 10%; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the Capital City Airport serves a well balanced clientele created by the Michigan State University, Lansing, the State Capital, General Motors' Oldsmobile and Fisher Divisions, as well as numerous allied and other industries and services;

Now, Therefore, Be It Resolved, that the Mayor and Lansing City Council do endorse the Capitol Regional Airport Authority's Plan for the Federal Aviation Administration's inclusion in the National Airport System Plan, and

Be It Further Resolved, that in behalf of local education, government, industry and commerce as well as the Lansing Metropolitan citizens, we request that the Federal Aviation Administration reconsider and approve their participation in the runway extension so sorely needed to maintain and increase the required services at the Capital City Airport, and

Be It Finally Resolved, that this resolution be forwarded to the Federal Aviation Administration, United Airlines, North Central Airlines, Senator Donald R. Riegle, Senator Robert P. Griffin, and Congressman M. Robert Carr.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Be It Resolved, that we concur in the recommendation of attorney Dan E. Hankins that the case of Baker v City of Lansing, et al, Ingham County Circuit Court Number 76-18744-CZ, be appealed to the Michigan Court of Appeals.

By Councilman Blair—

That Councilman Baker be allowed to abstain from voting.

Carried.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

P-1-77

Bemark Subdivision No. 1

Preliminary Plat

Whereas, the preliminary plat of Bemark Subdivision No. 1 has been submitted for tentative approval; and

Whereas, the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council tentatively approve the preliminary plat, subject to conditions; and

Whereas, the Planning Committee of Council reviewed the report of the Planning Board and concurs therewith;

Now, Therefore, Be It Resolved, that the preliminary plat of Bemark Subdivision No. 1 is hereby tentatively approved subject to the following conditions;

1. That the final plat be developed with all public improvements as required by the City of Lansing Subdivision Regulations and the Michigan State Plat Act,
2. That all lots shall be graded so surface water will run therefrom so as not to adversely affect adjacent properties,
3. That the necessary easements be shown on the plat in accord with the requirements of the Board of Water and Light and other public utilities.
4. That street trees be planted on all public streets and a permit therefore be obtained from the Department of Parks and Recreation prior to the planting,
5. That the requirements of all other reporting agencies be complied therewith, and
6. That this is tentative and shall expire after a period of twelve (12) months.

Be It Further Resolved, that the City Clerk be, and she is hereby, directed to attach this approval to the plat and return it to the Proprietor.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

P-2-77

Bemark Subdivision No. 2

Preliminary Plat

Whereas, the preliminary plat of Bemark Subdivision No. 2 has been submitted for tentative approval; and

Whereas, the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council tentatively approve the preliminary plat, subject to conditions; and

Whereas, the Planning Committee of Council reviewed the report of the Planning Board and concurs therewith;

Now, Therefore, Be It Resolved, that the preliminary plat of Bemark Subdivision No. 2 is hereby tentatively approved subject to the following conditions:

1. That the final plat be developed with all public improvements as required by the City of Lansing Subdivision Regulations and the Michigan State Plat Act,
2. That all lots shall be graded so surface water will run therefrom so as not to adversely affect adjacent properties.
3. That the necessary easements be shown on the plat in accord with the requirements of the Board of Water and Light and other public utilities,
4. That street trees be planted on all public streets and a permit therefore be obtained from the Department of Parks and Recreation prior to the planting,
5. That the requirements of all other reporting agencies be complied therewith, and
6. That this is tentative and shall expire after a period of twelve (12) months.

Be It Further Resolved, that the City Clerk be, and she is hereby, directed to attach this approval to the plat and return it to the Proprietor.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

ACT 2-77

Whereas, the Traffic Department of the City of Lansing has proposed the closing of River Street by construction a cul-de-sac

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

north of Lenawee Street and changing Cherry Street from one way to two way; and

Wheras, the Traffic Board, Planning Board and Public Service Board have reviewed and approved this proposal; and

Whereas, the Planning Board also recommended the following additional provisions:

1. That the cul-de-sac project be included as a portion of the Kalamazoo Street Bridge contract to assure funding,
2. That the cul-de-sac be designed to stay within the existing right-of-way.
3. That a pedestrian/bicycle access to the planned riverfront hiking/biking path and to the interior to the neighborhood be retained.
4. That the closing of River Street for the cul-de-sac be phased to occur at the same time Cherry becomes a two-way street and the Kalamazoo Street Bridge is closed. This will discourage detour traffic from cuttitng through the neighborhood.
5. That the vacated street (River) be dedicated for a park addition which will maintain the necessary utility easements and sidewalks.
6. That the existing trees will be protected or replaced if necssary, and that additional trees and landscaping will be provided in large park areas with input from the Cherry Hill Neighborhood Association,
7. That a left turn be permitted at the intersection of Main and Washington Streets to allow neighborhood residents access to the east while Kalamazoo Street Bridge is closed,
8. That the barriers at the end of the cul-de-sac be designed aesthetically and preferably non-metallic. The selection of such barriers should include input from the Cherry Hill Neighborhood Association, and
9. That Mr. Gomery from the Acme Bedding Company be allowed to maintain access to the east end of his building by way of a curb cut into the cul-de-sac, so that he does not have to drive around the block to reach his loading dock; and

Whereas, the closing of River Street will eliminate a hazardous intersection; and

Whereas, including this proposal in the Kalamazoo Street Bridge project will assure funding for the cul-de-sac; and

Whereas, the Planning Committee and Public Service and Highways Committee have reviewed the reports of the Planning Board, Public Service Board, and Traffic Board and concur therewith;

Now, Therefore, Be It Resolved, that the Council of the City of Lansing ordains that the request to close River Street by constructing a cul-de-sac north of Lenawee Street, changing Cherry Street from one way to two way and adopting the recommendations of the Planning Board be approved.

By Councilman Baker—

That the resolution be amended as follows:

In Provision No. 2—strike out the words "right-of-way" and insert the words "city owned property."

Carried.

That provision No. 7 be deleted.

Carried.

In Paragraph No. 6—after the "Public Service and Highways Committee" insert "Public Safety Committee."

Carried.

The resolution as amended was adopted by tne following vote:

Unanimously.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-13-77—1321 West Holmes Road

be rezoned from "A" One Family Residence District to "D-1" Professional Office District and the "Map" be changed to indicate such transfer;

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Rsolved Further, tht such hearing shall be held at the Council Chamber in the City Hall on the 9th day of May, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

REPORTS OF CITY OFFICERS AND BOARDS

City Treasurer submits report on condition of funds in the treasury as of March 31, 1977.

Received and placed on file.

April 12, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Michele E. Bair in the amount of $87.18 for damage to gasoline tank of her automobile due to vehicle hitting chuck hole at Ionia and Chestnut Streets

Dear Mayor and Council:

The above claim has been reviewed by this office and the Public Service Department.

The chuck holes causing said damage are a relatively common occurance at this time of year, apparently due to weather changes.

The City had no prior knowledge of the defect in the street, nor is there any evidence that the City should have known of the defect. Therefore, it is the recommendation of this office that the claim of Michele E. Bair be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

April 21, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Robert E. Pompey for damage to tire from gutter drain in the amout of $69.78

Dear Mayor and Council:

The above claim has been reviewed by this office and the Department of Public Service.

Claimant's tire was allegedly damaged when his wheel drove over a broken portion of a gutter drain. The claimant reported the damage a week after the incident.

Public Service maintenance personnel concluded that no tire damage could have resulted unless the tire was driven up and over the curb. The defect has been repaired. However, there is no evidence to show that the City knew or should have known of the defect at the time of the accident.

Since it appears claimant was allegedly contributarily negligent and the City is immune without prior notice, it is the opinion of this office that the claim be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Adado—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

April 21, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Neil Dukes for damages incurred when parking lot gate at Civic Center came down on top of his vehicle

Dear Mayor and Council:

In a recent conference with Melody Raeder, Civic Center staff member, the damage to Mr. Dukes' truck was verified.

Ms. Raeder indicated that the gate electronic device frequently fails to detect vehicles resting higher off ground level than an ordinary automobile (i.e., pick up truck, camper). Since the City was on notice of the defect, statutory immunity is inapplicable.

As a result, I am recommending that this claim be paid in the amount of $29.78.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $29.78 payable to Niel Dukes.

Carried.

April 21, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of August Giachetti for damages incurred when parking lot gate at Civic Center came down on top of his vehicle

Dear Mayor and Council:

In a recent conversation with Melody Raeder, Civic Center staff member, the damage to Mr. Giachetti's automobile was verified.

Ms. Raeder indicated that at the time of the mishap the gate in question was malfunctioning. Since the City was on notice of the defect, statutory immunity does not apply.

As a result, I am recommending that this claim be paid in the amount of $30.12.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $30.12 payable to August Giachetti.

Carried.

April 21, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

On September 8, 1975 the Council authorized the institution of civil proceedings to abate the zoning violations at 3436 North East Street, 3506 North East Street and 304 Harris Street, Lansing, Michigan. The commercial and residential properties, respectively, were being used to store a large number of unlicensed and inoperable motor vehicles. Civil action 76-19251 was commenced against Leslie Dean.

Mr. Dean has allegedly continued to use these properties as junk yards in violation of the Code of the City of Lansing.

Mr. Dean, through his attorney James Hovey is willing to stipulate to a consent judgment in this matter and to stipulate to a permanent injunction which will prohibit Mr. Dean from maintaining more than two (2) unlicensed or inoperable motor vehicles on the premises outside a completely enclosed structure. This would be in accord with current zoning ordinances.

I recommend that the City Council authorize this office to enter into a stipulated agreement of consent judgment with Mr. Dean that will effectuate the foregoing and provide for a dismissal of the case without costs to either party.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Baker—

That we concur in the City Attorney's opinion.

Carried.

April 22, 1977

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: City of Lansing v Richard T. Smith et al, File No. 75-13182-AZ

Dear Mayor and Council:

On September 15, 1975, the Lansing City Council authorized this office to proceed

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

with a Circuit Court action to abate an alleged zoning ordinance violation at 4008 Clayborn Street consisting of the storage of motor vehicles and other items in an area zoned A one-family residential.

Subsequently, on December 19, 1975, a Consent Judgment and Order was issued by the Ingham County Circuit Court which, among other things, barred the defendants from bringing onto or allowing to remain on the premises at 4008 Clayborn more than four (4) unlicensed or inoperable motor vehicles outside of a completely enclosed building.

The Planning Department has brought to the attention of this office certain information which discloses that defendants are in apparent violation of the Circuit Court Order. Acting as officers of the Court, this office is obligated to bring to the attention of the Circuit Court alleged violations of its Orders.

The purpose of this letter is to inform you, as a result of the information provided by the Planning Department, that this office will be scheduling a hearing in this matter before the Circuit Court to determine whether or not the defendants are in violation of the Circuit Court's prior Order and consequently are in contempt of the Court.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That the City Attorney be given permission to continue in the case as noted in his letter.

Carried.

April 15, 1977

To the Honorable Mayor

and Members of the Council

Gentlemen:

In accordance with your order of February 28, 1977, I am submitting herewith a special assessment Roll No. 261, based on estimated cost, for the purpose of storm and sanitary sewer separation for N.D.A. No. 2 (East side) in the following streets:

On S. Holmes St. from GTRR to Main St.; On Bensch St. from Main St. to 165 ft. S. of Gray St.; On Dakin St. from Main St. to 165 ft. S. of Gray St.; On McCullough St. from Main St. to 165 ft. S. of Gray St.; On Gray St. from Holmes St. to McCullough St.; On Lathrop St. from GTRR to 140 ft. N. of Walsh St. On Walsh St. from Holmes St. to McCullough St.; On Perkins St. from Holmes St. to McCullough St.

To Be Assessed	$171,237.41
City Share	104,448.43
	$275,685.84

Respectfully submitted,

MARION K. HAHN,
Deputy Assessor.

Received and placed on file.

April 25, 1977

Chairman Lucile Belen

and Members

City Affairs Committee

Lansing City Council

Gentlemen:

Attached is an application for a parade permit for the Capitol Chapter, National Foundation March of Dimes, scheduled for 8:00 A.M. on Sunday, May 1, 1977.

You will note, this application has been approved by all the necessary department heads.

Our Traffic personnel estimate this parade will cost the City a total of $175.22, which represents three officers and three motorcycles for four hours.

This is being forwarded to you for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Belen—

That permission be granted to hold the parade inasmuch as it has been signed by the necessary Department heads and I recommend the parade be under the supervision of the Lansing Police Department.

Carried.

April 21, 1977

Mayor Graves and Members of

the City Council

10th floor—City Hall

Lansing, Michigan 48933

Gentlemen:

Attached please find copy of a letter I received from Governor Wm. G. Milliken on approval of the proposed city charter for submission to the voters.

Sincerely,

(Miss) THEO FULTON,
City Clerk.

Received and placed on file.

April 21, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a proposed Engineering Agreement between Snell Environmental Group, Inc., and the City of Lansing to

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

provide project supervision and construction engineering for the East Side Community Development H.U.D. project. The East-side boundaries are, Main Street — North, Railroad — South, Holmes St. — West and Lathrop St. — East.

We would recommend approval of this Engineering Agreement.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service,

ORRIN SHARP,
Director of Community Development.

Referred to Committee on Community Development.

April 21, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 10, submitted for the Clark Construction Company, Inc., on the Wastewater Treatment Plant Additions, contract No. 72-S-2(R), EPA No. C262041, increasing the amount of the contract by $1,940.00, due to additional labor, material and equipment as listed.

I would recommend approval of this Change Order.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Change Order No. 10, submitted for the Clark Construction Company, Inc., on the Wastewater Treatment Plant Additions, contract No. 72-S-2(R), increasing the amount of the contract by $1,940.00, due to additional labor, material and equipment, reports as follows:

We concur with the recommendation of the Director of Public Service.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service and Highways.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

April 20, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 5, submitted for the P.H.I. Construction Co. on the East Side Fire Station, P.S. 27031, increasing the amount of the contract by $5,519.00, due to additional work required.

I would recommend approval of this Change Order No. 5.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred the Change Order No. 5, submitted for the P.H.I. Construction Co. on the East Side Fire Station, P.S. 27031, increasing the amount of the contract by $5,519.00, due to additional work required, reports as follows:

We concur with the recommendation of the Director of Public Service.

Signed:

ROBERT J. HULL,
JAMES D. BLAIR,
LOUIS F. ADADO,
Committee on Buildings and Properties.

By Councilman Hull—

Committee on Public Service and Highways.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

April 21, 1977

ACT-3-77

Sale of Paulson Property

Honorable Mayor and Members of City

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of April 19, 1977, considered the proposal to sell the Paulson Property. This proposal was approved by popular vote on the November 2, 1976 ballot. A review under Act 285 of Public Acts of 1931 considered the location, character and extent of the value of the property as a park (a copy of that report is attached).

The report was accepted by a unanimous vote and is hereby transmitted for your consideration. The Board further pointed out that any use of the land other than those permitted in the "A-1" Family Residential District will require review and approval by the Planning Board and City Council (i.e., if the purchaser of this site intends to use the property for a mining operation and filling at a later date, a Special Use Permit is required).

If you desire additional information on this report, please contact Ms. Schutz or myself.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

April 21, 1977

ACT-7-77

Walsh Park Improvements

Mayor Gerald W. Graves

and City Council

City of Lansing

City Hall

Lansing, Michigan 48933

Honorable Mayor and

Members of City Council:

The Planning Board at their regular meeting of April 19, 1977, considered the proposal to make site design and equipment improvements in Walsh Park. This proposal was formulated as part of the Community Development Peripheral Improvements Program and initiated at the request of the Citizens District Council No. 2. A review under Act 285 of P.A. 1931 considered the location, character and extent of the improvements (a copy of the report is attached).

The renovation plan was approved by the Board by a vote of 8 yeas and 0 nays, with the exception of the east/west circulation route which the Board felt should be deleted from the plan. The Board believes that the concept of improving Walsh Park would be a positive incentive to homeowners in the NDA No. 2 and the adjacent neighborhood to participate in the housing rehabilitation activities of the program.

If you desire any additional information regarding this program, please contact Mrs. Randolph of my staff or myself.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Parks and Recreation.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

April 21, 1977

Mayor Gerald W. Graves and City Council

City of Lansing

City Hall

Lansing, Michigan 48933

Honorable Mayor and

Members of City Council:

The Planning Board at their regular meeting of April 19, 1977, considered a position paper regarding the proposed incorporation of Lansing and Delta Townships to form a new city of Waverly. The Board in the belief that the proposed incorporation will have adverse impacts on the city of Lansing forward for your consideration the attached position paper describing the effects of the incorporation on the city of Lansing and its provision of urban services.

The Planning Board specifically recommends that the Mayor and City Council adopt the following position and submit it, along with the attached position paper, to the State Boundary Commission:

1. The City of Lansing opposes the incorporation proposal of Lansing and Delta Townships to establish a new City. Lansing is particularly opposed to the incorporation of the west portion of Lansing Township into a new city. The incorporation would result in further fragmentation of services to the residents of the remaining portion of Lansing Township.
2. In the event a decision is made to proceed with the incorporation of the new city as proposed, then the State Boundary Commission should consider the consolidation of the remaining portions of Lansing Township with the City of Lansing. Also, the southeast portion of Delta Township bounded by Jolly Road, Waverly Road and the Grand River, should be considered for consolidation with the City of Lansing.

In the event the Boundary Commission decides not to proceed with the consolidation, the Planning Board believes that ample reasons exist for the Mayor and City Council to initiate negotiations with Delta Township officials on the possible annexation of the southeast portion of the Township, described above, to the City of Lansing.

If you have any questions on this subject, please contact me.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

April 21, 1977

Z-6-75a

2400 block Newark

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of April 19, 1977, recommended that the request by Roy Markey to rezone property located in the 2400 block of Newark, more particularly described as Lots 7 and 8 of Webster Farms No. 2, from an "A-1" Family Residential District to a "C-2" Family Residential District be approved. The proposed change would allow the construction of two (2) duplexes; one (1) on each lot.

The Board believes that the two family zoning on this property will provide the necessary transition in density from the higher density duplex complex, located adjacent to the west, and the single family development to the east. The Board would further point out that this change should not be considered as establishing a precedent for further penetration into the one family area.

This recommendation is made by a unanimous vote of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

April 21, 1977

Z-6-77

1035 Lathrop and 1511 Walsh

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of April 19, 1977, recommended that the petition initiated by the Lansing City Council for the purpose of changing the zoning at 1035 Lathrop and 1511 Walsh streets from "F" Commercial District to a "B-1" Family Residential District be approved. The proposed change would bring the zoning and land use into conformance with the Neighborhood Development Area No. 2 Physical Development Plan.

The Board found that 1035 Lathrop was not being used for commercial purposes, nor was the tax assessment based on a commercial use or zoning. The Board believes that it is necessary to change this zoning back to a residential district to assure stability in the residential area and discourage the encroachment of commercial uses which would be detrimental to the overall residential development.

The Board found that 1511 Walsh has a commercial type building, which has been used for storage. It was also found that if this is proposed for a more intense commercial development, it would be difficult, if not impossible, to provide for adequate off-street parking. It should be understood, that any non-conforming status of this site is allowed and that this change of zoning is recommended to discourage the expansion and continuation of the non-residential uses.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The Board has recommended the extension of sidewalk along the north side of Walsh Park, which will serve as a pedestrian access. The Board believes that this is further reason to discourage commercial development in the vicinity.

This recommendation received unanimous support of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

April 21, 1977

Z-9-77

809 West Holmes Road

Honorable Mayor and

Members of City Council:

The Planning Board, at their April 19, 1977 meeting, recommended that the petition initiated by the Lansing City Council to change the zoning of 809 West Holmes Road from an "A-1" Single Family Residential District to an "F" Commercial District be approved. The proposed change would allow the land to be sold and used by the land owner adjacent to the east of this site.

The Board believes that the change of zoning would allow reasonable expansion of an existing commercial facility without seriously affecting adjacent properties. The Board further recommends that the necessary fencing and screening be provided along the south property line of the parcel in question and also along the south property line of the property to the east, which is owned by Danford Cleaners. It is furtheir recommended that permanent wheel stops be provided within the parking area so as to prohibit vehicular encroachment over the adjacent land and the public right-of-way.

This recommendation was by unanimous vote of the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

Honorable Mayor Gerald W. Graves,

Mayor Pro-Tem William A. Brenke

Members of the Lansing City Council

Tenth Floor, City Hall

Lansing, MI 48933

Dear Mayor Graves, Mayor Pro-Tem Brenke, and Council Members:

Walsh Park has the potential to become a major recreational resource serving Neighborhood Development Area No. 2 NDA No. 2) and its immediate vicinity. Because of the relative isolation of this neighborhood, the improvement of Walsh Park as a recreational facility cannot be overemphasized.

The Citizens' District Council for NDA No. 2 asked the Lansing Planning and Parks Departments to study the problems of Walsh Park and prepare recommendations to improve the park. On February 15, 1977, the Citizens' District Council No. 2 endorsed the recommendations from these departments for improving the park. These recommendations call for redesigning the activity areas for families and all age groups by providing new equipment, constructing sidewalks, installing lighting and providing fencing. These improvements are necessary to support a wide variety of activities and to increase park use by all age groups.

As part of the City's housing containment strategy, adopted by the City as part of the overall Community Development policy, funding was made available to upgrade the public facilities in areas surrounding the NDAs. Since Walsh Park is located in Community Development Target Census Tract 21 we are requesting that Community Development Target Area Improvement funds be used to implement these recommendations.

Not only will these improvements change the visual appearance of the entire neighborhood, but also they will demonstrate the City's support of residents trying to rehabilitate the neighborhood.

Sincerely,

FRED LAMB,
Chairman,
Citizens' District Council No. 2

Referred to Committee on Parks and Recreation and Committee on Community Development.

April 21, 1977

Honorable Mayor and

Lansing City Council

Gentlemen:

Submitted herewith is information regarding parades Mr. Dick Christmas suggests be held in honor of President Gerald R. Ford on July 20, 1977. As you will see, Lansing is included and he recommends the City of Lansing hold a parade on that day.

Please give this matter your consideration.

Sincerely,

TERRY J. McKANE,
Councilman—Third Ward.

Referred to Committee on Ordinance and Contracts and City Affairs.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

April 19, 1977

Honorable Gerald Graves, Mayor
and
Councilman Lewis Adado
Councilman Richard Baker
Councilman Lucile Belen
Councilman James Blair
Councilman William Brenke
Councilman Jack Gunther
Councilman Robert Hull
Councilman Terry McKane

Dear Friends:

As you know, the Lansing Charter Commission has now deposited with the City Clerk a proposed new charter for submission to the voters for approval on the June 13, 1977 ballot, the time of the Lansing Community College election.

When Council was considering the Charter Commission budget in January, you simply did not include a publication item in the budget approval and several Council members indicated later that since the cost of the publication was uncertain, the Charter Commission should tie down the actual expenses and advise you at that time.

Having now completed work on the proposed new charter draft, we have received quotations and determined to again handle distribution of the Charter document through the State Journal at a cost of $2,249.00 for distribution only of 37,000 copies and again use the Lansing Labor News for the set-up and printing of the document at a cost of $2,190.50.

The above figures are for a 16 page tabloid at a total cost of $4,439.50. As we get into the set-up of the Charter itself and a shortened commentary, it may be possible to do the material in twelve pages which would represent a reduction in the price indicated above.

We expect to have the tabloid printing of the Proposed Charter available for distribution through the State Journal on Saturday, May 14th and we will have final bills shortly after that time.

In the interim, we had promised you a report on the cost when it had been determined and I am supplying the above information so that the disbursement can be planned appropriately.

Sincerely yours,

For the Charter Commission,
THOMAS C. WALSH,
Chairman.

Referred to Committee on Finance.

April 21, 1977

Honorable Mayor and Members
of the City Council
City Hall
Lansing, Michigan

Gentlemen:

Be advised that in accordance with Chapter 8, Section 8.3 of the City Charter the recommended budget of the Mayor for the Fiscal Year of 1977-1978 together with his supporting schedules and the recommendations of the City Council will become a public record in my office as of this date.

Very truly yours,

THEO FULTON,
City Clerk.

Received and placed on file.

April 21, 1977

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
Tenth Floor—City Hall
Lansing, Michigan

Dear Mayor Pro-Tem
and Council Members:

This office has been advised by Kit Carson that due to business commitments, he is no longer able to serve on the Waterfront Development Board. Therefore, I am submitting the name of Donald Simmons to fill the vacancy on said Board, for your consideration and confirmation, which term expires June 30, 1980.

Donald Simmons is a life-long resident of Lansing and was graduated from Lansing Eastern High School. He also attended several years of college in Washington, D.C., and various union-related courses at Michigan State University. He is a Veteran, having served with the United States Coast Guard during World War II. Mr. Simmons has been employed by the Oldsmobile- Division of General Motors for the past 27 years and serves as shop committeeman for the Bargaining Committee of UAW Local 652. He is a member of UAW 652, the Moose Lodge, the Elks, and is a member and Past Commander of the Olds-Higgins VFW Post.

Mr. Simmons and his wife, Elaine, have one son and reside at 1022 Bensch.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Planning and Committee on Parks and Recreation.

April 25, 1977

Honorable Mayor Pro-Tem and Members
of the Lansing City Council
Tenth Floor—City Hall
Lansing, Michigan

Dear Mayor Pro-Tem
and Council Members:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

This office has been advised by Robert A. Rigotti that he is no longer able to serve on the Traffic Board. Therefore, I am submitting the name of Robert E. Evans to fill the vacancy on said Board, for your consideration and confirmation, which term expires June 30, 1979.

Robert Evans is a life-long resident of Lansing and was graduated from Eastern High School. He attended Lansing Community College in the General Motors Employee In-Training Program for two years and also attended many labor-related courses at Michigan State University. Mr. Evans is a veteran, having served for eight years in the United States Army with various infantry divisions and as Tank Commander with an Armored Division. He has been employed for the past 14 years by the Oldsmobile-Division of General Motors as a skilled tradesman. Mr. Evans is a member of the Eagles, the VFW 701 Morley S. Oates Post, and UAW Local 652. He is Chairman of the Recreation and Conservation Committee of Local 652, Past Recording Secretary of the Skilled Trades Council of Local 652, and has been an alternate committeeman for the past eight years for that local.

Mr. Evans resides with his parents at 301 East Thomas Street.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Public Safety.

April 25, 1977

Honorable Mayor Pro-Tem and

Members of the Lansing City Council

Tenth Floor—City Hall

Lansing, Michigan

Dear Mr. Mayor Pro-Tem

and Council Members:

Attached is a communication from Mr. Joseph A. Frauenheim, President, Bank of Lansing, in which he advises of plans to sponsor a downtown sidewalk art festival. With this is a request for a) parking spaces, and b) food concession permits.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Traffic Engineer, Downtown Mall Committee and Committee on Ordinance and Contracts and City Affairs.

RESOLUTIONS

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the City of Williamston entered into a contract on the 29th day of March, 1977 for a 911 communications system; and

Whereas, the City of Lansing and the City of Williamston have determined to amend said contract, such amendment to benefit the parties hereto; now, therefore

Be It Resolved that the Mayor and the City Clerk be authorized and directed to sign said amendment with the City of Williamston binding the City of Lansing by the terms of the contracts attached hereto, after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed construction agreement between the Michigan State Highway Commission and the City of Lansing for the construction of traffic control and operational betterments and all related work on that portion of Highway M-43 (Grand River Avenue and Saginaw Street) between Clippert Street and Coolidge Street, Control Section MS 33082, Job Number 09967, be approved.

This project will be funded 87.5% by the Michigan State Highway Commission and 12.5% by the City of Lansing. Funds for the City's share will be drawn from Account No. 202-453-612-974.000, and

That the Mayor and City Clerk be authorized to sign this agreement upon certification of the City Controller as to the availability of funds, and after the approval as to form by the City Attorney.

By Councilman Hull—

That this be tabled for one week.

Carried.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, the Highway Safety Act of 1973 (Title II of Public Law 93-87) established programs with specific funding for the implementation of safety improvement pro-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

jects aimed at the elimination or reduction of traffic accidents and the resulting deaths, injuries, and property damage, and

Whereas, Section 203 — Rail-Highway Crossings provides for elimination of hazards at railroad-highway crossing on the Federal-aid system (excluding Interstate System) with Federal funding of 90 percent of project cost, and

Whereas, the Public Service Commission has inspected the railroad crossing of the Consolidated Rail Corporation with West St. Joseph Street in Lansing, Michigan, and has recommended several necessary improvements (see report dated 6/19/73, File No. RR4517), to upgrade the crossing at an estimated total cost of $41,390.00. The estimated Federal Highway Administration participation would be $37,251.00; the City of Lansing participation would be $4,139.00.

Funds for the City's share will be drawn from Account No. 202-453-808-974.000.

Now Therefore, Be It Resolved That the Public Service Director be authorized to make the necessary application with the Michigan Department of State Highways and Transportation for 90% funding of said improvements, prepare necessary plans and specifications and detailed cost estimates for said improvements.

Now Therefore, Be It Further Resolved That, the Mayor and City Clerk be authorized to sign the proposed Contractual Agreement between the City of Lansing and the Michigan State Highway Commission for said improvements upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the appointment of Mrs. Ruth Trowbridge to the Air Pollution Board for a term expiring June, 1977, be confirmed.

Adopted by the following ovte:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the appointment of Sharon K. Daughenbaugh to the Board of Public Service, term expiring June of 1978, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That John Tunrquist and Janette Henderson be appointed as City of Lansing's representatives to serve on Tri-County Regional Planning Commission, term expiring April 30, 1979.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

That the appointment of Fredric S. Abood to the Downtown Development Authority for a term expiring February of 1981, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

That the appointment of Ardis Denise to the Downtown Development Authority for a term expiring February, 1981, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 1544 Ballard St., Lansing, MI; S. 21 ft. of Lot 19, and N. 17 ft. of Lot 20, Block 3, Handy Home Addition, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on March 10, 1977, at which the Hearing Officers determined that said building was an unsafe or dangerous building and order the building demolished or otherwise made safe; and,

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Housing Code and the housing law of Michigan; and,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the City Council scheduled a hearing on April 18, 1977, to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said building should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demolition or making safe of said buildings; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing fficers to demolish or otherwise make safe the said building within twenty (20) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located, and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respect as provided by law for the collection of taxes in the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Building Commissioner determined that the building located at 513 S. Logan St., Lansing, MI; No. 2 Rods of the S. 4 Rods, Lots 10 and 11, Block 8, Bush-Butler and Sparrow Addition, was an unsafe or dangerous building as defined in Section 9A-13 of the Lansing Uniform Housing Code and the housing law of Michigan, and

Whereas, a hearing was held by the Hearing Board on March 10, 1977, at which the Hearing Officers determined that said building was an unsafe or dangerous building and ordered the building demolished or otherwise made safe; and,

Whereas, said Hearing Officers filed a report of their findings and order with the Lansing City Council, and have requested the City Council to take appropriate action under the Housing Code and the housing law of Michigan; and,

Whereas, the City Council scheduled a hearing on April 18, 1977, to review the findings and order of the Hearing Officers, and the owners were notified in writing of said hearing and had an opportunity to appear and show cause why said building should not be demolished or otherwise made safe; now, therefore be it

Resolved, that the City Council of the City of Lansing hereby approves the order of the Hearing Officers requiring the demolition or making safe of said building; and be it further

Resolved, that the owners are hereby directed to comply with the order of the Hearing Officers to demolish or otherwise make safe the said building within twenty (20) days from the date of this resolution; and be it further

Resolved, that, should the owner fail to substantially comply with the Hearing Officers' order for demolition or otherwise make safe, the Building Commissioner is hereby directed to proceed with demolition of said building; and be it further

Resolved, that the cost of such demolition shall be a lien against the real property and shall be reported to the City Assessor who shall assess the same against the property upon which the building is presently located, and be it further

Resolved, that the owner in whose name the property appears upon the last local tax assessment record shall be notified of the amount of such cost by first class mail at the address shown on the records. Upon his failure to pay the same within thirty (30) days after mailing by the City Assessor of the notice of the amount thereof, the Assessor shall add the same to the next tax roll of the City of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes in the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Terry J. McKane—

Resolved by the City Council of the City of Lansing:

Whereas: Senior citizens represent one of this nation's greatest natural resources whose impact and influence upon our legislative process is becoming well known and appreciated by our decision-makers; and

Whereas: Senior citizens throughout the tri-county area and the State of Michigan have organized committees and task forces,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

and have sponsored many activities to make known to public officials the special needs and concerns of our older Americans; and

Whereas: More than thirty-seven groups and organizations in the tri-county area have combined forces in the past and continue to research, develop and prioritize lists of legislative bills which the group thinks important to all senior citizens; and

Whereas: The Tri-County Senior Citizens Legislative Committee, the Area Agencies on Aging of Michigan, and Region VI Title VII Program are sponsoring their third annual Senior Power Day on May 4 at the Lansing Civic Center and will hold discussions and workshops of special interest to senior citizens; and

Whereas: The Capital Area Transportation Authority (CATA) is providing shuttle bus service to accommodate participants on this special occasion;

Now, Therefore, Be It Resolved that the Lansing City Council recognizes the need of special groups such as our senior citizens who continue to make great contributions toward the devlopment of our City and State, and we commend the individuals and groups involved in sponsoring Senior Power Day; and

Be It Further Resolved that a special recognition is extended to CATA for rendering supportive transportation services to this event; and

Be It Finally Resolved that a copy of this resolution be signed by the Mayor and Lansing City Council and be presented to Robert Murray, Chairperson, Tri-County Senior Citizens Legislative Committee as host of the event, and copies be transmitted to Governor William G. Milliken, Representative David Hollister, Richard Catalino, Ronald Kivi and Roxanne O'Connor for their combined efforts and active involvement in the third annual Senior Power Day.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the City Clerk be and she is hereby directed to publish a notice of a Public Hearing on the 1977-1978 budget to be held on Monday, May 9, 1977 at 7:00 P.M. in the City Council Chambers.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, especially, the Central Business District, must be revitalized; and

Whereas, a Regional Urban Design Assistance Team during June 3 through June 6 will evaluate this area and recommend a program; and

Whereas, the Michigan State Government facilities are expanding, major retail facilities are declining and the downtown residential fringe is deteriorating; and

Whereas, Lansing is a central location with good transportation and a balanced mix of education, government, manufacturing and expanding convention business; and

Whereas, the Economic Development Corporation, the Downtown Development Authority, the State of Michigan and the City of Lansing must work together;

Now, Therefore, Be It Resolved that we, the Mayor and City Council, do wholeheartedly endorse and encourage the evaluation by R/UDAT as recommended by our Economic Development Authority; and

Be It Further Resolved that upon receiving these recommendations, we, the elected officials, will cooperate 100% to accomplish the revitalization of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, on March 14, 1977, the City of Lansing authorized and directed the Purchasing Agent to advertise for bids for the sale of Fire Station No. 8 located at 2300 East Michigan Avenue, Lansing, Michigan; and

Whereas, a minimum of fifty thousand dollars ($50,000.00) was required; and

Whereas, upon acceptance of the bid, a downpayment of ten percent (10%) was required to be paid to the City of Lansing; and

Whereas, the City of Lansing reserved the right to reject any and all bids, waive any irregularities, and make the award in the best interest of the City of Lansing; and

Whereas, a total of two (2) bids were received for Fire Station No. 8, one (1) bid was made by Capitol Coffee Company in the amount of sixty-two thousand eight hundred seventy-five dollars ($62,875.00) and one (1) bid was made by the Lansing Civic Players in the amount of fifty-one thousand dollars ($51,000.00); and

Whereas, the bid of Capitol Coffee Company was conditioned upon a request for and the necessity of obtaining a zoning change; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the bid specifications provided that the property was to remain in its current zoning; now, therefore, be it

Resolved, that the bid of Capitol Coffee Company be and is hereby rejected for the reasons that the bid was not in conformity with the bid specifications relating to zoning; and be it

Further Resolved, that in the best interest of the City of Lansing, the bid of the Lansing Civic Players be and is hereby accepted and that, upon receipt of a ten percent (10%) down payment of five thousand one hundred dollars ($5,100.00) from the Civic Players, and after approval as to form by the City Attorney, the Mayor and City Clerk be and are hereby authorized and directed to execute a land contract between the City of Lansing and the Lansing Civic Players for the sale of Fire Station No. 8, the terms of which contract shall be for a period of five (5) years from the date of execution with an option to extend the contract for a period of five (5) more years, upon approval of the City Council, and which contract shall bear an interest rate of two percent (2%) over the then-current prime interest rate of the date of execution of said contract.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That we concur with the recommendations of the Job Moratorium Appeals Committee made at its meeting held on April 21, 1977, as follows:

Weights and Measures: Approve the filling of one Assistant Sealer III vacancy.

District Court: Approve the filling of one Clerk II vacancy.

Parks and Recreation: Deny the filling of one Park Security Officer I vacancy.

Approve the filling of one Clerk IB vacancy.

Approve the filling of one Zookeeper IIIA vacancy.

Approve the filling of one Park Maintenance Man IIIA vacancy.

Deny the filling of one Equipment Operator IIIB vacancy.

Approve the filling of one Park Maintenance Man IIIA vacancy.

Approve the filling of one Administrative Assistant VI vacancy.

Parking Division: Approve the filling of one Parking Meter Checker IIA vacancy.

Planning: Approve the filling of one Planner VI vacancy.

Police: Approve the filling of one Clerk IB vacancy.

Personnel: Approve the filling of one Clerk IB vacancy.

Civic Center: Approve the filling of one Custodian II vacancy.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective April 25, 1977, the City Personnel Director is authroized and directed to effect the following changes within the Planning Department Section of the Classification and Compensation Plan:

I—Delete one Planner X position.

II—Reclassify one Planner V position to Planner VII.

III—Reclassify one Planning Technician position to Planning Technician V.

This action will reduce the Planning Department salary account by $16,909.00 per full fiscal year.

IV—Reclassify one Planner VIIA to Planner VII.

This action will reduce the Planning Department salary account by $560.00 per full fiscal year.

Adopted by the following vote:

WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

Adopted by the following vote:

Unanimously.

By Councilman Adado—

That the following letter be taken from the table.

Carried.

April 13, 1977

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Claim of Robert Graham in the amount of $26.43

Dear Mayor and Council:

The above captioned matter was referred to this office for investigation and recommendation.

The claimant's letter and the subsequent report by the Building Department disclose that on January 27, 1977 Mr. Robert Graham, an inspector for the Community Development Rehabilitation Program and an employee of the Building Department, entered a house at 1236 Lathrop Street on a work-related housing inspection.

During the inspection, an open container of fuel oil dislodged and spilled on Mr. Graham's clothing. Attempts to clean the clothing have been unsuccessful.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Based upon the facts presented, there does not appear to be any negligence or legal responsibility on the part of the City. The claimant was not performing any unusual duties, but rather was engaged in a standard housing inspection. It should not be unexpected that employees acting in such a capacity might soil or damage their clothing.

Therefore, from a legal standpoint, it is the recommendation of this office that the claim be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That we concur in the recommendation of the City Attorney and said claim be denied.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Gunther, McKane—5.

Nays: Councilmen Baker, Hull—2.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That Councilman Brenke be excused from the session.

Carried.

Councilman Adado asked that it be noted in the record that Councilman Brenke was speaking at the Department of Natural Resources relative to Coho fishing in the Grand River.

Recess to change tape 9:05—reconvened 9:10.

Richard Lapien, 329½ S. Washington Ave. spoke relative to second letter he sent to Atty. General Frank Kelley on direct credits.

By Councilman Baker—

That this meeting stand adjourned.

Carried.

Council adjourned at 9:35 P.M.

THEO FULTON,
City Clerk.

OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

Proceedings, May 2, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

May 2, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Absent: Councilman Blair—1.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Belen.

Pledge of Allegiance was given by students of North School.

By Councilman Brenke—

That the Council Proceedings for April 11, 1977, be approved.

Carried.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the rules be waived and resolution No. 2 relative to honoring R. J. Scheffel be considered next.

Carried.

Councilman McKane paid tribute to Mr. Scheffel.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas: Reubin "R. J." Scheffel, a craftsman, 88 years of age and a lifelong resident of the City of Lansing, is widely known throughout the community as "Mr. Santa Claus of Lansing" in recognition of his boundless generosity and thoughtfulness of others through his donations of gifts to underprivileged children in the area; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas: For the past fifteen years, R. J. Scheffel has labored in his basement workshop at 1931 W. Rundle Avenue, making between 600 and 800 superbly constructed wood-carved toys yearly, and producing more than 11,000 toys in total, for distribution to children during the Christmas season; and

Whereas: Though Mr. Scheffel is retired and lives on a limited income, he has used his own funds and has managed to accumulate much of the needed materials to accomplish his work through cash and supplies donated by merchants and people of the community; and

Whereas: Mr. Scheffel's concern for the welfare and happiness of underprivileged children during the Christmas season has inspired much national and international publicity and has prompted a multitude of people from nearly every state in this country to send him congratulatory letters;

Now, Therefore, Be It Resolved that on behalf of the citizens of Lansing, the City Council of the City of Lansing takes great pride in designating a play area in the Benjamin Davis Park, equipped with innovative, wood-carved play equipment, for the enjoyment of children throughout the community; and

Be It Further Resolved that the name of the play area shall be henceforth identified as the R. J. SCHEFFEL PLAY AREA, in honor of Reubin J. Scheffel for his years of dedication to the welfare and happiness of children in the Lansing area; and

Be It Finally Resolved that a copy of this resolution be signed by the Mayor and City Council of the City of Lansing and be presented to Reubin J. Scheffel.

Adopted by the following vote:

Unanimously.

THE PUBLIC MAY NOW ADDRESS THE CITY COUNCIL ON NON-AGENDA ITEMS. YOU MAY SPEAK ONLY FOR 3-MINUTES ON ANY ONE ITEM.

Dorothy Stockbridge, 521 S. Capitol Ave., spoke relative Center for the Arts and festival to be held June 4-5, 1977.

REPORTS OF CITY OFFICERS AND BOARDS

April 28, 1977

Honorable Mayor and Members

of the Lansing City Council

Lansing, Michigan

Re: Request for authorization of summary eviction procedures for O. C. Dixon from 1332 Chelsea Street (Huron Street widening project)

Dear Mayor and Council:

The City of Lansing currently owns the above captioned premises. Mr. Dixon was given his ninety (90) days free rent by the Housing and Redevelopment Department on the premises as required by HUD regulations and is now a tenant holding over by sufferance. Members of the Housing and Redevelopment Department have, on a number of occasions for a period of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

eleven months, assisted Mr. Dixon in securing a probable suitable replacement location. He has, however, delayed in his relocation. It appears that Mr. Dixon has deserted the premises or uses it only infrequently.

It is necessary for the Housing and Redevelopment Department to have possession of the premises so it can proceed with the Huron Street widening.

In order to lawfully secure possession of the premises, it is hereby requested that the City Council authorize this office to commence summary eviction proceedings in the Lansing District Court for the possession of the premises located at 1332 Chelsea Street in the Huron Street widening project area.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman Adado—

That the City Attorney is to proceed to have this problem taken care of.

Carried.

April 25, 1977

Honorable Mayor and

Members of the City Council

Gentlemen:

I am herewith submitting for special assessment on tax roll 25-K, the actual cost for the demolition of a residential structure by the Building Department, per property owner's request and City Council approval.

The property is located at:

328 S. Butler

3301-17-430-211-8

Contractor's charge	$2,895.00
City service charge	200.00
Title search fees	21.00
	$3,116.00
Total sum of assessment	$3,116.00

Respectfully submitted,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing.

Received and placed on file.

April 27, 1977

To the Honoraple Mayor

and Members of the Council

Gentlemen:

I am hereby submitting special assessment Roll No. 25-K, actual cost, for the purpose of razing residential building as per council approval.

To Be Assessed—100% $3,116.00

Respectfully submitted,

PAUL S. CREEVY,
City Assessor.

Received and placed on file.

April 28, 1977

Honorable Mayor and Members of

the Lansing City Council

City Hall

Lansing, Michigan 48933

Gentlemen:

I am attaching a letter of intent signed by Budd Rutter, a member of the Public Service Board, to do business with the City of Lansing in accordance with Section 14.4 of the Lansing City Charter.

Sincerely,

THEO FULTON,
City Clerk.

Received and placed on file.

April 21, 1977

Theo Fulton

City Clerk

Lansing City Hall

Lansing, Michigan 48933

I was recently reappointed to the Public Service Board of the City of Lansing. My first date of appointment was 2-7-73 and have served on the board since that time. The reappointment terms extends until 1981. On March 9, 1977 I joined the Walter Neller Real Estate Company as Assistant Sales Manager.

I wish it to be known that on occasion, the Walter Neller Company transacts business with the City of Lansing. On any such matters concerning the Public Service Commission, I shall abstain from discussion and voting.

BUDD RUTTER.

Received and placed on file with copy to Board of Public Service.

April 25, 1977

Councilman Lucile Belen and Members

City Affairs Committee

Lansing City Hall

Gentlemen:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Attached is an Application for a Parade Permit for the Diocese of Lansing, scheduled for 1:30 P.M. on Sunday, May 15, 1977.

This has been approved by the necessary department heads.

Our Traffic personnel estimate this parade will cost the City a total of $155.52, which represents three officers and three motorcycles for 3.5 hours.

This is being forwarded to you for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Belen—

That we concur in the recommendation of the departments having signed the application for the parade permit and this is to be under the supervision of the Police Department.

Carried.

April 25, 1977

Chariman Lucile Belen and Members

Committee on City Affairs

Lansing City Council

Gentlemen:

Attached is an Application for a Parade Permit which has been approved by all the necessary department heads. This is being submitted by the Cystic Fibrosis Foundation, Greater Michigan Chapter, and is scheduled for 9:00 A.M. on Sunday, May 22, 1977.

Our Traffic personnel estimate this parade will cost the City a total of $118.48, which represents one officer and one motorcycle for eight hours.

This is being forwarded to you for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Belen—

That we concur in the recommendation of the departments having signed the application for the parade permit and this is to be under the supervision of the Police Department.

Carried.

April 26, 1977

Chairman Lucile Belen and Members

Committee on City Affairs

Lansing City Council

Gentlemen:

Attached is an application for a parade permit from the CROP organization, scheduled for 1:45 P.M. on Sunday, May 22, 1977, which has been approved by all necessary department heads.

Our Traffic personnel estimate this parade will cost the City a total of $210.05, which represents three officers and three motorcycles for a period of four hours 45 minutes.

This is being submitted to you for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Belen—

That we concur in the recommendation of the departments having signed the application for the parade permit and this is to be under the supervision of the Police Department.

Carried.

April 29, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

Since the early 1960's the Front Page Restaurant (previously Lou Coomes) has been using the adjacent Harris Street right-of-way, and a portion of Gier Park for customer parking, and trash storage. On several occasions this has caused problems, and to avoid further complications the Park Board has since 1975 actively encouraged the resolving of this situation.

Related to this, the Board has studied for some time the desirability of acquiring a 10 acre parcel which would connect the 4 acre "West" Tecumseh Park to the larger and more commonly known as Tecumseh property. Acquisition would allow for the long term development of the entire site which would total 40 acres, with 5,370 feet of river frontage (an increase of 770). Cost has previously prohibited the Board from pursuing the city acquisition of this site.

The Park Board has received a proposal from the representatives of the Front Page offering the Tecumseh property to the city, in exchange for the city portion of the Harris ROW, and adjacent property that totals equal appraised value of that offer. The concept of this exchange was approved by the Park Board at their April 20, 1977 meeting. Both parties have been briefed on the charter requirement for the disposal of land and its implications to this offer of exchange.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

I would appreciate consideration and direction on this matter.

Thank you.

Sincerely,

DOUGLAS FINLEY,
Director,
Parys and Recreation.

Referred to Committee on Buildings and Properties.

April 29, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

In November 1976 the department was notified by the Ingham County Health Department of certain code deficiencies at the Hunter and Moores Park Swimming Pools. Many of these are being corrected by the purchase of minor equipment, and others are being studied as we prepare to open later this spring. There will be some additional but moderate cost in order to comply with these immediate requirements.

In the November report we were notified that there is a possibility that the filtration, water circulation, and piping system at the Moores Pool, as well as some seepage through pool walls, may present a significant obstacle in our obtaining future use permits unless major repairs are completed. Closer inspection indicates the system (which was installed in 1922, and upgraded in the 1950's) is rapidly deteriorating; with a very real potential existing that the city may lose the use of that facility in the near future.

Laitala, Freeman, Smith, and Fowler, Architects, who conducted the renovation on the Boy's Training School, Walter French, Eastern, and Pattengill pools examined the Moores facility and advised that a reasonable cost estimate for replacing the mechanical systems, etc. is $125,000.

In order to assure the continued availability of important recreational facilities in Lansing I am respectively advising City Council to consider (1) authorizing the preparation of plans for the replacement of the mechanical systems, piping, etc., at the Moores pool, or (2) the feasibility of construction of the pool facility budgeted in 1975.

Thank you.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation.

April 29, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and

Council Members:

The new Freedom of Information Act of 1976 (1976 PA 442) will take effect April 13, 1977.

Basically, the Act requires disclosure of certain public records within five business days after receipt of the request. The Act also provides for numerous classes of information which are exempt from disclosure and for which requests may be denied.

The Act further requires that all denials of requests for public records which are exempt from disclosure be approved by the Mayor or an individual appointed by the Mayor for this purpose.

Since many classes of public documents are protected from disclosure under the Act, it is essential that City employees furnishing records to the public be thoroughly familiar with what may or may not be disclosed. Assistant City Attorney John Dwaihy has prepared a memorandum outlining the major aspects of the Act and conducted an informational session for City department heads and boards on April 15. The session was designed to make the various departments and boards aware of which public records may or may not be disclosed.

Because of the complications of the Act, and my desire to see that the provisions are fulfilled, I am designating John Dwaihy, Assistant City Attorney, to determine which public records are exempt from disclosure. He is thoroughly familiar with the various aspects and operations of the Act. I am so notifying all department heads.

Sincerely,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

April 29, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

Last Monday, April 25, I expressed to you my concern over the fact that the rezoning request for the Roosevelt Hotel was not on the Agenda and before you.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The Chairman of the Council's Committee on Planning was quick to advise that: (a) if the Mayor knew the law, he would be aware that a Public Hearing on the rezoning petition had to be held before the City Council; (b) that he, for one, was going to abide by the law and that he had scheduled a Public Hearing before the Council for May 9; and, (c) that on the Monday following the Public Hearing, he would place the matter on the Agenda for a decision by the City Council. Possibly, you are not aware, and it is obvious that the Chairman of the Council's Committee on Planning is not aware, BUT THE REZONING REQUEST FOR THE ROOSEVELT HOTEL WAS BEFORE THE CITY COUNCIL FOR A PUBLIC HEARING ON MONDAY, APRIL 18, OR ONE WEEK PRIOR TO THE CHAIRMAN'S REMARKS—the matter in question was listed as Item 1.c. under Public Hearings and I referred the matter to the Committee on Planning, at that time.

My concern revolves around the fact that the Roosevelt Hotel is needed by the House of Representatives by November 18, 1977; that building permits must be issued as soon as possible and the complete building remodeled so that the House of Representatives will have office space in appropriate time. This overall matter was discussed by Representative William Ryan, former Speaker of the House, before the State Building Commission, of which I am a member as is Councilman Lucile Belen, on Wednesday, April 27. Representative Ryan advised that the outside of the old Roosevelt Hotel would be finished to resemble the outside of the newly remodeled State AFL-CIO headquarters on South Washington, or white stucco with a charcoal trim; that the House of Representatives was most anxious to make the move since the present space occupied by them in the old Millers Mutual Building would not be available; and that he was personally working out, with representatives of the adjacent churches the use of the parking space by parishioners of the churches on weekends.

Again, I express my concern to you and request immediate action on the rezoning petition. To me, it is ironical that just a few months ago you made a decision to host members of the Michigan Legislature at a "party" to improve the relations between the City Council and the House and Senate, and then have the aforementioned procrastinating undo what you might have achieved. I am concerned, too, because the property in question was offered for sale at $424,000 three years ago, and a sale was not consummated. Too, I am concerned because you have before you an opportunity to take a ragged looking building and turn it into an excellent appearing, beneficial and worthwhile facility in the Central Business District, and such is not being provided the "go ahead."

If you have been lead to believe that such approval would hinder construction of State facilities in the Capitol Commons, such is not the case. In the past, for example, I advised you that the State Building Commission had for several years championed capitol improvements through a bonding approach under a State Building Authority—in 1976, the Michigan Legislature finally sanctioned this approach, with the legislation taking effect April 1, 1977. The question of legality of the approach upon the recommendation of the State Building Commission and the Michigan Legislature, was put before the State Supreme Court, which to date has not handed down an opinion—the tentative priority listed for construction in the Capitol Commons did not include a new facility for the House of Representatives, but did include major office facilities and a central chiller system, the cost of which would approximate $90 million.

I urge your immediate attention to the rezoning petition affecting the Roosevelt Hotel, so that another major improvement can take place in our City.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That the Mayor and City Clerk be and are hereby authorized and directed to execute Amendment No. 1 to a Contract for Professional Services dated December 13, 1976, increasing the contract amount by $600.00, from $5,200.00 to $5,800.00, due to additional work required for possible condemnation cases, after approval as to the form of the contract amendment by the City Attorney and certification as to the availability of funds in Account No. 258-839-641-971 by the Finance Director.

By Councilman Baker—

That in the 3rd line after the word "services" insert "with H. H. Streukens."

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Housing and Redevelopment Department, has entered into a Contract with Building in Lansing's Development (BILD) as of April 1, 1977; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, said Contract, unless modified, will terminate on September 30, 1977; and

Whereas, both the City of Lansing and BILD do mutually agree that it is in their respective best interests to allow additional time for performance of this Contract;

Now, Therefore, Be It Resolved that the Mayor and City Clerk be and are hereby authorized and directed to execute an amendment to said contract, revising the termination date from September 30, 1977, to March 31, 1978, but leaving all other terms and conditions unchanged, after approval as to the form of the amendment by the City Attorney.

Adopted by the following vote:

Unanimously.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing through the Housing and Redevelopment Department has entered into a Contract with Community Design Center (PN120) on July 6, 1976, in the amount of $118,131 to provide certain Services; and

Whereas, the City of Lansing, through the Housing and Redevelopment Department, and the Community Design Center do mutually agree to amend said contract by transferring funds from certain Line Items of the Contractor's Budget as follows:

$2,000.00 From Fringe Benefits

700.00 from Repair and Maintenance—Transportation Equipment

The total sum of $2,700.00 to be reprogrammed into nearly depleted Line Items of the Contractor's Budget as follows:

$1,750.00 into Contractual Services

750.00 into Office Supplies

200.00 into Repair and Maintenance—Office Equipment

This transferring of Line Item Accounts, does not in any way increase or decrease the Contractor's original budget amount.

Now, Therefore, Be It Resolved that the Mayor and City Clerk are hereby authorized to sign said proposed amendment of said Contract on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the Division of Special Education of the Lansing School District and the Civitan Club of South Lansing are sponsoring the 9th Annual Special Little Olympics for the educable mentally impaired children in the Lansing area, to be held at Eastern High School Track Field; and,

Whereas, the Special Little Olympics is a joint project of the Special Education Elementary Educable Mentally Impaired Department and the Civitan Club and is designed to provide a sports competition program for the mentally handicapped children of elementary age; and,

Whereas, children compete with others of their own age and ability which promises that each child truly has an opportunity of winning. Though winning is recognized with a blue ribbon, every child receives a participation award declaring each person a winner in the eyes of his staff and peer group;

Now, Therefore, Be It Resolved that the Lansing City Council recognizes the importance of every special child being able to participate in a sports competition program, regardless of his or her physical limitations and commends all of the young participants of the Special Little Olympics; and,

Be It Finally Resolved that a copy of this resolution be signed by the Mayor and City Council of the City of Lansing and be presented to the Division of Special Education of the Lansing School District and the Civitan Club of South Lansing in special tribute for making it possible for the educable mentally impaired children in the Lansing area to enjoy their 9th Annual Special Little Olympics on May 6, 1977.

Adopted by the following vote:

Unanimously.

Discussion was held relative Resolution No. 4—honoring Eastern High School Band. Councilman Hull asked that the resolution be pulled.

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That the appointment of Olga Sue Jackson to the Peripheral Area of Citizens' District Council for Eastside Area, for a three year term ending from the date of appointment and confirmation, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties and Committee on Community Development—

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Resolved by the City Council of the City of Lansing:

That the proposed sale of property owned by BILD located at 1213 Hyland Street to Welton Jeffries, in accordance with his offer dated April 7, 1977, as presented through LaNoble Realty Company, be and is hereby approved by the Lansing City Council.

Adopted by the following vote:

Unanimously.

By Personnel Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an Agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, Title II, Public Service Employment Program, Contract No. 894.19; and

Whereas, the City of Lansing and the Community Design Center, Contract No. 892.235; Lansing Community Art Gallery, Contract No. 892.237; Greater Lansing Urban League, Contract No. 892.233; Safety Council of Greater Lansing, Contract No. 892.234; Center for the Arts, Inc., Contract No. 892.239, hereinafter referred to as subcontractors, have entered into an agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 193, Title II, Public Service Employment Program; and

Whereas, residual funds have accumulated due to the temporary vacancy of slots and to the hiring freeze currently in effect; and

Whereas, the above contracts have been modified to recapture and rebudget these residual funds; the effective date of this modification being May 1, 1977;

Now, Therefore, Be It Resolved, that the City Council approve said modification and authorize the Mayor and City Clerk to sign said modified contracts.

Adopted by the following vote:

Unanimously.

By Personnel Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Consortium have entered into an Agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, as amended, Title VI, "Emergency Jobs Act," Contract No. 894.12; and

Whereas, the City of Lansing and the

Lansing Community College
Contract No. 894.13

Lansing School District
Contract No. 894.14

Lansing Housing Commission
Contract No. 894.15

CATA
Contract No. 894.161

Board of Water and Light
Contract No. 894.162

Suitcase Theatre
Contract No. 894.163

Department of Natural Resources
Contract No. 894.164

hereinafter referred to as subcontractors, have entered into an Agreement to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, as amended, Title VI, "Emergency Jobs Act," and

Whereas, residual funds have accumulated due to the temporary vacancy of slots and to the hiring freeze currently in effect; and

Whereas, these residual funds have been rebudgeted to extend the CETA positions with the Board of Water and Light, the Suitcase Theatre and the City of Lansing to extend through September 30, 1977; the effective date of this modification being May 1, 1977;

Now, Therefore, Be It Resolved, that the City Council approve said modification and authorize the Mayor and City Clerk to sign said modified contracts.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Human Resources Department entered into a Contract, effective from July 1, 1976 through June 30, 1977 with the Young Women's Christian Association, to provide for a "Y" Girls Club and Summer Recreation Program (PN-163) for a total compensation, not to exceed Ten Thousand and 00/100 ($10,000.00) Dollars; and

Whereas, on March 14, 1977, the Budget Review Committee administratively revised the budget; and

Whereas, the City of Lansing, through the Human Resources Department and the Young Women's Christian Association do mutually agree to amend said Contract; now, therefore, be it

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Resolved, that the City of Lansing, through the Human Resources Department, and the Young Women's Christian Association, do hereby agree to amend said Contract by adding One Thousand, two Hundred Thirty-Eight and 00/100 ($1,238.00) Dollars to the Personnel line which increases the total compensation from Ten Thousand and 00/100 ($10,000.00) Dollars to Eleven Thousand, Two Hundred Thirty-Eight and 00/100 ($11,238.00) Dollars; now, therefore, be it further

Resolved, that the Mayor and City Clerk are hereby directed to sign said proposed Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney, and after certification as to the availability of funds by the Director of Finance.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Human Resources Department, entered into a Contract, effective from December 1, 1976 through June 30, 1977, with the Cristo Rey Community Center (PN-280), for a total compensation not to exceed Seventeen Thousand, Three Hundred Seventy-Seven and 00/100 ($17,377.00) Dollars; and

Whereas, on March 14, 1977, the Budget Review Committee administratively revised the budget; and

Whereas, the City of Lansing, through the Human Resources Department, and the Cristo Rey Community Center, do mutually agree to amend said Contract; now, therefore, be it

Resolved, that the City of Lansing, through the Human Resources Department and the Cristo Rey Community Center, do hereby agree to amend said Contract by reducing the total maximum compensation by One Thousand, Two Hundred Thirty-eight and 00/100 ($1,238.00) Dollars which decreases the total compensation from Seventeen Thousand, Three Hundred Seventy-seven and 00/100 ($17,377.00) Dollars to Sixteen Thousand One Hundred Thirty-nine and 00/100 ($16,139.00) Dollars; now, therefore, be it further

Resolved, that the Mayor and City Clerk are hereby directed to sign said proposed Contract on behalf of the City of Lansing, after approval as to form by the City Attorney, and after certification as to the availability of funds by the Director of Finance.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a Grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing, through the Human Resources Department, desires to engage the Happy Day Children's Center, Incorporated to perform various services and activities, and to accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a proposed Contract has been developed by and between the City of Lansing, through the Human Resources Department, and Happy Day Children's Center, Incorporated to provide for Day Care Services (PN-314); and

Whereas, said proposed Contract (effective from July 1, 1977 through June 30, 1978) for a total compensation not to exceed Forty-Four Thousand, Four Hundred Fifty-Four and 00/100 ($44,454.00) Dollars is hereby approved by the City Council of the City of Lansing; and

Whereas, the approval of this Contract is subject to the Department of Housing and Urban Development (H.U.D.) approval of the proposed activities in the Lansing Community Development application, as well as, the availability of funds; now, therefore, be it

PUBLIC IMPROVEMENT V

By Commtitee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the supplementary special assessment roll for the purpose of razing a residential building on private property as per Council approval:

Assessment Roll No. 25-K
328 S. Butler Blvd.

as returned by the City Assessor be and the same is hereby ratified and confirmed, and that the Mayor be and hereby is directed to affix within ten days, his warrant directing the City Treasurer to refund to all persons who have paid said tax as originally assessed the pro rata amount of difference as shown in said supplementary roll, and collect all unpaid tax as shown on said roll on or before August 2, 1977.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Recess 3-minutes to change tape on recorder.

Recessed 8:05 p.m.—reconvened 8:10 p.m.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $8,806,186.48.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,

Committee on Finance.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Brenke—

That the following resolution be taken from the table.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed construction agreement between the Michigan State Highway Commission and the City of Lansing for the construction of traffic control and operational betterments and all related work on that portion of Highway M-43 (Grand River Avenue and Saginaw Street) between Clippert Street and Coolidge Street, Control Section MS 33082, Job Number 09967, be approved.

This project will be funded 87.5% by the Michigan State Highway Commission and 12.5% by the City of Lansing. Funds for the City's share will be drawn from Account No. 202-453-612-974.000, and

That the Mayor and City Clerk be authorized to sign this agreement upon certification of the City Controller as to the availability of funds, and after the approval as to form by the City Attorney.

By Councilman Brenke—

That this be referred back to the Committee on Public Service and Highways.

Carried.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That Councilman Blair be excused from the session.

Carried.

By Councilman Hull—Baker—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, since November 29, 1976, the City Council, by resolution, has permitted free parking on Saturday in the downtown South Washington Mall; and

Whereas, the Traffic Department was directed to and has presented a detailed analysis determining the feasibility of providing ongoing free parking in the South Washington Mall; and

Whereas, the Buildings and Properties Committee needs additional time to complete its evaluation on the study prepared by the Traffic Department;

Now, Therefore, Be It Resolved that free parking on Saturdays in the South Washington Mall be extended through May 31, 1977 so that this evaluation can be completed.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Eastern High School Band, under the direction of Dan McCormick, has established a record of continuous improvement and had become one of the outstanding area high school bands; and

Whereas, the Eastern High School Band has significantly added to the color and enjoyment of football games and other sports events, including the Pigs and Freaks game, through the presentation of exciting, well-executed half-time shows; and

Whereas, the Eastern High School Band has freely shared its time with the community by unselfishly performing at a wide variety of community events; and

Whereas, the Eastern High School Band and Director Dan McCormick have distinguished themselves on numerous occasions as a direct result of their dedication and outstanding abilities;

Now, Therefore, Be It Resolved by the Lansing City Council that the Eastern High School Band and Director Dan McCormick be commended and congratulated for their sense of community service and their dedication to high standards of musical excellence, and

Be It Further Resolved that a copy of this resolution be presented to the Eastern High School Band and Director Dan McCormick as evidence of the high regard in which they are held by the Lansing City Council.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Brenke, Gunther, Hull, McKane—6.

Nays: Adado—1.

Councilman Adado asked that his vote be changed to a Yea vote.

Therefore, the resolution was adopted unanimously.

May 2, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and
Council Members:

I would like to ask your concurrence to suspend the City Council's normal procedural rules in order to receive the attached contract for this evening's Council session.

The contract is for the City's consultant on the Economic Adjustment Plan, the $70,000 study funded by the U.S. Economic Development Administration (EDA) through Title IX of the Economic Development Act. The contract is with Zuchelli, Hunter and Associates of Annapolis, Maryland, which has been selected by the Technical Committee which City Council approved to administer the functions of this study. This contract received the endorsement of the Technical Committee on April 27, 1977, and from the study Policy Committee at its meeting May 2, 1977. Background information on Donald E. Hunter, the project director, and for the firm is also attached.

I am asking Council to receive the contract this evening in order that it can be reviewed before appropriate committees and departments this week, with a contract signing proposed for next Monday, May 9, 1977. The timetable for this study is very tight, and the City must vigorously pursue the tasks indicated in the work program if we hope to apply for any phase of implementation during the current Federal Fiscal Year. Implementation funding is possible only following EDA's approval of the Economic Adjustment Plan developed here. We believe that implementation funding can be worth $2.5 to $3 million for the City of Lansing.

Your cooperation with this request is appreciated.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Planning.

Ken Smith, 544 Edison St., spoke in regard to tax abatement for General Motors.

By Councilman Gunther—

That this meeting stand adjourned.

Carried.

Council adjourned at 8:40 p.m.

THEO FULTON,
City Clerk.

Proceedings, May 9, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

May 9, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Belen.

Pledge of Allegiance was given by Den No. 4 of the North School District.

By Councilman Brenke—

That the Council Proceedings of April 18, 1977, be approved.

Carried.

HEARING ON PROPOSED CHANGE IN ZONING CLASSIFICATIONS

May 9, 1977, at 7:00 o'clock being the time set as the time for holding a hearing on the proposed changes in the Classifications as provided for in the Zoning Code, which was passed by the City Council on November 13, 1958, said proposed amendment being as follows:

That the property described as:

Z-13-77—1321 West Holmes Road

be rezoned from "A" One Family Residence District to "D-1" Professional Office District.

The Mayor announced that if there was anyone present who had any suggestions or objections to make to the proposed amendment to the Classifications provided for in the Zoning Code he had the privilege of speaking at this time.

No objections were made to the proposed amendment.

Carl Kreger spoke.

Referred to Committee on Planning.

May 3, 1977

Ms. Theo Fulton

City Clerk

City of Lansing

Lansing, MI 48933

Dear Ms. Fulton:

This letter is to indicate my desire to continue bidding and performing building and structure restoration work for the City of Lansing. I have been asked by the Property Management Section of the Public Service Department, to serve on the Preventive Maintenance Committee now being formed.

Grunwell-Cashero of Lansing, Inc., is in the building and structure restoration business and the company intends to bid on any such projects that the city might propose.

The Grunwell-Cashero of Lansing, Inc. company with whom I am affiliated, bidding city restoration projects has no relationship to my serving on the Preventive Maintenance Committee nor is there any information of a proprietary nature being used that I may acquire while serving on said committee.

Sincerely,

GRUNWELL-CASHERO OF LANSING, INC.
L. Lyle Bornor, P.E.,
President.

May 5, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached for your review and approval is a letter received from McFadden Corporation requesting permission to continue to use a portion of the right of way for parking in front of their building, located at 2822 North Logan Street, and to also blacktop the area between the sidewalk and curb.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

May 5, 1977

Mayor Gerald W. Graves and

Members, City Council

City of Lansing

Gentlemen:

The Center for the Arts has requested permission to close the 400 block of South Washington Avenue to all vehicular traffic on June 4 and 5, 1977.

The Lansing Police Department has no objection to this as long as adequate ingress and egress are allowed for emergency vehicles, i.e. police and fire department.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police,

ROBERT W. TUCKER,
Assistant Chief of Police.

May 5, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: Q-77-735 Rubbish Hauling

Gentlemen:

One bid for rubbish hauling was opened at 3:00 P.M., local time in effect on Thursday, April 28, 1977.

We recommend acceptance of the bid submitted by H. Horsley and L. D. Lincoln for $17.00 per hour.

Respectfully submitted,

VAUGHAN L. McKINCH, C.P.M.,
Purchasing Director,

JAMES W. KZESKI,
Building Commissioner.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred the recommendation of the Purchasing Director and the Building Commissioner that the bid submitted by H. Horsley and L. B. Lincoln for rubbish hauling for $17.00 per hour, be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Building Commissioner.

Signed:

ROBERT J. HULL,
JAMES D. BLAIR,
LOUIS F. ADADO,
Committee on Buildings and Properties.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

May 5, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: Q-77-736 Weed Cutting

Gentlemen:

Two bids for weed cutting at various locations were opened at 3::00 P.M., local time in effect on Thursday, April 28, 1977.

We recommend acceptance of the low bid submitted by Orby's Weed Cutting for $10.00 per hour. We would also like to recommend that May Weed Service be retained as an alternate source in the event that Orby's Weed Cutting is unable to meet the schedule set up by the Building Department.

Respectfully submitted,

VAUGHAN L. McKINCH, C.P.M.,
Purchasing Director,

JAMES W. KZESKI,
Building Commissioner.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred the recommendation of the Purchasing Director and the Building Commissioner that the low bid submitted by Orby's Weed Cutting for $10.00 per hour, be accepted, and that May Weed Service be retained as an alternate source in the event that Orby's Weed Cutting is unable to meet the schedule set up by the Building Department, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Building Commissioner.

Signed:

ROBERT J. HULL,
JAMES D. BLAIR,
LOUIS F. ADADO,
Committee on Buildings and Properties.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

May 5, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the Preliminary Plat of Webster Farms No. 4, recommends approval, subject to the additional right of way as required on Pollard at Selfridge be shown as a dedicated street right of way, and portion that shows not included, be included, and that the city relinquish ownership on the south side of Pollard, subject to the retention and easement for recording.

Respectfully submitted,

BARBARA GARLOCK,
Secretary.

Referred to Committee on Public Service and Highways.

May 5, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Board of Public Service to whom was referred the preliminary plat of Delaware Park No. 3 recommends that said plat be approved, providing an easement for the existing County drain be shown on the plat, or that arrangements be made to relocate the drain on the new easement at no cost to the city.

Respecfully submitted,

BARBARA GARLOCK,
Secretary.

Referred to Committee on Public Service and Highways.

May 5, 1977

P-3-77

Libbie Subdivision No. 2

Preliminary Plat

Honorable Mayor and Members
of City Council:

The Planning Board, at their meeting of May 3, 1977, recommended that the re-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

quest by Richard Geisenhaver for tentative preliminary approval of the plat of Libbie Subdivision No. 2 be approved in accord with Proposal "A" as shown on the plan submitted, which indicates Meese Drive being terminated with a cul-de-sac. The recommendation of approval is subject to the following conditions:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.

4) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months.

5) That the necessary easements be provided for the installation of utilities.

6) That the requirements of the responding agencies be complied with.

The Board found, based on testimony and evidence, that the proposed subdivision plat met the minimum requirements of the Subdivision Control Ordinance and that the development of the property would be for single family homes, which is characteristic of the area.

A petition was submitted containing 39 signatures opposing the extension of Meese Drive through to Fisher, and endorsing the plan which shows Meese Drive being terminated with a cul-de-sac.

Three people spoke at the public hearing held on April 19, 1977 expressing their views, that were included in the petition, in favor of the cul-de-sac street.

This recommendation received a unanimous (6 yeas, 0 nays) vote from the Board.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 5, 1977

P-4-77

Circle West Subdivision

Preliminary Plat

Honorable Mayor and Members
of City Council:

The Planning Board, at their May 3, 1977 meeting, recommended that the tentative preliminary plat of Circle West Subdivision, submitted by Louis Vlahakis and Arthur Arvanites, be approved subject to the following:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.

4) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months.

5) That the necessary easements be provided for the installation of utilities.

6) That a restriction be recorded on the final plat that will prohibit vehicular ingress and egress from Lot No. 1 directly onto Grand River Avenue.

The Board found, based on testimony and evidence, that the proposed subdivision plat met all the minimum requirements of the Subdivision Ordinance and is in accord with the Community Unit Plan as approved by the Lansing City Council October 6, 1975.

There were four people that spoke at the public hearing of April 19, 1977, expressing their concerns. This recommendation is made with unanimous (6 yeas, 0 nays) Board support.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 6, 1977

Re: Maintenance of City Property Adjacent to River Street Park

Honorable Mayor and Members
of City Council:

At a recent public hearing on April 19, 1977, conducted by the Lansing Planning Board, the construction of tennis courts in various parks around the City was discussed. One of the parks scheduled for these improvements is River Street park. Representatives of the Cherry Hill Neighborhood Association were present to speak in favor of the tennis courts but also expressed their concern with the dilapidated condition of the building and grounds owned by the City just north of the park. They stated that the building was in a severe state of deterioration and that the small fenced area next to the building was

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

completely overgrown with vegetation. They requested that the building and vegetation be removed to improve the area.

In response to this request, we suggest the following actions be taken:

1. That the overgrown vegetation and fence adjacent to the building be removed.

2. That the Buildings and Properties Committee conduct a study to determine the feasibility of maintaining, rehabilitating or demolishing the building in question.

We would appreciate your earliest attention and consideration of this matter.

Sincerely,

DAVID L. PURVIS,
For Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

May 5, 1977

To the People of Lansing—

The Lansing City Council presented its recommended City Budget for the next fiscal year on Monday, April 26, 1977. The Council will hear your comments and recommendations at the regular Council meeting on Monday, May 9, and will adopt the new budget on Monday, May 16.

As a result of more than fifty hours of budget hearings recently, the Council made over one hundred changes in the Mayor's recommended budget. We made increases in the General Fund totaling $267,042 and decreases totaling $43,121 for a net increase of $223,921. This recommended increase is offset by $211,359 in increased revenue estimates; therefore, the net impact of the Council's changes is rather minor, $12,562 less in the Stabilization Fund (formerly known as the Fund Balance), a fund that should still have more than four million dollars in it by the end of the Fiscal Year (June 30, 1978). This will put the size of the Stabilization Fund right on target with the recommendation of the Council's Ad Hoc Taxation Committee earlier this year.

The Council is making the following changes in the Mayor's recommended budget. We are recommending the addition of a Zoning Inspector in the Planning Department in order to increase enforcement action against the ever-enlarging number of zoning violations throughout the City.

We are recommending the addition of a Court Officer and two clerks for the District Court, to be paid almost entirely with CETA funds. The Court Officer will assist the Magistrate (a position created by the Council on December 20, 1976 and appointment confirmed on February 21, 1977) and will cover the sixth courtroom, helping with juries, prisoners, arraignments, security, and general order. These additional personnel should provide for increased efficiency in the scheduling of court cases, making for speedier trials and less public dissatisfaction.

The changes in the Police Department's budget are minimal, such as a few new tape recorders, a fingerprint file cabinet, a transcriber, a coat of paint on the Pedestrian Safety Bus, and no additional officers or technicians. The $38,790 General Fund increase in the salaries line item was necessary merely to offset the same amount of Revenue Sharing Funds that were removed from that same line item in order to use these Revenue Sharing dollars for additional equipment for the Building and Park Departments. This action was in conformance with the Council Ad Hoc Taxation Committee's recommendation to use Revenue Sharing money for non-recurring costs, such as the purchase of new equipment. The Mayor's Budget Committee complied by recommending over $1.5 million in Revenue Sharing dollars for equipment purchases.

In the Assessor's office, we are recommending an additional Appraiser, hoping that increased emphasis will be placed on commercial and industrial appraisals.

The Council recommends a $7,600 increase in the Fire Department's budget for such items as four new humidifiers, replacement of six air conditioners, new lounge and dining chairs, voice alarm speakers, kitchen sink repairs, and twelve bicycle exercisers. The Council agreed with the Mayor in not recommending a new pumper and additional firemen.

The $19,629 recommended increase for the Civic Center includes a City automobile for the manager, two hundred new chairs for the public, a new vacuum sweeper, and a new floor scrubber.

In the Treasurer's office, the Council is recommending deletion of the Investigative Collector for $13,772 which was recommended by the Mayor. In the Public Service Department, the Council is recommending an additional $11,000 for more sidewalk repair and $9,100 for more frequent snow removal from residential sidewalks. The Council does not concur with the Mayor's recommendation for a new Utility Man (painter) at $11,567 because the Council approved a CETA project for the painting of the interior of City Hall. This work is now being accomplished.

The recommended $4,500 increase in the Central Garage account pertains to the recommended addition of a City automobile for the Probation Department so that one of the probation officers doesn't have to use his private automobile for transporting clients.

The Council recommends an additional $68,087 for the Parks Department for such items as five positions in the Forestry Division (mostly CETA funding), higher wage

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

and supply accounts for Kingsley Place, swimming pools, volleyball and volleyball clubs, and flag football. Other additions include hand mowers, gang mowers, an air conditioner, leaf blowers, a new slide at Potter Park, water service at Ferris, Wilson, and Edmore Parks, the resurfacing of several tennis courts, the construction of two basketball courts, Potter Park Zoo building remodeling, and a tennis court reservation program and concession stand at the South Washington Tennis/Ice Skating Complex.

$5,108 was deleted for the change from coaches to instructors in Midget Baseball because of the conflict going on at that time between the Park Department and the coaches. A compromise has since been reached, and I assume that the Council should re-evaluate that line item.

In the area known as City Supported Activities, the Council recommends the following additions: $3,000 for the National Council on Alcoholism, $2,500 for the Lansing Metropolitan Development Authority, $2,500 for the Greater Lansing Safety Council, $2,000 for the Fine Arts Council, $11,000 for the Impression 5 Museum (total subsidy), and $40,000 for the Tri-County Regional Planning Commission (total subsidy). A $1,470 decrease for CATA results from CATA's receipt of more money from the State of Michigan.

The other changes recommended by the Council are minor in nature and can be seen on the summary sheets in the Clerk's office.

The Council endorses the $3.7 million decrease from departmental requests as recommended by the Mayor's Budget Committee. We further endorse the preventative maintenance and capital improvement recommendations from the General Fund and Federal Revenue Sharing Fund and wish to commend the departmental staffs for successfully implementing the Council's new CIP Planning process. Such projects include softball and baseball improvements at Gier, Davis, and Ranney Parks and at Westside Field, paving at Potter Park, Forest Road Park improvements, Oak Park Field Office repairs, Aurelius Road sewer improvements, enlarged drains near Miller and Aurelius Roads and near Frandor, storm sewers and sidewalks on the west side of South Cedar from Miller Road to Willoughby, new storm sewers were petitioned, a new Fire Department ambulance, an additional Hurst Power Tool to free people from impacted automobiles more quickly. In addition, there are thirty-eight new replacement vehicles for the Public Service Department, sixteen new replacement trucks for the Parks and Recreation Department, three new machines for the Traffic Department, a new replacement helicopter, helicopter search light and a four-wheel drive emergency vehicle for the Police Department, road surfacing in a number of parks, a resurfaced Civic Center parking lot with new gate equipment, and three hundred folding chairs for the Civic Center.

The Council believes this 1977-78 budget to be the most comprehensive and informative document ever presented for public review. In 1975 and 1976, the Council created and funded additional positions in the Finance Department for the express purpose of working with each and every department in an attempt to identify short-range and long-range goals and objectives, to identify existing and future levels of service, and to identify the true cost of providing those levels of service. The success of this endeavor is evidenced by the recommended reorganization of the Finance Department as proposed in the new budget and also by the greater efficiency by which the Council was able to hold its own budget hearings. We wish to commend the Finance Department and all City departments for the cooperative effort made in developing and implementing extensive changes to the budget work program.

The Council is recommending a property tax rate of $11.49, including debt retirement. This represents a decrease of $1.74 per one thousand dollars of assessed valuation. We await your comments.

Sincerely,

TERRY J. McKANE,
Councilman—Third Ward,
Chairman, Council Committee
on Finance.

Referred to Committee of the Whole.

May 3, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

This is to advise that Jack Burris, a member of the Eastside Citizen's District Council for Community Development (NDA No. 2), Peripheral Area, has not attended a meeting since June of 1976. As the Citizen's Council desires a full complement of its members to be in attendance at the meetings, I find no alternative than to replace Mr. Burris. Therefore, I am submitting to you for your consideration and confirmation the name of David F. Lamb, to fill the vacancy, which term expires in April of 1979.

David F. Lamb is a lifelong resident of Lansing, graduating from Eastern High School, and attended both Lansing Community College and North Carolina State. Mr. Lamb has been employed for the past 9 years by the U.S. Army and is Operations N.C.O. for the Army District Recruiting Command in the State of Michigan and holds the rank of Staff Sergeant. He is a member of the F. & A. M. Lodge No. 33, and he and his wife, Jeanie, have one child and reside at 1118 Parker.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Trusting this recommendation meets your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Community Development.

May 3, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

This office has been advised by Larry Drolett, a member of the Waterfront Development Board, that due to a change of duties in his employment, he now finds it necessary to be out of the City often, which makes it difficult to attend meetings of said Board. Therefore, to fill the position created by his resignation, I am submitting to you for your consideration and confirmation, the name of W. Allen Hammond, which term expires June 30, 1979.

W. Allen Hammond was graduated from Michigan State University with a Bachelor of Arts and a Master of Arts Degree in History and Political Science. Mr. Hammond is employed by Michigan State University as Food Service Manager of the Brody Complex, serves under a $2 million budget and is responsible for a staff of approximately 53 full time employees and of approximately 200 part time student employees. He was, also, Food Service Manager of Wilson Hall for four years. Mr. Hammond served for 27 months with the U.S. Peace Corps as an Accounting and Administrative Advisor to an Agricultural Cooperative assigned to the Ministry of Agriculture in Guatemala and Puerto Rico. He is a member of the MSU Administrative Professional Association, the National Association of College Food Service, St. Paul's Episcopal Church and the Reo Road PTA.

Mr. Hammond and his wife, Barbara, have one child and reside at 823 W. Jolly.

Trusting this recommendation meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Parks and Recreation.

May 5, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

In the past, I pointed out to you some of the problems centering around the District Courts, including disbursing of revenues, costs not levied on tickets gone to warrant, and some of those contained in the September 23, 1976, audit as completed by Maner, Costerisan and Ellis, Certified Public Accountants. Some of the problems have been corrected.

However, still remaining is that problem of the Police Department having to chase down overdue parking and traffic fines. I am not talking about the basic, law-abiding ctiizen who occasionally makes a mistake, I am talking about the violators who are cronic scofflaws, who require a number of warrants, in effect thumbing their noses at law enforcement efforts. Now, I think there is a way to correct that problem. It has been done in the City of Denver and in the County of Denver and other places by immobilizing a vehicle owned by an individual with a number of warrants issued for violations, which are overdue in payment. In short, the owner of a vehicle immobilized will respond voluntarily to the warrants outstanding. The immobilization of the vehicle of the violator will, also, help to put an end to the unfairness of law abiding citizens having to fund enforcement costs incurred as a result of violators.

For your information I am attaching a copy of the Denver Ordinance authorizing the use of immobilization.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Ordinance and Contracts and City Affairs and Committee on Public Safety.

Recessed for 2 minutes to change tape on television—recessed at 8:05 p.m.; reconvened at 8:10 p.m.

May 4, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Dear Mayor Pro-Tem and
Council Members:

The Pornography Ordinance of the City of Lansing leaves a great deal to be desired. For example, there has not been one conviction since its adoption. The present Ordinance covers only the display of obscene material after publication or manufacture. However, the Ordinance does not cover publication of pornography or the use of minors as participants in its publication.

This is of concern to me, because more and more law enforcement agencies around the Nation are discovering a wide use of children in pornography and they are reporting an avalanche of publications and films featuring youngsters. To prohibit the problem from arising in this community, I am recommending that you amend the present Pornography Ordinance to include the following, or similar language:

"It shall be unlawful for any person to make, exhibit, sell, deliver, provide, purchase or knowingly receive, or offer or agree to make, exhibit, sell, deliver, provide, purchase or knowingly receive, or have in his possession with intent to exhibit, sell, deliver, provide, purchase or knowingly receive, any printed matter, visual representation or sound recording, including but not limited to books, magazines, motion picture films, pamphlets, newspapers, picture, phtographs, drawings, sculptures, tape or wire recordings, which depict or describe the body or conduct of a minor child under eighteen years of age engaged either actively or passively in sexual conduct, or the creation of which entailed the use of a minor child under eighteen years of age engaged either actively or passively in sexual conduct.

'Sexual conduct' means acts of masturbation, homosexuality, lesbianism, beastiality, sexual intercourse or physical contact with a person's clothed or unclothed genitals, pubic area, buttocks or the breast or breasts of a female for the purpose of sexual stimulation, gratification or perversion. Also the condition of the human male or female genitals in a state of sexual stimulation or arousal."

For informational purposes, I am attaching an article titled **Child Pornography Latest National Kink** by Peter Arnett, Special Correspondent of the Associated Press.

Trusting this request meets with your approval, I remain

Sincerely,

GERALD W. GRAVES,

Referred to the City Attorney and Committee on Ordinance and Contracts and City Affairs.

RESOLUTIONS

By Committee on Public Service and Highways and Community Development—

Resolved by the City Council of the City of Lansing:

That the proposed Engineering Agreement between Snell Environmental Group, Inc., and the City of Lansing, to provide project supervision and construction engineering for the East Side Community Development H.U.D. project, known as Neighborhood Development Area No. 2, P.S. 47032, be approved, and

That the Mayor and City Clerk be authorized to sign this Agreement upon certification of the City Controller as to the availability of funds, and after approval as to form by the City Attorney.

Funds for this project are available from Account No. 258-445-642-974.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the original bid of Lennie Barker, Inc., for the Bristol, Reo, Hughes and Other Storm and Sanitary Sewers Contract, PS 65084, in the amount of $204,660.73, has been reduced by $37,519.40, making an adjusted base bid of $167,141.33.

This adjusted base bid is authorized by Council Action which deletes that portion of the contract for storm sewer on S. Washington Avenue from Edgewood Blvd. to W. Miller Rd. at the request of the petition filed by the property owners.

An additional 15% in the amount of $25,071.20 is hereby authorized to be encumbered by the Controller for contingencies, making the total adjusted encumbered amount under this contract, $192,212.53.

After the award, the successful bidder will be required to execute the contract as specified, within ten days after the prescribed forms are presented to him for signature as stipulated in the Instruction to Bidders section of the contract.

Be It Further Resolved that the Mayor and City Clerk be directed to execute a contract with the said Lennie Barker, Inc., on behalf of the City of Lansing according to the said adjusted bid documents and the specifications on file, upon approval of the contract, and of the bonds and insurance policies by the City Attorney, and upon the certification of the City Controller as to the availability of funds.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Planning Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has accepted grant No. 06-09-01379 from the U.S. Economic Development Administration to develop an economic Adjustment plan, and

Whereas, the City desires to engage professional management consultant services to assist in development of the plan, and

Whereas, a large number of consulting firms were contacted about the provision of such services, from which Zuchelli, Hunter and Associates of Annapolis, Maryland, was determined to be the most qualified firm, and

Whereas, the study Technical Committee endorsed a contract with that firm at its meeting on April 27, 1977, and the study Policy Committee endorsed the contract on May 2, 1977, and the contract was received by the City Council on May 2, 1977,

Now, Therefore, Be It Resolved, that the Mayor and City Clerk be authorized to sign the management consultant services contract with Zuchelli, Hunter and Associates, subject to approval as to form by the City Attorney, to assist the City of Lansing in development of its economic adjustment plan.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the July, 1977 tax rolls (U-12), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1977, in the amount of $1,577.05, as reported this date by the Building Commissioner, and as per attached list.

Adopted by the following vote:

Unanimously.

By Councilman Adado—

That the following resolution be offered as a substitute resolution for the one that was placed on the agenda.

Adopted by the folloying vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Blair—1.

By Councilman Adado—

Resolved by the City Council of the City of Lansing:

Whereas, the Capital Area Transportation Authority is charged with the responsibility of providing efficient public transportation to the residents of the Tri-County Area; and

Whereas, in order to more effectively carry out this mandate, they must move from their present location at 240 Mill Street into a facility which will allow for more efficient maintenance and operational functions; and

Whereas, federal guidelines prescribe that a new facility will be suitable for a fifteen year time period; and

Whereas, CATA has made great strides in improving public transportation and found that its proposed facility plan is adequate for long-range growth; and

Whereas, the facility plan has been thoroughly reviewed and approved for total funding by the State of Michigan and the Urban Mass Transportation Administration in Washington; and

Whereas, the Lansing Planning Board is currently reviewing the CATA facility Plan under the provisions of Act 285 of P.A. of 1931, State of Michigan; and

Whereas, the Capital Area Transportation Authority has complied with federal and state guidelines with regard to building function, bus movement patterns, maintenance and operational area; and

Whereas, the construction of this facility will result in making $1,250,000 available for new jobs in the Lansing area out of the 2.2 million dollars total cost; and

Whereas, non-approval of the facility at this time will cause a delay of at least six months and failure to act positively on the facility will threaten the existence of public transportation in the Capital Area; and

Whereas, we, the Lansing City Council, approve this facility at 4615 Tranter Avenue so that the Capital Area Transportation Authority may continue to serve the transportation needs of the people in the Tri-County Area.

Now, Therefore, Be It Resolved, that the Lansing City Council urges the members of the Tri-County Regional Planning Commission to approve the improvements proposed at the CATA garage facility; and

Be It Further Resolved, that a Site Improvements Plan to include landscaping, screening and fencing be submitted to and approved by the Lansing Planning Department pursuant to the Act 285 Review Recommendations.

Adopted by the following vote:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Blair, Hull—3.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That that portion of the Bristol, Reo, Hughes and Other Storm and Sanitary Sewers Contract, PS 65084, described as storm sewer benefits for all lands fronting on S. Washington Avenue from Edgewood Blvd. to W. Miller Road, be rescinded and that the said construction be deleted from Assessment Roll 259. This action is in accordance with the petition submitted by the affected property owners.

And Further, in accordance with the above action, that the estimated expense for the storm sewer portion as shown on the Public Improvement III (March 28, 1977), be revised as follows:

Project PS 65084

Assessment Roll 259—Storm

City's Share	$140,033.49*
Assessable	42,438.50
Total	$182,471.99

*from Church Drain Acct. 401-787-000-974-623

The assessable portion of the storm sewer cost has increased due to the deletion of the S. Washington Ave. portion. This additional cost will be financed by the City.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, it is necessary to hold a Public Hearing on the proposed establishment of Lansing Industrial Development No. 4—Oldsmobile Division of General Motors Corporation and also a Lansing Plant Rehabilitation District No. 5—Fisher Body Division of General Motors Corporation.

Therefore, Be It Resolved, that the City Clerk give at least 10 days notice of a public hearing when all persons interested may attend and make any comments and suggestions or ask any questions they may have to such proposed districts.

Resolved Further, that such hearing shall be held at the Council Chambers in the City Hall on the 23rd day of May, 1977 at 7:00 P.M. and that notice of such hearing be published in a newspaper of general circulation in said City.

Adopted by the following vote:

Unanimously.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective May 9, 1977 the City Personnel Director is authorized and directed to implement the following changes within appropriate sections of the Classification and Compensation Plan:

I—Civic Center Section: Change position title only, from Utility Person IV to Foreman IV.

II—Legal Department Section: Change position title only, from Secretary IIIAB to Legal Secretary IIIAB and Secretary III to Legal Secretary III.

III — Planning Department Section: Change position title only, from one Planner VI to Code Enforcement Officer VI.

IV—Public Service Section: Within the Waste Water Plant subsection, change five Foreman VA positions from salaried status to hourly rated status; change four Laboratory V positions from salaried status to hourly rated status; and change one Electrician V position from salaried status to hourly rated status.

Adopted by the following vote:

Unanimously.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

roll, and collect all unpaid tax as shown on said roll on or before August 9, 1977.

Adopted by the following vote:

Unanimously.

By Committees on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-5-76

Bradford-Scott Park

Preliminary Plat

Whereas, application has been made for final approval of the preliminary plat of Bradford-Scott Park; and

Whereas, the Planning Department, in accordance with Section 37-38 of the Subdivision Control Ordinance, has reviewed this application and recommended approval thereof; and

Whereas, the Planning Committee of City Council and Public Service and Highways Committee of the City Council have reviewed this application and the report of the Planning Department and concur therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Bradford-Scott Subdivision be approved subject, however, to all conditions as set forth by the City Council at the time of tentative preliminary approval.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

That the regular City Council Meeting of Monday, May 30, 1977, be changed to Tuesday, May 31, 1977, due to Monday, May 30, 1977, being a legal holiday (Memorial Day) and that the regular City Council Meeting of Monday, June 13, 1977, be changed to meet on Tuesday, June 14, 1977, due to the Community College and Special Election being held on Monday, June 13, 1977.

Adopted by the following vote:

Unanimously.

ZONINGS

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-6-75a—2400 Newark Avenue

be rezoned from "A" One Family Residence District to "C" Two Family Residence District and the "Map" be changed to indicate such transfer;

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved Further, that such hearing shall be held at the Council Chamber in the City Hall on the 31st day of May, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-6-77—1035 Lathrop St. and 1511 Walsh St.

be rezoned from "F" Commercial District to "B" One Family Residence District and the "Map" be changed to indicate such transfer;

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved Further, that such hearing shall be held at the Council Chamber in the City Hall on the 31st day of May, 1977, at 7:00 p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

That property described as:

Z-9-77—809 West Holmes Rd.

be rezoned from "A" One Family Residence District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved Further, that such hearing shall be held at the Council Chamber in the City Hall on the 31st day of May, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 31st day of January, 1977, this Council was petitioned to change the following described property from "A" One Family Residence District to "F" Commercial District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 18th day of April, 1977, all parties interested therein were heard and gvien due consideration, and

Whereas, the property involved is described as:

Z-3-77—3224 North East Street
3301-03-104-011

more particularly described as:

Lot 22, Woodlawn Subdivision, City of Lansing, Ingham County, Michigan,

from an "A" One-family district to an "F" Commercial district; and

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve the petition, subject to conditions; and

Whereas, the Planning Committee of Council, to whom the report of the Planning Board was referred, concurred therewith;

Now, Therefore, Be It Resolved, that the petition to change the zoning of the above described property from an "A" One-family residential district to an "F" Commercial district; and

Be It Further Resolved, that:

1. Vehicular access is prohibited from Orchard Glen;
2. The parking lot be improved in accord with Sec. 36-54.3 of the Zoning Code;
3. The parking area be screened for the protection of the residences to the east;
4. A site plan be submitted by the petitioner to the Planning Department for approval indicating:
   a. locating of existing structures,
   b. proposed use of structures,
   c. parking lot design, layout, and number of parking spaces, and
   d. screening, fencing, and landscaping; and
5. Building and occupancy permits not be granted until the site plan and a schedule for installation of improvements has been approved by the Planning Department.

Therefore, Be It Resolved, that the property above described is hereby changed from "A" One Family Residence District to "F" Commercial District, as set forth in the Zoning Code of said city, and

Be It Further Resolved, that the Zoning Maps be amended to indicate such transfer.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 14th day of February, 1977, this Council was petitioned to change the following described property from "F" Commercial District to "B" One Family Residence District, all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 18th day of April, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-8-77—1101 Lathrop Street

3301-22-276-001

more particularly described as:

Lots 76 and 77, Parkview Land Company Addition, City of Lansing, Ingham County, Michigan,

and

1111 Lathrop Street
3301-22-276-011

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

more particularly described as:

By Councilman Belen—

That we concur in the request and this be under the supervision of the Traffic Engineer.

Carried.

May 9, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

The liquidation group which has custody of what is commonly called the Diamond Reo Properties, heretofore known as the Diamond Reo Joint Venture, Reo Properties, Inc., or Southern Salvage, plans to eventually vacate the property and suspend activities there. This liquidation group has had two enormously successful auction sales and a massive scrap-salvage operation, which, for all practical purposes, concluded on May 6, 1977. What is obvious is that the maintenance of the physical plant has been on a gradually increasing decline, since Diamond Reo Joint Venture assumed custody of the 38.7 acre facility. Further, the harshness of this past winter took its toll on Reo's physical profile; pipes up to 3 in. in diameter broke and fell throughout the plant, paint on the walls chipped and cracked, wood blocks in the floors buckled, making maneuvering throughout the plant hazardous.

The Fire Marshal's Division of the Lansing Fire Department, has kept a watchful eye on the properties concerned and also ordered all dangerous chemicals, such as sodium cyanide, myric acid and caustic acid removed. When a fire broke out in early March, the matter was immediately attended to.

Security has been a problem. Some people have wandered aimlessly throughout the old building, others were caught on the roof, and, in another instance, one individual took it upon himself, while under an influence, to operate a motorized unit, doing considerable damage.

The Reo property, safety-wise, should have been torn down years ago. A mammoth, predominately wood factory resting in the neighborhood of wood frame houses is flirting with the odds.

Because of the situation, I have had meetings inside and outside of the old plant. I now have assurances that security forces will be retained, around the clock, at the plant to prevent intruders from entering. I have been assured that some of the hazardous conditions, within the plant, such as water in work pits, open holes, big piles of debris, etc., will be corrected and I have instructed the Fire Marshal and the Building Commissioner to guarantee this.

In the meantime, I have met with responsible officials who have authority over the property to reach an agreement on the sale price of the property, demolished and with taxes paid. There is a possibility that a buyer will be forthcoming. I am asking for full cooperation, the goal being to see this happen. I am requesting you to establish the overall property (plot plan attached) **as a Plant Rehabilitation District or an Industrial Development District, or both.** The establishment of an Industrial Development District creates an incentive to the property owner to build new or replacement facilities and/or equipment which is taxed for twelve years at ½ the rate otherwise assessed. Section 14(2) of the Act provides:

> "The amount of the industrial facility tax, in each year in the case of a new facility, shall be determined by multiplying ½ of the total mills levied as ad valorem taxes for that year by all taxing units within which the facility is situated by the state equalized valuation of the facility excluding the land and the inventory personal property."

Please be advised that pursuant to Section 4(2) of 1974 PA 198, the City Council may, on its own initiative, establish a plant rehabilitation district or an industrial development district, or both.

The Act is somewhat unclear in Section 4(2) regarding the creation of industrial development districts upon initiative of City Council. However, when read as a whole, the Act clearly grants this power to City Council. This is confirmed by the State Tax Commission.

I trust you will give this your most serious attention and that you will act as speedily as possible. The net result could be the demolition of a useless plant, payment of delinquent taxes and **a new employment oriented facility** on the location.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Planning.

Eva Kipper, 725 Westmoreland Ave. spoke relative item No. 8 relative to City Charter.

Shirley Sliker, Vice-Chairperson of Charter Commission spoke relative resolution No. 8 on changing date of vote of City Charter.

Joel Ferguson, 3412 Sandhurst spoke relative new city charter and relative Urban Renewal property for F and S Development Co. and presented letters from HUD.

Councilman Baker requested a 2 minute recess to change video tape.

Council recessed at 8:05 p.m. and reconvened at 8:08 p.m.

Richard Zimmerman, member of the Charter Commission spoke.

REPORTS OF CITY OFFICERS AND BOARDS

City Treasurer submits the following:

Condition of funds in Treasury on April 30, 1977.

Updated listing of Personal Property Tax Accounts remaining delinquent and unpaid as of May 9, 1977.

Received and placed on file.

May 9, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one John Patino to Little Riverside Hospital on March 1, 1977.

The indigent in need of the ambulance service does not have insurance to cover the service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $60.00 for the transportation of John Patino to Little Riverside Hospital on March 1, 1977 be authorized.

Sincerely,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of of the City Attorney that said claim for Mercy Ambulance be paid and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer payable to Mercy Ambulance Service in the amount of $60.00.

Carried.

May 9, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one John B. Bryant to Little Riverside Hospital on February 7, 1977.

The indigent in need of the ambulance service does not have insurance to cover the service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $60.00 for the transportation of John B. Bryant to Little Riverside Hospial on February 7, 1977, be authorized.

Sincerely,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney that said claim for Mercy Ambulance be paid and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer payable to Mercy Ambulance Service in the amount of $60.00.

Carried.

TO: Lansing City Council

FROM: James W. Dowsett, Secretary to the Board of Trustees—Employee's Retirement System

DATE: 5-10-77

SUBJECT: Recommendation from Board of Trustees—Employee's Retirement System Re: Change in Formula to Increase Retirement Benefits

At the regularly scheduled meeting of the Board of Trustees of the Employee's Retirement System held on April 21, 1977, the following resolution was adopted.

"It was moved by Trustee English, supported by Trustee Bodwin, that the benefit formula used to compute retirement benefit allowances be increased from 1.4% to 1.6% and that this recommendation be forwarded to the City Council for consideration."

Adopted by the following roll call vote:

Yess: Bodwin, English, Graves, Gunther, Hufangel, Swagler and Whitford—7.

Absent: Trustee Roe.

The cost of making this benefit change has been actuarially determined to require an additional $194,957 to the City's current contribution level of $750,000. This represents a 26% increase in the City's contribution level.

I would recommend that you refer this matter to the Council's Finance Committee for further study with regard to the funding considerations. Favorable consideration beyond that point would require an amendment to Sec. 26-22 (a)(2) of the Code of Ordinances as follows:

Current language — "(a)(2) A pension which, when added to his annuity, shall provide a straight life retirement allowance equal to the number of years, and fraction of a year, of his credited service multiplied by one and four-tenths per cent of his final average compensation."

Proposed — "(a)(2) A pension which, when added to his annuity, shall provide a straight life retirement allowance equal to the number of years, and fraction of a year, of his credited service multiplied by one and six-tenths per cent of his final average compensation."

JAMES W. DOWSETT,
Secretary to the Board of Trustees—Employee's Retirement System.

Referred to Committee on Finance.

May 12, 1977

Chairman Lucile Belen and Members

Committee on City Affairs

Lansing City Council

Dear Madam Chairman and Members:

We are attaching an application for a parade permit for the Mayor's Parade Committee Memorial Day Parade, scheduled for 10:00 A.M. on Saturday, May 28, 1977, which has been approved by all necessary department directors.

Our Traffic personnel estimate this parade will cost the City a total of $158.94, which represents three officers, one sergeant and four motorcycles for three hours.

This is being forwarded to you for final approval.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Belen—

That permission be granted to hold the parade inasmuch as it has been signed by the necessary Department heads and I recommend the parade be under the supervision of the Police Department.

Carried.

May 12, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 2, submitted for the William Reichenbach Co. on the Washington Square Annex, P.S. 36130, increasing the amount of the contract by

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

$1,426.64, due to additional work not included in the contract.

This will be funded from Account No. 101-936-760-976.

I would recommend approval of this Change Order.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred the Change Order No. 2, submitted for the William Reichenbach Co. on the Washington Square Annex, P.S. 36130, increasing the amount of the contract by $1,426.64, due to additional work not provided in the contract, reports as follows:

We concur with the recommendation of the Director of Public Service.

Signed:

ROBERT J. HULL,
JAMES D. BLAIR,
LOUIS F. ADADO,
Committee on Buildings and Properties.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

May 12, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Gentlemen:

The Charter Township of Lansing has offered to purchase a 1953 Seagraves 85 ft. Ladder Fire Truck that has been declared surplus by the City.

Their offer is for the sum of $6,500.00 to be paid in two payments at the rate of $3,500.00 upon delivery and the sum of $3,000.00 including a simple interest rate of 8½% on or before April 1, 1978.

The Purchasing Director and the Fire Chief recommend that this offer be accepted.

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

CARL W. BARRATT,
Fire Cheif.

Referred to Committee on Public Safety.

REPORT OF COMMITTEE

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Purchasing Director and the Fire Chief that the offer submitted by Charter Township of Lansing to purchase a 1953 Seagraves 85 ft. Ladder Fire Truck declared surplus by the City for the sum of $6,500.00 to be paid in two payments at the rate of $3,500.00 upon delivery and the sum of $3,000.00 including simple interest rate of 8½% on or before April 1, 1978, be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Fire Chief.

Signed:

LOUIS F. ADADO,
TERRY J. McKANE,
RICHARD J. BAKER,
Committee on Public Safety.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

May 11, 1977

Mayor Gerald W. Graves and

Members of the Lansing City Council

Dear Mayor and Council:

On April 18, 1977, Council directed, by resolution, an Ad Hoc Committee consisting of the Federal Program Coordinator, the Housing and Redevelopment Director, the Human Resources Director, the Executive Assistant to the Mayor for CD and the CD Fiscal Officer to study the feasibility of creating a Community Services Center. The committee was charged with reporting back to Council by May 23, 1977, indicating possible location alternatives, funding alternatives and a projection of the benefits to be derived from each alternative.

The committee met on May 2 and May 6 and is proceeding to compile data, however, after review of the problem and the task assigned, the committee has determined that they will be unable to submit a report on the date Council requested, that is May 23, 1977. It is, therefore, respectfully requested that the committee be given additional time

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

to complete the study as requested. It is estimated that the committee will have the report to Council no later than June 27, 1977. Thank you for your consideration in this matter.

Respectfully,

GEORGE S. LOKKEN,
Program Coordinator.

By Councilman McKane—

That we concur in the recommendation of the Program Coordinator.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Blair—1.

May 6, 1977

Re: Maintenance of City Property Adjacent to River Street Park

Honorable Mayor and

Members of City Council:

At a recent public hearing on April 19, 1977, conducted by the Lansing Planning Board, the construction of tennis courts in various parks around the City was discussed. One of the parks scheduled for these improvements is River Street Park. Representatives of the Cherry Hill Neighborhood Association were present to speak in favor of the tennis courts but also expressed their concern with the dilapidated condition of the building and grounds owned by the City just north of the park. They stated that the building was in a severe state of deterioration and that the small fenced area next to the building was completely overgrown with vegetation. They requested that the building and vegetation be removed to improve the area.

In response to this request, we suggest the following actions be taken:

1. That the overgrown vegetation and fence adjacent to the building be removed.
2. That the Buildings and Properties Committee conduct a study to determine the feasibility of maintaining, rehabilitating or demolishing the building in question.

We would appreciate your earliest attention and consideration of this matter.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Buildings and Properties.

May 13, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

Please be informed the May meeting of the Lansing Park Board is scheduled for 7:30 p.m., Wednesday, May 18, 1977, in the Community Room of the Gier Center, 2400 Hall Street.

The location of the Board's monthly meetings has been posted in accordance with the Open Meeting Act of 1976, with all meetings scheduled for the 4th floor Conference Room, with the exception of the September meeting planned for Kingsley Center, and the May meeting as noted herein.

Thank you.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Received and placed on file.

RESOLUTIONS

By Community Development Committee and Finance Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing, through the Human Resources Department, and the Michigan Capitol Girl Scout Council, Incorporated, entered into a contract effective from July 1, 1976 through June 30, 1977, for Nine Thousand Nine Hundred Seventy-five and 00/100 ($9,975.00) Dollars to provide a Recreation Program (PN-282); and

Whereas, the City of Lansing through the Human Resources Department and the Michigan Capitol Girl Scout Council, Incorporated mutually agree to amend the Contract budget, effective July 1, 1976 through June 30, 1977; and

Whereas, said budget Amendment simplifies accounting procedures and ensures an adequate record keeping system; and

Whereas, said budget Amendment accommodates the inability to secure work-study position due to the lack of work-study funds; and

Whereas, on May 5, 1977, the Budget Review Committee administratively amended the budget; and

Whereas, said budget Amendment does not increase the total compensation under this Contract; and

Whereas, the Contract budget shall be modified as follows:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

	From	To
Personnel	$8,397.00	$9,298.00
Fringe	858.00	—0—
Travel	75.00	—0—
Operating Expenses	645.00	677.00
TOTAL	$9,975.00	$9,975.00;

now, therefore, be it

Resolved, that the Mayor and City Clerk are hereby directed to sign said proposed Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availablity of funds by the Director of Finance.

Adopted by the following vote:

Unanimously.

By Community Development Committee and Finance Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a Grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing, through the Human Resources Department, desires to engage the Youth Development Corporation, Incorporated to perform various services and activities, and accomplish certain objectives, in connection with said Community Development Program; and

Whereas, a proposed Contract has been developed by and between the City of Lansing, through the Human Resources Department and the Youth Development Coropration, Incorporated to provide a Youth Conservation Corps Program, (PN-131) to continue operation through July 1, 1976 through August 10, 1976; and

Whereas, said proposed Contract (effective from July 1, 1976 through August 10, 1976) for a total compensation, not to exceed Eleven Thousand, Three Hundred Forty-Four and 00/100 ($11,344.00) Dollars, is hereby approved by the City Council of the City of Lansing; and

Whereas, approval of this Contract is subject to the Department of Housing and Urban Development (H.U.D.) approval of the proposed activities in the Lansing Community Development application, as well as, the availablity of funds; now, therefore, be it

Rseolved, that the Mayor and the City Clerk are hereby directed to sign said proposed Contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the Director of Finance.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, Cystic Fibrosis is considered to be the number one killer of children, with more than six million children being afflicted with this and other lung-damaging diseases; and,

Whereas, the Lansing branch of the Cystic Fibrosis Foundation is sponsoring a Bike-A-Thon on May 22 to help the millions of children who suffer with serious lung diseases by raising funds for research, care and treatment programs. The Bike-A-Thon also emphasizes cycling and physical exercise; and,

Whereas, individuals who are sponsored to ride in the Bike-A-Thon will be registered to compete in the event that begins and ends at Dwight Rich Junior High School. Individuals will become eligible for a grand prize which will be awarded on June 7;

Now, Therefore, Be It Resolved that the Lansing City Council recognizes the value of good physical and mental health and supports programs, such as the Cystic Fibrosis Foundation, that play a dual role in educating the community on health matters and generating funds for research in hopes to discover cures for lung-damaging diseases; and,

Be It Finally Resolved that the Mayor and City Council of the City of Lansing compliment all of the participants of the May 22 Bike-A-Thon, and extend a special tribute to Susan E. Hanes, Branch Director and organizer of the Cystic Fibrosis Bike-A-Thon for the Lansing area.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the Department of Parks and Recreation has received from the City of East Lansing a request for granting an easement to construct and maintain a sewage retention facility along the most eastern edge of Red Cedar Golf Course, and

Whereas, this matter was reviewed and approved by the Park Board, and

Whereas, the City of East Lansing has agreed to construct and maintain the facility in a manner which will not interfere with city operations, and has further agreed to landscape the site in accordance with

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

specifications prepared by the Park and Recreation Department, and

Whereas, the location of an above ground building needed to service the retention facility, and also the exterior treatment of this building will be reviewed and approved by the Department.

Now Therefore Be It Resolved that upon completion of review by the City Attorney as to form of the legal documents, the Mayor and Clerk are authorized to sign the easement for the sewer retention facility, on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, at a meeting of the Committee of the Whole held on May 12, 1977, the City Personnel Director, after thorough study and analysis, has recommended acceptance of the Hay Associates, State and Local Government Center, Chicago, Illinois proposal for a comprehensive Classification and Compensation Study, and,

Whereas, the City Council of the City of Lansing, Michigan concurs with said recommendation, Now, Therefore;

Be It Resolved, that effective May 16, 1977, the City Personnel Director is authorized and directed to inform Hay Associates that said proposal is acceptable to the City of Lansing, and;

Be It Further Resolved, that the City Finance Director is directed to effect a transfer of $30,000.00 from estimated revenues to a new contractual services Personnel Department account for said purpose only, and;

Be It Finally Resolved, the City Attorney shall prepare an appropriate contract agreement between Hay Associates and the City of Lansing, Michigan to effectuate *said contractual services.*

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Baker—1.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing was notified by the State Boundary Commission of a public hearing regarding the petition for incorporation of Delta Township and the western portion of Lansing Township; and

Whereas, the State Boundary Commission has requested the City of Lansing to submit information dealing with the City's position on this incorporation petition; and

Whereas, the Lansing Planning Board has in conjunction with other City Departments prepared a report to identify the impact of the proposed incorporation on the City of Lansing; and

Whereas, the Planning Committee has reviewed the report and recommendations of the Planning Board and concurs therewith;

Now, Therefore Be It Resolved that the City of Lansing City Council go on record as opposing the consolidation proposal of Lansing and Delta Townships to form a new city.

And Further Be It Resolved that a copy of the report including the recommendations be forwarded by Mayor Gerald W. Graves to the State Boundary Commission as the official position of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Mayor and Council of the City of Lansing are desirous of publicly expressing their appreciation to the members of the organization known as "Box 23"; and,

Whereas, "Box 23" is an organization which was founded shortly after the Kerns Hotel fire wihch took place on December 11, 1934 and which was the most disastrous fire in Lansing's history; the fire caused a loss of 32 lives and injuries to 29 hotel guests and 15 firemen; and,

Whereas, during the Kerns Hotel fire, numerous citizens voluntarily contributed their services by assisting the firemen in laying hoses and assuming other fire support activities such as providing clothing and warm food and beverages to the various personnel who were performing fire suppressive duties; and,

Whereas, a group of citizens seeing the continuing need for supportive services to firemen, organized themselves into a citizens group of 23 individuals who identified themselves as the "Box 23" group, the name being taken from the alarm box which was activated to alert the Lansing Fire Department to the Kerns Hotel Fire Fire; and,

Whereas, the purpose of the "Box 23" group was to report to the scene of multiple alarm fires and aid and assist firemen by providing supportive services such as warm clothing, hot coffee and food items

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

which would enable all fire fighters and supporting agencies to better perform their duties; and,

Whereas, in the performance of their voluntary public service "Box 23" members have accomplished their supportive assistance without fanfare and have avoided any notoriety or publicity in regard to their efforts;

Now, Therefore, Be It Resolved that the Mayor and City Council commend these citizens for their compassion, thoughtfulness, consideration and their outstanding service as citizens to this community and that "Box 23" be provided this resolution as a token of the City of Lansing's appreciation for their public service activities.

Adopted by the following vote:

Unanimously.

By Councilman Adado—

Resolved by the City Council of the City of Lansing:

Whereas, our great nation and all of its Cities, and all of its people; have, from the beginning, striven mightily, worked diligently and when the call was there; Americans have laid down their very lives in defense of our single and most paramount principle of government—"Government of the People; By the People; and For the People, shall not perish from this earth," and,

Whereas, that paramount guiding principle sums up the essence of the American Creed, and has withstood and triumphed over every attack upon it, whether foreign or domestic, for more than two hundred years of history.

It matters not, in my view, whether the erosion of that guilding principle stems from deliberate or accidental acts of men and women; and it matters not whether such erosions are of great or small dimensions. Even the least erosion is an attack upon the guiding principle and even the smallest erosion of that principle should not be tolerated by the duly elected representatives of the people at any level of govrnment, and,

Whereas, because the foregoing truths are self evident, I am concerned and dismayed to find that the City of Lansing's duly elected members of the Charter Revision Commission have decided to ignore the dangers of such principle erosion through their insistence upon an election date of June 13, 1977 for the voters of Lansing to react to and decide upon the implementation of a City Charter; the basic document which will control the form and function of our municipal government for many years to come. The voters of Lansing, who barely one month prior to such election date have received very little information of substance regarding the specific Charter proposals must be asking themselves some extremely puzzling questions, such as: Why are we being rushed into an early and traditionally light voter turn out June election date? What has happened to "open government," and why has the Charter Commission not yet scheduled at least one public hearing on the full and complete document? Why cannot the Charter proposal be voted upon at the time of a possible August, 1977 primary election or at the time of a regular and certain November, 1977 election? Why does not the Charter Commission favor an election date which historically guarantees a maximum response (November) rather than a minimum response (June) from the voters of Lansing? Of course, we have heard an advance and shallow justification from the Charter Commission regarding the June election date, namely that same will assist possible candidates for municipal office to know what form of government they may serve under since they will know the will of the people hopefully, on June 14, 1977. That particular problem has obviously not confused those candidates for major elective office who decided to declare their intentions to the people as early as April, 1977, however. In addition, I believe that duly elected Charter Commission members owe a far greater allegiance and responsibility to all of the voters of Lansing than they do to a few possible faint hearted aspirants to elective office, and,

Whereas, the people's "right to know" will suffer irreparable harm and "open government" become a mockery because of the Charter Commission's insistence upon a June 13 election date for the voters decision on Lansing Municipal Governments most basic document, now,

Therefore Be It Resolved, the City Council of the City of Lansing, in the name of Lansing's Electorate, now goes on official record as strongly urging the Lansing Charter Commission to reconsider its ill-advised decision calling for a June, 1977 Charter Revision election date, and recommends that the Charter Commission announce a sensible November, 1977 regular election date permitting a reasonable amount of time for the voters to examine all aspects of the proposed changes and to render an intelligent decision at the polls.

Councilman Adado spoke relative to the resolution.

Councilman Baker spoke.

By Councilman Baker—

That we recess for 2 minutes to change the video tape.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Gunther, Hull, McKane—7.

Nay: Councilman Brenke—1.

Council recessed at 9:12 and reconvened at 9:15 p.m.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Councilman Baker continued speaking.

Councilman Belen spoke.

Councilman Brenke spoke.

The resolution lost by the following vote:

Yeas: Councilmen Adado, Brenke, Gunther—3.

Nays: Councilmen Baker, Belen, Blair, Hull, McKane—5.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-13-77 — 1321 West Holmes Road,

be re-zoned from "A-1" Family Residential District to "D-M" Multiple Dwelling and "D-1" Professional Office District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 6th day of June, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Adado—

That the resolution on the adoption of the budget be amended as follows:

Move to amend the budget by striking out all the new positions and reclassifications until after the Personnel Department has completed job analyses or the classification and compensation study is completed, and that the monies allocated for these positions be placed in the Council's Emergency Fund.

Discussion followed.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther—5.

Nays: Councilmen Baker, Hull, McKane—3.

By Councilman Belen—

That in the fifth (5th) paragraph after "May 12, 1977" the resolution be amended as follows—"At the meeting of May 16, 1977."

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther—5.

Nays: Councilmen Baker, Hull, McKane—3.

By Councilman Hull—

That the resolution relative to the Budget be tabled for one week.

Lost by the following vote:

Yeas: Councilman Baker, Hull, Mckane—3.

Nays: Councilmen Adado, Belen, Blair, Brenke, Gunther—5.

By Councilman Blair—

That the voting on the question be divided relative assessed valuation for general city operations and for bonded debt service for a total tax rate.

The Mayor ruled that in accordance with the City Charter this could not be done.

Councilman Blair asked for an opinion from the City Attorney.

The City Attorney ruled that the Mayor's decision was correct relative section 8.5 (a) of the City Charter the following: "Such resolution shall designate the sum to be raised by taxation for the general purpose of the city and for the payments of principal and interest on its indebtedness."

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, the Committee of the Whole has extensively reviewed the proposed budget for Fiscal Year 1977-78, and

Whereas, the budget is well documented and provides a picture of City services as they relate to appropriations, and

Whereas, the Committee of the Whole has made more than 100 line item changes to the Mayor's Recommended budget in the proposed budget placed on file on April 25, 1977, and

Whereas, the Committee of the Whole convened on May 12, 1977 and recommended six additional line item changes.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Now, Therefore, Be It Resolved, that the proposed FY 77-78 budget placed on file April 25, 1977 and those changes recommended by the Committee of the Whole on May 12, 1977, be adopted as the FY 77-78 budget, and

Be It Further Resolved, that the tax rate for FY-77-78 be set at $10.22 per $1,000.00 assessed valuation for general City operations, and $1.27 per $1,000 for bonded debt service for a total tax rate of $11.49.

The resolution as amended with the above amendments was adopted by the following vote:

Yeas: Councilmen Adado, Belen, Brenke, Gunther, McKane—5.

Nays: Councilmen Baker, Blair, Hull—3.

Councilman Hull asked to explain his "no" vote and that his remarks be printed in the official council proceedings.

Councilman Baker asked for the same privilege.

Councilman Blair spoke.

Councilman Hull explains his "no" vote on the passage of the 77-78 FY Budget:

I deeply regret that it was necessary to vote "no" tonight. The "no" vote came from a very simple and very straightforward reason. The political process, the process by which we develop the budget to meet the needs of the city, has been subverted and turned into a political football. There's a time for politics and all of us involved in politics, but I am not going to get into the game of politics at the point where it destroys the budget capable of delivering essential services to my ward and the people I was elected to represent. Since that budget cannot deliver the type of services I think my ward deserves and requires, I voted "no."

Councilman Baker reserved the right to explain his "no" vote and requested it be printed.

Thank you, Mr. Mayor. I voted "no"—I didn't think I would ever do that after going through the budget hearings—I had my chance to offer suggestions for programs, I didn't get all I wanted a better solid waste pick-up system, I wanted police to walk beats in certain parts of the town, I wanted some additions to some departments, I wanted some deletions from other departments but we adopted a process here; we agreed that it was a good process and everybody on this council voted for it. There were open public hearings and anyone could come in and have their say, make their input, make suggestions and it was done that way and it was a honest budget. And then we come up to the last when department heads can't have personnel, we just say we can make all these changes, public does not have any input to them, the department heads don't have any input to them, and we just ramrod a 5-3 vote to them. Services are not going to be performed in certain parts of the city like they should and need to be done and I can't vote for a budget that does that. To hold hearings and then subvert them at the last moment like this council just did. People have to wonder what it's all about and why did we go through 60 hours of hearings if we are going to turn topsy-turvy at the last minute. For that reason, I voted "no" and it's really a sad evening. Thank you, Mr. Mayor.

By Councilman Belen-Gunther—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

That the appointment of David F. Lamb to the Eastside Citizen's District Council for Community Development (NDA No. 2), Peripheral Area, to a term expiring April of 1979, be confirmed.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is the Capital City, and

Whereas, the City of Lansing furnishes extensive Police and Fire protection service to State facilities, and

Whereas, the cost for these services are increasing at an alarming rate, and

Whereas, Representative Tom Anderson has introduced HB-4596 which would provide State payments to Cities, Villages, and Townships for local Police and Fire Protection services furnished to State facilities located in their boundaries, and

Whereas, Senator Gil Bursley has an identical Bill ready for introduction in the Senate, and

Whereas, Representative Gary Owen has included Three Million dollars ($3,000,000) for this purpose in the Grants and Transfers Appropriation Bill (Substitute HB-4161) and

Now, Therefore, Be It Resolved that we, the Mayor and Lansing City Council do concur with these bills and ask our legislators for their wholehearted support and enthusiastic endorsement to provide State reimbursement for municipal services received by State-owned, tax exempt facilities.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has, pursuant to the Urban Renewal Plan and Development Plan for Urban Renewal Project No. 2, Michigan A-6, solicited a proposal for redevelopment of Parcel 7, legally described as:

The East 360 ft. of the South 1042.5 ft. of Block 246, Original Plat, City of Lansing, Ingham County, Michigan,

and

Whereas, the City of Lansing has received a proposal from F/S Development Company in accordance with the Urban Renewal Plan, Development Plan, and approved disposition program, on the basis of negotiation without competition, and

Whereas, subject to a public hearing, the Lansing City Council will consider adopting a resolution authorizing and directing the Mayor and City Clerk to execute a "Contract for Sale of Land for Private Redevelopment by and between F/S Development Company and the City of Lansing, Michigan" on behalf of the City of Lansing.

Now, Therefore Be It Resolved by the City Council of the City of Lansing that a Public Hearing be held on Monday, June 20, 1977, at 7:00 P.M. in the Council Chambers, 10th floor, Lansing City Hall, on this proposed sale of land in Urban Renewal Project No. 2 Michigan A-6 and

Be It Further Resolved that Notice of this public hearing be published in the Lansing State Journal.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Baker—1.

By Councilman Blair—

That this meeting stand adjourned.

Adopted unanimously.

Council adjourned at 10:45 P.M.

THEO FULTON,
City Clerk.

Proceedings, May 23, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

May 23, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Belen.

Pledge of Allegiance was given by Penny Ackerson of Pattengill Jr. High School.

By Councilman Brenke—

That the Council Proceedings of May 2 and May 9, 1977, be approved.

Carried.

REVIEWING ASSESSMENT ROLLS NO. 262

This is the time set for hearing appeals on the special assessment roll for purpose of constructing storm sewer, sanitary sewer and leads, curb and gutter and sidewalks in those areas where these improvements do not already exist, on West Miller Road from Logan Street east to Marywood Avenue.

James Garrison, 932 W. Miller Road, spoke.

Helen Caudell, 917 W. Miller Road, spoke.

Referred to Committee on Public Service and Highways.

PUBLIC HEARING

May 23, 1977, at 7:00 o'clock being the time set as the time for holding a public hearing on the proposed establishment of Lansing Industrial Development No. 4—Oldsmobile Divison of General Motors Corporation.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

The Mayor announced that if there was anyone present who had any suggestions or objections to make to the proposed establishment of Lansing Industrial Development No. 4 for Oldsmobile Division of General Motors Corporation, he had the privilege of speaking at this time.

The following persons spoke:

Al Eby of Alma, Michigan.

Councilman Baker requested that the Council recess for a period of 5-minutes so that the T.V. camera could be set up.

The Council recessed at 7:20 p.m. and reconvened at 7:27 p.m.

At the time the Council reconvened Councilmen Baker and Adado were not in their seats.

After the recess of the Council the public hearing was continued with the following persons speaking:

Robert Canterbary—415 S. Verlinden Avenue.

Signed:

LUCILE BELEN,
R. J. BAKER,
JACK D. GUNTHER,
Committee on Ordinance and Contracts and City Affairs.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on BUILDINGS AND PROPERTIES recommends the following statement clarifying the Civic Center rental rates as approved by the City Council on February 7, 1977, be accepted:

Local non-profit groups to pay $500.00 per day, a day to be 12 hours. If time is over 12 hours, extra charge is at discretion of Manager and must be quoted prior to signing of contract by Lessee.

Local non-profit group presenting a professional talent show to pay $500.00 per day or 10% of gross receipts, whichever is greater, per day. Day to be 12 hours. If time is over 12 hours, extra charge is at discretion of Manager and must be quoted prior to signing of contract by Lessee.

Out of town non-profit groups (where all monies are taken out of town) to pay $600.00 or 10% of the gross receipts, whichever is greater, per day. Day to be 12 hours. If time is over 12 hours, extra charge is at discretion of Manager and must be quoted prior to signing of contract by Lessee.

Charge for commercial promotions to be $600.00 or 10% of the gross receipts, whichever is greater, per day. Day to be 12 hours. If time is over 12 hours, extra charge is at discretion of Manager and must be quoted prior to signing of contract by Lessee.

Signed:

ROBERT J. HULL,
JAMES D. BLAIR,
LOUIS F. ADADO,
Committee on Buildings and Properties.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on PARKS AND RECREATION, to whom was referred Change Order No. Two (2) of the Davis Park Restroom Contract with Charles Featherly Company, reports as follows:

The Committee recommends approval of installation of a concrete approach, and of a drinking fountain (unit supplied by the City) at a total increased cost of $839.00 with funds budgeted in project account 712-936-649-975.

Signed:

TERRY J. McKANE,
JAMES D. BLAIR,
ROBERT J. HULL,
Committee on Parks and Recreation.

By Councilman Blair—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the request from the Shinberg Life Insurance Agency, Inc., for permission of an additional curb cut, and removal of a parking meter within the city right-of-way, reports as follows:

We concur with the recommendation of the Traffic Engineer and the Director of Public Service, denying this request.

Signed:

WILLIAM A. BRENKE,
ROBERT J. HULL,
LOUIS F. ADADO,
Committee on Public Service and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the request of the McFadden Corporation to continue to use a portion of the right-of-way for parking in front of their building, located at 2822 North Logan St., and to also blacktop the area between the sidewalk and curb, reports as follows:

We recommend approval of the said request, subject to the City of Lansing not being held responsible for any damages to the blacktop parking lot due to utility or street reconstruction, and also subject to provisions for proper drainage in Logan Street.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service and Highways.

REPORTS OF CITY OFFICERS AND BOARDS

May 20, 1977

To the Honorable Mayor

and Members of the Council

Gentlemen:

In accordance with your order of May 19, 1977, I am submitting herewith a supplement special assessment Roll No. 260, based on estimated cost, for the purpose of constructing curb and gutter on Shirley Street, Lots 37 thru 47 of Battenfield No. 2.

To Be Assessed.....$2,962.52

Respectfully submitted,

MARION K. HAHN,
Deputy City Assessor.

Received and placed on file.

May 16, 1977

Honorable Mayor and Members

of the Lansing City Council

Dear Mayor and Council:

Attached please find a claim by Mercy Ambulance Service for the transportation of one Richard Beasley to Little Riverside Hospital on January 18, 1977.

The indigent in need of the ambulance service does not have insurance to cover the service. Pursuant to Court order the City is responsible for the transportation of an indigent.

Therefore, it is the opinion of this office that the claim in the amount of $65.00 for the transportation of Richard Beasley to Little Riverside Hospital on January 18, 1977 be authorized.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is authorized to draw a warrant on the City Treasurer payable to Mercy Ambulance Service in the amount of $65.00.

Carried.

May 16, 1977

Honorable Mayor and

Members of the City Council

Lansing, Michigan

Gentlemen:

I herewith report that I have given to the City Assessor an itemized list of private properties which had trash and debris removed by the City, in the amount of $1,624.08, to be assessed on the December, 1977 tax rolls (U-13).

Respectfully submitted,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing.

Received and placed on file.

May 13, 1977

Honorable Mayor and

Members of the City Council

City Hall

Lansing, Michigan

Gentlemen.

The Building Commissioner has received a written request and authorization to demolish two (2) condemned residential structures located at 515 Erie St., and 517-19 Erie St., from the legal owners; Mr. Phillip W. Ceely, Mrs. Constance E. Klarer, and Mrs. Nancy I. Everhart. The properties are further described as:

515 Erie Street—Lot No. 5 of Scofields Subdivision and part of Lot No. 3 of Block 247.

517-19 Erie Street—Lot No. 6 of Scofields Subdivision of Lot No. 2 and part of Lot No. 3 of Block 247.

Work performed shall include demolition and removal of the structures, filling and grading of the sites, and shall be accomplished by the City of Lansing, with all costs applied to the property tax rolls.

Therefore, be it requested that the City Council authorize the Building Commissioner to proceed with the demolition of these structures, and the Purchasing Agent be authorized to obtain quotations for this work.

Respectfully submitted,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing.

Referred to Committee on Buildings and Properties.

May 13, 1977

Chairman Lucile Belen and Members

Committee on City Affairs

Lansing City Council

Gentlemen:

Attached is an application for a parade permit from the North Lansing Community Association, scheduled for 11:00 a.m. on Saturday, June 4, 1977, which has been approved by all necessary department directors.

Our personnel estimate this parade will cost the City a total of $59.24, which represents four officers and four motorcycles for one hour.

This is being forwarded to you for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Belen—

That permission be granted as recommended by the Police Department.

Carried.

May 13, 1977

Chairman Lucile Belen and Members

Committee on City Affairs

Lansing City Council

Gentlemen:

Attached is an application for a parade permit for a Tribute to President Ford, scheduled for 7:30 P.M. on Wednesday, July 20, 1977, which has been approved by all necessary department heads.

Our personnel estimate this will cost the City a total of $60.48, which represents three officers, one sergeant and four motorcycles, for one hour.

This is being forwarded for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Belen—

That permission be granted as recommended by the Police Department.

Carried.

May 19, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached for your review and approval is a proposed contract between the Michigan State Highway Commission and the City of Lansing for the construction of Ramp Revisions at Hwy I-96 and Cedar Street under Control Section M 33032 - 09654 (77-0678).

The City's portion of this contract will be approximatetly $26,000.00, and is to be funded from Account Number 202-453-612-974.000.

I would recommend approval of this proposed contract.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

May 19, 1877

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a proposed contract between the Grand Trunk Western Railroad and the City of Lansing for a storm sewer crossing the railroad property on South Holmes Street extended. This storm sewer is the proposed outlet for the NDA No. 2 sewer separation contract.

This project would be funded under Account Number 202-472-000.818.

I would recommend approval of this proposed contract.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

May 20, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 6, submitted for the P.H.I. Construction Co. on the East Side Fire Station, contract P.S. 27031, increasing the amount of the contract by $389.00, due to additional work as listed.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

This is funded under Account Number 410-936-551-975.

I would recommend approval of this Change Order No. 6.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred Change Order No. 6, submitted for the P.H.I. Construction Co. on the East Side Fire Station, contract P.S. 27031, increasing the amount of the contract by $2,303.00, due to additional work, reports as follows:

We concur with the recommendation of the Director of Public Service, funded under account No. 410-936-551-975.

Signed:

ROBERT J. HULL,
LOUIS F. ADADO,
Committee on Buildings and Properties.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

May 18, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-732, Demolition Contract No. 1, N.D.A. No. 1

Gentlemen:

Attached is the tabulation of three bids for the demolition and removal of twenty-three (23) structures in the Community Development Neighborhood Development Area No. 1, which were opened at 3:00 P.M., E.D.T. on Tuesday, May 17, 1977.

We recommend acceptance of the low bid submitted by Brown Brothers, Inc. in the amount of $39,700.00.

Subject to approval of said bidder by the Equal Opportunity Division of the Detroit Area Office of the Department of Housing and Urban Development (HUD): provided that failure of HUD to respond to the request for approval within fifteen (15) working days shall be considered approval.

Respectfully submitted,

VAUGHAN L. McKINCH, C.P.M.,
Purchasing Director,

RONALD G. STONEHOUSE,
Housing and Redevelopment Director,

ORRIN E. SHARP,
Executive Assistant to the Mayor,
Office of Community Development.

Referred to Committee on Community Development.

May 18, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-737 Calcium Chloride

Gentlemen:

Attached is a tabulation of three bids for the purchase of approximately 100 tons of calcium chloride, which were opened at 3:00 P.M., E.D.T. on Tuesday, May 17, 1977.

We recommend acceptance of the bid submitted by Dow Chemical U.S.A. for $74.90 per ton for bulk purchases and $95.40 per ton for purchases in 100 lb. bags. Terms are "Net 30 Days."

Respectfully submitted,

VAUGHAN L. McKINCH, C.P.M.,
Purchasing Director,

ROBERT R. BACKUS,
Public Service Director.

Referred to Committee on Public Service and Highways.

Councilman Baker requested that the Committee Report pertaining to the above matter be held until the end of the agenda so that he Director of Public Service could obtain more information on this.

Carried.

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Subject: B-77-743 Carpet

Gentlemen:

Attached is the tabulation of six bids for the purchase of carpet for the 6th Floor of Lansing City Hall, which were opened at 3:00 P.M., E.D.T. on Tuesday, May 3, 1977.

We recommend acceptance of the second low bidder, Alpine Tile, for a total installed price in the amount of $7,080.00. The low bid submitted by Commercial Supply in the amount of $5,769.03 was withdrawn when they discovered they had omitted a large quantity of carpet from their bid.

Respectfully submitted,

VAUGHAN L. McKINCH, C.P.M.,
Purchasing Director,

ROBERT R. BACKUS,
Public Service Director.

Referred to Committee on Buildings and Properties.

REPORT OF COMMITTEE

The Committee on BUILDINGS AND PROPERTIES, to whom was referred the recommendation of the Purchasing Director and the Director of Public Service that the second low bid submitted by Alpine Tile for a total installed price of carpet, 6th Floor City Hall, for $7,080.00 be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Director of Public Service.

Signed:

ROBERT J. HULL,
JAMES D. BLAIR,
LOUIS F. ADADO,
Committee on Buildings and Properties.

By Councilman Hull—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

May 19, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

The Park Board at their May 18, 1977 meeting reviewed with Mr. Don Hines, Attorney for General Motors, the Corporation's interest in the purchase of Scott Park and Cooley Gardens. This discussion was followed by a staff report which included the history of acquisition transactions involving this property, a review of the land policy, and recommendations from the department satff.

Several factors were discussed with the Board which could be listed as disadvantages of a sale, as were possible advantages. Primary disadvantages include the jeopardizing of the City's ability to receive State and Federal grants for the acquisition of parkland, and jeopardizing the city's potential for receiving gifts in the form of cash, or land donations. Furtheremore, the disposal of river frontage is in conflict with long term policies for acquisition along the Grand and Red Cedar Rivers. Also given considerable discussion was the urban green space value of park properties located in the center of a heavily industrial/urban area; and the current usage by senior citizens, and club groups using the Scott Center, for outdoor weddings, and by Oldsmobile employees for lunch periods, etc.

General Motors has defined the advantage to the City as the possibility of directing dollars from the sale into needed recreational facilities which would provide for more intense and accessible usage. Deed restrictions on the Cooley Gardens property may prohibit the realization of this potential.

It was the Park Board's opinion that the property was given to the City to protect as open space, and that Scott Park and Cooley Gardens continue to meet that type of intended use. The Board, by formal action has recommended that City Council not consider the sale of property requested by Oldsmobile Division.

Thank you.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation and Committee on Buildings and Properties.

May 19, 1977

Mayor Gerald W. Graves and

Members of City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

Subject: ACT-5-77 CATA Garage Improvements

The Lansing Planning Board at its regular meeting on Tuesday, May 17, 1977 completed its review under Public Act 285 of

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

the renovation plans for the CATA garage/ maintenance facility at 4615 Tranter Avenue. The project was not endorsed by the Planning Board as proposed.

The Planning Board recommends that CATA submit a revised site plan to reflect the following:

1) Redesign of the office addition for construction at the rear of the building.

2) Access for the administrative personnel and visitors be provided along the south property line between the existing fence and building line.

And further, the Planning Board recommended a landscape improvement plan be submitted which includes:

1) Heavy landscaping along the facility and Tranter Street frontage and additional planted evergreens along the rear property lines west of Tranter Street.

2) Landscaping and screening along the fence line to buffer the uses north and south of the site.

3) Landscaping along the east at the rear of the property.

4) Location of new fence installation.

The Planning Board stated that the existing front yard setback should be maintained and that the residences west of Trantor be afforded a maximum buffer. It was the Planning Board's belief that as a public agency, CATA is in a position to set the pattern for improving the visual appearance of their facility by maintaining a reasonable setback (in an industrial zone that is adjacent to a residential area) for preserving the residential environment.

Therefore, the Lansing Planning Board denies approval pending resubmission of renovation plans reflecting these improvements.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs,
Planning Director.

Referred to Committee on Planning.

May 19, 1977

Mayor Gerald W. Graves and

Members of City Council

City Hall

Lansing, Michigan 48933

Honorable Mayor and Members of City Council:

Re: ACT-8-77, Park Improvements (Woodcreek, Wilson, Beck and River Street Parks)

Re: ACT-9-77, Park Improvements (Forest View, Munn and Marscot)

The Lansing Planning Board at its regular meeting on Tuesday, May 17, 1977, completed its review under Public Act 285 of the proposal by the Parks and Recreation Department to install tennis courts in these parks. The proposal received unanimous approval from the Planning Board.

In addition, the Planning Board recommends that the Parks Department meet with residents prior to construction to plan for the specific locations of these tennis courts, as well as any additional improvements that have been identified as needed in the various parks. In the case of Forest View, Marscot and Beck Parks, the Parks Department should meet with area residents to identify specific tennis court locations in the park as well as plan the overall development scheme for the parks.

Sincerely,

DAVID L. PURVIS,
for Alan Tubbs,
Planning Director.

Referred to Committee on Parks and Recreation.

May 19, 1977

Mayor Gerald W. Graves and

Members of City Council

City Hall

Lansing, Michigan 48933

Honorable Mayor and Members of City Council:

Re: ACT-10-77—Bible College Lots adjacent to Dodge Park

The Lansing Planning Board at its regular meeting of Tuesday, May 17, 1977, completed its review under Public Act 285 of the offer by the Bible College to the City to sell two parcels of land lying west of Dodge Park. The Planning Board unanimously recommends that the property not be purchased by the City.

The Planning Board considered the potential for future expansion of Dodge Park into these lots. The Parks Department indicated that the land would not add significantly to the open space in Dodge Park. The Board of Water and Light and Public Service Department have responded in a similar manner stating that they had no interest in the property.

Therefore, it is the Planning Board's recommendation that the property not be purchased by the City.

Sincerely,

DAVID L. PURVIS,
for Alan Tubbs,
Planning Director.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Referred to Committee on Buildings and Properties and Committee on Parks and Recreation.

May 19, 1977

P-3-76

Lancen Village No. 2

Final Plat

Honorable Mayor and Members of
City Council:

The Planning Board, at their May 17, 1977 meeting, recommended approval of the final plat of Lancen Village No. 2 subject to the following:

1) That the Deed or Abstract of Title, accompanied by an attorney's opinion as to the marketability of the land, or a Certificate of Title Insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the Municipal Seal.

2) That the final security be posted in the amount specified by the Public Service Department and the Department of Parks and Recreation.

3) That final clearance for the development be obtained from the Board of Water and Light and the Public Service Department.

4) That the dimensions of Lot 90 be expanded to a buildable width.

5) That the proposed street name "Lancen Drive" be changed to one that is acceptable to the Tri-County Regional Planning Commission.

The Board found that the final plat was in substantial conformance with the preliminary plat.

The recommendation of the Board is unanimous.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

P-3-76

Lancen Village No. 3

Final Plat

Honorable Mayor and Members of
City Council:

The Planning Board, at their meeting of May 17, 1977, recommended approval of the final plat of Lancen Village No. 3 subject to the following:

1) That the Deed or Abstract of Title, accompanied by an attorney's opinion as to the marketability of the land, or a Certificate of Title Insurance be submitted to the City Clerk prior to the signing of the plat and the affixing of the Municipal Seal.

2) That final security be posted in the amount specified by the Public Service Department and the Department of Parks and Recreation.

3) That final clearance from the Board of Water and Light for the development be obtained.

4) That the proposed street name "Pat Drive" be changed to one meeting the approval of the Tri-County Regional Planning Commission.

The Board found that the final plat was in substantial conformance with the preliminary plat.

This recommendation received unanimous Board support.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

P-6-77

Webster Farms No. 4

Preliminary Plat

Honorable Mayor and Members of
City Council:

The Planning Board at their meeting of May 17, 1977 recommended that the tentative preliminary plat of Webster Farms No. 4 be approved subject to the following:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.

4) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months.

5) That compliance with requirements of the Fire Department be shown.

6) That Lots 13 and 14 be redesigned to eliminate the potential maintenance problem.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

7) That the necessary easements be provided for the installation of utilities.

8) That relief from Section 37-22(a) be granted.

9) That relief from Section 37-23(d) be granted for Lots 1 and 2.

10) That a Soil Erosion and Sedimentation Plan be submitted to the Director of Public Service for approval.

11) That all lots contain a minimum width of 60 feet at the building line.

12) That all other requirements of the responding agencies be complied with.

The Board found that the proposed subdivision will be used for single family development and that the lnad is presently zoned single family residential, which allows development as proposed.

This recommendation received unanimous (7 yeas, 0 nays) Board support.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

P-5-77

Delaware Park No. 3

Preliminary Plat

Honorable Mayor and Members of

City Council:

The Planning Board at their meeting of May 17, 1977 recommended that the tentative preliminary plat of Delaware Park No. 3 be approved subject to the following conditions:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.

4) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months.

5) That the necessary easements be provided for the installation of utilities.

6) That compliance with requirements of the Fire Department be shown.

7) That relief from Section 37-23(d) be granted for Lots 52, 53, 54, 59, 60, 65 and 66.

8) That a Soil Erosion and Sedimentation Control Plan be submitted to the Director of Public Service for approval and permit.

9) That the underground electric facilities existing on proposed Lots 65, 66, 67 and 68 be relocated at the expense of the petitioner.

10) That all lots contain a minimum of sixty feet (60') in width at the building line.

11) That all other requirements of the responding agencies be complied with.

12) That the one foot (1') outlot at the end of the proposed street of Ellendale be eliminated.

The Board found that the proposed subdivision will be used for single family development and that the land is presently zoned single family residential, which allows development as proposed.

This recommendation is made with unanimous (7 yeas, 0 nays) support of the Board.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

Z-12-77

Tammany Hills No. 3 and No. 4

Honorable Mayor and Members of
City Council:

The Planning Board, at their May 17, 1977 meeting, recommended that the proposed Community Unit Plan development by Geert D. Mulder and Sons, Incorporated for property located at 3124 Forest Road, commonly known as Tammany Hills No. 3 be approved, subject to the following conditions:

1) That the swimming pools be placed in accordance with Act 230 of 1966.

2) That this approval is subject to the recommendations of the public agencies responding on the request.

3) That the entire area be subdivided in accord with the Subdivision Control Ordinance and the Michigan State Plat Act.

4) That all improvements are to be built to City of Lansing standards, including drive openings.

5) That all lots are to be graded so that

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

surface water will drain therefrom so as not to affect adjacent properties.

6) That the development be served with underground utilities.

7) That the development be constructed in accordance with the approved plan.

8) That prior to issuance of building permits that a detailed site plan be submitted to and approved by the Planning Department, which indicates the following:

a) precise locations of building and parking areas,

b) number of parking spaces and parking lot layout,

c) street right-of-way and pavement widths as required,

d) landscape, screening and fencing plan, and

e) schedule for installation

The Board further considered that portion of the development known as Tammany Hills No. 4 and at the request of Tom Mulder tabled any further action to provide the developer time to submit further information, both to the Planning Board and the Forest View Citizens Association.

The Board found that the major change from the original plan consisted of the type of units being changed from condominium housing program to one which would be further subdivided to allow for individual lot and building development. This would allow the land to be placed on the market and sold on an individual lot basis.

The Board further found that this proposed amendment to this Community Unit Plan District, known as Tammany Hills No. 3 and No. 4, consisted of less units than the original plan and that the proposed public street layout to serve the project was in substantial conformance to the original plan.

The Forest View Citizens Association gave their endorsement to the proposed change in a letter dated March 14, 1977, providing that: (1) The number of bedrooms in each fourplex be limited to eleven, with no individual living unit having more than three (3) bedrooms, (2) A landscape plan be drawn up for the area including appropriate screening provided for the properties of Gilbert Holmes, Wilford Anderson and the abutting properties of Tammany No. 2, (3) A code of restrictions and conditions be drawn up similar to those of Tammany No. 2 including the creation of a home owner association to oversee the restrictions, and (4) The Anderson pond to be fenced in.

This recommendation received a 7 yeas, 0 nays vote of the Board.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

Z-14-77

1226 East Michigan Avenue

Honorable Mayor and Members of
City Council:

The Planning Board, at their meeting of May 17, 1977, recommended that the petition by Provincial House, Incorporated to rezone property at 1226 East Michigan Avenue (facing Eureka Street) from "J" Parking District to "F-1" Commercial District be denied.

The Board believes that the addition will promote additional traffic and activity onto Eureka Street, which is residential in character. It is the intent of the Code that hospitals maintain their frontage and access to a major or minor arterial. The Board believes that the development proposed for Eureka Street would be contrary ot the intent of the Code and is not in the public interest.

The Board found that at the time that the previous zoning change was considered that the existing established setback for the hospital was required so as to preserve the residential character of Eureka Street. The Board cannot find where conditions have changed that would justify approval of this request.

This recommendation is made with unanimous (7 yeas, 0 nays) vote of the Board.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

Z-15-77

6020 South Cedar Street

Honorable Mayor and Members of
City Council:

The Planning Board, at their May 17, 1977 meeting, recommended that the request of Betty Speaks to rezone property at 6020 South Cedar Street from "J" Parking District to "F" Commercial District be approved.

The Board found that the site is located within the established commercial strip along South Cedar Street. The Board fur-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

ther found that the elimination of the "J" Parking District would not allow overdevelopment of the site since amendments have been made to the Zoning Code which require off-street parking for all types of commercial uses.

This recommendation received a 7 yeas, 0 nays vote of the Board.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

Z-16-77
1032 North Capitol Avenue

Honorable Mayor and Members of
City Council:

The Planning Board, at their meeting of May 17, 1977, recommended that the request by Graegory Hodson to rezone the property located at 1032 North Capitol Avenue from "C-2" Family Residential District to "D-1" Professional Office District be denied.

The Board found that the change would be contrary to the Master Land Use Plan and; further, that the site in question is extremely small for office development, and with the demand for adequate off-street parking that would be required for more intense office development, overdevelopment of the site would occur.

This matter was before the City Council in 1973 for rezoning to "D-1" Professional Office District and was denied. The Board cannot find where conditions have changed in this area that would justify the change as requested.

This recommendation is made by a unanimous (7 yeas, 0 nays) Board vote.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

Z-11-77

600 block of Kaynorth

Honorable Mayor and Members of
City Council:

The Planning Board at their meeting of May 17, 1977 recommended that the revised Community Unit Plan by Geert D. Mulder and Sons, Incorporated for property located in the 600 block of Kaynorth, known as Lot 3 of Stoneridge Meadows Subdivision, be denied as filed. The Planning Board further recommends that a revised Community Unit Plan be approved for no more than 54 units, providing that the required off-street parking, fencing, screening, and landscaping is submitted to and approved by the Planning Board prior to the issuance of building permits.

Further, that the revised plan shall be in substantial conformance with the plan submitted, and shall reflect all the requirements of other public agencies.

The Board believes that the approval of this request as outlined above will allow development compatible with existing apartment development in the area and will not seriously affect adjacent residential properties.

This recommendation is made by unanimous (7 yeas, 0 nays) vote of the Board.

Sincerely,

DAVID L. PURVIS,
for Alan E. Hubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

May 19, 1977

Honorable Mayor and Members

of City Council:

The Planning Board at their regular meeting on May 17, 1977 reviewed a program for peripheral area public improvements for the third program year of Community Development. A copy of the Planning Department's proposal is included in this communication.

The peripheral area public improvements for Community Development are necessary to provide qualification to fifteen eligible census tracts in the Community Development program for implementing social service programs and housing code enforcement. There has been $100,000 allocated for these public improvements.

In analyzing the need for public improvements in these neighborhoods, it was felt that street paving for fourteen different streets within the various census tracts, park improvements and tree plantings should be the major projects utilizing the allocated amount. In addition to the Community Development funded projects, several public improvements projects have been scheduled from various non-Community Development funding sources in order to ensure eligibility for all fifteen census tracts.

The Planning Board unanimously recommends that the City Council approve the Peripheral Area Improvements as proposed. Also, it is further recommended that the current practice of requiring curb and gutter and storm drainage be waived

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

to permit the paving of the recommended unpaved streets.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Referred to Committee on Community Development.

May 16, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

Attached is a communication from former Police Officer Richard Shuler, in which he advised that he was suspended from duty, pending a Hearing before the Board of Police Commissioners, and further, that as an Honorably Discharged veteran of the U.S. Air Force, he is requesting a Hearing in accordance with the Veterans' Preference in Employment Act of Michigan. Attached, also, is a copy of a communication dated May 13, 1977, from Chief of Police Richard A. Gleason, advising of the action taken on May 12, 1977, regarding Richard Shuler.

The Hearing in question will be provided to Richard Shuler and he has been so notified. In accordance with the provisions of the law in question, I have named City Attorney Timothy Sanderson to serve as the Hearing Officer. It is necessary, therefore, that a transfer of funds be made immediately in the Lansing Police Department, so that the Department can hire Legal Counsel for this Hearing. I recommend that an appropriation of $500 be made for this purpose.

Trusting this meets with your immediate approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Finance.

RESOLUTIONS

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing did lease the premises located in the County of Ingham, State of Michigan, to wit: That part of Lots 1 and 2, West of New York Central Railroad Right-of-Way, Black 23, Original Plat, Lansing, Michigan, to the Lansing Ice and Fuel Company, with their address at 911 Center Street, Lansing, Michigan, on May 15, 1976; and

Whereas, the Lease Agreement by and between the City of Lansing and Lansing Ice and Fuel Company, was for a term of one (1) year; and

Whereas, the term of the lease will expire May 14, 1977; and

Whereas, the Lansing Ice and Fuel Company has requested that the City of Lansing grant an extension of subject lease for one (1) additional year; and

Whereas, it has been determined that subject property will not be required for use by the City for the additional term,

Now, Therefore, Be It Resolved that upon approval of the Lease Agreement by the City Attorney as to form, the Mayor and City Clerk will hereby be authorized and directed to sign the Lease Agreement by and between the City of Lansing and the Lansing Ice and Fuel Company.

Adopted by the following vote:

Unanimously.

Councilman Baker requested that resolution No. 1b relative agreement with Michigan State Highway Commission for construction of ramp revisions be held tentative until end of meeting so that the Public Service Director could come up with plans for same.

Carried.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That the proposed contract between the Grand Trunk Western Railroad and the City of Lansing for a storm sewer crossing the railroad property on South Holmes Street extended, be approved, and

That the Mayor and City Clerk be authorized to sign said contract upon approval by the City Controller as to the availability of funds, and upon approval of the City Attorney as to form.

This proposed contract will be funded under Account Number 202-472-000.818.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the City Council on March 28, 1977, directed the City Attorney to prepare an agreement authorizing Mr. Mark Otto the use of the Grand River Park sliding hill for development of a bicycle cross-country course, and

Whereas, a 1-year concession agreement has been prepared in the City's best interest, including insurance requirements and site limitations, and this agreement has been approved by Mr. Otto,

Now, Therefore, Be It Resolved that the Mayor and City Clerk are authorized to sign this concession agreement on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is actively involved in the rehabilitation and restoration of the Dodge/Turner Mansion and park area, and have recently been notified of approval of a State Historical Grant to assist in these purposes, and

Whereas, work scheduled for summer of 1977 includes weather-proofing of exterior walls, minor repair to brick and to woodwork, and the painting of wood surfaces, and

Whereas, it is the recommendation of the Parks and Recreation Department that an architectural firm be contracted for the preparation of specifications, bidding documents, and for field supervision in order to expedite the project, and to insure the historical aspects of the building's construction are maintained,

Now, Therefore, Be It Resolved, the City of Lansing authorize a professional service agreement with Rother and Hartwick, Architects to provide the professional services on the Dodge/Turner Mansion for the amount of not to exceed $2,000 with funds budgeted in account 249-936-730-976, and

Be It Further Resolved, that upon completion of the review of contract forms by the City Attorney, and certication as to the availability of funds, that the Mayor and Clerk are authorized to sign the agreement on behalf of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1977 tax rolls (U-13), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1977, in the amount of $1,624.08, as reported this date by the Building Commissioner, and as per attached list.

By Councilman Adado—

That the resolution be amended as follows: That item No. 4 on the attached sheet for 1002 W. Lapeer St. be deleted from the list and referred back to the Committee on Buildings and Properties.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, Phillip W. Ceeley, Constance E. Klarer, and Nancy I. Everhart, legal owners of 515 Erie St. and 517-19 Erie St., further described as:

515 Erie St.—Lot No. 5 of Scofields Subdivision and part of Lot No. 3 of Block 247:

517-19 Erie St.—Lot No. 6 of Scofields Subdivision of Lot No. 2 and part of Lot No. 3 of Block 247

did submit a written request to the Building Commissioner to demolish and remove the condemned residences located at the above addresses, and that all costs be applied to the property tax rolls,

Now, Therefore, Be It Resolved, that the Building Commissioner is authorized to proceed with the demolition and removal of these structures, grading and filling of the sites, and that the Purchasing Agent is authorized to proceed with obtaining quotations for this work.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Bollnas Youth Band of Bollnas, Sweden, is touring the United States of America for the first time and has included in its tour the Capitol City of Michigan, Lansing, Michigan; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the Bollnas Youth Band has brought with it two of the most valued gifts in the world, friendship and music; and

Whereas, the Bollnas Youth Band has graciously contributed to the cultural life of the City of Lansing and the State of Michigan through the performance of public concerts, the extending of the hand of International friendship and goodwill, and the hosting of the 1977 Blue Lake Fine Arts Camp International Band; and

Whereas, the Bollnas Youth Band has demonstrated a superior level of dedication to the principles of International friendship and goodwill, and musical excellence;

Now, Therefore, Be It Resolved that the City Council of the City of Lansing, expresses its gratitude and admiration to the Bollnas Youth Band by declaring Friday, May 27, 1977 as: BOLLNAS YOUTH BAND DAY IN LANSING, and

Be It Further Resolved that a copy of this resolution be presented to the Bollnas Youth Band as evidence of the high regard in which they are held by the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, The Blue Lake Fine Arts Camp of Twin Lake, Michigan, is one of the nation's leading summer camps for the fine arts; and

Whereas, The Blue Lake Fine Arts Camp, in addition to its outstanding resident programs in music, art, dance, and drama, has established an international program dedicated to the promotion of goodwill and understanding among the people of the world through cultural exchange and the universal language of music; and

Whereas, The Blue Lake Fine Arts Camp yearly sends a band, orchestra, choir and jazz ensemble on an international tour and has hosted 19 young musical groups from abroad; and

Whereas, The Blue Lake Fine Arts Camp has graciously and generously arranged for the visit of many of the touring international musical organizations to the City of Lansing with the result that many Lansing area citizens have had the opportunity to participate in an international exchange program and to enjoy the exciting concerts performed by the visiting groups;

Now, Therefore, Be It Resolved that the Lansing City Council hereby directs the planning and dedication of a tree in the Riverfront Park as testimony to the contributions made to the Lansing community by the Blue Lake Fine Arts Camp, and

Be It Further Resolved that a copy of this resolution be presented to the Blue Lake Fine Arts Camp as evidence of the high regard in which it is held by the City of Lansing.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City Council has received the recommendation from the Mayor for appointments of Alan Hammond, and Donald Simmons to the Waterfront Development Board, terms expiring 6/30/79 and 6/30/80 respectively, and

Whereas, both candidates were interviewed by the Committee on Parks and Recreation on Wednesday, May 11, 1977 and both were determined as very well qualified to serve on this city board,

Now, Therefore, Be It Resolved that the City Council accept the appointments of Mr. Hammond and Mr. Simmons effective May 23, 1977.

Adopted by the following vote:

Unanimously.

By Parks and Recreation Committee and Councilman Brenke—

Resolved by the City Council of the City of Lansing:

Whereas, the Michigan Department of Natural Resources has proposed the installation of fish ladders on certain dams on the Grand River between Grand Rapids and Eaton Rapids; and,

Whereas, the installation of these ladders will provide trout and salmon fishing and additional high quality recreation for the citizens of Lansing and other citizens residing within the greater Lansing Metropolitan area and the Grand River Watershed; and,

Whereas, the installation of these fish ladders will provide an additional 190 miles of fishable waters and extend the range of trout and salmon to the State Capitol and will enhance Lansing's tourist and convention business and improve the economy of the region and will provide further incentives for river cleanup and waterfront recreational programs; and,

Whereas, the concept of bringing salmon, steelhead and brown trout up the Grand River as far as Eaton Rapids has been endorsed by the Michigan United Conservation Clubs, the Lansing Chamber of Commerce, the Lansing Convention Bureau and has received strong citizen support; and,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, it appears that certain monies may be available for installation of fish ladders and construction of parking areas, river access roads and sanitation facilities on a formula match basis from the Land and Water Conservation Funds; and,

Whereas, the target date for completion of the fish ladders and supporting facilities is estimated to be 1980-81; and,

Whereas, the City of Lansing supports the concept of developing the Grand River for recreational purposes and understands that the implementation of the plan will require that the city provide a share of the funds necessary for the construction of fish ladders at Moores River Park and North Lansing Dams and for other supportive facilities; and,

Whereas, the bringing of salmon and trout to the Capitol City for benefit of area residents and the citizens of the State, over 75% who live within a half-day drive of the Grand River Watershead, will preclude the expenditure of valuable energy resources utilized by area fishermen in driving long distances to fishing streams in the eastern and northern areas of the State; and,

Whereas, it is estimated that every dollar spent for such recreational services will equate to a $20 per day recreational dollar economic advantage to the City of Lansing;

Now, Therefore, Be It Resolved that the City of Lansing supports the concept for developing fishing facilities and the construction of fish ladders within the Grand River Watershed and affirms its intent to provide financial support to the proposed "Salmon Fishing in the Grand River Project," however, the extent of such financial support will be determined by City Council after review and analysis of the plan presently being prepared by DRN; and,

Be It Finally Resolved, that a copy of this resolution be submitted to the Department of Natural Resources, Michigan United Conservation Clubs and to the appropriate state and legislative officials as an indication of Lansing's intent to support the program.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Mayor and Lansing City Council have received a communication from the Ad Hoc Committee of the Northeast Neighborhood Association; and,

Whereas, this communication is quoted as follows:

"Recent events have made many citizens in the northeast section of Lansing critically aware that decisions by political jurisdictions, other than the city to which we pay taxes, can have a disruptive and costly affect on our lives. We refer specifically to the widening of Lake Lansing Road by the City of East Lansing, the promotion of the Dayton-Hudson Mall project by that city, the construction of the Kerry Street Apartments, and the high density project proposed by the Eyde Development Company in the vicinity of Lake Lansing Road and Wood Street. While these issues are of great and immediate concern, it appears that the development of the vacant land adjacent to the city's northeastern boundaries will continue to create issues of concern for the foreseeable future.

"We have been informed that the city has the right to plan for the physical development of areas outside its boundaries, if the areas impact the planning of the City. Certainly, it should be clear by now that Lansing residents who live in sections of the city which border other cities and townships are directly affected by the land use decisions of those jurisdictions and that the city's plans for these border neighborhoods are impacted by the decision of these other political entities. It is also clear that the City of Lansing cannot dictate to the surrounding areas and expect anything but anger in return. We believe it is time for the elected of the City to go to the elected officials of East Lansing and take the first step toward Lansing and the Charter Township of resolving the problems which are bound to occur if we all continue to act as if we live on separate, isolated islands. We further believe that compromises can and must be reached between our city and the surrounding jurisdictions. Lansing cannot expect to have everything its way if it is hurting East Lansing and Lansing Township, by the same token, nor can these jurisdictions disregard the needs and interests of Lansing.

"We hereby request that the Mayor and the City Council immediately take all the steps necessary to establish formal, continuing contact with the elected leaders of East Lansing and the Charter Township of Lansing, with the specific purpose of resolving the issues addressed above. Further, we request that all required actions be taken to formalize continuing contact between the Lansing Planning Board, the East Lansing Planning Commission and the Charter Township of Lansing Planning Commission, with the specific purpose of mutually developing plans for the border areas of these political jurisdictions which meet the housing, recreation, circulation and economic needs of the area.

"We request that this letter be read aloud at the City Council meeting and that members in the audience in support of the request be asked to stand.

Respectfully submitted,

THE AD HOC COMMITTEE OF THE NORTHEAST NEIGHBORHOOD ASSOCIATION."

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

and,

Whereas, the Mayor and City Council of the City of Lansing accept the validity of the concerns expressed in the above communication; and,

Whereas, the Mayor and City Council support and acknowledge the necessity for increased coordination and communication between Lansing's policy making officials and planners and the other policy making officials and planners within the Greater Lansing Metropolitan area;

Now, Therefore, Be It Resolved that the Lansing Planning Department is directed to prepare appropriate correspondence for the Mayor's signature which will be directed specifically to the East Lansing and Lansing Township officials which will request a meeting of the appropriate executive and planning officials from Lansing, East Lansing and Lansing Township to explore the various ways to establish greater cooperation in the development and execution of plans which may, when executed, have intro-jurisdictional consequences; and,

Be It Finally Resolved that once the date and place of the initial meeting is established that the Planning Department will insure that appropriate and advance notification via the media and other means of communication is affected to permit the maximum possible citizen participation and comments during these meetings.

By Councilman Baker—

That the resolution be amended as follows:

That on page 2—paragraph 3—line 4 after the word "executive" the word "Legislative" be inserted.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been asked to participate in the preparation of the Ingham County Overall Economic Development Plan, and

Whereas, the City Planning Department has reviewed its ongoing studies, and plans of other City departments, to ascertain projects which may be eligible for grant-in-aid funding, and

Whereas, those projects have been considered which may benefit the long-term economic development of the City, through improved aesthetics, industrial infrastructure, commercial facilities, and recreational opportunities, and

Whereas, over a two-year development period, the City will make vigorous efforts to bring those projects to fruition,

Now, Therefore, Be It Resolved, that the City Council approves the projects to be submitted to the Ingham County Overall Economic Development Plan Committee for inclusion in the upgraded OEDP for fiscal year 1977-78.

By Councilman Baker—

That the resolution be amended as follows:

That on the attached summary sheet for Ongoing Projects that the "Edgewood Boulevard Completion" be deleted.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SJ-2-77

Fisher Body Division of General Motors Corporation Lansing Plant

more particularly described as:

Parcel number 3301-17-101-021 located on the southwest corner of West Saginaw Street and Stanley Street.

Whereas, the Fisher Body Division of General Motors Corporation has requested permission to erect a standard General Motors Identification Sign, thirty-one feet, five inches (31′ 5″) long and thirty-three feet, two inches (33′ 2″) high, at the southwest corner of West Saginaw Street and Stanley Street; and

Whereas, the proposed location of the sign is in the "J" Parking District; and

Whereas, pursuant to Chapter 36, Section 36-41(9) of the Code of Ordinances of the City of Lansing, the Planning Department reviewed this request; and

Whereas, the Planning Department believes that the type of sign proposed is in keeping with the general intent of Section 36-41(9), which is to allow advertising signs within the "J" Parking District for industrial establishments provided the sign is constructed in accord with the Lansing Sign Ordinance and a sign permit is obtained; and

Whereas, the Planning Committee of Council reviewed the report of the Planning Department and concurs therewith;

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Now, Therefore, Be It Resolved that the Council of the City of Lansing approves and allows the erection of the above described advertising sign on the above described property, subject to the issuance of the proper sign permits in accord with the Sign Ordinance. Approval of this erection of this sign is based upon the understanding that the sign be entirely located on land owned by Fisher Body Division of General Motors Corporation.

By Councilman Baker—

That this resolution be referred back to the Committee on Planning.

Carried.

By Committee on Planning and Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-3-77

Libbie Subdivision No. 2

Preliminary Plat

Whereas, the preliminary plat of Libbie Subdivision No. 2 has been submitted for tentative approval; and

Whereas, the Planning Board, pursuant to Act 285, P.A. 1931, has reviewed the two proposals for plat; and

Whereas, the Planning Board has approved and recommend that the City Council tentatively approve the preliminary plat in accord with Proposal "A," which indicates Meese Drive being terminated with a cul-de-sac, subject to conditions; and

Whereas, the Planning Committee of Council reviewed the report of the Planning Board and concurs therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Libbie Subdivision No. 2 be tentatively approved in accord with Proposal "A"; and

Be It Further Resolved, that:

1) the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act,

2) all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties,

3) the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations,

4) the necessary easements be provided for the installation of utilities,

5) compliance be shown with the requirements of responding agencies, and

6) this tentative approval of the preliminary plat, in accord with Proposal "A" is effective for a period of twelve (12) months; and

Be It Further Resolved that the City Clerk is hereby directed to attach this approval to the plat and return it to the Proprietor.

Adopted by the following vote:

Unanimously.

By Committee on Planning and Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-4-77

Circle West Subdivision

Preliminary Plat

Whereas, the preliminary plat of Circle West Subdivision has been submitted for tentative approval; and

Whereas, the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommends that the City Council tentatively approve the preliminary plat, subject to conditions; and

Whereas, the Planning Committee of Council reviewed the recommendation and concurs therewith;

Now, Therefore, Be It Resolved that the preliminary plat of Circle West Subdivision is hereby tentatively approved; and

Be It Further Resolved, that:

1) the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act;

2) all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties,

3) the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations,

4) the necessary easements be provided for the installation of utilities,

5) a restriction be recorded on the final plat that will prohibit vehicular ingress and egress from Lot No. 1 directly onto Grand River Avenue,

6) the developer is responsible for the cost of all public improvements in Joni's Circle,

7) compliance with the requirements of the responding agencies be shown, and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

8) this tentative approval is effective for a period of twelve (12) months; and

Be It Further Resolved, that the City Clerk is hereby directed to attach this approval to the plat and return it to the Proprietor.

Adopted by the following vote:

Unanimously.

Councilman Blair left the session.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That effective May 23, 1977 the City Personnel Director is authorized and directed to establish the following positions within the Community Development Fund Budget of the Building Department Section of the Classification and Compensation Plan:

Three (3) Rehabilitation Specialist V

One (1) Rehabilitation Specialist VI

Funds are available for salaries and benefits in accounts No. 251-930-000-702 and No. 251-930-000-715, respectively, to defray the costs thereof through the current fiscal year.

Adopted by the following vote:

Unanimously.

Councilman Blair returned to the session.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

I hereby certify that funds are available.

JAMES W. DOWSETT,
Director of Finance.

Approved:

TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

Adopted by the following vote:

Unanimously.

PUBLIC IMPROVEMENT I

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a public necessity to construct Curb and Gutter in Shirley Street from existing C&G east of Pennsylvania to Devonshire (from the W. line of Lots 37 and 47 to the E. line of Lots 42 and 43 of Battenfield Subdivision No. 2) as petitioned. (See Petition No. C&G 2-77 on file with the City Clerk.)

Signed by 8.8% of the owners of benefited frontage.

Signed by 80% of the benefited owners.

That the Department of Public Service be and hereby is directed to cause to be prepared so far as necessary, diagrams and plats of the whole of said district, and/or plans and specifications for such project, and is further directed to estimate in detail the cost of said project, and furnish said information to the Council.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

PUBLIC IMPROVEMENT II

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the Department of Public Service in pursuance of the resolution of this Council,

Resolution date—5/23/77

P.S. No. 77061—C&G

Property Benefited: All lands fronting in Shirley St. from the W. line of Lots 37 and 47 to the E. line of Lots 42 and 43, Battenfield Subdivision No. 2, excepting all public streets and alleys and other lands deemed not benefited.
be received, approved and placed on file.

The Engineer's estimated expense of said improvements are as follows:

Project No. P.S. 77061

Assessment Roll No. 260—C&G

Intersection and City Contribution	$2,478.04
Assessable to Property Owners	2,962.52
Total Project Cost	$5,440.56

NOTE: This project is to be considered as part of the 1977 CURB AND GUTTER CONTRACT, P.S. 74046.

That the City Assessor be, and is directed, to make special assessment installment rolls, based upon bids to be received and other related costs of construction, and return same to the City Council.

I hereby certify that funds are available and encumbered for the City of Lansing's share of said project.

EDWARD PERRY,
City Controller.

Adopted by the following vote:

Unanimously.

PUBLIC IMPROVEMENT III

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the special assessment roll for Curb and Gutter Construction,

Assessment Roll No. 260

P.S. 77061—C&G

Property Benefited: All lands fronting on Shirley St. from the W. line of Lots 37 and 47 to the E. line of Lots 42 and 43 of Battenfield Subdivision No. 2, excepting all public streets and alleys and other lands deemed not benefited.

The revised estimated expense of said improvements based upon construction bids are as follows:

Project No. P.S. 77061

Assessment Roll No. 260—C&G

Intersection and City Contribution	$2,478.04
Assessable to Property Owners	2,962.52
Total Project Cost	$5,440.56

NOTE: This project is to be considered as part of the 1977 CURB AND GUTTER CONTRACT, P.S. 74046.

returned by the City Assessor be received and placed on file, and the City Clerk be directed to publish a notice thereof by publication in a local newspaper five days in accordance with Section 28-17, of Chapter 28 of the Code of Ordinances.

Resolved Further, that the City Council will meet at the Council Rooms on Monday, the 14th day of June, 1977, at 7:00 o'clock p.m., for the purpose of reviewing said assessment roll.

I hereby certify that funds are available and encumbered for the City of Lansing's share of said project.

EDWARD PERRY,
City Controller.

Adopted by the following vote:

Unanimously.

Adopted by the following vote:

Unanimously.

REPORT OF COMMITTEE

The Committee on PUBLIC STREETS AND HIGHWAYS, to whom was referred the recommendation of the Purchasing Director and the Director of Public Service that the bid submitted by Dow Chemical U.S.A. for the purchase of approximately 100 tons of calcium chloride for $74.90 per ton for bulk purchases and $95.40 per ton for purchases in 100 lb. bags be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Director of Public Service, funded under account No. 203-468-100-782.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed construction agreement between the Michigan State Highway Commission and the City of Lansing for the construction of Ramp Revisions at Hwy I-96 and Cedar Street under Control Section M 33032 - 09654 (77-0678), be approved, and

That the City's portion of this contract will be approximately $26,000.00, and is to be funded from Account No. 202-453-612-974.000, and

That the Mayor and City Clerk be authorized to sign this agreement upon certification of the City Controller as to the availability of funds, and after the approval as to form by the City Attorney.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the East Lansing City Council will hold a Public Hearing on the rezoning of the Dayton-Hudson property on Tuesday, May 24, 1977, at the Hannah Middle School, and

Whereas, it is the desire of the Lansing City Council to Make its position known on this,

Now, Therefore, Be It Resolved that the Planning Director is authorized to make the attached remarks and present the previously approved report as the City's official position on this issue.

Be It Further Resolved, that the City Council establish a committee composed

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

of the Mayor, the Chairman of the City Council Planning Committee, the City Assessor, the Finance Director and the Planning Director to meet with East Lansing officials.

By Councilman Baker—

That the resolution be amended by deleting the last paragraph from the resolution.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 11:15 p.m.

RITA BAUMAN,
Deputy City Clerk.

ROBERT J. HULL,
TERRY J. McKANE,
Committee on Parks and Recreation.

By Councilman Belen and Councilman Blair—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

REPORTS OF CITY OFFICERS AND BOARDS

May 24, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of W. S. Teszlewicz in the amount of $161.20

Dear Mayor and Council:

This office has investigated the claim of W. S. Teszlewicz for $161.20 incurred as the result of a traffic accident he had at the corner of Alpha and Lincoln Streets on January 10, 1977.

The accident report indicates that the cause of the accident was due to a stop sign being down. Mr. Teszlewicz has also indicated that the downed sign resulted in the accident.

MCLA 691.1403; MSA 3.996(103) states:

"No governmental agency is liable for injuries or damages caused by defective highways unless the governmental agency **knew, or in the exercise of reasonable diligence should have known,** of the existence of the defect and had a reasonable time to repair the defect before the injury took place. Knowledge of the defect and time to repair the same shall be conclusively presumed when the defect existed so as to be readily apparent to an ordinarily observant person for a period of 30 days or longer before the injury took place." (emphasis added)

The maintenance of road signs is considered as part of the operation of the highway. It has been noted by Mr. Ray Severy, the Traffic Engineer, that the sign was standing on January 7, 1977. Therefore, the chief question is when the sign was felled and whether the City should have known of the occurrence.

Because the Traffic Department cannot ascertain exactly when the sign was first down, it is difficult to make a recommendation on the claim. However, no proof has been shown that the City knew of the defective sign nor is there any proof that the City should have known of the defective sign.

Therefore, it is the opinion of this office that Mr. Teszlewicz' claim be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and said claim be denied.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, McKane—6.

Nays: Councilmen Baker, Hull—2.

May 26, 1977

Honorable Mayor and Members

of the Lansing City Council

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Re: Claim of Dorine Hanes in the amount of $67.77

Dear Mayor and Council:

On March 26, 1977 Ms. Dorine Hanes of 4011 Hartford Road, Lansing, whie driving on Miller Road, struck a "chuck hole" in the pavement and broke the ball joint on the right side of her car. Ms. Hanes has subsequently filed a claim for $67.77.

MCLA 691.1403; MSA 3.996(103) states in part:

"No governmental agency is liable for injuries or damages caused by defective highways unless the governmental agency knew, or in the exercise of reasonable diligence should have known, of the existence of the defect and had a reasonable time to repair the defect before the injury took place."

The chief issue in this matter is whether the City knew or should have known of the condition of the roadway.

Ms. Hanes in her letter states that the wrecker attendant advised that hers was the second such call he had received that night. "Chuck holes," however, are a common occurrence in the spring, especially after a hard winter.

There has been no evidence brought to light that the Public Service Department knew or should have known of the condition beforehand. Therefore, it is the opinion of this office that Ms. Hanes' claim be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

May 26, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of James M. Griffith in the amount of $146.52

Dear Mayor and Council:

On March 10, 1977, Mr. James M. Griffith of 7404 Creyts Road, Dimondale, entered the North Capitol Ramp. While driving through the ramp, a piece of concrete dislodged from the ceiling of the ramp damaging the fender area of Mr. Griffith's car in the amount of approximately $150. MCLA 691.1406; MSA 3.996 (106) states in pertinent part:

"Governmental agencies have the obligation to repair and maintain public buildings under their control when open for use by members of the public. Governmental agencies are liable for bodily injury and property damage resulting from a dangerous or defective condition of a public building if the governmental agency had actual or constructive knowledge of the defect, and, for areasonable time after acquiring knowledge, failed to remedy the condition or to take action reasonably necessary to protect the public against the condition."

The Traffic Engineer has reported that prior to the accident in question and throughout the winter months that pieces of cement had fallen in the North Capitol Ramp. In a majority of the cases the pieces of cement did not fall to the floor but rather were caught by the drainage areas. Inspections and corrections of the conditions however were not completed until after Mr. Griffith's accident even though the aforementioned incidents had occurred with some regularity.

In light of these facts it is the opinion of this office that the City had actual knowledge of the defect for a reasonable time prior to the Griffith accident and should satisfy Mr. Griffith's claim for the lowest bid of $146.52.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $146.52 payable to James M. Griffith.

Carried.

May 9, 1977

Chairman Lucile Belen and Members

Committee on City Affairs

Lansing City Council

Gentlemen:

We are attaching an application for a parade permit from the Wolverine Boys' State, scheduled for 8:00 A.M. on Wednesday, June 22, 1977, which has been approved by the necessary department heads.

Our Traffic personnel estimate this parade will cost the City a total of $74.05, which represents five officers and five motorcycles for one hour.

This is being forwarded to your committee for final action.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Belen—

That the parade application be approved as recommended by the Chief of Police.

Carried.

May 25, 1977

Honorable Mayor Graves and

Members of Lansing City Council

Gentlemen:

The Municipal Development Team, pursuant to your resolution of April 4, 1977, has reviewed the issues of tax abatement, provision of steam service and subsidy requirements relative to the F/S Development Company's proposal to develop Parcel 7, Urban Renewal Project No. 2, located at Cedar and Shiawassee.

We wish to present the following information and recommendations and request that it be referred to the appropriate Council Committee(s) for presentation of documentation and explanation.

Tax Abatement: Based on our analysis we have determined that tax abatement if required for project feasibility. But, upon advice of City Attorney, we conclude that the City of Lansing is limited as to when and how abatement may be provided for residential development. The purpose of Sections 29-3 and 29-4 of the Code of Ordinances of the City of Lansing is to provide abatement to elderly housing. In addition State Statute MCLA 125.1415(a) allows abatement benefits to apply to low income residents and State Act 250 allows for the provision of abatement to development projects within designated "blighted" areas. At present these are the only available means of abatement.

We, therefore, recommend consideration by the City of Lansing and the proposed developers of the possible use of S.A. 250 for the Cedar/Shiawassee site and we have requested that the City Attorney's Office conduct the appropriate research for such consideration.

We also recommend Sections 29-3 and 29-4 of the Code of Ordinances and MCLA 125.1415(a) be reviewed and consideration be given to adopting a new city ordinance bringing city policy in line with etsablished enabling legislation.

Finally, we recommend that provision of any form of abatement, especially for non-elderly units, be tied to proposed rent levels and certified operating expenses and should be subject to periodic review, and that these concerns be incorporated into a formal procedure for consideration of tax abatement which we are now preparing.

Section 8 Subsidies: At this time Lansing has no uncommitted Section 8 subsidies. Lansing's proposed Housing Assistance Plan has included sufficient subsidies for this project but they are not currently available.

We urge the Mayor and the Planning Department to undertake all appropriate actions to secure additional Section 8 subsidies.

Steam Service Extension: We have requested information from the developer providing justifications for expenditures required in extending steam lines and we have requested a reaction from the Board of Water and Light regarding the proposed extension.

The developer's architect has projected a total project savings of $23,000 per year for tenants through the use of steam for heating and cooling.

The Board of Water and Light has indicated that, subject to the availability of steam production capacity, if the developer (including the City of Lansing) would absorb the costs of extending steam service to the site on a non-refund basis, the Board of Water and Light would consider expanding service lines to the site.

Board of Water and Light cost projections are $241,000 for extension of service to Parcel 7 and an additional $100,000 for Parcel 5 (Cedar/Saginaw).

We recommend that, subject to the availability of funds, the Housing and Redevelopment Department, on behalf of the City of Lansing, negotiate with the developer an equitable distribution of costs for steam service extension to the site and that, once such an agreement has been reached and has been approved by City Council and the Mayor, the Housing and Redevelopment Department will formally advise the Board of Water and Light of the City's desire for steam line extension. In the event that this cannot be done, we have advised the developer that he should immediately apply for gas service reservations.

We respectfully request that these issues be considered promptly so that the status of the pending F/S Development Company's proposal may be resolved.

The Municipal Development Team is prepared to provide the details and thought processes upon which the above recommendations are based to the appropriate Council Committee(s).

On Behalf of the Municipal Development Team,
City of Lansing,
Housing and Redevelopment Department,

RONALD G. STONEHOUSE,
Director.

Referred to Committee on Ordinance and Contracts and City Affairs and Committee on Community Development, Committee of the Whole, City Assessor, City Attorney.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

That Mayor Graves make a report back to the Council on this.

May 26, 1977

Honorable Mayor and

Members of City Council

Re: Study on Mill Street (CATA) Facilities

Gentlemen:

The Committee on Buildings and Properties asked that I examine the feasibility of the department's utilization of the Mill Street Property for Field Office operations. This study is part of an overall examination being conducted to determine the future use of those buildings, and the location of the Traffic Department Sign Shop.

I have informally advised both legislative and technical staff studying this matter that the decentralization of our Field Office operations requires considerable detailed study considering the loss of efficiency from any significant separation of employees and/or equipment.

Attached is a brief feasibility study on our department's use of the Mill Street property as requested. Because of crowding at our Oak Park Compound there are possible advantages for our relocating some operations to the Mill Street location. Unfortunately, the Mill Street site is smaller than what we are currently using and therefore cannot be considered as a substitution to Oak Park.

The report defines several problems, including access, building, site, and staffing which would need to be resolved prior to use of the C.A.T.A. facility for Park and Recreation operations. To do any less than these, and attempt to relocate a small section of our operation would create inefficiency which would negate the gain of additional space at the Oak Park Facility currently needed to house our, or any other operation.

Thank you.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Buildings and Properties.

May 26, 1977

Honorable Mayor and

Members of City Council

Re: Summer Recreation Grant

Gentlemen:

The Department of Parks and Recreation working with the Lansing Regional Manpower Administration have prepared an application for the Summer Youth Recreation Program administered by the Community Services Administration of the federal government.

Being proposed for 1977 is a 100% grant to the City for the implementation of a day camp program to be offered at Grand Woods Park. The youngsters would be transported to this activity from our neighborhood, and Leisure Center sites. Total amount of the grant is for $10,321, which will be budgeted for wages, travel, supplies, and equipment.

The activity is similar in nature to that provided by the department for many years terminating in 1971.

I would appreciate your review of this matter and approval to enter into a contract with the Manpower Administration so funds may be available starting June 20, 1977.

Thank you.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Parks and Recreation.

May 26, 1977

Honorable Mayor and

Members of City Council

Re: Closing of Grand and Shiawassee for July 4th Activities

Gentlemen:

We are currently finalizing plans for activities scheduled for the July 4th week-end including an Ethnic Festival, parade, fireworks, a series of concerts, barbeque roast, a small carnival, and several demonstrations and other programs. Providing the weather cooperates we expect there will be a generally large attendance between 12 noon and nine p.m. on Saturday and Sunday, and from 10:00 a.m. through 11:00 p.m., Monday, July 4.

Activities are scheduled during the entire week-end for both the Lansing Community College, and the Riverfront Park sides of Grand Avenue; and on both the north and south sides of Shiawassee between Cedar and Grand. Because of the combination of a large number of people, and the locations of various activities, it seems advisable to close both Grand and Shiawassee in the areas as described to assure a safe flow of pedestrians between the different areas of activity.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Special arrangements would be made to open Grand Avenue for access to the Lansing Community College parking ramp starting at 7:30 p.m., July 4. This will be done to help accommodate the crowd anticipated to attend the fireworks display scheduled to start approximately 9:45 Monday.

I would appreciate your review and approval on this matter.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Public Service and Highways.

May 26, 1977

Honorable Mayor and Members

of City Council:

Re: July 5, 1977 Planning Board Meeting

During the May 17, 1977 meeting of the Lansing Planning Board a discussion was held regarding the July 4 holiday, which is one day prior to the Board's scheduled first meeting in July. Further, it would convene on the same Tuesday nights as the City Council meets.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

For these reasons the members unanimously supported the motion that the regular July 5, 1977 meeting of the Lansing Planning Board be canceled.

Sincerely,

DAVID L. PURVIS,
for Alan E. Tubbs, Secretary,
Lansing Planning Board.

Received and placed on file.

May 23, 1977

Honorable Mayor Gerald W. Graves

and Members of City Council

City of Lansing

Lansing, Michigan 48933

Gentlemen:

On the evening of May 19, 1977 at 7:00 P.M. an interview was scheduled by Ms. Pauline Sandoval of the Human Relations staff and Sergeant John Baylis of the Lansing Police Department to meet with an individual who had entered a complaint against the Lansing Police Department. The complaint was received by the Human Relations office on February 28, 1977. An investigation of the complaint ensued. At the conclusion of the investigation it was deemed necessary to meet with the complainant in regards to certain discrepancies in statements made.

When the investigators, Ms. Sandoval and Sergeant Baylis, arrived at the citizen's home for the interview, they were met by the complainant and a group of assembled people. Among the group was one (1) Ingham County Commissioner, two (2) Lansing Councilmen, one (1) person from the Minority Substance Abuse Program, one (1) member of the Lansing Legal Aid Agency and two (2) male community persons. Rather than a routine interview, it appears that the investigators were confronted by a "Board of Inquiry."

On May 5, 1969, the Lansing Police Board and Human Relations Committee adopted a plan of procedures for investigating complaints against officers of the Lansing Police Department. An Addendum was added on January 19, 1971. Since that time many complaints have been investigated. The procedures adopted have proven to be very successful and have met with the full support of both Boards. The cooperative efforts of staff personnel of both the Police Department and the Human Relations Department have neutralized many controversial situations.

The reception confronting the investigators on the evening of May 19, 1977, placed them in a very uncomfortable position. We highly disapprove of this interference. We are both in agreement that our investigators must not be confronted by such unorthodox groups in the future. Therefore, we request that the City Council go on record to support the procedures as adopted by the Lansing Police Board and the Human Relations Committee that allow our investigators to conduct their investigations as they have in the past without outside interference.

RICHARD A. GLEASON,
Chief of Police,

RICHARD D. LETTS,
Human Relations Director,
Equal Opportunity Officer/
Affirmative Action Officer.

Referred to Committee on Public Safety.

May 27, 1977

Honorable Mayor Pro-Tem and

Members of the Lansing City Council

Tenth Floor—City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

Attached is a copy of my most recent communication from Congressman Robert Carr, pertaining to the effects of the Housing and Community Develpoment Act on the City of Lansing.

Copies are being forwarded to those City Department Heads concerned.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to Community Development Director and Committee on Community Development.

May 23, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

On November 5, 1976, I forwarded to you a communication which read, in part, as follows:

"After lengthy deliberation by the City Council, and some disagreements, on the question of space allocation for departments, and building utilization, you did on September 7, 1976, approve a Resolution, which:

—Resolved that actual space allocation planning, and execution, be done, through

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

administrative action, under the direction of the Mayor;

—Appropriated $156,000 to accomplish the aforementioned;

—Resolved to utilize the City Hall and the Washington Square Annex for departmental offices;

—Resolved to cease utilization of the old City Hall Annex and order it razed when it is determined that there is no need for this space for any City department, or agency use;

—Retained $30,000 for the razing of the old City Hall Annex, and that determination with regard to such razing be made by May 1, 1977.

In keeping with the aforementioned responsibility granted to me by the City Council, I am now submitting to you the following, so that you may be appraised of the finalized plans for departmental relocation, which is expected to be undertaken shortly. . . ."

". . . This plan eliminates all City use of the City Hall Annex (Poxson Building). Negotiations are currently being conducted through the Mayor's Office for possible sale of this property for extensive restoration. If such sale is not possible, demolition of this site improvement can be expected to be accomplished at the earliest pleasure of the Council."

As of Saturday, May 21, 1977, the relocation of various offices as mentioned in my communication of November 5, was completed, with the exception of the Senior Citizens Office on Aging, scheduled for the Civic Center. To date, **you have not made the determination** with regard to the razing of the old City Hall Annex (Poxson Building) and May 1, 1977, has already gone by.

As today, Monday, May 23, 1977, my office has received a communication from Gary L. Johnson, G. L. Johnson and Associates, Professional Center West, Suite 415, 701 N. Logan, Lansing, Michigan, regarding the purchase of the old City Hall Annex (Poxson Building) (see attached). Mr. Gary L. Johnson also attached a down-payment check in the amount of $1,000.00, plus a **Greater Lansing Board of Realtors Uniform Buy and Sell Agreement.** Mr. Johnson advises that it is the intention of G. L. Johnson and Associates to invest approximately $450,000 in the remodeling of the facility. In short, you have a bona fide offer to buy the City Hall Annex (Poxson Building), so a decision by you must be made. If it is your desire to sell the aforementioned, for the purposes of seeing the property renovated, put back on the property tax roll, and to see it occupied, apparently the way has been cleared by the Office of the City Attorney. In a communication dated 5/12/77, from Timothy W. Sanderson, City Attorney, to Councilman James Blair, he stated in part:

"Since no deed, dedication, stipulation, ordinance or resolution exists limiting the property's usage to park or recreation, we find no legal obstacle to its use for office or commercial purposes. While the Master Plan does indicate planned usage as a park, it does not have the force of law unless adopted by or incorporated into an ordinance. . . ."

"Nothing in the chain of title to the property, the City ordinances or proceedings of the City Council prohibits the transfer of the building to the EDC or its use for commercial rather than park purposes. Any transfer of the Poxson Building to the EDC would, of course, have to comply with the requirements of Section 14.3 of the City Charter, including Council approval by six votes."

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Buildings and Properties, Waterfront Development Board and Committee on Parks and Recreation.

May 26,1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and
Council Members:

In a communication to you dated October 21, 1976, (see attached), I requested your support of a Resolution which I proposed to the Building Commission of the State of Michigan, and which was unanimously approved. To date, my only response has been that from your Program Coordinator George Lokken, who advised on October 29, 1976, some concern over the advisability of your adoption of a Resolution of support "because the State Supreme Court has not as yet ruled on the constitutionality of the proposed bonding program." Well, the State Supreme Court has ruled that bonding for construction of badly needed new State office facilities would be legally acceptable. Once again, I am requesting your support.

In a very related matter, the members of the State Building Commission, of which both Councilman Lucile Belen and I are members, seriously discussed the need for a MICHIGAN HISTORICAL MUSEUM. Please be advised that I will be introducing at the next regularly scheduled meeting of the State Building Commission to be held on July 12, a Resolution in support of such a facility and the Resolution will request the Joint Capital Outlay Committee of the Michigan Legislature to **release** the funds now being held in abeyance so that schematics and planning can get underway

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

for such a facility. Originally, such dollars for a new State Historical Museum were authorized in 1965, but no progress has been made to date. As a result, the present Michigan Historical Museum is overcrowded, in the wrong location and is far from reaching a potential, with thousands of historical items, artifacts, etc., having to be stored in State warehouses. A proper facility could result in thousands of visitors annually becoming knowledgeable about the State's total cultural development.

Sheer numbers alone dictate the need of such a facility—there are 14 million visitors to the State each year; within 175 miles of Lansing there are 2 million school children; and, for the first three weeks of May of this year, more than 47,000 persons visited the State Capitol alone. A real Michigan Historical Museum could easily double the number of visitors to the Capital City and make a significant impact upon people's minds of "what the past was truly like, what course of events connected **then** and **now**, and in finding out how we got this way."

The Museum in question would approximate $7,000,000 in construction costs and would cover several acres of land, with parking available, in the vicinity of Ottawa, Butler, Ionia and Sycamore streets.

I request your support, also, of such a facility.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

May 27, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and
Council Members:

In compliance with the City Charter provisions (Section 7.6c), I am herewith submitting my recommendations for filling up-coming vacancies on City Boards. Of the 44 nominations for appointments, attached herewith, 40 are re-appointments.

I am taking this opportunity to publicly express my appreciation to those persons who accepted my offer to be re-appointed, and for their contributions to the betterment of the City. Too, each has gained valuable experience in the past and each will be more knowledgeable in the functioning of the respective Boards in the future.

Trusting these nominations for appointment meet with your approval, I remain

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

RESOLUTIONS

By Committee on Community Development—

Resolved by the City Council of the City of Lansing:

That the bid submitted by Brown Brothers, Incorporated, for Demolition Contract No. 1 for Neighborhood Development Area No. 1, in the total amount of $39,700.00 be approved as the lowest and best bid, subject to approval of said bidder by the Equal Opportunity Division of the Detroit

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Area Office of the U. S. Department of Housing and Urban Deevlopment (HUD); however, failure of HUD to respond to the request for approval within fifteen (15) working days shall be considered as approval; and

Be It Further Resolved, that the Mayor and City Clerk be and are hereby authorized and directed to execute a contract with said Brown Brothers, Incorporated, on behalf of the City of Lansing, according to said bid presented and specifications on file, after approval as to the form of the contract, bonds, and insurance policies by the City Attorney, certification as to the availability of funds in Account No. 258-840-641-801 by the Finance Director, and approval by HUD in the manner herein specified.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1977 tax roll (U-13), the cost of correcting the hazardous and unsanitary condition of a property located at 1002 W. Lapeer, in the year 1977, in the amount of $91.00, as reported this date by the Building Commissioner.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

That the appointment of David F. Lamb to the Peripheral Area of the Citizens' District Council No. 2 (Eastside), for a term expiring in April of 1979, be confirmed.

Adopted by the following vote:

Unanimously.

By Committees on Finance and Community Development—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council resolved on March 28, 1977, that the City of Lansing intends to commit $600,000 of non-general fund monies for the continued development of Capitol Commons, subject to review of the Council Committee on Finance, and

Whereas, the Lansing City Council authorized the creation of a Municipal Development Team, whose responsibilities include the review of development of Capitol Commons, and

Whereas, the Municipal Development Team has prepared a recommendation for the expenditure of $600,000 and has consulted with the Board of Directors of BILD Corporation and BILD Corporation has endorsed this recommendation, and

Whereas, the Council Committees on Finance and Community Development have reviewed and approved the recommended expenditures of $600,000 for Capitol Commons and the Finance Committee has approved fund transfers of $300,000 which are presently available.

Now, Therefore, Be It Resolved, by the Lansing City Council that the recommendations of the Municipal Development Team, as set forth in its letter dated May 17, 1977, be and are hereby approved.

By Councilman Belen—

That the resolution be amended in the last paragraph—2nd line as follows: after the word "that" insert "subject to the availability and transfer of the required non-general fund monies".

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing submitted its Third Program Year C.D.B.G. Application (FY 78) to the U. S. Department of Housing and Urban Development (USDHUD) on April 11, 1977; and

Whereas, the USDHUD is reviewing the City's application and requires additional information in order to determine the eligibility of certain activities; and

Whereas, the Lansing Planning Board by letter, dated May 19, 1977 (ENCLOSURE 1) has included in its recommendations to the City Council the Peripheral Area Public Improvements Projects for the Third Program Year; and

Whereas, the City Council approves the recommendations of the Lansing Planning Board.

Now, Therefore, Be It Resolved, that the City Council approves of the information and Peripheral Area Public Improvements Projects and costs as detailed in a letter dated May 26, 1977, to the USDHUD, Subject: In reply to PM-B (Jeter), Submission

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

of Additional Information, City of Lansing—Third Program Year C.D.B.G. Application No. B-77-MC-26-0025 (ENCLOSURE 2).

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull, McKane—7.

Nays: Councilman Blair—1.

By Committee on Finance—

Resolved by the City Council of the City of Lansing:

That transfers be made as follows:

$ 75,000.00 from 2nd Yr. Contingency
A/C 255-941-100-969

75,000.00 from 1st Yr. Code Enforcement

PUBLIC IMPROVEMENT I

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a public necessity to enclose the Weigman Drain from the east line of Tranter Street to the south line of Rensen Street, as petitioned for. (See petition on file with the City Clerk.)

Signed by 100% of the benefited owners.

That the Department of Public Service be and hereby is directed to cause to be prepared so far as necessary, diagrams and plats of the whole of said district, and/or plans and specifications for such project, and is further directed to estimate in detail the cost of said project, and furnish said information to the Council.

Adopted by the following vote:

Unanimously.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-11-77—Property in 600 block of Kaynorth Street

be rezoned from a "Community Unit Plan" District to a "Revised Community Unit Plan" District and the "Map" be changed to indicate such transfer;

Therefore, Be It Resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved Further, that such hearing shall be held at the Council Chamber in the City Hall on the 20th day of June, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

INTRODUCTION OF ORDINANCES

The following ordinances of the City of Lansing, Michigan, providing that the Code of Ordinances be amended by:

a. Adding New Sections to be numbered 36-42.1 through 36-42.14, inclusive, providing for the regulation of the location of Adult Bookstores, Adult Motion Picture Theaters and Health Clubs.

b. Revising Section 28-72 of Article IV of the Code of Ordinances (Streets—Sidewalks—Displaying of House Numbers).

was introduced by Councilman Hull, read a first and second time by their titles and referred to the Committee on Ordinance and Contracts and City Affairs and Planning Board.

ORDINANCES

By Councilman Belen—

The Committee reported that it had considered an ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by:

a. Repealing of Section 4-10 of the Code of Ordinances and declaring same to be null and void and of no effect (Alcoholic Beverages—Consumption in public or unlicensed places prohibited).

b. Adding a New Section to be numbered 4-10 to Code (Alcoholic Beverages—Preamble; Consumption in public or unlicensed places; prohibition—exceptions), as amended.

and recommended that the ordinances be passed.

Carried.

ORDINANCE NO. 449

(Alcoholic Beverages—Consumption in Public or Unlicensed Places Prohibited).

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of Section 4-10 of the Code of Ordinances and declaring same to be null and void and of no effect, be placed on order of immediate passage.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance pro-

viding that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of section 4-10 of the Code of Ordinances and declaring same to be null and void and of no effect, be now passed.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull, McKane—6.

Nays: Councilmen Blair, Brenke—2.

ORDINANCE NO. 449

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT SECTION 4-10 OF THE CODE OF ORDINANCES OF THE CITY OF LANSING, MICHIGAN, BE REPEALED AND DECLARED NULL AND VOID AND OF NO EFFECT.

The City of Lansing Ordains:

Section 1. That Section 4-10 of the Code of Ordinances of the City of Lansing, Michigan, be repealed and declared null and void and of no effect.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull, McKane—6.

Nays: Councilmen Blair, Brenke—2.

ORDINANCE NO. 450

(Alcoholic Beverages—Preamble; Consumption in Public or Unlicensed Places; Prohibition—Exceptions).

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding a New Section to be numbered 4-10 of Code—(Alcoholic Beverages—Preamble; Consumption in public or unlicensed places; prohibition—exceptions) as amended, be placed on order of immediate passage.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding a New Section to be numbered 4-10 of Code—(Alcoholic Beverages—Preamble; Consumption in public or unlicensed places; prohibition—exceptions) as amended, be now passed.

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull, McKane—6.

Nays: Councilmen Blair, Brenke—2.

ORDINANCE NO. 450

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING A NEW SECTION TO BE NUMBERED 4-10 TO SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding a new section to be numbered 4-10 to replace the current section 4-10 and which shall read as follows:

Sec. 4-10. **Preamble; Cousumption in public or unlicensed places; prohibition—exceptions.**

(1) That the part of this section allowing the sale and consumption of alcoholic beverages at the downtown Riverfront Park is designed to promote City approved community functions and cultural events which are generally open to the public and which are beneficial to the downtown urban environment. The exception made herein is in the special interest of the revitalization of central urban areas by attracting persons and activities to the downtown area.

(2) It shall be unlawful for any person to consume or to possess in an open container alcoholic beverages in the public streets or parks, provided however, that beer or wine may be consumed on the premises of the Riverfront Park if such beer or wine is obtained from a person authorized to sell beer or wine pursuant to subsections (3), (4) and (5).

(3) Beer or wine may be sold for consumption in the Riverfront Park if a special license for such sale is obtained from the Michigan Liquor Control Commission and if the City Council approves the license application prior to the issuance of the license. Approval by the City Council for sale of beer or wine in the Riverfront Park shall be obtained only if the license is to be utilized in conjunction with a City approved cultural, ethnic, or community activity open to the public.

By Councilman McKane—

That the ordinance be amended as follows: by striking the word "approved" out of line 12 and line 27 of page 1 and inserting the word "sponsored."

Lost by the following vote:

Yeas: Councilmen Blair, McKane—2.

Nays: Councilmen Adado, Baker, Belen, Brenke, Gunther, Hull—6.

(4) The City Clerk shall provide a form on which the applicant shall provide the following information:

(a) Name and address of applicant, name of organization he or she represents, type of event, date of application, date and time of event planned, purpose of the event, name of the insurance company from which tre necessary public liability policy will be requested or obtained.

(5) Approval by the City Council for the sale of beer or wine in the Riverfront Park shall be obtained only if the following conditions have been met by the applicant:

(a) Filing with the City Clerk a completed application form; and

(b) Filing with the City Clerk proof of a public liability and property damage insurance policy insuring such applicant and the City of Lansing as an additional insured against any liability imposed on such applicant and/or the City of Lansing arising out of the sale of beer or wine. Such policy shall provide for the payment of up to five hundred thousand dollars ($500,000.00) in the event of injury to or death of one (1) person and for the payment of up to one million dollars ($1,000,000.00) in the event of injury to or death of more than one (1) person and for the payment of up to one hundred thousand dollars ($100,000.00) for property damage. Such policy shall bear an endorsement to the effect that the insurance company shall notify the City Clerk at least ten (10) days prior to the expiration of such policy; and

(c) Payment to the City Clerk of application fee in the amount of ten dollars ($10.00).

(6) It shall be unlawful for any person or their authorized agent to sell beer or wine in the Riverfront Park without having first obtained the approval of the City Council in accordance with this section and obtaining a special liquor license from the Michigan Liquor Control Commission.

(7) It shall be unlawful for any person or his authorized agent to sell beer or wine in the Riverfront Park in any container other than paper.

(8) This ordinance shall take effect thirty (30) days after the date of its adoption unless given immediate effect by the City Council.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull, McKane—6.

Nays: Councilmen Blair, Brenke—2.

By Councilmen Baker, Blair, Gunther—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Letter from the First Baptist Church submitting resolution adopted by their board in regard to sale of alcoholic beverages in recreational areas.

Received and placed on file.

Request from The Genesee Westmoreland Neighborhood Association to close off portion of Dinsmore Drive on June 11, 1977, for annual neighborhood picnic.

By Councilman Gunther—

That permission be granted under the supervision of the Police Department, Traffic Department and Public Service Department.

Carried.

May 31, 1977

Mayor Gerald W. Graves and

Members of the City Council

Lansing City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

The members of the Lansing Planning Board have reviewed the attached memorandum from George Lokken, Program Coordinator, regarding the priorities for public works projects which were recommended by the technical staff of City government. Due to the short time period in which the City has to make its priorities known to the Economic Development Administration and the necessity to give

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

you time to discuss these priorities, individual Planning Board members were contacted by phone to indicate their concurrence or suggestions regarding the technical staff's priorities recommendations for Public Works funds. In addition, the Board is aware of a requirement of the legislation which indicates that the local school district and the City should get together to determine their priorities. The Board members are also aware that the Lansing School District is willing to accept a Number 4 priority for their facilities.

After review and discussion with individual board members, it is the concensus and recommendation of the Planning Board that the priority ranking for Public Works projects during the second round of applications should be as follows:

1. Riverfront Development ($1,701,050)
2. East Michigan Avenue Development ($454,870)
3. North Lansing Historic and Recreational Development ($966,806)
4. Athletic and Grounds Equipment Storage—Lansing School District ($203,580)
5. Aurelius Road Bridge Reconstruction ($279,500)
6. Aurelius Road Reconstruction ($1,062,100)
7. Basic Parks Construction ($263,705)
8. Moores River Drive Reconstruction ($279,000)
9. Lansing Street Paving ($940,240)

The Lansing Planning Board has concerns about ecrtain aspects of two projects. The Board is concerned with the design characteristics of Aurelius Road from Cavanaugh north to Mt. Hope. This project was submitted for a Public Act 285 review to the Board and the Board has tabled action on this pending more information from the staff. The Board is concerned that widening of the roadway to four lanes would further increase traffic and pressure for extension of Aurelius Road north of the freeway. Before the Board is prepared to make its recommendations, it wishes to carefully review the alternatives. The Board has no problem with widening of Aurelius Road from Cavanaugh south to the City limits basically because the road is seen as an industrial road providing access to the freeway.

Board members were also concerned about the basic parks package, particularly the lighting of soft ball diamonds and the effects on adjacent residential areas. These projects have not yet been submitted for 285 Review to the Planning Board and so the Board wishes to reserve endorsement of the lighting of soft ball diamonds until such time as hearings can be held within the residential areas so that residents can make their comments known.

Generally, Board members did not express opposition to amending the top priority grants to enable additional activities, particularly for the riverfront development.

The Planning Board will formally take action on these priorities at their next regularly scheduled meeting but have asked that I forward this information to you so that you may address these priorities prior to that time.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

By Councilman Blair—

Resolved by the City Council of the City of Lansing:

Whereas: Wilfred H. Anderson, known throughout the community as "Andy," was well liked and deeply appreciated for his dedication and charitable contributions to the Lansing community, and

Whereas: After receiving a Bachelor's Degree from Florida A M, Mr. Anderson moved to Lansing in 1950 to earn a Master's Degree from Michigan State University in Horticulture, Special Education and Counseling. His educational background and interest in people well prepared him to meet the challenges as a teacher of the Lansing School District until his retirement in 1976, and

Whereas: Wilfred Anderson's outstanding achievements in academic and civic affairs include membership with the Westminster Presbyterian Church, president of the Lansing Chapter of the NAACP, former member of the Lansing Planning Board, past president of the Lansing Chapter of Council for Exceptional Children, member of the LSEA, MEA, NEA, and a host of other civic clubs and organizations, and

Whereas: Mr. Anderson willingly gave of himself to others as a teacher, advisor, friend, husband and father who will be missed by all whom he touched in his full and productive life,

Now, Therefore, Be It Resolved, that the Mayor and Council of the City of Lansing do hereby adopt this resolution acknowledging Wilfred H. Anderson's exemplary services to his community, and

Be It Finally Resolved, that a copy of this resolution be presented to the surviving members of Mr. Anderson's family as an expression of our condolence upon the loss of a loved one.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

9:50 p.m.—Councilman Blair asked to be excused from the meeting.

Thomas C. Walsh, Chairman of the Charter Commission, spoke relative to the charter to be voted on June 13, 1977, and thanked the Council for their help.

William Smith, 1301 W. Hillsdale St., Member of CDC No. 1, spoke relative sidewalk replacement, street repairs, and home owners loans in his area.

Frank DeLuca, Attorney, of 2124 Marquarite St. and member of the Italian-American Club, spoke relative upcoming ethnic festival, their meeting with the Parks Department and a misunderstanding in regard to certain conditions.

By Councilman Baker—

That the Council recess for a period of five minutes to change the Council tape—recessed at 10:25 p.m. and reconvened at 10:35 p.m.

By Councilman Adado—

That we reconsider the ordinance adding a new section 4-10 to the Code.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull—5.

Nays: Councilmen Brenke, McKane—2.

By Councilman Adado—

That the ordinance be amended—on page 3—line 8—by placing a comma after the word "paper" and adding the words "plastic or styrofoam."

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull—5.

Nays: Councilmen Brenke, McKane—2.

By Councilman Baker—

That the ordinance as amended be given immediate effect.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Gunther, Hull, McKane—1.

Nays: Councilman Brenke—1.

Ed. Weiss, 1800 Haslett Rd.—East Lansing, spoke relative resolution supporting the interconnection of CATV with East Lansing and that Continental Cablevision should be contacted in regard to this.

By Councilman Gunther—

That this meeting stand adjourned.

Carried.

Council adjourned at 10:40 p.m.

THEO FULTON,
City Clerk.

REPORTS OF CITY OFFICERS AND BOARDS

June 1, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Pamela S. Alley

Dear Mayor and Council:

On May 16, 1977, Pamela S. Alley of 223 W. First Street, Ovid, Michigan, was driving east on Mt. Hope from Pennsylvania Avenue. Ms. Alley informs that at that time she drove over a traffic counter which dislodged and destroyed one tire. On May 18, 1977, she filed a claim with the City of Lansing for $51.46 for the cost of replacing the tire.

MCLA 691.1403; MSA 3.996(103) states in part:

"No governmental agency is liable for injuries or damages caused by defective highways unless the governmental agency knew, or in the exercise of reasonable diligence should have known, of the existence of the defect and had a reasonable time to repair the defect before the injury took place."

The traffic Engineer has advised this office that on hot days the traffic counters have on occasion become dislodged. The Traffic Department now uses longer spikes in an attempt to cure the problem.

The Traffic Engineer's statement indicates a knowledge of the condition. Irrespective of the fact that he is attempting to provide a solution, it is the opinion of this office that, under the state statute cited above, the claim should be allowed for $51.46.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $51.46 payable to Pamela S. Alley.

Carried.

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Ingebord Nielson in the amount of $21.00

Dear Mayor and Council:

The Claimant in the above matter allegedly incurred personal injuries when she tripped on a sidewalk in the 100 block of South Capitol, adjacent to state owned property. The claimant was contacted in this matter and related that she tripped over a newly poured section of sidewalk which was, in her opinion, not properly blended with the adjacent old section. Ms. Nielson stated that the section was one and one-half to two inches too high. Investigation of the sidewalk section in question discloses a slight uneveness in the sidewalk sections referred to, however, the Public Service Department measured the rise at less than one inch.

In addition to the question of physical evidence, we have received no information which would indicate that the cement work was actually performed by the City or any agent of the City. Responsibility for the maintenance and repair of sidewalks rests with the owner of the land through which the right-of-way runs, in this case the State of Michigan.

Because pedestrians have a duty to use the sidewalks in a reasonably safe manner and exercise reasonable caution and because there is no evidence of negligenc on the part of the City or any agent of the City, it is the recommendation of this office that the claim be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Barbara Reynolds in the amount of $130.82 for broken windshield due to road stone

Dear Mayor and Council:

The claimant in the above matter advised this office that she was turning at the corner of Haag Road and Logan Street when she drove her automobile over a fresh road patch and a stone flew up from under her car and broke her windshield.

The Public Service Department has reported that it has no knowledge of the accident. It should be noted, however, that all such patching is followed by a rolling

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

process which blends very small stones into the tar.

It is possible, according to the Public Service Department, that windshield damage could result from a high velocity impact of a small stone. However, in this case from the facts, it is doubtful that the claimant's own vehicle could have propelled the stone into its own windshield. Conceivably, another vehicle could have been the source of the stone.

In the present case, there is no evidence that a patching stone caused the damage. Furthermore, there is no evidence of unreasonable accumulation of stones at the scene or that the City knew or should have known of such a condition.

Therefore, it is the recommendation of this office that the claim of Ms. Reynolds be denied.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and said claim be denied.

Carried.

Date: 2-6-77

To: Mayor and City Council

From: James W. Dowsett,
Director of Finance

Subject: Ordinance to adopt provisions of Act 88, PA 1961 "Reciprocal Retirement Act" for the Policemen's & Firemen's Retirement System

Act 88, Public Acts of 1961 provides for the preservation of retirement system service credits for public employees who transfer employment between units of government. In order to become a reciprocal unit, the governmental unit must elect to adopt the provisions of the act by a majority vote of its governing body.

The City Council did act to place the Employee's Retirement System under the provisions of Act 88 by an ordinance change adopted June 1, 1965 (Section 26-48 Code of Ordinances.) This was never done for the Policemen's & Firemen's Retirement System.

On June 1st the Board of Trustees of the Policemen's & Firemen's Retirement System did meet in special session to receive a report on Act 88 from Board member, Mr. Steve VanNote, who is also Director of the Municipal Employee's Retirement Systems, State of Michigan.

The Board then approved a resolution "copy attached" urging the City Council to adopt the provisions of Act 88 for the Policemen's & Firemen's Retirement System.

The benefit to the members of the system would be as follows. Currently, a member must have 10 years of service for vesting. If a member terminates with less than 10 years of service, he receives a refund of his accumulated contributions and loses all service credit years. Under Act 88, if a member achieves 5 years of service credit with a participating unit, he may then accumulate service credit between units to meet the 10 year service requirement for a regular retirement pension. (Note: The benefit is individually paid by each pension system computed on only those service credit years earned in each system.)

The only negative effect associated with this change would be a reduced incentive that may exist for a policeman or fireman to remain in the Lansing system when he can transition to a reciprocal governmental unit without losing service credit years.

I have reviewed the implications of adopting Act 88 with the City's actuary, Gabriel, Roeder, Smith & Company, and have determined that the financial impact to the system would be difficult to quantify, but in any case would be very minimal.

As Finance Director and Secretary, I would recommend this change to you. This letter should be referred to the Committee on Ordinance and Contracts and the City Attorney who will prepare the appropriate ordinance necessary to effect this change.

JAMES W. DOWSETT,
Director of Finance.

Referred to City Attorney and Committee on Ordinance and Contracts and City Affairs.

June 2, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is Change Order No. 1, submitted for Lennie Barker on the Bristol, Reo, Hughes and Other Storm and Sanitary Sewers, contract No. PS 65084, increasing the amount of the contract by $7,403.25 due to proposed alignment improvements at the intersection of Selfridge Blvd. and Pollard Rd.

I would recommend approval of this Change Order.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

City Hall

Lansing, Michigan

Gentlemen:

Attached is Letter of Intent submitted by Mr. Roy Markey to construct storm drain stubs, manholes and catch basins and sanitary sewer stubs in Webster Farms No. 3 as follows: Storm drain stub and manhole on Pheasant Street at Radford. Storm and sanitary stubs to North at Pheasant and Pollard. Catch basins on Pollard, where Piper extended meets.

I would recommend approval of this Letter of Intent.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

By Councilman Brenke—

That we concur in the recommendation of the City Attorney and said letter of intent be approved.

Carried.

June 3, 1977

Honorable Mayor and

Members of City Council

Re: 1977-78 Tree Planting Program

Gentlemen:

The 1977-78 budget for Street Planting provides for covering city expenses to plant trees acquired directly by property owners. No funds were provided for the replacement of trees which die, or to plant any vacant locations in subdivisions developed prior to the City Ordinance which now requires this as part of the initial development.

At the time our budget was prepared there were approximately 4,200 vacant tree planting locations. Because of an extremely dry planting season in 1976, and and unusually severe winter, there was a reasonably heavy loss of trees planted under the Title X program. We are currently determining the figure of actual loss but indications are that it will create at least 2000 additional planting locations.

At the time of our budget hearing with the combined Parks/Finance Committee I was advised to examine possible sources for Federal funds for the purpose of tree procurement so the backlog of vacant locations may be reduced. The Title X planting propram had planted over 8,000 trees during 1976, and it was our objective, rather than have the number of vacant locations again start increasing each year, that we further reduce this backlog. Ideally, we would work toward having trees in all planting locations, and therefore make future tree planting budgets only cover the cost of replacement of dead trees.

A manageable one year program would include the planting of 4,000 street trees. The cost for procurement of these trees (based on $25.00 each, totaling $100,000) and supplies (gasoline, staking equipment), totals $105,000. The labor for planting and for tree maintenance would be obtained from the C.E.T.A. Title IV Park Facility Maintenance and Improvements Project, submitted by our department and currently under review in the Manpower Office.

I am respectively requesting that consideration be given for an appropriation of $105,000 from the fifth quarter entitlement of the Anti-Recessionary Fund appropriation. The use of such monies constitute an eligible expense for this program.

I will be glad to discuss this matter at your convenience.

Thank you.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

Referred to Committee on Finance and Committee on Parks and Recreation.

BARBARA GARLOCK,
Secretary.

Referred to Committee on Public Service and Highways.

June 6, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members

After 18 long months of effort, I am now pleased to report that the refinancing of the Olds Plaza Hotel, henceforth to be known as The Plaza Hotel, was completed on Thursday, June 2. As part of the refinancing package the Economic Development Administration of the U. S. Commerce Department submitted a check in the amount of $850,000, a finance house committed $1,375,000, while the Lansing Business and Development Corporation committed $150,000. Index Corporation is the new operator of the Hotel. The funds committed by the Economic Development Administration and the finance house have been deposited with an escrow account for the purpose of dispersing such funds to paramount creditors and for meeting certain other obligations as required by the Federal Government.

What is significant is that the employees of The Plaza Hotel will retain positions of employment, that the facility will remain open and that certain upgrading will be accomplished. Keep in mind, however, that assistance will be needed from the community in the way of use support, conventions, etc.

Sincerely,

GERALD W. GRAVES,
Mayor.

Received and placed on file.

June 6, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

During the regularly scheduled meeting of the City Council on Tuesday, May 31, 1977, a communication of the same date, which pertained to priority rankings for Public Works Projects during the second round of applications, was submitted by the Lansing Planning Board. Nothing in the communication pertained to acquiring the Diamond-Reo land for heavy industry purposes, especially those which are job related. I recommend your attention to this.

During the recent past, and upon the request of the attorney for Reo Properties and Southern Salvage, owners of what is commonly called the Diamond-Reo property, I convened a meeting, also attended by representatives of General Motors Corporation. Long discussions centered on the Diamond-Reo property, net price, less taxes and demolition. The total price would be changed only if the demolition costs exceeded the estimate then being used in the

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

discussions. As of Friday, June 3, a representative of General Motors has advised that they are not now interested in purchasing the property in question. I am of the opinion that the property is very suitable for heavy industry and would make an excellent industrial park, different from any available in the City.

In my discussions with your Program Coordinator, he advised that such purchase would not be permitted under the Public Works Act. However, I have been advised by an employee of the U. S. Economic Development Administration that such was plausible. In short, it is my hope that the City of Lansing could purchase the property in question with Federal dollars for the purpose of an industrial park — privately constructed building for heavy industrial use would then be located on leased land, a process which is already underway in some areas of the City.

The need for such a facility was illustrated this past week. A corporation with 91 employees, double that of two years ago, is in the consideration stage of moving to Canada, or to another state other than Michigan, or attempting to expand in our own City under difficult conditions. Present industrial parks do not contain the facilities required by this corporation. Together, a member of my office and representatives of the Economic Development Corporation, and the Lansing Metropolitan Development Authority, are now working to retain this firm. Certainly, there will be other industries in the same position in the future.

Therefore, I am recommending that you give my suggestion your most serious consideration with hopes that you will add it to the priority rankings for Public Works Projects.

In a communication to you dated approximately one month ago, I requested that you establish the overall property as a Plant Rehabilitation District or an Industrial Development District. I have heard nothing from you since. I trust you will react favorably to my request and speedier than you have to my recommendation for a Plant Rehabilitation District or an Industrial Development District. Positions of employment, and an increase in the tax base which industries can provide, are extremely important.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee of the Whole.

June 6, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem

and Council Members:

Attached is a copy of my most recent communication from U. S. Senator Robert P. Griffin, which pertains to the Community Block Grant Program. Please note that the Senate, with assistance from the Senator, increased the limitation on new budget authority for this program by $500 million, raising it to 4 billion.

Attached is a re-print from the Congressional Quarterly of the provisions of House Resolution 6655 which has passed the House of Representatives, and which actually authorizes funding for housing and community development programs for the next five years.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Community Development.

RESOLUTIONS

By Councilman William Brenke—

Resolved, That the Purchasing Director be and he is hereby directed to advertise, as provided by law, for sealed proposals for the cleaning and painting of pedestrian overpasses—Bid No. B77-748—P.S. 67032. Funds are available under F.Y. '78 Budget, Account No. 202-465-000-818 in accordance with the plans and specifications on file in the office of the City Engineer. Proposals to be received up to 3:00 P.M. (Local Time), Tuesday, June 28, 1977.

Each proposal to be accompanied with a certified check or bidders bond in the sum of 5% of the proposal.

Right is hereby reserved to accept any proposal, to reject any or all proposals and to waive defects in proposals.

No bids may be withdrawn after the above date and time for receiving bids for a period of thirty (30) days.

Adopted by the following vote:

Unanimously.

By Councilman Terry J. McKane—

Resolved by the City Council of the City of Lansing:

Whereas: The LaRaza Citizens' Advisory Committee to the State Board of Education will be sponsoring its Third Annual Latino Education Feria (fair) at Eastern High School on June 18 and 19. The theme of the feria is "Parent and Community Participation in the Education of Latinos," and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas: The purpose of the feria is to provide parents and members of the community an opportunity to exchange information and to share with each other the contributions which their respective communities are making to Latino education, arts and crafts, and culture, and

Whereas: As part of the feria, a Latino convocation will be held to honor the graduating Latino seniors, supporters of Latino education and Latino parents. Dignitaries will participate in the event such as Governor William G. Milliken who will deliver the keynote address,

Now, Therefore, be It Resolved that the City of Lansing is proud of its heritage and all nationalities of peoples, such as the Latinos, who have contributed toward the development of its cultural background, and supports programs that are aimed at acknowledging and furthering cultural and civic pride, and

Be It Finally Resolved that the City Council hereby honors the participants of the Third Annual Latino Education Feria through adoption of this resolution which shall be signed by the Mayor and Council of the City of Lansing in recognition of this event.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, by petition duly filed on January 10, 1977, this Council was petitioned to establish a Lansing Industrial Development District No. 4 pursuant to Act 198, 1974 being Sections 207.551 to 207.571, M.C.L., and

Whereas, due notice has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 4th day of April, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is commonly known as:

2227 Spikes Lane

More particularly described as:

3301 04 351 191
Lot 44
Assessors Plat No. 57

Petitioner: Hammond Manufacturing Corporation

Property: Real and Personal

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to esablish a Lansing Industrial Development District No. 4 to the above described property be approved.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, by petition duly filed on January 17, 1977, this Council was petitioned to establish a Lansing Plant Rehabilitation District No. 6 pursuant to Act 198, 1974 being Section 207.551 to 207.571, M.C.L., and

Whereas, due notice has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 4th day of April, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is commonly known as:

619 E. Hazel Street

More particularly described as:

3301 21 232 081

W 50 Ft of S 80 Ft of E 9 R of Lot 4 & 5 and E 20.8 Ft of W 9 R of Lot 5

Block 22 Original Plat

Petitioner: Lansing Printing Company

Property: Equipment only

Whereas, after considering all the testimony presented to the Council, this Council has determined that within the District there is property which comprises 50% or more of the S.E.V. which is obsolete.

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to establish a Lansing Plant Rehabilitation District No. 6 to the above described property be approved.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing City Council on June 21, 1976 authorized the submission of a preliminary grant application for a 911 Computer Assisted Dispatch System; and,

Whereas, the City of Lansing has been advised by the Office of Criminal Justice Planning that additional funds may be availbale to pay for first year operating costs for the 911 System; and,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the monies requested will be provided on a 90% federal basis with 5% being provided by the State of Michigan and 5% will be provided by the governmental entities participating in the 911 program; and,

Whereas, Lansing prorata share of the 5% local match will cost 48% of the dollars relative to the local match; and,

Whereas, the monies provided to this grant application will permit the purchase of a Dictalog 40 channel continuous recorder, 100 1-inch 24-hour recording tape reals, and 10 instant play back message tape recording units and will provide monies for the purchase of telephone equipment and installation of telephone lines; and,

Whereas, this is a preliminary application requiring immediate approval;

Now, Therefore, Be It Resolved that the City Council approves the submission of this preliminary application with a reservation that a complete and detailed cost analysis to include subsequent program maintenance and training costs and local funding sources will be presented to Council prior to the final acceptance of a grant should it be approved by the Office of Criminal Justice Planning; and,

Be It Finally Resolved that the Program Coordinator is authorized to submit this grant application.

Adopted by the following vote:

Unanimously.

By Committee on Public Safety—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been informed that monies may be available from the Office of Criminal Justice Planning to purchase a Unit Status Data System; and,

Whereas, the establishment of this system is directly related to the 911 program and will increase the efficiency and capability of the dispatching function, improve the collection and retrieval of information and increase communication accuracy, reliability and speed of said system; and,

Whereas, these monies will be provided on a basis of 71.5% federal, 3.95% State of Michigan and 25% to be provided by the governmental entities participating in the 911 program; and,

Whereas, the City of Lansing's prorata share of the 25% will be 48% of the dollars relative to the local match; and,

Whereas, this is a preliminary application requiring immediate approval;

Now, Therefore, Be It Resolved that the City Council approves this preliminary application with reservation that a complete and detailed cost analysis of the system; initial costs, subsequent program maintenance and training costs and local funding sources will be presented to the Council prior to any acceptance of the grant; and,

Be It Finally Resolved that the Program Coordinator is authorized to submit this grant application.

Adopted by the following vote:

Unanimously.

By Community Development Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the United States of America have entered into an Agreement providing the City of Lansing with a Grant to plan and implement a Community Development Program; and

Whereas, the City of Lansing, through the Human Resources Department (H.R.D.) entered into a Contract with The Tri-County Aging Consortium, (PN-298) on October 12, 1976 effective October 1, 1976 through September 30, 1977 for a total compensation not to exceed One Hundred Thousand and 00/100 ($100,000.00) Dollars; and

Whereas, the City of Lansing, through the Human Resources Department and the Tri-County Aging Consortium do mutually agree to amend said Contract as follows:

Whereas, said Contract Amendment eliminates future audit findings against the objectives and scopes of services of this prime Contract by allowing the Tri-County Aging Consortium to count Community Development residents sreved at all nutrition sites in the City of Lansing; and

Whereas, said Contract Amendment increases the number of City of Lansing and Community Development residents to be served which is consistent with the actual service provided or sub-contracted by the Tri-County Aging Consortium; and

Whereas, said Contract Amendment details the cost categories at all of the sites; and

Whereas, the HRD and the Evaluation Department shall develop an assessment design to assist the evaluation of the impact of the program; and

Whereas, said Contract Amendment does not increase the total compensation available to the Tri-County Aging Consortium which remains at One Hundred Thousand and 00/100 ($100,000.00) Dollars; now, therefore, be it

Resolved, that the Mayor and City Clerk are hereby directed to sign said proposed Contract Amendment on behalf of the City of Lansing, after approval as to form by the City Attorney.

By Councilman Baker—

Resolved by the City Council of the City of Lansing:

Whereas, by letter dated February 14, 1977, Harold B. Davenport did request a lease agreement for a portion of Parcel 12A and 13 of Urban Renewal Project No. 1, Mich. R-87, for the purpose of operating thereon, on a temporary basis a fast food concession stand commonly known as "Hal's Chuck Wagon," and

Whereas, "Hal's Chuck Wagon," during the summer of 1976, did provide an adequate and desirable service to users of the Washington Square Mall, and

Whereas, after the solicitation of twenty-five (25) existing restaurant operators in the downtown area, it has been determined that there is no interest by them in providing a similiar operation on or adjacent to the Washington Square Mall, and

Whereas, it is a desirable goal to encourage additional activity in the downtown area by promoting additional use of the Washington Square Mall,

Therefore Be It Resolved by the Lansing City Council that said lease proposal is approved, but that Mr. Davenport's additional requests to park a vehicle and install concrete ribbons and pads to stabilize the concession stand are denied, and

Be It Further Resolved that the Mayor and City Clerk are hereby authorized and directed to sign a lease agreement on behalf of the City of Lansing, after approval as to form by the City Attorney, said lease agreement providing for the lease of 600 square feet of the subject property at a rental rate of $120.00 per month on a month to month basis with ten (10) day termination rights for both parties.

By Councilman Blair—

That this resolution be tabled.

Lost by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke—4.

Nays: Councilmen Baker, Hull, McKane—3.

Councilman Baker spoke and presented the following:

Letter from Dematrios A. Sazani.

Petition with 18 signatures for the reconsideration of the refusal of permitting Hal's Chuck Wagon being placed in the Washington Square.

Letter from (Mrs.) Betty Graham a State Worker, in protest of the elimination of Hal's Wagon on No. Washington Mall.

Letter from S. M. Davenport—brother of Harold Davenport relative Hal's Chuck Wagon.

Petition with 529 signatures (Business People, Lansing Community College Area, Lansing General, So. end residents, General Public, General Motors) favoring the return of Hal's Chuck Wagon.

The following vote was taken on the resolution.

By Committee on Personnel—

Resolved by the City Council of the City of Lansing:

That we concur with the recommendations of the Job Moratorium Appeals Committee made at its meeting held on June 2, 1977, as follows:

Fire Department: Deny the filling of one Fireman I vacancy.

Civic Center: Approve the filling of one Stage Manager vacancy.

Parks Department: Approve the filling of one Laborer IIB vacancy.

Approve the filling of one Zookeeper IIIA vacancy.

Approve the filling of one Park Security Officer I vacancy.

Personnel Department: Approve the filling of one Clerk-Typist II vacancy.

Assessor: Approve the filling of two Clerk IB vacancies.

Approve the filling of one Clerk IIA vacancy.

District Court: Approve the filling of three Clerk IB vacancies.

Approve the filling of one Clerk IIA vacancy.

Data Processing: Approve the filling of one Keypunch Operator IB vacancy.

By Councilman Blair—

That a division of the question relative to the filling of the vacancy in the Personnel Department be taken.

Nays: Councilmen Baker, Blair—2.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, it is the desire of the City Council to promote the development of the 100 Block property; and

Whereas, to promote the expeditious development of the 100 Block property, it is necessary that a clear and unencumbered title to the property be available to potential developers; and

Whereas, as it is the unanimous recommendation of the Ad Hoc Committee on 100 block and the finding of the City Council that clear title to the 100 Block property can best be obtained and development of the 100 Block best be encouraged by eliminating the interest of Indiana Mortgage Company in said property; now, therefore, be it

Resolved, that the Ad Hoc Committee for the development of the 100 Block be and is hereby empowered to negotiate for the purchase of Indiana Mortgage's interest in the 100 Block property and to bring the purchase agreement to the City Council for approval.

Adopted by the following ovte:

Unanimously.

Assessment Roll No. 262

C & G & Widening

PS 76080

Property Benefited: All lands fronting on W. Miller Rd. from approx. 400 ft. W. of Logan St. to Marywood Ave., excepting all public streets and alleys and other lands deemed not benefited.

Assessment Roll No. 262 Storm

PS 76080

Property Benefited: All lands fronting on W. Miller Rd. from approximately 400 ft. W. of Logan St. to Marywood Ave., excepting all public streets and alleys and other lands deemed not benefited.

Assessment Roll No. 262

Sanitary & Stubs

PS 76080

Property Benefited: All lands fronting on W. Miller Rd. from approx. 400 ft. W. of Logan St. to Marywood Ave., excepting all public streets and alleys and other lands deemed not benefited.

as returned by the City Assesor (as amended by the City Council upon review as follaws) be and the same is hereby ratified and confirmed, and the Mayor be and hereby is directed to affix within ten days, his warrant directing the City Treasurer to collect said tax on or before the 6th day of September, 1977.

All projects are a port of the Miller Road Widening, Phase I, Section III—PS 76080.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SJ-2-77 — Fisher Body Division of General Motors Corporation Lansing Plant

more particularly described as:

Parcel number 3301-17-101-021 located on the southwest corner of West Saginaw Street and Stanley Street.

Whereas the Fisher Body Division of General Motors Corporation has requested permission to erect a standard General Motors Identification Sign, thirty-one feet, five inches (31'5") long and thirty-three feet, two inches (33'2") high, at the southwest corner of West Saginaw Street and Stanley Street; and

Whereas the proposed location of the sign is in the "J" Parking District; and

Whereas, pursuant to Chapter 36, Section 36-41(9) of the Code of Ordinances of the

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

City of Lansing, the Planning Department reviewed this request; and

Whereas the Planning Department believes that the type of sign proposed is in keeping with the general intent of Section 36-41 (9), which is to allow advertising signs within the "J" Parking District for industrial establishments provided the sign is constructed in accord with the Lansing Sign Ordinance and a sign permit is obtained; and

Whereas the Planning Committee of Council reviewed the report of the Planning Department and concurs therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing approves and allows the erection of the above described advertising sign on the above described property, subject to the issuance of the proper sign permits in accord with the Sign Ordinance. Approval of this erection of this sign is based upon the understanding that the sign be entierly located on land owned by Fisher Body Division of General Motors Corporation.

By Councilman Blair—

That this resolution be tabled and referred to the Westside Neighborhood meeting which is scheduled for about 3-weeks.

Carried.

By the Planning Committee—

Resolved by the City Council of the City of Lansing:

P-3-76 (A)
Lancen Village No. 2—Final Plat

Whereas the Final Plat of Lancen Village No. 2 Subdivision has been submitted for approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, as amended has approved and recommended that City Council approve the Final Plat subject to the following conditions:

1) That a deed or Abstract of Title accompanied by an Attorney's opinion as to the marketability of the land or a Certificate of Title Insurance be submitted to the City Clerk prior to the signing of the Final Plat and the affixing of the Municipal Seal.

2) That financial security be posted in the amount specified by the Public Service and Parks Departments prior to the signing of the Plat and the affixing of the Municipal Seal.

3) That the requirements and recommendations of the Public Service Department, and Board of Water and Light be adhered to.

Whereas the Planning Committee of City Council and the Public Service and Highways Committee of Council have reviewed the report of the Planning Board and concur therein;

Now, Therefore, Be It Resolved that the Final Plat of Lancen Village No. 2 Subdivision is hereby approved subject to the conditions outlined above and all conditions of previous approvals; and

Be It Further Resolved that the City Clerk is directed to transcribe the certificate of approval of the Final Plat of Lancen Village No. 2 Subdivision.

Adopted by the following vote:

Unanimously.

By the Planning Committee—

Resolved by the City Council of the City of Lansing:

P-3-76 (B)

Lancen Village No. 3—Final Plat

Whereas the Final Plat for Lancen Village No. 3 Subdivision has been submitted for approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, as amended, has approved and recommended that City Council approve the Final Plat subject to the following conditions:

1) That a deed or Abstract of Title accompanied by an Attorney's Opinion as to the marketability of the land or a Certificate of Title Insurance be submitted to the City Clerk prior to the signing of the Final Plat and the affixing of the Municipal Seal.

2) That financial security be posted in the amount specified by the Public Service and Parks Departments prior to the signing of the Plat and the affixing of the Municipal Seal.

3) That the requirements and recommendations of the Public Service Department and Board of Water and Light be adhered to.

Whereas the Planning Committee of City Council and the Public Service and Highways Committee of Council have reviewed the report of the Planning Board and concur therein;

Now, Therefore, Be It Resolved that the Final Plat of Lancen Village No. 3 Subdivision is hereby approved subject to the conditions outlined above and all conditions of previous approvals; and

Be It Further Resolved that the City Clerk is directed to transcribe the certificate of approval of the Final Plat of Lancen Village No. 3 Subdivision.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

For the property described as:

SUP-18-77
1300 North High Street
3301-10-154-261

more particularly described as:

Lot 6, Block 1, Handy Home Addition, City of Lansing, Ingham County, Michigan

Whereas, pursuant to Section 36-42(12) of the Lansing Zoning Ordinance, a request was made by Joyce and George Lord for the approval of an adult foster care facility at 1300 North High Street to house six to twelve (6-12) persons; and

Whereas, the Planning Board, at their meeting of January 18, 1977, recommended approval of the request subject to the site and structure being improved to meet the minimum standards of the local Building, Fire and Zoning Codes; and

Wheeras, the Planning Committee of Council, to whom the report of the Planning Board was referred, cocnurred therewith; and

Whereas, on February 7, 1977, the Council of the City of Lansing expressed its intent to approve this Special Use Permit for a maximum of twelve (12) foster adults following certification by the Planning Department, Building Department, and Fire Prevention Bureau that all necessary code compliance alterations have been completed; and

Whereas, said certification has been received from the Planning Department, Building Department, and Fire Prevention Bureau;

Now, Therefore, Be It Resolved that the request for a Special Use Permit for an adult foster care facility to house a maximum of twelve (12) foster adults on the above described premises is hereby approved.

Adopted by the following vote:

Unanimously.

ZONINGS

By Councilman Baker—

Whereas, by petition duly filed on the 3rd day of February, 1975, this council was petitioned to change the following described property from "A" One Family Residence District to "C" Two Family Residence District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 31st day of May, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-6-75(a) — 2400 block Newark, 3305-06-478-201, 3305-06-478-211

More particularly described as:

Lots 7 and 8, Supervisor's Plat of Webster Farm Subdivision No. 2, City of Lansing, Ingham County, Michigan,

from an "A" One Family District to a "C" Two Family District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request and further advised that the two family zoning on this property will provide the necessary transition in density from the higher density duplex complex and the single family development, and further pointed out that this change should not be considered as establishing a precedent for further penetration into the single family area; and

Whereas the Planning Committee of Council, to whom the report of the Planning Board was referred, concurred therewith;

Now, Therefore, Be It Resolved that the above described property be rezoned from an "A-1" Family District to a "C-2" Family District.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 14th day of February, 1977, this council was petitioned to change the following described property from "F" Commercial District to "B" One Family Residence District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and Whereas, at such hearing held on the 31st day of May, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-6-77 — 1035 Lathrop — 3301-22-226-231,

more particularly described as:

Lot 80, Parkview Land Company Addition, City of Lansing, Ingham County, Michigan,

and

The northeast corner of Lathrop and Walsh — 3301-22-226-221,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

more particularly described as:

The west ½ of Lots 78 and 79, Parkview Land Company Addition, City of Lansing, Ingham County, Michigan,

and

1511 Walsh — 3301-22-226-211,

more particularly described as:

The east ½ of Lots 78 and 79, Parkview Land Company Addition, City of Lansing, Ingham County, Michigan,

from an "F" Commercial District to a "B" Residence District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request; and

Whereas the Planning Committee of Council, to whom the report of the Planning Board was referred did not concur therewith and recommended that further consideration is warranted for properties known as the northeast corner of Lathrop and Walsh, 3301-22-226-221 and 1511 Walsh, 3301-22-226-211;

Now, Therefore, Be It Resolved that the petition be denied as filed; and

Be It Further Resolved that the portion of the property known as:

1035 Lathrop, 3301-22-226-231,

more particularly described as:

Lot 80, Parkview Land Company Addition, City of Lansing, Ingham County, Michigan,

be rezoned from an "F" Commercial District to a "B" Residence District as set forth in the Zoning Code of the City of Lansing; and

Be It Further Resolved that the balance of the property remain in the Planning Committee of Council for further study and report.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 28th day of February, 1977, this council was petitioned to change the following described property from "A" One Family Residence District to "F" Commercial District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 31st day of May, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-9-77 — 809 West Holmes Road— 3301-32-226-511,

more particularly described as:

The east 40 feet of the north 113.25 feet of the property described as: commencing 291 feet west and 33 feet south of the northeast corner, Section 32; thence south 200 feet; thence west 164 feet, thence north 200 feet; thence east 164 feet to the point of beginning; Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan,

from "A" One-Family District to "F" Commercial District; and

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to approve this request, subject to conditions; and

Whereas, the Planning Committee of Council, to whom the report of the Planning Board was referred, concurred therewith;

Now, Therefore, Be It Resolved, that the petition to change the zoning at the above described property from "A" One-Family District to "F" Commercial District be approved; and

Be It Further Resolved that screening, as approved by the Planning Department, be provided along the south property line and that permanent wheel stops be provided within the parking area so as to prohibit vehicular encroachment over the adjacent land and public right-of-way; and

Therefore, be it resolved, that the property above described is hereby changed from "A" One-Family District to "F" Commercial District as set forth in the Zoning Code of said city, and

Be it further resolved, that the Zoning Maps be amended to indicate such transfer.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 28th day of March, 1977, this council was petitioned to change the following described property from "A" One Family Residence District to "D-M" Multiple Dwelling and "D-1" Professional Office Districts all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 9th day of May, 1977, all parties interested therein were heard and given due consideration, and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the property involved is described as:

Z-13-77 — 1321 West Holmes Road,

more particularly described as:

Beginning on the Section line at a point 695.7 feet west of the north ⅛ post of the northeast ¼ of Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan, also being 2021.7 feet west of the northeast corner of said Section 32, running thence west 100.0 feet on the Section line, thence southerly 240.0 feet parallel with east line of the northwest ¼ of northeast ¼ of said Section 32, thence west 290.0 feet parallel with Section line, thence southerly 420 feet (described) (422.36 feet measured to north line of Montclair Subdivision), thence easterly 390.0 feet on the north line of said Subdivision, thence northerly 661.6 feet (measured) to the point of beginning, subject to the right-of-way of Holmes Road) Parcel A,

from "A" One Family Residence District to "D-M" Multiple Dwelling District, and

Beginning on the Section line at a point 2121.7 feet west of the northeast corner of Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan, running thence southerly 240.0 feet parallel with east line of the northwest ¼ of northeast ¼ of said Section 32, thence, west 290.0 feet parallel with north section line, thence northerly 240.0 feet parallel with east line, thence east 290.0 feet on the section line to the point of beginning, subject to right-of-way of Holmes Road (Parcel B),

from "A" One Family Residence District to "D-1" Professional Office District—(1321 West Holmes Road).

from "A-1" Family Residential District to "D-M" Multiple Dwelling District and "D-1" Professional Office District.

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board advised the City Council to deny the request as filed and further recommended that that portion of the property described as:

Beginning on the section line at a point 695.7 feet west of the north ⅛ post of the northeast ¼ of Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan, being 2021.7 feet west of the northeast corner of said Section 32, running thence west 390 feet on the section line; thence south 660 feet to the north line of Mount Clair Subdivision; thence easterly 390 feet on the north line of said subdivision; thence north 660 feet to beginning, subject to the right-of-way of Holmes Road, except the north 240 feet of the east 290 feet thereof,

be rezoned from "A-1" Family Residential District to "D-M" Multiple Dwelling District (subject to certain conditions); and further, that that portion of the property excepted from the above described property and requested to be rezoned from "A-1" to "D-1" Professional Office District be deferred for further study and report; and

Whereas the Planning Committee of the City Council, to whom was referred the report of the Planning Board, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to rezone the above descrbed property from "A-1" Family Rseidential District to "D-M" Multiple Dwelling District and "D-1" Professional Office District be denied as filed; and

Be It Further Resolved that that portion of the above described property, more particularly described as:

Beginning on the section line at a point 695.7 feet west of the north ⅛ post of the northeast ¼ of Section 32, T4N, R2W, City of Lansing, Ingham County, Michigan, being 2021.7 feet west of the northeast corner of said Section 32, running thence west 390 feet on the section line; thence south 660 feet to the north line of Mount Clair Subdivision; thence easterly 390 feet on the north line of said subdivision; thence north 660 feet to beginning, subject to the right-of-way of Holmes Road, except the north 240 feet of the east 290 feet thereof,

be rezoned from "A-1" Single Family Residential District to "D-M" Multiple Dwelling District subject to the following conditions:

1) That a landscaping and screening plan, with identified plant materials and schedule for installation be submitted to the Planning Department for approval prior to the issuance of building permits for the proposed residential use and the proposed office use.

2) That a pedestrian crossing safety light be installed by the City of Lansing to permit access to the north side of West Holmes Road.

3) That access to Marion Avenue at the south boundary of the site be limited to emergency vehicles only.

4) That upon development of the "D-1" Professional Office parcel, a connecting pedestrian circulation system be provided to the elderly facility.

5) That a site plan be submitted indicating:

   a) location of proposed structure

   b) location of vehicular and pedestrian circulation system

   c) location, layout and number, and potential future expanision of parking areas

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

d) number of dwelling units

e) number of employees

f) location of exterior recreational opportunities.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $412,786.61.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,

Adopted by the following vote:

Unanimously.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That Councilman Gunther be excused from the session.

Carried.

By Councilman Belen-McKane—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter, relative to considering business not on the agenda, be waived.

Carried.

Request from Grinnell Brothers to place an old fashioned music caboose outside Knapps Department Store in 300 block of So. Washington Square during week of June 13-18, 1977.

By Councilman Belen—

That we concur in the request and permission be granted.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Brenke, McKane—6.

Nay: Councilman Hull—1.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, certain ethnic organizations have declared plans to participate in the Ethnic Festival to be held at the Riverfront Park during the first week of July, 1977; and

Whereas, a number of said organizations will apply for a special license for the sale of beer and wine at said Park; and

Whereas, the ordinance regulating the sale and consumption of alcoholic beverages requires that each liquor licensee provide insurance in the amount of one million dollars ($1,000,000.00) aggregate coverage with the City of Lansing as an additional insured; and

Whereas, the cost of said insurance will impose a financial burden on said organizations; and

Whereas, said Festival is being conducted with the approval and encouragement of the City of Lansing for the purpose of urban cultural enrichment, a public purpose; now, therefore, be it

Resolved, that the City shall assume fifty percent (50%) of the insurance premium costs incurred, not to exceed six hundred dollars ($600.00), for each of the organization who have declared intent and sought permission to serve beer and wine at said Festival, said monies shall be computed on a per-group basis and submitted to the Finance Committee for transfer of funds and payment.

By Councilman Baker—

That the resolution be amended as follows—in the 5th paragraph—2nd line after the word "and" delete the word "encouragement" and substitute the word "sponsorship."

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Hull, McKane—6.

Nay: Councilman Brenke—1.

The resolution as amended was adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Blair, Hull, McKane—6.

Nay: Councilman Brenke—1.

Carl Parks, 226 W. Maple spoke relative parking ticket, front yard parking.

Dotti Shonkwiler, 3800 Colchester spoke re: Hal's Chuck Wagon and future activities on the mall.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 9:07 P.M.

By Councilman Gunther—

That resolution No. 5 be moved up to the front of the agenda at this time.

Carried.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, on October 1, 1969, the City of Otsu, Shiga Prefecture, Japan, and the City of Lansing, State of Michigan, United States of America, established a Sister City Affiliation for the purpose of creating goodwill and understanding as well as promoting cultural and economic interchange; and

Whereas, often in the past, representatives of these sister cities have visited each other and did promote goodwill and understanding; and

Whereas, each time that Sister City Representatives visit, it is an occasion for the expression of real friendship and great gratitude; and

Whereas, the City of Lansing, Mayor Gerald W. Graves, and the City Council Members desire again to send greetings to the City of Otsu and Mayor Kasaburo Yamada; and

Whereas, Dr. Kim and students from the Lansing Community College are to visit the City of Otsu;

Now, Therefore, Be It Resolved that we, the Mayor and City Council, do appoint this delegation from our Lansing Community College as our representatives to our Sister City of Otsu, and

Be It Further Resolved, that they shall deliver our best wishes and regards to Mayor Kasaburo Yamada, the Otsu City Officials, and the City of Otsu itself. In behalf of the City of Lansing, we do affix our signature to this resolution.

Adopted by the following vote:

Unanimously.

By Councilman Blair—

That we recess for 5 minutes.

Carried.

Council recessed at 8:45 p.m., reconvened at 8:50 p.m.

The Committees on BUILDINGS AND PROPERTIES and PARKS AND RECREATION, to whom was referred the offer of G. L. Johnson and Associates to purchase the old City Hall Annex (Poxson Building) located at 206 E. Michigan Avenue, reports as follows:

That this property, by resolution on March 27, 1967, was approved for purchase using surplus revenues from the Parking System; that this purchase would protect the City's parking garage function by permitting an added egress to Michigan Avenue, if needed in the future; that this would provide additional area to expand the parking ramp northward if more parking space is needed. A portion of the site could be utilized to provide a landscaped area on the south side of Michigan Avenue, enhancing the attractiveness of both the parking garage and the Michigan Avenue approach to the State Capitol. Therefore, it is recommended the offer to purchase be rejected and the deposit be refunded, inasmuch as the Poxson Building was sold to the City of Lansing by the Municipal Parking System as per resolution of May 19, 1969, p. 595 of Council Proceedings.

Signed:

REPORTS OF CITY OFFICERS AND BOARDS

June 8, 1977

Honorable Mayor and

Members of the City Council

Lansing, MI

Gentlemen:

I herewith report that I have given to the City Assessor an itemized list of private properties which had trash and debris removed by the City, in the amount of $1,381.04, to be assessed on the December, 1977 tax rolls (U-13).

Respectfully submitted,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing.

Received and placed on file.

June 6, 1977

Honorable Mayor and

Members of the City Council

Lansing, MI

Re: 3812 S. Logan

Gentlemen:

The request of Rare Earth Landscaping to place a split rail fence and plantings within the R.O.W. of S. Logan, has been reviewed and approval is recommended by the Director of Public Service and the Traffic Engineer, subject to the following conditions:

1. A permit is obtained from the Public Service Department. State Highway Department approval will be required prior to issuance of the permit because Logan Street is a State Trunk Line.
2. The property owner would be responsible for all maintenance.
3. If this area was needed for any other purpose, such as sewer construction, gas or water mains, moving and/or installation of light poles, etc., the expense of removing the fence and shrubs would be the property owners responsibility.
4. Any damage to the fence or shrubs caused by a utility or a governmental unit, would also be at the expense of the property owner.
5. That shrubs be maintained in such a manner as to not restrict visibility for vehicles exiting adjacent driveways.

It is therefore recommended, subject to the conditions stated above, that the City Council approve this request.

Respectfully submitted,

JAMES W. KZESKI,
Building Commissioner,
City of Lansing.

Referred to Committee on Planning.

June 9, 1977

Honorable Mayor and City Council

City Hall

June 9, 1977

Councilman Lucile Belen

Chairman

Committee on City Affairs

Lansing City Council

Dear Councilman Belen:

Attached is an application for a parade permit from the Voiture 946, Forty et Eight, scheduled for 7:00 P.M. on Thursday, July 14, 1977, which has been approved by all the necessary parties.

Our Traffic personnel estimate this parade will cost the City of Lansing a total of $60.48, which represents four motorcycles and four officers for one hour.

This is being forwarded to you for final action.

Respectfully submitted,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Gunther—

That we concur in the recommendation of the Chief of Police and said parade permit be approved.

Carried.

June 9, 1977

Councilman Lucile Belen

Chairman

City Affairs Committee

Dear Councilman Belen:

Attached is an application for a parade permit from the American Legion Convention Corporation, scheduled for 2:00 P.M. on Saturday, July 16, 1977, which has been approved by all necessary department heads.

Our Traffic personnel estimate this will cost the City a total of $574.38, which represents ten motorcycles, and 21 officers for 2½ hours.

This is being forwarded for final action by your committee.

Respectfully yours,

RICHARD A. GLEASON,
Chief of Police.

By Councilman Gunther—

That we concur in the recommendation of the Chief of Police and said parade permit be approved.

Carried.

June 9, 1977

Honorable Mayor and

Members of City Council

Gentlemen:

On behalf of the parade committee for the 1977 July 4th weekend program I am respectfully requesting authorization for the closing of streets on Saturday, July 2, 1977 starting at 9:00 a.m., to be finishing by 12:00 noon.

The route of the parade begins at the area of River Street and Lenawee, and will proceed to Grand Avenue, then to Michigan Avenue, then to Capitol Avenue, to Hillsdale, and back to River Street.

The parade will include city police, fire, and emergency equipment; armed services and several marching units; four bands; floats, and classic cars, etc.

I am also requesting authorization for the placement of a review stand at the intersection of Washington Avenue and Michigan Avenue; and for the closing of a portion of the one hundred block of the South Washington Parking Mall from 11:00 a.m. to 2:00 p.m., July 2, 1977 for the purpose of displaying parade floats.

Sincerely,

DOUGLAS FINLEY,
Director,
Parks and Recreation.

By Councilman Baker—

That we concur in the recommendation of the Parks Director and the proper departments be contacted to cooperate in the carrying out of the festivities for July 2, 1977.

Carried.

June 9, 1977

Letter (a)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed a request for installation of a traffic signal at the intersection of Logan Street & Cavanaugh Road. Traffic Department analysis of this intersection shows that traffic volumes more than meet the criteria for installation of a traffic signal as set forth in Warrant No. 2 in the Michigan Manual of Uniform Traffic Control Devices. The warrant states that the volume criteria must be met for eight hours of each day; volume at this intersection exceeds the minimum for a total of fifteen hours.

In addition to the volume warrants being

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

met, it is difficult for drivers on Cavanaugh to see northbound traffic on Logan because of the crest of the hill just south of the intersection. Accident experience at this intersection nearly meets warrants for a traffic signal. During the first four months of 1977 a total of five accidents occurred, four of which were right angle accidents which may have been preventable by installation of a traffic signal.

Installation of a traffic signal at this intersection will undoubtedly encourage additional traffic to use Cavanaugh Road. This may improve safety at adjacent intersections along Logan Street.

The Traffic Board recommended unanimously for Council consideration approval of the installation of a traffic signal at this intersection, and that the Michigan Department of Sate Highways & Transporation be requested to approve the installation.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Roymond O. Severy,
Secretary.

Referred to Committee on Public Safety.

June 9, 1977

Letter (b)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

Observation of the intersection of Cedar Street and Christiancy Street since the removal of the median on Cedar Street reveals that an accident potential exists for southbound left turning traffic at Christiancy. The center lane at this point is not wide enough to store a southbound left turning vehicle.

The Traffic Board unanimously recommended that left turns from southbound Cedar Street to Christiancy Street be prohibited at all times. The Michigan Department of State Highways and Transportation District Engineer concurs with this recommendation.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary.

Referred to Committee on Public Safety.

June 9, 1977

Letter (c)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Department received several complaints concerning accident frequency at the intersection of Alpha Street and Tisdale Street. After investigation a double yellow pavement marking was applied on Tisdale east of Alpha Street. The pavement marking narrows the westbound lane to eleven feet wide. The narrow lane indicates to drivers that they should slow down as they approach the intersection, and should assist in helping drivers see the Yield signs that are installed at the intersection.

The Traffic Board recommended that in order to keep this lane open to traffic at all times, parking on the north side of Tisdale be prohibited from Alpha Street to 140 east of Alpha Street.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary.

Referred to Committee on Public Safety.

June 9, 1977

Letter (d)

Honorable Mayor Graves and

Members of City Council

Gentlemen:

The Traffic Board reviewed the Traffic Department's analysis for a traffic signal installation at the intersection of Washington Avenue and Northrup Street. The analysis of this intersection shows that the major cause of accidents has been drivers not stopping at stop signs on Northrup. Drivers involved in accidents have indicated that they thought Northrup was a through street. Volumes at this intersection are not high enough to meet the traffic signal warrants as specified in the Michigan Manual of Traffic Control Devices. The increase of accidents from three or four per year from 1971 to 1975 to nine in 1976 was the result of the detouring of traffic from Miller Road north on Washington Avenue.

The Traffic Board unanimously recommended that since the warrants for a traffic signal were not met, a flashing light be installed at this intersection to better identify the intersection. The light would flash amber for traffic on Washington and red for traffic on Northrup. In addition the Board directed the Traffic Department to re-analyze the intersection 3 months after installation of the flasher to determine whether the flasher is alleviating the accident problem.

Respectfully submitted,

LANSING TRAFFIC BOARD,
Raymond O. Severy,
Secretary.

Referred to Committee on Public Safety.

June 6, 1977

Honorable Mayor and

Members of City Council:

The Lansing Planning Board will hold a public hearing to consider an amendment to the Zoning Code of the City of Lansing. The amendment is in the form of;

"An ordinance of the City of Lansing, Michigan, providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding new sections to be numbered 86-42.1 through 86-42.14, inclusive, providing for the regulation of the location of adult bookstores, adult motion picture theaters and health clubs."

A copy of the full text of the Ordinance is attached for your information.

This public hearing will be held on Tuesday, July 19, 1977 at 7:30 p.m. in City Council Chambers, Tenth Floor, City Hall, Lansing, Michigan. You are cordially invited to attend this hearing.

This notice is in accord with Act 207, Public Acts of 1921.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Received and placed on file.

June 9, 1977

SUP-1-77

1800 Glenrose

Honorable Mayor and

Members of City Council:

The Planning Board, at their meeting of June 7, 1977, recommended that the request by Ashland Chemical Company, a division of Ashland Oil, Inc., to grant a special use permit to allow construction in the Grand River Flood Plain be approved.

The proposed special use permit would allow the construction of a 19 ft. 4 in. x 29 ft. 4 in. addition to the existing Ashland Chemical office. No chemical storage is proposed, the addition would house only office equipment, furniture and supplies.

The Board found, based on evidence submitted by the Department of Natural Resources that, although the proposed addition is located in the floodway on a site inundated by the April 1975 flood, no impact to the flood plain or floodway would result from the construction. These findings were based on the assumption that the addition will be placed in line with, and no further riverward than the existing structure. The Board also found that the proposed use is in accord with the Master Plan, and the requirements of the National Flood Insurance Program.

The Board further recommended that the addition be constructed in accord with the requirements of the Lansing Flood Plain Control Ordinance, State of Michigan Department of Natural Resources, and the National Flood Insurance Program, and that no building permits be issued prior to obtaining the proper permits from the Department of Natural Resources.

This recommendation was made with unanimous approval.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

June 9, 1977

SUP-2-77

600 Block of South Magnolia Street

Honorable Mayor and

Members of City Council:

The Lansing Planning Board, at their meeting of June 7, 1977, recommended that the request by Herman Miloszewski to grant a special use permit which would allow three parcels in the Red Cedar Flood Plain to be filled, be denied.

The petitioner indicated that the lots would be filled in the following manner:

"Fill in from the sidewalk to the City Code setback. From that point I want to fill in about four feet to back of lots"

(letter from Heman Miloszewski to the Mayor and City Council, dated 4/29/77)

Further discussions with petitioner revealed that he intends to move three single family homes to the site at a later date. During a routine field inspection of the property on May 19, 1977, it was discovered that the fill operation was underway.

The Board found that Section 36-63(b) specifically prohibits dumping or back filling in the flood plain unless the following criteria are met:

1) Through compensating excavation and shaping of the flood plain, the flow and impounding capacity of the flood plain will be maintained or improved, and will not cause an increase in the flood hazard or damage from floods and will not allow water to collect in pools that will stagnate.

2) No significantly measurable reduction in the flow or impoundment capacity of the flood plain thereby results.

3) Where there is dumping, back filling or excavation in any manner, adequate

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

site plans and engineering drawing shall be submitted to effectively show the final results of such action.

The petitioner has submitted no such information.

The Board further found that Section 1909.24(b) of the Rules and Regulations for the National Flood Insurance Program subjects a community which "fails to adequately enforce or repeals its flood plain management regulations" to suspension and/or termination of eligibility for sale of flood insurance.

It was also felt that allowing the fill operation would encourage new residential development in the flood plain, in an area inundated with 8 ft. to 9 ft. of water in the April 1975 flood.

This recommendation was made with unanimous approval.

Sincerely,

ALAN E. TUBBS,
Secretary,
Lansing Planning Board.

Referred to Committee on Planning.

June 9, 1977

Honorable Mayor Gerald W. Graves,

Mayor Pro-Tem William A. Brenke,

Members of the Lansing City Council

Tenth Floor, City Hall

Lansing, MI 48933

Dear Mayor Graves, Mayor Pro-Tem

Brenke, and Council Members:

As members of the Citizens' District Council (C.D.C.) for Neighborhood Development Area No. 2 (NDA No. 2), we have studied many needs of the citizens in our neighborhood. We would like to bring a problem to your attention.

Potter Park is adjacent to our area on the south. There is an entrance to the park from Dakin Street via a bridge over the Grand Trunk Railroad. A steep gradient here makes entering and exiting the park every difficult for citizens with mobility problems (e.g., some elderly people and users of wheelchairs, crutches, walkers and strollers.)

The CDC for NDA No. 2 has attempted to improve all types of circulation in the neighborhood. We have given special attention to the five dead end streets within the N.D.A. Our physical development plan provides for the construction of an eight foot wide pedestrian walkway along the Woodman Street right-of-way. At each street intersection, a fifteen foot wide all purpose sidewalk ramp will be constructed. This will enable emergency vehicles to back and turn around with more ease. The Woodman Street walkway will be lighted, fenced and landscaped.

Dakin Street is one of the streets that will receive this treatment. Because the entrance to Potter Park is here, and because this entrance is used to attend the needs of the park when the Red Cedar River is flooded, we would like the bridge to be repaired and painted and the south end of the bridge made as accessible as the north end.

We feel that Potter Park could be a lovely place for all if a plan is drawn up to make all areas of the park accessible to people with mobility problems. Entrance and exit ramps should be built with special consideration to see that the ramps complement the structure. All landscaping and pathway construction should keep this in mind, is it accessible? Extremely rough ground, steep gradients and steps are all off limits for those citizens in wheelchairs or who use other aid to be mobile.

Mr. Eric Gentile, Director of the Handicapped Students Program at Michigan State University (353-9642) has offered to assist the City in accomplishing these tasks with taste and concern.

We request that you take action to correct the access problems at the Dakin Street entrance to Potter Park as soon as possible.

Sincerely,

FREDERICK L. LAMB,
Citizens' District Council No. 2

Referred to Park Board, Public Service Board and Committee on Parks and Recreation.

June 9, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan

Dear Mayor Pro-Tem and Council Members:

Attached is a communication from Richard L. Sode, Chairman, Ingham County Board of Public Works, in which Mr. Sode advises the City of Lansing contribute $2,000 to $5,000 over a period of 25 years for the Lake Lansing restoration project, which is apparently in some financial difficulty. Mr. Sode advises that Ingham County has pledged $400,000. However, Mr. Sode has not advised if dollars pledged by Ingham County are general fund monies. If such be the case, Lansing taxpayers will already be contributing $174,000 based on the percentage of the total taxes collected from property owners in the City of Lansing for County purposes.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Personally, I feel the Lake Lansing restoration project is long overdue. The question, however, is really what is Lansing's fair share as compared to those who will benefit the most?

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Finance.

June 9, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

City Hall

Lansing, Michigan 48933

Dear Mayor Pro-Tem and Council Members:

In the preparation of the FY 77-78 Budget, funds were requested by the Parks Department—Forestry Division for extensive tree planting operations. It was my understanding, at the time, that the 8,700 trees planted last year under the Title X, at a cost of $136,273, and other special programs, would require substantial maintenance. It was also my understanding that the City, due to existing Parks priorities, has received less comprehensive tree trimming, tree services and tree removal than would be necessary to properly maintain all existing trees, which are the City's responsibility.

Mr. Douglas Finley, Parks Director, also indicated that there were vacancies in the Forestry operation. The Budget Review Committee, therefore, recommended a realignment of priorities to insure more empasis on maintenance of existing trees. Concurrently, the Parks Director was instructed to apply for CETA funds to hire personnel where vacancies existed in Forestry.

It has come to my attention that the trees planted last year suffered an unusually high loss rate due to poor planting conditions, and the subsequent bad winter. In addition, the vacancies anticipated in the Forestry Division cannot be adequately compensated for by the use of CETA personnel.

I am, therefore, recommending that the fourth period allocation of funds under the Anti-Recession Program be utilized, at least, in part, for Forestry personnel and for some additional trees. This would be an extension of our previous program in this area under Title X funds.

Sincerely,

GERALD W. GRAVES,
Mayor.

Referred to Committee on Finance.

RESOLUTIONS

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing does own the property legally described as follows, to-wit:

Lot No. 8, execpt the Northwesterly 15 feet, Block 132, Original Plat, City of Lansing, Michigan. (439 River St.)

and

Whereas, the Nehi Beverages, Inc., and the City of Lansing did enter into a Lease Agreement on subject property; and

Whereas, said Lease Agreement has expired; and

Whereas, a Lease Agreement by and between the City of Lansing and Nehi Beverages, Inc. has been prepared; and

Whereas, the Lease Agreement calls for a monthly rental payment of $200.00 per month for a term of two years subject to certain conditions;

Now, Therefore, Be It Resolved that upon approval of the Lease Agreement by the City Attorney, the Mayor and City Clerk will be authorized and directed to sign the Lease Agreement by and between the City of Lansing and Nehi Beverages, Inc.

Adopted by the following vote:

Unanimously.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the County of Ingham entered into a contract on the 29th day of March, 1977; and

Whereas, the City of Lansing and the County of Ingham have determined that the amendment of said contract will benefit both parties; and

Whereas, a proposed amendment of said contract has been drafted, a copy of which is attached hereto; now, therefore, be it

Resolved that the proposed amendment to said contract be and hereby is approved and that the Mayor and the City Clerk are hereby directed to sign said contract on behalf of the City of Lansing, after approval as to form by the City Attorney and after certification as to the availability of funds by the City of Lansing's Director of Finance.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By the Committee on Buildings and Properties—

APPLICATION TO WITHHOLD FROM SALE

Whereas, the following described land(s) in Ingham County.

Lot 179 Webster Farm No. 3 (Pollard Rd.) 3305-06-427-061 City of Lansing were deeded to the State of Michigan on the 3rd day of May 1977 through nonredemption from the county treasurer May 4, 1976 tax sale.

Whereas, said lands are now under the jurisdiction of the Department of Natural Resources and may be withheld from the first sale at which they are scheduled to be offered for the purpose of redemption on behalf of the former owner as provided for in Section 131c of Act 206, Public Acts of 1893, as amended.

Now Therefore Be It Resolved by the City of Lansing that application is hereby made to the Department of Natural Resources to withhold said lands from sale, and,

Be It Further Resolved that said City of Lansing does hereby authorize the county treasurer to collect all delinquent taxes on said lands if application is made by the owner thereof during the period for which said lands are withheld from sale by this application.

CERTIFICATION

I hereby certify that the above is a true and correct copy of a resolution offered and adopted by the City of Lansing on the ..... day of ..... ,19..... .

.....
Clerk of .....
.....
(Address)

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the appointment of Jeryl Johnson to the Public Service Board for a term expiring June, 1981, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Buildings and Properties—

Resolved by the City Council of the City of Lansing:

That the City Assessor be, and he is hereby directed to spread on the December, 1977 tax rolls (U-13), the cost of correcting the hazardous and unsanitary conditions of properties in the year 1977, in the amount of $1,381.04, as reported this date by the Building Commissioner, and as per attached list.

Adopted by the following vote:

Unanimously.

By Councilman Terry J. McKane—

Resolved by the City Council of the City of Lansing:

Whereas: Sexton's Head Baseball Coach, Robert "Camps" Campbell, is retiring from the Lansing School District after 34 years of teaching and coaching young people the art of football, basketball and baseball, and

Whereas: The foundation for his life-work was first established at Ionia High School where Bob Campbell received letters for outstanding performance in football, basketball, baseball and track. Later he taught swimming and lifesaving in Ionia County, followed by coaching at Jonesville and Manistee, and

Whereas: After accepting a teaching position with Sextion High School in 1943, the Big Red Coach served in the role of teacher, humanitarian and coach of football, basketball and baseball throughout his entire career, and

Whereas: At the age of 62, Robert Campbell will be honored on June 13 at the Elks Club where friends, family and co-workers will join in a special occasion to honor Sexton's Head Baseball Coach.

Now, Therefore, Be It Resolved that the Lansing City Council extends a special tribute to Robert Campbell, a man who has contributed toward the betterment of this community by his unselfish devotion of time and effort toward the growth and development of young peple, and

Be It Finally Reslved that a copy of this resolution be signed by the Mayor and City Council and be presented to Robert Campbell upon his retirement from the Lansing School District.

Adopted by the following vote:

Unanimously.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

Whereas, 1972 PA 382 as amended requires that a local community organization not affiliated with any state or national organization be recognized by the city wherein it conducts its principal activities

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

as a non-profit community organization prior to the issuance of a bingo license;

Now, Therefore, Be It Resolved, that for the purpose of the issuance of a bingo license the City of Lansing hereby recognizes the Center for the Arts—Beaux Artes Festival as a non-profit community organization.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, The City of Lansing has been informed by the Department of Labor that $10,321 has been authorized for the 1977 Summer Youth Recreation Program; and

Whereas, this grant will allow the Department of Parks and Recreation to sponsor at Grand Woods Park an 8 week Day Camp program conducted for youth participating at the playground, drop-in center, and community center programs of the city; and

Whereas, this is the fifth year the Summer Youth Recreation Program funds have been available to the City of Lansing for providing a variety of recreation services;

Now Therefore Be It Resolved, the City Controller will establish accounts required for implementing the program, and upon approval as to form by the City Attorney, the Mayor and City Clerk are authorized to sign required contracts with the Tri-County Regional Manpower Consortium which is administering the program.

Adopted by the following vote:

Unanimously.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, The City of Lansing has contracted with the Landscape Architecture firm of Grables, Mills and Young for the development of the Kingsley Park Master Plan, and construction phases I, and II, and

Whereas, work planned for the third and final phase includes the grading and seeding of the area west of the community center, completion of the storm drainage, and the pedestrian walk system and development of the outdoor theatre area, with a total estimated cost of $125,000 budgeted in the Kingsley Site Development account, and

Whereas, Grables, Mills and Young will provide the design services and inspection of construction in accordance with the standard consultant fee schedule as applied to the earlier two phases,

Now Therefore Be It Resolved that the design contract for phase III, in the amount of $10,125 (8.1% of construction costs) be authorized with funds budgeted into account 253-936-644-974 and that upon completion of the review of contract as to form by the City Attorney, that the Mayor and City Clerk are authorized to sign such agreement on behalf of the city.

Adopted by the following vote:

Unanimously.

By Councilman Terry J. McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Police Department has prepared a program for a 911 Computer Assisted Dispatch system to be funded through a federal grant application under the Crime Control Act of 1973; and

Whereas, a resolution of the City Council on June 21, 1976 authorized the Program Coordinator to submit a preliminary 911 Computer Assisted Dispatch grant application with a reservation that a complete and detailed analysis of the system, initial costs, subsequent program maintenance and training costs and local funding source will be presented to the Council prior to any final acceptance of a grant; and

Whereas, the preliminary application has subsequently been revised, meeting all the above requirements; and

Whereas, the City of Lansing has been advised by the Office of Criminal Justice Programs that funds are available to pay for the first year cost; and

Whereas, the Computer Assisted Dispatch grant is the initial segment of the system that precedes 911 and One Way Digital grants in a comprehensive system; and

Whereas, the proposed impact of this project will be to increase the efficiency and effectiveness of dispatch service to the residents of the City of Lansing, Ingham County and subsequently throughout the Tri-County area; and

Whereas, The cost of $151,759.00 will be provided on a 90% federal basis with 5% being provided by the State of Michigan and 5% will be provided by the governmental entities participating in the 911 program; and

Whereas, the prorata share of the 5% local match for the City of Lansing will be 48% of the dollars relative to the local match; and

Now, Therefore, Be It Resolved, by the City Council of the City of Lansing: that this application be approved and that $7,588

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

be allocated as the hardmatch share of the $151,759.00 program cost; and

That the Office of Criminal Justice Programs and the Law Enforcement Assistance Administration (LEAA) be assured of full compliance by the City of Lansing with the regulations of said agencies in regard to the activities to be carried out as assisted by said grant; and

Be It Further Resolved, that the Mayor and Project Director are hereby authorized and directed to sign this grant application and all related documents necessary to carry out this program.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been informed that they may submit grant applications under Round Two of the Public Works Program; and,

Whereas, current EDA regulations require that the City of Lansing and the Lansing School District prioritize the grant applications currently on hand at EDA;

Now, Therefore, Be It Resolved that the City of Lansing has determined after review by the Lansing School District and the Lansing Planning Board, that the priority for submission of projects under the Public Works Act of 1977 will be as follows:

1. Riverfront Development
2. East Michigan Avenue Development
3. North Lansing Historic and Recreational Development
4. Athletic and Grounds Equipment Storage—Lansing School District
5. Basic Parks Construcion
6. Moores River Drive Reconstruction
7. Lansing Street Paving
8. Aurelius Road Bridge Reconstruction
9. Aurelius Road Reconstruction

and;

Be It Further Resolved that should additional applications or modifications to existing applications be permitted, the following projects will be incorporataed into ing projects will be incorporated into existing grant applications where possible, or new applications will be prepared and submitted:

Moores Park Swimming Pool Repair

Ball Diamond Lighting and Tennis Court Construction

Steam Line Extension

Silver Lead Property Development

Red Cedar Bike Path Complex

Fish Ladders Construction

South Washington Street Trees, Curb and Gutters

Asphalt Plant Construction

Holmes Road Extension

Mill Street Extension

Heliport Construction

Riverfront Park Restroom Facilities

and;

Be It Finally Resolved that the Program Coordinator together with the respective departments are directed to prepare the necessary grant applications for submission to EDA.

By Councilman Baker—

That this be referred to the Committee of the Whole for the meeting to be held Thursday, June 16, 1977, for further explanation.

Carried.

By Presonnel Committee—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Administration will enter into a contract to provide for the planning and delivery of manpower services under the Comprehensive Employment and Training Act of 1973, CETA, Title VI Projects, as amended, "Emergency Jobs Act," Contract No. 894.-51; and

Whereas, the effective dates of this contract will be June 20, 1977 through September 30, 1977; and

Whereas, Contract No. 894.51 is being prepared for signature;

Now Therefore Be It Resolved, that the City Council authorize the Mayor and City Clerk to sign said proposed contract.

Adopted by the following vote:

Unanimously.

By Personnel Committee—

Resolved by the City Council of the City of Lansing:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the City of Lansing and the Lansing Tri-County Regional Manpower Administration will enter into a contract to provide for the planning and delivery of manpower services pursuant to the Comprehensive Empolyment and Training Act of 1973, Title VI Projects, as amended, "Emergency Jobs Act," Contract No. 894.51; and

hereinafter referred to as subcontractors, will enter into a contract to provide for the planning and delivery of manpower services pursuant to the Comprehensive Employment and Training Act of 1973, as amended, Title VI Projects, "Emeregency Jobs Act;" and

Whereas, the effective dates of the contracts will be June 20, 1977 through September 30, 1977:

Now Therefore Be It Resolved, that the City Council authorize the Mayor and City Clerk to sign said proposed contracts.

Adopted by the following vote:

Unanimously.

By Personnel Committee—

Resolved by the City Council of the City of Lansing:

Whereas, on April 19, 1976, the City Council approved a hiring freeze for CETA job slots and a CETA Moratorium Committee was authorized as a review board having the authority to make exceptions to the hiring freeze; and

Whereas, the need for a hiring freeze no longer exists due to the fact that unemployment insurance costs are now covered by the Federal government and there are sufficient CETA monies available to fund all positions in the current contract;

Now Therefore Be It Resolved, that the City Council approve the removal of the hiring freeze and dissolve the CETA Moratorium Committee.

By Councilman Belen—

That this be referred to the Committee of the Whole for the meeting of Thursday, June 16, 1977 for further action.

Carried.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, by petition duly filed on May 5, 1977, this Council was petitioned to establish a Lansing Plant Rehabilitation District No. 5 pursuant to Act 198, 1974 being Section 207.551 to 207.571, M.C.L., and

Whereas, due notice has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 23rd day of May, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is commonly known as:

401 N. Verlinden (Fisher Body)

more particularly described as:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

"Property bounded on the south by Michigan Avenue, then on the east by Verlinden Avenue, then on the north by Osborn Road, and finally on the west by the Lansing Manufacturers R.R. Land within City of Lansing (approximately 47 acres)"

Petitioners: General Motors Corporation

Whereas, after considering all the testimony presented to the Council, this Council has determined that within the District there is property which comprises 50% or more of the S.E.V. which is obsolete,

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to establish a Lansing Plant Rehabilitation District No. 5 to the above described property be approved.

By Councilman Gunther—

That Councilman Brenke be allowed to abstain from voting on the Plant Rehabilitation District for Fisher Body Division and Oldsmobile Division.

Carried.

Lost by the following vote:

Yeas: Councilmen Belen, Blair, Gunther —3.

Nays: Councilmen Baker, Hull, McKane —3.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, by petition duly filed on May 5, 1977, this Council was petitioned to establish a Lansing Industrial Development District No. 5 pursuant to Act 198, 1974 being Section 207.551 to 207.571, M.C.L., and

Whereas, due notice has been given for a public hearing on said petition, and

Whereas, at such hearing held on the 23rd day of May, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is commonly known as:

920 Townsend Street (Oldsmobile Division)

more particularly described as:

Commencing 41.25 feet south and 33 feet east of the center line intersection of Logan St. and William St. right of ways (R.O.W.) at the point of beginning. This point of beginning lies on the south R.O.W. line of William St. and the east R.O.W. line of Logan St. Thence easterly from point of beginning along the south R.O.W. line of William St. 1290 feet to the east R.O.W. line of Division St.: thence, southerly along the east R.O.W. line of Division St. and continuing along the east R.O.W. line extended 875 feet to a point on the Building 37 north building wall extended; thence easterly 24 feet to the northwest corner of Building 37; thence southerly along the Building 37 west wall 370 feet to the Building 37A southeast corner; thence westerly along the Building 37A south building line 60 feet; thence southerly along the Buildings 41, 27D, 27A and 27C outside west walls 530 feet to a point on the Oldsmobile-Grand Trunk Western Railroad property line; thence westerly and northerly along this property line 1810 feet to the Building 147A southwest corner; thence north 725 feet to the Olds Avenue south R.O.W. line; thence easterly along the Olds Avenue south R.O.W. line 303 feet to a point 75 feet west of the Logan St. centerline; thence northerly 420 feet to the Williams St. south R.O.W. line, thence easterly along the William St. south R.O.W. line 108 feet to the point of beginning.

Petitioners: General Motors Corporation.

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the petition to establish a Lansing Industrial Development District No. 5 to the above described property be approved.

Lost by the following vote:

Yeas: Councilmen Belen, Blair, Gunther —3.

Nays: Councilmen Baker, Hull, McKane —3.

By Councilman Blair—

That the following explanation from Mr. Hoffman of General Motors be included in the record.

Carried.

Regarding Air Pollution—It should be pointed out that the capacity of the Fisher plant is going up by 30%. Nevertheless we are looking at a significant 25% reduction in the current level of hydrocarbons. The new Fisher facilities comply with all current regulations. We will continue to do so in the future.

Now, odor and hydrocarbons are not specifically the same. On the subject of odor, I have a commitment, for the record, from Paul Pender the Divisional General Manager of Fisher Body and a Vice President of General Motors Corporation, that when reasonable and applicable technology is available G.M. will install it and not wait until forced by any governmental agency. In other words, when the "know how" is available we will install it. Moreover, we consider this to be a continuing obligation to solve the odor problem. On this point, I remind you that there is a meeting to-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

morrow night between G.M. and residents of the Fisher plant area to explain in detail what has been done, what is being done and what the future holds (including ongoing studies to improve the odor situation).

By Councilman Belen—

That the following letter from the Finance Director be included in the record.

Carried.

DATE: 6-14-77

To: Mayor and City Council

From: James W. Dowsett,
Director of Finance

Subject: Fiscal Implications of General Motors Request for Tax Abatement

Tonight the City Council will consider the question of tax abatement for the industrial rehab district proposed by General Motors. I have received several inquires this past week with regard to the fiscal implications of said tax abatement.

The long range financial plan of the City projects an increase of 3 to 4% a year in the City's property tax base (state equalized valuation.) This is supported by historical data and reflect normal assessing practice applied to residential and commercial property values on an annual basis. The 130 million dollar expansion program at Oldsmobile and Fisher Body is an additional revenue factor not currently provided for in the City's long range financial plan. I conservatively estimate that this project will equate to $500,000 a year in additional resources to the City from property taxes when the project is completed and placed on the tax roll. This represents approximately 1½% of the $30,000,000 budget utilized for the provision of basic City Services. While this is indisputably a significant dollar amount when considered alone, when considered within the context of total City resources it becomes only one of many factors related to the annual development of City programs and property tax rate.

The City's property tax base does not fluctuate wildly from year to year, but rather reflects the slow degree of success or lack of success with which the City is dealing with industrial growth, employment, housing, schools and the general desirability of the community as a place to live. A steadily deteriorating tax base is a reflection of more serious problems which can severely impact those resources which are more sensitive to economic changes such as the city income tax and state and federal shared revenues.

The question, therefore, is long term and relates to the role of Oldsmobile in the community on an ongoing basis. It has long been recognized that Lansing benefits from a diversified tax base which includes a major industry, state government and educational institutions. The high degree of stability of this economic base has been proven thru recessionary periods, major industrial strikes, etc. In my opinion, Oldsmobile is the anchor to this economic base. I believe that there is substantial advantage to the City in working cooperatively with Oldsmobile by allowing them those economic benefits provided by law and designed to assist them in remaining competitive in the national market scene while also encouraging them to consider Lansing as an ongoing major center of operations.

I would finally advise you that the question of tax abatement will not have any adverse impact on the City's AAA credit rating. Rating services will be interested in reviewing the criteria used to give tax abatement, but assuming that criteria is logical, there would be no second guessing on the part of a rating service which would impact our credit rating.

I therefore recommend that the long range positive impact of General Motors in the community be considered as the most salient economic feature of the proposed abatement.

By Councilman Gunther—

That the following request of Councilman Hull from the Planning Board be included in the record.

Carried.

DATE: June 13, 1977

To: Mayor Gerald W. Graves and Members of the Lansing City Council

From: Councilman Robert J. Hull

Subject: General Motors Request for Tax Abatement

I requested the Planning Department to prepare a cost-benefit analysis of the Oldsmobile and Fisher Body request for plant rehabilitation districts.

Attached for your information is a copy of this analysis. The bottom line shows a net benefit of $10,742,092 to the City of Lansing and the Lansing School District.

TAX REVENUE IMPACT ANALYSIS

Regarding: General Motors Tax Abatement Proposal for Lansing

Assumes: General Motors will invest $133 million in Lansing

— 100% abatement for Fisher Body

— 50% abatement for Oldsmobile

— 1300 new jobs at General Motors in Lansing

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

— 988 new non-manufacturing jobs will be created because of GM investment (ripple effect)

— all calculations are for twelve (12) years, the length of the abatement period

— additional residential property tax revenue was calculated according to formula (see Exhibit E)

— indirect benefits were not included in this report, such as increase in retail sales, impact on construction industry, commercial property and income tax, increase in bank deposits and loans

INTRODUCTION OF ORDINANCE(S)

The following ordinance(s) of the City of Lansing, Michigan providing that the code of ordinances be amended by:

a. Repealing of sections 9-1 through 9-3 of Building Code and declaring same to be null and void and of no effect.

b. Adding Sections to be numbered 9-1 and 9-2 to Building Code (Lansing Uniform Building Code and Adoption of Building Code).

c. Adding sections to be numbered 9-3 and 9-4 of Building Code (Amendments to Uniform Building Code—Severability).

d. Repealing of Section 9C-1 through 9C-19 of Plumbing section of Building Code).

e. Adding a New Chapter to be numbered 9C and by adding sections numbered 9C-1 through 9C-20 inclusive to Plumbing Section of Building Code.

f. Adding Sections to be numbered 9C-21 and 9C-22 to Plumbing Section of Building Code (Changes in Uniform Plumbing Code—Severability).

g. Repealing of Sections 9B-1 through 9B-10 of Mechanical Section of Building Code.

h. Adding sections to be numbered 9B-1 through 9B-11 inclusive to Mechanical Section of Building Code.

was introduced by Councilman Blair, read a first and second time by their title(s), and referred to the Committee on Ordinance and Contracts and City Affairs.

INTRODUCTION OF ORDINANCE(S)

The following ordinance(s) of the City of Lansing, Michigan providing that the code of ordinances be amended by:

a. Adding a New Subsection to be numbered 22-57(a) to offenses Ordinance (Production, Exhibition, Delivery of Sale of Obscene Material Illustrating Minors Prohibited).

was intrduced by Councilmen Belen, Brenke and Gunther, read a first and second time by its title(s) and referred to the Committee on Ordinance and Contracts and City Affairs.

INTRODUCTION OF ORDINANCE(S)

The following ordinance(s) of the City of Lansing, Michigan providing that the code of ordinances be amended by:

a. Adding a Chapter to be numbered 25 and by adding a section to be numbered 25-1 to code (City's Election to apply the provisions of the Reciprocal Retirement Act to the Policemen's and Firemen's Retirement System).

was introduced by Councilman Belen, read a first and second time by its title(s) and referred to the Committee on Ordinance and Contracts and City Affairs.

By Councilmen Belen-McKane-Baker—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5(g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Letter from Lansing Symphony Association, Inc. relative to their withdrawal from the 1977 concert in Riverfront Park.

Referred to Committee on Parks and Recreation.

Request from residents of the 2600-2700 block of Fairfax Rd. to hold a block party on Monday, July 4, 1977.

By Councilman Belen—

That we concur in the request and that this be referred to the proper departments and Councilman McKane.

Carried.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

Whereas, in 1977 the Oldsmobile Division of General Motors is continuing to break production records; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the selling name of Olds Cutlass continues to maintain its national sales appeal at the head of the automobile industry; and

Whereas, this widespread appeal has contributed to the increased demand for the entire Oldsmobile product line and such phenomenal production goals have allowed Oldsmobile and General Motors to employ some 21,000 persons in the Greater Lansing Area; and

Whereas, Oldsmobile will assemble its 1,000,000th unit for this product year here in Lansing on Thursday, June 16;

Now, Therefore, Be It Resolved that the City Council and Mayor of Lansing congratulate the Oldsmobile team for its commendable effort in the automobile industry which has so greatly contributed to the economic well-being of the City of Lansing and its citizens.

Adopted by the following vote:

Unanimously.

June 13, 1977

Mayor and City Council Members:

I have received the attached request from Mr. David Pizana to once again hold the celebration of Mexican Independence Day in Riverfront Park on September 16, 17, and 18, 1977.

The event will include a parade, food and refreshment and general good times. Additionally, a dance would be held at the Marshall Street Armory on September 18.

I wish to thank the Mexican Patriotic Committee for once again choosing to use the Riverfront Park for their celebration. The whole City benefits from their initiative.

I would ask that the Parks Department Special Events Coordinator (Ms. Barb Israel) be placed in charge of coordinating the City's efforts with the Committee to ensure a truly successful event.

Respectfully yours,

RICHARD J. BAKER,
Councilman-at-Large

By Councilman Blair—

That this be referred to the Park Board, and their recommendation be sent back to the council.

Carried.

By Councilman McKane—

That the resolution adopted on June 6, 1977 relative to the city assuming 50% of insurance premium cost incurred relative to the Ethnic Festival to be held in Riverfront Park be rescinded and the following resolution be adopted:

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, City Council has adopted Ordinance 4-10 allowing sale and consumption of beer and wine in the Riverfront Park; and

Whereas, said ordinance requires proof of insurance in the amount of One million dollars ($1,000,000) aggregate coverage with the City as an additional insured; and

Whereas, the City Council passed a resolution on June 6, 1977 assuming 50%, but not more than $600, of the insurance premiums of liquor license applicants of the Riverfront Park Ethnic Festival, and

Whereas, said liquor license applicants and the City Attorney have been unable to receive a commitment for insurance in the amount of One million dollars ($1,000,000) and have been advised that Five hundred thousand dollars ($500,000) is the maximum practicable coverage available, be it hereby

Resolved, that the City Clerk and the City Attorney are hereby directed to approve the application of any said licensee who shall provide proof of insurance in the amount of Five hundred thousand dollars ($500,000) per single incident and for aggregate coverage, with the City named as an additional insured, Provided that such applicant shall have otherwise complied with all other requirements of the ordinance 4-10, and

Be It Further Resolved that the resolution of the City Council dated June 6, 1977 approving of assumption of 50% but not more than $600 of the cost of said insurance by the City, is hereby rescinded.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair, Gnuther, Hull, McKane—6.

Nay: Councilman Brenke—1.

By Councilman McKane—

I move that Section 5.5 (g) of the City Charter and Council Rules 19, 21, 22, 23, 24, 25, 27 and 30 and any other rules or parts of rules in conflict with this motion be suspended so that the following ordinance may be read, considered and adopted at this meeting, which ordinance is entitled as follows:

"An Ordinance of the City of Lansing providing that the Code of Ordinance be amended by providing that section 4-10 (5) (b) of the code of ordinance be amended."

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

ORDINANCE NO. 451
(Replacing Ordinance No. 450)

By Councilman McKane—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by providing that section 4-10 (5) (b) of the Code of Ordinances be amended, be placed on order of immediate passage.

By Councilman McKane—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by providing that Section 4-10 (5) (b) of the Code of Ordinances be amended, be now passed.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Blair, Gunther, Hull, McKane—6.

Nay: Councilman Brenke—1.

ORDINANCE NO. 451

An ordinance of the City of Lansing, Michigan, providing that Section 4-10 (5) (b) of the Code of Ordinances of the City of Lansing, Michigan, be amended.

The City of Lansing Ordains:

Section 1. That Section 4-10 (5) (b) of the Code of Ordinances of the City of Lansing, Michigan, be amended to read as follows:

Sec. 4-10 (5) (b) Filing with the City Clerk proof of a public liability and property damage insurance policy insuring such applicant and the City of Lansing as an additional insured against any liability imposed on such applicant and/or the City of Lansing arising out of the sale of beer or wine. Such policy shall provide for the payment of up to five hundred thousand dollars ($500,000.00) in the event of injury to or death of one (1) person and for the payment of up to five hundred thousand dollars ($500,000.00) in the event of injury to or death of more than one (1) person and for the payment of up to one hundred thousand dollars ($100,000.00) for property damage. Such policy shall bear an endorsement to the effect that the insurance company shall notify the City Clerk at least ten (10) days prior o the expiration of such policy; and

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

By Councilman Belen—

Resolved by the City Council of the City of Lansing:

This ordinance being for the immediate preservation for the public peace, health or safety shall take effect upon its passage.

Carried.

By Councilman Brenke—

Resolved by the City Council of the City of Lansing:

That Councilman Adado be excused from the session.

Carried.

By Councilman Belen—

That the council recess for a period of 10 minutes.

Carried.

Council recessed at 10:50 p.m. and reconvened at 11:00 p.m.

Janet Niesen, 400 Everett Dr. read a letter from the West Side Neighborhood Association in regard to a public meeting they attended—Board of Water and Light meeting of June 6, 1977, in regard to street lighting.

Referred to Committee on Planning, Board of Water and Light and Mayor's Office.

By Councilman Belen—

That this meeting stand adjourned.

Carried.

Council adjourned at 11:10 P.M.

THEO FULTON,
City Clerk.

OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

Proceedings, June 20, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

June 20, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Coluncil was present.

Invocation was given by Councilman Gunther.

Pledge of Allegiance was given by Melanie Dalrymple of Dwight Rich Jr. High School.

By Councilman Brenke—

That resolution No. 6 in memory of Officer Mac Donnelly be read at this time.

Carried.

By Councilman Hull—

That each councilman be named as sponsor of this resolution.

Carried.

By Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull and McKane—

Resolved by the City Council of the City of Lansing:

Whereas, Mac J. Donnelly, age 35, lost his life in the line of duty of helping to preserve the peace and tranquility of the City of Lansing, and

Whereas, Mac J. Donnelly is the first Police Officer in the history of the City of Lansing to lose his life in the line of action, and

Whereas, Mac J. Donnelly was hired by the Lansing Police Department on May 6, 1968 and upon graduation from the 3rd Mid-Michigan Police Acadamy was assigned to Uniform Patrol for approximately 6 years, served on Staff Services for 7 months,

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

and was assigned to the Organized Crime Unit on September 1, 1974, and

Whereas, Officer Donnelly's duties in the Organized Crime Unit included intelligence duties, including surveillance and intelligence operations, often in cooperation with State Police Intelligence, F.B.I. and local police agencies, and

Whereas, Courageously facing death was not a new experience for this Officer, and

Whereas, Officer Donnelly had an exemplary and commendable career with the Lansing Police Department where he received several letters of recognition, including a recommendation for a departmental award for his part in preventing a possible homicide on August 13, 1975, and

Whereas, His life off duty was as exemplary and unselfish as on duty, always caring for and giving of himself to his wife, family and fellowman, and

Whereas, His wife, Margaret, and five children have been deprived of his being as husband, father, and fellowman,

Now, Therefore, Be It Resolved that the Mayor and Members of the Lansing City Council offer this Resolution in memory of Mac J. Donnelly, his courage, his commendable career and his exemplary life, and

Be It Further Resolved that on this day, June 20, 1977, a moment of silence be observed in his memory, and

Be It Finally Resolved that a copy of this resolution be presented to his wife, Margaret.

Adopted by the following vote:

Unanimously.

HEARING ON PROPOSED CHANGES IN ZONING CLASSIFICATIONS

June 20, 1977, at 7:00 o'clock being the time set as the time for holding a hearing on the proposed changes in the Classifications as provided for in the Zoning Code, which was passed by the City Council on November 13, 1958, said proposed amendment being as follows:

That the property described as:

REPORTS OF CITY OFFICERS AND BOARDS

City Treasurer submits report on the condition of funds in the treasury as of May 31, 1977.

Received and placed on file.

June 16, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Claim of Howard Buck

Dear Mayor and Council:

We are in receipt of the claim of Howard Buck whose car was damaged when driven over a chuckhole in the 6900 block of South Washington Avenue, Lansing, Michigan.

We are informed that the Public Service Department has no knowledge of the accident and that it is aware of no prior notice of the road hazard in question.

Submitted with the claim are estimates of damages in the amount of $45.41. Claimant has also submitted a copy of the an official traffic accident report disclosing details of the Lansing Police Department's investigation of the scene. The statement on the accident report is consistent with the statement originally filed with this claim and contains measuremens of the chuckhole taken by the officer. The size of the hole is estimated on the accident report as 2½ feet by 3 feet by approximately 5½ to 6 inches deep. There is also verification of the immediate damage in the report. Officer Arnold of the Lansing Police Department also related that his on-the-scene observation disclosed that the chuckhole almost certainly existed for several months. This conclusion was based upon weathering of the sides and bottom of the hole, its size and the absence of broken asphalt. Claimant reported the mishap immediately and his representation of the incident is consistent with the officer's report.

Under the applicable statute, the City would be immune in a case such as this unless it had knowledge of or should have known of the defect and had reasonable time to repair the same. Such knowledge and time are conclusively presumed when the defect existed so as to be readily apparent to an ordinarily observant person for a period of thirty days or longer before the injury took place. 1964 PA 170, being MCLA 691.1403(3); MSA 3.996(103).

Therefore, based upon the likelihood of an unsuccessful governmental immunity defense and substantive evidence that the defect in question was in existence for over thirty days, it is the recommendation of this office that the claim be allowed.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney and the City Clerk be and she is hereby directed to draw a warrant on the City Treasurer in the amount of $45.41 payable to Howard Buck.

Carried.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

June 16, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: Spartan Department Store, Inc., v City of Lansing Michigan Tax Tribunal Docket No. 9316

Dear Mayor and Council:

On July 18, 1975 Spartan Department Stores, Inc., filed a petition with the Michigan Tax Tribunal protesting its property tax assessment for the 1975 tax year for the Spartan Department Store located at 5015 South Cedar Street. On July 15, 1976 petitioner additionally amended its petition to include the property tax assessment for the 1976 tax year. In their petition it was alleged that the assessed valuation of $318,000 placed upon the property by the City of Lansing was in excess of 50% of the property's true cash value and further alleged that the assessed valuation should be $252,000. The City filed an answer stating that the assessed valuation of the property was accurate and lawful.

Recently members of this office, the City Assessor's office and representatives of Spartan Department Stores, Inc. entered into negotiations in an effort to resolve this dispute. A review of the condition of the property in question indicates it has been vacant at all times during the 1975, 1976 and 1977 tax years and is in an advanced state of deterioration. We have also been informed, however, that Spartan Department Stores, Inc. has agreed to sell the property for an amount not yet determined but less than $580,000. Because of the pending sale, Spartan Department Stores, Inc. is anxious to settle the dispute over the assessed valuation of the property, pay the back taxes on the property and thereby clear their title. As a result of the negotiations in this matter, it was agreed, subject to approval by Ciy Council, that (1) The City of Lansing and Spartan Department Stores, Inc. wil agree that the assessed valuation of the property for the 1975 and 1976 tax years will be reduced on the subject property from $318,000 to $300,000 which is $18,000 less than claimed by the City, but $48,000 more than claimed by Spartan Department Stores, Inc. and (2) that Spartan Department Stores, Inc. will not dispute the assessed valuation of the property in the amount of $318,000 for the 1977 tax year.

The foregoing settlement appears reasonable in that the amounts agreed upon are substantially in excess of 50% of the recently agreed upon sale price for the property and because settlement avoids the possibility of a substantial reduction in the assessed valuation of the property as a result of the property's continued deterioration, pursuant to a Michigan Tax Tribunal hearing. Additionally, settlement of this matter will facilitate the sale of he property, encouraging its return to productive use and avoid the expense of litigation. It should also be noted that the City Assessor concurs in this proposed settlement.

Therefore, it is my recommendation that this office be authorized to enter into a stipulation effectuating the settlement outlined in this letter.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

By Councilman McKane—

That we concur in the recommendation of the City Attorney.

Carried.

June 16, 1977

Honorable Mayor and Members

of the Lansing City Council

Re: George L. Drake v City of Lansing Workers Compensation

Dear Mayor and Council:

On June 14, 1972, claimant in this matter was allegedly injured while working for the Department of Parks and Recreation. Workers Compensation benefits were paid to the claimant as a result of the alleged work-related injury.

On September 20, 1976, claimant filed a petition for a hearing before the Bureau of Workers Compensation asserting that he was totally and permanently disabled as a result of the June 1972 injury.

A finding of a total and permanent disability entitles a claimant to at least 800 weeks of Workers Compensation benefits irrespective of the claimant's earning capacity, ability to work, or recovery from the injury.

This office opposed the claimant's petition on the grounds that the medical evidence did not support a finding of total and permanent injury.

After a hearing was held on the matter and medical testimony and other facts were presented by both sides, the Honorable Herbert H. Sharples, Administrative Law Judge, found that the evidence presented did not permit a finding of total and permanent disability.

Respectfully submitted,

TIMOTHY W. SANDERSON,
City Attorney.

Received and placed on file.

June 16, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Gentlemen:

Attached is a proposed contract between the Michigan State Highway Commission and the City of Lansing for the purpose of fixing the rights and obligations of the parties in agreeing to the improvement of Highway M-43 (Saginaw Street) at the sturcture (X01 of 33042) carrying the tracks of the Consolidated Rail Corporation over Highway M-43 east of Larch Street.

The City's share is estimated to be $506.25. Account No. 202-453-612-974.000.

I would recommend approval of this proposed contract.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

June 16, 1977

Honorable Mayor Gerald W. Graves

Mayor Pro-Tem William A. Brenke and

Members of City Council

Tenth Floor, City Hall

Lansing, MI 48933

Dear Mayor Graves, Mayor Pro-Tem

and Council Members:

I have reviewed the proposed Contract between the City of Lansing, through the Housing and Redevelopment Department, with the Community Design Center. This contract is to become effective on July 1, 1977, and terminate on June 30, 1978. Execution of the Contract is dependent upon the availability of Federal Funds through the Community Development Program as of July 1, 1977.

I hereby certify that the proposed contract has been properly prepared in conformance with Sec. 2A-11 of the City of Lansing Ordinance. The proposed Contract meets the requirements set forth for certification pursuant to the aforementioned ordinance section.

Respectfully,

ORRIN E. SHARP,
Executive Assistant to the
Mayor for Community
Development.

Referred to Committee on Community Development.

June 7, 1977

Honorable Mayor

and City Council

City Hall

Lansing, Michigan

Subject: B-77-745 Polymer

Gentlemen:

Four bids for the purchase of approximately 30,000 lbs. of dry polelectrolyte were opened at 3:00 P.M., E.D.T. on Tuesday, May 31, 1977.

Allied Colloids, Inc.	$1.18/lb.
Hercules, Inc.	$1.19/lb.
Dow Chemical U.S.A.	$1.377/lb.
Global Plastics Corp.	$1.96/lb.

We recommend acceptance of the low bid submitted by Allied Colloids, Inc. for a total delivered price of $1.18 per pound.

Terms are "Net 30 days."

Respectfully submitted,

VAUGHAN L. McKINCH,
Purchasing Director,

ROBERT R. BACKUS,
Public Service Director.

Referred to Committee on Public Service and Highways.

Councilman Baker left the session.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the recommendation of the Purchasing Director and the Director of Public Service that the low bid submitted by Allied Colloids, Inc., for the purchase of approximately 30,000 lbs. of dry polelectrolyte for a total delivered price of $1.18 per pound, be accepted, reports as follows:

The Committee concurs in the recommendation of the Purchasing Director and the Director of Public Service. Acct. No. 590-536-000-743.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service
and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

June 13, 1977

Mayor Gerald W. Graves

and Members of City Council

City of Lansing

City Hall

Lansing, Michigan 48933

Dear Mayor Graves and Council Members:

In January of this year, you appointed the River Island Policy Review Committee

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

of which I am chairman. Since that time, the Committee has met on a regular basis to consider and recommend changes in the tentative City wide policies prepared by the Planning Department.

At our next meeting, we expect to complete this task and begin work on our primary objective of developing policies specifically for the River Island area. We anticipate that we will be able to accomplish this by the end of August if we are able to proceed as presently planned. However, we feel that in order to develop the most meaningful and useful document, additional opportunities for citizens to participate must be made available. Therefore, they must be made aware of what the River Island Committee is doing and how they can participate both in the formulation of area policies and in district committees which will be organized in September, 1977.

The primary obstacle to expanding citizen participation is the lack of funds available to disburse information. We realize that funds are scarce, however, the importance of the Master Plan for guiding future development of the City necessitates that some monies be appropriated. We have devised a plan for broadening citizen input and would require $5,000.00 to implement it.

Due to the severe time constraints which we are operating under, we would appreciate your earliest attention and consideration of this matter. If you have any questions, or additional information, please do not hesitate to contact me at 372-8730.

Sincerely,

WALTER P. MANER,
Chairman,
River Island Policy
Review Committee.

Referred to Committee on Finance.

June 16, 1977

Honorable Mayor Gerald W. Graves

and Members of City Council

City of Lansing

Lansing, Michigan 48933

Gentlemen:

In accordance with the Open Meeting Act of 1976, PA 267, the Lansing Human Relations Committee hereby advises that the Time and Place of their Regular Schedules, July 14, 1977 meeting has been Changed as follows:

Equal Opportunity Office/
Affirmative Action Officer.

Received and placed on file.

June 15, 1977

Honorable Mayor Pro-Tem and Members

of the Lansing City Council

Tenth Floor—City Hall

Lansing, Michigan

Subject: Referral of letter from Mr. and Mrs. Ignatius J. Konrad to Special Tax Relief Assessment Committee

Dear Mayor Pro-Tem

and Council Members:

On May 2, 1977, you referred the subject letter to the Members of the Sepcial Tax Relief Asssesment Committee.

Subsequent to this action, the Commitee consisting of Paul Creevy, Tim Sanderson (represented by Jim Heos), James Dowsett and Robert Black, met with Mr. Konrad on Friday, June 3, 1977, at 2:30 p.m., in my office.

It was agreed by everyone in attendance that the subject matter should be referred back to Council for re-referral to Mr. Heos of the City Attorney's Office for handling in a routine claim manner.

Attached for your reference is a copy of the original letter received from the Konrads together with the City Assessor's analysis of the Konrad's assessment record from 1966 through 1976.

Respectfully,

GERALD W. GRAVES,
Mayor.

Referred to City Attorney.

Councilman Baker returned to session.

RESOLUTIONS

By Committee on Public Service and Highways—

Resolved, That the Purchasing Director be and he is hereby directed to advertise, as

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

provided by law, for sealed proposals for the construction of the Weighman Drain Enclosure and Sanitary Sewer Relocation, PS 67037 in accordance with the plans and specifications on file in the office of the City Engineer. Proposals to be received up to 3:00 P.M., Local Time, Tuesday, July 19th, 1977.

Each proposal to be accompanied with a certified check or bidders bond in the sum of 5% of the proposal.

Right is hereby reserved to accept any proposal, to reject any or all proposals and to waive defects in proposals.

No bids may be withdrawn after the above date and time for receiving bids for a period of forty-five (45) days.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the proposed contract between the Michigan State Highway Commission and the City of Lansing for the purpose of fixing the rights and obligations of the parties in agreeing to the improvement of Highway M-43 (Saginaw Street) at the structure (X01 of 33042) carrying the tracks of the Consolidated Rail Corporation over Highway M-43 east of Larch Street, be approved, and

That the Mayor and City Clerk be authorized to sign this Agreement upon certification of the City Controller as to the availabiliy of funds, and after approval as to form by the City Attorney.

This contract will be funded under Account Number 202-453-612-974.000.

Adopted by the folowling vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the Committee on Public Service and Highways offered the following Resolution and moved for its adoption.

That the Municipal Maintenance Contract between the Michigan State Highway Commission and the City of Lansing for the period July 1, 1977 to June 30, 1978, is hereby accepted and,

That Robert R. Backus is designated as Maintenance Superintendent on sections of State Trunk Line Highways as shown on the Municipal Maintenance Map and Budget Sheets, and

That the Mayor and City Clerk are hereby authorized to sign the said Maintenance Contract.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a matter of public health and necessity to relocate that 300 ft. of 18 in. sanitary sewer which crosses that portion of Lot 9 of Rensen Center Subdivision from Rensen Street south, from its present location to the westerly side of Lot 9, and that the construction of this relocation is hereby ordered.

And Further, that the cost of this construction is to be assessed to the benefited property owner, Roy Markey, in accordance with the letter of agreement on file. No City funds will be used for this work.

The Department of Public Service is hereby directed to prepare as far as necessary, plans and specifications for this project and it is further directed to estimate in detail, the cost of said project and to furnish said information to the City Council.

Adopted by the following vote:

Unanimously.

By Committee on Ordinance and Contracts and City Affairs—

Resolved by the City Council of the City of Lansing:

That the appointment of Edwin Sanford (At Large) and Thomas Campbell (At Large) to the Metropolitan Development Authority for a term expiring June 30, 1979, be confirmed.

Adopted by the following vote:

Unanimously.

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing is considering the extension of Edgewood Blvd. from South Logan St. to South Cedar Street, and

Whereas, the City of Lansing has engaged the services of the Wilbur Smith and Associates, Consulting Engineers, to pre-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

pare the necessary study plans for this project, and

Whereas, the Consulting Engineering firm of Wilbur Smith and Associaes has completed the Negative Declaration for construction of Edgewood Blvd. from Cedar Street to Logan Street, and

Whereas, said Negative Declaration has been approved by the U.S. Departmnet of Transportation, Federal Highway Administration and the Michigan Department of State Highways and Transportation,

Now, Therefore Be It Resolved, that a Public Hearing will be held on Wednesday, August 10, 1977 at 7:00 P.M., Harry Hill High School Auditorium.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas it is necessary to hold a Public Hearing on the proposed establishment of a Lansing Industrial Development District No. 6—Spartan Die, Inc.

Therefore, Be It Resolved that the City Clerk give at least 10 days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed district.

Resolved further that such hearing shall be held at the Council Chambers in the City Hall on the 5th day of July, 1977, at 7:00 P.M. and that notice of such hearing be published in a publication of general circulation of said City.

Adopted by the following vote:

Unanimously.

By Councilman Blair—

That the following substitute resolution take the place of the one that is on the agenda.

Carried.

By Committee on Parks and Recreation—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has a long established program of planting of street trees, including replacement of those which die, and the planting of vacant locations in subdivisions developed prior to the city ordinance which now requires this as a part of initial development, and

Whereas, a large number of vacant planting locations were planted during 1976 under the Federal Title X program, and

Whereas, it would be desirable to continue to reduce the backlog of vacant locations and to work toward a point where future city tree planting budgets need only cover the annual cost of the replacement of trees which die, and

Whereas, Anti-Recessionary funds are available in account No. 245-000-000-160, Anti Recession Fund Estimated Revenues and are considered as eligible expense for the procurement of trees and related supplies, and

Whereas, the labor required for the planting of trees, and for tree maintenance will be available to the Department of Parks and Recreation with existing, and C.E.T.A. Title VI employees,

Now, Therefore Be It Resolved, that funds appropriated from the Anti-Recessionary entitlement to the appropriate expenditure accounts as follows:

Acct. No. 245-781-238-706 Anti-Recessionary Forestry Wages—Hourly	$ 40,000.00
Acct. No. 245-781-238-740 Anti-Recessionary Operating Supplies	4,088.00
Acct. No. 245-781-238-756 Anti-Recessionary Tree Stock	68,700.00
	$112,788.00

used for the planting of approximately 2,750 trees during the 1977-78 fiscal year, and

Be It Further Resolved that in keeping with existing forestry operation policy the first priority be given to the replacement of street trees that were originally planed by the city, and that the second priority be planting new locations in older established sections of the city.

Adopted by the following vote:

Unanimously.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the City built Gier Park Community Center in Gier Park; and

Whereas, it was decided that entrance to the Gier Park Community Center be from Hall Street; and

Whereas, Hall Street is a residential street less than one-half block long and an unimproved street; and

Whereas, the increased traffic has caused

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

constant problems of mud, dirt and dust for the residents of this street;

Now, Therefore, Be It Resolved that it is a matter of public necessity that Hall Street north to Thomas Street to the entrance of Gier Park be paved with asphalt at no expense to the abutting property owners, and

Be It Resolved Further that the Department of Public Service be directed to carry out the intent of this resolution and that the Committee on Finance be directed to make funds available.

Adopted by the following vote:

Yeas: Councilmen Baker, Belen, Gunther, Hull, McKane—5.

Nays: Councilmen Adado, Blair, Brenke —3.

By Committee of the Whole—

Resolved by the City Council of the City of Lansing:

Whereas, on April 19, 1976, the City Council approved a hiring freeze for CETA job slots and a CETA Moratorium Committee was authorized as a review board having the authority to make exceptions to the hiring freeze; and

Whereas, the need for a hiring freeze no longer exists due to the fact that unemployment insurance costs are now covered by the Federal government and there are sufficient CETA monies available to fund all positions in the current contract;

Now, Therefore, Be It Resolved that the City Council approve the removal of the hiring freeze.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

Whereas, the City of Lansing has been informed that they may submit grant applications under Round Two of the Public Works Program; and,

Whereas, current EDA Regulations require that the City of Lansing and the Lansing School District prioritize the grant applications currently on hand at EDA;

Whereas, the City of Lansing has been informed by EDA that its planning target amount for Round Two of Local Public Works is $3,701,000, and

Whereas, to comply with EDA Regulations, it is not permissable to submit grant applications exceeding the amount of the planning target figures.

Now, Therefore, Be It Resolved that the City of Lansing has determined after review by the Lansing School District and the Lansing Planning Board, that the priority for submission of projects under the Public Works Act of 1977 will be:

1. Riverfront Development
2. East Michigan Avenue Development
3. North Lansing Historic and Recreational Development
4. Athletic and Grounds Equipment Storage—Lansing School District
5. Basic Parks Construction

Be It Further Resolved, that the demolition of the Poxson Building be deleted and the following projects will be incorporated into existing grant applications where possible: Silver Lead Property Development, Fish Ladder Construction, and Expand basic Parks Construction to continue the development of undeveloped neighborhood parks.

Be It Finally Resolved that the Program Coordinator together with the respective departments are directed to prepare the necessary grant applications for submission to EDA.

Adopted by the following vote:

Unanimously.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-1-77

1800 Glenrose

Whereas a request has been filed by Ashland Chemical Company, a division of Ashland Oil, Incorporated, for a Special Use Permit, SUP-1-77 at 1800 Glenrose and more particularly described as:

> That part of the southeast ¼ lying south of the Lansing Manufacturers (now Penn Central) Railroad right-of-way and southwest of the Grand River and northeasterly of the Lansing Manufacturers (now Penn Central) Railroad spur track, Section 5, T4N, R2W, City of Lansing, Ingham County, Michigan. 3301-05-451-151,

to erect a 19 ft. 4 in. by 29 ft. 4 in. office addition in the Grand River Flood Plain; and

Whereas, pursuant to Chapter 36, Article V of the Lansing Code of Ordinances, entitled Flood Plain Control, the Planning Board advised the City Council to grant the Special Use Permit subject to the requirements of the Flood Plain Control Ordinance Rules and Regulations of the National Flood Insurance Program, and the Department of Natural Resources; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, pursuant to Chapter 34A of the Lansing Code of Ordinances, entitled Waterfront Development, the request was referred to the Waterfront Development Board; and

Whereas the staff representative for the Waterfront Development Board indicated that the request was not in conflict with the Waterfront Development Plan; and

Whereas the Planning Committee of Council, to whom the report of the Planning Board was referred, concured therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing ordains that the Special Use Permit to allow the construction of a 19 ft. 4 in. by 29 ft. 4 in. office addition on the above described property be granted; and

Be It Further Resolved that no Building Permits be issued prior to the applicant submitting evidence that: (1) Permits have been obtained from the Department of Natural Resources, and (2) The proposal meets the requirements of the Lansing Flood Control Ordinance, as modified and approved by the Board of Zoning Appeals No. 2209, and the National Flood Insurance Program Rules and Regulations; and

Be It Further Resolved that no additional chemical storage is permitted in the Flood Plain.

Adopted by the following vote:

Unanimously.

Councilman Blair left the session.

By Committee on Planning—

Resolved by the City Council of the City of Lansing:

SUP-2-77

600 block South Magnolia (west side)

Whereas a petiton has been filed by Herman Miloszewski for a Special Use Permit, SUP-2-77 in the 600 block of South Magnolia (west side), more particularly described as:

Lots 60, 61, 62 and the south 16 feet of Lot 63, Lansing Addition Company's Subdivision, Recorded Liber 5, Page 20, City of Lansing, Ingham County, Michigan (3301-14-358-351, 3301-14-358-361, 3301-14-358-371)

to fill and develop three parcels of land within the Red Cedar River Flood Plain; and

Whereas, pursuant to Chapter 36, Article V, entitled Flood Plain Control, the Planning Board advised the City Council to deny the petition based on its findings that; (1) the property is wholly within the flood plain of the Red Cedar River and was inundated by eight to nine feet of water in the April 1975 flood, (2) in order to develop the property for residential use, the houses (including basements) would have to be elevated above the base (100 year) flood level, completely out of character with the existing development, (3) no engineering data has been submitted to assure compliance with the Flood Plain Control Ordinance and the Rules and Regulations of the National Flood Insurance Program, and (4) the intent of the applicant is to develop the property with residential houses, which is contrary to the policy for land lying within the Flood Plain; and

Whereas, pursuant to Chapter 34A of the Lansing Code of Ordinances, entitled Waterfront Development, the request was referred to the Waterfront Development Board; and

Whereas the staff representative to the Waterfront Development Board indicated that residential developemnt wholly in the flood plain should not be encouraged; and

Whereas the Planning Committee of City Council, to whom the report of the Planning Board was referred, concurred therewith;

Now, Therefore, Be It Resolved that the petition to grant a Special Use Permit to allow the above described property to be filled and developed be denied in accord with the City Council's policy of discouraging residential development wholly within the flood plain and the requirements of the Lansing Flood Plain Control Act and Rules and Regulations of the National Flood Insurance Program.

Adopted by the following vote:

Unanimously.

By Committees on Planning and Public Service and Highways

Resolved by the City Council of the City of Lansing:

P-6-77

Webster Farms No. 4

Preliminary Plat

Whereas the preliminary plat of Webster Farms No. 4 has been submitted for tentative approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council tentatively approve the preliminary plat subject to the following conditions:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.

4) That compliance with requirements of the Fire Department be shown.

5) That lots 13 and 14 be redesigned to eliminate the potential maintenance problem.

6) That the land north of Lots 11 through 14, shown on the submitted plan "not included" be included on the final plat as street rights-of-way for Pollard Road and Selfridge Boulevard.

7) That the necessary easements be provided for the installation of utilities.

8) That relief from Section 37-22(a) be granted.

9) That relief from Section 37-23(d) be granted for Lots 1 and 2.

10) That a Soil Erosion and Sedimentation Plan be submitted to the Director of Public Service for approval.

11) That all lots contain a minimum width of sixty feet (60') at the building line.

12) That all other requirements of the responding agencies be complied with.

13) That this is a tentative approval of the preliminary plat for a period of twelve (12) months; and

Whereas the Planning Committee of Council review the Planning Board recommendations and concur therewith;

Now, Therefore, Be It Resolved that the Preliminary Plat of Webster Farms No. 4 Subdivision is hereby tentatively approved subject to conditions one (1) through thirteen (13) as set forth above; and

Be It Further Resolved that the City Clerk be, and she is hereby, directed to attach this approval to the Plat and return it to the Proprietor.

Adopted by the following vote:

Unanimously.

By Committees on Planning and Public Service and Highways—

Resolved by the City Council of the City of Lansing:

P-5-77

Delaware Park No. 3

Preliminary Plat

Whereas the preliminary plat of Delaware Park No. 3 has been submitted for tentative approval; and

Whereas the Planning Board, pursuant to Act 285, P.A. 1931, has approved and recommended that the City Council tentatively approve the preliminary plat subject to the following conditions:

1) That the final plat be developed with all public improvements as required by the Lansing Subdivision Regulations and the Michigan State Plat Act.

2) That all lots shall be graded so surface water will drain therefrom so as not to adversely affect adjacent properties.

3) That the developer utilize an underground electrical distribution system as specified in Section 37-33.1 of the Lansing Subdivision Regulations.

4) That the one foot (1') outlot at the end of the proposed street of Ellendale be eliminated.

5) That the necessary easements be provided for the installation of utilities.

6) That compliance with requirements of the Fire Department be shown.

7) That relief from Section 37-23 (d) be ganted for Lots 52, 53, 54, 59, 60, 65 and 66.

8) That a Soil Erosion and Sedimentation Control Plan be submitted to the Director of Public Service for approval and permit.

9) That the underground electric facilities existing on proposed Lots 65, 66, 67 and 68 be relocated at the expense of the petitioner.

10) That all lots contain a minimum of sixty feet (60') in width at the building line.

11) That all other requirements of the responding agencies be complied with.

12) That this tentative approval of the preliminary plat is effective for a period of twelve (12) months; and

Whereas the Planning Committee of Council reviewed the Planning Board recommendations and concur therewith;

Now, Therefore, Be It Resolved that the Preliminary Plat of Delaware Park No. 3 Subdivision is hereby tentatively approved subject to conditions one (1) through twelve (12) as set forth above; and

Be It Further Resolved that the City Clerk be, and she is hereby, directed to attach this approval to the Plat and return it to he Proprietor.

Adopted by the following vote:

Unanimously.

PUBLIC IMPROVEMENT I

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That it is hereby determined to be a public necessity to relocate 300 ft. of 18 in. sanitary sewer crossing that portion of Lot 9, Rensen Center from Rensen Street south, from its present location to the westerly side of Lot 9 as ordered (See Council Resolution 6-20-77).

That the Department of Public Service be and hereby is directed to cause to be prepared so far as necessary, diagrams and plats of the whole of said district, and/or plans and specifications for such project, and is further directed to estimate in detail the cost of said project, and furnish said information to the Council.

Adopted by the following vote:

Unanimously.

PUBLIC IMPROVEMENT II

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the plans and specifications returned by the Department of Public Service in pursuance of the resolution of this Council,

Resolution date 5/31/77

P.S. No. 67037

Storm Enclosure

Property Benefited: All lands fronting on the Weigman Drain from the east line of Tranter Street to the south line of Rensen Street excepting all public streets and alleys and other lands deemed not benefited.

Resolution date 6/20/77 ordered

P.S. No. 67037

Sanitary Relocation

Property Benefited: All lands fronting the 18 in. sanitary sewer crossing that portion of Lot 9, Rensen Center Subd. from Rensen St. south 300 ft. excepting all public streets and alleys and other lands deemed not benefited, be received, approved and placed on file.

The Engineer's estimated expense of said improvements are as follows:

Project No. PS 67037

Intersection and City Contribution

Storm	$33,399.68*
Sanitary Relocation	0.00
Total	$33,399.68

Assessable to Property Owners

Storm	$11,600.32
Sanitary Relocation	9,000.00
Total	$20,600.32

Total Project Cost

Storm	$45,000.00
Sanitary Relocation	9,000.00
TOTAL COST	$54,000.00

*101-936-617-973.000

That the Purchasing Director be directed to advertise and let for bid the specifications for said projects as submitted by the Department of Public Service.

That the City Assessor be, and is directed, to make special assessment installment rolls, based upon bids to be received and other related costs of construction, and return same to the City Council.

All projects are a part of the Weigman Drain Enclosure and Sanitary Sewer Relocation, PS 67037.

I hereby certify that funds are available and encumbered for the City of Lansing's share of said project.

EDWARD PERRY,
City Controller.

Adopted by the following vote:

Unanimously.

PUBLIC IMPROVEMENT IV

By Committee on Public Service and Highways—

Resolved by the City Council of the City of Lansing:

That the special assessment roll for Curb and Gutter:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Assessment Roll No. 260 C & G

PS 77061

Property Benefited: All lands fronting on Shirley St. from the W. line of Lots 37 and 47 to the E. line of Lots 42 and 43 of Battenfield Subdivision No. 2 excepting all public streets and alleys and other lands deemed not benefited, as returned by the City Assessor (as amended by the City Council upon review as follows) be and the same is hereby ratified and confirmed, and the Mayor be and hereby is directed to affix within ten days, his warrant directing the City Treasurer to collect said tax on or before the 20th day of September, 1977.

This project is part of the 1977 Curb and Gutter Contract, PS 74046.

Adopted by the following vote:

Unanimously.

ZONING

By Councilman Baker—

Whereas, it is deemed desirable to amend the Classification provided for in the Zoning Code of the City of Lansing, passed on the 13th day of November, 1958, in the following particulars, viz:

That property described as:

Z-19-77 — 809 West Holmes Rd.,

be re-zoned from "J" Parking District to "F" Commercial District and the "Map" be changed to indicate such transfer;

Therefore, be it resolved, that the City Clerk shall give at least fifteen days notice of a Public Hearing when all persons interested may attend and make any objections they may have to such proposed changes in said Zoning Code.

Resolved further, that such hearing shall be held at the Council Chamber in the City Hall on the 11th day of July, 1977, at 7:00 o'clock p.m., and that notice of such hearing be published in the official publication of said city, as required by law.

Adopted by the following vote:

Unanimously.

By Councilman Baker—

Whereas, by petition duly filed on the 31st day of January, 1977, this council was petitioned to change the following described property from "F" Commercial District to "H" Light Industrial District all as set forth in the Zoning Code of this city, and

Whereas, due notice as required by law has been given for a public hearing on said petition, and whereas, at such hearing held on the 18th day of April, 1977, all parties interested therein were heard and given due consideration, and

Whereas, the property involved is described as:

Z-4-77—1400 South Washington Avenue and 1402 and 1406 S. Washington Avenue,

more particularly described as:

The north 22 feet of the east 90 feet, Lot 1, Block 2, McKibbin's Addition, and the south 34 feet of the north 56 feet of the east 90 feet, Lot 1, Block 2, McKibbin's Addition, and commencing at the southeast corner, Lot 2, McKibbin's Addition, thence north 76 feet, west 90 feet, south 34 feet, west 75 feet, south 42 feet, west 9.25 feet, south 66 feet, east 9.25 feet, south 114.5 feet, east 165 feet, north 180.5 feet to the point of beginning, McKibbin's Addition, City of Lansing, Ingham County, Michigan,

from an "F" Commercial District to an "H" Light Industrial District; and

Whereas, pursuant to Act 207, P.A. 1921, the Planning Board recommended that the City Council approve the request, subject to conditions; and

Whereas the Planning Committee of Council, to whom the report of the Planning Board was referred, concurred therewith;

Now, Therefore, Be It Resolved that the Council of the City of Lansing hereby ordains that the petition to rezone the above described property from an "F" Commercial District to an "H" Light Industrial District be approved; and

Be It Further Resolved that the petitioner submit a detailed site plan to the Planning Department for approval by the Planning Department, and Traffic Engineer prior to the issuance of Building Permits, and that the site plan include;

1) landscaping, screening and fencing

2) location of existing and proposed structures,

3) ingress, egress and traffic circulation,

4) parking lot layout and number of spaces, and

5) number of employees and usable retail square footage.

This petition is granted with the understanding that the rear of the property shall be cleared of junk and debris.

Adopted by the following vote:

Unanimously.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

That the attached vouchers as presented by the City Controller be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant in the amount of $1,276,940.79.

Signed:

JAMES D. BLAIR,
TERRY J. McKANE,
WILLIAM A. BRENKE,
Committee on Finance.

Adopted by the following vote:

ORDINANCE NO. 953

CHAPTER 9 — BUILDING CODE

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHGAN, BE AMENDED BY ADDNG SECTIONS TO BE NUMBERED 9-1 AND 9-2.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding Sections to be numbered 9-1 and 9-2 as follows:

SECTION 9-1.
LANSING UNIFORM BUILDING CODE

This Chapter, together with the "Uniform Building Code" adopted hereby, shall herein after be known as the "Lansing Uniform Building Code."

SECTION 9-2.
ADOPTION OF BUILDING CODE

That a certain document or booklet accompanying this chapter, an official copy of which is on file in the office of the City Clerk of the City of Lansing, being marked and designated as the "Uniform Building Code," 1976 edition, published by the International Conference of Building Officials, is hereby adopted pursuant to the authority vested in the City of Lansing by the following State of Michigan enabling act:

Section 8 of the State Construction Code Act (Act 230 of 1972, compiled laws 1948 Section 125.1501 et seq.)

This Code provides regulations for the erection, construction, enlargement, alteration, repair, removal, demolition, conversion, occupancy, equipment, use, height, area and maintenance of all buildings and/or structures in the City of Lansing: providing for the issuance of permits and collection of fees therefore: providing penalties for violation of such Code: establishing and declaring fire zones: and each and all of the regulations, provisions, penalties, conditions, and terms thereof shall be deemed adopted and made a part hereof by the reference as if fully set out in this chapter, subject to such changes as may be made by the terms of this chapter.

ORDINANCE NO. 954

(Building Code)

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding sections to be numbered 9-3 and 9-4 to Building Code, be placed on order of immediate passage.

Carried.

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by adding sections to be numbered 9-3 and 9-4 to Building Code, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 954

CHAPTER 9 — BUILDING CODE

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING SECTIONS TO BE NUMBERED 9-3 AND 9-4:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding sections numbered 9-3 and 9-4 as follows:

SECTION 9-3.

AMENDMENTS TO UNIFORM BUILDING CODE

The Uniform Building Code adopted by Section 9-2 of this Chapter is hereby changed, altered or amended to read as follows:

Section 103. Scope, is hereby amended by adding a new paragraph:

Where, in any specific case, different Sections of this Code specify materials and methods of construction inconsistent with Section 316 "Provisions for Barrier Free Design" of the State of Michigan Construction Code, Section 316 shall govern.

Section 201. Creation of Department., is hereby deleted and a new section added as follows:

Building Department Established. There is hereby established a Building Department, the head of which shall be the City Building Commissioner. The Building Commissioner shall be appointed by the Mayor and confirmed by the City Council and shall hold his office at the pleasure of the Mayor or until his successor is appointed and has qualified, unless removed in accordance with the provisions of the Charter of the city. The Building Commissioner shall have a four (4) year college degree in one of the following fields: building construction, residential building, civil engineering, mechan-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

ical engineering, electrical engineering, or architecture. The Building Department shall consist of the Building Commissioner, Assistant Commissioner, Chief Electrical Inspector, Chief Mechanical Inspector, Chief Plumbing Inspector and such other assistants, clerks, inspectors and employees as may be necessary to carry out the work of the Building Department as in this Code provided, and said employees shall hold office at the pleasure of the Building Commissioner. They shall perform such duties as shall be prescribed by the Building Commissioner and shall devote their entire time to the work of the Building Department. Neither the Building Commissioner nor any employee of the Building Department shall, during his term of office, be engaged in any private business pertaining to the planning or erection of buildings.

Section 202. (B). Deputies., is hereby deleted and a new subsection (B) added as follows:

Employees. The employees of the Building Department shall be appointed by the Commissioner and shall be paid such compensation as established by the City Council. Appointment of the Chief Electrical Inspector, Chief Mechanical Inspector and Chief Plumbing Inspector shall be made consistent with prerequisites established by their respective codes.

Section 203. Unsafe Buildings., is hereby deleted and a new section added as follows:

Demolition of Unsafe Buildings, Hearing Examiner, Creation, Duties, Powers.

A. General. It is unlawful for any owner or agent hereof to keep or maintain any unsafe or dangerous buildings. "Unsafe or dangerous buildings," means any building which has any of the defects or is in any of the conditions hereinafter described.

(1) Whenever any door, aisle, passageway, stairway or other means of exit does not conform to the fire codes applicable to Lansing and the Lansing Uniform Building Code.

(2) Whenever any portion has been damaged by wind, flood, or by any other cause in such a manner that the structural strength or stability is appreciably less than it was before such catastrophe and is less than the minimum requirements of the Lansing Uniform Building Code for a new building or similar structure, purpose or location.

(3) Whenever any portion or member or appurtenance is likely to fall or become detached or dislodged, or to collapse and thereby injure persons or damage property.

(4) Whenever any portion has settled to such an extent that walls or other structural portions have materially less resistance to wnids than is required in case of new construction.

(5) Whenever the building or structure or any part, because of dilapidation, deterioration, decay, faulty construction, or because of the removal or movement of some portion of the ground necessary for the purpose of supporting such building or portion thereof, or for other reason, is likely to partially or completely collapse, or some portion of the foundation or underpining is likely to fall or give way.

(6) Whenever for any reason whatsoever the building or structure or any portion is manifestly unsafe for the purpose for which it is used.

(7) Whenever the building or structure has been so damaged by fire, wind or flood, or has become dilapidated or deteriorated as to become an attractive nuisance to children who might play therein to their danger, or as to afford a harbor for vagrants, criminals, or immoral persons, or as to enable persons to resort thereto for the purpose of committing a nuisance or unlawful or immoral acts.

(8) Whenever a building or structure, used or intended to be used for dwelling purposes, because of dilapidation, decay, damage or faulty construction or arrangement or otherwise is unsanitary or unfit for human habitation or is in a condition that is likely to cause sickness or disease when so determined by the Health Officer, or is likely to work injury to the health, safety or general welfare of those living within.

(9) Whenever any building becomes vacant, dilapidated and open at door or window, leaving the interior of the building exposed to the elements or accessible to entrance by trespassers.

B. Vacation. If the building or structure is in such condition as to make it immediately dangerous to the life, limb, property or safety of the public or the occupants, it shall be ordered to be vacated.

A sign shall be posted at or upon each exit of the building and shall be in substantially the following form:

"DO NOT ENTER
UNSAFE TO OCCUPY

It is a misdemeanor to occupy
this building, or to remove
or deface this notice.
Building Dept.
City of Lansing"

No person shall remain in or enter any building which has been so posted, except that entry may be made to repair, demolish or remove such building under permit. No person shall remove or deface any such notice after it is posted until (1) the required repairs, demolition, or removal has been completed, (2) the Building Commissioner has given his written permission that the sign be removed, and (3) a Certificate of Occupancy, if applicable, has been issued pursuant to the provisions of the Uniform Building Code. Any person violating this subsection shall be guilty of a misdemeanor.

C. Recordation of Unsafe or Dangerous

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Condition. When the Building Commissioner or his authorized representative has determined that a building is unsafe or dangerous, he shall file in the office of the Registrar of Deeds, a notice describing the property and certifying that the building is an unsafe or dangerous building, and that the owner has been so notified.

Whenever the corrections ordered shall thereafter have been completed or the building demolished so that it no longer exists as an unsafe or dangerous building on the property described in the notice, the Building Commissioner or his authorized representative shall file a new notice with the Registrar of Deeds certifying that the building has been demolished or all required conditions have been made so that the building is no longer unsafe or dangerous.

D. Notice.

(1) When the whole or any part of any building or structure is found to be in a dangerous or unsafe condition, the Building Commissioner or his authorized representative shall issue a notice of the dangerous and unsafe condition.

(2) Such noitce shall be directed to the owner, agent or lessee registered with the Building Department. If no owner, agent, or lessee has been registered, then the notice shall be directed to each owner of or party in interest in the building in whose name the property appears on the last local tax assessment records.

(3) The notice shall specify the time and place of a hearing on the condition of the building or structure at which time and place the person to whom the notice is directed shall have the opportunity to show cause why the building or structure should not be ordered to be demolished or otherwise made safe.

(4) The Mayor shall appoint two (2) or more hearing officers, one of whom shall be a registered engineer and who shall not be employees of the city. There shall be a minimum of one (1) hearing per month.

(5) All notices shall be in writing and shall be served upon the person to whom they are directed personally, or in lieu of personal service may be mailed by certified mail—return receipt requested addressed to such owner or party in interest at the address shown on the tax records, at least 10 days before the date of the hearnig described in the notice. If any person to whom a notice is directed is not personally served, in addition to mailing the notice, a copy thereof shall be posted upon a conspicuous part of the building or structure.

E. Hearing and Costs.

(1) The hearing officer shall take testimony of the Building Commissioner or his authorized representative, the owner of the property and any interested party. The hearing officer shall render his decision either closing the proceedings or ordering the building to be demolished or otherwise made safe.

(2) If it is determined by the hearing officer that the building or structure should be demolished or otherwise made safe, he shall so order, fixing a time in the order for the owner, agent or lessee to comply therewith.

(3) If the owner, agent or lessee fails to appear or fails to act within two weeks from the date of the hearing, the hearing officer shall file a report of his findings and a copy of this order with the Lansing City Council and request that the necessary action be taken to demolish or otherwise make safe the building or structure. A copy of the findings and order of the hearing officer shall be served upon the owner, agent or lessee in the manner prescribed in Section D.

(4) The Lansing City Council shall fix a date for hearing, reviewing the findings and order of the hearing officer and shall give notice to the owner, agent or lessee in the manner prescribed in Section D of the time and place of the hearing. At the hearing, the owner, agent or lessee shall be given the opportunity to show cause why the building should not be demolished or otherwise made safe and the Lansing City Council shall either approve, disapprove or modify the order for the demolition or making safe of the building or structure. If the City Council makes the determination that the building shall be demolished or made safe, the owner, agent, or lessee shall have twenty (20) days within which to commence repairs or demolition. If, after twenty (20) days, the Council's order has not been substantially complied with, Council may order the Building Commissioner to proceed with the work specified in such order.

(5) Any cost incurred by the City in the demolition or making the building safe shall be a lien against the real property and shall be reported to the assessing officer of Lansing who shall assess the cost against the property on which the building is located.

(6) The owner or party in interest in whose name the property appears upon the last local tax assessment records shall be notified of the amount of such cost by first class mail at the address shown on the records. If he fails to pay the same within 30 days after mailing by the assessor of the notice of the amount thereof, the assessor shall add the same to the next tax roll of Lansing and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes in Lansing.

F. Appeal to Circuit Court. An owner aggrieved by any final decision or order of the City Council under Section E may appeal the decision or order to the circuit court by filing a petition for an order of superintending control within 20 days from the date of the decision.

Section 204. Board of Appeals is hereby deleted and a new section added as follows:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

In order to determine the suitability of alternate materials and methods of construction and to provide for reasonable interpretations of the provisions of this Code, there shall be and is hereby created a Board of Appeals, consisting of five (5) members who are qualified by experience and training to pass upon matters pertaining to building construction. The Building Commissioner shall be an ex officio member and shall act as secretary of the Board. Members of this board shall be appointed by the Mayor with the advice and consent of the City Council. This Board shall consist of one member each representing the following professions and/or groups: (1) general contractor, (2) residential contractor, (3) American Associate of Architects, (4) Professional Engineers, and (5) a citizen of Lansing. All members shall serve for a term of four (4) years and said term shall commence on July 1 of the calendar year. The term of the registered architect representative shall commence on July 1, 1978. The term of the professional engineer representative shall commence July 1, 1979. The terms of the residential contractor and citizen representatives shall commence on July 1, 1980. The term of the general contractor shall commence on July 1, 1981. The existing board members hold the following positions:

General Contractor Representative—
Mr. Max Reniger

Residential Contractor Representative—
Mr. Art Rapp

Architect Representative—
City Fire Marshal

Engineer Representative—
Assistant Public Service Director

Citizen Representative—
Mr. Grey Turney

Effective July 1, 1979, voting members of this Board shall not be employees of the City. The Fire Department and Public Service representatives, at the conclusion of their respective terms, shall continue to act as advisors to the board on matters concerning their respective areas of responsibility. The Board shall adopt reasonable rules and regulations for conducting its investigation *and* shall render *all* decisions and findings in writing to the Building Commissioner with a duplicate copy to the appellant and may recommend to the City Council such new legislation as is consistent therewith. The Board shall also hear all appeals from decisions, rules, regulations or interpretations of the Electrical Board, the Chief Electrical Inspector, the Mechanical Board, the Chief Mechanical Inspector, the Plumbing Board, the Chief Plumbing Inspector, or any official or employee of the Building Department.

Section 301 (a). Permits Required., is hereby amended by adding the following:

However, no permit shall be required for the erection of pre-manufactured buildings not exceeding 100 square feet.

Section 303. Fees., is hereby deleted and a new section added as follows:

(a) Fees. The following fees shall be paid to the City as called for under the various sections of this Code.

Building Permit Fees. The following fees shall be charged for new construction, additions, and structural alterations. The determination of value or valuation under any of the provisions of this Code shall be made by the Building Commissioner. The valuation to be used in computing the permit fee shall be the total value of all construction work for which the permit is issued, as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire-extinguishing systems and any other permanent work or permanent equipment.

For an expenditure up to and including $2,000.00 ..... $10.00

For each $1,000.00 or fraction thereof above $2,000.00 ..... 3.00

But no fee shall exceed $6,000.00 for any one building.

The fee shall be based upon the estimated cost established by multiplying the square footage of the building by a reasonable unit cost factor or by such other method or methods established and approved by the Building Board of Appeals. Such unit cost factor shall be established in accordance with subsection (2) of this section. When approved, such cost factor shall be posted in the office of the Building Department. No permit shall be issued upon a lesser value than determined from this table.

Double Fee. Where work for which a permit is required by this Code is started or proceeded with, prior to obtaining said permit, the fees above specified shall be doubled, but the payment of such double fee shall not relieve any persons from fully complying with the requirements of this Code in the execution of the work nor from any other penalties prescribed herein.

Reinspection Fee. The fee for each reinspection shall be $10.00.

Swimming Pool Fee. The following fee shall be charged for permits to install swimming pools $10.00

Siding Permit Fee. The following fee shall be charged for the installation of aluminum, vinyl or wood siding when on repair, remodel or re-siding on commercial and residential buildings $10.00

Wrecking Permit Fees. The following fees shall be charged for permits to wreck buildings and structures:

(A) Dwellings, private garages, sheds $10.00

(B) Warehouses, factories, stores and office buildings 20.00

Moving Permit Fees. The following fees

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

shall be charged for moving buildings and structures:

(A) All buildings and structures less than 500 square feet in area and less than seventeen feet (17') high when loaded $10.00

(B) All buildings over 500 square feet in area 25.00

Refund of Fees. Holders of permits upon which work has not been started may make written application for a refund of fees paid for such permits, provided such application is made and attested before a Notary Public by the same person or corporation who originally applied for such permit or by the estate of such person or receiver of such corporation within six (6) months of date of issue. Upon verifying the facts in such cases, the Building Commissioner shall refund seventy-five (75) percent of all fees in excess of five dollars ($5.00) in such manner as may be directed by the City Controller.

License Fees. The following fees shall be charged for all licenses as called for by this Code. All licenses shall expire on April 30 of each year.

BUILDING WRECKER

Initial license fee $30.00

Annual renewal fee 15.00

BUILDING MOVER

Initial license fee $30.00

Annual renewal fee 15.00

(b) Insurance and Bonds

Liability Policy and Bond. The following insurance requirements shall apply to any person, firm or corporation engaging in the following businesses:

Building Wrecker

Building Mover

Every person, firm or corporation engaged in the business listed above shall file with the City Clerk a public liability policy insuring such person, firm or corporation and the City of Lansing against any liability imposed upon such person, firm or corporation and/or the City of Lansing arising out of the performance of the work carried on by such person, firm or corpration. Such policy so filed shall provide for the payment to any person injured or by reason of the death of any one person to the extent of One Hundred Thousand ($100,000.00) Dollars and for the payment of Three Hundred Thousand ($300,000.00) Dollars for injuries to or the death of more than one person, and for property damage in the amount of One Hundred Thousand ($100,000.00) Dollars.

Bond.

In addition to the insurance policies hereinbefore specified to be filed with the City of Lansing and approved as a prerequisite to the issuance of a license, any person, firm or corporation engaging in the above listed businesses shall file with the City Clerk a bond in the penal sum of One Thousand ($1,000.00) Dollars indemnifying the City of Lansing against any and all violations of any ordinance, rule or regulations of the City of Lansing, to indemnify the City of Lansing for any and all damage to public property of any kind or nature, and conditioned that said licensee will pay to the City of Lansing all fines or penalties which may be assessed against said licensees for the breach of any ordinance relating to the work carried on by such persons, firms or corporations.

(c) License to Demolish Buildings.

No person, firm or corporation shall engage in the business of wrecking buildings or other structures without having secured a license from the city authorizing the holder thereof to carry on or engage in such business.

Issuance. The City Clerk is empowered to issue a license to wreck buildings and other structures to any reputable person, firm or corporation upon the payment of the license fee required in (a) License Fees and the execution and delivery to the City Clerk, a public liability policy which complies with the provisions of (b) Insurance and Bonds.

Qualifications. No license shall be issued until the applicant therefore shall have shown satisfactory knowledge, experience, and equipment to properly conduct wrecking operations.

Permits. No permit shall be issued for the wrecking of any building or structure to anyone other than a person, firm, or corporation licensed under the provisions of this Code, except that a permit may be issued for the wrecking of a minor building or structure to the owner of the premises upon which such minor building is located. The work or operation of wrecking, under a permit issued to an owner as above provided, shall be performed or executed by the owner, his employees, or the members of his family, acting under the supervision and direction of the owner.

For the purpose of this section, a minor building shall be described as follows:

A one story building not exceeding ten thousand (10,000) cubic feet in volume above the grade line.

A two story building constructed of frame or brick veneer containing not more than twenty-five thousand (25,000) cubic feet in volume above the grade line.

The Board of Appeals may grant variances in the above regulations in cases where there are unusual practical difficulties or unnecessary hardships, provided such variation will not effect the general welfare, health or safety.

Wrecking of Building shall be conducted in such manner as not to create a nuisance

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

to persons on public streets or on adjoining property. When necessary to prevent excessive dust, the building material shall be well wet down. Materials removed from any structure shall not be permitted to fall into streets, alleys or adjacent property or otherwise create a nuisance. Whenever a building is being wrecked in violation of these requirements, it shall be the duty of the Building Commissioner to order such work stopped until such conditions have been remedied.

Utility Disconnects. Before any wrecking operations are started, the proper utility companies shall be notified so that any gas, water or electric services can be properly disconnected.

(d) License to Move Buildings.

License. No person, firm or corporation shall engage in the business of moving buildings or other structures without having secured a license from the city, authorizing the holder thereof to engage in such business.

Issuance. The City Clerk is empowered to issue a license to move buildings and other structures to any reputable person, firm or corporation upon the payment of the license fee as required in (a) License Fees and the execution and delivery to the City Clerk, a public liability policy which complies with the provisions of (b) Insurance and Bonds.

Qualifications. No license shall be issued until the applicant therefore shall have shown satisfactory knowledge, experience, and equipment to properly conduct the operation of moving buildings and structures.

Permits. No permit shall be issued for the moving of any building or structure on the public streets of the city to anyone other than a person, firm or corporation licensed under the provisions of this Code.

Utility Disconnects. Before any moving operations are started, the proper utility companies shall be notified so that any gas, water or electric services can be properly disconnected.

Moving of Buildings. It shall be unlawful for any person, firm or corporation to move or cause to be moved, or assist in moving of any building or structure, from one location to another whether on the same or different lots, unless the same shall be altered to conform to the class and type governing the construction of such building or structure at the time of moving the same, and in its new location; provided, however, that buildings erected prior to the enactment of this Code when in sound structural condition, and fully safe and proper in the opinion of the Building Commissioner for use in the proposed location and for the class of occupancy intended, may by special permission of the Building Commissioner be so moved, when this Code is fully complied with in all respects.

No moving permit shall be issued until the necessary clearance has been made with the City Forestry Department who have jurisdiction over any trees that might be involved or injured in the moving operation, any utility company, board, firm, corporation or department owning or controlling any telegraph, telephone, electric light or power or fire or police alarm wires which said building may come in contact or which may be affected by such moving.

(e) Building Valuation Data: The most recent square foot cost data published by the International Conference of Building Officials shall be used in determining building permit value. Office buildings containing numerous partitions shall be valued at not less than $21.00 per square foot.

The square footage used to determine value shall be the floor area within the external dimensions of the building above the foundation wall plus the entire floor area of all basements and one-half of the entire floor area of all cellars.

Section 306 (a). Use or Occupancy. This section is hereby amended by deleting "Division 1" from the first sentence.

Section 407. Family. Definition of Family is hereby deleted and a new definition added as follows:

"FAMILY." The definition of Family found in Chapter 36, Section 36-1 (17) of the Lansing City Code shall be a part of the Building Code for the purposes of definition.

Section 421. Definitions and Abbreviations. This section is hereby amended by adding the following:

"TEMPORARY BUILDING OR STRUCTURE." "Temporary Building or Structure" shall mean a building or structure used for not more than six (6) months.

Section 1502. Construction Height and Allowable Area. This section is hereby amended by adding the following:

(c) Private garages which are constructed in conjunction with Group R occupancies shall comply with the requirements of this section:

(1) The floor of any attached garage shall be of concrete construction.

(2) The sill of any door which provides communication between a garage and a dwelling or dwelling unit shall be a minimum of four inches (4") above the garage floor.

(3) Detached accessory buildings to private dwellings and dwelling units, including private garages, tool sheds, etc., shall not exceed fifteen feet (15') in height.

(4) One story detached accessory buildings to private dwellings when located in the rear yard, and of type V construction may be supported on foundations not less than twelve inches (12") in depth and eight inches (8") in width. Accessory buildings

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

not exceeding 144 square feet may be constructed without footings or foundations.

Section 1601 (a). Fire Zones Defined., is hereby deleted and a new section added as follows:

The entire City of Lansing is hereby established as a fire district and said fire district shall be known and designated as containing fire zones 1, 2 and 3 as follows:

Fire Zone (1) shall include that section of the city described as follows: Beginning at the northwest corner of Lenawee and S. Grand, north on Grand to Kalamazoo, east on Kalamazoo to the Grand River, north along the west bank of the Grand River to East Saginaw, west on Saginaw to North Capitol, south on North Capitol to Genesee, west on Genesee to Seymour, south on Seymour to Ionia, west on Ionia to Butler, south on Butler to Kalamazoo, east on Kalamazoo to South Capitol, south on Capitol to Lenawee, east on Lenawee to point of beginning.

Fire Zone (2) shall include that section of the city described as follows: All those areas classified or which may become classified as commercial or the following zoning dirticts:

D-1 Professional

E Apartment

E-1 Drive-In Shop

E-2 Drive-In Shop

F Commercial

F-1 Commercial

G Business

G-2 Wholesale District

H Light Industrial District

I Heavy Industrial District

and by the current zoning ordinance of the City of Lansing and not otherwise included in Fire Zone (1).

Fire Zone (3) shall include that section of the city described as follows: The remainder of the City of Lansing not included in Fire Zone (1) or (2).

Section 1807 (a). Scope., is hereby amended by deleting the second paragraph and adding the following:

Such buildings having floors used for human occupancy located more than 40 feet above the lowest level of Fire Department vehicle access shall conform to the requirements of this Code.

Section 2305 (d). Snow Loads., is hereby amended by adding the following sentence to the second paragraph:

Lansing being in a snow load area, the roof design load shall be not less than thirty (30) pounds per square foot live load.

Section 2907 (a). General., is hereby amended by deleting and adding the following:

Footings and foundations, unless otherwise specifically provided, shall be constructed of masonry or concrete and shall extend a minimum of forty-two inches (42") below grade or below the frost line. Footings shall be constructed of solid masonry or concrete. Foundations supporting wood shall extend at least six inches (6") above the adjacent finished grade. Footings shall have a minimum depth below finished grade as indicated in Table 29-A unless another depth is recommended by a foundation investigation.

Section 4503. Space Below Sidewalk., is hereby deleted and a new section added as follows:

No open areaway shall be constructed upon public property and all such areas adjacent to public property shall be securely guarded with substantial metal rails.

The space adjoining a building below a sidewalk on public property may be used when permitted by resolution of the City Council. All such spaces shall be surrounded by concrete retaining walls of ample strength to resist earth pressure and shall be covered with a fireproof floor having a safe live load capacity of not less than two hundred fifty (250) pounds per square foot. The upper surface of such floor or sidewalk shall be of some reasonably slip proof material.

No such basements shall be so constructed as to interfere with the pipes, sewers, wires, or conduits of the City of Lansing or any public service corporation.

Footings located at least eight feet (8') below grade may project not more than twelve inches (12") into public property.

Section 4904. Footings., is hereby deleted and a new section added as follows:

Patio covers attached to R-1 or R-3 occupancies shall be supported on concrete footings forty-two inches (42") below grade.

Appendix Chapter 53. Energy Conservation. The "Uniform Building Code," 1976 edition, is hereby amended by adding a new Appendix Chapter 53 as printed in the 1977 supplement to the 1976 edition of the Uniform Building Code.

The following are certain Chapters of the Appendix of the Uniform Building Code which are hereby adopted and made part of the Lansing Uniform Building Code.

Chapter 13, Existing Buildings

Chapter 23, Weights of Building Materials

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Chapter 38, Fire Extinguishing Systems

Chapter 49, Patio Covers

Chapter 53, Energy Conservation

Chapter 57, Fall Out Shelters

SECTION 9-4.
SEVERABILITY

The sections, paragraphs, sentences, clauses, and phrases of this ordinance are severable, and if any phrase, clause, sentence, paragraph, or section of this ordinance shall be declared invalid by the judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this ordinance.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

Section 3. This ordinance shall become effective sixty (60) days after the date of passage.

ORDINANCE NO. 955

(Plumbing Section of Building Code)

By Councilman Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of sections 9C-1 through 9C-19 of Plumbing Section of Building Code, be placed on order of immediate passage.

Carried.

By Councilman Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by repealing of Section 9C-1 through 9C-19 of Plumbing Sections of Building Code, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 955
CHAPTER 9C — BUILDING CODE
PLUMBING

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING FOR THE REPEAL OF SECTIONS 9C-1 THROUGH 9C-19 OF THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, AND DECLARING SAME TO BE NULL AND VOID AND OF NO EFFECT.

ORDINANCE NO. 956

(Plumbing Section of Building Code)

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding a New Chapter to be numbered 9C and by adding Section 9C-1 through 9C-20 inclusive to Plumbing Section of Building Code, be placed on order of immediate passage.

Carried.

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by adding a New Chapter to be numbered 9C and by adding sections 9C-1 through 9C-20 inclusive to Plumbing Section of Building Code, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 956
CHAPTER 9C — BUILDING CODE
PLUMBING

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING A NEW CHAPTER TO BE NUMBERED 9C AND BY ADDING SECTIONS NUMBERED 9C-1 THROUGH 9C-20, INCLUSIVE, OF SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding a new Chapter to be numbered 9C and sections to be numbered 9C-1 through 9C-20 inclusive, to read as follows:

SECTION 9C-1.
ADOPTION OF UNIFORM
PLUMBING CODE

That certain document or booklet accompanying this ordinance, an official copy of which is on file in the office of the City Clerk of the City of Lansing, being marked and designated as the Uniform Plumbing Code, 1976 Edition, published by the International Association of Plumbing and Mechanical Officials, is hereby adopted and made part of the "Lansing Uniform Building Code" pursuant to the authority vested in the City of Lansing by Section 8 of the State Construction Code Act No. 230 of 1972.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

This Code provides regulations for erection, installation, alteration, repair, relocation, replacement, addition to, use, or maintenance of any plumbing or drainage systems except that any private or on site sewage disposal system or any private or on site water supply system shall be constructed and maintained in accordance with applicable provisions of the Ingham County Sanitation Code.

The provisions of this Chapter pertaining to plumbing or drainage systems shall not be deemed to extend beyond the property line of any lot, nor shall any permit issued hereunder be construed as giving the right to connect with a public sewer or water main.

SECTION 9C-2.
BOARD OF PLUMBING CREATED

The Mayor, with the advice and consent of the City Council, shall appoint a Board of Plumbing to serve for a term of four years. The Board of Plumbing shall consist of six (6) members, two of whom shall be active employing master plumbers with ten years experience, two active journeymen licensed plumbers with ten years experience, and two citizens of the City who are not engaged in the plumbing or building business. The Board of Plumbing shall create its own organization have a President and Vice-President. The City Engineer and the Chief Plumbing Inspector shall be ex-officio members and shall be authorized to attend all meetings in a non-voting capacity. The Chief Plumbing Inspector shall act as secretary of the Board and shall serve as a liaison between the Building Commissioner and the Board.

SECTION 9C-3.
AUTHORITY OF BOARD

The Board of Plumbing shall consider all proposed amendments to the Uniform Plumbing Code, promulgated to safeguard the standards for the installation and alteration of plumbing within the City of Lansing, and shall make recommendations regarding the same to the City Council.

If a vacancy occurs in the office of the Chief Plumbing Inspector, the Plumbing Board shall submit the name(s) of a qualified person(s) to the Building Commissioner for his consideration. The Building Commissioner shall then appoint a person to the office of the Chief Plumbing Inspector but he may appoint a person whose name was not on the list submitted to him. The Chief Plumbing Inspector shall have six (6) years experience in the plumbing field as a journeyman licensed plumber or mechanical engineer. The Chief Plumbing Inspector shall have registered his license with the City of Lansing for a minimum of two (2) years or be certified as a plumbing inspector by the International Conference of Building Officials.

The Plumbing Board shall make all necessary rules, regulations and interpretations and applications of the Code and shall direct the Chief Plumbing Inspector to implement and enforce the same. The Board shall direct the Plumbing Inspectors only in the areas of its technical expertise, leaving administrative direction to the Building Commissioner. Appeals from decisions, rules, regulations, and interpretations shall be submitted to the Board of Appeals.

SECTION 9C-4.
INSURANCE REQUIRED

Every person, firm or corporation engaged in the business of or performing the work of plumbing contracting or performing the work of a master plumber shall file with the City Clerk proof of a public liability policy insuring said person, firm, or corporation against any liability imposed upon such person, firm, or corporation arising out of the performance of said work. Such policy shall provide for the payment up to one hundred thousand dollars ($100,000.00) in the event of injury to or death of any one (1) person and for the payment of up to three hundred thousand dollars ($300,000.00) in the event of injury to or death of more than one (1) person and for payment up to one hundred thousand dollars ($100,000.00) for property damage. Such policy shall bear an endorsement to the effect that the insurance company shall notify the City Clerk a minimum of ten (10) days prior to the cancellation or expiration of such policy.

SECTION 9C-5.
REGISTRATION OF BUSINESS: LICENSE

No person, firm or corporation shall engage in the business of or perform the work of contracting plumbing unless the person, firm or corporation has first registered his business with the Building Department, nor shall any person, other than a licensed master or journeyman plumber, or plumbing apprentice, who are employed by and working under the direction of a holder of a master plumber's license whose business is registered with the City, in any manner undertake to execute any plumbing work.

The registration forms shall be approved by the Board. A plumbing business shall be registered with the Building Department only after the payment of a fee of $20.00. A licensed master plumber shall be registered with the Building Department only after the payment of a fee of one dollar ($1.00).

The Building Department shall allow to be registered pursuant to this section only those persons with a current master plumber's license issued by the State Plumbing Board.

All registrations shall expire on the date the applicable license expires.

SECTION 9C-6.
PERMIT APPLICATION; CONDITIONS OF ISSUANCE

Any person desiring to install or alter plumbing in the City shall make application therefor at the office of the Chief

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Plumbing Inspector. Such application shall be addressed to the Chief Plumbing Inspector, and shall be accompanied by the necessary permit and inspection fees, and by a plan showing the proposed installation or alteration. If such application is in proper form and the proposed installation or alteration will not violate the law or the rules and regulations to be promulgated hereunder, a permit shall be issued for the work named in the application. Such permit shall be posted on the premises where the work is to be done and shall remain posted until final inspection and approval. If the application is not in proper form it shall be referred to the Chief Plumbing Inspector who shall have power to grant variations in order to prevent undue hardship provided such variations do not, in the opinion of the Chief Plumbing Inspector, create a health hazard.

SECTION 9C-7.
OWNER'S CONSTITUTIONAL PRIVILEGE

Nothing herein contained shall prohibit any bona fide owner from personally doing any work regulated by this Code in his own home or on his own premises at which he presently resides or is about to reside, provided that said owner shall:

A. Furnish signed affidavit.

B. Apply for and secure a permit.

C. Pay the required fees.

D. Do the work in accordance with this Code.

E. Do the work himself or herself.

F. Apply for inspection.

G. Receive the approval of the inspector.

Home owner's privileges shall extend to single family residences only and shall not apply to any residence or structure from which a monetary gain is being received or is intended to be received or which is being used for commercial purposes.

A person may obtain home owner's permits on only one residence in any twelve month period. The twelve month period shall commence from the date of the last home owner permit obtained by the home owner.

SECTION 9C-8.
ADVERTISING;
CONDITIONS THEREOF

Any person who shall for hire engage in the business of plumbing, drain laying or sewer cleaning in the City of Lansing, shall after the effective date of this section, have prominently displayed on all vehicles used to convey material and/or equipment, in lettering of two and one-half (2½) inches or more on each side of the vehicle, the business name under which the business operates.

Any word or words used in any sign, display, business form, or document, or advertising medium which indicates or tends to indicate that any person is qualified to contract for, supervise, install, repair, replace, remove or service any plumbing which requires a permit or inspection from the City of Lansing, shall be in violation of this Chapter unless uttered, published or displayed by authority of a licensed or registered master plumber whose place of business is known to and registered or recorded with the authority specified by the statutes of the State and the ordinances of the City. Specifically, the intention is to regulate sewer cleaners, welders, plumbing supply firms, refrigeraion installers, installers of fire sprinkler systems, and similar trades and vocations, so that they shall not advertise under the classifications or captions of "plumbers" or "plumbing" unless a licensed master plumber is authorized or responsible as part of the business so advertised.

SECTION 9C-9.
PENALTIES, REVOCATION OF PERMIT

Any person who shall violate the provisions of this Chapter, or the rules and regulations which may be adopted hereunder, or who shall cover up work before it has been inspected and approved, shall have his permit revoked, and shall not be eligible to receive any future permits until all violations have been corrected to the satisfaction of the Chief Plumbing Inspector, and shall also, upon conviction thereof, be subject to punishment as provided in Lansing ordinances, chapter 1, sections 1-8. Each day such violation shall continue shall be deemed a separate offense.

SECTION 9C-10.
RIGHT OF ENTRY

Whenever necessary to make an inspection to enforce any of the provisions of this Code, or whenever the Chief Plumbing Inspector or his authorized representative has reasonable cause to believe that there exists in any building or upon any premises, any condition which makes such building or premises unsafe as defined in Lansing ordinances, Chapter 9, Section 9-3(3), the Chief Plumbing Inspector or his authorized representative may enter such building or premises at all reasonable times to inspect the same or to perform any duty imposed upon the Chief Plumbing Inspector by this Code; provided that if such building or premises be occupied, he shall first present proper credentials and demand entry; and if such building or premises be unoccupied, he shall first make a reasonable effort to locate the owner or other persons having charge or control of the building or premises and demand entry. If such entry is refused or if the owner or other persons having charge or control of the building or premises cannot be located, the Chief Plumbing Inspector or his authorized representative shall have every recourse to every remedy provided by law to secure entry.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

SECTION 9C-11.
STOP ORDERS

Whenever any work is being done contrary to the provisions of this Code, the Chief Plumbing Inspector may order the work stopped by notice in writing served on any persons engaged in the doing or causing such work to be done, and any such persons shall forthwith stop such work until authorized by the Chief Plumbing Inspector to proceed with the work.

SECTION 9C-12.
EXISTING EQUIPMENT

Plumbing and drainage systems, hot water heaters or other miscellaneous equipment lawfully installed prior to the effective date of this Code may have their existing use, maintenance or repair continued if the use, maintenance or repair is in accordance with the original design and location and is not a hazard to life, health, or property.

SECTION 9C-13.
AUTHORTIY TO CONDEMN EQUIPMENT

Whenever the Chief Plumbing Inspector learns or ascertains that any plumbing equipment has become hazardous to life, health, or property, he shall order, in writing, that such equipment be restored to a condition of safety or be dismantled or removed from its present location. The written notice shall fix a time limit for compliance with such order. No person shall use or maintain the defective equipment after receiving such notice.

SECTION 9C-14.
LIABILITY

The Chief Plumbing Inspector or any employee charged with the enforcement of this Code, acting in good faith and without malice for the jurisdiction in the discharge of his duties, shall not thereby render himself liable personally and he hereby is relieved from all personal liability for any damage that may accrue to persons or property as a result of any act required or by reason of any act or omission in the discharge of his duties. Any suit brought against the Chief Plumbing Inspector or employees, because of such act or omission performed by him in the enforcement of any provisions of this Code, shall be defended by the City Attorney or his authorized representative until final termination of the proceedings.

SECTION 9C-15.
ALTERNATE MATERIALS AND METHODS OF CONSTRUCUTION

The provisions of this Code are not intended to prevent the use of any material or method of construction not specifically described by this Code, provided any such alternate has been approved.

The Plumbing Board may approve any such alternate provided it finds that the proposed design is satisfactory and complies with the provisions of this Code, and that the material, method, or work offered is, for the purpose intended, at least the equivalent of that prescribed in this Code in quality, strength, effectiveness, fire resistance, durability, and safety.

The Plumbing Board shall require that sufficient evidence or proof be submitted to substantiate any claims that may be made regarding its use.

SECTION 9C-16.
DUTIES OF CHIEF PLUMBING INSPECTOR SHALL INCLUDE:

A. The examination and approval of plans and specifications.

B. The inspection and/or reinspection of plumbing and drainage installations.

C. Witnessing tests as required herein.

D. The issuance of certificates of inspection and approval.

E. Keeping record of all violations and making complaints to proper prosecuting authorities.

F. The enforcement of the Uniform Plumbing Code as adopted or amended.

G. Keeping a record of all inspections made or complaints received and investigated, plans and specifications, examinations, notices served, applications for certificates, and all other duties as established by this Code.

SECTION 9C-17.
PERMITS REQUIRED

No person or persons shall excavate or obstruct any public or private street, alley or other thoroughfare for the purpose of installing plumbing or sewerage; or connect to any private or public sewer without first obtaining the proper permit. No person or persons shall commence the construction, reconstruction, alteration or repair of a plumbing or sewerage system within the walls of a building without first obtaining a plumbing permit; provided, however, that no permit shall be necessary for the unstopping of sewers or waste pipes. No person, or persons shall install piping for potable water on any property, whether it be inside or outside the walls of a building, without first obtaining a plumbing permit; however, no permit shall be required for the installation of water service lines by the Board of Water and Light. All plumbing permits shall be subject to the rules and regulations of the municipal department having jurisdiction.

When making application for permit the following information should be furnished:

A. Name and address of owner, agent, or other party for whom work is being done.

B. Name and address of master plumber.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

C. Name and address of builder, contractor, architect or agent having charge of work.

D. Location of work as regards municipality, street and number or lot and block when street and number are not available.

E. Number and kind of fixtures to be installed or nature of reconstruction, alteration, or repair.

The builder, architect or plumber may, and shall when required, file a plan and specification sheet showing the type of fixtures to be used, the location and size of all soil, waste and vent pipes; building drains and building sewer; inside conductor; the chases, recesses or pockets to be provided for their installation or for access to the same and the means provided to gain access to traps, cleanouts, fixtures, water control valves and other valves.

SECTION 9C-18.
FEES

For each permit issued a fee of seven dollars ($7.00) shall be charged to which the following fees shall be added, for each fixture installed or location changed. (The minimum total permit fee shall be $10.00).

Water Closet	$1.00
Bathtub	1.00
Lavatory	1.00
Shower	1.00
Sink, any kind	1.00
Garbage disposal	1.00
Drinking fountain	1.00
Urinal	1.00
Laundry tub	1.00
Automatic Washer Waste	1.00
Hot water heater	1.00
Water softener	1.00
Dental chair	1.00
Floor drain	1.00
Catch basin or sump	1.00
Inside conductor (each)	3.00
Indirect Waste	1.00
Soil-waste-vent piping (up to 2 stacks)	5.00
Each additional stack (over 2)	3.00
Water distribution system	5.00
Reduced pressure backflow preventer	3.00
Gas piping	5.00
Acid waste systems	5.00
Each additional rough inspection	5.00
Each reinspection	5.00
Each additional final inspection	5.00

Double Fee. Where work for which a permit is required by this Code is started or proceeded with prior to obtaining said permit, the fees above specified shall be doubled, but the payment of such double fee shall not relieve any persons from fully complying with the requirements of this Code in the execution of the work nor from any other penalties prescribed herein.

Plumbing Safety Inspections of existing buildings for resale purposes, including a letter listing any corrections needed shall be performed on receipt of a written request and by payment of a fee, payable prior to issuance of said inspection report, of $10.00 for single family residential building or $10.00 per hour for other buildings.

SECTION 9C-19.
ADDITIONAL PERMIT, FEE REQUIRED

A permit shall be required and an inspection fee shall be charged for the repair, cutting into or the installation of any soil pipe, waste pipe or fitting including replacement of all plumbing fixtures and relief valves.

SECTION 9C-20.
PERMITS REGULATED

A. Except as otherwise provided in Section 9C-7, permits for all plumbing work shall be issued only in the name of a person who is a registered licensed master plumber.

1. All work not performed under a home owner's permit shall be performed under the entire supervision of a properly registered employing master plumber.

2. All work not performed under a home owner's permit shall be done by licensed master or journeymen plumbers, or apprentices who are registered as such with the State Plumbing Board.

3. The Board of Plumbing may revoke the permit of any plumber who has violated any of the provisions of the rules and regulations governing plumbing or neglect of the plumber to make necessary changes as directed within three (3) days after notification.

B. Every permit issued by the Chief Plumbing Inspector under the provisions of this Code shall expire by limitation and become null and void, if the work authorized by such permit is not commenced within 60 days from the date of such permit, or if the work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 120 days. Before such work can be

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

recommenced a new permit shall be obtained to do so, and the fee therefore shall be one-half the amount required for a new permit for such work, provided no changes have been made or will be made in the original plans and specifications for such work; and provided, further that such suspension or abandonment has not exceeded one year.

ORDINANCE NO. 957

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding sections to be numbered 9C-21 and 9C-22 of Plumbing Section of Building Code, be placed on order of immediate passage.

Carried.

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by adding sections to be numbered 9C-21 and 9C-22 of Plumbing Section of Building Code, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 957
CHAPTER 9C — BUILDING CODE
PLUMBING

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING SECTIONS TO BE NUMBERED 9C-21 and 9C-22:

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding Sections to be numbered 9C-21 and 9C-22 as follows:

SECTION 9C-21.
CHANGES IN UNIFORM PLUMBING CODE

The Uniform Plumbing Code, adopted by Section 9C-1 of this Chapter, is hereby amended to read as follows:

Part 1. Administration., is hereby deleted.

Section 310 (c), Prohibited Fittings and Practices., is hereby amended to read:

No waste connection shall be made to a closet bend 4" or less or stub of a water closet or similar fixture without venting.

Section 322, Validity., is hereby deleted and a new section added as follows:

Energy Conservation.

A. Conservation of hot water.

1. Showers used for other than safety reasons shall be equipped with flow control devices to limit total flow to a maximum of 3 gpm 1.9 x 10^4m 3/S per shower head.

2. Lavatories in restrooms of public facilities shall:

a. Be equipped with outlet devices which limit the flow of hot water to a maximum of 0.5 gpm (3.2 x 10^5m 3/S).

b. Be equipped with devices which limit the outlet temperature to a maximum of 110 degrees F (43 degrees C).

c. Be equipped with self-closing valves that limit delivery to a maximum of 0.25 gal. of hot water (9.5 x 10^{-4}m^3).

Section 323. Validity., is hereby added as follows:

If any provision of this code, or the application thereof to any person or circumstance, is held invalid, the remainder of this code, or the application of such provision to other persons or circumstances, shall not be affected thereby.

Section 410 (a), Materials., is hereby amended as follows:

Drainage pipe shall be cast iron, galvanized steel, galvanized wrought iron, lead, copper, brass, ABS, PVC or other approved materials having a smooth and uniform bore, except that no galvanized wrought iron or galvanized steel pipe shall be used underground and shall be at least six (6) inches above ground.

Section 501, Vents Required, shall be amended by adding a new paragraph as follows:

Any fixture branch shall be vented if it is connected within three (3) feet of a waste stack base, and above which, into the stack, other fixtures with a combined discharge of four (4) fixture units or more are connected.

Section 601, Indirect Waste Conditions, shall be amended by adding a new paragraph as follows:

All food service establishments licensed under Act 269 of the Health Service Food Sanitation ordinance shall comply with the following requirements:

(1) No disposal unit shall be installed in a three compartment sink unless installed in a depressed well specifically designed for such unit with a separate trap and waste connection.

(2) All dishwashers, and the sanitizing compartment of a three compartment sink

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

shall have an indirect waste connection unless there is a floor drain installed which connects to the same waste line within three feet of the unit.

Section 613, Vertical Wet Venting., is amended by deleting subsections (a), (b), and (c), and adding the following:

Any combination of fixtures with ratings of three (3) fixture units or less may be connected to waste stacks at different floor levels without reventing, not to exceed the following schedule:

1½" Waste Stack ..... 2 Fixture Units

2" Waste Stack ..... 4 Fixture Units

3" Waste Stack ..... 8 Fixture Units

4" Waste Stack ..... 36 Fixture Units

Section 702, Traps Protected by Vent Pipes, is amended by deleting subsection (b) and Table 7-1 and adding the following:

Single fixtures which are within eight (8) feet in developed length from the seal of the trap to a main vented line, may be installed without additional venting, providing the vertical drop does not exceed three (3) feet.

Section 704, Traps Prohibited., is hereby amended as follows:

No form of trap which depends for its seal upon the action of movable parts or concealed interior partitions shall be used. Bell traps are prohibited. Crown-vented traps are prohibited. No fixture shall be double trapped.

Section 806 (a), Drainage System., is hereby amended as follows:

Any fitting or connection which has an enlargement, chamber or recess with a ledge, should or reduction of pipe area, that offers an obstruction to flow through the drain is prohibited, except that specifically designed stack fittings may be used upon approval as to safety by the Building Official.

Section 1312, Venting of Water Heaters—General, is hereby amended by adding new sub-paragraph (i) as follows:

(i) Single wall metal pipe used as a connector shall not originate in any unoccupied attic or concealed space and shall not pass through any attic, inside wall or concealed space.

Appendix H. Battery Drainage System, is hereby amended as follows:

Any horizontal branch, soil or waste pipe, to which two (2) or more fixtures (except blowout type water closets), are connected in a battery, may be vented by a circuit or loop vent.

The circuit or loop vent of a battery drainage system shall be installed vertically in front of the last upstream fixture. In addition, lower floor branches serving more than three (3) water closets shall be provided with a relief vent taken off vertically in front of the first fixture connection.

No more than eight (8) water closets may be connected to a battery drainage system. The fixture unit value for all fixtures shall be as listed in Tables 4-1 and 4-2. The horizontal branch for its full length to the furthest fixture shall be uniformly sized as listed in Table 4-3, based on the total number of fixtures.

The vent of a battery drainage system shall be sized for the fixture unit demand of the battery system according to Table 4-3, based on the total number of fixtures. The relief vent may be wet vented with a fixture drained vertically into the battery drainage system, such vent shall be the same size as the circuit vent it intersects.

All vents shall rise vertically to six (6) inches above the flood level of the highest fixture on the system.

SECTION 9C-22.
SEVERABILITY

The sections, paragraphs, sentences, clauses, and phrases of this ordinance are severable, and if any phrase, clause, sentence, paragraph, or section of this ordinance shall be declared invalid by the judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this ordinance.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions hereof are hereby repealed.

Section 3. This ordinance shall become effective sixty (60) days after the date of passage.

ORDINANCE NO. 958
(Mechanical Section of Building Code)

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by repealing of Section 9B-1 through 9B-10 of Mechanical Section of Building Code, be placed on order of immediate passage.

Carried.

By Councilman Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by repealing of

sections 9B-1 through 9B-10 of Mechanical Section of Building Code, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 958
CHAPTER 9B — BUILDING CODE
MECHANICAL

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING, FOR THE REPEAL OF SECTIONS 9B-1 THROUGH 9B-10 OF THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, AND DECLARING SAME TO BE NULL AND VOID AND OF NO EFFECT.

ORDINANCE NO. 959
(Mechanical Section of Building Code)

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan, be amended by adding sections to be numbered 9B-1 through 9B-11 of Mechanical Section of Building Code, be placed on order of immediaate passage.

Carried.

By Councilmen Belen and Blair—

Resolved by the City Council of the City of Lansing, that the Ordinance providing that the Code of Ordinances, City of Lansing, Michigan be amended by adding sections to be numbered 9B-1 through 9B-11 of Mechanical Section of Building Code, be now passed.

Adopted by the following vote:

Unanimously.

ORDINANCE NO. 959
CHAPTER 9B — BUILDING CODE
MECHANICAL

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, PROVIDING THAT THE CODE OF ORDINANCES, CITY OF LANSING, MICHIGAN, BE AMENDED BY ADDING SECTIONS TO BE NUMBERED 9B-1 THROUGH 9B-11, INCLUSIVE, OF SAID CODE.

The City of Lansing Ordains:

Section 1. That the Code of Ordinances of the City of Lansing, Michigan, be amended by adding Sections to be numbered 9B-1 through 9B-11, inclusive, to read as follows:

SECTION 9B-1.
ADOPTION OF MECHANICAL CODE

That certain document or booklet accompanying this ordinance, an official copy of which is on file in the office of the City Clerk of the City of Lansing, being marked and designated as the Uniform Mechanical Code, 1976 Edition, published by the International Conference of Building Officials, is hereby adopted and made part of the "Lansing Uniform Building Code" pursuant to the authority vested in the City of Lansing by the State Enabling Act.

This Code provides regulations for the erection, installation, alteration, repair, relocation, replacement, addition to, use, or maintenance of any heating, ventilating, comfort cooling, refrigeration systems, incinerators or other miscellaneous heat-producing appliances.

SECTION 9B-2.
BOARD OF MECHANICAL EXAMINERS CREATED

There is hereby created a Board of Mechanical Examiners, hereinafter known as the Board, composed of five members, appointed by the Mayor with the advice and consent of the City Council, one of whom shall be a licensed residential heating and air conditioning contractor, one of whom shall be a licensed commercial heating and air conditioning contractor, one of whom shall be a licensed heating, air conditioning and refrigeration contractor; one of whom shall be a licensed industrial mechanical contractor, and the fifth such member shall be any resident of the City of Lansing. All members shall serve for a term of four (4) years and said term shall commence on July 1 of the calendar year. The term of the Heating, Air Conditioning and Refrigeration contractor shall commence July 1, 1979. The term of the Residential heating and air conditioning contractor shall commence July 1, 1980. The term of the citizen representative shall commence July 1, 1981. The term of the Commercial heating and air conditioning contractor shall commence July 1, 1982. The term of the industrial mechanical contractor shall commence July 1, 1983. The existing board members hold the following positions:

Residential heating and air conditioning contractor — Marcus Metoyer

Commercial heating and air conditioning contractor — William Downs

Heating, Air conditioning and refrigeration contractor — Ernest Fox

Industrial mechanical contractor — Leslie Mills

Citizen representative — Melvin Dravenstatt

All vacancies thereafter are to be filled by the Mayor with the advice and consent of the City Council. The Chief Mechanical Inspector shall serve as a liaison between the Building Commissioner and the Me-

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

chanical Board and shall be authorized to attend all meetings in a non-voting capacity, and shall also serve as Board Secretary.

SECTION 9B-3.
AUTHORITY OF BOARD

The Board is hereby empowered to conduct examinations for persons seeking licenses to engage in the business of mechanical contracting and for persons seeking licenses to engage in the installation or repair of mechanical equipment or materials while in the employ of a licensed mechanical contractor. Upon successful completion of the examinations the Board shall authorize the City Clerk to issue a mechanical license.

The Board shall consider all proposed amendments of this Code, promulgated to safeguard the standards of the mechanical construction within the City of Lansing, and shall submit same to the City Council.

If a vacancy occurs in the office of the Chief Mechanical Inspector, the Mechanical Board shall submit the name(s) of a person(s) to the Building Commissioner for his consideration. The Building Commissioner shall then appoint a person to the office of the Chief Mechanical Inspector, but he may appoint a qualified person whose name was not on the list submitted to him by the Mechanical Board. The Chief Mechanical Inspector shall have six (6) years of experience in the mechanical construction industry as a mechanical contractor, tradesman or engineer. The Chief Mechanical Inspector shall be licensed by the City of Lansing as a heating and air conditioning contractor for at least two (2) years prior to his appointment or be certified by the International Conference of Building Officials.

SECTION 9B-4.
EXAMINATION AND LICENSE REQUIRED

No person, firm or corporation shall engage in the business of, or perform the work of installing, altering, reconstructing, or repairing any mechanical equipment unless the person or an individual of a firm or of a corporation has first obtained a license therefore from the city, by filing with the City Clerk an application, and an insurance policy as herein required. Should a vacancy occur in the position of the sole licensed individual of a firm or corporation, the firm or corporation may select a qualified individual from that firm or corporation to take the license examination at the next regular mechanical board meeting. Upon approval of the mechanical board of the applicant as to his professional qualifications and upon approval of all required documents by the city attorney and upon the filing of the proper license fee, the City Clerk shall issue the proper license to the applicant.

Annual renewal of licenses shall be filed with the City Clerk no later than April 15th of each year. Such renewal shall be accompanied by a certificate of insurance and the renewal fee. If the renewal application is made one year after the expiration date of the last valid license, reapplication shall be treated in all respects as a new application and require a reexamination.

SECTION 9B-5.
LIABILITY POLICY

Every person, firm or corporation engaged in the business of mechanical construction shall file with the City Clerk a public liability policy or certificate thereof, insuring such person, firm or corporation and the City of Lansing against any liability imposed upon such person, firm or corporation and the City of Lansing arising out of the performance of the work carried on by such person, firm or corporation. Such policy so filed shall provide for the payment to any person injured, or by reason of the death of any one person, to the extent of one hundred thousand dollars ($100,000.00), and for the payment of three hundred thousand dollars ($300,000.00) for injuries to or death of more than one person, and for property damage in the amount of one hundred thousand dollars ($100,000.00). Such policy shall bear an endorsement that the insurance company shall notify the City Clerk at least ten (10) days prior to the expiration of such policy whether by cancellation of limitation of term.

SECTION 9B-6.
RECIPROCAL LICENSING

Reciprocal licensing procedures with other licensing authorities may be implemented by the Mechanical Board. The Board may, at its discretion, accept the licenses of those licensed by other licensing authorities, whether or not the reciprocal agreement is reached, subject to the other licensing authorities having equivalent licensing examinations and work experience requirements.

SECTION 9B-7.
REVOCATION OF LICENSE

The Board may, after a hearing, recommend to the City Council that any license heretofore or hereafter granted be revoked for violations of this code. The Board, prior to such recommendation, shall serve a notice of a written complaint upon the holder of the license, which notice shall specify the sections of the code believed to have been violated and the time, date and place of the hearing. The notice shall be served upon said licensee at least ten (10) days before the time set forth for the hearing before the board and shall advise the licensee that he may appear in person, or together with counsel and contest such recommendation of revocation. If the Board determines that the license should be revoked, it shall, within five (5) days, notify the City Council of said recommendation and request that the license be revoked.

SECTION 9B-8.
LICENSE FEES

The following fees shall be charged for all licenses as called for by this Code. All

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

licenses shall expire on April 30th of each year.

(1) Heating and/or Refrigeration license:

Initial license fee $75.00

Annual renewal fee 20.00

(2) License renewal (late renewal) after sixty (60) days but less than one year, the annual fee shall be $75.00.

SECTION 9B-9.
PERMIT REQUIRED

Permits. It shall hereafter be unlawful for any person, firm or corporation to install any heat producing system or refrigeration system such as are subject to regulations by the provisions of this Code in or for any building or to alter or replace any such existing heating system or refrigeration system without first making written application to and securing a permit from the Building Department.

Owner's Constitutional Privilege. Nothing herein contained shall prohibit any bona fide owner from personally doing any work regulated by this Code in his own home or on his own premises at which he presently resides or is about to reside, provided that said owner shall:

A. Furnish signed affidavit.

B. Apply for and secure a permit.

C. Pay the required fees.

D. Do the work in accordance with this Code.

E. Do the work himself or herself.

F. Apply for inspections.

G. Receive the approval of the inspector.

Home owners privileges shall extend to single family residences only and shall not apply to any residence or structure from which any monetary gain is being received or which is being used for commercial purposes.

Only one home owners permit shall be issued for any one purpose in a twelve month period.

SECTION 9B-10.
AMENDMENTS TO UNIFORM MECHANICAL CODE.

The Uniform Mechanical Code, adopted by Section 9B-1 of this Chapter, is hereby amended or repealed to read as follows:

Section 103, Scope, Appendix "B" is hereby specifically adopted.

Section 104, Existing Equipment, is hereby amended by adding the following:

"Replacement furnaces are permitted provided that the existing duct sizing and the service access areas are within ninety percent (90%) of that required for new installations."

Section 203, Board of Appeals, is hereby repealed.

Section 301, Permits Required, is hereby amended by adding the following:

9. Residential ducts to or from a warm air furnace when commencing a minimum of six (6) feet from plenum, permanently accessable (unconcealed) and exposed within the conditioned area.

Section 303 (c), Suspension or Revocation, is hereby amended by adding the following:

Further, the Building Commissioner may, in writing, suspend or revoke a permit issued under provisions of this Code whenever it is found that work done on the permit location is not being done according to the provisions of this Code, as amended.

Section 304, Permit Fees, is hereby amended as follows:

Any person desiring a permit required by this Code, shall, at the time of filing an application therefore, pay a fee as required by this section.

1. For the issuance of each permit $7.00

2. For the installation or relocation of each forced-air or gravity-type furnace or burner, including ducts and vents attached to such appliance, up to and including 100,000 BTU/H 5.00

3. For the installation or relocation of each forced-air or gravity-type furnace or burner, including ducts and vents atached to such appliance, over 100,000 BTU/H 5.00

4. For the installation or relocation of each floor furnace, including vent 5.00

5. For the installation or relocation of each suspended heater, recessed wall heater or floor mounted unit heater 4.00

6. For the installation, relocation or replacement of each appliance vent installed and not included in an appliance permit 5.00

7. For the repair of, alteration of, or addition to each heating appliance, refrigeration unit, cooling unit, absorption unit, or each heating, cooling unit, absorption unit, or each heating, cooling, absorption, or evaporative cooling system, including installation of controls regulated by this Code 4.00

8. For the installation or relocation of each boiler or compressor to

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

and including three horsepower, or each obsorption system to and including 100,000 BTU/H 5.00

9. For the installation or relocation of each boiler or compressor over three horsepwer to and including 15 horsepower, or each obsorption system over 100,000 BTU/H and including 500,000 BTU/H 7.50

10. For the installation or relocation of each boiler or compressor over 15 horsepower to and including 30 horsepower, or each absorption system over 500,000 BTU/H to and including 1,750,000 BTU/H..... 10.00

11. For the installation or relocation of each boiler or compressor over 30 horsepower to and including 50 horsepower, or for each absorption system over 1,000,000 to and including 1,750,000 BTU/H.....15.00

12. For the installation or relocation of each boiler or refrigeration compressor over 50 horsepower, or each absorption system over 1,750,000 BTU/H 25.00

13. For each air handling unit to and including 10,000 cubic feet per minute, including ducts attached thereto 5.00
(NOTE: this fee shall not apply to an air handling unit which is a portion of a factory assembled appliance, cooling unit, evaporative cooler or absorption unit for which a permit is required elsewhere in this Code.)

14. For each air handling unit over 10,000 cfm 10.00

15. For each evaporative cooler other than portable type 3.00

16. Gas piping 5.00
(NOTE: Underground gas piping requiring a separate inspection shall be an additional $5.00.)

17. For each ventilation system which is not a portion of any heating or air conditioning system authorized by a permit 5.00

18. For the installation of each hood and fan which is served by mechanical exhaust, including the ducts for such hood 10.00

19. For the installation or relocation of each domestic type incinerator.. 5.00

20. For the installation or relocation of each commercial or industrial type incinerator 20.00

21. For each appliance or piece of equipment regulated by this Code but not classed in other appliance categories, or for which no other fee is listed in this Code ... 3.00

There shall be a minimum permit fee of $10.00.

A reinspection fee of $10.00 shall be charged to the permit holder for every required inspection that is disapproved.

Mechanical safety inspections of existing buildings for resale purposes, including a letter listing any corrections needed shall be performed on receipt of a written request and by payment of a fee, payable prior to issuance of said inspection report, of $10.00 for single residential buildings or $10.00 per hour for other buildings.

Section 305, Inspection, is hereby amended by repealing the 4th paragraph.

Section 503 (c), Gas-burning Appliances, is hereby amended by deleting the EXCEPTION, and adding the following EXCEPTION:

An approved listed semirigid or flexible metal tubing connector may be used to connect only an unvented gas appliance and any appliance subject to movement.

Section 508, Location, is hereby amended by deleting the second paragraph.

Section 509, Electrical Connections, is hereby repealed.

Section 602, Location of Combustion Air Openings, is hereby amended by adding the following:

"Combustion air in total quantities specified, are permitted in a single duct, installed as required for the lowest duct."

Section 710 (h), Access, is hereby amended by adding the following paragraph, and deleting Exception 1:

Buildings twenty (20) feet or greater in height above grade shall be provided with a roof scuttle not less than 30" x 30" in size. This required opening shall be directly above a provided ceiling opening, a minimum of 30" x 30" in size. Directly beneath this opening shall be an unobstructed floor area sufficient to permit placement of the necessary ladder.

Section 802.6, General, is hereby repealed.

Section 1505 (a) General, is hereby amended by deleting exception number (1) and adding the following:

(1) Any condensing unit located outside of a building or on the roof of a building shall not be less than five (5) feet from any door, window, or ventilating air vent in a building.

Section 1902, Open Top Broiler Units, is hereby amended by adding the following:

"All water wash grease extracting exhaust systems shall have, in addition to all or any other requirements, the following:

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

(1) An electric solonoid valve on both the gas supply line and the water supply line to the broiler, the exhaust fan and make-up blower unit, all to be electrically interlocked, and simultaneously interruptable through a hydraulic type of limit control (200 degrees Fahrenheit maximum with manual reset) with sensing device within the grease duct.

(2) A dry chemical extinguisher system installed with a capacity for a thirty (30) second discharge into the grease duct, and actuated by means of a fusable link within the grease duct.

Untested and unapproved exhaust systems for grease extraction are subject to approval by the Mechanical Board.

Section 2002 (a), Material, is hereby amended by deleting the first paragraph and adding the following:

Ducts and plenums serving a type 1 hood having an area of four (4) square feet or less shall be constructed of not less than twenty (20) galvanized sheet gage steel or of copper sheets weighing not less than twenty-four (24) ounces per square foot. Ducts and plenums greater than four (4) square feet in area shall be contructed of not less than No. 14 galvanized sheet gage steel or of copper sheets weighing not less than fifty-six (56) ounces per square foot.

Section 2003 (i), Make-Up Air, is amended by repealing the second paragraph and adding the following:

Where gravity openings are to be used they shall be sized on the basis of one (1) square foot of free area for each five hundred (500) CFM of air exhausted, unless required to be filtered or bug screened when a maximum of 300 F.P.M.V. shall be permitted.

Section 2124, Operating Permit, and Section 2125, Maintenance Inspection, are hereby repealed.

Section 2202, Definitions, is hereby amended by adding the following to "Gas Piping."

3. Extension to gas piping to only a clothes dryer within a single family residence.

Section 2203, Permit, is hereby amended by deleting the fees shown and adding the following:

Where permits are taken for a complete fuel burner installation, the gas piping permit shall be considered as part of the equipment permit, and shall not require a separate fee.

Section 2206 (b), 2, Final Piping Inspection, is hereby amended by repealing the second paragraph.

Section 2209 (a), Authority to Disconnect, is hereby amended by adding the following:

The serving gas supplier is hereby authorized to replace gas piping which may be found defective and in such condition as to endanger life or property.

Section 2211, Gas Meter Location, is hereby repealed.

Section 2213 (d), Corrosion and Covering Protection, is hereby deleted and a new paragraph (d) added as follows:

(d) Corrosion and Covering Protection. Ferrous piping and "K" copper tubing for gas lines installed underground in exterior locations is permitted when ferrous piping is within a trench of sand extending six (6) inches below, six (6) inches on each side and six (6) inches above the piping. All such piping shall have a minimum of twelve (12) inches of earth covering, or other equivalent protection. Ferrous piping in exposed locations shall be protected. Rust preventative paint applied to exposed unprotected ferrous piping is recommended.

SECTION 9B-11.
SEVERABILITY

The sections, paragraphs, sentences, clauses, and phrases of this ordinance are severable, and if any phrase, clause, sentence, paragraph or section of this ordinance shall be declared invalid by the judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this ordinance.

Section 2. All ordinances or parts of ordinances inconsistent with the provisions herewith are hereby repealed.

By Councilmen Brenke-Gunther-McKane-Blair-Adado—

Resolved by the City Council of the City of Lansing:

That the rule prescribed in Sec. 5.5 (g) of the Charter relative to considering business not on the agenda, be waived.

Carried.

Request from Vern Taylor, 1822 Wesley Place to close Wesley Place (a street one block long) on June 25, 1977 from 3 p.m. to 11 p.m. for a neighborhood picnic.

By Councilman Gunther—

That we concur in the request and this be referred to the Police Department, Public Service Department and Traffic Department.

Carried.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the request of Delhi Charter Township to allow the Capitol City Baptist Church located at 5100 Willoughby Rd., Holt, to connect to the City's sanitary sewer system, reports as follows:

We recommend the approval of this request subject to the payment of the Equity Investment Fee of $3,636.33. Approval is also subject to the issuance of the required permits and requirements of the Public Service Department and all provisions contained in the Agreement between the Charter Township of Delhi and the City of Lansing.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service and Highways.

By Councilman Brenke—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

June 17, 1977

Honorable Mayor and City Council

City Hall

Lansing, Michigan

Gentlemen:

Attached is a Letter of Intent submitted by the Capitol City Baptist Church to construct 440 ft. of sanitary sewer to serve the Church property at 5100 Willoughby Road.

I would recommend approval of this Letter of Intent.

Respectfully submitted,

ROBERT R. BACKUS,
Director of Public Service.

Referred to Committee on Public Service and Highways.

REPORT OF COMMITTEE

The Committee on PUBLIC SERVICE AND HIGHWAYS, to whom was referred the Letter of Intent submitted by Capitol City Baptist Church to construct 440 ft. of saniary sewer to serve church property at 5100 Willoughby Road, reports as follows:

That the Letter of Intent be approved subject to the required bonds and insurance certificates and that all work be as directed by the Department of Public Service. In accordance with the City's agreement with the Charter Township of Delhi, an equity investment fee of $3,636.33 will be paid to the City upon acceptance of this request for service.

Signed:

WILLIAM A. BRENKE,
LOUIS F. ADADO,
ROBERT J. HULL,
Committee on Public Service and Highways.

By Councilmen Belen-Gunther—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

By Councilmen Belen-Gunther—

Resolved by the City Council of the City of Lansing:

Whereas, the Department of Parks and Recreation has requested permits be approved for the distribution and consumption of beers and wines as part of the July 2 and 3, 1977 Ethnic Festival, and

Whereas, the Department has also requested permits be approved for the fireworks display scheduled for Riverfront Park on July 4, 1977, and

Whereas, all requirements of the Code of Ordinances, relative to these two items, will be complied with under the review of the Parks and Receration Department and the Fire Marshall,

Now, Therefore Be It Resolved, the City Council authorizes liquor permits for July 2 and 3, 1977 for (1) the Italian Americans, (2) the Leiderkranz, (3) the Mexican Patriotic Committee, and (4) El Renacinemto as part of the Ethnic Festival, and

Be It Further Resolved, the City Council authorizes the staging of a fireworks display, July 4, 1977 following the filing of the required permits in accordance with applicable City Ordinance.

Adopted by the following vote:

Yeas: Councilmen Adado, Baker, Belen, Bair, Gunther, Hull, McKane—7.

Nay: Councilman Brenke—1.

By Councilman McKane—

Resolved by the City Council of the City of Lansing:

Whereas, the Lansing Police Department has prepared a program for a 911 and Unit Status Data System to be funded through federal grant applications under the Crime Control Act of 1973; and

Whereas, a resolution of the City Council on June 6, 1977, authorized the Program Coordinator to submit preliminary 911 and Unit Status Data System grant applications

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

with a reservation that a complete and detailed analysis of the system, initial costs, subsequent program maintenance and training costs and local funding source will be presented to the Council prior to any final acceptance of a grant; and

Whereas, the preliminary application has subsequently been revised, meeting all the above requiremnts; and

Whereas, the 911 and Unit Status Data System grants are sub-segments of the computer assisted dispatch grant in a comprehensive system; and

Whereas, the proposed impact of this project will be to increase the efficiency and effectiveness of dispatch service to the residents of the City of Lansing, Ingham County and subsequently throughout the Tri-County area; and

Whereas, the cost of $83,509.00 (911 Grant) will be provided on a 90% federal basis with 5% being provided by the State of Michigan and 5% will be provided by the governmental entities participating in the 911 program and the cost of $129,796 (Unit Status Data grant) will be provided on a 70% federal basis with 5% being provided by the State of Michigan and 25% will be provided by the governmental entities participating in the 911 Program; and

Whereas, the prorata share of the 5% and 25% local match for the City of Lansing will be 48% of the dollars relative to the local match; and

Whereas, the $36,624 has been transferred from 101-936-708-977 into the appropriate grant accounts as the hardmatch share of the $213,305 program cost; and

Now, Therefore, Be It Resolved, by the City Council of the City of Lansing:

That this application be approved and the Office of Criminal Justice Programs and the Law Enforcement Assistance Administration (LEAA) be assured of full compliance by the City of Lansing with the regulations of said agencies in regard to the activities to be carried out as assisted by said grant; and

Be It Further Resolved, that the Mayor and Project Director are hereby authorized and directed to sign this grant application and all related documents necessary to carry out this program.

By Councilman Baker—

That the last line of the resolution be deleted.

Carried.

The resolution as amended was adopted by the following vote:

Unanimously.

June 20, 1977

Honorable Mayor Gerald W. Graves and
Members of the Lansing City Council
City Hall
Lansing, Michigan

Dear Mayor and Councilmembers:

The recent tragedy wherein one of Lansing's outstanding Police Officers was brutally murdered by an assailant was a tragic circumstance. It was brought to my attention this afternoon, the validity of which I am not able at this time to ascertain, that Officer Mac Donnelly's life possibly could have been saved had he been wearing a newly designed protective vest.

I have made some preliminary investigations as to the availability of these vests within our Police Department and have been informed that only a limited number are available to officers assigned to specific units. I have been informed that a number of officers have spent their own funds to purchase protective vests. I have also been informed that the officers that have purchased vests have spent around $70.00 for these vests.

It is respectively requested that the Mayor and City Council request that the Public Safety Committee investigate as soon as possible the cost involved to immediately equip all officers with such protective vests.

Sincerely yours,

JAMES D. BLAIR,
Councilman-At-Large.

Referred to Committee on Public Safety and Committee on Finance.

By Councilman Adado—

Resolved by the City Council of the City of Lansing:

That the City Attorney be and is hereby authorized to take the appropriate legal action to prohibit the sale or furnishing of illegal fireworks, toycanes, firecrackers, torpedoes, skyrockets, Roman candles, Daygo bombs or other illegal pyrotechnic devices.

Adopted by the following vote:

Yeas: Councilmen Adado, Belen, Blair, Brenke, Gunther, Hull, McKane—7.

Nay: Councilman Baker—1.

Councilman McKane asked the City Attorney to check into the charges by Cable T.V. relative to the regular selector or the deluxe selector if this is legal according to our ordinance.

By Councilman Blair—

That this meeting stand adjourned.

Carried.

Council adjourned at 9:35 P.M.

THEO FULTON,
City Clerk.

OFFICIAL PROCEEDINGS OF THE CITY COUNCIL OF THE CITY OF LANSING

Proceedings, June 27, 1977

CITY COUNCIL ROOMS

Lansing, Michigan

June 27, 1977

The City Council of the City of Lansing, Michigan, met in regular session and was called to order by Mayor Graves.

Present: Councilmen Adado, Baker, Belen, Blair, Brenke, Gunther, Hull, McKane—8.

Absent: None.

The Clerk announced that a quorum of the Council was present.

Invocation was given by Councilman Gunther.

Pledge of Allegiance was given.

Councilman Hull introduced the Edith Stein College Choir under the direction of Ruud VanDerMeer from Hague, Netherlands. They sang three selections.

Mayor Graves presented the conductor and the manager with the key to the City, Councilman Belen presented them with the flag of the State of Michigan and Councilman Hull presented them with the following resolution.

By Councilman Hull—

That this resolution listed as Resolution No. 5 on the agenda be brought up to the beginning of the agenda at this time.

Carried.

By Councilman Hull—

Resolved by the City Council of the City of Lansing:

Whereas, the Edith Stein College Choir is presently touring the United States of America; and

Whereas, the Edith Stein College Choir, under the capable musical direction of Ruud Van Der Meer has visited the Capital City of Michigan, Lansing, Michigan, from June 25-28, 1977; and

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Whereas, the Edith Stein College Choir has offered to the people of the City of Lansing the two great gifts of international friendship and music; and

Whereas, the Edith Stein College Choir has graciously shared their friendship through home stays with Lansing area residents and demonstrated an outstanding musical ability in public concerts;

Now, Therefore, Be It Resolved that the Edith Stein College Choir of the Hague, Netherlands be welcomed to the City of Lansing and that they be highly commended for their superior achievements in the fields of international goodwill and musicianship; and

Be It Finally Resolved that Monday, June 27, 1977 be designated as Edith Stein College Choir Day in Lansing and that a copy of this resolution be presented to the Edith Stein College Choir as evidence of the high regard in which they are held by the people of the City of Lansing.

Adopted by the following vote:

Unanimously.

By Councilman Brenke—

That the Council Proceeding of May 16, 23, 31 and June 6, 1977 be approved.

By Councilman Blair—

That the approval of the Council Proceedings of May 16, 1977 be held unitl the City Attorney has prepared his opinion on the division of the voting of the question he asked on page 389.

Carried.

By Councilman Brenke—

That the Council Proceedings of May 23, 31, and June 6, 1977 be approved.

Carried.

Signed:

LUCILE BELEN,
DICK BAKER,
JACK D. GUNTHER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on ORDINANCE AND CONTRACTS AND CITY AFFAIRS, to whom was referred the ordinance of the City of Lansing, Michigan, providing that the Code of Ordinances be amended by adding a Chapter to be numbered 25 and by adding a section to be numbered 25-1 to said code (City's Election to apply the Provisions of the Reciprocal Retirement Act to the Policemen's and Firemen's Retirement System), reports as follows:

That said ordinance be approvel.

Signed:

LUCILE BELEN,
DICK BAKER,
JACK D. GUNTHER,
Committee on Ordinance and Contracts and City Affairs.

By Councilman Belen—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on FINANCE, to whom was referred the request for purchase of modulator to augment video equipment, reports as follows:

That the Committee has approved the expenditure of $1,300.00 from the Community Development Community Promotion account No. 251-930-000-905 to enable the current video equipment to be used on a broader scope. The purchase is being approved at this time to enable the prompt implementation of a in-service training program for the Fire Department. Although this equipment will be utilized extensively by the Community Development Program, usages for other than the Fire Dept. training are not to be implemented until the Council's policy on use of video equipment is finalized. The Committee feels, however, that the Fire Dept. program should be instituted without any delay.

Signed:

TERRY J. McKANE,
WILLIAM A. BRENKE,
JAMES D. BLAIR,
Committee on Finance.

By Councilman McKane—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Traffic Board that parking on the north side of Tisdale be prohibited from Alpha Street to 140 feet east of Alpha Street, reports as follows:

The Committee concurs in the recommendation of the Traffic Board.

A collaborative digitization project of the City of Lansing and Forest Parke Library and Archives - Capital Area District Libraries

Signed:

LOUIS F. ADADO,
TERRY J. McKANE,
DICK BAKER,
Committee on Public Safety.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:

Unanimously.

The Committee on PUBLIC SAFETY, to whom was referred the recommendation of the Traffic Board that a flashing traffic light be installed at the intersection of Washington Avenue and Northrup Street, reports as follows:

The Committee concurs in the recommendation of the Traffic Board.

Signed:

LOUIS F. ADADO,
TERRY J. McKANE,
DICK BAKER,
Committee on Public Safety.

By Councilman Adado—

That the report of the Committee be adopted.

Adopted by the following vote:
